IIT Bombay

15 November 2016

Dear Sir/ Madam,

Greetings from FOSSEE, IIT Bombay. We are funded by the National Mission on Education through ICT, MHRD. Govt. of India.

We are glad to introduce ourselves as the proponents of Open source Software. Our team has taken up the effort to promote Linux in colleges in and around Mumbai. We help you to migrate your CS/IT course labs to Open source software labs on Linux Operating System. Linux is an open-source operating system modelled on UNIX. It is an alternative to the Windows Operating System.

All open source software packages have legal licences and they meet AICTE requirements and are available for free.

We are attaching two copies of the Linux Lab Migration brochure. Please share / display on notice boards. We are keen to help you, in case you decide to migrate your labs to Linux. It will be helpful if you can please fill the survey given here: <http://tinyurl.com/linuxmigration>

Thanks and Regards,

Kumar Appaiah

Prof. Kumar Appaiah,
(Co-PI, FOSSEE),
Dept. of Electrical Engg.,
IIT Bombay.
