xTREME – the PASSIV INCOME FUND and NFT

LAUNCHPAD – backed by XRPL

## The Vision

# xTREME - Launchpad

Will be the one unique project that aims to combine the power of NFT technology and cryptocurrencies. xTREME will open the world of NFTs for you just by holding. Our goal is to show the power of NFTs to the world combined with the power of the XRP ledger.

# xTREME - The Investment Fund

Our raised capital will be invested in the blockchain we love the most. THE XRP LEDGER.

We have the vision to be the BLACKROCK of XRPL:

Moving a lot of money and having big shares in the top projects of XRPL brings a lot of POWER and BENEFITS. We will use this advantage to give back the maximum to our community.

**JOIN THE ROCKET OF xTREME AND FASTEN YOUR SEATBELT.**

# Why **NFTs**?

NFTs are modern, the new generation of art. Before a secret club of rich people over hundreds of years, now an investment opportunity for everyone. NFTs will be lifestyle, group membership and the new way to express who you are.

# Why **xTREME**?

The idea behind **xTREME** is to offer a launchpad for NFT projects: own ones but also others. We already have NFT projects in the development. All details will be coming very soon!

# A Launchpad for everyone!

By having already a huge **xTREME** community every project will be a success. If you are a founder and want to start your own NFT collection most likely you are starting at zero. It's hard to build a new community, getting reach and influencers. **xTREME** is the tool to get what you need.

The **bigger** we  
get, the bigger  
**your success**  
will be.

# The Utility Behind xTREME

The more coins you hold, the bigger your chances and benefit for free NFTs, whitelists, free XRP drops and many other giveaways.

**We have a 3 step system to satisfy all of our holders.**

- 1) 300K-1M xTREME Loyalty System**
- 2) 1M+ xTREME May NFT/XRP Cashback**
- 3) 3M+ xTREME PASSIV INCOME FUND**

The bigger our FUND and our POWER gets on the XRPL, the BIGGER xTREME will grow.

# Tokenomics

Once Presale and Airdrop are successfully done, the NFT Launchpad is starting!

(MAY 01 - 31)

## **xTREME** the passive income fund (3M+ **xTREME**):

This is the centerpiece of **xTREME**. We are investing in the XRP Ledger, the blockchain we love the most and you as a HODLER will benefit. We decided to make it exclusive and special. Only people who are holding 3M+ **xTREME** are qualified for this PASSIV INCOME system. We started at March 23. and bought already coins worth of 100K XRP.

XSTIK: 8.539.999

Reaper: 472.160

XTREME: 85.000.000

# PASSIV INCOME FUND ( 3M+ XTREME )

After 10 months: Community decides by voting the future of this fund. It's always a 50/50 fund between development and holders and cannot be changed.

If we are able to break to 0.0004 wall before the presale ends, we will DOUBLE the investment fund to 200k XRP. If we can SELL OUT the presale, we will TRIPLE the fund to 300k XRP!!!

## This Is How It Works:

Every 25. of a month, starting at April 25. we will sell 5% of our holdings. 2.5% is for our SUPER PREMIUM HOLDERS and 2.5% is for the developers. Our FUND will run 10 months. This is a guaranteed!

# How can you participate?

You need to be a holder of 3M+ xTREME. We will take a snapshot between the big Airdrop on April 06. and April 24. for our first PASSIVE INCOME payout. The following months will allways work the same way. Between 26 , one day after the airdrop, and the 24. one day before the next airdrop, we will make a random snapshot. We want to keep price strong and the investorshappy, by not revealing an official snapshot date. The best thing is to HODL your xTREME . After this 10 month period: we will make a community vote, how to continue with our PASSIV INCOME FUND. The community will decide, if we keep on holding, selling ormabye changing into another asset. There is only one rule: The holdings are allways split 50/50 between investors and developers.

## The payouts of the FUND will be as following:

1<sup>st</sup> : 8%

7<sup>th</sup> : 2.5%

2<sup>nd</sup>: 6%

8-11<sup>th</sup> : 2%

3<sup>rd</sup>: 5%

12-15<sup>th</sup> : 2%

4<sup>th</sup> : 4%

16-20<sup>th</sup> : 2%

5<sup>th</sup> : 3%

21 - last 3M+ xTREME holder:

6<sup>th</sup> : 2.5%

50% equally shared to each acc.

Thank you very **much**  
**everyone**. Its pleasure to
