

NOTE: The following rules only apply to a republic such as the USA.
For a monarchy such as Great Britain substitute the word "baron" for "people",
and substitute the word "subject" for "citizen".

Common Law Grand Jury Rules

ENFORCED JUDICIAL ORDER: All current sheriffs will be removed from the proceeding (sgt., et. all) and replaced by Continental sheriffs only, returning plenary jurisdiction to the common united states. This is now ordered before any trial begins.

APPLICABLE LAW

The government must accept the Magna Carta as common law if pleaded as such.

Basic requirements and procedures for a common law grand jury:

Source: Magna Carta, Articles 52 & 61

www.1215.org/lawnotes/lawnotes/magna.htm#52 www.1215.org/lawnotes/lawnotes/magna.htm#61

HOW CONSTITUTED

Grand jury members must be elected by the [people](#) (not citizens) of the jurisdiction in which they are operating.

There are no rules defining a procedure for how they are elected. The people, without the influence of government, decide for themselves how the grand jury members are elected. There must be 25 members.

QUALIFICATIONS

The members must be "people" of the jurisdiction and not "citizens" of the jurisdiction.

For example, they must be "People of the United States," or "People of California," or "People of the State of California"; not "citizen of the United States," nor "citizen of California," nor "citizen of the State of California." www.1215.org/lawnotes/lawnotes/pvc.htm <http://www.1215.org/lawnotes/lawnotes/sovrein.htm>

Each member must be sworn in and promise to observe all of these rules and, so far as within his power, cause all the rules to be observed.

QUORUM

When the grand jury meets, if any are absent after being summoned, then those present constitute a quorum.

All decisions of grand jury are decided by majority vote of members present.

If any member dies or leaves the country, or in any other way is prevented from carrying out the grand jury's decisions, the remaining grand jurors shall choose another to fill his place and he shall likewise be sworn in.

FINALITY OF DECISIONS

No decision of a grand jury is reviewable in any court of the government.

JURISDICTION

Any government transgression against anyone in any respect

Any government breaking of articles of peace or security

Any dispute regarding anyone who has been diseased or removed, by the government without a legal sentence of his peers, from his lands, castles, liberties or lawful right.

PROCEDURE I

Dispute Settlement

If the grand jury is informed of any dispute regarding anyone who has been disseized or removed (by the government without a legal sentence of his peers) from his lands, castles, liberties or lawful right, then the dispute shall be settled by the grand jury.

PROCEDURE II

Enforcement

Four of the members must be shown that because of the government,

A. A transgression has occurred against any one in any respect, or

B. Some one of the articles of peace or security has been broken

The four members must show to the government the government's error.

The four members must ask the government to amend that error without delay.

If the government does not amend the error within 40 days after being shown the error, then the four members shall refer the matter to the remainder of the grand jury.

The grand jury may distrain and oppress the government in every way in their power, namely, by taking the homes, lands, possessions, and any way else they can until amends shall have been made according to the sole judgment of the grand jury.

LIMITATION OF POWERS

The grand jury may not imprison or execute any government personnel or their children.

PUBLIC SUPPORT

Anyone (people or citizen) who chooses to help enforce the grand jury decision must first swear that he will obey the mandates of the grand jury, and that with them to the extent of his power he will impose the grand jury's decisions upon the government.

The authority to support the grand jury is pre-authorized by the government.

If anyone refuses to support a grand jury decision, the government will force him to swear his support of the grand jury.

LIMITATIONS ON GOVERNMENT

The government is **prohibited** from doing anything to diminish the effect of the grand jury.

If the government does prohibit or diminish the effectiveness of the grand jury, it shall be vain and invalid and may not be used in any later proceeding by the government or anyone else.

TERMINATION OF ENFORCEMENT

When all issues are settled to the satisfaction of the grand jury, things shall return to normal as they were before. No grudges.

BACKGROUND

When the colonies separated from England, King John retaliated by revoking the charters. Technically, the colonies were without any legal authority to operate. However, civics (the branch of political philosophy concerned with individual rights) was generally taught and known by the people who asserted their rights and maintained order by applying the common law. The people united in the form of common law grand juries and continued the functioning of government.

As the legislatures matured they slowly increased governmental power while simultaneously reducing personal sovereign power. This was done through a combination of passing pro-government legislation and reducing or eliminating education about civics. Today, two and a quarter centuries later, hardly anyone even knows the meaning of the word, "civics."

The common law grand jury is now dormant only because of the public ignorance of its powers that supersede all other government entities, including the modern statutorily defined grand jury. Awakening the grand jury will not be graciously accepted by the government.

A strategy is needed to reintroduce this fundamental protection against tyranny and injustice.

STEP 1 - ESTABLISH LEGITIMACY

The first step is to get public acceptance. Every dictator in history understood the power of the people and cultivated their support either through enticements or threats. Reactivating the grand jury concept will go through four traditional stages: denial, ridicule, violent opposition, then self-evident acceptance.

Theoretically, the grand jury can meet anywhere, anytime. But that is hardly good image. One way to get public acceptance and minimize denial, ridicule, and violent opposition, is to hold the grand jury sessions in the public court house. The foreman could apply to a court administrator for use of one of the rooms in the public courthouse. If it is refused, then the court administrator should, under common law procedures, be sued for his dereliction of duty.

The grand jury should follow normal protocol. In other words, if the grand jury begins a process on its own, the resulting accusation is called a *presentment*. If a prosecutor originates a process, then the jury returns to the prosecutor an *indictment* (also called a "true bill") on acceptance, or a "no bill" on denial. [Note: be careful with your words. wrong words may result in inaction! If you call the presentment an indictment, the prosecutor may feel no obligation because he did not initiate the process!]

STEP 2 - GAIN PUBLIC ACCEPTANCE

The second step is to start small. The grand jury could take on issues which anyone can easily see should be prosecuted. As public acceptance increases, the grand jury can enlarge its field of inquiry. The grand jury should have a strong public relations program for this step.

STEP 3 - TAKE ON LARGER PROJECTS

The third step is to take on grander objectives. If the first two steps are well executed, then this step will be the easiest. With both legitimacy and acceptance established the grand jury can make itself felt.

See [United States v. Williams](#), 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352 (1992) for a discussion of separation of powers of government and grand jury.

AFFIDAVIT OF OBLIGATION

INTERNATIONAL COMMERCIAL LIEN

(This is a verified plain statement of fact)

Date: OCTOBER 15, 2015

Maxims:

1. All men and women know that the foundation of law and commerce exists in the telling of the truth, and nothing but the truth.

2. Truth, as a valid statement of reality, is sovereign in commerce.

3. An un rebutted affidavit stands as truth in commerce.

4. An un rebutted affidavit is acted upon as the judgment in commerce.

5. Guaranteed- All men shall have a remedy by the due course of law. If a remedy does not exist, or if the remedy has been subverted, then one may create a remedy for themselves - and endow it with credibility by expressing it in their affidavit.

6. Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.

7. All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments cannot exercise the power to expunge commercial processes.

16. A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.

17. Governments cannot make unbounded rulings or statutes which control commerce, free-enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.

18. It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully, outside of or without the Court.

19. An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.

20. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor – and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.

21. It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a Commercial Lien.

22. Notice to agent is notice to principal; notice to principal is notice to agent.

23. **PUBLIC HAZARD BONDING OF CORPORATE AGENT:** All officials are required by Federal, State and Municipal Law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond and if required, a copy of the policy describing the bonding coverage of their specific job performance.

Allegations:

1. The **AMERICAN BAR ASSOCIATION**, the **INTERNATIONAL BAR ASSOCIATION**, and the **DEPARTMENT OF JUSTICE**, are commercial derivations & subsidiaries of the Crown Templar, or Temple Crown, whose Corporate Headquarters is located in the City of London, England. Is this correct? Yes? or No? If No, please explain.

2. In 2007, William C. Hubbard, Esquire, received the American Inns of Court Professionalism Award for the Fourth Circuit. In 2015, he was called to the bench as an Honorary Bencher of the Middle Temple in London. Is this correct? Yes? or No? If No, please explain.

3. The A.B.A. was founded on August 21, 1878, in Saratoga Springs, New York, by 100 lawyers from 21 states. The I.B.A., established in 1947, now has over 55,000 individuals and 195 bar associations and law societies, and its organization continues to grow. Is this correct? Yes? or No? If No, please explain.

4. The first President of the **AMERICAN BAR ASSOCIATION** was its inceptor, creator, and implementor, James O. Broadhead. Representatives of 34 national bar associations gathered in New York, NY on 17 February 1947 to create the I.B.A.. Was this **NOT** an act of sediton, treason, and "Piracy on Land," pursuant 18 USC #1651-1661? Yes? or No? If No, please explain.

5. Initial membership was limited to bar associations and law societies, but in 1970, I.B.A. membership was opened to individual lawyers. Members of the legal profession including [attorneys](#), [solicitors](#), [barristers](#), [advocates](#), members of the judiciary, in-house lawyers, government lawyers, academics and law students comprise the membership of the I.B.A.. Is this historical notation correct? Yes? or No? If No, please explain.

6. James O. Broadhead violated the Original & Organic XIII Amendment of the Constitution of the pre-1871 Continental uNited States of America, when, in 1878, he was chosen president of the American Bar Association, which met at Saratoga, N.Y.. In 1882, he was elected as the State's representative to the 48th Congress as a Democrat, and in 1885 was appointed by the government as special agent to make preliminary search of the record of the French archives in the matter of the French spoliation claims, making his report in October, 1885. He was U.S. minister to Switzerland, 1893-'97. Do you agree James O. Broadhead committed treason against the Continental United States government in forming the A.B.A.,

and becoming its first President? Yes? or No? If No, please explain.

7. James O. Broadhead's election & appointment were direct abrogations and usurpations of the 1803 Supreme Court ruling over **Marbury v. Madison**, wherein, John Marshal rendered a majority decision restricting Barristers & Esquires, and other holders of Titles of Nobility, from holding government, or public offices, and declared that, "*prescribing, giving, or taking such Oaths of Office*" to these offices was "*a solemn mockery*" against the US Constitution, against its people, and was "*equally a crime.*" If this is a correct assessment of the foundation & legacy of James O. Broadhead, it stands, then, that the **entire** concept, structural design, and the implementation of all contracts; ie, "Electoral College," "Lifetime Judicial Appointments," "Copyrighted, Revenue-bearing Statutes, Codes, Rules, Ordinances," etc., created by the A.B.A. are fraudulent, malicious, egregious, and corrupt to the A.B.A.'s core. Yes? or No? If No, please explain.

8. Mr. Broadhead's coalition of 100 foreign agents ("attorneys"), who, in-concert, collusion, and conspiracy, created, with the encouragement, support, and aid & abetting of the Federal Reserve Debt Banking System, the AMERICAN BAR ASSOCIATION, in their efforts to "federalize," "democratize," "incorporatize," "defraud," and to silently overthrow the righteous & genuine Constitutional government of the united States, and to subvert, usurp, and to destroy the Unalienable & Natural Rights of the People & Tribal families, who resided & inhabited the Land, established by our Nation's Founding Fathers. Would you

agree with this assessment? Yes? or No? If No, please explain.

9. Is it **NOT** True, then, that, "fraud vitiates all contracts," and that, all commercial contracts, including, but **NOT** limited to, **ALL** unlawful sentences & incarcerations of political prisoners (ie; imprisoned I.R.S. Lien Debtors, non-criminal offenders), wherein, such commercial contracts were all conceived in fraud, and lacking any moral & ethical character, are in direct conflict with Natural Law & Commercial Law, and thus, every A.B.A "contract" since 1882, whether verbal, or written, including, but not limited to all Judicial Oath's of Office, falsely sworn to, and fraudulently securitized, monetized, and commercialized, are Null & Void, ab initio? Yes? or No? If No, please explain in detail.

10. Our country's Founding Fathers established our Original & Organic Constitution under the "Land Jurisdiction," and **NOT** the "Jurisdiction of the Sea," or "Holy SEE," with various "embargos" against acts of piracy, press-ganging, personage, slavery, barratry, and other notorious & potentially injurious foreign intrusions, including the Titles of Nobility Act, the XIII Amendment, Bills of Attainder, and other notable & honorasble acts and codifications of law that were to insure the health, safety, and welfare of our government, our lands, and our People. Is this historically correct? Yes? or No?

11. If your answer to Question #10 is "Yes," then under what law form, or forms, was the A.B.A., the I.B.A., and their minions, able to subvert & usurp the "Land Jurisdiction" with the mere "presumption" of the "Jurisdiction of the Sea?" (Please Select

one, or more, law forms used) A. "Admiralty Law?" B. "Maritime Law?" C. "International Law?" D. "Commercial Law?" E. "Uniform Commercial Code?" "Roman Curia Law?"

12. The National Lawyer's Guild was established in 1937, and, according to historic record, has its origins in the Communist Party. The A.B.A. was in protest of its establishment due to a belief that the N.L.G. was a *"militant segment of the bar."* In comparison to the criminal, unethical, and immoral conduct & activities of the members & individuals of the A.B.A., the members & individuals of the N.L.G., even if they are referred to as Communists, are, truly, "Saints," as the N.L.G. genuinely & honestly works for the people, and **NOT** for the corporations, as the A.B.A. does. Is this an accurate description & comparison of the A.B.A., and the N.L.G.? Yes? or No?

13. During the McCarthy era, the N.L.G. was accused by Attorney General Herbert Brownell Jr. as well as the House Un-American Activities Committee of being a Communist front organization. Federal Bureau of Investigation director J. Edgar Hoover repeatedly tried to get a successive Attorneys General to declare the N.L.G. a *"subversive organization,"* but without success. If the A.B.A. was so opposed to the N.L.G., as alleged, why did the A.B.A.'s own Attorneys General, block the FBI's, Brownell's, the House Un-American Activities Committee, from prosecuting the N.L.G., when the A.B.A. claims the N.L.G. is, quite simply, *"a militant segment of the bar (A.B.A.)?"* Was this protest by members & individuals of the A.B.A. simply a ruse, or a Red Flag operation, to cloak the true intent &

nature of the A.B.A., and banking elitist they represent?
Please be specific in your answers!

14. The 1944 HUAC history asserted that the N.L.G. was merely "a streamlined edition of the International Juridical Organization," a Communist Party mass organization established in 1931. Is the A.B.A., and the I.B.A., not also, corporate members/associates of the INTERNATIONAL JURIDICAL ORGANIZATION? Yes? or No? If No, please explain.

15. The enactment of the 1948 Administrative Procedure's Act following the A.B.A.'s 1947 BAR Treaty, created a multitude of quasi-government corporate agencies. Both efforts & Acts, further subverted all legitimate de jure government agencies to bring them under the A.B.A.'s corporate judicial control & administration, thus destroying the genuine & lawful Executive & Legislative branches of the people's government. Yes? or No? If No, please explain the intent of these two efforts.

16. It is a well documented fact, that the A.B.A., and the I.B.A. are, quite simply, "political organizations" with distinct corporate connections to all nations, and State BAR Associations, Inns of the Courts, and to Districts & Middle Inns made up of adjoining State BAR Associations, and that, in order to "serve at the bench," all judges, from a municipal "judge," to the "Justices" of the US Supreme Court, according to the Federal Civil Procedures Act, **MUST** be members of the BAR. Does this "interstate districting," and the "judicial mandating" for the seating of "judges," "justices," and "magistrates," **NOT** violate every Nation's/State's General Laws & Rights, abridge individual voter & election rights, abrogate

15 U.S. Code § 1 - Trusts, etc., in restraint of trade illegal; penalty;

“Every contract, combination in the form of trust or otherwise, or conspiracy, in restraint of trade or commerce among the several States, or with foreign nations, is declared to be illegal. Every person who shall make any contract or engage in any combination or conspiracy hereby declared to be illegal shall be deemed guilty of a felony, and, on conviction thereof, shall be punished by fine not exceeding \$100,000,000 if a corporation, or, if any other person, \$1,000,000, or by imprisonment not exceeding 10 years, or by both said punishments, in the discretion of the (this) court.”

15 U.S. Code § 2 - Monopolizing trade a felony; penalty, which states;

“Every person who shall monopolize, or attempt to monopolize, or combine or conspire with any other person or persons, to monopolize any part of the trade or commerce among the several States, or with foreign nations, shall be deemed guilty of a felony, and, on conviction thereof, shall be punished by fine not exceeding \$100,000,000 if a corporation, or, if any other person, \$1,000,000, or by imprisonment not exceeding 10 years, or by both said punishments, in the discretion of the (this) court.”

19. Used in concert & conjunction with this Commercial Obligation Lien, **15 USC 1 & 2**, and the invocation of our **“Crime Victim’s Rights”** as defined & described under **18 USC #3771**, the A.B.A., I.B.A., and the D.O.J., by the preponderance of well documented evidence, and by the sheer weight of notable & probable causes, already posted in, both, the private & public records, the individual members of the A.B.A., the I.B.A., and the D.O.J., acting in their “corporate capacities,” are found to be “guilty” on both counts, and are “guilty” of all crimes described under the “Piracy Codes” of 18 USC #1651-1661, and under 42 USC #14141-Cause of Action.

Would you NOT agree, that the A.B.A., and D.O.J., enjoys rights, privileges, liberties, freedoms, and pursuits, that are NOT extended to, or enjoyed by non-union members? Yes? or No? If No, please explain why your laws are NOT shared by all, and why these laws do NOT apply equally to A.B.A., I.B.A., or D.O.J. executives, directors, officers, members, employees, or their corporate contractors.

20. Given the incredible & irrefutable weight & preponderance of the evidence, even the private courts owned & administered by the A.B.A., the I.B.A., and the D.O.J., **MUST** find themselves "guilty-as-charged," and **MUST**, therefore, under their very own revenue-bearing, statutory laws, convict themselves, less they be totally void of Human Morality, Ethics, Honor, or Character.

21. This request & demand by the Lien Claimants, for "written confessions & admissions," of course, are **NOT** likely to be honored, yet, under **28 U.S. Code 455(a,b,c,d,e,f)**, which, in effect, and under multiple law systems, dissolves the Judiciary, a.k.a. "A.B.A.," a.k.a. "I.B.A.," a.k.a. "D.O.J.," of **ALL** their jurisdiction, power, and authority, to hear, to adjudicate over such clear cases of fraud, or to act upon them, unless of course, the "corporate body," itself, and all justices, judges, magistrate judges, bankruptcy judges, spouses or minor children, as whatever the case may be, ***"divests himself/herself/themselves of the "financial interests" that provide the grounds for their disqualification."***

22. For obvious reasons, as previously stated, the A.B.A.'s, the I.B.A.'s, and D.O.J.'s, private courts **CANNOT** begin to presume, or assume, to have subject-matter, personal, or territorial jurisdiction, power, or authority, over matters dealing with any Living Being, wherein, this Commercial Obligation Lien can only be dismissed by the Lien Claimant(s), or by a properly convened & seated common law jury, independent of the Crown Templar's private courts. To the detriment of the A.B.A., the I.B.A., its Officers & Crew, and their entire membership, **U.S. Code 28 #455** is, exceedingly, clear, and unambiguous in its mandates, and that, the common law jury, as drawn & specified in the International Commercial Lien processes, belongs to the People, and **NOT** to any corruptible corporate body politic. Are the People "incorporable" with the lack of full disclosure, and with the lack of their free willed & knowledgeable consent? Yes? or No? If No, please provide the International Law, of the Law of Merchants, giving the A.B.A., I.B.A., or the D.O.J., the right & privilege to create, legislate, or execute such presumptions, statutes, codes, ordinances, rules, gratuitous bailments, bonds, contracts, or other colors of law.

23. In brief, **U.S. Code 28 #455** requires & demands that all individual members of the A.B.A., the I.B.A., and D.O.J., "**divest**" themselves of any & all "**financial interests**" in any corporation, or quasi-government agency, including their financial ties to the only True branches of the Continental united State's government, their banks, their insurance companies, and their for-profit jail & prison systems. The A.B.A., I.B.A., and the D.O.J., in order to be in full contractual compliance with **United States Code 28 #455**, **MUST** ,

without further obstruction, hesitation, or delay, release all military prisoners, corporate captives, and political hostages, currently being held against their free will, or imprisoned by force, threat, intimidation, blackmail, extortion, or by any other unlawful & criminal means. This includes nullifying all such contracts, and the immediate release of all de jure government law enforcement officials, employees, clerks, and staff, currently being held hostage by the BAR's members and gatekeepers. In so doing, would you have any problem in implementing a "prisoner exchange program?" Yes? or No?

24. The A.B.A. has 410,000 members, and the I.B.A. has 55,000 members, with each individual member acting & operating in their own "corporate capacities," (P.C.'s, L.L.C.'s, etc.) and each member is, by corporate association, in violation of **15 USC 1 & 2**, for a total monetary penalty of **SIX HUNDRED MILLION US GOLD DOLLARS (\$600,000,000.)**, EACH, including Tort Claims of 3X's, and TEN (10) YEARS imprisonment, per individual, corporate-body, per offense (ie; lobbied, legislated, and executed revenue-bearing statutes, codes, rules, ordinances, and every color of law crafted & copyrighted by the individual members of the A.B.A., the I.B.A.), per each crime victim (315 Million+). With a minimum of 7,000 revenue-bearing statutes, codes, rules, ordinances, and colors of law, being lobbied, legislated, and executed by the A.B.A., I.B.A., and the D.O.J., every year since 1882, the total Claim for Remedy package would be staggering & overwhelming. Would you NOT agree? Yes? or No? If No, please apply your own rules of math to this equation, and provide the Lien Claimants the result.

29. It stands to reason, then, and as a point of accepted & universal Truth, that each & every Oath prescribed, given, taken, filed, recorded, monetized, and securitized, and placed into commerce, by every justice and judge, is a false & fabricated statement, intended to obstruct free trade & commerce, and is, well beyond any reasonable doubt, a written confession to sedition & treason, taken/given in an "open court of law." It is, also, a willing & premeditated act of Treason, and commercial fraud, against the Continental United States of America, against its Constitutions, and against its residents & inhabitants, pursuant **Article III, Section #3** of the Constitution. The BAR's ignorance of the law shall be **NO** excuse, and it is **NOT** a valid reason for the commission of a crime, when the law is easily and readily available to anyone making a reasonable effort to study the law. Would you agree that these Oaths are acts of Sedition & Treason, and that, the judgments handed down at the Nuremberg Trials against those stating, "I was just following orders," were just & accurate? Yes? or No?

30. The "legal definition" of the term "**Public**," according to *Black's Law Dictionary (Eighth Edition)*, reads; "1. Relating or belonging to an entire community, state, or nation [Cases: *Municipal Corporations* §§ 1557-1559.] 2. Open or available to all to use, share, or enjoy. 3. (Of a company) having shares that are available on the open market. [Corporations]. Do you agree with this "legal definition?" Yes? or No? If No, please provide the BAR's corporate definition.

31. The "legal definition" of the term "**publican**," has its origins in the Latin term, "**publicanus**," which comes from "Hist. Roman Law," and means, "A tax collector. A publicanus

endowed proxy of this Claim for Remedy, a.k.a. "Commercial Obligation Lien," and their Affidavit, will, under Oath, act in the capacity of an Administrator, Creditor, Beneficiary, and Grantor, in the assignment of a qualified "Authorized Agent," or Agents, for the "redistribution" of the "Accounts Receivables," (ie; all laundered, pirated, and stolen assets, monies & properties), and to restore same to any & all injured parties, individuals, "witnesses," and "crime victims" of the A.B.A., the I.B.A., and the D.O.J., their Ponzi Franchise Corporations, and their subcontractors.

PROOF OF ALLEGATIONS:

1. The "PROOF OF ALLEGATIONS" lies directly at the feet of the individual Officers & Crew of the A.B.A., the I.B.A., and the D.O.J., ie; their Administrators, Executives, Officers, Directors, Employees, Agents, and Contractors, and with their honor, willingness, and their ability, to respond, protest, argue, or rebut the allegations made, herein, point-by-point, and article-by-article, under an Affidavit of Truth, under sworn Oath, and under the Penalty of Perjury.
2. It is anticipated & expected, that these individual members & contractors of the A.B.A., the I.B.A., and the D.O.J., rather than admit to their crimes against humanity, in-writing, will choose to go silent, or simply invoke the **Fifth Amendment** of the US Constitution, which, again, is **NOT** open to **ANY** A.B.A., I.B.A., or D.O.J. member, agent, employee, or contractor.
3. Their acquiescence, or silence, then, will, under the weight of Commercial Law & Natural Law, result in their waiving **all**

of their corporate, public, private, and individual rights & immunities, as per **28 USC #455**, and they will, also, be attesting to their acceptance & agreement to all allegations made, to accept all fines, fees, penalties & punishments they are deserving of, and entitled to, under Common Law, the Law of Merchants, International Law, Commercial Law, Natural Law, and to have violated their very own corporate laws & self-engineered codifications, which are grounds for the immediate dissolution of their corporate charters. Are these terms & conditions clear to you? Yes? or No?

LEDGERING AND TRUE BILL:

1. The ledger for this "TRUE BILL" is based on the Truth, the whole Truth, nothing but the Truth, and upon the **MONETARY FACE VALUE** of **TWO HUNDRED SEVENTY-NINE TRILLION (\$279,000,000,000,000.) US GOLD DOLLARS** retrievable from stolen & pirated properties & assets, pursuant **12 USC #411**, believed to be of record, and all properties & assets suspected of being hidden in privatized off shore properties & accounts by various individuals & members the AMERICAN BAR ASSOCIATION, and the INTERNATIONAL BAR ASSOCIATION.

3. This "**TRUE BILL**" is, also, set against the MAXIMUM PUBLIC HAZARD BONDS/INSURANCES held by the A.B.A.'s, and the I.B.A.'s Bonding Companies, whether "in-house," or "independent," for

all of these Entities, Agents, and Individuals, including, but NOT limited to, the individual Lien Debtors listed above.

4. As a Commercial Instrument, this **"TRUE BILL"** has an **S.E.C. Henderson, and David A. Bottger, and witnessed by Sandra Casselberry, the Judicial Administrator for Mesa County, Colorado.
5. This **S.E.C. Tracer Number of #2640220** is a "commercial securities tag," and is but a single Exhibit, out of thousands, of the prima facie evidence of the A.B.A.'s conspiracy to commit sedition, piracy, and commercial fraud, against the Lien Claimants, and against the American people, wherein, any such Oath "prescribed, given, taken," commercially securitized & monetized, was, and is, a "solemn mockery," and "equally a crime," according to the Crown's very own Supreme Court ruling by US Supreme Court Chief Justice, John Marshal, in 1803.
6. This **S.E.C. Tracer Number of #2640220**, as related to this Commercial Obligation Lien, may be used as form of identification for any & all "Witnesses," "Crime Victims," and/or "injured parties," when asked for identification by any A.B.A., I.B.A., or D.O.J. contractor, or revenue/tax collector ("Pulbicanus"), (ie; I.R.S. Agent, H.L.S. Agent, F.B.I. Agent, C.I.A. Agent, Sheriff, Sheriff Deputy, Police Officer, etc.).
7. All such "Crown Contractors" are, under the terms & conditions of this International Commercial Obligation Lien/Agricultural Lien/Writ of Injunction & Restraint/Cease & Desist Order,

prohibited from engaging with, detaining, arresting, incarcerating, harrassing, coercing, or intimidating, any "Witness," "Crime Victim," a.k.a. "any Living Being," or citing same under any revenue-bearing statute, code, rule, ordinance, or any other "color of law" infraction, providing the Living Being has **NOT** harmed or injured another Living Being. [Corporations CANNOT be injured! Only Living Beings can be injured!] Without an "injury," there can be **NO** crime, and **NOWHERE** can these revenue-bearing statutes adhere, and no "false presumptions of a crime" shall be made, authorized, or enforced!

8. Any encroachments, or violations, upon the terms & conditions stated above by any "Crown Officer," "Crown Agent," or "Crown Contractor," will result in additional 15 USC penalties being levied upon the corporate, personal, and private properties & assets of these individual "Officers," "Agents," or "Contractors," while operating privately, or in their "corporate capacities."
9. This **S.E.C. Tracer Number of #2640220**, however, and wherever, presented, will serve as the People's Rescission of Consent, and as fair, proper, and lawful notice to CEASE & DESIST with any & all criminal aggressions, trespasses, and transgressions, while operating on the Land, and/or under the 'presumed & alleged' jurisdiction, power, or authority of the Military/Admiralty Flag of the Crown Templar.

SURETY & CERTIFICATION:

The Sureties & Certifications of, and for, any & all Corporate, Public, Personal, or Private Accounts, Bonds, Securities,

Profits, Proceeds, Fixtures, Chattels, and Assets owned/managed by **ANY** individual operating within the jurisdiction, or control, of the A.B.A., the I.B.A., the D.O.J., or their, "in-house," Bonding Companies, under the indirect, or direct control of the A.B.A., or the I.B.A., their Nation/State franchises, Inns of the Court, The Federal Reserve Banking System, or The International Monetary Fund (IMF) for these Entities, Agents and Individuals, are all considered forfeitable assets, and as "debt obligations" to the Lien Claimants, their assigns, and/or their heirs. As such, the Lien Debtors are lawfully responsible for producing, upon this commercial demand, these Sureties, Accounts, Financial Statements, and all Certificates of Liability & Indenture.

ENFORCEMENT:

1. The Affiants & Lien Claimants, without prejudice, and Reserving **All** Rights, declares this Commercial Obligation Lien to be self-effecting, self-evident, and self-enforcing, noting that the US Marshal Service, is now lawfully restored to the People's Executive Branch of the Continental United States of America, and they are no longer contractually obligated to the A.B.A.'s subsidiary corporation of the Department of Justice, both of which, are, hereby, dissolved for by the People for cause, and by necessity.
2. The US Marshal Service, a Constitutional **Law** Enforcement Agency, and NO LONGER a "**Legal** Enforcement Agency," in the State of Illinois, and elsewhere throughout the 50 States, Washington, D.C., and their 94 government offices, will be tasked & charged with executing the seizing, freezing, and recovery of **all** the A.B.A.'s, and the I.B.A.'s corporate,

public, personal, and private properties, found upon the Land, at sea, or found to be held by any & all individuals operating under the A.B.A., or the I.B.A., until such time, as it is determined that the full face amount of this Commercial Obligation Lien can be satisfied, and that all other Claims for Remedy made, herein, are unconditionally satisfied in full.

The defendant **George Herbert Walker Bush** changed several national mining laws including laws in **South Africa** in full violation of FCPA. This exact area is a well known hot spot for the **CLINTON FOUNDATION** and **BARRICK GOLD Incorporated**. As your honors may or may not be aware, this occurred during a specific incident dealing with the country of the **CONGO**. It continued on from there where serious activities of money laundering, racketeering and extortion were uncovered which will be aired. We note to your honors that the accused may not use the "bad memory" syndrome for his defense again as such notions will do nothing to avail those required responsibilities.

As such, we again direct your honors to the problems that transpired in this area and why each of those events amount to no coincidence. During 1993-97, **George Herbert Walker Bush** aka **George Bush Senior** attempted to change the official mining act and in the process ran afoul of several severe national laws. The severity of the damage can by no means be understated your honors, as it affected residents across all of **Tanzania** and other neighboring countries. As a result of all these infractions, it is alleged now that more than a hundred miners were killed in sudden "accidents." This was done with the willing concert of the **Black Eagle Trust** which we will prove on record. In the course of these events, massive child trafficking was conducted.

"Palast's book also explores the relationship between the Bush family and a Canadian mining company, the Barrick Corporation.

Palast explains how as president, George Bush Senior **changed a century old mining law that allowed Barrick to "swiftly lay claim to the largest gold find in America"**. In return, the **company named Bush to a senior advisory position after he lost the White House**. The company also poured money into the Republican party coffers during the 1997-2000 election cycle, an exceedingly generous gesture for a company based in Canada.

So, what is Barrick? According to Palast- the initial stake came from none other than Adnan Khashoggi- the Saudi arms dealer who arranged the Iran-Contra arms for hostage deal. **One of the companies Barrick owns is Vancouver-based Sutton Resources Ltd. In 1996- Sutton drove out anywhere between 30,000 and 400,000 local miners from the Bulyanhulu mining field in Tanzania. During the process- Sutton's bulldozers allegedly buried 52 people alive. Barrick steadfastly denies the allegations."**

"UBS would loan gold to Barrick, which would then sell the borrowed gold as derivatives, with the promise of replacing the borrowed gold with their gold mining operation. **The records of many of those transactions disappeared when Enron collapsed and the trading operation and all its records were taken over by UBS, another major recipient of the CIA stolen gold.** The FBI was reportedly conducting an investigation into those transactions, and the investigation files were kept on the 23rd floor of the North Tower of the WTC.

Household Finance was taken over by Harris Bank, which was then taken over by the Bank of Montreal. The Bank of Montreal would be controlled by the Bronfmann family, which became heavily invested in Barrick Gold. Other banks that received portions of the stolen CIA gold included Morgan Guaranty Trust, Chase Manhattan, Citibank, Jardine Matheson, and Deutschebank.

Barrick Gold Corporation: George H.W. Bush during the last several days of his presidency sold Barrick rights for a nominal \$10,000 to mine deposits 'valued' at \$10 billion on public domain lands in Nevada.

the Barrick operation would create billions of dollars of paper gold by creating 'gold derivatives', under the reports that a Nevada claim whose potential was doubted by industry experts had actually produced a fortune."

Your honors must note we can indeed prove the calculated move was illicitly illegal. As a result of his actions over ten thousand settlers were nearly evicted off their land. And by state law in **Nevada** or even **Montana**, the new land patent deeds hold priority title over any claim by the government. A conspirator by name of **HARRY REID** was allowed to kill more than several ranchers as a result of **George Herbert Walker Bush's** moves with **BARRICK GOLD**. Count 1] We hereby charge **GEORGE HERBERT WALKER BUSH** in private as **George Herbert Walker Bush**, with the offense of **18 U.S.C. § 1956(h)** money laundering on behalf of foreign state(s) or "things of value." See **Molzof v. United States et. all** and **United States v. Sassi**. <https://www.law.cornell.edu/supct/html/03-1293.ZO.html> Although we prefer he's charged on the **Logan act**, it is an untested law so far outside military courts. The offenses are severe enough to have occurred more than 5 times so hard penalties may be added on for duration. In addition to treble damages of upwards of six billion dollars a stiff prison sentence is now sought even for their final days. [Military is ordered to explore options for penalties up to including isolated prison.]

One of the men involved in these nefarious activities was none other than WWII Nazi supremacist **Richard V. Secord**. **General Secord** was a partner and good friend of the decorated Nazi **Thomas G. Fowler**, the father of **Kevin Spacey**. An ongoing case in Nevada details the terrible back story of this clan. We can also report that several other Nazi socialists including **Arthur Schlesinger** were brought in on this ratline tied to **Black Eagle Trust**. It is now openly stated that **George Herbert Walker Bush** and his CIA traffickers like **Jim McCoy** were hiding unidentified military aircrafts and bases. In addition to this lies thousands of pounds of cocaine and drug trafficking.

"In the 1960s, Ronald Martin worked for the CIA in Miami along with James McCoy, another ex-attaché to Nicaragua. When Contra aid was legally cut by the Boland Amendment in 1984, Martin began organizing North's role in raising arms for the Contras. However, Martin was shut off when North began to use **Richard Secord** as the arms broker. According to Calero, Martin and McCoy received \$2,095,000 for arms from North. Martin's attorney stated that the amount was closer to \$15 million or \$20 million. At least five witnesses testified to the Kerry committee that cocaine was loaded onto planes at John Hull's ranch. The committee also was told that Hull received \$10,000 a month as a courtesy from Oliver North. Yet the Justice Department took no action against Hull for either obstruction of justice or for drug trafficking."

"He smuggled drugs packed in frozen shrimp into Florida and laundered the profits for the Contras. Castillo also had ties to Gerard Latchinian, an international arms dealer. In 1984 Latchinian was arrested for using proceeds from a \$10 million cocaine deal to help finance the assassination of Honduran President Roberto Suarez Cordoba. Latchinian's partner was General Jose Bueso Rosa who helped train Contra soldiers in Honduras." <https://thegreenpulpit.com/category/required-reading/>

We will prove this operation was linked directly to the above declared **Eagle II** which was bankrolled by the **GEORGE SOROS** private foundation. Your honors are to note in the supplied documentation, the CIA is named as the trafficking hub for many larger shipments through **Arkansas**. This will all be released as due day draws near and defendant will be ushered before a **Grand Jury** to answer at the podium for each charge. [Military will explore further options for sentencing including prison cell conditions or chambers.]

"The company, which Bush now personally leads, was created by Bush's political partners--**British elite narcotics financiers, and arms traffickers and money launderers.** {and is owned by SOROS & co}

Using the influence of this political faction, Barrick acquired important interests, first in the United States, then in Canada and South America. In South America, as **Barrick boasts in its 1995 annual report, the company has an aggressive, long-term approach, with mines and projects established in strategic locations in Argentina, Chile, Peru, Bolivia, and Brazil.** "Almost two-thirds of the exploration and development drilling budget will be spent in South America, where **the company has decided to focus its efforts," the annual report states. In addition, with its intended conquests in Indonesia and Africa, the firm now says it aims to move from third to first among the world's largest gold mining companies.**" <http://saynotobarrickgold.blogspot.com/2013/03/inside-story-bush-gang-and-barrick-gold.html>

You must take note of the fact that the **Grand Jury** has also been ordered to enforce immediate charges of child trafficking on record. **George Herbert Walker Bush** is a criminal your honors, he is not a surgeon or an individual of great renown. Rather he is a national disgrace to the founding of the entire nation. This is someone who deserves no respect and is not a doctor or a healer for new inventive medicines. Over his "illustrious" career, more drugs have been trafficked than anyone a part of this illegal operation.

He illegally changed several national laws and moved thousands of pounds of cocaine exclusively on behalf of **BARRICK GOLD** and **CARLYLE GROUP**. These insipid actions also involved all of **Nevada state**, all of **Montana state** and all of **Arkansas state**. In addition to those facts, he also covered the money laundering trail which directly ties back to **Black Eagle Trust** and famous WWI Nazi **Peter Munk**. The records before this state Grand Jury and other able Juries will prove one thing alone, that being the man known as **George Herbert Walker Bush** is a grand liar and traitor who acts in fraud.

"Jeb Bush in 1986 was the 33-year-old chairman of the Dade County Republican party and he was up to his eyeballs in the Iran-Contra scandal. To get a taste of that read Al Martin's book [*The Conspirators: Secrets of an Iran-Contra Insider \(2001\)*](#) and read

{aloud} about Jeb Bush's dealings with operatives such as Al Martin, Oliver North, Richard Secord, Dewey Clarridge, Sam Watson, Fred Ikle and, of course, his father George Herbert Walker Bush. Basically Jeb Bush was in the center of a wasp's nest of dirty dealing CIA/military operatives engaged in rampant criminality – all in the name of “national security.”

“Barry Seal was a crazy man. He was also everything Dan Magruder [Donald Gregg, an aide to GHW Bush] was not. Happy-go-lucky, irreverent and loud, Seal telephoned me and told me he was the man I was told would call me. It was the mid-1980's and with the decadence of that time and the free-flowing cocaine, Cajun's Wharf was a hangout for the bond daddies such as Lasater and company. [L.D. Brown, *Crossfire: Witness in the Clinton Investigation*, p. 102-103]

I at once felt a sense of panic and relief that Seal was gone. Had he left something in the car? Was I about to be surrounded by the police? Wait a minute I *was* the police and furthermore this was an operation sanctioned by the C.I.A and I was recruited by them – and by Bill Clinton. [...] I would become furious with Bill for shepherding me through this mess, indeed for getting me involved. I would then as quickly think of explaining it all away as a ‘sting’ operation designed to trap the people on the other end of our flight who maybe had sold drugs to Seal.[L.D. Brown, *Crossfire: Witness in the Clinton Investigation*, p. 113-114]

The tension was building up inside me as I saw Bill coming out the back door. I was getting mad all over again as I got out of my car and he strode over to me. It was the first time we talked since the trip, the trip he knew I was going to take. His mouth opened and the words “You having fun yet?” were already forming on his lips when I burst out, “Do you know what they are bringing back on those airplanes?” He immediately threw up his hands in a halting fashion and took a couple of steps back. I know he thought he was in danger of receiving a class A state police ass-whipping. My hopes of an innocent explanation to the whole sordid affair were dashed with the now-famous line, “That's Lasater's deal! That's Lasater's deal!” he whined as if he had just taken a tongue lashing by Hillary. “And your buddy [Vice President George Herbert Walker] Bush knows about it!”
<https://www.johndenugent.com/english-did-jeb-bush-vp-george-herbert-walker-bush-and-oliver-north-murder-cia-drug-smuggler-barry-seal-in-february-1986-by-robert-morrow/>

We can of course prove on record your honors that the defendant was not of sound mind. He would regularly pull up in his stretch limo and brag that what he was doing was for the benefit of humanity and new ways of health based science. All of these statements were lies your honor, as the only objective of **George Herbert Walker Bush** was to conduct child and drug trafficking. He may have indeed been criminally insane yet the truth is now being unsealed.

Count 2] We charge **GEORGE HERBERT WALKER BUSH** (*private agent George Herbert Walker Bush supra.*) with the offense **18 U.S.C. §1961**, which is national racketeering under the federalized R.I.C.O act. These violations are quite severe so harsher penalties will be added on to ensure all of his existing partners are seized and bound. He has instigated this offense more than eight separate times your honors, and claiming there is trouble remembering the incident will not help anyone. We accuse defendant **George H.W. Bush** of going out of his way to initiate illegal enterprises across the western front, including open land confiscation on private ranch owned properties. Racketeering laws are subject to extra judicial penalties enforced now under standard UCMJ procedures. [The Military will explore sentencing, especially an additional year in prison. All the evidence of MK-Ultra is now being exposed.]

The career of this public official reaches deep into the recesses of the **Eagle II** situation aka "the farm." By all accounts the **Grand Jury** will note this was nothing less than a debacle. To clarify, it was known by active intelligence agents within the FBI and similar organizations that **H.W. Bush** had setup a front. This front operation was created in the vein of CIA's **Ferrera** to hide black market drugs, paraphernalia, child sex trafficking and insipid experiments underground on behalf of **Michael Aquino**. An agent of influence said to be ordering him around at the time was then Cardinal Ratzinger. <https://isgp-studies.com/cia-heroin-and-cocaine-drug-trafficking>

"... the Carlyle Group is a story of dealings inside "**Iron Triangle**," the place where the world's mightiest military intersects with high-powered politics and big business. It is a company whose history includes ties to CIA cover-ups and secret arms deals, and an astounding trail of corporate cronyism. **By making defense buyouts the cornerstone of its business strategy, Carlyle now finds itself the beneficiary of the largest increase in defense spending in history. Indeed the stars seem to have aligned perfectly for Carlyle, in just 15 short years.** With the ascension of George W. Bush to the presidency, the White House is now full of ex-Carlyle employees, friends, and business partners. And with the newly fattened defense budget, Carlyle has been able to extract massive profits from its defense holdings, like United Defense, in the wake of the terrorist attacks on September 11, 2001. It may be tough times for America, but as Bette Midler might say, everything's coming up Carlyle.

While the company flew well under the radar screen for the first decade of its life, lately success has not come without scrutiny for the Carlyle Group. After all, **it's hard to remain anonymous when your employee roster includes names like George Herbert Walker Bush, James Baker III, John Major, and Arthur Levitt.**

pxxviii

Concentrating on heavily regulated industries like defense, telecommunications, energy, and health care, Carlyle is betting that it can predict future trends in government spending and policy, or influence them outright. And by hiring former secretaries of defense, ex-presidents, the former head of the Securities and Exchange Commission, and the former chairman of the Federal Communication Commission, they are in a position to do either." <https://majestic12research.blogspot.com/2009/05/carlyle-group.html>

"How was this possible?"

A report by Tyler Durden, citing an anonymous insider trader involved with AIG trades, reveals that manipulation fraudulently transferred US taxpayer money to AIG's counter-parties -- the top banks and financial institutions -- with AIG as the "pass-through." The profit report sparked a market rally that comes at the expense of US taxpayers.

The complete report (thanks to Jenna and the Mike Ruppert Blogspot for this find) is damning and startling:

Exclusive: Big Banks' Recent Profitability Due to AIG Scam?" <https://majestic12research.blogspot.com/2009/05/carlyle-group.html>

It is no secret that **George Herbert Walker Bush** was during this time, covering for the so-called "Iron Triangle" axis which runs over the **Bermuda** waypoint. Essentially he is accused of covering for **Majestic 12**. He was very well known to be covering up the **Bermuda Triangle** problems for three decades. This was done on behalf of much higher evils who were intent on using Bermuda for **Black Ops** military projects tied to gold mine monopolization.

George Herbert Walker Bush went out of his way to make **Eagle II** a success. Your honors must note that he monopolized the route even going as far as to recruit some members of the Air Force many whom held him in low esteem. A well decorated CIA general by the name of **Ferrera** was the hub & go-between.

<http://impioustdigest.com/operation-eagle-ii-the-top-secret-cia-drug-running-empire-and-george-h-w-bush/>

“The five experts picked were, General Edward Landsdale, who ran the CIA activities in Vietnam; William Colby, who was to be put in total command of the blue-print operation when enacted; George Bush, who asked and received approval to have his top aid, **Richard Armitage be brought aboard, and Lt.Col. Robert Ferrera**, a top CIA asset, who at the time was on an assignment in the Congo on the Patrice Lumumba situation.

Having secured the “Implied” go-ahead, the five experts were called in and the task put forth to them. They were given a space of three days to solve the problem and come up with a viable solution. The five met in Washington D.C., and from there travelled to Langley Va. Four of the five were hand-picked for their very special abilities and expertise: the fifth member of the group, Armitage, was brought along by George Bush as his personal “gopher”. Bush was chosen for his knowledge of **China and his war-time flying ability**, as well as being “on the way up” within the CIA. **General Landsdale was brought in because of his expertise as a top CIA asset, especially in breaking insurgencies, as he did with the Huks in the Philippines in the late fifties. William Colby was picked for his knowledge of South East Asia, and to command the operations first phase. Lt.Col. Ferrera was included because of his varied experience as a pilot, as well as his command of over a dozen languages and his position as founder of the Special Forces** (Green Berets) and still, at that time, regarded as their unofficial commander in Vietnam. The five names were submitted to the “Godfather” of the CIA, John Foster Dulles, who gave the plan his total blessing.” <http://impioustdigest.com/operation-eagle-ii-the-top-secret-cia-drug-running-empire-and-george-h-w-bush/>

Your honors shall note for the record he continued to run the illegal operation up until the year 2004. Each of the retired Berets were also recruited from Yale schools and job fairs since they never dared take their parlor tricks to the U.S. Army. Several of them including **Secord** are dead.

Count 3] We now charge **George Herbert Walker Bush**{**GEORGE HERBERT WALKER BUSH**} with offense **18 USC §1962** on record for each MK-Ultra scheme conducted during **Eagle II**. It shall cover all damages to any victim(s) afflicted since it is also *all encompassing* for any time period. This is different as it is the official "conspiracy to commit racketeering charge." He has violated the provision no less than eight times and so stiff penalties are sought with none waived. Treble damages of more than six billion dollars plus stiffened prison conditions of two years shall be retroactive by **Grand Jury** discretion. All outer assets will be seized. The defendant will answer for each offense before the podium in the **Jury** foyer. [Military is tasked to explore options up to including life in prison, imprisonment in solitary conditions before possible transfer off-site or a regulated harsh environment.]

Count 4] **George Herbert Walker Bush** is guilty of child trafficking and we charge him now, under offense **18 U.S.C §1591** to apply to each and every murder. Other un-indicted co-conspirators named in this filing are **Michael Aquino, Richard Secord, William Colby, Kevin Spacey** (alleged), **Richard Armitage, Bill Clinton, Colin Powell** and **James Baker III**. The charge carries the full weight of penalties and will be retroactive depending on other offenses uncovered. See **United States v. Robinson** "government need not prove", only suspicion is needed to prosecute habitual offenders. <https://caselaw.findlaw.com/us-2nd-circuit/1616801.html>

It is without dispute your honors that this individual is guilty of child sex trafficking. Going back to Nebraska's **Boys Town** scandal, he has been one of the world's most highly visible traffickers across this nation. With the aid of certain senior executives including **Larry King**, over twenty boys and other victims were trafficked between compounds only to be murdered thereafter.

Devil Worshiper Holds Sensitive Army Post and Top Brass Say 'No Problem'

A senior U.S. military intelligence officer with a secret security clearance admits he's also the founder and high priest of a satanic church — and amazingly, the Army says "no problem!"

Lieut. Col. Michael Aquino, a 41-year-old former Green Beret, confirmed to The ENQUIRER that he's been involved in devil worship for 22 years.

He said he formed his own satanic church, the Temple of Set, in 1972 after belonging to another sect, the Church of Satan, for the previous 10 years.

"My religion has been no secret in the Army," said Col. Aquino, who served as a psychological warfare specialist in Vietnam and is now a reserve officer working full-time on extended duty at the Army's reserve personnel center in St. Louis. He admitted satanic

terminology is used in his church's rituals, adding, "We are quite proud of that."

But William Gill, executive director of the Catholic War Veterans, fumed: "This is outrageous and a national disgrace!"

"It's unbelievable that an admitted devil worshiper should be allowed to hold a senior and sensitive post in the U.S. Army. This shows

nable situation insults the memory of those who have fought and often died to uphold the traditional values of our great country.

"Citizens have a right to expect our military to uphold the traditional values of God and country — not the evil ramblings of some satanic sect."

Col. Aquino's satanic church is advertised in the yellow pages in San Francisco where he was stationed from 1981 to 1986. He says most members are in the U.S. and Canada, although "we have a sprinkling of members in places like Western Europe and the Pacific."

ante of freedom of religion protects Col. Aquino from action by the Army, said Lieut. Col. Greg Rixon, an Army public affairs officer in Washington, D.C.

"As long as an individual's religious practices remain within the limit of the law, there is no problem," Col. Rixon said.

But Catholic War Veterans director Gill blasted that stand. "For the Army to say 'no problem' is mind-boggling," he said. "This disturbing situation is a problem for everyone who is concerned about national security and morality."

"The U.S. Army is no place for worshippers of the Prince of Darkness!"

EX-GREEN BERET Lieut. Col. Michael Aquino is a high priest of a satanic church.

"Paul Bonacci in front of the ranch where he says Johnny Gosch, and other boys were held captive. Paul Bonacci has stated that, as a youth, he was forced to participate in 'satanic' snuff films. He identified Bohemian Grove as the location of a 'satanic' murder. **Paul A. Bonacci said that, as a child, he was kidnapped by the US military, tortured and subjected to sex abuse and mind control**. In 1999, in a court in Omaha, he won \$1,000,000 in damages. Child abuse and mind-control victim **Paul Bonacci** took his case to court. Judge Urbom granted Bonacci a million dollars in response. *George H W Bush and 'Johnny Gosch'*. Reportedly Johnny Gosch was mind-controlled by the CIA. Reportedly Johnny was mind-controlled to become a sex slave for members of the elite, including **George H W Bush**." <http://aangirfan.blogspot.com/2014/02/johnny-gosch-bush-and-blair.html>

"The documentary recorded the journey of many Nebraska state officials, including decorated war veteran and former State Senator John DeCamp, and their uncovering of an alleged elite pedophile ring operating largely out of Omaha, Nebraska.

According to the documentary, an overwhelming amount of child abuse allegations stemming from Boys Town piqued the interest of Nebraska's Foster Care Review Board. Foster Care Director Carol Stitt said, "Larry King's name was consistently present as someone that the youth were making allegations against."

They described how King would make the Boys Town boys do yard work for him, and if they refused, they were beaten as punishment. Part of Nelly Webb's testimony included allegations of child prostitution and pornography on a national scale. When she was 15, she frequently traveled the country with Mr. and Mrs. King as a babysitter for their son, Prince. She would supervise Prince as the Kings would host parties for high-level officials such as George H. W. Bush, who was Vice President at the time. At some of the parties, she claims to have witnessed the "sodomy of younger men and older men."

Another survivor came forward by the name of Loretta Smith. At the age of 9, Smith described to police officials that she was, along with her childhood friends, lured away from the Girls' Club in Omaha. Employees at the Girl's Club would often lead them off property and escort them on outings. Over the course of several weeks, they were slowly introduced to narcotics and alcohol. Eventually, Loretta states, they found themselves in the midst of sex parties with older men. In her testimony, the girls "got all wasted" and they did not have a choice with whom they slept. In the same network of people, she was introduced to the practice of devil worshipping."

A Lurid, Mysterious Scandal Begins Taking Shape

By WILLIAM ROBBINS

OMAHA, Dec. 15 — For several weeks a Federal investigation has riveted attention here on a failed local credit union formed to help the poor, on \$38 million that it is accused of embezzling, and on a nationally active Republican politician whom the Government accuses of embezzling at least some of the funds.

Now the inquiry, joined by state investigations, is widening and has begun to take on the stark proportions of hard melodrama.

The collapse of the credit union and the Government's lawsuit alleging embezzlement were the extent of the case, at least on the public record, until last Monday. Then rumors that had been circulating in Omaha for weeks of the last month made their way into the pages of the State Legislature in Lincoln. The speaker was State Senator Bruce Chambers of Omaha, who said he had received numerous reports, to which he clearly gave credence, that instances of child sexual and physical abuse were linked to this scandal.

Reports of sexual abuse and that they were a subject of its own criminal inquiry into the credit union affair. And the office of the Nebraska Attorney General said it had directed the state police also to investigate the reports.

If sensation has begun to characterize the case, so has mystery. The various investigators, their efforts barely begun, decline to speak of them in detail. Mr. Chambers himself says he wants to disclose just enough to "cover these with information on the part of sexual abuse and that they were a subject of its own criminal inquiry into the credit union affair. And the office of the Nebraska Attorney General said it had directed the state police also to investigate the reports.

As for the inquiries into sexual abuse, Mr. Morrow noted a story filed in the article Tuesday in which Mr. O'Shea, the F.B.I. agent, was quoted as saying, "We are looking for credible witnesses." "I think," said Mr. Morrow, "that he is saying the F.B.I. has no credible evidence."

Lawrence E. King Jr., manager of the Franklin Community Federal Credit Union, which is the focus of widening inquiries.

Homosexual prostitution inquiry ensnares VIPs with Reagan, Bush

'Call boys' took midnight tour of White House

By Paul M. Hinkley

A homosexual prostitution ring, under investigation by federal and state authorities and linked to the Reagan and Bush administrations, ensnares VIPs, congressmen, military officers, congressional aides, and foreign businessmen, according to a Washington Times article obtained by The Washington Times.

The article, which is the first in a series of reports on the scandal, says that the ring was active in the White House and in the homes of high-ranking officials. It also says that the ring was active in the homes of high-ranking officials and in the homes of high-ranking officials.

"A chilling exposé of corporate corruption and government cover-ups, this account of a nationwide child-trafficking and pedophilia ring in the United States tells a sordid tale of corruption in high places. The scandal originally surfaced during an investigation into Omaha, Nebraska's failed Franklin Federal Credit Union and took the author beyond the Midwest and ultimately to Washington, DC. Implicating businessmen, senators, major media corporations, the CIA, and even the venerable Boys Town organization, this extensively researched report includes firsthand interviews with key witnesses and explores a controversy that has received scant media attention. • Alt F4 ... "George H. W. Bush is a known evil pedophile, who ran a Congressional Blackmail Child Sex Ring during the 1980s known as "Operation Brownstone and Operation Brownstar", and later to become known as "The Finders or The Franklin Cover-up". U.S. **Vice President George HW Bush would sneak children over to Senator Barney Frank's condo, known as a "Brownstone" to their famous cocktail parties, where U.S. Congressman and U.S. Senators — some willing and some unwilling participants — got a taste of the "Voodoo Drug" in their drink.** (Editor's Note: It is interesting that George H. W. Bush used the term "Voodoo Economics," a slanderous term used by George H. W. Bush in reference to President Ronald Reagan's economic policies, which came to be known as "Reaganomics".

"The true story never has been told that children from orphanages all across America during the 1980s came to Washington DC, paid by the US Taxpayers, to unknowingly participate in the Congressional Blackmail Child Sex Ring. Daddy Bush, Dick Cheney, John Sununu, according to sources, would be standing in line to greet the children and their caretakers as they came to the Vice President's Home and or the White House for their specially invited tour at US Government expense. Bush, Cheney and Sununu would ask, "what's your name", and later just before dinner time, a call from the White House came into the hotel where the children were staying to the Caretakers inviting Little Billy, Mary, Johnny, Timmy, and Pam to the White House State dinner that evening.

The caretakers thought it would be good for the children, since the White House could not accommodate the entire orphanage. Gunderson and Pender, who ran the operation, dispatched the limo at Bush's request, and the female would take the children to the limo and immediately give them a Coke or Pepsi with the VOODOO DRUG in it, and they were off to U.S. Senator Barney Frank's pad, known as a "Brownstone".

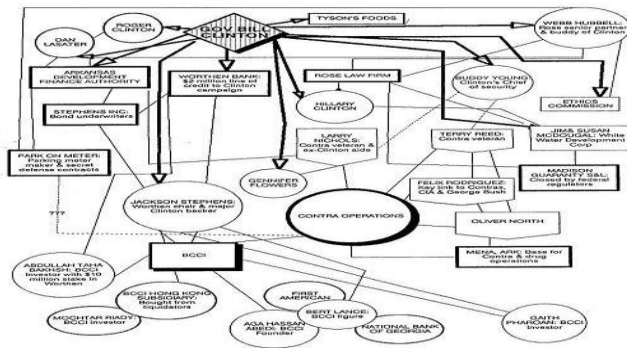

Of course, the U.S. Senators and U.S. Reps were there with the good-looking female prostitutes who would help get the congressmen and senators drunk on the "VOODOO DRUG", so when **Daddy Bush, Dick Cheney, John Sununu and others showed up at the party and the children in the limo arrived, the female prostitutes left and the child sex party started, with U.S. Vice President George HW Bush, Richard Cheney, John Sununu and others showing the VOODOO drunk congressman and senators how to have sex raping children,** while the cameras were running. Someone pretending to be from the White House would call the caretakers back at the hotel and would tell them the children fell asleep and are staying the night here at the White House and will be returned before lunch tomorrow.

The caretakers did not suspect a thing until 6 months later when their children were sitting in front of the TV watching the News and waiting for dinner, when many would jump up and point to the TV and say "He put his thing in me", as the children pointed to either their rectum or the female side. These caretakers began to ask questions and did not know whom to call. **Some called "People Magazine", which spent a million dollars investigating all of America's orphanages and found this was true, with those children selected out at the White House being greeted by these known pedophiles: Bush, Cheney and Sununu.**" <https://i-uv.com/pedogate-bombshell-disclosures-about-george-h-w-bush/>

We will make note of the fact it cannot be argued that defendant **GEORGE HERBERT WALKER BUSH**{George Herbert Walker Bush as private agent} is guilty of all of the offenses listed related to child sex trafficking. Thusly, we see little choice other than to add a superseding charge against the accused. This time it will be for conspiracy to enact habitual manslaughter, since the stated crime can easily follow after racketeering and is simple to prove. We note your honors, that while first degree murder can be proven - the **Grand Jury** can more easily build a case with instant resolve by using manslaughter.

<http://www.apfn.org/apfn/mena.htm>

George H.W. Bush would be no different in this instance is now asserted. Similar to how senior members of the **Gambino** mafia were caught by clear-cut laws of racketeering and tax evasion, we can apply that scenario to these circumstances given extensive damages that have resulted to the victims.

Count 5] We charge **GEORGE HERBERT WALKER BUSH** (George Herbert Walker Bush; in private) with the offense **18 U.S. Code § 1117** which is conspiracy to commit manslaughter. See *United States v. Damon Causey* and *United States v. Robinson supra*. "acting under color of law and in the right to provide information to law enforcement authorities about a federal crime, alleging eight overt acts in furtherance of the conspiracy.(for murder)" <https://openjurist.org/185/f3d/407/united-states-of-america-v-damon-causey> As the offense was committed while being engaged in a racketeering style of conspiracy in concert, the most graphic and disciplined penalties are now applied. The sentencing for this offense will be prison and our acting sergeant is directed to bring the accused to the podium to answer for every charge on record. [Military is required to explore harsher punishment, up to and including life in a window-less cell.]

Your honors, **George Herbert Walker Bush** knew that his actions during **Eagle II** resulted in deaths of more than one thousand victims. We have the evidentiary documents for the same crime already loaded on site. Thusly it is only fair that he be held fully liable for all damages the victims accrued. This time he will be held liable in private capacity, while the rest of his assets are seized. Let this be a high warning to all who worked beside him, the evidence is undeniable. Your crimes have gone on for fifty plus years, every one of you conspirators are next on the docket. Your actions resulted in the demise of more than five innocent ranchers in three key states plus **Montana**. The United States your honors has turned into an empty and toothless corporation. Only the people may step forward and put a final stop to that.

A congressional report on the scandal stated that the administration exhibited “secrecy, deception and disdain for the law.” [11] Congress noted that President Reagan had been unaware of most, if not all, of the illicit activity, leaving Vice President Bush** and Baker** as the highest ranking covert operators. Mysteriously, the congressional investigators didn’t probe into the Bush claim that he was out of the loop. Large volumes of documents relating to the scandal were destroyed or withheld from investigators by administration officials**. With the official White House** podium churning out confusing disinformation, Reagan became labeled as the Teflon president.”

Count 6] We then charge **George Herbert Walker Bush** with offense *18 U.S.C §1831*, which is economic espionage. We enforce this record for cause since **H.W. Bush** openly assisted **Dianne Feinstein** with creating a new backdoor for China to take over America’s technology through **Li Ka-Shing**. See *United States v. Jingping Chen* for more. <https://www.justice.gov/file/439721/download> <http://www.china.org.cn/english/china-us/26890.htm> <http://lawrencesullivan.com/shows/banquet-magic/> <http://chinawatchcanada.blogspot.com/2016/11/rothschild-inherits-semiconductor.html>

He openly ran Nazi drugs trafficking network with assistance of Richard Secord, Oliver North and James Baker

The congressional report, known as the Tower Commission (nicknamed from Texas Senator John Tower) went on to say that “the Contra drug links included ... payments to drug traffickers by the U.S. State Department of funds authorized by the Congress for humanitarian assistance to the Contras, in some cases after the traffickers had been indicted by federal law enforcement agencies on drug charges, in others while traffickers were under active investigation by these same agencies.” [14] Former DEA agents testified that drug trafficking was conducted with full knowledge of the CIA. The agents further alleged that investigations were hindered by U.S. government agencies. [15]

ut in a single stroke, Mr. Bush swept away one conviction, three guilty pleas and two pending cases, virtually decapitating what was left of Mr. Walsh’s effort, which began in 1986. Mr. Bush’s decision was announced by the White House in a printed statement after the President left for Camp David, where he will spend Christmas holidays planning new events.

‘Evidence of Conspiracy’ Mr. Walsh hinted that Mr. Bush’s pardon of Mr. Weinberger and the President’s own role in the affair could be related. For the first time, he charged that Mr. Weinberger’s notes about the secret decision to sell arms to Iran, a central piece of evidence in the case against the former Pentagon chief, included “evidence of a conspiracy among the highest ranking Reagan Administration officials to lie to Congress and the American public.” <https://exploringrealhistory.blogspot.com/2018/02/part-3-big-bamboozle-911-war-on-terror.html> <http://jfkmurdersolved.com/bush.htm>

It was less than thirty years ago where the public could not dream of something so organized going on in America. Then a few years later, the news of **Monsanto** broke. America’s Eyes Are Wide Open and see their frauds throughout public life. **George Herbert Walker Bush** trafficked millions of pounds of drugs across the western states, hiring circus actors to help the rodeo look good on camera. In addition, actors who people put faith in such as **Meryl Streep** are traitors that started it all. They are frauds as the truth is most of our public officials are impostors run by the CIA. Even in our movies, we see nothing but the same rodeo to destroy our institutions of government and decency. They have done it through the Oscars with evil frauds like **David Geffen** and **Charlie Sheen** and they have done so with the same crooks in political office such as **Jorge Bergoglio**, **George H.W. Bush** and **Marco Rubio**. The **Grand Jury** will thoroughly examine all offenses on record.
