Fiduciary: This is a noncash item with an attached charging instrument that has been accepted for value by the principal. It is to be presented through electronic medium by FedWire to access a pre-established direct treasury account used for this purpose. Post the uncollected funds into the asset column of the customer's account and charge the offer and acceptance for settlement, prepaid and exempt when entered to the post closing balance.

Return to original issue profile is priority exempt after acknowledgement from the principal, a prepaid exchange, a direct treasury accrual item, and a US bankruptcy proceeding remedy.

IMPORTANT NOTICE

If you are not the current trustee or beneficiary of the subject deed of trust, notify the Notary immediately, or it will be presumed that you have accepted this preauthorized transfer, have sufficient authority to act, and have accepted responsibility as an agent for the office you formerly held. Retention of this document constitutes acceptance and intent to perform pursuant to the defeasance clause of said deed of trust.
