

**Summary:** Several highly connected sources are saying that after the US Treasury debacle, the RV processes have resumed, and this week again is a possibility for release.

Kent Dunn is saying that Mnuchin was arrested because he has been working for Soros. Kent says that Mnuchin's wife is a Rothschild, and the Zimbabwe currency should be gold backed and their RV announced today, no matter what the US does. Drake Bailey concurs. They said first whales get paid, second clergy, and third the internet.

Bruce confirms that his sources are looking like completion in the next day or two. Tier 3 still may not be complete, but most exchangers now have SKRs. All tiers which have exchanged already will have access to their dollars at the same time. Unexchanged Tier 4 and Tier 5 will be able to have access to their proceeds as soon as they complete their exchange process.

The Newsletter Update Skype room has now been limited to posts only from me, meaning these updates. So, if you have hesitated to go there because of difficulty in finding the updates, that problem should have been resolved. Posts are still in IDC in the evening. ## The Big Call with Bruce 9/26/2018

Where we are...tonight is interesting lots of Intel last night and over the weekend but now quiet...what's going on in Iraq for once they agreed to do what they needed to do and they don't have to publish in the Gazzett but all they need to do is give it the rate and they say its tomorrow and we don't have to focus on them any longer

We have **Zimbabwe announced their gold back dollar**...not our bonds but their dollar...

The rate while trading the zim was going to be on the screens at 1 to 1 for their dollar...not the bonds ....we redeem the bonds not exchange...and the front screen rate will be great...no worries

The President of Zimbabwe will speak tomorrow morning and does that effect us well...it's sequence driven not things like speeches ...**they got info that points to the next day or 2** ..great contacts who are right in this process...most banks are dark

**Tier 3 if they as re not done they should be soon** and they can see their money but can not use it or touch it until we go in as tier 4 B...payouts will happen with our start so it's fair to all

**We will all get liquidity at the same time** ....there is a large amount of clean up that us on going but at lunch time we hit a market at noon today that will **allow all systems to go in the next 24 to 36 hours based on security**...its moving along in good order

Sue painted a great picture of us coming out of our redemption or exchange with an AWWWHAAA moment...still in planning stages on all the projects...it will always be an ongoing deal.

To the administration who listen to our call...he wants to address the infrastructure for our country and if our govt can allow us to help each other like giving out a donation can we get a federal tax credit to help in that area...rebuild schools, homes, etc...but a tax credit would be huge for us that give to this program

If the President hears this that would be great...rebuild America then global.

We look forward to what's going to happen...praying us out ...GOD BLESS YOU ALL ...stand in faith and BELIEVE

Thank you Peggy Namanny

## [Restored Republic via a GCR Rumors as of Sept. 26, 2018](#)

Compiled 26 Sept. 12:01 am EST by Judy Byington

*The below is a summary of information from the Internet. It would be up to the individual reader to do their own research and decide whether or not it is valid. Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world.*

Summary as of early morning Sept. 26 2018:

1. Anonymous: The 800#s would be posted tonight Sept. 25 between 12 to 1am EST.
2. Dan: Dates for GCR/RV release may have changed due to shenanigans of US Treasury Secretary Mnuchin, though it was still felt that 800#s release would happen before the end of the month and looked very good for this week.

## **“Hordes Of Bussed-In Protesters Prepare For DC Disruption Ahead Of Kavanaugh Confirmation**

Liberal activists are planning to disrupt the confirmation hearing for Supreme Court nominee Brett Kavanaugh, according to journalists Paul Sperry and Jack Posobiec. Sperry reports: "Protesters from several radical leftwing activist groups, including Cntr for Popular Democracy, Women's March, Indivisible, Moveon.org & Housing Works, are being bussed into DC to march on the Senate next week & disrupt any vote on Kavanaugh. They're meeting tonight (Sun) at 7:30 PM for training at St. Stephens of Incarnation Church, 1525 Newton Street NW in the Mount Pleasant area of DC. This church will also provide lodging for the rable and act as their staging ground throughout the week. Protesters' jail bail, legal fees & transportation being paid for by these leftist groups, many of which are funded by liberal mega donor George Soros and are desperate to derail President Trump's conservative SCOTUS nomination. ## **An Interesting Possibility Regarding Kavanaugh**

Our President is a GENUIS!! Have I said that before👁️😊!! Kavanaugh was NOT POTUS first choice by a long shot... he has deep seeded history with The Bush's and Clinton's. Trump held back documents of his history knowing the Democrats would go crazy wanting them. Well.... 😊😊 they took the bait😂😂 so now Trump has All documents unsealed where Kavanaugh was Bush's attorney during the 9/11 tragedy and so much more along with Vince Fosters death and much more on HRC

😊!!!

I am fairly certain Joan will be confirmed immediately🙌🙏!! She is a firecracker💣💣

💣!!

Sorry, I can't make this any clearer, and I could not track down the original, since Q switched over to a different server, but you may find the following interesting;

### Theory about how Grassley will completely exonerate Kavanaugh and bring down Diane Feinstein at the same time (QRV)

I believe that when Q said “Trust Grassley”, that there is more going on than what meets the eye.

There are two facts about Diane Feinstein that have already come out.

- 1) She has had many leaks of classified information happening in her committee. James Wolfe, her chief of staff, has already been arrested for leaking classified information.
- 2) Her driver was a spy for the Chinese for 20 years.

My assumption is that there is plenty of evidence in order to get a FISA against Diane Feinstein in order to use surveillance against her. If that happened, then the conference calls that she participated in, in order to create a false narrative against Brett Kavanaugh were recorded. Those recordings would be potentially able to demonstrate that the effort to smear Brett Kavanaugh is a conspiracy based on zero evidence. Such recordings would completely discredit the accusers and Diane Feinstein.

I believe that Grassley has some explosive evidence that will be released in the hearings.

I am not an expert in regard to the Senate rules, so I am not sure exactly how that would happen, but I am sure that there is a way in which this evidence could be introduced into the hearing either by Grassley or by Kavanaugh in his own defense.

The end result would be glorious.

- 1) Brett Kavanaugh would be shown to be innocent and, in a manner, which could never be contested again by the Democrats, because they would have been totally discredited in their efforts to frame him.
- 2) The accusers would be discredited and would potentially be liable to be charged with defamation
- 3) Diane Feinstein would be not only be discredited, but could be shown to be guilty of crimes in planning to subvert the Supreme Court nomination process, thereby resulting in either her arrest or, at a minimum, her permanent expulsion from the Senate on ethics violations.

We shall see, if my theory is correct or not. If It is, the Senate hearing for Brett Kavanaugh will be epic.

Deep history connecting East India Company, Freemasons, and Jesuits, coming forward to Ronald Reagan, guided by Catholics including William Casey, forming an unholy alliance with the Vatican and offering it diplomatic status within the USA from whence it could better "guide" US foreign and national security policy as well as domestic policy. This may be the best book on Vatican subversion of the USA, a subversion co-equal to that of Zionist Israel.

## Regarding the image above about the Law of Manifestation (CIA declassified doc)...

On 9/25/18, at 6:11 PM, Camdoc MD wrote:

> RE Monroe Institute: Hmm, I am not sure why this was classified. I studied with the Monroe Institute when they were training DOD Remote Viewers, when I was a US Army Intel Officer in 1980. This same material is available in their Gateway Program, which still exists today. I did use it to get a new job—manifested exactly a new job that I desired, but got fired from the old one! I guess that fits the “dislocating his existing reality with drastic consequences”!

It cautioned using this technique of Manifestation while in the "Focus 12 state" in that doc so I searched for that phrase. This is what I found (taken from the Monroe Institute literature):

"Focus 12

(Expanded Awareness)

This is a state where conscious awareness is expanded beyond the limits of the physical body. Focus 12 has many different facets, including: exploring nonphysical realities, decision making, problem solving and enhanced creative expression.

The other Focus Levels are very interesting; worth looking at on this link:

<https://www.afterlife-knowledge.com/1-21.html>

I think that it was a document from the CIA that was declassified because the CIA used the Monroe Institute's information for nefarious purposes.

DLE: If someone is interested in this powerful technology, they can look up Gateway Program in Monroe Institute. I think the materials may still be available for sale. I know that they are available online from file-sharing sites. These can be quite the world changing skills

## THE LAW OF MANIFESTATION, CLEARLY EXPLAINED IN DECLASSIFIED CIA DOCUMENT.

B. Patterning. This technique involves use of the consciousness to achieve desired objectives in the physical, emotional, or intellectual sphere. It involves concentration on the desired objective while in a Focus 12 state, extension of the individual's perception of that objective into the whole expanded consciousness, and its projection into the universe with the intention that the desired objective is already a matter of established achievement which is destined to be realized within the time frame specified. This particular methodology is based on the belief that the thought patterns generated by our consciousness in a state of expanded awareness create holograms which represent the situation we desire to bring about and, in so doing, establish the basis for actual realization of that goal. Once the thought-generated hologram of the sought after objective is established in the universe it becomes an aspect of reality which interacts with the universal hologram to bring about the desired objective which might not, under other circumstances, ever occur. In other words, the technique of patterning recognizes the fact that since consciousness is the source of all reality, our thoughts have the power to influence the development of reality in time-space as it applies to us if those thoughts can be projected with adequate intensity. However, the more complicated the objective sought and the more radically it departs from our current reality, the more time the universal hologram will need to reorient our reality sphere to accommodate our desires. Monroe trainers caution against attempting to force the pace of this process because the individual could succeed in dislocating his existing reality with drastic consequences.
