★ VOLUME 22 NUMBER 2 CHARLESTOWN, MASS. PRICE 10¢ THURSDAY, AUGUST 30, 1979 ★

Voter Registration Schedule

The city of Boston's Board of Election Commissioners today announced that voter registration will be held at City Hall and Charlestown's Little City Hall at 236 1/2 Bunker Hill Street (Ward 2) now through September 5.

The Little City Hall will be open for voter registration on August 30, 31, and September 4 from 6 p.m. to 9 p.m.; September 1 from 6 p.m. to 10 p.m.; and September 5 from 6 p.m. to 10 p.m.

Voter registration will be held at Room 241 City Hall from 9 a.m. to 9 p.m. on August 30, 31, and September 4; September 1 from 9 a.m. to 8 p.m.; and September 5 from 9 a.m. to 10 p.m.

MBTA To Register Senior Citizens and Handicapped

An MBTA registration team will visit Charlestown Little City Hall in September to register eligible senior citizens and handicapped citizens, the Massachusetts Bay Transportation Authority (MBTA) announced today. Registration will take place between 9:30 a.m. and 2:30 p.m.

To be eligible for a senior citizen reduced fare identification card, which contains the name and address of the holder and a color photograph for positive identification, senior citizens must bring proof of age — 65 years or older — such as a birth certificate, baptismal record, or driver's license; proof of residency such as a driver's license, library card or charge plate; and a 50¢ cash fee. Medicare cards will not be

accepted as proof of age.

The MBTA stressed that senior citizens who already have a reduced fare identification card do not need to register again. What appears to be an expiration date is used merely for internal auditing and control purposes. Once a reduced fare identification card is issued, it is good for life.

To be eligible for a handicapped citizen reduced fare identification card, good only during off-peak hours, handicapped persons must present acceptable proof of their disability such as a Medicaid card showing Category 03, handicapped; a certificate of award letter from the Social Security Administration;

To Talk Of Many Things

by Sal Giarratani
Vacation's Over
Here I am back home after a much needed vacation which started with a trip to Washington, D.C. and ended with seeing Star Wars for, can you believe it, the first time!

One never knows how liveable Boston is until one travels through the South Bronx via Greyhound. It's nice to be back in good old Boston. The home of the bean and the cod. A place Mayor Curley once described: "Where the Lowells talk to the Cabots, the Cabots talk only to God and the Curleys talk to whom they damn please!"

Mayoral Commendation
Mayor Kevin White, recently, commended a group of "Townie" youths for "rendering an important public service" in rescuing Patrolman Dennis

Vitale from the wreckage of his burning police motorcycle on the night of August 11.

The Mayor presented the group of young people certificates of appreciation from the city. Their quick action saved the life of Officer Vitale.

"These kids were there," said White, "and because of their courage, a policeman is alive today."

Star Wars
Fantastic! No other word can describe this space fantasy adventure yarn which is back for an encore.

Star Wars blends elements of action, humor, good versus evil and a dab of mysticism and was a masterpiece.

When was the last time you saw a movie where good guys were good and bad guys, fiendishly evil? Where there was no nudity, no profanity and no hidden

"social" message? Where heroes talked of freedom and usually won?

The story may take place a long time ago, in a galaxy far, far away but it's a story for this world at this time.

Muscular Dystrophy Drive
Neal Harrington, a former "Townie" and member of Boston Branch #34, National Association of Letter Carriers, along with Michael J. O'Connor, Boston Branch president, extends a direct appeal to all "Townies" to send a contribution to the Jerry Lewis Telethon for Muscular Dystrophy.

Wonder how many people know that the NALC was the first organization whose members were involved nationwide in the battle against related neuromuscular diseases? In 1953 some 100,000 mailmen participated in a door-to-door fund-

raising drive which collected over \$3.5 million for the Muscular Dystrophy Association.

MBTA To Register

(Continued From Page One)

evidence of 70% or more disability as determined by the United States Veterans' Administration; or completion of MBTA Form No. SN 7 which must be approved and signed by a physician or state or federal agency serving the handicapped. The MBTA forms will be mailed to anyone requesting them by calling the MBTA's Special Needs Office at 722-3300.

The MBTA special registration team will visit the Charlestown Little City Hall at 236 1/2 Bunker Hill Street on Friday, September 7, 1979.

"Silly Sailors" Boat Race At Pleasant Park

Ahoy maties (16 and up)! An invitation is extended to all sea-faring "dogs" to enter the Pleasant Park Yacht Club "Silly Sailors Boat Races" on Sunday, September 2nd at 1:30 p.m. in Winthrop to benefit the Jerry Lewis Telethon for the Muscular Dystrophy Association.

All non-land lubbers are invited to participate in the fun and excitement, be it yacht clubs, clubs or even individuals. The winners will be awarded hand-

some trophies.

Ground rules are simple: The interior diameter of the boat must not exceed 9 1/2 feet. Maximum weight no more than 455 lbs. or three to a sea-faring contrivance. Skippers and their mates must wear Coast Guard approved flotation devices. Boats must be approved by judges. All boats must be entered before September 1st (Saturday) at 11 a.m. with names of captain and crew (if any). Entry fee will be

\$2.50 single person; \$4.00 double; \$5.00 for trio. Only oars and paddles admitted.

Boats may be made of wood, glass, metal, rubber or other approved by judges. Course will be prescribed by judges on September 2nd but will not exceed 200 yards.

Miniature replicas of leviathons, floating bath tubs, fish bowls, rafts, rubber tires or anything which floats funny and stupid enough to add to the fun and frivolity is not only admissible but graciously welcomed.

"In view of the fact this is the Labor Day weekend, climaxing a summer of fun and festivities, we cordially invite all to take part in the event," stated Mr. Charles Stevens, co-chairman of the program committee. "Tickets are limited. For reservations call 846-9869."

Youths Complete Successful Leadership Training Program

On June 27th the Kennedy Center's Youth Department began a Youth Leadership Training Program. We are very pleased to be able to write to the Patriot letting the people of Charlestown know of the high

level of success we feel has been achieved by the following youths: Jean Burgio, Robert Byrne, Sean Michael Conley, Patricia Connolly, Ellen Crotty, Pauline Cunneen, Michael Doris, Maureen Fidler, Laura Hut-

chings, Karen Kelly, James King, Patricia Lonergan, Michele Marcello, Judy McCarthy, James Michael, Theresa Michaels, Michael Reid, Dawn Sawicki, Michael Sawicki, Joseph Sodergren, Christine

Sullivan and Peggy Suprey. The program was run with the cooperation of the Boys' Club, with the assistance of many other Charlestown agencies including the Fire Department, the Police Department, the National Forest

Rangers, the Library and the Bunker Hill Museum.

The Youths were working for different job sites including the Boys' Clubs Go Program, Day Camp Program, After School Day Care, and the Kennedy Center's Day Camp Program. The Staff Trainers working in cooperation with the day camps were Joseph Barnes, Patricia MacInnes, Joseph O'Neil and Jane Fitzgerald. The youths involved in the program were responsible for working as trained junior counselors at the camp while receiving intensive training by the Staff Trainers.

The training included many different aspects including a Red Cross Course and creating new games and activities to be played by the campers.

We would like to thank these kids for proving their maturity and leadership throughout the summer months.

Public Order Crimes Up 12% Over 1978

Public order crimes have increased 12 percent over 1978 levels, according to a research study "Patterns of Crime and Delinquency in Massachusetts: 1979 Preliminary Report" issued recently by the Office of the Commissioner of Probation.

Crimes against the public order include: setting up a lottery, carrying a dangerous weapon, liquor law violations, sounding false fire alarms, disorderly conduct and non-support.

According to Probation Commissioner Joseph P. Foley, "the increase in public order crimes appears to be linked to substantial increases in liquor law violations, particularly among young adults."

The findings are based on a statewide sample of 5,880 new arraignments for all categories of criminal offenses. Data was collected during sample weeks of 1979, and compared to a similar statewide sample of 5,893 arraignments in 1978.

While other categories of offenses (crimes against persons, crimes against property, non-assaultive sex crimes, major motor vehicle offenses and controlled substance violations) showed little or no change from the 1978 data, public order crimes accounted for 26 percent of the cases in the 1979 study, up from 23 percent in 1978. When public order crimes were further examined by specific offenses, the Probation study found a 91 percent increase in liquor law violations.

Liquor law violations are largely defined in Mass. General Laws, Chapter 138, and include such offenses as sale or delivery of alcoholic beverages to minors, falsely representing age in buying liquor, possession of alcohol in a motor vehicle, and drinking in a public place.

According to Commissioner Foley, "liquor law violations increased markedly among young adults. This increase may be related to the recent change in the liquor laws which raised the legal drinking age from 18 to 20 earlier this year." The study also found that both young adult males and females showed increased liquor law violations.

While teenage drinking has often been linked with drunk driving, the 1979 Preliminary Report found no increase in arraignments of young adults for driving under the influence of liquor.

In a related research report issued in March, the Commissioner announced findings that 46.8 percent of all persons charged with driving under the influence of liquor were between 17 and 25 years of age. The 1979 Preliminary Report found 47 percent of the persons charged with drunk driving were within that same young adult age group, reflecting no increase or decrease since the legal drinking age was increased to 20 years.

Analysis of Age and Sex of Defendants: All Offenses

The 1979 Preliminary Report found no overall shifts in the sex distribution, when all categories of crimes were considered together. Males accounted for 87 percent of all defendants in the 1979 sample, compared to 86 percent in 1978.

However, the study did find that young adults (17-25 years of age) accounted for a higher percent of the total arraignments in the 1979 sample when all offense categories were combined. Where 46 percent of the defendants in the 1978 study were between 17 and 25 years of age, the 1979 Preliminary Report found 53 percent of the defendants in that young adult age group. Increases in crimes by young adults were noted in every offense category.

The Office of the Commissioner of Probation is unique nationally

in that all criminal and delinquency court appearance records are centrally filed. Over six million records, dating back to 1924, are stored in the Probation Central File in Boston.

Copies of the 1979 Preliminary Report are available through the OCP Research Unit, 211 New Court House, Boston.

TIME AFTER TIME I TELL MYSELF THAT I'M GOING TO LET YOU IN ON THIS SECRET:

The only place you can get genuine Chinese pizza in Boston is at the "Munch Brunch" at 262 Harrison Avenue. Herman Moy serves up delectable slices of the dietary delight topped with pork strips, soy sauce and sausage.

REPLY TO THAT ROSLINDALE READER who asked about chefs' training schools in the Bay State: UMass at Amherst has a four year degree course: Cape Cod Community College has a two year hotel and restaurant training course while Boston has Miss Farmer's School of Cookery on Hereford Street.

EXPLAIN THE REASON WHY ALL YOUTHS ARE BEING "CARDED" so carefully at Cape Cod drinking spots: Liquor establishments that serve anyone under the age of 20 can lose their licenses, and those under 20 are subject to fines of \$300 per violation. Try milk.

APPLAUD THE STATE CIVIL SERVICE COMMISSION'S recent ruling to hold a hearing in Wellfleet instead of Boston after the ex-police chief there summoned every police officer in the town to his appeal hearing. If the chief had his way, the state police would have to have been brought in to patrol the cop-less town.

SPEAKING OF THE CAPE, do you know which towns are the fastest growing? Bet you didn't, because the first is Brewster which has doubled its housing units from 1,503 to 3,131 in eight years and Sandwich which shows an 83 percent growth. Okay, what say you tell me what Cape town has the lowest rate of growth?

SALUTE ONE OF HYDE PARK'S "FIRST FAMILIES" -- Angie and Manny Aronis for the outstanding service they perform for the town day in and night out. Manny Aronis does more than run a restaurant. He feeds the poor, cares for the needy, and above all cares so much for Hyde Park, he lives it, breathes it, walks it, talks it.

ASK IF YOU'RE AWARE OR EVEN CARE ABOUT THE BIGGEST WORRY FACING SELECTMEN through the state: It's the power they have over the life or death of dogs. Most selectmen will tell you they dread dog hearings.

QUICK NOW, FOR TWO PASSES TO A FAIRLY CLEAN MOVIE: Who was Peter Best? YEA, VERILY AND MERRILY, TIME AFTER TIME I TELL MYSELF THAT I'M GOING TO:

EXPRESS SHOCK OVER THE ACTION OF AN ARMED

FORCES RECRUITER stationed in Southeastern Massachusetts. Know what he did when a would-be recruit changed his mind? Why he hit him over the head with his name plate. A wooden desk name plate.

REMIND YOU TO REMIND YOURSELF when the "gas" situation gets better, that some service stations played us for fools, particularly those in the self-serve category. Motorists from Dorchester say the self-serve Shell station on Gallivan Blvd. at Hallett did them no favors and that the prices at the Fill 'Em Fast on Morrissey Blvd. were often as high as the full service stations.

CHUCKLE ABOUT THE "CASE OF THE MISSING PATROLMAN." It happened on the South Shore at a construction site. The patrolman was listed as "missing" when he failed to return from a paid detail. If anyone had bothered to stop, look, listen, they'd have found he fell into an excavation.

PONDER THE SAD STATE OF AFFAIRS that requires hospitals to spend two billion dollars a year on negligence insurance.

SPEAKING OF INSURANCE, Joe Zito, the restaurateur who's the delight of Devonshire Street, overheard this conversation:

"How much insurance do you have?"

"About ten grand."

"With that much coverage, you don't expect to remain dead very long, do you?"

ALERT YOU A BIG PUSH WILL SOON GET UNDERWAY to permit dental laboratories to sell false teeth directly to the toothless. Oregon last November became the first state to permit the molar makers to sell directly to the customer. A similar bill is

expected to be introduced in our 1980 legislative year.

ASK HOW YOU LIKE THIS CLASSIFIED AD that appeared in a local newspaper: "Get a Divorce for only \$90. Results guaranteed or your partner back."

YES SIR, YES M'AM, TIME AFTER TIME I TELL MYSELF THAT I'M GOING TO:

SALUTE THE CREW AT KENNEY CLEANERS in Hyde Park for some of the finest tailoring this side of Saville Row: Bill and Janie O'Brien, Ann Bradley, Nancy Potts, Lucy Cosme and Jimmy Hobbes. Janie, incidentally, is one of the top motorcyclists in the nation.

INQUIRE, CONFIDENTIALLY, OF COURSE, if you agree with me that the "flip-top phone" commercial has to be one of the worst ever seen on TV. If anyone's wife whom I know acted like that she'd end up under a cold shower.

INFORM YOU THAT 150 AMERICAN CITIES have blacks as mayors including Los Angeles which is predominantly Caucasian and Hispanic. So you see, Mel King, you're on the right track.

EXPRESS ASTONISHMENT OVER THE NUMBER of foreign small cars in the VIP employees' parking section outside the JFK Building. Sure compact cars are economical, but so are the Buick Skylark and Chevrolet Citation. Buy American or it's soon bye, bye.

APPLAUD SINGER WAYNE NEWTON for being the "class"

of his class. And doesn't the "new" Wayne Newton look like the "old" Don Ameche, the fellow who invented the telephone, on film of course.

TELL YOU WHO WON THE "MOLLY, WADDY AND TONY" CONTEST, and yes they were the elephants at the Franklin Park Zoo. Ann Sampson of Hyde Park was the first to reply. Others who had the correct answer included: Hyde Park: Mary McNamara, Louise E. Hurley and Thelma Barron. Dorchester: Cynthia L. Brooks, Elva M. Calnan, Robert Glass, Doris Thorburn and M. Chapin. Roslindale: William J. McCarthy, Warren P. Graffam, August Nagel, Ron Coyne and Charles L. Samuel. South Boston: Caroline Arnard. Charlestown: Anne Mortimer and Jean Fitzpatrick. Mattapan: Marguerite Hart. Jamaica Plain: Bernadette J. Corbett. Roxbury: Eva Newhook. Boston: M.L. Flaherty. Westwood: Kristin McClusker. West Roxbury: M. Foscaldo, Mrs. J. Kalil, Mrs. Edward E. Waite and Margaret Balcerzak and Quincy: William E. O'Leary.

IRISH CLADDAGH

According to the Irish legend of the Claddagh the Crown represents Loyalty, the hands friendship, and the heart love. The Claddagh Ring, when given by a man to his girl, symbolizes that she will hold his heart in her hands. The same is true given by a girl to her man. The ring is worn in friendship when the crown is toward the finger tips and symbolizes engagement when the heart points toward finger tips.

Vesta Chapter No. 10 Order Of The East

Vesta Chapter Number 10 celebrated its 100th Anniversary at the Warren Tavern in Charlestown on this occasion and honored the past Grand Officers of the Grand Chapter, a significant milestone. Entertainment was provided by Rose Snow.

Senior Past Matron of the Charlestown and now residing in Somerville, the Chapter which was read as follows:

GOLD

Vesta Chapter No. 10, O.E.S. band of fifteen deeply dedicated women, drawn from Charlestown, was organized on May 19, 1879. This group was the first Worthy Matron, Mrs. Aurora Chapter No. 9, National Order of the Eastern Star, established Vesta Chapter No. 10, with Mrs. Henrietta McKinnon, Vesta Matron.

The following day, they reorganized with enthusiasm, hope for the future of the Order. Nine days later on May 28, 1879, a dispensation was held under dispensation of the Grand Patron of the Grand Chapter, Mrs. Hammond at 16 Main Street. Two meetings each month were held for social events and earnings. Funds for equipment, dishes and other for social events and earnings were supplied free to all members until the early 1920s when it was 25¢ for members and 35¢ for visitors. In 1932, the price was raised to 50¢ for members and 75¢ for visitors and that year no profits from our dinners. The dinner catered ham dinner complete with all the trimmings.

On June 6, 1879 the first candidate was being 12 in number. This event was the family Bible resting on a marble altar.

The first election of officers was held by the first Installation on Jan. 18, 1879, by Emily Little, who became a Grand Patron. Hill, eventually a Grand Patron. Our list of outstanding persons for its many years.

These officers initiated 77 members. They decided to present each candidate with a star. To pick flowers from their garden. The various star points were presented to the Chapter officers that it was adopted.

At the Grand Chapter meeting on May 25, 1904, Vesta proudly presented her own Past Officers, were installed.

Vesta Chapter has had many meeting places. Early meetings were held at Dr. Hammond's home and for big events, occasionally a hall would be rented. Vesta settled in the Masonic Apartments at One Thompson Square. In the early 1880s and in 1887, due to a misunderstanding, left and went to Mishawum Hall. In 1900 the Chapter moved for a very happy and prosperous twenty years to Memoria Hall on Green Street which ended when remodeling took place in 1922. Odd Fellows Hall was next but it was not satisfactory and in 1924 the Chapter moved to Howard Temple. The membership in those days exceeded 400 members and larger quarters were needed so Vesta again moved back to the Masonic Apartments and remained there for over 50 years. Today Vesta meets in Somerville, moving from Charlestown due to the sale of the building.

The 50th Anniversary was celebrated on May 18, 1929, at which time a reception was given to Vesta's own Grand Martha, other Grand Officers, charter members, past and present officers, there being 87 in our reception line. A banquet was enjoyed free to all members of Vesta Chapter with over 250 members being present.

During the 1920s and early 1930s Vesta was very fortunate to have a large number of very active and enthusiastic brothers who occupied a special place in the Chapter room, fondly spoken of as "Scamp's Corner," and a very interesting and outspoken corner it was. During the month of March it was customary for the brothers to finance and furnish free to all members a Dinty Moore boiled dinner.

When the O.E.S. Home was opened in Orange, Vesta furnished one of its rooms and for many years were interested in being sponsors of that room and enjoyed maintaining it for a guest at the home.

On May 20th, 1954, the 75th Anniversary was celebrated at the Masonic Apartments. A banquet free to all members of Vesta Chapter was followed by entertainment.

Over the years Vesta has become the mother Chapter of many Chapters. As the first little group travelled to Aurora Chapter to form

the chapter, so groups came from Beulah, Queen Esther, Mary Love (now Electa Chapter), Keystone, Signet, Wenona and Diana to Vesta. Vesta journeyed to Mystic, Ruth, Roslindale, Blue Hills, Germania and Loyalty for the same purpose. Vesta officers also assisted in forming Melrose Chapter.

Vesta has been honored by the election of a Grand Matron and a Grand Patron, Grand Treasurer and many Grand Chapter appointments over the years have been given to Vesta past officers.

Vesta's 100 years have drawn to a close and with it many happy memories as well as many disappointments. Some years have been very difficult. It has not been all rose for Vesta Chapter, but the officers and members of the "Brightest Star" have persevered. Vesta must give thanks for the hardy pioneers who first chartered the course, for those Past Matrons and Past Patrons who over the years have put their love and efforts into building and holding our Chapter together and to the members who sought no honors but the lessons of this beautiful order and the friendships they shared and enjoyed with their sisters and brothers.

Before closing the golden heritage, the members and visitors remembered those who were sisters and brothers, to whom so much is owed and who now have passed to the Great Beyond during these 100 years.

Called from earth by the loving Father
To the realms of endless day;
Safe forever in the Kingdom
Where all tears are wiped away.
Round the Heavenly sacred Altar,
Are the Stars that have crossed the bar
Radiant from reflected glory
Of the one true Eastern Star.

Senior Past Matron

WHEN YOU BUY LIFE INSURANCE, THE PREMIUMS SHOULDN'T KILL YOU.

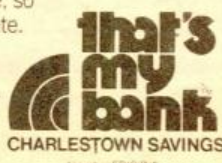

There are two things you want to make sure of when buying life insurance. One, that you find a plan that fits your needs. And two, that you get it at a price you can live with.

Truth is, Savings Bank Life Insurance is one of the best buys around. It's low cost. Convenient. And starts paying dividends the very first year. And, perhaps best of all, no salesman will visit you.

Charlestown Savings can help you set up an SBLI program that's right for you and your budget. We offer a wide variety

of plans. From Straight Life to Term and more. Some policies start building liberal cash and loan values right from the start. But remember, rates are based on age, so the sooner you apply, the lower your rate.

Life insurance at a price you can live with is another way Charlestown Savings helps you look out for number one. And why more people say, "That's my bank."

AT CHARLESTOWN SAVINGS, SBLI RATES ARE NOW LOWER THAN EVER.

Boston Readys For Pope's Visit

On October 1, 1979, the Holy Father Pope Paul II, will visit the City of Boston. Councillor Louise Day Hicks filed an order in the City Council, inviting The Holy Father to say Mass at Columbus Park in Park in South Boston. This order was fully endorsed by all of the members of the City Council. Now, the powers to be, want to have the Holy Father say Mass on the Plaza located at City Hall. In the first place, Columbus Park can accommodate 200,000

people very easily. City Hall Plaza can accommodate 30,000 people. Let's not make this visit political. Public transportation to Columbus Park is plentiful and easy to get to. I bumped into a lady from South Boston last week (Mrs. Peg Donovan) who made a very sensible statement. She said that the President of the United States is coming to Boston for the dedication of the Kennedy Library, and nobody is disagreeing with his visit to Dorchester. So what is all the hullabaloo about the Holy Fathers visit to South Boston. It will probably be the only visit the Holy Father will make to Boston for many years to come, so why not Columbus Park? I hope that the people that read this article, will write to the Mayor of Boston and see that he supports the idea of having the Holy Father go to Columbus Park in South Boston.

Sincerely,
Albert L. "Dapper" O'Neil
Boston City Councillor

Do You Know Where Your Children Are?

Dear Patriot:
I have been living in Charlestown for just a year. I also have been reading your newspaper every week. The last couple of weeks it has been in regard to the boys and girls on a certain street. I visit the Monument quite often after supper and from what I can see, if parents would just take a walk and check and see where their

children are at night, it would solve a lot of problems.

There is a group that sits on the Monument stairs that are a disgrace to your community. The drinking and language is disgusting. So for people who call themselves "Proud Townies" you should try to do something about it.

Sincerely,
Newcomers

Last year the Boys' Clubs received the tidy sum of \$45,200 for all the points scored by the Patriots.

The Boys' Clubs began reaping dollars for points with the Patriots' first exhibition game

against the Atlanta Falcons whom they beat 37-14, according to Michael Grenert, Frito-Lay Sales Manager. In the next three exhibition games, the Patriots added 55 more points for a total of 92 points, or \$9,200 for the Boys' Clubs.

ABCD Offer Free College Courses

A selection of free college credit courses are being offered by Action for Boston Community Development (ABCD), Boston's official community action agency, beginning September 11. Although the courses are designed primarily for ABCD program participants and staff members, remaining openings are available to community residents on a first come, first served basis.

The courses carry credits leading to a Certificate of Achievement in the fields of human services, early childhood education and management; or to an associate of arts (A.A.) degree in the fields of human services, early childhood education, liberal studies, and business administration.

ABCD has conducted this downtown community college program for ten years, in conjunction with the Massachusetts Board of Regional Community Colleges. The first graduates received their A.A. degrees from the community colleges in 1974, becoming the first class ever to graduate from a community

college program in the city of Boston.

Classes for the ABCD Community College Program are held at ABCD's 178 Tremont Street offices, across from the Boylston Street MBTA station and the Boston Common.

"Persons seeking to advance in professional careers today need educational credentials," said ABCD Executive Director Robert M. Coard. "The ABCD Community College Program provides a way for those Boston residents who can't afford skyrocketing tuition costs to move ahead."

This semester's course offerings are: Communications I and Communications II; Child Growth and Development; Child Health Care; Early Childhood Curriculum I; Principles of Sociology; State and Local Government; Oral Communications; Foundations of Mathematics; Psychology of Social Relations; Counseling Methods and Interviewing Techniques; Community Resources and Services; Community Problems; Human

In a reception for the young people and their families at City Hall, Mayor White presented the group with certificates of appreciation from the city.

Mayor White said, "These kids

aren't angels, but no kid in the city can lay claim to that title. But there weren't any angels hanging around on the corner the night a policeman needed help. These kids were there, and because of their courage, a policeman is alive today."

The group is credited with rescuing Patrolman Dennis Vitale from the wreckage of his burning motorcycle after Vitale was pinned under his 800 pound Harley Davidson when a car rammed into him on Bunker Hill

Street in Charlestown. Vitale, a 35 year-old father of three, was conscious after the collision, but the roll-bar of the motorcycle had wrapped around his ankle after the crash.

The young people honored in the City Hall ceremonies were: David and Kevin Downey, Paul Dobey, Patricia Suprey, Paul Bird, Patricia Bradley, Thomas McGoff, Janet Sullivan, Ann Marie Yandle, and Patrick Cannata.

HONORED BY CITY: Mrs. Kathryn White, formerly of Charlestown, and Boston Patrolman Dennis Vitale pose with the Charlestown youth who received certificates of appreciation from the city

for their life saving rescue of Patrolman Vitale two weeks ago. Also joining them are the award recipients' families and friends and Boston police personnel.

Engine 32 Captain Named "Firefighter of The Month"

A Boston Fire Department captain who saved a man from drowning by jumping into the Mystic River has been named Firefighter of the Month by the Boston Herald American.

Captain George Gravallesse of Engine 32 in Charlestown, went to the Alford Street Bridge, which separates Charlestown from Everett at Sullivan Square, on a report of a man in the water.

As Gravallesse and his fellow firefighters arrived, a man, later identified as Joseph Giannone,

32, was seen struggling in the water and hollering for help about 40 feet from the Bridge.

After several unsuccessful attempts to throw a line to the man, Gravallesse took off his coat and shoes and jumped into the water with a line around his waist. He swam to the struggling man, and both were pulled back to the bridge by fellow firefighters.

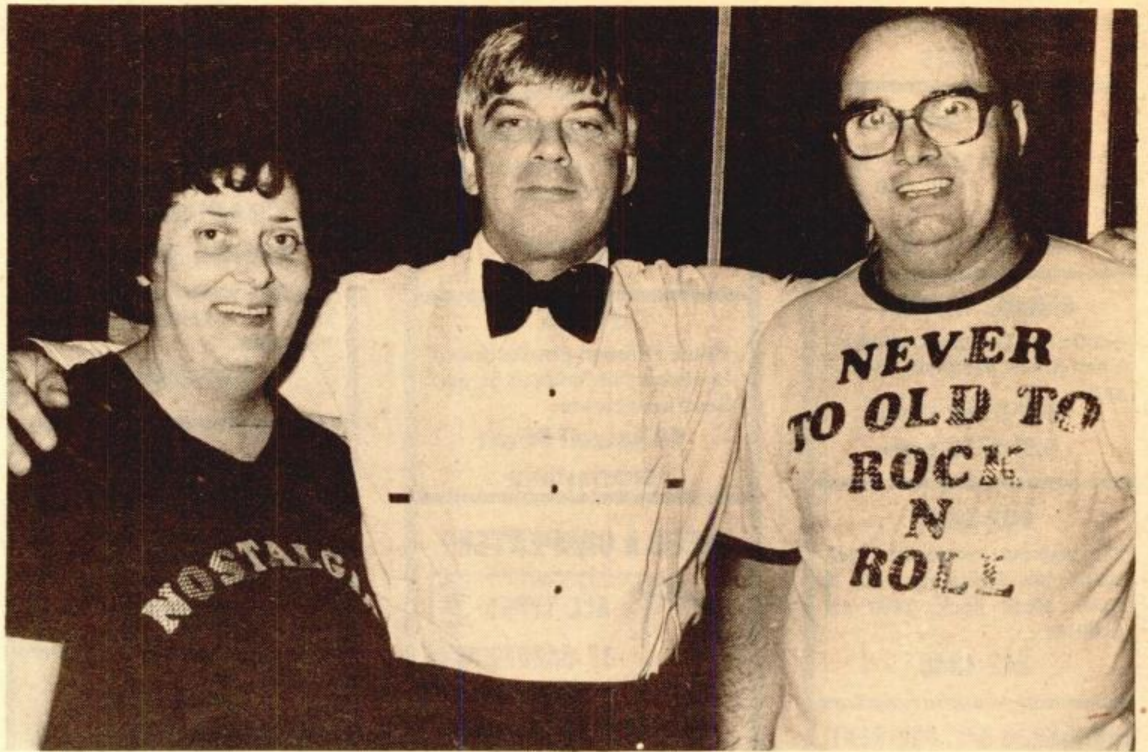

"He appeared to have swallowed a lot of water, but he was okay," Gravallesse said later.

Gravallesse, 41, has been a member of the department for 13 years and a captain for a year.

Asked how he felt after the episode, he said, "I just returned to the fire station, had a hot shower and a hot cup of coffee, put on dry clothes and returned to duty."

For his exploit he was presented a certificate of merit signed by Herald American Publisher James T. Dorris and Fire Commissioner George Paul, plus a check for \$100.

Never Too Old To Rock & Roll

REVOLUTION ON MAIN STREET

E. & E. Realty is the first REAL ESTATE Office in Charlestown to use the computer for real estate purposes only. No exhausting Sunday afternoons. No guessing games. Using the computerized E. & E. REALTY System, we can pinpoint potential homes for our buyers within minutes! Our buyers simply explain what they want ... size, location, price, specific features, so they know exactly what is available, without going through many homes that don't interest them.

Which mortgage is best for our buyers? Only the buyer can say, but we have our own "in house computer" that will:

1. Indicate to our buyers their maximum price range
2. Compare mortgage costs
3. Search for the "best value" listing in the area

For a demonstration of this new revolutionary and efficient way to buy and sell real estate property, drop in or call:
