**VERY IMPORTANT INFORMATION -PLEASE READ - DO NOT OVERLOOK**

**This weekend will be a very intense time of worship, learning and hearing from some of the finest ministerial speakers in this country.** During this trip, our time and this schedule is very tight and we will need to be very vigilant to always be in the designated place at the right time. This PK conference will draw men from all over the US and the venue will be larger than we have ever experienced in any previous Promise Keepers event. This is the first national PK Conference in many years so it is anticipated that as many as 80,000 men will show up. Many men are mentally finished with all the lock downs and restrictions of months past and look forward to connecting and worshipping with other Christian men. I can promise you that our God will be there and show up to work in the lives of hundreds, if not thousands of men! What a great celebration awaits us!

The expected crowd size and the enormity of AT&T Stadium will create its own kind of challenge. It's easy to become disoriented and lose perspective of where you are and who you are to be following. I'm sure many of you have been in sizeable crowds before, so you understand what we are saying.

***WE WILL ORGANIZE INTO GROUPS OF 10 WITH A GROUP LEADER TO BE FOLLOWED FROM THE SEATING AREA TO THE BUS.***

Keeping our group together or in close proximity is of utmost importance particularly when finding and going to our bus. (Detailed instructions on where to meet and how to identify our bus will be given before we leave the hotel and again once on site.) **THE BUS CANNOT LEAVE TO GO ANYWHERE UNTIL ALL MEN ARE ACCOUNTED FOR ! Please don't be the last man on the bus!**

Please prayerfully consider going on this journey. It will be a great and memorable time of fellowship and worship with other Christian men!

**We will be limited to the first 56 men that sign up,** so please commit early and schedule this on your calendar now.
