2 ➤ Privacy Policy   **3** ➤ Terms of Use

TCS iON Digital Learning Hub is an Online Learning platform offering Courses, Assessments, Communities and Events. It is an ideal platform for an individual who wishes to pursue education on a self-learning pace. It caters to learners across various segments right from K 12 to working professionals. It enables educators and trainers to deliver self-paced and blended learning which enables an individual to learn at any place and any time.
Our Privacy Notice explains:
What information we collect and why we collect it. How we use that information. The choices we offer, including how to access and update information.
Your privacy matters to TCS so whether you are new to the Learning Platform or a long time user, please do take the time to get to know our practices – and if you have any questions contact us. While we have tried to keep this document simple, there may be terms you are unfamiliar with. Please read about them before giving your consent.

Information we collect
We collect information to provide better services to all of our users.
We collect information in the following ways:

Information you give us. For example, our services require you to sign up for a learning module. When you do, we'll ask for personal information, like your name, email address, guardian details if you are a minor, telephone/mobile number to store with your account, your time zone information if you need to see system records as per your own time, your academic and professional information like educational achievements, designation etc., which you can voluntarily provide if you want to use certain features.

Information we collect by automated means. When you visit our Sites, we may collect certain information by automated means, using technologies such as cookies, web server logs, web beacons

☑ I have read, agreed and understood the Privacy Notice
