

SUMMARY: It turns out that the phone test yesterday actually had three parts. The first was the test itself. The second was the message, which most of you received. Third was a signal which lasted for around 30 minutes, and was not legible to most, but which contained specific information for banks, UST, military and perhaps law enforcement agencies.

The release of the funds and the 800 numbers is said to be pending for this week. If it does not happen, it is because something went wrong.

Important essay from Thomas Paine of True Pundit on how the Kavanaugh debacle is revealing the true goals and tactics of the globalist communists we call the Cabal.

The stories about sexual attacks by Judge Kavanaugh are mostly falling apart in the face of actual evidence. Senate will be investigating several of these sources for liability and criminal behavior. This may include lawyers such as Ford's lawyer Katz and perhaps Senator Feinstein, who failed to brief Dr. Ford about the Senate's offers of options to testify. It is obvious that there was a plan to create a spectacle.

The FBI has completed its 7th investigation of Judge Kavanaugh, and the report is that they have found no sign of any wrongdoing on Kavanaugh's part.

FBI attorney James Baker is meeting privately with the House Judicial Committee, and is revealing "explosive" information. See the Q material below.

Operation Disclosure: GCR/RV Intel Alert for October 4, 2018

RV/INTELLIGENCE ALERT - October 4, 2018

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not be accurate. Other confirmed sources may also be included in this overview.)

Trump's presidential alert test was far more than meets the eye.

It was a public display by the Alliance and a way of discretely informing the public of the what's to come.

[and a digital signal to the UST and Pentagon.—dle]

The sting operation involving the RV is over.

The timing of the RV is no longer a security concern.

The SCOTUS confirmation vote is essential to the timing of the RV via negotiated terms under GESARA law.

Mass military tribunals followed by a stock market collapse is now inevitable.

It will be the "break in the system" required to activate the QFS and release the RV.

Switzerland is even publicly expressing their willingness to participate in the QFS.

<http://inteldinarchronicles.blogspot.com/2018/10/switzerland-would-join-alternative.html>

As Q stated, be prepared, united we stand, strong together.

This is Red October.

The end of the Cabal.

SUMMARY of TONY'S TNT CALL YESTERDAY:

- **Iraq elected a President, Salih, with 220 votes where 165 was all that was needed for a quorum. He appointed a PM Mahdi within 2 hours of his election even though he had 15 days to do this. Then Mahdi is permitted to take up to 30 days to establish the rest of the government and. To take it for a vote to Parliament. Abadi (former PM) will have some office. There is also rumors that Abadi will serve as interim PM for about 2 yrs, then Mahdi will take over.**
- **Iran hangs in the balance with the sanctions kicking into high gear Nov 2, days before our elections. The UN did NOT side w the US on the sanctions because they felt they are too severe. The jury is out on this one.**
- **Mahdi and Abadi both are for economic reforms. Both Salih and Mahdi are economists with great credentials, so they are not lackeys.**
- **The banks are ready "for something to happen in the next 10 days, i.e. before the weekend beginning Oct 13." They are gearing up for that again.**
- **Then we get the Notice this afternoon (repeatedly... I think I got about 8 of them in pairs) that The National Emergency test today was the official start of the last step of the GCR process to begin! Who knew? I must confess I did wonder if that could be some signal so all would get it simultaneously. Clever indeed if true.**
- **There was the usual chatter as well.**

SO bottom line BE PREPARED!!

"Vote Democrats to Stop the RV!" by Sunflower - 10.3.18

Entry Submitted by Sunflower at 3:10 PM EDT on October 3, 2018

Dearest Intel community,

Before I get into the hard facts, just to be clear, **I don't live in America so I don't have a vested interest in your midterms, I am unbiased.**

However I will confess to being completely in awe of POTUS, his team, Q and all the white hats. Such bravery brings tears to my eyes and hope to my soul.

That all said, I want to talk about your currency exchanges and Zim redemptions.

The latest debacle of **"The Judge and the MK Ultra Patsy"** has led me to a clear conclusion, not based on Intel but utilising common sense. *[Exactly! She got it right!—dle]*

So here it is, buckle up **ITS UNLIKELY THAT POTUS CAN ALLOW THE RV TO GO AHEAD BEFORE THE MIDTERMS ARE OVER.** *[I don't agree that the RV will not happen before the election, but the rest of her point, I think, are valid.—dle]*

He needs the votes of the RV community.

And holding off would be wise decision because many will receive their exchange benefits and fall into a space of apathy and delirium. Or at the very least be absent, off on a much earned holiday.

The new super rich RV'ers will be hugely distracted with much more exciting things to think about than midterms.

[I do not agree. I think that the RV will stimulate most recipients to have an increased level of concern for the world, and they will feel empowered with their own, personal ability to finally do something that matters. So, I disagree. But it is possible that she is correct for many.—dle]

So you see, it makes sense to hold back your exchange benefits to encourage you all to get out and vote in the midterms.

With all communities there are different levels of motivation for being there as well as differing levels of commitment.

Some in this community are "I want to heal the world" and some are "I want to heal the world provided I get rich", some are just "I want to get rich". Many of the second and third groups still sit in that space of veiled vision, mostly they are anti-Trumpers.

This brings up the second issue...

These anti-Trumpers likely still want to vote Democrat, not realising
that the LEFTIST DEMOCRATS WILL STOP, OR DELAY THE RV for decades.
Like they did before on 9/11.

So my suggestion is, that any anti-Trumpers waiting to exchange may want to consider their position a little more and realise POTUS is actually their only opportunity to get rich/ RV in their current lifetime.

Consider putting aside your prejudices and your socialist ideology for now, there's bigger things at stake, and there will always be another election to bring forward your ideology, but this is not the time.

These particular midterm votes are not about left or right, red or blue, it's literally good v evil.

And if you can't see who is good and who is evil then you shouldn't be a part of the RV because its intended for good only, the funds won't flow and stay with the evil, it'll slip through their grasping hands.

So, anyone who knows anti-Trumpers in the community may want to gently point this out to them.

It's all glaringly obvious from where I sit ... that being on the outside looking in.

So neve-Trumpers and anti-Trumpers for the sakes of your currency exchange or Zim redemption you may want to put aside your feelings and put your thinking caps on and realise this fact ...

Those so called socialist, liberal, DEMOCRATS are all very, very, VERY RICH and you are not.

They aren't sharing their cash with you because they don't actually believe in socialism, they just want you to believe it ... because they like it when you work all week to make them rich, while you stay poor.

So in summary

1) Don't expect to see the RV before mid November provided President Trump wins more seats in the midterms and gains the control he needs to bring in the RV.

2) Expect to never see the RV if Trump loses control as a result of the midterm votes because the Dems have said they will block everything.

It's up to you.

Think on it.

Bright and loving blessings to y'all, [*Nice of her to throw in a token "y'all" for us Mercans!-dle*]

Switzerland would join new interbank payment system independent of US

Bern will take part in any new payment system if it were created as an alternative to the Society for Worldwide Interbank Financial Telecommunication (SWIFT), according to Swiss Ambassador to Moscow Yves Rossier.

Switzerland's position on the issue of creating payment channels that are independent of the United States is unlikely to differ from the position of other countries, Rossier told RIA Novosti. He added his country may participate in setting up an alternative to SWIFT.

WikiLeaks Says it will Bring Hillary Clinton Down by October 21

<https://freedomnewsreport.com/2018/09/13/wikileaks-says-it-will-bring-hillary-clinton-down-by-october-21/>

Hillary Clinton's crimes will not go unpunished. If she is not formally charged for mishandling sensitive material we will have no choice but to release proof that she is guilty of high treason against the United States for selling patented military secrets to the Saudi Arabian government.

We also have proof that she is guilty of crimes against Russia, Uzbekistan, Lithuania, Caledonia, and Brazil. The United States would be doing her a favor by putting her in prison and saving her from the severe punishments several of these nations would impose.

Former Trump campaign adviser Roger Stone has told reporters that he has inside knowledge concerning Assange's plans to release damning information about Clinton. **In 2016, Stone said on Infowars that he believed Assange had "proof" of the Clintons' corruption and would "furnish" that proof "to the American people."**

Communist Conspiracy Breaks Out In the Open With Kavanaugh Character Assassination Plot

HIGH-LEVEL INTEL SOURCE TELLS PAINE: The Slow Communist Subversion Of The United States Has Culminated In The Brett Kavanaugh Case

TruePundit.com

What most Americans don't realize, is that **organized Communist subversion often takes many years, if not decades, to slowly transform and convert the existing forms of their targeted government.**

In this case, because of its economic superiority and military powerhouse, **the United States of America was always the ultimate prize, or crown jewel of organized Communism's objectives.**

The problem of course, was that "pesky" U.S. Constitution, with all of its attendant "Bills of Rights," "Amendments" guaranteeing such concepts as individual freedom, the presumption of innocence, the right to face one's accusers, the right to freedom of speech and expression, to bear arms, and other such inherently anti-Communist/anti-Monarchy protections.

To be sure, the Founding Fathers had written and drafted the Constitution precisely because they wanted to throw off the yoke of tyrannical England, and its draconian and oppressive King.

To that end the Founding Fathers labored intensely to put in writing a document that would guarantee all of the Citizenry the Rights to Life, Liberty, and the Pursuit of Happiness – the United States Constitution.

But the Communists are very well familiar with the "boiling frog" approach to Communist conversion/subversion, and they have all the patience in the world, because it is a disease that tends to be multi-generational, with one generation of communists imbuing and infecting another younger generation, using highly emotional issues to recruit them into their fold.

This is also known as "Salami Tactics," which is a "divide and conquer" process of threats and alliances used to overcome opposition.

With it, an aggressor can influence and eventually dominate a landscape, typically political, piece by piece.

In this fashion, the opposition is eliminated "slice by slice" until one realizes (too late) that it is gone in its entirety.

In some cases it includes the creation of several factions within the opposing political party and then dismantling that party from the inside, without causing the "sliced" sides to protest.

Salami tactics are most likely to succeed when the perpetrators keep their true long-term motives hidden and maintain a posture of cooperativeness and helpfulness while engaged in the intended gradual subversion.

These "emotional issues" were cleverly elucidated and crystalized to be usually one of the following "special protected classes" – minority (mainly African-American) rights, gay rights, Jewish (Zionist) rights against perceived Anti-Semitism, and finally, female "rights" known in its extreme form as "militant feminism."

To be sure, none of the "controllers" or "handlers" of modern day Communism give a damn about any of these 4 basic special protected classes, or their "rights," as they as a rule consist mainly of Luciferian, Atheistic, Oligarch types who are at odds with human and civil rights, and instead wish to control, cull, and enslave the masses of the global population, using any and all means necessary.

When it comes to the militant feminist movement, what these global Communists have succeeded in doing, over the past few decades, is "moving the goal post" even farther and farther to the left, overtly criminalizing basic male-female sexual behavior to the point of insanity.

Thus if one were to watch popular movies, read popular literature, or even speak to older generations of people, what was once considered "normal sexual behavior" by and between men and women has now become overtly criminal in nature.

The global Communists have challenged human nature, **and wish to assert their dominion over all things, including basic fundamental human nature.**

These Communists have designated themselves as “God,” as is the essence of true pure Luciferianism.

In true “boiling frog” methodology, they have spent the last few decades, since the feminist movement, and fast forwarded in the wake of the passage of the 1994 Violence Against Women’s Act (“VAWA”) by communist tools Joseph Biden and Bill Clinton, **to go after and prosecute aggressively at first, unknown or minority targets, because that way most white mainstream Americans wouldn’t care, or wouldn’t notice.**

In truly inverted and twisted logic, these global Communists used what happened to them in Europe as targets, against the rest of the healthy world populace against them – by quoting Martin Niemöller, the noted German religious scholar, when he said: “In Germany they came first for the Communists, and I didn’t speak up because I wasn’t a Communist. Then they came for the Jews, and I didn’t speak up because I wasn’t a Jew. Then they came for the trade unionists, and I didn’t speak up because I wasn’t a trade unionist. Then they came for the Catholics, and I didn’t speak up because I was a Protestant. Then they came for me, and by that time no one was left to speak up for me.”

This methodology also worked in the wake of September 11 when the **DHS and TSA went after mainly Muslim young men between the ages of 17-35, and since no one protested or cared, now it has applied to all, including white Christian grandmothers and even babies.**

Getting back to the above, first these Communists, using the VAWA laws and feminist movement, began targeting, incarcerating, setting up, fining, destroying the relationships, and even murdering poor, uneducated, minority, and other “invisible” classes of society in America, **in order to accomplish the following goals: (1) get certain government officials in the judiciary, legislature, and executive branch to out and open themselves as those who were “willing to play the game,” and help to implement their communist manifesto; (2) get case law, history, and culture to shift slowly over decades and time, so that this kind of targeting became the culturally accepted norm; and (3) weed all of those out of government/power who would obstruct their vision and actually fight for and enforce the civil liberties and human rights enshrined in the constitution and fundamental natural human behavior.**

This patient “waiting game” has now yielded fruit, and in their last ditches of cynical openness about their agenda, right before they launched a massive attack and onslaught against Supreme Court Justice nominee Brett Kavanaugh, they nailed to the wall Bill Cosby, with total impunity, **because as they cynically (and correctly) believed (and which may be true) that White America still consistently does not care about African-American or Black America, and will still allow the latter to go through any type of torture without them ever saying anything or protecting them.**

This is another reason that global Communists justify their beliefs – **that the people are essentially “animals” anyway, who don’t even care for another, so why should they care about them?**

But their ultimate target is Brett Kavanaugh, because he alone, as a high level judge on the highest court in the land, would be the only one who could both undue, and reverse, the decades long Communism subversion of the United States, using their best tool, in their toolbox – **organized third wave feminism, which has proven to be far more successful in upending and turning over the very foundations of the United States by dividing and turning against one another, men and women in their own homes.**

Brett Kavanaugh, along with fellow U.S. Supreme Court Justice Neil Gorsuch, would immediately begin to beat back organized Communism in the form of organized militant feminism and begin to liberate America from their yoke of tyranny and oppression.

They would restore the basic truths and rights enunciated in the US Constitution, and this of course, the organized global Communists could never abide by.

This is why he is their ultimate threat and consequently, their ultimate target.

It is up to every patriotic American to both recognize this, and ensure that these organized global Communists do not win in denying Judge Brett Kavanaugh a seat on the United State Supreme Court.

Democrats met with FBI lawyer James Baker about the made up dossier EVEN BEFORE THE 2016 ELECTION! Who met with the Republicans? No one. They met with the DNC lawyers who actually hired the team which made up the dossier. IT is therefore very probable that the FBI knew that the fake dossier was created by the firm that DNC hired, and was paid for by DNC money. It was not a valid document, and should not have been used for FISA Applications.

“This is a bombshell that unequivocally shows the real collusion was between the FBI and Donald Trump’s opposition — the DNC, Hillary and a Trump-hating British intel officer — to hijack the election, rather than some conspiracy between Putin and Trump,”

There was a link from Glenn Simpson of Fusion GPS, thru Christopher Steele, the author of the fake dossier, to an unknown third party, probably a member of UK intelligence services.

There was another link from the law firm Perkins Coie, who represents the Democratic National Committee and The Hillary Clinton campaign, to that same or another unnamed party in UK intelligence.

There was a third link to the FBI and the DNC to the Washington Free Beacon, a target of FBI leaks, on to an unknown party. Now that Baker is talking, it is possible that we will know the identification of that unknown UK party.

Lisa Mei Crowley has a screen shot of the Presidential Alert test on her Twitter feed...

<https://twitter.com/LisaMei62>

It reads...

'Presidential Alert 14:18 Oct 3

THIS IS A TEST of the National Wireless Emergency Alert System

No action needed.

Type: Presidential Alert'

Guess what the numbers 14:18:3 add up to in numerology? Yep, it is 17.

Q post number 2319 features a screen shot of the Presidential Alert and a link to US Attorney Jeff Sessions' official Twitter feed. The tweet features a picture of Sessions giving a speech and these words...

<https://qntmpkts.keybase.pub/>

'US Attorney Jeff Sessions @TheJusticeDept thanking Utah police officers for their efforts in reducing violent crime in Utah.' (Sessions' tweet)

These words from Q are below the Session's tweet:

'What a wonderful day.'

Q

Lisa Mei Crowley's tweet explains this Q post very well...

'What a wonderful day, indeed! Looking forward to hearing from President Trump via the Presidential Alert again soon! Nice to see Sessions in Utah! Meeting with Hube, perhaps? Getting ready to unseal a few indictments? last count was over 55 k!' (Lisa Mei Crowley tweet)

Q has always said to TRUST SESSIONS. The Emergency Broadcast System test was a test for something massive that is about to explode onto the world stage. Mass arrests and military tribunals. Oh, and the GCR.

President Trump/Q+ called you directly to let you know...

'WE ARE TAKING THE WORLD BACK!'

"Q Sign from President Trump" by Sierra (NZ) - 10.3.18

Entry Submitted by Sierra (NZ) at 5:11 PM EDT on October 3, 2018

Check out the wonderful Q proof in this short video - President Trump makes a definite Q sign in the air with his finger at a recent rally...

As this final mighty battle intensifies, President Trump and the Alliance team will be working extremely hard to keep you informed, encouraged and, most importantly, UNITED.

Do not fall into divisive thinking. That is the only ammunition the cabal has left - stirring up doubt, fear and separative attitudes in your hearts and minds. Think VERY carefully before you say or post anything. Are you helping or hindering the cause?

Fight back with Unity and Love. President Trump and the Alliance team need you!

Where We Go One We Go All.

"Cabal Pain on 4th October?" by Sierra (NZ) - 10.3.18

Entry Submitted by Sierra (NZ) at 7:44 PM EDT on October 3, 2018

New Q posts indicate that 4th October could be a VERY painful day for the cabal...

<https://qntmpkts.keybase.pub/>

Q post number 2323 is a long post. Here is Lisa Mei Crowley's brilliant summary of it (I rely heavily on her analysis of USA politics which, as a Kiwi, is not my strength)...

'Baker testified re: Comey and Rod Rosenstein coordinated to appoint Mueller. di Genova said (in link in Q post) Baker co-operating with Inspector General and Grand Jury. Sessions recused from Russia investigation **but subpoena Schedule 1 required McCabe's memos (source documents for New York Times piece re Rod Rosenstein wearing wire/25th Amendment.**' (Lisa Mei Crowley tweet).

Oh what a tangled web - thanks Lisa Mei for guiding us through it.

Q post number 2324 is a repeat of Q post number 2070...

'What is the common theme when bad news is about to break (against them)?

Stay vigilant.'

Q

Here is Lisa Mei Crowley's summary of that Q post...

'When Deep State knows bad news is about to drop, False Flag attack of some sort is imminent to distract. They know Judge Kavanaugh FBI investigation reveals criminal activity. DECLASS FISA documents ends Russia SC (Supreme Court), Rod Rosenstein resigns. Sessions subpoena deadline 4th October. Judge Kavanaugh to be confirmed.'

Q post number 2321 refers to Mad Hatter Day which is on 6th October. It was created by a group of computer technicians in 1986. There is the Q 'Alice & Wonderland' connection again. Coincidentally I founded a Toastmasters club in 2002 that is still going strong today. The name? 'Mad Hatters Club'.

Finally, don't forget the 11's in the latter part of 2018: 11th September (17th anniversary of 9/11), 11th November (Victory Parade in Paris). Maybe 11th October is significant too??

Three dates to keep an eye on: 4th, 6th and 11th October. It is always fun to speculate, as long as you don't take it seriously.

Remember to TRUST THE PLAN. President Trump and the Alliance team have EVERYTHING under control.

Where We Go One We Go All.
