

GUIDE: HOW TO IMPORT A BOUQUET (ES.:DTT) IN A NEW CHANNEL LIST

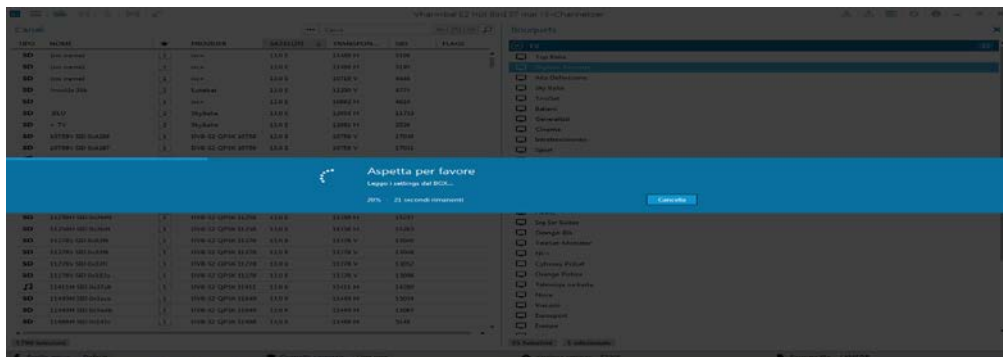

We open the setting management program E-Channelizer, and from the menu on the left click on "Open file>" Let's choose the file in lamedb Vhannibal folder with the new setting.

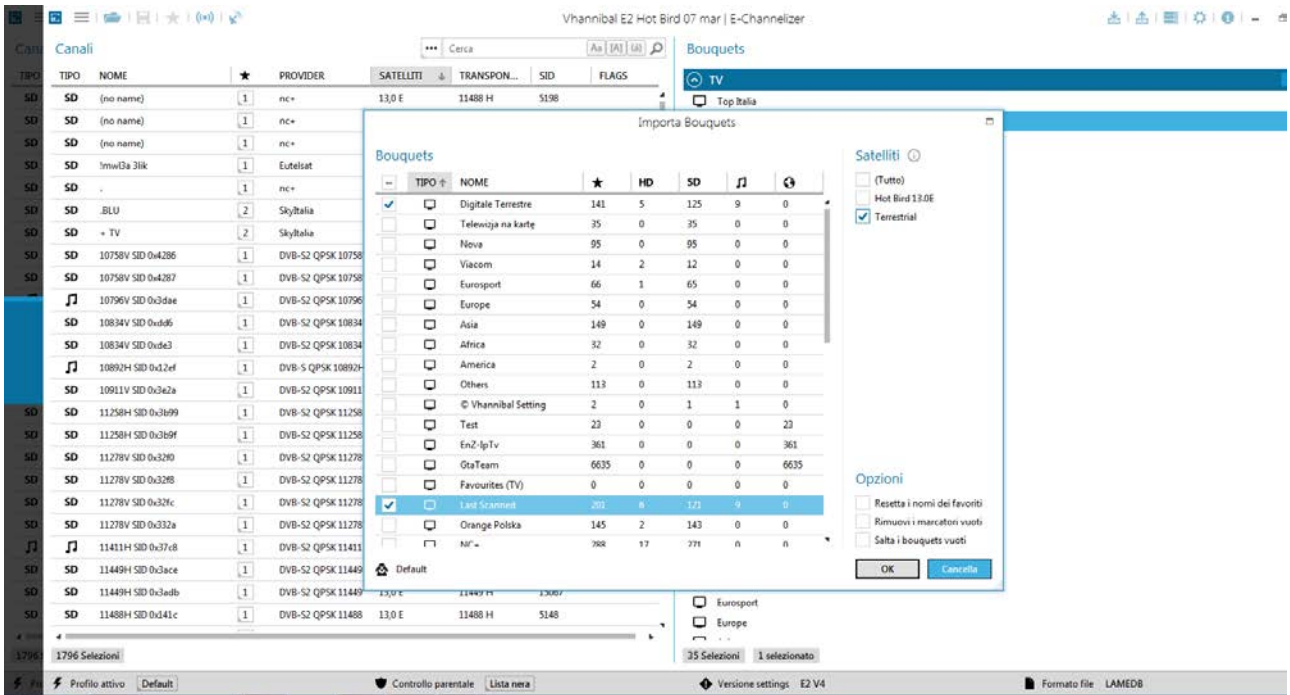

We click on the list Bouquet right mouse button, choose Import from the BOX

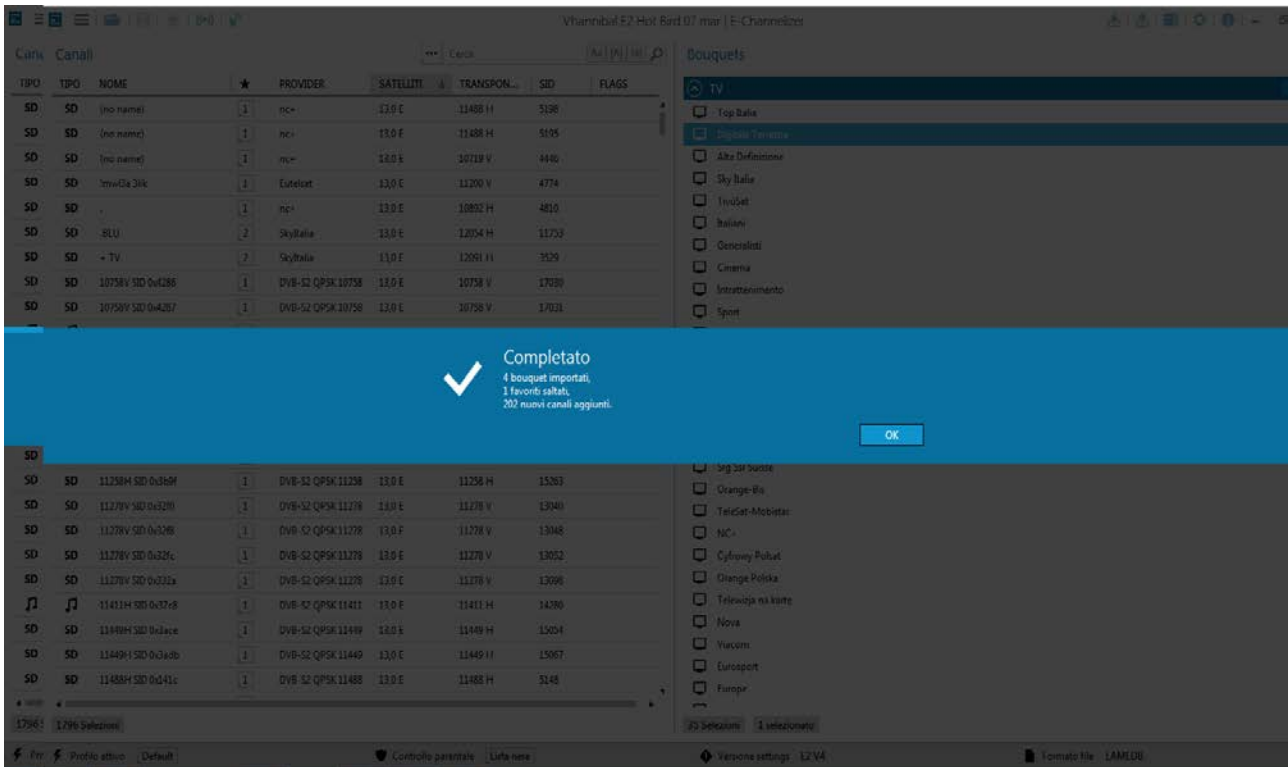

We wait a few seconds

A window opens, choose the favorite lists you want to import:
 in this case we select Digital Terrestrial Last Scanned.
 Right "Satellites" select "Terrestrial" - OK

After you click OK await import.

That's it, we will not need to redo the channel tuning Digital Terrestrial, import them into the pc, fix them and send them to Box

The screenshot displays the E2 Channel Manager interface. The main window is titled 'Vhannibal E2 Hot Bird 07 mar | E-Channelizer'. It is divided into three main sections: 'Canali', 'Preferiti', and 'Bouquets'.

- Canali:** A table listing channels with columns for TIPO, NOME, PROVIDER, SATELLITI, TRANSPON..., SID, and FLAGS. The table contains 1998 entries, with the first few rows showing channels like ALICE, BBC Knowledge - Premium, Boing, Canale5, and Cartoon Network - Premium.
- Preferiti:** A list of preferred channels under the heading 'Digitale Terrestre'. It includes channels like Rai 1, Rai 2, Rai 3 TGR Basilicata, Rete4, Canale5, Italia1, La7 HD, TV8, Premium Cinema +24, Premium Cinema 2 +24, Premium Emotion, Premium Energy, Premium Comedy, Studio Universal - Premium, Rai Movie, Iris, Premium Action +24, Premium Crime +24, Premium Joi, Premium Joi +24, Premium Stories, Premium Stories +24, Rai Premium, Rai 4, and Rai 5.
- Bouquets:** A list of TV bouquets including Digitale Terrestre, Top Italia, Alta Definizione, Sky Italia, TvùSat, Italiani, Generalisti, Cinema, Intrattenimento, Sport, Cultura, Musica, Bambini, Notizie, Pay Per View, Adulti, Srg Ssr Suisse, Orange-Bis, TeleSat-Mobistar, NC+, Cyfrowy Polsat, Orange Polska, Telewizja na kartę, Nova, Viacom, Eurosport, and Europe.

At the bottom of the interface, there are status bars for '1998 Selezioni', '154 Selezioni 1 selezionato', and '38 Selezioni 1 selezionato'. The bottom right corner shows 'Formato file: LAMED8'.
