INVESTIGATION:

- 1) **5/30/12 (Wed) 1105:** Detective Southworth and myself were in the Homicide Office and advised of a shooting involving multiple victims at the Racer Café in the University District at 5828 Roosevelt Way NE. We subsequently responded to the scene with Sgts. Nelson, Vallor, and Worstman and Detectives Norton, Mudd, Weklych, and Cruise initially. Later, Detectives Cooper, Clark, Takemoto, Duffy, and Suguro responded to assist as well. We arrived on the NE Side of Ravenna Ave, which had been cordoned off with yellow SPD tape from 11th Ave NE, W/B to Roosevelt Way NE. The Racer Café is the second building south of Ravenna Ave, on the northeast corner of 59th Ave NE / Roosevelt Way NE. It appears to be a converted two story single family residence that now operates as a café with a liquor license with an office and restrooms upstairs.

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

1120 hours: I arrived on scene and was briefed by Officer Buxton and Officer George, two of the first arriving officers about what had transpired. They said that there had been nine people in the Café and the suspect apparently came inside, ordered something, and then began shooting the patrons and employees. There were five people shot, two male victims were DOA and remained on scene, and two other males and a female had been transported to Harborview by Seattle Fire Department. They pointed to a group of individuals on the NW corner of the street with other officers and said that they were the witnesses that survived the shooting. Myself and Det. Southworth peeked inside of the business from the front door. There was a large pool of blood just inside the door and observed a male victim (later identified as Keriakedes) down on his knees in a hallway that apparently lead upstairs, plus a second male victim (later identified as Albanese), lying in a prone position on the floor behind the bar. We did not proceed further at this time. Sgt. Vallor began to take preliminary photos of the scene for reference.

1135 hours: While at the scene, we heard on SPD radio that there had been another shooting, this one near the intersection of 8th Ave / Seneca St. in downtown Seattle. Apparently there had been a car-jacking and a female victim had been shot by an unknown male. The victim was being transported to nearby Harborview Hospital in serious condition. The suspect fled in the victim's black Mercedes SUV. The SPD Incident number is 12-167046.

1145 hours: I spoke with the [REDACTED] (206-[REDACTED]) / C# [REDACTED]. He said that he was not working this morning but typically does. We asked him if he had any problems with any customers recently and [REDACTED] could not think of anything specifically. We then spoke to Giessel and asked him if he had any problems with anyone lately. After conferring with [REDACTED] Giessel stated that he had "86"d a guy named "Ian" last Friday because of his weird behavior. Giessel gave us a description of "Ian" that closely matched the description we were receiving from the witnesses. They did not have a last name for "Ian" and they had no idea where he lived.

Det. Southworth then heard W [REDACTED] describe the incident to Detective Norton. [REDACTED] said that he heard the bartender say to the suspect when he entered the Café that he (the suspect) could not be there because his boss had "86"d him. W [REDACTED] further described the suspect very similar to Giessel's description of "Ian". Giessel had stated that "Ian" was possibly familiar to other establishments along the Roosevelt corridor. Det Norton volunteered to check with nearby businesses to see if he could obtain any additional information on "Ian".

[REDACTED] identified the two deceased victim's in the café as "Drew" Keriakedes in the hallway and Joe Albanese behind the bar. [REDACTED] said that the two were close friends and musicians that played in a band called the God's Favorite Beefcake that played locally.

1150 hours: CSI Detectives Stampfl, Haakenstad, O'Keefe, Ledbetter, Avery, Samson and Hyra responded to the scene to begin their crime scene processing. Their report, # 12-054, will give a more detailed and comprehensive description of the crime scene and of the evidence recovered.

1155 hours: Officer Body had given me the name of one of the Witnesses. Her name was Tara Lynn Sanders

Case Investigation Report: 12-167022

(W-F-██████80) of 1060 -A SW 149th St in Burien, WA 98166. Phone number is 261-4372. Ms. Sanders said that she was sitting by the bar when she saw a W-M with short hair, with a dark jacket and jeans come in and shot a man by her and then she heard five or six other shots as she ran to hide in a nearby booth. Ms. Sanders said that after the shooting stopped, she saw the same man walk out the same door he came in and walk casually N/B on Roosevelt Way NE.

1205 hours: I went across the street to where the witnesses were gathered and listened in as Mrs. Patricia Andrews-Smith was being interviewed by ATF Agent Dan Ramos (262-2038) working with an SPD Intelligence Unit Detective. Mrs. Andrews-Smith said that she had arrived at the café at approximately 1010 hours and was sitting in the first seat, north of the front door, with her back to the window. She mentioned that she was having some work done on her car across the street and had gone over to the café to wait until it was finished. Mrs. Andrews-Smith described the suspect as a W-M-30's, 6', blue denim type shirt, closed crop hair, and a black gun in his left hand "with something sticking out of the bottom of the gun." Patricia said that she went and his in the booth with the other female and then saw the suspect walk calmly N/B by the café. She said that they stayed there until the police came inside and got them out.

1210 hours: Det. Monty Moss arrived and made contact with the owner, Kurt Giessel (C# 206-295-4270) of the Café Racer. Det Moss was going to begin to assist us in obtaining a copy of the store's video surveillance.

1215 hours: It was decided that the witnesses should be transported to our office so that we could obtain statements from them and talk to them personally. A van was arranged by N. Pct Commanders to respond and transport the witnesses. There were two females and three males. The basic description that the witnesses had given officers of the suspect was a W-M-30-40's, 6' tall, medium build, short brown hair with a beard or goatee, armed with at least one black gun.

1220 hours: On the way back to the station to speak with the Witnesses, I stopped by Harborview Hospital to check on the other victim's conditions. I met with A/Sgt E. Pisconski (2 E) at the ER. He stated that the female (later identified as Layfield) was deceased upon arrival. One of the male victim's (later identified as Largen) was on life support, and the second male victim (Meuse) was currently in surgery in the operating room. I asked Sgt. Pisconski if he had any information about the female victim from 8th / Seneca St and he said that he heard that the suspect had walked up to the female as she was returning to her vehicle. There were some words exchanged, a struggle ensued where a gun fell to the ground, and then the victim was pistol whipped and shot in the head.

1225 hours: I arrived back at headquarters and coordinate the interviewing of the witnesses. Detective Duffy interviewed John J. Dowd, Detective Clark interviewed Patricia Andrews-Smith, Detective Vradenburg interviewed Evan Barbeyto, and I interviewed W-██████ JS

I obtained a recorded statement from W/██████ After the interview ████████ asked if he could leave; he did not want to wait for the transportation back to the scene. I advised ████████ that I may need to contact him again and he asked that I call him on his cell phone (number provided). JS

1235 hours: I returned to the station where they had gathered the Witnesses on the 7th floor Line-up room.

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

There were two that had not been interviewed as of yet, so I took Tara Sanders into our Victim's Advocate's office and spoke to her about the incident. She provided me with her personal information that is relayed in the Witness list and talked about what had happened. She said that she was having her car worked on across the street at the Volvo shop and they suggested she could wait at the café until it was done. She said that she was her first time in the café and she was sitting just inside the front door to the left when the suspect came in and started to order something. She said that she wasn't paying a lot of attention to their conversations, but mentioned that she thought the other customers were familiar with each other. She said that she heard someone mention the phrase, "you've been 86 'ed" but was unfamiliar with the term and resumed reading her book. Tara said she then heard one pop, which she thought was a balloon, a pause and then an additional shot and someone say, "Oh my God!" followed by three or four more additional shots. She said that after the first shot she looked up and saw the suspect holding a black handgun in his extended left hand as she ran around her table to a booth on the left with another patron, Patricia Andrews-Smith. Ms. Sanders then reiterated her description of the suspect that she had given Officer Body. I then proceeded to take a taped statement from Ms. Sanders regarding this morning's incident.

1335 hours: Received call from Sergeant Nelson. He advised that Detective Moss was able to recover video from the surveillance camera inside the Café and that the video captured the entire incident. Sergeant Nelson would be sending me still photos of the video footage for use in a bulletin. JS

1337 hours: Received four still photos from Sergeant Nelson. I asked Detective Mudd to produce a bulletin using one of the still photos depicting the suspect but that did not include any of the victims and to forward the bulletin to SPDALL. JS

1340 hours: Det. Norton and Mudd were checking criminal information systems at our office and discovered an individual by the name of Ian Lee Stawacki (W-M-9/16/71) that appeared to match the surveillance photos based on a comparison of a previous booking photo and who had a previous address near the Café Racer. A DOL photograph was immediately requested and arrived by e-mail shortly thereafter. A montage was subsequently made with Stawicki's driver's license photo.

1410 hours: I responded back up to Harborview to check on the condition of the surviving victims. Mr. Largen was still on life support and had been transferred to 9E. Mr. Meuse had come out of surgery and was recovering. Officer Garner gave me some of the clothing that had been recovered in the ER as well. There was a small bag of Gloria Leonidas' possessions and two bags from Leonard Meuse. I brought them to our office and put them in our Evidence Room.

1505 hours: Det. Southworth and I responded back out to the scene and contacted Ms. Sanders and Mr. Barbeyto, two of the witnesses that had been returned to the scene and were still in the area. We spoke with Mr. Barbeyto first separately and showed him a montage that Det. Cooper had compiled that included a DOL photo of Ian Stawicki in one of the six individual photos. We had Mr. Barbeyto read the photo montage admonition warning first before we showed him the six photographs. Mr. Barbeyto looked at all the pictures but admitted that he could not identify anybody. I subsequently had him sign the admonition form indicating that. We then showed a different admonition form to Ms. Sanders and Det. Southworth had Ms. Sanders read the admonition warning along with her. After finishing, Ms. Sanders then studied all six pictures before pointing to Picture #

5, Stawicki's DOL photo, and saying, "That's him, I'll never forget those ears!" We had Ms. Sanders sign across the photograph of her choice, initial the other five in the group, and complete the Admonition Form.

1525 hours: Representatives of the King County Medical Examiner's Office arrive. There are Investigator William Barber, Dr. M. Lubin, and Dr. Jennifer Tserng. Det Ledbetter advises them that they have recovered two .45 shell casings inside and two fired bullets in the kitchen. We reviewed the video surveillance with the ME staff in the Cafe Racer's office area and then we did a walk-thru of the premise with them as CSI Detectives continued processing the scene.

1545 hours: We heard on SPD Radio about a possible sighting of the suspect by Det. S. Bach in the Fauntleroy area of West Seattle, near 37th Ave SW / SW Raymond. Det. Bach had received e-mailed pictures of the possible suspect that we had put out to SPD officers and Det. Bach believed that he had observed the suspect walking S/B on 37th Ave SW from SW Raymond St. He subsequently called for patrol back-up and apparently as the patrol officers approached the individual, he pulled out a handgun, knelt down on the sidewalk, and shot himself in the head. Medics were called and transported the individual to HMC. We learned that the individual was positively identified as Ian Stawicki through identification recovered from his person at the scene.

1600 hours: While at the Café Racer scene I was approached by Anthony Rewerts (██████████/72), 843 NE 56th St., 98105. 206-930-1688. Rewerts told me that he knew who the suspect was after seeing the news and the still photos of the incident. He said that the suspect was Ian Stawicki (did not know the spelling of last name at time) and that he could definitely ID him. Rewerts told me that Stawicki had been kicked out of Earls and The Racer because of his odd behavior. Rewerts works at the Monkey Pub and about a month ago he was there (off duty) having drinks when Ian came in. Ian started talking about guns and thought the Russian Mafia was after him. He spoke of decapitating some guy's head and penis and stuffing them in a toilet. I obtained Rewerts contact information and gave him my card. JS.

1635 hours: Det Southworth, DPA Carlstrom, and myself responded out to the scene in West Seattle on 37th Ave SW. CSI was processing the scene when we arrived. We were informed by Detectives that they had recovered a Remington .45, Model 1911-R1 with an extended magazine from the suspect at the scene. Apparently they also had recovered several loaded magazines in his backpack as well.

1830 hours: I received a phone message from ATF Agent Heidi Wallace (793-3722), whom I had met at the suspect's suicide scene on 37th Ave SW. Agent Walker said that the Colt .45 (S/N GT07534), Model 1911, which had been recovered in the black Mercedes SUV, had been purchased from Bull's Eye Shooter Supply in Tacoma by Stawicki on 2/16/12. Agent Wallace also mentioned that the suspect's other gun, a Remington Arms Co., Model 1911R 1, (S/N RH 33990A) .45 caliber, and which had been recovered on 37th Ave SW, had also been purchased at Bull's Eye Shooter Supply, but on 11/17/11.

1900 hours: I contacted Stawicki's mother, Carol Vance. She told me that Stawicki had been at her house in the morning to borrow her truck. He ran some errands for her and then left to meet his ex-girlfriend for coffee. She did not notice anything wrong with Stawicki that morning; however, she has believed that he suffered from mental illness for the past 20 years. I asked Vance if Stawicki lived with her. She told me that once in a while he would stay overnight when he didn't have anywhere else to stay. I asked her if there were any guns in the

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

house that he may have stored there, she was adamant that there were no guns allowed in her house and that Stawicki knew that. I asked if I could come to her residence to speak to her further, she got upset and told me that she did not want any police at her house. I asked Vance to contact me if she thought of anything else to tell me about her son and ended the conversation. JS

2000 hours: Detective Southworth and I responded up to HMC Hospital to check on Leonard Meuse's status. I ran into his parents, Raymond / Y Elaine Meuse (523-9532) and his brother Dan. They said that Leonard was shot twice, once in the jaw going in one side, thru his tongue, and exiting out the other side. The second round went in his left armpit, bruised his lung and kidney, then narrowly missing his heart and just nicking his spine, but with no spinal damage. Meuse's nurse told us that he was still intubated but they were optimistic about his recovery.

- 2) **5/31/12 0850:** I sent an e-mail request to Traci Phipps of SFD, requesting all the run -sheets for the responding SFD Units in these three incidents.

0915 hours: Det. Southworth and myself responded up to the King County Medical Examiner's Office and met with DPA's C. Carlstrom and J. Berliner to view the autopsies of the three current victim's, Drew Keriakedes, Kimberly Layfield, and Joe Albanese from the Café Racer and Gloria Leonidas from the car-jacking at 8th / Seneca St. Dr. Fusaro and Dr. Lubin were the attending physicians. Victim- Keriakedes (ME # 852) had a bullet wound to his right thigh and the bullet was visible under his skin on the inside left side of his thigh. A second bullet wound was located on the left side of his head, near his ear that had stippling. Victim- Albanese (ME # 853) had a bullet wound to the right side of his head. Victim- Layfield (ME # 851) had an entrance wound to her upper left back and an exit wound to the upper left front shoulder. A second bullet was discovered in her head behind her ear. Victim Leonidas had two severe head lacerations and a bullet wound to her head. The respective autopsy reports will document the exact wounds and their locations. Dr. Fusaro said that they would do the autopsy on the suspect tomorrow.

1300 hours: I conducted a record check for Vance's truck. A BOLO had been issued and a bulletin was sent out by Detective Kasner. JS

1330 hours: I received a phone call from Kurt Giessel, the Café Racer owner. He mentioned that Kimberly had just recently returned to the Seattle area from Georgia, where her family is located. Kurt also provided phone numbers for "Drew's significant other" [REDACTED] 785 [REDACTED] and Donald Largen's, Glenna (861-5588). Giessel said that they planned to hold a memorial at the Café prior to its re-opening for "the close family."

1500 hours: I received a message from Kyle Palmer (206-356-4961) advising that he has known Ian Stawicki for fifteen years and might be able to offer some insight into his past behavior. JS

1510 hours: I received a message from Derek Smith (425-275-8877), son of W/Patricia Smith. He was inquiring for his mother as to the status of his mom's purse that was left inside the crime scene at the Café. JS

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

I returned Derek Smith's call. He described his mother's purse and the contents. I advised that I would check into the evidence list and get back to him. I then pulled the list of evidence from the scene and did not find a purse listed as described by Smith. I called [REDACTED] and asked him if I could get access to the café to check on Smith's purse. He told me that he could check for me when he gets his keys back from the Hazmat Cleaning company who had just finished with the interior of the café. JS

1515 hours: I received the run sheets from Traci Phipps of SFD for the three victim's at the Racer Café, Gloria Leonidas, and the suspect. She said that she would forward the others as she received them.

1620 hours: I received a call from Investigator Tawn Midkiff of the KCME's Office. She said that she had discovered that the picture and information on Joe Albanese's WDL was incorrect and suspected that he may have been a victim of identity theft. She said that they would check into verifying his identity and get back to us.

2030 hours: I received a call from [REDACTED]. He advised that he searched the café and that there was no purse. He further advised that the insurance for the café will cover any loss or damage for any of the customers if needed. JS

I called Derek Smith and advised him that I could not locate his mother's purse at this time, but that I would pursue it further on Monday. JS

3) **6/1/12 0850:** I attempted to call Tara Sanders (261-4372), whom had left a message requesting that we call her. There was no answer, so I left her our phone numbers to contact us.

0915 hours: Victim's Advocate - Garry Boulden and I responded up to the Medical Examiner's Office to talk to them about the deceased victim's current relatives and to check to see if they all had been contacted. We met with Investigator James Sosik and he gave us the information regarding the relatives that they had:

Case Investigation Report: 12-167022

0930 hours: I met with Dr. Fusaro, whom was just starting on the autopsy of the shooting suspect, Ian Stawicki. Dr. Fusaro said that it appears that Stawicki shot himself in the right side of the head and the bullet exited out of the left side. He said that he would document his findings and the exact location in his autopsy report.

0945 hours: Garry Boulden and I then went across the street to the Norm Maleng Center of HMC to check on the two surviving victim's status and check with their family. We responded up to 9E-38 to check on Mr. Largen. The nurse said that his status was unchanged and that he was going to have surgery this afternoon at 1300 for his organ donation. We then went to 9E-30 and checked on Mr. Meuse. The nurse said that he was recovering from a recent surgery to repair the injuries to his mouth and jaw and that he would probably be intubated for another 48 hours as a precautionary measure. The nurse also mentioned that Leonard's parents were not there yet, but they usually arrive at approximately 1100 hours.

1115 hours: I responded out to Café Racer with Garry Boulden to check on the status of the scene. Patrol officers still had the street partially blocked off to accommodate well-wishers. We met with [REDACTED] and spoke to him about what has been going on around the café. He mentioned that there were several functions being planned and that some were going to be fund raisers for the victim's families that would be equally shared by all. He asked us for help in contacting Mrs. Leonidias's family concerning the events as well.

1120 hours: We checked the surrounding area for Stawicki's 2011 Silver Ford F-150 truck (B31105G) that was still missing.

1300 hours: Received the following messages: JS

- Carl Edwards, calling for Glenna (Largen's girlfriend), asking what will happen to Largen's body after his organs have been harvested. 206-79-7109.
- Walt Stawicki (suspect's father) wanting to know what is being done to find the truck. 206-234-6985.
- Amanda Kelly stated that she thinks she saw Stawicki the night before the homicides. 508-333-5501.

1400 hours: Forwarded Carl Edwards message to Garry Boulden. JS

1511 hours: PC to Walt Stawicki. LMTC. JS

1515 hours: PC to Kyle Palmer. LMTC. JS

1520 hours: PC to Amanda Kelly. She couldn't talk, will call me back. JS

1525 hours: Requested 911 calls. JS

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

1550 hours: Received call from a David, calling for family of Leonard Meuse. He was inquiring about Leonard's wallet. I advised that I would look into it and call him back. JS

1600 hours: Found ID# for Albanese in Evidence List. I requested DOL photo. JS

1610 hours: Checked evidence for Leonard's wallet, not there. Checked HMC property recovered by Detective Duty, not there either. I called David and updated him on the wallet search. JS

1619 hours: Received DOL photo on Albanese. Forwarded to KCMEO and placed correct photo in case file. JS

1625 hours: Requested scene photos from Photo Lab. JS

1700 hours: Call to Officer Scott Enright. I requested that he look into any mental health history that Stawicki may have had with our department and anywhere else. He advised that he had already checked SPD history and found nothing. He told me that he would contact the MHP's and inquire with them. JS

Enright calls back and advises that he spoke with the MHP's and they have no record on Stawicki. I then asked Enright if he could check with the VA hospital. He said that he would do that and get back to me on Monday. JS

I forwarded this information to Sergeant Nelson and Lieutenant Wilske. JS

1722 hours: Call from Amanda Kelly. She told me that she had been in town for a convention at the Convention Center the night before the shooting. She and a friend went out to get food and noticed a man that matched the description of the suspect walking along the street talking to himself. Then she saw the man again in the food court area and he was asking for food and being belligerent to her and her friend. A security guard then escorted the man out of the building. That was the extent of her contact. JS

1810 hours: Received call from Kyle Palmer. He has known Stawicki for over 15 years, but has not seen him for about three months. Palmer and other friends knew that Stawicki suffered from some kind of mental illness due to his odd behavior and conversations that included paranoid delusions about the Russia Mafia. I asked Palmer if Stawicki was in the military and he told me that he had the impression that he was, but always wondered if it was true. Apparently Stawicki would use military terms and briefly spoke about the army. Palmer knew that Stawicki had property in Eastern Washington and that he had guns based on what Stawicki would talk about. Palmer never saw Stawicki with a gun. If anyone suggested to Stawicki that he get some counseling he would become upset and offended at the idea. Stawicki would at times seem perfectly normal and then could suddenly change and begin talking about strange things. I asked Palmer to call me if he thought of anything else and ended the conversation. JS

1900 hours: Requested autopsy reports for victims and suspect. JS

Case Investigation Report: 12-167022

- 4) **6/2/12 1230:** I responded out to the Memorial gathering in front of the Café Racer for the general public. During the gathering, I was introduced to a Shilo Murphy (260-330-5777) by one of the Patrol Officers. Shilo said that he runs the "Needle Exchange" in the University District and said that he was very familiar with Ian Stawicki, although he mentioned that he did not know "Ian's" last name prior to the shooting. Shilo said that he has seen "Ian" with a weapon previously at the Needle Exchange and has asked him several times not to come to their location armed. He said that "Ian" was very paranoid and that most people familiar with him knew that he had some mental issues. Shilo said that "Ian could be friendly one minute and then scary to be around the next!"
- 5) **6/4/12 1500:** Received messages from Andrew Stawicki, suspect's brother, (509-306-0812). He wanted his brother's property released to him. JS

1600 hours: Det Southworth, Garry Bouldin, and I responded out to the Watertown Hotel at 4242 Roosevelt Way NE to meet Drew Keriakedes family. There was Logan Keriakedes (239-980-0050) and his wife, Judy, Andrew's sister, Susan, and her husband, Andy, plus three other family members from Kansas. Also present was [REDACTED] "Drew's significant other!" We discussed the case with them and answered their questions about the investigation. Garry provided them with materials from CVC to assist with the burial and future counseling. Just prior to leaving, [REDACTED] related to us that Stawicki had been over at their house on Friday or Saturday, May 25th or 26th. She said that she and her husband had seen him at the café and in the neighborhood. They had invited him over to their house to watch movies and hang out. She mentioned that he had a nickname of "Icky Wicky" and only knew him from his first name, "Ian." She said that "Ian" started acting weird and talking crazy about "eating the livers of police officers, so her husband asked "Ian" to leave. [REDACTED] added; that other roommates saw him around their house a few days later, but no one let him inside.

On May 30, 2012 at approximately 1115 hours Detective Mudd and I responded to a homicide at 5822 Roosevelt Way NE. I was told that there were multiple shooting victims.

We arrived at approximately 1140 hours. The shooting occurred in the Café Racer Espresso. There were two victims deceased inside the restaurant and three others who had been transported to HMC via medics.

I spoke with Rickey Castellanoz (206-551-0873; 8056 20th Av. NE, Seattle 98115) who was standing outside of the crime tape at the south end of the scene. He stated that he was an employee at the Café Racer and that he had been on his way there to sign up for some shifts. He was not present during the shooting. Castellanoz said that there was interior security video. He thought that there would only have been one employee working at 11 am. Castellanoz described the restaurant as a "mellow place". He said that there were no problems associated with the establishment.

I spoke with witness [redacted] (206-[redacted]). [redacted] said that he was inside the Café Racer when the shooting occurred. He said that the bartender's name was "Leonard". [redacted] said that "Leonard" had a discussion with the suspect about the suspect being previously "86'd" from the restaurant immediately before the shooting. [redacted] said that "Leonard" told the suspect that he was not supposed to be in the restaurant but that "Leonard" agreed to serve him a tea drink. [redacted] said that the suspect pulled out a gun and started shooting. [redacted] said that he attempted to throw a chair at the shooter before leaving the restaurant. [redacted] described the suspect as a 40 year old white male, 6'01, very thin to the point of being gaunt, with curly light brown hair and a beard. He was wearing a white and brown flannel shirt.

I heard Detective Mudd speaking with Café Racer owner Curt Geissei. Geissei stated that a possible first name of a person with similar physical characteristics who had been kicked out of the restaurant was "Ian".

At 1200 hours Detective Mudd and I canvassed the bars and restaurants S/B on Roosevelt inquiring whether anyone matching the suspect description or with the first name "Ian" was known to them as a regular customer. We canvassed from the scene to NE 50th St. No one recognized the description or name in the businesses that were open.

I spoke briefly with [redacted] (206-[redacted] Roosevelt Way NE, Seattle 98105). [redacted] said that he had previously asked an individual who matched the shooter's description to leave the Café Racer for being rude and belligerent. [redacted] said that he had seen the individual several days earlier at the restaurant Flower's on University Way. [redacted] said that he pointed the individual out to Flower's employee "Mike" as being a problem. [redacted] said that "Mike" might have more information about the individual.

At 1230 hours Detective Mudd and I went to Flower's at 4247 University Way. "Mike" was not working. I called and left a message for him on his cell phone (206-819-8528).

Mike Eifenlohr (206-819-8528) returned my call at 1330 hours. He stated that he remembered [redacted] pointing out the individual at Flower's. Eifenlohr said that he had seen the individual several times at the bar. Eifenlohr said that he did not know the individual's name. He described him as 40 year old white male, 6'00, skinny, with reddish/brown hair, facial hair, wearing an oversized dark coat, and dark baggy pants. Eifenlohr described the individual as "edgy" and said that he talked "weird". He said that he always seemed to be wearing the same clothes. Eifenlohr said that another Flower's employee, Sandra Cox (206-369-6726), might have more information.

I called Sandra Cox (206-369-6726). She remembered the individual described by Eifenlohr but did not have any more information about him. She did not know his name.

I researched KCJ booking records on males with physical characteristics consistent with the suspect whose first name was "Ian". I located a record for Ian L. Stawicki (DOB: 9-16-71) who had a previous address listed as 4723 Roosevelt Way NE. Detective Southworth showed me still pictures captured from the Café Racer video of the shooter. Stawicki's appearance was consistent with the shooter's.

I ordered a copy of Stawicki's DOL photo.

At 1425 hours I met with Mike Eifenlohr at NE 45th and Brooklyn. Eifenlohr looked at Stawicki's DOL photo and stated that Stawicki was the individual pointed out by Dean at Flower's. Eifenlohr said that he was certain.

At 1440 hours I met with [redacted] at the Roosevelt scene. He told me that he had seen the individual trespassed from Café Racer nine or ten times. I showed him Stawicki's DOL photo. [redacted] said that Stawicki was the individual that he had previously asked to leave their establishment. [redacted] said that he was 100% positive about his identification.

At 1500 hours I went to 4723 Roosevelt Way NE, the address previously associated with Stawicki. SWAT had contacted three individuals at that location: Ian Mackenzie (DOB: 4-6-84), Mathew Anderson (DOB: 8-8-85), and Lance Waldron (DOB: 5-8-84). I visually confirmed that none of them was Stawicki. I spoke briefly with them and showed them a photo of Stawicki. They all stated that they did not know him and that he did not live at their residence.

At 1530 hours I went to the Coho Real Estate office at 4231 12th Av. NE. Coho Real Estate managed the rental house at 4723 Roosevelt Way NE. The manager, Sam Miller, showed me the rental paper work for that property. The current tenants were Anthony Cundy, Matthew Anderson, and Lance Waldron. Coho Real Estate did not have any record of Stawicki. I showed Miller Stawicki's photo. He did not recognize him.

I responded to 3700 SW Raymond St. at 1600 hours. I learned that as officers converged on the suspect, he shot himself in the head.

Detective Mudd and I went to the Blue Moon tavern in the University District at 1750 hours. We met with witness [redacted] outside of the bar. I read him the montage admonition and showed him a sequential montage with Stawicki and five photo fillers. He immediately and positively identified Stawicki as the shooter.

On May 31, 2012 at 1245 hours Detective Mudd and I went to a North Admiral address (contact detective for exact address) in West Seattle per Sgt. Nelson's request. The address, along with the name "PG", was written on a scrap of paper recovered from Stawicki after his death. No one answered the door and I left a business card.

On May 31st at 1320hours School Officer G. Hissung contacted me and requested that I speak with PG, an administrator at Washington Middle School. I called PG (206-769-8135). She stated that she taught Stawicki in high school at the Summit K-12 School in North Seattle. She said that she had no contact with him in the past twenty years. She stated that approximately three weeks ago, Stawicki called her residence and spoke with her husband. Stawicki indicated that he was trying get back in touch with people in the past. Stawicki and PG's husband spoke for a short time before Stawicki abruptly hung up. PG stated that on the evening of May 30th, she returned home from work and found a package on her front porch in the North Admiral neighborhood of West Seattle. She said that the package contained a blueberry bush, several packets of sunflower seeds, a thank you card, and a couple receipts. The thank you card was not signed. The receipts showed purchases at the West Seattle Nursery at 1340 hours and at the California Av. Rite Aid at 1346 hours. After PG saw the news and learned of Stawicki's involvement and the connection to West Seattle, she thought that he was the individual who left the package.

I collected the receipts and card from PG at 1530 hours and later turned them over to Detective Southworth.

The Homicide Unit was requested to respond. Detective Norton and I responded from the office. Upon our arrival I could see that the scene was just being taped off with crime scene tape. Officers were standing by with witnesses, getting their information. I had them move the witnesses across the street from the crime scene to the Southwest corner of 59th NE and NE Roosevelt Way so they would be in a central location away from the Café Razor shooting scene. After consulting with Sgt. Nelson, we agreed to take the witnesses back to Seattle Police headquarters for interviews. I contacted North Precinct Sgt. Arata to arrange transportation. He was able to procure a twelve passenger van and driver. While I was informing the witnesses what was happening three individuals came up to the crime scene tape identifying themselves as employees of Café Razor. They sated that they were not present during the shooting. I took their information:

He told me that based upon the description he had heard of the shooter, it sounded like a guy who had been 86'd in the last two or three months for bad behavior. Storts and Anderson joined in the conversation saying, "Yeah, that guy who would say Fuck every other word." Geissei said that he knew his first name was Ian. Officers stayed with the witnesses until they were transported to headquarters. I passed along the information I gained about "Ian" to the lead Detective, Jennifer Southworth. I saw that my partner Detective Norton was headed South on Roosevelt Way. Sgt. Nelson told me he was going to canvas bars to the South. I joined him. alked back to the scene. Detective Norton received information that an employee at Flowers restaurant/bar at 4247 University Way NE may have information regarding Ian. We went there and Detective Norton talked to the owner on the phone. The person we were looking for was not available at that time. We then went to Seattle Police Headquarters to assist with witness interviews. We soon learned that all of the witnesses were being interviewed. I started to check computer databases for White males names Ian about forty years old with North end addresses, checking their photographs in JEMS. I located Suspect Ian Stawicki W/M/09-16-1971, and his description matched. Detective Norton ordered a DOL Photograph. It was about this time that Sgt. Nelson e-mailed Detective Southworth and I still photographs from Café Razor's video system. The video showed the shooter. Ian Stawicki matched the photo in the video. Detective Norton went to show the DOL photograph to Kurt Geissei. I prepared an officer safety bulletin while Detective Cooper prepared a photomontage. Detective Norton called to inform us that Mr. Geissei had confirmed that Stawicki was the Ian that had been 86'd from Café Razor. Detectives Duty and Southworth took the photomontage to meet Detective Norton and show it to the witnesses that had been released from police headquarters but had been asked to wait near 60th and Roosevelt after being driven back there by Patrol officers.

I was attempting to find recent addresses for Stawicki when radio broadcast shots fired at 37th Av SW and SW Raymond St. I responded from the homicide office with Sgt. Worstman. We arrived on scene at 1600 Hours I saw that Seattle Fire engine 32, Aide 32, Engine 37, and Battalion Chief 7 were there along with several Seattle Police cars. The 6000 block of SW 37th was blocked off with crime scene tape. The suspect, later identified as Ian Stawicki, was being treated in the aide car. One of the fire department medics handed a pistol magazine out of the aide car to Detective Steiger. Stawicki's clothes were being handed out to a firefighter who was putting them in a hazmat bag. I could see a holster on the belt of the pants. On the East side of the street I saw a backpack lying next to a large pool of blood. There was a pistol lying on the sidewalk. Officer Traver informed me that he had identified a civilian witness, Mr. John Peck W/M [REDACTED] 1957, 5952 37th Av SW, Seattle WA C:206-371-3451 H:206-923-0875. I took a recorded statement from Mr. Peck. (See transcription for details.) Since Stawicki had shot himself, no further action was necessary at that scene.

At 1750 Hours Detective Norton and I met with [REDACTED] at 8th Av NE and NE 45th St. Detective Norton showed him a photomontage containing Stawicki. [REDACTED] looked through the photographs. When he came to the photo of Stawicki he stopped and said, "That's him." There was no hesitation on [REDACTED] part. Detective Norton had [REDACTED] sign the photograph he had identified.

05312012 1230 Hours:

Sgt. Nelson sent Detective Norton and I to check a North admiral district address. There was a concern that Stawicki may have been headed there. No one answered the door and it appeared as if no one was home. Detective Norton was able to determine the homeowners and made contact. They had been contacted by Stawicki by phone the night prior to the shootings. The next day a blueberry bush with a note was left on their front steps. There was a receipt from West Seattle Nursery. I contacted the Nursery and it was determined that they have no video of the transaction. They were able to find a sale of a blueberry bush but it was a cash transaction.

Case Summary:

Shooting homicide in a University District Café with multiple victims. I have a minimal peripheral role.

Investigation:

1) **WED 05-30-12 1627 Hours:** While in the Homicide Unit office, I receive a call that came through the unit main line (684-5550) with caller ID indicated as 206/913-2173. The female caller, who is obviously emotionally distressed, states she is the ex-girlfriend of the guy that is on the news "that just killed all those people". She identifies herself as **Shannon "Megan" Roulette**, DOB [REDACTED] 1995, home address 4919 N 31 St Tacoma, cell 206-913-1273, employed by South Seattle Community College (SSCC). She identifies the "ex-boyfriend" as **Ian Stawicki**, DOB/09-16-1971, unemployed, lives with his mother **Carol Vance** in Wallingford at 50th & Densmore, exact address unknown. She states she has known Stawicki for 20 years and dated him for several years with their relationship ending about 3.5 years ago.

He has been calling her over the last few days, and today around 0915 he called her on her cell phone from his mother's house (206/547-1654). He said he wanted to visit with her, and he offered to bring her coffee at her work and they could visit. She agreed to this. They did not agree on a specific time, but by 1100 he had not yet arrived so she called his mother's number and Carol Vance answered. Carol said he had left about 10 minutes ago. Roulette states he does not have a cell phone and avoids most current forms of electronic communication including all social media. Roulette did not know what form of transportation he would be using but she assumed he would be driving Carol's silver Ford F-150 pick up as he usually does.

Roulette states she was out working on the grounds of SSCC and Stawicki suddenly appeared. He was wearing the exact clothes he was wearing in the still images the news is showing of the Café shooting scene. She states he was sweating and breathing hard and was a bit excited. He said to her "Come on we have to go right now...we have to go!". Sensing that he was in some form of crisis, Roulette said she was not going with him but asked where he wanted to go. He said he "had to go to Fort Lewis to retire". I ask if he has military status, and she said to her knowledge he was honorably discharged from the army years ago after suffering some sort of concussive ear injury. She said he told her he served active duty in Panama, however over the years his account of his military background has not been consistent. He then asks to use her phone to call Fort Lewis, and he makes several calls presumably to directory assistance, but is unsuccessful in obtaining a number to Fort Lewis. He then apparently concedes to her resistance and says he can take a bus, and asks

Seattle Police Department Case Investigation Report

Case Investigation Report: 12-167022

her to take him to a 7-Eleven store. She does not know why a 7-Eleven store. She decides it is prudent to get him off of campus property so she agreed to drive him to 7-Eleven. They get in her car with her driving and him directing. During the drive he is apologetic for inconveniencing her, but says nothing about being involved in the café shooting or the carjacking that the news is reporting. She states he was "not acting like he just shot someone". She states she did not see him to be in possession of any weapons but he was wearing a shoulder strap bag that he was fidgeting with. He ends up directing them to the 7-Eleven which may be at California and Erskine Way SW (but she is not certain of this location as they made many turns). Roulette states as they were approaching the 7-Eleven, he suddenly changes his mind and directs her to take a few more turns and they end up a few streets off of California Ave SW in a residential neighborhood, and she believes the street was 46th Ave SW. He then directs her to a house on 46th, and points to it and says he has 5 daughters in that house, and he needs to go in, and she needs to go with him. She said she has never known him to have any kids and she realized at that point that something is really wrong with him. He starts to get out of the car and she rapidly accelerates with the door still open and drove away from him. She did not see where he went, and that was the last she saw him.

Roulette states that to her knowledge Stawicki does not have a clinical diagnosis of a mental health disorder, but she believes he has definitely decompensated over the past few years.

Roulette states Stawicki does have guns and has a concealed pistol license. She is not certain what guns he currently has but she believes he recently purchased one or more new guns that may have been Colt .45's. She states he preferred model 1911's because of his military background. At one point he had a Para Ordinance P-14.

I ask Roulette about the Racer Café. She states she knows he did frequent that business, but she knew nothing about any problems there.

Roulette states Stawicki was born in Santa Barbara, CA but grew up in the Seattle area. He has a brother in Eastern Washington, and a sister in New Zealand.

I relate the contact information for Carol Vance to the King County Medical Examiner's Office for their use in next-of-kin notification. I also verbally transferred this information to Detectives Duty and Southworth.

I have also submitted a CIR under 12-167046, the car jacking – stolen vehicle recovery.

After writing this report, I took no further action in this case.

5-30-12 1200: Responded to the Homicide Offices from off duty after hearing of multiple shootings and homicides occurring in Seattle. On arrival, I was initially directed by Detective Sergeant Worstman to assist Detective Southworth with witness/victim interviews.

5-30-12 1255: Contacted witnesses/victims that were being held in the SPD Line up room. I initiated and interview with the following person in interview room #3:

ANDREWS-SMITH, PATRICIA L.

W// [REDACTED] 1952

LKA: 732 Bell Street, Edmonds, WA 98020

CPH: 425 773-3233

u/skeletor_thagawd

Andrews-Smith described the events to me as she was inside the Café Racer at the time of the shooting. I obtained an audio statement from Andrews-Smith which was given to Detective Southworth for inclusion in the case file.

5-30-12 1300: Responded to the Café Racer with Detective Duffy to help coordinate with witnesses pending being shown photo montages. As I we were leaving the Café Racer, I heard over radio of another shooting at 37 Av SW and SW RAYMOND Street. We responded to that location and learned the suspect in these shootings had shot himself. The suspect had been transported to Harborview Medical Center, but I could see his gun that lay on the sidewalk near a blood pool. I noted that the extended magazine in this handgun was consistent with what was described by the victim.

I hereby (declare) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

Investigation:

u/skeletor_thagawd

05-30-12 1110 hrs. I was on duty and at the Medical Examiner's office with Det. Steiger to attend a meeting and pick up some evidence on an unrelated case. I received a message to call Sgt. Nelson immediately. I called Nelson and was advised of a shooting with five victims down at 58th and Roosevelt Way NE. I was told I was needed at the scene. I took Det. Steiger to SPD headquarters so he could get his car then responded to 58th and Roosevelt.

05-30-12 1135 hrs. I arrived at the scene. As I was arriving I heard West Precinct officers being dispatched to another shooting at 7th Ave and Seneca St. (12-167046). At the Roosevelt scene I was briefed by Sgt. Nelson. I then spent time taking preliminary photos of the scene inside and out of 5822 as well as of cars parked along the street. The photos were taken with a Canon 30D digital SLR camera with an 18-55mm lens. Once I was done taking photos I was rerouted to 7th and Seneca St. to a second homicide scene. Later in the day I downloaded the photos taken on Roosevelt into the DEMS system and made two copies on CD's, one for the case detectives and one for unit archives. My involvement in this case ended and shifted to related cases 12-167046 and 12-167361.

I certify (declare) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

I have been a police officer with the Seattle Police Department since 2001. I have been assigned to the Criminal Intelligence Section for over the past two years. On this day, May 30, 2012 I was working as a plain clothes detective driving an unmarked police SUV. During the day, I was receiving information from different sources on our multiple homicide suspect. I had earlier responded to the scene at 8th Ave and Seneca St where I was directed to run an ALPR vehicle around the area. At about 1407 hours, I received an email from Det. Engstrom showing 4 still photos of the suspect. The photos were clear and showed a detailed description of the suspect.

At approximately 1543 hours, I was traveling southbound on Fauntleroy Way SW and observed a white male, matching the photos I had seen, cross from the northwest corner of SW Raymond St to the northeast corner of SW Raymond St and continue to walk eastbound on SW Raymond St. I began to follow the suspect and noted that his shoes were distinctive from the photos I had seen. The suspect crossed over 39th Ave SW. I continued to update the suspect description and noted he was wearing what appeared to be a white button down shirt, tan pants and tan shoes. The suspect was also carrying a satchel with a blue shirt hanging from it, which appeared to be falling off. The suspect didn't appear to care that his shirt was falling off and as I approached 37th Ave SW I could see him reaching into his waistband and messing with the satchel.

The suspect's action made me fear for my life, I drew my issued hand gun and tried to increase the distance yet keep an eye on him. As the suspect approached the corner of 37th Ave SW he crossed quickly to the southeast corner and continued to walk southbound on 37th Ave SW on the eastside of the street. Several marked and uniformed officers arrived. I stopped my vehicle at the intersection and directed officers arriving to the suspect. One officer drew down on the suspect and I could hear him loudly order the suspect. I observed the suspect kneel down to the ground and then I heard a gunshot and saw blood coming from the suspect. The suspect was still moving. I was standing behind the passenger door of the first patrol vehicle on scene. I then responded to get a bullet resistant shield out of the sergeant's vehicle, but was unable to locate it.

I observed as several officers approached the suspect and move his handgun north of his body. Medics were summoned to the scene. I assisted with putting up police tape up from the southeast corner of 37th Ave SW and SW Raymond along the east side of the scene, including past the suspect. Medics showed up and removed the suspect from the scene.

I was then directed to return to headquarters and complete a statement.

NARRATIVE

On 5/30/2012 at approximately 1101 hours, while working as marked SPD unit 1-Lincoln-3, I responded to a Shots call at 5822 Roosevelt Way NE in Seattle.

I arrived about 1110 hours and met several officers at the scene.

Dispatch updated the call stating the unknown male suspect had fled the scene in an unknown direction. I established a containment position at 8 Av Ne and NE 59 St. I maintained a secure position for pedestrian and vehicle traffic at this location and coordinated it as a staging area for media. I was relieved by a traffic unit and reported to the command post.

My further involvement was canvassing the neighborhood with the Day Gang Unit. This interaction will be documented at a later date.

Post canvassing with the Day Gang Unit, I returned to the North Precinct and completed this statement.

HOMICIDE-PREMEDITATED-GUN**STATEMENT OF DET BELSHAY****STATEMENT**

I am assigned to the Seattle Police Departments Criminal Intelligence Section and my primary assignment is to track gang activity in and around the City of Seattle. I am also assigned as a Task Force Officer with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF).

On 05-30-2012, at 1100 hours, I was working at the Criminal Intelligence Section office when I heard that a shooting had taken place in North Seattle at NE 58th St and Roosevelt Way NE and that five victims had been shot and that a white male suspect had fled the scene. At approximately 1130 hours, I heard over radio that a second shooting had taken place at 8th Ave and Seneca St, and that a white male suspect had car jacked a black Mercedes SUV with Washington license 348-VWV. I assisted with trying to locate information regarding the victim's vehicle. A short time later, I heard that the car jacked vehicle had been located in the 4100-Block Delridge Way SW.

At approximately 1345 hours, I responded to North Seattle with my partner Detective Brandon James and several other Criminal Intelligence Section detectives to conduct surveillance of a possible address for a person of interest in the North Seattle shooting/homicide.

At 1410 hours, I met with Assistant Chief Paul McDonagh and the Criminal intelligence Section detectives were tasked with setting up around the address of 4723 Roosevelt Ave NE to conduct surveillance for SWAT officers who were planning to surround the residence and attempt to locate a subject identified as Ian L. STAWICKI, W/M DOB: 09-16-1971.

At approximately 1523 hours, SWAT officers cleared the residence and contacted three males from the house. Detective James and I supported the SWAT operation by sharing photos of subject STAWICKI and identifying the three males that were contacted by SWAT officers. The three males were identified as Ian A. Mackenzie, W/M DOB: [REDACTED]-1984, Matthew R. Anderson, W/M DOB: [REDACTED]-1985, and Lance C. Waldron, W/M DOB: [REDACTED]-1984.

At approximately 1555 hours, SWAT officers had just cleared the residence and all three males released from the scene, when emergency tones went out of our radios alerting us that shots had been fired and that a possible suspect from the North Seattle shooting was down at 36th Ave SW and SW Raymond St. Detective James and I responded to Southwest Seattle from the

We arrived at approximately 1610 hours, checked on Detective Scotty Bach at the scene to make sure he was ok, as he had called in the suspects location. I learned at that time that the white male suspect had suffered a self inflicted gunshot wound to the head as patrol officers responded to contact him. While on scene, Agents Jonathan McPherson, Heidi Wallace, and David Roberts, arrived from ATF Group I (Gun Group) and I put them in touch with Sgt. Vallor in order for them to assist in tracing the firearm used by the suspect.

Detective James and I cleared the scene at approximately 1712 hours and we returned to our office where I completed this statement.

HOMICIDE-PREMEDITATED-GUN**OFFICER STATEMENT****STATEMENT**

On 05-30-2012, I was working uniformed patrol in a fully marked patrol car assigned as unit 1U3. At approximately 1100, I responded to a report of Shots Fired at 5822 Roosevelt Way NE, the Cafe Racer. While enroute to the scene, I heard several updates: voices yelling; three people shot; and a suspect description of a white male, 30's-40's, 6-00, facial hair, black and white plaid shirt, jeans, and having left in an unknown direction. I was the second unit to arrive at that location. I pulled to the curb behind unit 1J31, Don George #4320. I saw a white male with white hair and beard come to the front door of the business and wave at Officer George. I saw Officer George go into the business behind the person who had been waving out the door. I got out of my car, and started into the business behind officer George. When I entered the business, I saw a white male on the floor with a pool of blood surrounding his head. His mouth was opening and closing slightly, but there was no other movement. I heard someone say that there others were, "behind the bar," and, "in the back." I looked and I saw that there were three people inside the business; the one who was waving out the door, an Asian male wearing glasses, and a white male wearing a cowboy hat. I saw Officer George come from the back of the business, and he said something to the effect of the business being clear. To avoid contaminating the scene further, I stepped out of the business, and told SPD North Radio to send Seattle Fire Department personnel into the scene.

After contacting North Radio, I directed the three people inside the business outside to a bench on the sidewalk against the building. I quickly questioned each of them to determine who was a witness and what they might have seen. I determined that the male with the white hair and beard was the best witness, so I identified and interviewed him.

The Witness identified himself as:

W/M, [REDACTED] 1956

[REDACTED] Brooklyn Ave. NE [REDACTED]

Seattle WA 98105

206 [REDACTED]

[REDACTED] requested Non-Disclosure*

[REDACTED] described the Suspect to me as a:

wearing; a brown and white plaid long sleeve shirt with the sleeves down and dark pants.

██████████ told me that the Suspect came into the business, and was recognized by Leonard, the barista. Leonard said that he had been "86'ed" from the business and that he should leave. The Suspect then asked for a coffee drink with raspberry to go. ██████████ said that Leonard began to make the coffee. ██████████ said that he looked down at his phone, and when he looked up again, the suspect had pulled out a gun and shot Leonard. ██████████ said that the Suspect shot Leonard first, then the Suspect shot Drew, Joe, and Kim. ██████████ also said he was not sure of the order in which the victims had been shot. ██████████ said that he had been sitting at the bar along the south wall of the business, and felt trapped. ██████████ said that he picked up a bar stool, pushed the Suspect with it, and then fled into a back room. ██████████ did not see the Suspect leave. ██████████ said he did not understand why the Suspect didn't shoot him as well.

I kept the witness on the bench until I was directed to have him relocate further away from the doorway. As I was watching ██████████ and the other two witnesses, I was directed to put up red crime scene tape around the interior perimeter. I went back to watching the witnesses, until I was directed to have them move across the street to the command post. I remained with the witnesses until they were loaded into a department van to be transported to Homicide Office at the Seattle Justice Center. I was then directed by Sgt. Arata to return to the North Precinct, download my in car video, and complete this statement.

STATEMENT OF OFC W. N. BUXTON
STATEMENT**

On 5-30-2012, Wednesday, I was assigned to one officer marked patrol unit 2U2. Prior to logging on to my patrol vehicle I was in 1100 Roll Call. During roll call, SPD Radio was heard broadcasting a shooting with multiple victims at Cafe Racer, 5828 Roosevelt Wy NE. I departed roll call with other officers, completed loading equipment into my patrol vehicle, logged on to my MDC, and proceeded to the scene with emergency equipment activated. I arrived at 1116 and noted numerous SPD and SFD units at the scene. I parked my vehicle and approached the scene entrance. I remained outside at the front door and observed SFD and SPD personnel entering and exiting. I was contacted by Acting Sgt Pio and instructed to begin keeping a log of those entering the scene. I began the list and was then advised by Sgt Martin that I would be assigned as primary officer. I turned over the scene log duties to Ofc Steve Clark and returned to my patrol vehicle for my note pad. At 1118, I entered the scene with Ofc Don George to remove SFD equipment and to check the caliber of the weapon that was used at the request of SFD Medics. We located a brass shell casing approx. 10' inside the front door and identified it as a .45 cal auto casing. The equipment was removed and the caliber information was given to SPD. I observed a deceased male victim crouching in the hallway and another deceased male victim laying behind the bar. I then exited the scene at the command of Chief Pugel. I remained outside and conducted several interviews as they became necessary. SPD Homicide detectives arrived at the scene and I provided them with ongoing information from affiliated persons as it was obtained. I spoke with the [REDACTED] witness [REDACTED] (W/M DOB [REDACTED]-1983 [REDACTED] Roosevelt WY NE. He advised that he had not heard the shooting. [REDACTED] stated that the restaurant opens at 0900 and has a small but loyal clientele. [REDACTED] had entered the cafe with detectives to allow them access to the video surveillance. [REDACTED] observed the two deceased victims and advised me that the victim behind the bar was "Joe" aka "Misugar Joe" (possibly Albanese, Joseph Patrick W/M [REDACTED] 1969) a musician and bass player. Dean stated that the victim crouched in the hallway was "Drew Kirkendes" aka "Schmootzie the Clod", a guitar player (possibly Keriakedes, Andrew Thomas W/M [REDACTED] 1967). Both played in the band, "God's Favorite Beefcake" and were nearly daily customers. Dean advised that the only employee working was believed to be "Leonard Musse". Ofc George had advised me that (2) W/Ms and one W/F had been transported to HMC. I was called to the north perimeter by Ofc Gardea who had been contacted by a boyfriend of the possible female victim. I spoke with Hunter, Ryan C. (W/M

[REDACTED]-1976 of 5623 Brooklyn Av NE cell-206-909-4134). Hunter expressed concern that his girlfriend had been at Cafe Racer as she was not answering her phone. Hunter identified the possible victim as Layfield, Kimberly L. W/F [REDACTED] 1974 who resides with him. Hunter stated that they are both dental hygienists and Kimberly often went to the cafe to work crossword puzzles and to talk with friends Drew and Joe. Hunter stated that Kimberly wears a brace outside her clothing on her right hip. I advised Hunter that a W/F had been transported to HMC but that I did not know her current condition. I spoke several times with [REDACTED] and owner Giessel, Kurt who provided information about subject "Ian" who they were suspicious of as possibly being involved. I contacted Sgt Nelson who stated that information had already been received by detectives. I remained outside the scene to assist as necessary. I recontacted Hunter by phone and he returned to the north perimeter. I inquired if he had heard the name "Ian". Hunter had not. I used my MDC RMS system and located the information on possible victims Keriakedes and Albanese and procoovided it to Det Duty. I completed the General Offense report at the request of Sgt Nelson and sent it for approval when instructed at approx. 1645. I left the scene at 1657 and returned to the North Precinct where I completed and submitted this statement.

On 05/30/12, I was scheduled to work uniformed marked patrol. I was sitting in roll call when shortly after 1100hrs, I heard a call of shots fired and multiple people down at the Racer Café, 5828 Roosevelt Wy NE. I rode to the call with Officer Parton and deployed with my Patrol Shotgun once at the scene around 1110hrs. Officer Parton was logged on as unit 2-Lincoln-1. I did not have the chance to log on, but identified myself with my regular call sign over radio. That call sign is 2-Union-3. Officer Parton and I split up, as she was tasked with following a victim in a Medic Unit to HMC. I was on containment briefly in the alleys just north and east of the café. At about 1125hrs, I was assigned to relieve Officer Buxton to maintain the crime scene log. Officers McNew and George were already at the crime scene. Assistant Chief Pugel was also there. There was a large pool of bright red blood just inside of the front door of the café. There was a trail of blood leading across the sidewalk and onto the street.

The [REDACTED] came up to assist with information that the café had video surveillance. I took down his information as: [REDACTED], W/M [REDACTED]/83, [REDACTED] Roosevelt Wy NE, Seattle, WA 98105 C#(206) [REDACTED]. I copied this information down and handed it to Sgt. Gary Nelson of Homicide.

I was relieved at about 1130hrs by Officer McNew for the log. I then maintained scene security at the entry/exit point until relieved at approximately 1545hrs by Officer Burk. I later returned to the precinct and completed this officer statement. End of statement.

On 5-30-12, at approximately 1202 hours, I was working uniformed and marked patrol as 2F22 when 2F21 announced over South Air that she had located the vehicle taken by the suspect in the 8 & Seneca call (ref 12-167046) in the 4100 block of Delridge Wy SW.

I blocked NB Delridge Wy SW traffic, and diverted it to EB SW Oregon St. I also directed WB traffic from SW Oregon to SB Delridge Wy SW.

When directed to open NB traffic on Delridge Wy SW, I did so.

Later I provided containment on the the K-9 track in the area of 30 Av SW and SW Dakota.

When officers contacted the suspect in the 6000 block of 37 Av SW, I responded to the scene. I canvassed houses on the block, on the West side of the street. 6003, 6007, 6017, and 6031 were not occupied at the time of the the incident. Susan Baker at 6011 didn't see or hear anything. [REDACTED] and [REDACTED] at [REDACTED] heard officers shout "Put your hands where we can see them," and then they heard a shot. Robert Bellmore at 6027 didn't see or hear anything.

I then returned to the SW Precinct and wrote this statement.

{STATEMENT OF OFFICER FLORES RELATED TO SPD EVENT#12-167022 (SEE ALSO 12-167361)}

On 5-30-12 at approximately 1202hrs while working marked uniformed patrol within the City of Seattle as unit 2F2 I was at 309 S Cloverdale St. At that time I heard 2F21 advise over the radio that she had located the suspect vehicle (black Mercedes SUV) involved in an earlier broadcast shooting which occurred at 8 Ave/Seneca St. I responded to the 4100 block of Delridge Way SW. Upon arriving in the area I took up a position of containment at Delridge Way SW/SW Andover St and I stopped southbound traffic on Delridge Way SW.

I maintained my post until approximately 1406hrs at which point I responded to the area of 26th Ave SW/SW Brandon St to do an area check for the possible suspect seen walking through the West Seattle Golf Course. I contacted the subject walking away from the golf course and it was determined that he was not the suspect from the shooting.

At approximately 1543hrs I was in the area of Westwood Village Shopping Center (2600 block SW Barton St) when I heard unit 327 advise over the air that he had eyes on a subject matching the description of the suspect involved in the earlier shooting. Suspect was in the area of Fauntleroy Way SW/SW Raymond St. Suspect was described as a W/M, wearing tan pants, white button down shirt, full beard, and brown hair and carrying a satchel over his left shoulder. The suspect was said to be messing around with stuff on his waistband. I advised over the air that I was en route to the location. I arrived in the area from the east (35th Ave SW/SW Raymond St). As I turned southbound onto 37th Ave SW from SW Raymond St, I observed a patrol vehicle in front of my own and I heard what I believed to be a single gunshot. As I stopped my patrol vehicle alongside 2F31's patrol vehicle I observed what appeared to me to be a male lying down on the sidewalk on the eastside of 37th Ave SW. The males back was to me and I could see his body moving at that time. I was able to put out over the air the address of 6012 37th Ave SW as our location. I was tasked my Sgt. Bauer, 2W, with being part of the contact team to secure the suspect. I advanced towards the suspect along with units 2F31, 2F3, 2W3 and 2W. As we arrived up to the suspect I observed what appeared to be a semi-automatic handgun near the suspect's hand. I stepped over the suspect's body with my left foot and stepped down on the handle of the handgun. The suspect appeared to have a self-inflicted GSW to his head. I observed blood exiting from the suspects head and a large amount of blood pooling around the suspect's head. I conducted a pat down search of the suspect's midsection/pockets for any additional weapons.

During that time I could hear the suspect breathing heavily.

After the pat down search I assisted 2F31 with placing the suspect into handcuffs by rolling the suspect onto his stomach and removing his right hand from under his body.

At the instruction of 2W I placed the safety switch of the suspect's firearm to safe. I removed an additional handgun magazine from the suspects back left pocket and placed it down on the ground next to the handgun removed from near the suspect.

I stood by the suspect as Seattle Fire Department arrived at the scene. SFD requested that I remove the suspects handcuff restraints and I removed the handcuffs.

I was ordered by LT. Davis to return to the SW Precinct.

I returned to the precinct and uploaded my in-car video and completed this officer statement.

STATEMENT

On 05-30-12 at approximately 1105 hrs, I responded to a shooting at Cafe Racer (5822 Roosevelt Way N.E.). Upon arrival, Officer N. Jones and I set up the outer perimeter of the crime scene at Roosevelt Way N.E./N.E. Ravenna Blvd.

Officer Jones and I contained the outer perimeter prohibiting vehicles and pedestrians from entering the crime scene area. I also escorted several patients from 5900 Roosevelt Way N.E. (west side) out of the area to their vehicles. A female named Glenna Wilson then came up to me and said that her boyfriend (Donald Largen) had been inside Cafe Racer earlier today and she wanted to know if he was okay because he wasn't answering his cell phone. A witness to the incident, who personally knows Ms. Wilson and Mr. Largen, told me and Ms. Wilson that her boyfriend was one of the people that was shot inside the business. The witness told us that Mr. Largen was transported to Harbor View Medical Center. I obtained Ms. Wilson and Mr. Largen's information and told Detective Southworth about her. I gave Detective Southworth their information and she also spoke to Ms. Wilson.

Later a male came up to the outer perimeter area and made myself and Officer Jones aware that his girlfriend had been inside Cafe Racer and he wanted to know if she was okay. I told Officer Buxton, who was the primary officer on the call, about the male and he interviewed him and got his information. It did turn out the the female victim was the male's girlfriend.

I continued containing the outer perimeter not letting vehicles or pedestrians get into the crime scene area.

NARRATIVE

On 05-30-12 I was working Patrol unit 2 "Union" 14 and I had just sat down at the North Precinct for our daily "roll call". At approximately 1100 hrs emergency tones sounded over the air advising multiple shots had been fired with several victims struck at "Cafe Racer" located at 5822 Roosevelt Wy NE.

I could see first watch Officers running out to their cars and heading to the scene. I eventually found a patrol car and responded to the scene myself. Once on scene I assisted in securing the exterior with crime scene tape and was assigned as exterior scene security. After a couple hours of scene security I was asked to speak to a young lady who was told by a friend her husband was shot dead and left inside the Cafe. I spoke to her and her friend briefly, provided them with some water and gathered information about her husband Sgt. Wilske was soon able to come over, get her information and the address she will be at. They both were advised that it was to early in the investigation to provide her with the information she was requesting. They were both quite understanding and went to a near-by address to wait.

At approximately 1430 hrs SWAT request that Roosevelt Wy NE be closed to vehicular and pedestrian traffic at NE 50 St. I then responded to that location where I blocked southbound Roosevelt Wy while SWAT called out individuals from a home and cleared it in the 4700 blk. The road was opened back up to the public at 1546 hrs, shortly after a report of a self inflicted gunshot wound from the suspect.

I then returned to the command post until released and completed my statement.

On the above date at approx. 1100hrs, I was working as a uniformed police officer for the City of Seattle. I was assigned to work 1-John-31 in a fully marked Seattle Police patrol vehicle #89166. At this time SPD radio broadcast information of a poss. shooting with 4-5 people involved @ 5822 Roosevelt Way NE, Cafe Racer. I heard information that the suspect had fled NB from the business. I arrived in the area and was the 1st unit on-scene. I did not see any body on the street, or in the immediate area of the 5900-5700 block of Roosevelt Way NE. As I approached the 5800blk, someone from inside the business came outside and flagged me down and stated there were several persons shot inside. The person was on the phone with 9-1-1. person wasn't clear if the suspect was there, or not. I approached the front of the business and immediately observed one WM down on the ground just inside the doorway, bleeding from the head still breathing slightly. As I continued past him, I noted another WM down towards the doorway near the kitchen leading to some steps to a second level. This person had his head down towards the floor and door frame and his buttocks sticking upwards. He appeared to have a gunshot wound to his head. There was no movement from him. As I approached the kitchen and bar area, I observed two persons lying on the floor behind the counter, one WM and a WF neither appeared to be moving. I located the fifth person, a WM inside the kitchen area on the floor. He was alive and bleeding from what appeared to be his head / facial area. He attempted to get up and I advised him to stay down that medical assistance was enroute. I cleared the immediate areas and advised medic units to come in. There were several witnesses located inside the business. I removed them from the building and turned them over to back-up units. They were detained for the follow-up unit. The only location inside I couldn't clear was a 2nd floor door on the left of the stairs, I believe this was the businesses main office area. The door was locked. Medics responded and took three persons out for medical attention. Once the medic units removed the critical persons from the scene. I secured the scene and and posted someone at the entrance and denied entry until H/R arrived. I again made a swipe of the interior to make sure everyone was out of the building. I assisted SFD getting their equipment out of the crime scene, which they had left inside. I assisted putting up crime scene tape around the outside of the building. H/R arrived and took over the crime scene. I remained on scene and assisted as needed controlling entry/ exit of authorized person and logging them on a crime scene log. After being released from the scene @ approx. 1630hrs, I returned to the precinct and submitted this statement. EOS

On 5/29/2012 I was working as a plain-clothes detective from the Seattle Police Department Criminal Intelligence Section (CIS). At approximately 11:15 a.m. I learned of multiple victim shooting that occurred at NE 58th St/Roosevelt Way NE, Seattle. I responded to the CIS office and began gathering available intelligence using public and police databases based on information provided by Homicide Unit detectives and police commanders from the shooting scene. I also learned of a second car-jacking and shooting near 8th Ave/Seneca St, Seattle.

At approximately 2:30 p.m., at the request of Assistant Chief McDonough, I responded to the area of the first shooting on Roosevelt Way NE with another CIS detective, R. Belshay in my plain vehicle. Chief McDonough asked me and Detective Belshay to respond with SPD SWAT to 4723 Roosevelt Way NE, Seattle, a residence that was possibly connected to the suspect from the Roosevelt Way NE shooting. Upon my arrival with Detective Belshay, I observed SWAT preparing to approach the house to conduct a surround and call-out of the occupants of the home. After SWAT took three males into custody that had exited the residence at SWAT's request, I took custody of these males in the 4700 block of Roosevelt Way NE in the parking lot of Bombay Indian Restaurant. The three males from the house were identified as Ian A. MacKenzie W/M [REDACTED] 1984 (206) 240-344-2783; Matthew R. Anderson W/M [REDACTED] 1985 4723 Roosevelt Way NE, Seattle (206) 387-7531, Employed at Costco Kirkland, WA and Lance C. Waldron W/M [REDACTED] 1984, 4723 Roosevelt Way NE, Seattle, (206) 931-3310, Employed at Costco Kirkland, WA. I was advised the suspect in the shooting was identified as Ian L. Stawicki W/M 9/16/1971. SWAT officers determined Stawicki was not inside the residence. Additionally, Homicide detective R. Norton arrived to the scene and interviewed the three subjects and determined they were not associated with the homicide investigation. The subjects were subsequently released and allowed back in their residence. As I was preparing to leave this residence, I heard via police radio there was a shooting near SW Raymond St/36th Ave SW, Seattle. I responded along with the SWAT officers to this location to assist investigators including Detective Scotty Bach who had initiated the contact with self-inflicted shooting victim, Ian L. Stawicki W/M 9/16/1971. Detective Bach advised me he was confident the shooting victim was Stawicki. I also learned from Homicide investigators that Stawicki was the suspect in the earlier car-jacking shooting from 8th Ave/Seneca St, Seattle.

I then responded to the CIS office and completed this statement.

On Wednesday, May 30, 2012, I was working as a police officer for the City of Seattle in the County of King. I was in uniform and driving a fully marked SPD patrol car (099231). My call sign was 1U32.

At approximately 1101 hours I was at the North Precinct completing a property damage report (2012-166995) when I heard a broadcast over North Radio that someone had been shot at 5822 Roosevelt WY NE. I responded from the North Precinct (The patrol car I drove to the scene, 099231, had already been logged off. Once I had the opportunity I relogged to the patrol car and my DICV was turned on.)

I drove lights and sirens taking I5 southbound to the N 72 ST exit. I drove east to Roosevelt and southbound on Roosevelt to NE Ravenna BLVD, where the first responding units had the street blocked off. I immediately started a roving containment looking for anybody matching the description of the suspect: WM, M30S-40S, 6'0 THIN TO MED BUILD, BRO HAIR, FACIAL HAIR POSS GOATIE OR BEARD, BLK JACKET, BLK/WHI PLAID SHIRT WITH A WHITE COLLAR, DK PANTS - SEEN CARRYING A PISTOL.

I heard the scene commander Sergeant Arata request 3 units to follow Seattle Fire Medics carrying victims to Harborview Medical Center. I volunteered and responded to NE 58 ST/Roosevelt WY NE. SFD Medic #31 left the scene and I followed to HMC.

The victim was taken into resus #2 in the emergency department. East Precinct officers were already on scene at HMC upon my arrival. I was relieved by Officer Pisconski at the hospital.

I returned to the North Precinct where I completed this Officer Statement.

OFFICER HAAG #6051 STATEMENT
STATEMENT**

On 05-30-12 at approximately 1100 hrs while in uniform as marked patrol unit 1L32 I responded to a shooting with subjects down at the Cafe Racer at 5822 Roosevelt Wy NE. I arrived at the scene a short time later. At the scene I went inside to assist in securing the scene. Inside I observed two subjects down on the floor with gunshot wounds. One subject was laying near the doorway and another was in the hallway adjacent to the bar area blocking the stairway leading upstairs. I then checked the dining area adjacent to the bar area and found two females hiding under a table. I directed the two females outside through a door adjacent (north) of the main entrance. I then proceeded to check the upstairs area for suspects. There were several rooms upstairs I checked. The upstairs area checked clear. I then stood by while fire came into the scene to treat the victims. I then secured the building crime scene area with crime scene tape. I was then tasked with shadowing Sgt. Arada and Lt. Clavadetscher to keep a time log of events as they occurred. I then returned to the precinct to write this statement.

On 05/30/12, at approximately 1140 hours I (Officer Jones 7567), working 2L3 responded to a "Shots Fired" call at 5822 Roosevelt Wy Ne.

Upon responding to the scene, I secured a traffic post at Roosevelt Wy Ne/Ne Ravenna Av. I utilized my vehicle (with lights and sirens) to stop southbound traffic on Roosevelt Wy Ne. While ensuring scene security, a citizen (later identified as WITNESS: BOURDREZ, CHRISTIAAN) approached the yellow police tape and stated that he could possibly identify the individual that "police were looking for." W/BOURDREZ advised that he knew an individual named "Ian" who frequented his bike store (located at 6029 Roosevelt Wy Ne) as well as the Cafe Racer (located at 5822 Roosevelt Wy Ne). W/BOURDREZ advised that "Ian" was a "little off" but "fairly nice." He also advised that he often frequented the Cafe Racer at 1030 in the morning, because he was able to drink alcohol early. He had been asked to leave the establishment before and was quite certain that this was the man police were actively looking for. W/BOURDREZ described him as a W/M, 6', thin build, who wears dark clothing and has an attractive looking girlfriend, who drives a nice car. W/BOURDREZ did not witness the shooting this morning however, he wished to pass on this information, in hopes that it would help the police in our investigation.

W/BOURDREZ was provided with a business card and advised to contact police if he needed any further assistance.

NARRATIVE

This incident was recorded on in-car video.

On 05-30-2012 I was working in full uniform and in a fully marked seattle patrol car. I had just finished dealing with a car accident and heard Officers go out on a suspicious at about 37th Av SW and SW Raymond St. I believed it was associated with the recent shootings elsewhere in Seattle.

I started rolling that way when I heard officers call shots fired. I responded to 37th and SW Raymond St, and decided to back up to 36th Av SW and SW Raymond to control access from the East.

I controlled that access until I was asked to drive Ofc Flores' car back to the precinct. I did so, returned to the scene, picked up my car, and returned to the precinct to complete this paperwork.

On 5-30-2012 I was working in full uniform, in a marked SPD patrol vehicle, as unit #471. At about 1202hrs I heard Ofc. Nicholson report finding the vehicle taken during a shooting incident, from 8 Av/Seneca St. (SPD case #12-167046), in the 4100bl of Delridge Way SW. I responded to the area of Delridge Way SW/SW Genesee St. and observed a newer black Mercedes vehicle parked along the east curb, in front of 4151 Delridge Way SW. I noticed the vehicle's hazard lights were activated.

I assisted securing the scene and establishing a perimeter. At one point, a male came out from 4151 Delridge Way SW and stated his mother had seen the person who parked the Mercedes. This male later identified himself as Whitaker, Dennis U. W/M [REDACTED] 1981. Whitaker had his mother come out and she identified herself as Wood, Julia K. W/F [REDACTED] /1955, 206-453-5786.

W/Wood said she saw a w/m park the Mercedes on the street in front of her house, and walk to a staircase across the street (East side of Delridge/SW Genesee St.) Wood said the male had black hair, but she couldn't see his face. She said it was definitely a male, and that he had a brown backpack and was carrying something in his hands. She stated she last saw the male walk eastbound up the staircase.

A search for the suspect in the area was negative. I later took up a containment position at 4028 Delridge Way SW while the residence was checked.

At about 1544hrs I responded to the area of 37 Ave SW/SW Raymond where the suspect was seen walking. I arrived at 37 Av SW/SW Graham St. at about 1559hrs to secure the outer perimeter of the scene. I remained at that location until relieved. End of Statement.

On 05/30/12 at approximately 1100 hours I was working as a uniformed patrol officer unit 1J1, in the City of Seattle. I was dispatched to the report of shots fired with multiple casualties at 5828 Roosevelt Wy NE-Cafe Racer.

Upon arrival I deployed my patrol shotgun and proceeded to the front of the business where I witnessed a victim approximately 3-4 feet inside the south door face down with an apparent head injury. The victim was gargling blood and appeared to still be trying to breathe. I could then see Ofc. Haag #6051 inside the northern half of the seating area, he caught my attention and I then entered the business.

Once inside Ofc. Haag pointed out two female witness who were hiding under a table against the back wall. I then walked over to one of the females, Witness/Andrews-Smith who was visibly shaken and reluctant to come out of hiding. We then escorted the two women out the north front door and sat them on the bench outside.

u/skeletor thagawd

W/Smith-Andrews was crying and upset, I instructed her how to control her breathing and she was able to calm herself enough to speak to me. While another Officer spoke to the other female witness I began to question W/Andrews-Smith about what she had seen. The witness stated that she was sitting near the south entrance with her back to the door when she heard a pop that she likened to the sound of a champagne bottle. She then turned to see what was going on and saw the profile of a man that she described as very tall and skinny with a dark beard wearing a denim shirt.

W/Andrews-Smith stated that she saw a handgun in the suspects hand that she described as large and square. She stated that she ran to the back door but was unable to open it so she took cover under the table with the other female witness. I had to stop several times to comfort W/Andrews-Smith as she would begin to weep. W/Andrews-Smith said that she then saw the suspect walk calmly out and northbound on the side walk in front of the cafe. W/Andrews-Smith stated that her car was being repaired down the street and she was just waiting in the cafe. I then stood by with the two witnesses until detectives arrived. I asked the two women not to speak to each other about the incident. A few Moments later a robbery detective escorted the two women away to be interviewed.

I was then tasked with keeping the crime scene log. I began recording the

At approximately 1330 hours I was relieved of log duties by Ofc. Mahar #5992. I then returned to the North Precinct where I uploaded my in car video and completed a statement.

STATEMENT**

This incident was DVR'd.

On 05/30/2012, I was working uniformed patrol in a marked patrol vehicle as 2-Frank-21 in the City of Seattle. I was informed of a shooting that had occurred in North Seattle at a coffee shop earlier today (See SPD EH 2012-167022) A little while later, dispatch announced that there had been another shooting at 8 Av and Seneca St (See SPD EH 2012-167046). The suspect had left in a Black Mercedes SUV with WA License Plate 348VWV.

At approximately 1202 hours, I was traveling southbound in the 4100 block of Delridge Wy SW. I observed a Black Mercedes SUV with WA License Plate 348VWV a vehicle facing southbound on the west side of the street with their hazard lights on. It took me a second to register that was the description of the suspect vehicle from the 8 Av and Seneca St and I drove past the vehicle. I then did a U-turn and got behind the vehicle again. I called out that I was with the suspect vehicle in the 4100 block of Delridge Wy SW. I saw Officer Askew arrive with me. I heard Officer Kim and Officer Luckie also arrive with us. Officer Askew, Officer Kim and I cleared the suspect vehicle while Officer Luckie was a cover officer watching surroundings. The vehicle was clear of any suspect(s). I observed a firearm that appeared to have an extended magazine sitting on the driver seat.

I stood by at the scene as containment while K9 did area search for the suspect. While on containment, some residents came out of 4151 Delridge Wy SW stating they had observed the suspect park the vehicle in front of their residence, run eastbound across the street, and up some stairs just south of 4408 Delridge Wy SW. Officer Mazzuca got their information.

After Officers and K9 did an area check for the suspect with negative results, I filled out the vehicle report form to impound the suspect vehicle to take it to the processing room. I requested a tow for the suspect vehicle. I followed the suspect vehicle to the processing room. The tow truck driver (Fischer, John from ABC Towing) was having issues with getting the vehicle off of the tow truck because of the suspect vehicles wheels being locked. Fischer had to push the vehicle to get it into a parking spot. Fischer had gloves on, but was concerned his fingerprints or DNA may possibly be on suspect vehicle.

HOMICIDE-PREMEDITATED-GUN**STATEMENT****NARRATIVE**

Today I was assigned to as patrol unit 2L1. I was in full SPD uniform and driving a marked SPD vehicle..

I was in Roll Call at 1100 hours when radio broadcast a shooting at 5822 Roosevelt Way NE. Radio stated that there were multiple shooting victims at the scene. I saw Officer S. Clark #5987 as I was leaving the precinct and we decided to double up.

I drove to the 5800 block of Roosevelt Way NE and dropped off Officer Clark. Sgt. Arata immediately assigned me to follow a medic unit to HMC. The medic unit was transporting a W/M victim 46 years old. SFD personnel referred to this W/M victim as Patient #2. SFD stated that Patient 2 had a gun shot wound to his head...possibly a total of three gun shot wounds.

As I arrived at HMC the Chief Dispatcher broadcast another shooting at 8th and Seneca Street.

I did follow that unit to HMC and I recovered Patient #2's clothing in the ER. I gave the clothing to Officer Gardner from the East Precinct. I also recovered clothing from the 30 YOA W/F referred to as Patient #3. SFD was administering CPR on Patient #3 upon arrival at HMC. SFD reported that she had sustained both head and shoulder wounds. I recovered a piece of her clothing as well, and gave it to Officer Gardner for processing.

East precinct took over the HMC coverage and I responded back to the command post.

Once at the Command Post, Sgt. Nelson of homicide requested that I get thorough descriptions of both shooting suspects. I called the CD and received descriptions of the suspect for each of the two shootings. I gave those notes to Sgt. Nelson.

Next I was assigned to assist Sgt. Arata with handling multiple radio frequencies. Lt. Rassmussen had several Sergeants and Officers split into teams to do a house to house search. I remained with Sgt. Arata and his team. Officers Haynes, Montoron, Stevenson, Feldman and two UWPD officers were assigned to Arata (Northwest). I documented the addresses and names of the people that we made contact with. I will list all of those on a separate supplemental.

While we were doing the search, W [REDACTED] and W [REDACTED] made contact with Officer Stevenson. I went to assist him. W [REDACTED] stated that her husband was one of the victim's of the shooting. She said that she assumed that he was dead but did not know for sure. I believe that she said her husbands name was [REDACTED]. [REDACTED] told us that she figured that the shooting suspect was a guy that she and her husband met at Cafe Racer on Friday May 26th. [REDACTED] said that the male was white and around 6 feet tall. [REDACTED] said that she and her husband invited him to their home at [REDACTED] 8th Av. NE to watch DVDs. [REDACTED] said the male went by the name of "Ian" and "Icky Wicky". [REDACTED] said that there was a point when her husband had asked Ian to leave their home because he began acting very strangely and spoke about eating the livers of police officers. [REDACTED] last saw the suspect on Friday at 16-1700 hours. [REDACTED] said that her roommates told her that Ian had shown back up at the house since then but had not been allowed inside. [REDACTED] was fearful that Ian might be at her house hiding right then. Our team responded to her house and it checked clear for the suspect. I relayed the suspect information that [REDACTED] gave to me to Sgt. Nelson by phone.

Our team then resumed our house to house search after clearing [REDACTED] house.

Eventually my team was sent back to the command post. We were advised that the suspect had killed himself in West Seattle. Sgt. Arata told me to return to the precinct and complete my statement.

Once we arrived at the SPD Homicide unit I stood by with the witnesses until I was asked to drive three of the five back to the scene.

I had to drive to the Art Institute of Seattle so one of the witnesses could get his car keys. After picking up the keys I drove the three back to the scene at NE 59 ST / Roosevelt WY NE.

Once at the scene I stood by with two of the witnesses and later escorted the remaining two witnesses to their cars.

I had no further contact with any of the witnesses.

Multiple West Precinct units responded and it was not confirmed at time of this statement if that event was related to a reported shooting at 5828 Roosevelt Way NE that had occurred at 1101 hours. As casualties from the North Precinct incident began arriving at HMC, 2E requested an additional unit to respond there. As no Edward Sector units were currently available to respond, I advised radio that I would be enroute to HMC. Upon my arrival, I was assigned to scene security at the West ramp of the Emergency Room sallyport. I maintained my assigned position until relieved by 2E at about 1350 hours. I responded to the East Precinct and completed this statement.

OFFICER STATEMENT

STATEMENT

On 5-30-2012 at approximately 1100 hrs. I responded to 5822 Roosevelt Way NE. Radio was reporting that a citizen had called 911 and stated there was a shooting at this location. I was working a uniformed patrol unit, 1U23. While enroute to the call, radio notified units that there were victims down at the Cafe Racer, 5822 Roosevelt Wy NE. I arrived on scene with Ofc Bright and Ofc D. George. I went to the front door of Cafe Racer and noticed a W/M laying on the business floor, bleeding. Witnesses began to rush out of the business. I made contact with Dowd, John J. W/M [REDACTED] 1961. (5033 Brooklyn AV NE #3 C:206-422-1682). W-Dowd stated he was in the rear of the cafe and heard shots fired. He went into the bathroom and locked himself in. He realized that he had forgotten his phone. He hid in the restroom until it was all quiet and then snuck out and grabbed his cell phone and called 911. I then made contact with Hill, Evan C. W/M [REDACTED] 1983 (5822 Roosevelt Way NE C;206-257-8209) W-Hill stated that he lives upstairs, above Cafe Racer. He stated he heard 4-5 shots. He ran outside and called 911. He did not see anyone leave the Cafe. I then contacted Barbeyto, Evan A. [REDACTED] 1987 (21079 120th Pl SE Kent, WA. C:206-412-5380). W-Barbeyto stated that he was sitting at the bar, about to eat. He heard shots and dove into the kitchen area. He stayed down until it was all quiet. He did not get a look at the suspect. I stood by on the inner perimeter with the witnesses I had spoken with. I was then directed to another male who came out of a nearby business. He was identified as Jensen, Scott W. W/M [REDACTED] 1962. C;425-772-7227. Jensen stated that he was inside the Cafe Racer just prior to the shooting. He had just returned to the guitar store and saw officers arriving on scene. He did not see the suspect. I returned to the inner perimeter and stood by with witnesses until Homicide Detectives arrived and began to interview witnesses. I remained on scene until relieved by Lt Rasmussen. END

My name is Randy Yamanaka: I am an SPD Acting Lieutenant for 2nd watch East precinct. I was working uniform patrol unit #242. This is my routine assignment. I have 26 years of police experience. At approximately 1100 hrs, a shooting call at 5822 Roosevelt Wy NE was broadcast by SPD radio. Radio advised there were multiple victims. I responded from the East Precinct. Much of the response was an emergency code run, so my in-car video was activated. I called for a k9 response and containment while enroute. I arrived in about 6 minutes. There were several units already there, and I parked facing southbound on Roosevelt, about 1/2 block north of the location. I approached on foot. I did not enter the establishment but I looked inside and saw medics giving emergency aid to a victim just inside. I spoke to many officers. I learned there were 5 victims. (My car was shut off, and my video cam died when the battery shut down- after about 11 minutes or so of video.) There was a trail of blood coming out of the front doorway. I wanted the area cordoned off with crime scene tape and I had an officer begin the process (Officer Haag). I moved some of the witnesses away further away from the doorway, a little further north from the door. I had a sergeant from the East Precinct respond to the hospital (HMC) along with some East Precinct officers to assist with the wounded. I asked for one officer per victim. I then assisted Lt Clavadetscher as a logistics chief, monitoring incoming and outgoing personnel and making assignments. Officer Tyler Getts assisted me with this process.

Ms. Warner / Ms Ayco-

The room is a room used for our line-ups on the 7th floor of the CJ Building. It is approximately 40' L x 20' W, which at that time, had approximately 5 or 6 rows of 5 or 6 chairs for seating for approximately 25 people (they have recently revised that area to contain rows of tables & chairs). As you walk in the door the chairs were in rows, to the right, about 8-10' from the door opening. Just to the left of the door, approximately 1-2', there is a floor-mounted bank of lights, maybe a foot tall, that run the width of the room that are used to highlight the prisoners that are brought in a separate door and maneuver in the area about 6' wide behind a back wall and the lights, which are mounted to prevent the prisoners from seeing out in the gallery,

Hi!

u/skeletor_thagawd

You probably don't remember me, but we've been involved with WARN and WashACT. I am reaching out to try and get some information to the owners of Café Racer about our crime scene cleanup program. The company that does this for us has volunteered to do the crime scene cleanup whenever it is appropriate for Café Racer. Here is a link with general info about the program, but Café Racer is "preapproved," so to speak. <http://www.wccva.org/crimescencleanup.htm>

If you know anyone involved and could forward this information to them, I would appreciate it. If the owners are interested, please have them contact me at the numbers below.

Gentlemen,

The lady who gleans our 72 hr board for the West Seattle Bog was in the SW Pct talking with Sue Campbell (pct Secretary) yesterday when she mentioned that a "Patrick from the bog had gotten call on the afternoon of the manhunt from an "Ian" with whom he is acquainted.

According to her, Patrick turned down Ian's request for a ride. Patrick was wondering if that Ian might have been our shooting suspect (Stawicki).

Thought you guys might want to know this. It might show that the suspect was soliciting rides via cell phone for a ride out of the containment area. This may no longer matter, but if you want to check it out - enjoy.

I just spoke with Scott Enright (CIT Detective) and he did a search earlier on Stawicki as far back as RMS/Versadex would allow and there was no history with our department as far as mental health issues. He contacted the MHP's today (at my request) and they have no records of Stawicki or any records that his family reached out for help with him either. Scott will get a hold of the VA on Monday to see if there is any record with them, but it's not likely that they will divulge that if there is.

Also, on his 2008 DV case it was dropped because of victim not cooperating and no one brought up any mental health concerns during that time.

Stawicki bought plant for former teacher during manhunt

While police were looking for him in the wake of two fatal shootings, Ian Stawicki went to a nursery where he purchased a blueberry bush, according to police.

Police believe it was Stawicki who opened fire at Cafe Racer around 11 a.m. last Wednesday, wounding five people - four of them fatally. The same man is believed to have shot and killed a woman in a parking lot in the First Hill neighborhood before taking off in her Mercedes SUV.

Police soon found that car abandoned in West Seattle. But Stawicki himself wasn't spotted until approximately 4 p.m. When approached by police, he turned the gun on himself. He died several hours later from his injuries.

So what did he do during the hours between the shootings and his surrender? It appears he went shopping at West Seattle Nursery and Garden Center.

Police cannot confirm his whereabouts or his actions; however, nursery manager Marcia Bruno said she received a phone call from detectives who said they found a receipt that shows Stawicki had purchased the blueberry bush and two packets of seeds from the store around 1:40 p.m. Wednesday.

"I was actually speechless," Bruno said.

The employee who sold Stawicki the plant told Bruno she remembered him, but said he was "creepy" and she did not chat with him at length during the transaction.

Another employee said she helped Stawicki select one of the last blueberry bushes of a desired type.

"I showed him that we had two left," said employee Corinne Kennedy. "And I said, 'Well, this one is a lot better than the other one.' And then I said, 'This is your lucky day.'"

The nursery also received a phone call from a West Seattle woman who said someone had left the plant and seeds with a "creepy note" on her doorstep that day.

"We got the phone call the next morning of the recipient of the blueberry," Bruno said. "She was freaked out."

Patricia Guenther, a former teacher of Stawicki's, issued a statement on Monday stating the gift came as a complete surprise:

"When I arrived at my home from work on Wednesday evening, May 30, I discovered a bag containing a blueberry plant and seed packets from the West Seattle Nursery, along with a pre-printed commercial thank you card (not personalized or signed) in a bag on my porch. I live in the North Admiral area of West Seattle.

There was no identifying information on the items and I did not know who left them there. I later learned that these items were purchased by Ian Stawicki, the shooter in the recent North Seattle and First Hill shootings, who was a former student of mine.

I have not had contact with Ian Stawicki since he was in my Summit K-12 School classroom almost 25 years ago, and I was surprised to learn that he was the source of the bag that was left on my porch.

I was in communication with the Seattle Police Department and the items were turned over to them.

No person, no neighborhood, no community is immune to being touched by tragedy. Please be compassionate with each other as we each process this recent heartbreaking event in our city in our own way.

I have no additional information and I ask that the media please respect my privacy."

Bruno said news of Stawicki's visit to the store has left her alarmed.

"I definitely lost sleep two nights thinking about what could have happened," she said.

The incident has hit especially close to home for Jenn Patrick, who works at the nursery and frequents Cafe Racer where she often saw victims Drew Keriakedes and Joe "Vito" Albanese.

"You know, they were our Cliff and Norm, like from "Cheers" on the bar stools, like always there, being them, she said.

Despite the harrowing tragedy that left four cafe patrons dead, Patrick said she will not stop visiting the cafe.

"The second it opens, I'll be there," she said.

When Seattle police officers met Jason Yori years ago, circumstances weren't ideal.

From the corner of Seventh and Pine where he regularly stands with a sign, the now-sobor Yori shares stories of the drugs, alcohol and homelessness that made officers know his name. There were times they almost locked horns, he admits.

That's why some officers who responded Wednesday morning to the shooting at Eighth Avenue and Seneca Street said Yori's actions were so moving.

He had been in Freeway Park and was around the corner from the Town Hall parking lot when he heard a gunshot.

Gloria Leonidas, a married mother of two, had dropped off a friend and was planning to rejoin him after paying to park when Ian Stawicki - a man on a murderous spree - approached and began beating her.

Leonidas fought for her life, and Stawicki's .45-caliber handgun jammed. At one point, police say, she knocked it to the ground. While another bystander was talking to a 911 dispatcher, the fatal shot rang out.

"I ran up to her right away and there was just a massive pool of blood there," said Yori, 58, who helped along with other bystanders. "I didn't know anything about her, so I spoke to her as a human being who was in the wrong place at the wrong time."

The Navy veteran said he gave her last rites.

"I felt really special to be able to do that - for us to be there when nobody else was there with her," said Yori, 58.

He saw Leonidas' black Mercedes-Benz SUV drive off, but didn't get a good look at Stawicki driving it.

Joann Stremier, who was on her way to the freeway from Virginia Mason, said she made eye contact with the suspect, who gave her the finger. Stremier said she left her car running and attended to Leonidas, as did another woman and her husband.

"Her eyes were fixed and dilated," Yori said, "and when your eyes are fixed and dilated there's no sense in going further."

But bystanders and medics did.

As Yori held Leonidas, a woman in scrubs gave CPR, he said. Stremier said she and that woman both tried to resuscitate the Bellevue mom. Medics rushed her to Harborview Medical Center, but police said it was clear to the first-arriving officers that she wouldn't survive.

Detectives also recognized early similarities - the handgun caliber and parts of the shooter's description - between the Town Hall scene and Cafe Racer, where five others were shot.

A police supervisor who recognized Yori told him to leave, not knowing he was trying to help. Another officer who also recognized Yori next to the victim asked him to keep onlookers away from the crime scene, which he did. He also stayed to give officers a statement.

"Once the gun went off, it echoed for what seemed like minutes," Stremier said.

Yori, who grew up a self-described military brat in Europe, said he came here years after his wife died in 1986 and was drawn by the movie "Sleepless in Seattle."

But he's often slept on the streets or in Dumpsters for cover. His history includes three confirmed felonies, all drug cases, and a criminal trespass conviction.

Once, years ago, before Yori became sober, he was giving CPR to another man. A friend watching told him to leave because the cops were coming and things could end badly.

"I said, 'No, man. You don't do that to somebody.'"

Yori's no longer on Department of Corrections supervision, and said he's working to set up a tent city for homeless veterans. Still, he wasn't sure how some police would respond to him at the Eighth and Seneca shooting scene.

Officers with the Department of Corrections' Northwest Community Response Unit, which handled Yori's case in rougher times, said his actions were commendable. Yori gives them credit, too, for helping him stay sober and conviction-free for years.

After giving Leonidas last rites, Yori went to his church, Seattle First Presbyterian on Eighth Avenue, and prayed for her. Later that night, he went to sleep as he usually does in the church's doorway.

Told Thursday she had two young children, Yori's striking blue eyes welled with tears.

"I got to thinking, what would it be like to come home expecting your wife to be there, expecting your mom to be there and all of a sudden, she'd been shot.

"That reaction, you feel so helpless. Absolutely helpless."

SEATTLE—

The man who killed five people in Seattle sat quietly in Cafe Racer after being denied service "until the first victim stood up" to leave and then he opened fire with a .45 caliber handgun and just went "down the bar" shooting customers, Assistant Police Chief Jim Pugel said Thursday.

Two people in the cafe were killed immediately and two others died later at Seattle's Harborview Medical Center. The gunman — who police said had two .45 caliber handguns — later killed a woman in a carjacking near downtown Seattle Wednesday before he shot and killed himself.

"In my almost 30 years in this department, I've never seen anything more horrific, callous and cold," Deputy Police Chief Nick Metz said.

Pugel said the gunman, Ian Stawicki, 40, of Seattle, "had been kicked out [of the cafe] once at least, possibly two times," for what police said was his "erratic behavior" and was seen on video being denied service the day of the shootings.

Pugel said there was "a hero" in the cafe who threw a stool at the gunman when he started firing, disrupting the killer long enough for at least three people to escape the cafe unharmed.

"He [the hero] was able to escape and provided critical information" to police, Pugel said.

The assistant chief declined to identify the man for privacy reasons, saying "if he wants to come forward, he will."

But the Seattle Police Department later identified him by his first name, Lawrence, and provided details of an interview they conducted with the longtime Cafe Racer customer on the SPD Blotter online.

Lawrence said he was sitting in the cafe when Stawicki walked through the door just before 11 a.m. Wednesday. "Just before it happened, I was looking at [Stawicki]. He'd just been told he was 88'd [from the cafe] in a very polite manner."

After looking down at his cell phone, Lawrence said, he heard a "pop, pop, and people scrambling. I couldn't make sense of it. I didn't expect the gun to be that quiet."

As Stawicki fired, Lawrence grabbed a bar stool and threw it at Stawicki. "I just threw the frigging stool at him, legs first," Lawrence said. "My brother died in the World Trade Center. I promised myself [that if something like this ever happened] I would never hide under a table."

Stawicki "looked at me like he didn't [care] at all," Lawrence said. "He just moved towards the rear of the bar instead of dealing with me at all, and I just brushed past him. He was on a mission to kill my friends."

"I wasn't a hero," Lawrence said, noting that a cafe employee who was wounded in the shooting was able to call 911. "He's the hero."

Lawrence said he's just trying to recover from the tragic events. "Yesterday I was all adrenaline," he said. "Today, my friends are dead. I'm just grieving right now."

Lawrence said he's not ready to do interviews with the press and asked for privacy as he grieves for his friends.

Pugel said that when the gunman completed the shooting, "he puts his guns away, takes a hat from one of the victims and walks out."

A Seattle police statement said Stawicki shot several of the people in the cafe "at close range, execution-style."

"This is completely senseless," Pugel said of the shooting, adding that the Stawicki contacted a friend later, the friend said "he was talking nonsense — he was making no sense at all."

The Seattle Times reported that the man's brother, Andrew Stawicki, 29, of Ellensburg, said in an interview that his brother was mentally ill.

"It's no surprise to me this happened. We could see this coming," the brother was quoted as saying. "Nothing good is going to come with that much anger inside of you."

Police: Seattle shootings were like an execution

Suspect gave the finger to people helping woman near Town Hall

By CASEY MCNERTHNEY and SCOTT GUTIERREZ, SEATTLEPI.COM STAFF
Updated 06:32 p.m., Thursday, May 31, 2012

When Ian Stawicki entered Cafe Racer about 11 a.m. Wednesday, staff there recognized him from being thrown out, police said, and reminded him of that.

The 40-year-old Ellensburg native lingered a bit, then walked near the door.

He pulled one of his two pistols and shot his first victim in the back of the head. The man's body blocked the door, taking away an escape route.

One man fought Stawicki, throwing a barstool at him and using another barstool to fight him. He was a hero, Seattle Police Assistant Chief Jim Pugel said, because that allowed two or three people to escape through the door the shooter had blocked.

Stawicki then went near the bar and shot the others execution-style, police say. As he left, Stawicki took a hat from one of the victims.

"He wasn't trying to get any one person. He was trying to get everyone," Pugel said.

Deputy Chief Nick Metz, who reviewed the video, said that in his nearly three decades with the department, he'd "never seen (anything) more horrific, callous and cold." The department is not releasing the surveillance footage.

Stawicki wounded five people, including two who died at the scene, and sparked an hours-long manhunt that spanned several neighborhoods. It was the worst Seattle killing spree since 2006, and by the end of the day the city had surpassed the homicide total for the entirety of last year.

Audio from 911 calls is included in the photo gallery above. One man who called from Cafe Racer saved himself by hiding in the bathroom. The calls are disturbing; reader discretion is advised.

"I just threw the frigging stool at him, legs first," the man who challenged Stawicki, described only as Lawrence, told a department spokesman. "My brother died in the World Trade Center. I promised myself, if something like this ever happened, I would never hide under a table."

Two victims, Drew Keriakedes and Joe Albranesse, died at Cafe Racer in the 5800 block of Roosevelt Way Northeast. Two others shot there died later at Harborview Medical Center. A fifth victim, Leonard Meuse, survived surgery and was in critical but stable condition late Thursday, a Harborview spokeswoman said.

Among the dead from Cafe Racer was Kimberly Lynn Layfield, whose identity was confirmed Thursday morning by a newspaper in her hometown of Albany, Ga.

Gloria Leonidas, a married mother of two from Bellevue, was killed later when Stawicki -- fleeing from police -- confronted her, shot her in the head and stole her black Mercedes-Benz SUV from a parking lot at Eighth Avenue and Seneca Street, police said.

Investigators now say they believe Stawicki took a truck from the Ravenna neighborhood and dumped it somewhere near Eighth and Seneca.

Leonidas had dropped off a friend when she was confronted by Stawicki, who started beating her before shooting her in the head. Police say she knocked the gun from his hand before he fatally shot her.

A 911 caller told a dispatcher that Leonidas was also run over. A man and woman walking in the area came to Leonidas' aid.

As Stawicki sped away, he gave them the finger, investigators said.

Police and bystanders tried to help Leonidas, but she was pronounced dead at Harborview, where two more of Stawicki's victims died late Wednesday.

Suspect's history with police

Stawicki had prior contacts with police but a relatively short record.

Police say he had charges for domestic violence interference, fourth-degree assault, malicious mischief and a 1989 Seattle case for unlawfully carrying a weapon. But court records show only a 1995 case for driving with a suspended license, which resulted in an adverse finding.

A Seattle case from February 2008 included charges for domestic violence interference, assault and property damage. The charges were dismissed because the case lacked clear proof.

In that case, police officers were called to the Magnolia home of Stawicki and his then-girlfriend to find the victim with a bloody nose and crying. She told police he struck her and destroyed several of her belongings, and that in recent months, he'd begun breaking things and flying into rages, according to the police report.

But the victim later recanted her story. "Ian Stawicki never assaulted me on Feb 27, 2008 or at any other time. He never punched me or hit me in the nose, face or any part of my body," she wrote in the statement.

"I suffer from frequent spontaneous nose bleeds and was experiencing such a spontaneous nose bleed on Feb 27 2008," she wrote. "The police must have thought this nose bleed was the result of an assault by Ian Stawicki. I told police that my nose bleed was spontaneous and not the result of any assault, because no assault occurred."

Stawicki was issued a concealed weapons permit in August 2010 and had listed six handguns in his ownership, including three 9-mm and three .45-caliber pistols, according to records released by the Seattle City Attorney's office.

Police said the two .45-caliber, semi-automatic handguns Stawicki carried Wednesday were legal. Police were working with the Bureau of Alcohol, Tobacco, Firearms and Explosives to trace where the guns were purchased, and whether they were stolen or involved in other crimes, Pugel said.

Unaware that Stawicki had moved south after the Cafe Racer shooting, police with high-powered rifles combed through the neighborhood around Roosevelt Way Northeast. Police fielded numerous calls from neighbors who saw someone they thought could be the shooter. Anxiety was high as police told residents to stay inside.

Nearby Roosevelt High School was among several schools on lockdown.

About 3:15 p.m., police distributed surveillance images of Stawicki from moments before the Cafe Racer shooting. Investigators say his brother, also an Ellensburg native, identified Stawicki for police.

Stawicki drove Leonidas' black SUV to West Seattle, police said, roamed in crowded areas for some time and contacted an old acquaintance. That acquaintance was unaware of what had happened, but thought Stawicki was acting erratically and speaking nonsense. That former acquaintance contacted police after they heard about the shooting.

Shortly after 4 p.m., a plainclothes officer spotted Stawicki near 36th Avenue Southwest and Southwest Morgan Street, and called for backup.

As uniformed officers approached Stawicki, he knelt on the ground and shot himself in the head.

The investigation is still ongoing and detectives have not released any motive in the slayings, though Cafe Racer regulars said Stawicki was known for being drunk and picking fights with bar musicians. He had been told not to come back.

Homicide detectives are working to obtain Stawicki's medical records.

21 homicides in Seattle this year

The slayings pushed the number of homicides in Seattle this year to 21 – one higher than the annual number of reported cases from all of last year. However, police statistics list 21 homicide cases last year because the investigation into the death of Michelle Thornton, a woman who died Dec. 30, 2010, began the following month.

Wednesday's shooting spree came less than a week after a father was fatally wounded in front of his children by an errant bullet in the Central District. Last Saturday, another innocent bystander was shot in the right leg near the Space Needle. The following day, Seattle had five drive-by shootings and a fatal home-invasion shooting.

The number of Seattle homicides peaked in 1994 when there were 69, according to department data.

Standing with other city leaders Wednesday afternoon, Mayor Mike McGinn said it's the police department's "highest priority to identify the strategies to try to bring an end to this wave of gun violence."

But with no suspects identified in the Central District shooting, and the lack of cooperation hindering dozens of unsolved Seattle shooting cases – both from this year and previous years – some Seattle residents question whether a solution can come quickly.

Grief hangs over Seattle following senseless shootings

by KING 5 News

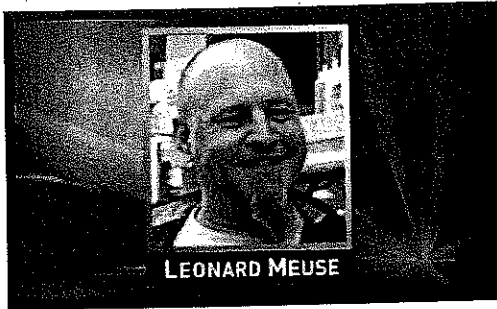

KING5.com

Updated today at 12:51 PM

Six people are dead following two senseless shootings in Seattle, including the man who sent police on a wild search spree across town as they desperately tried to follow his trail.

A memorial of candles, flowers and tributes grew outside the Cafe Racer Thursday, where police said suspect Ian Stawicki opened fire, killing one woman and three men. After fleeing, police said he targeted a Bellevue woman in a First Hill parking lot, shooting and killing her before stealing her car.

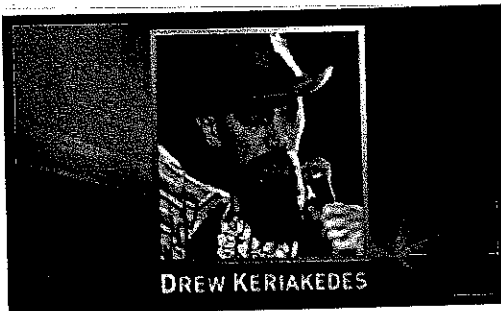

There is one survivor of the shootings still fighting his injuries -- Leonard Meuse, who is a chef at Cafe Racer. Meuse was shot in the jaw and his side, and is in critical but stable condition at Harborview Medical Center.

"He has a long road to recovery but he has a road to recovery, so that's good," said Leonard's father, Randy.

Leonard is expected to recover following an estimated two-week stay in the hospital, but Randy also spoke about what may happen when his son learns of the tragedy that spared his life.

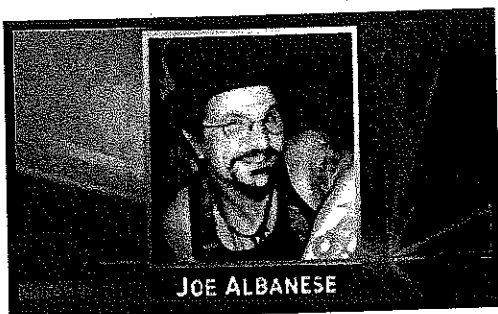

"It's going to be mind-boggling for him knowing so many of his friends died," he said.

In an unrelated interview with KING 5 News in 2011, Meuse said gave up a previous career to pursue his dream of being a pastry chef.

Victims Drew Keriakedes and Joe Albanese died inside the Ravenna neighborhood coffee shop when they were gunned down. Best friends, the two men had played together in the vaudeville-burlesque band Circus Contraption.

Both described as influential musicians in the community, Albanese was also a member of the band God's Favorite Beefcake, which just last weekend played at the Seattle Folklife Festival.

Albanese's wife, Kelly, described both men as beyond talented.

"They put all of their passion, everything they were, all their personality and everything into their music," she said. "I feel numb. I can't comprehend it. He was so full of life, they all were."

A **Georgia newspaper** identified the woman who was shot to death in the cafe as Kimberly Lynn Layfield, a former native of the town of Albany.

The other man who died in the cafe shooting has not yet been publicly identified.

The Seattle Times identified the woman who was shot and killed in the parking lot at 8th Avenue and Seneca Street as Gloria Koch Leonidas. A Bellevue mother of two daughters, Leonidas worked in the lighting industry. A colleague issued the following statement:

"We are deeply saddened by yesterday's tragedy in Seattle. Gloria was a wonderful person and her loss will be felt far and wide amongst the lighting and design community. Gloria was a longtime board member on the Puget Sound Section of the Illuminating Engineering Society, (IES). She will be greatly missed. Our thoughts and prayers are with Gloria's family."

A handwritten note to the victims on the window of Cafe Racer reads, "Please be kind to your neighborhood." The shootings happened during a deadly week in Seattle in which gunfire has now claimed more than half a dozen lives.

Ian Stawicki, 40, was identified by police as the shooter, the man whose vague description everyone in Seattle was looking for Wednesday. Stawicki killed himself hours after the shootings at Cafe Racer and on First Hill played out. Police said he fled to West Seattle in Leonidas' SUV and after realizing he was surrounded by police, Stawicki eventually knelt on sidewalk where he shot himself in the head.

A KING 5 News viewer took a video of a musical tribute held outside Cafe Racer Wednesday night and posted it on YouTube:

The gunman accused of killing five people Wednesday had a concealed-weapons permit even though he was becoming noticeably more volatile over time, his father said in an interview with KOMO News.

Walt Stawicki, the father of accused killer Ian Stawicki, says he knew his son was troubled, but there was nothing the family could do to get the concealed-carry permit revoked.

"The response to us was, there's nothing we can do, he's not a threat to himself or others, or we haven't had a report of it, or we haven't had to pick him up - call us when it's worse," Walt Stawicki said in a Thursday morning interview with KOMO Newsradio.

"And now it's too late - much worse now, six people are dead."

Walt Stawicki did not specify which agency refused to revoke the permit, or which agency had issued it in the first place.

The disclosure was one of several Ian Stawicki's father made as he tried to paint a fuller picture of his troubled son, who was unemployed and hadn't held a job in several years.

Walt Stawicki said his son had joined the Army in 1989 or 1990, serving for a time at Fort Drum in upstate New York before he was discharged as unsuitable for the military. He suffered an acute hearing loss when a grenade exploded during a training exercise during his short stint in the Army.

A few years after his discharge, Ian Stawicki started collecting guns, but his family thought he had given that up in recent years -- though they knew he still carried a concealed weapon.

He worked some odd jobs for a time, but in recent years he had been an unemployed transient.

"He went out and saw friends, walked around, read books, tended the garden with his mother, had a girlfriend," says Walt Stawicki.

As the years went by, Ian Stawicki was becoming more and more volatile -- but he never harmed anyone or threatened his family, says his father.

"He wasn't getting more and more violent. He was getting easier to get mad," says his father.

If he had been violent, the father says, the family might have been able to do something.

"We've been hoping and praying that something minor would happen enough to allow an intervention to happen," Walt Stawicki said.

The father last spoke with his troubled son on the morning before the shootings - and says he sounded just fine.

"He was care-taking his mother, who is ill," Walt Stawicki said. "There was a lilt to his voice, it sounded like a good day. I said I'd be down later."

A few hours after that, when he saw the surveillance camera images on TV, Walt Stawicki realized it was his son who was suspected of killing four people in cold blood at Cafe Racer in the University District.

Later, he learned that another woman had been shot to death at Eighth Avenue and Seneca Street, and that his son had finally killed himself as police officers approached.

"There were six victims yesterday -- not five," says Ian Stawicki's father. "That's the thing I want people to go away with. He was the final victim, he was a victim by his own gun, and all the other people were victims by his own gun - I'm not trying to diminish that."

SEATTLE - The gunman accused of killing five people in cold blood Wednesday had a concealed weapon permit even though he was becoming noticeably more volatile over time, his father said in an interview with KOMO News.

Walt Stawacki, the father of accused killer Ian Stawicki (http://search.komonews.com/default.aspx?ct=r&q=Stawicki), says he knew his son was troubled, but there was nothing the family could do to get the concealed carry permit revoked.

Ian Stawicki

"The response to us was, there's nothing we can do, he's not a threat to himself or others, or we haven't had a report of it, or we haven't had to pick him up - call us when its worse," Walt Stawicki said in a Thursday morning interview with KOMO Newsradio.

"And now it's too late - much worse now, six people are dead."

Walt Stawicki did not specify which agency refused to revoke the permit, or which agency had issued it in the first place.

The disclosure was one of several Ian Stawacki's father made as he tried to paint a fuller picture of his troubled son, who was unemployed and hadn't held a job in several years.

Walt Stawicki said his son had joined the Army in 1989 or 1990, serving for a time at Fort Drum in upstate New York before he was discharged as unsuitable for the military. He suffered an acute hearing loss when a grenade exploded during a training exercise during his short stint in the Army.

A few years after his discharge, Ian Stawicki started collecting guns, but his family thought he had given that up in recent years - though they knew he still carried a concealed weapon.

SEATTLE -- The man suspected in two fatal shootings in Seattle on Wednesday has died.

Ian L. Stawicki, 40, of Ellensburg died on Wednesday evening, according to Harborview Medical Center spokesperson Susan Gregg.

A fourth victim in the shooting at Cafe Racer also succumbed to his injuries on Wednesday evening, Gregg said.

Police believe the man is responsible for a fatal shooting at a University District cafe, as well as a separate shooting near Town Hall that claimed the life of a woman.

"Unfortunately, these are all connected. Fortunately, we have the person in custody," said Jim Pugel with Seattle police, adding evidence found at both scenes link the incidents.

A man opened fire at Cafe Racer at 5828 Roosevelt Way NE at approximately 11 a.m. Two men were pronounced dead at the scene, and two additional victims - a man and a woman - later died at Harborview Medical Center. A fifth victim remained in critical condition.

A witness told KOMO News that moments after shots rang out, "a woman ran down the streets and yelled to get back inside; (she said) there was a man with a gun."

It was not known what prompted the shooting, and no information about the victims has been released.

About a half hour later, a woman was fatally shot near Town Hall at Eighth and Seneca. A witness told police the woman was in an argument with a man who pulled out a gun and shot the woman in the head.

"I see this guy leaning down over this woman kicking her, then he shot her in the face," one witness said.

The woman was rushed to Harborview Medical Center where she later died. The gunman was seen driving away in a black SUV.

The car was recovered about a half hour later in the 4100 block of Delridge Way in West Seattle, and officers spotted a gun inside the car.

A plainclothes officer spotted the suspected gunman in West Seattle on Wednesday afternoon. When uniformed officers approached the man near 37th and Raymond, he knelt on the ground and turned the gun on himself, said police.

The man was taken to Harborview Medical Center where he later died.

Wednesday's shootings were the latest incidents in a string of violence that has plagued the Seattle and led some city leaders to openly question (<http://www.komonews.com/news/local/155518185.html>) whether police are doing enough.

Twenty people have been killed in Seattle so far this year with only seven arrests made, not counting two cases that were cleared.

Last week a man was fatally shot by a stray bullet while he and his family drove down a street in the city's Central District. Justin Ferrari (<http://search.komonews.com/default.aspx?ct=r&q=%22justin+ferrari%22>), 43, a software developer, was killed when a stranger started shooting Thursday afternoon. Police said the gunman's intended target was another person involved in a dispute with the gunman.

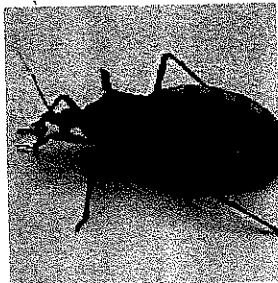

Ferrari's death was the second random killing in Seattle in about a month. In late April, a 21-year-old woman who recently moved to Seattle from Albuquerque, N.M., to pursue her dream of becoming a chef died of injuries suffered in an apparently random drive-by shooting near downtown. No arrests have been made in either incident.

Last year, the city saw 20 homicide cases. In 2010, there were 19 cases.

Stawicki bought plant for former teacher during manhunt

While police were looking for him in the wake of two fatal shootings, Ian Stawicki went to a nursery where he purchased a blueberry bush, according to police.

Police believe it was Stawicki who opened fire at Cafe Racer around 11 a.m. last Wednesday, wounding five people - four of them fatally. The same man is believed to have shot and killed a woman in a parking lot in the First Hill neighborhood before taking off in her Mercedes SUV.

Police soon found that car abandoned in West Seattle. But Stawicki himself wasn't spotted until approximately 4 p.m. When approached by police, he turned the gun on himself. He died several hours later from his injuries.

So what did he do during the hours between the shootings and his surrender? It appears he went shopping at West Seattle Nursery and Garden Center.

Police cannot confirm his whereabouts or his actions; however, nursery manager Marcia Bruno said she received a phone call from detectives who said they found a receipt that shows Stawicki had purchased the blueberry bush and two packets of seeds from the store around 1:40 p.m. Wednesday.

"I was actually speechless," Bruno said.

The employee who sold Stawicki the plant told Bruno she remembered him, but said he was "creepy" and she did not chat with him at length during the transaction.

Another employee said she helped Stawicki select one of the last blueberry bushes of a desired type.

"I showed him that we had two left," said employee Corinne Kennedy. "And I said, 'Well, this one is a lot better than the other one.' And then I said, 'This is your lucky day.'"

The nursery also received a phone call from a West Seattle woman who said someone had left the plant and seeds with a "creepy note" on her doorstep that day.

"We got the phone call the next morning of the recipient of the blueberry," Bruno said. "She was freaked out."

Patricia Guenther, a former teacher of Stawicki's, issued a statement on Monday stating the gift came as a complete surprise:

"When I arrived at my home from work on Wednesday evening, May 30, I discovered a bag containing a blueberry plant and seed packets from the West Seattle Nursery, along with a pre-printed commercial thank you card (not personalized or signed) in a bag on my porch. I live in the North Admiral area of West Seattle.

There was no identifying information on the items and I did not know who left them there. I later learned that these items were purchased by Ian Stawicki, the shooter in the recent North Seattle and First Hill shootings, who was a former student of mine.

I have not had contact with Ian Stawicki since he was in my Summit K-12 School classroom almost 25 years ago, and I was surprised to learn that he was the source of the bag that was left on my porch.

I was in communication with the Seattle Police Department and the items were turned over to them.

No person, no neighborhood, no community is immune to being touched by tragedy. Please be compassionate with each other as we each process this recent heartbreaking event in our city in our own way.

u/skeletor_thagawd

I have no additional information and I ask that the media please respect my privacy."

Bruno said news of Stawicki's visit to the store has left her alarmed.

"I definitely lost sleep two nights thinking about what could have happened," she said.

The incident has hit especially close to home for Jenn Patrick, who works at the nursery and frequents Cafe Racer where she often saw victims Drew Keriakedes and Joe "Vito" Albanese.

"You know, they were our Cliff and Norm, like from "Cheers" on the bar stools, like always there, being them, she said.

Despite the harrowing tragedy that left four cafe patrons dead, Patrick said she will not stop visiting the cafe.

"The second it opens, I'll be there," she said.

Lone survivor: Cafe gunman intent on killing victims

Originally printed at <http://www.komonews.com/news/local/Lone-survivor-Cafe-gunman-intent-on-killing-victims-158500505.html>

By [Michelle Esteban & KOMO Staff](#) June 11, 2012

SEATTLE -- The lone survivor of the shooting at Cafe Racer that left four people dead two weeks ago says the gunman was intent on not leaving any survivors.

Len Meuse says he believes Ian Stawicki shot them all once, then fired off additional shots to make sure they didn't survive. But Meuse miraculously survived as the bullets just barely missed his critical organs.

Meuse, a cook at the cafe, said he knew Stawicki could be erratic -- Stawicki had been banned from the cafe. But he said when Stawicki walked in, the day went from routine to horror in an instant.

"I just remember he came in and my boss had told me he's 86'd so I very politely told him that," Meuse said. "He asked, 'can I get a coffee to go then?', and I said, 'Yeah, no problem. In fact, I'll buy it for you, you've always been nice to me.'"

The moment Meuse turned his back to make the coffee, Stawicki fired the first shot, which hit Meuse's left armpit. The bullet pierced his lung, grazed his liver, grazed his kidneys and barely bypassed his heart and spinal column. Meuse collapsed and instantly knew it was Stawicki, and with a glance he knew it would get worse.

"I remember seeing someone next to me in the bar and there was fear in her eyes," Meuse said.

After that, Meuse heard the gunshots as Stawicki was shooting people one by one -- Drew Keriakedes, Joseph Vito Albanese, Kimberly Layfield and Don Lergen. Stawicki later shot and killed a woman near Town Hall, then killed himself a few hours later as police closed in.

It was clear to Meuse that Stawicki wanted everyone dead.

"I think he just put everyone down and then he double tapped everyone," Meuse said.

Then came a final shot for Meuse -- this time to the head. That bullet shattered his jaw, broke several teeth and shredded his tongue, which had to be sewed back together.

Just two days out of the hospital, and two weeks after the shooting, the 46-year-old military veteran can't yet talk about the friends who died.

"I'm just not ready yet," Meuse said.

Meuse describes Stawicki as "hot and cold" -- one moment quiet, the next inserting himself in conversations across the room. Meuse says he was often loud and aggressive.

"You never knew what you were getting," Meuse said.

Like family of other victims, he thinks Stawicki would have killed even if he didn't have a gun.

"Guns don't kill people -- I guess they do, but they're just a tool," he said. "A twig can do just as much."

u/skeletor_thagawd

Meuse believes he'll never know why it happened and he believes it's not for him to know.

"I'm glad (Stawicki's) at peace," Meuse said.

Now he hopes his Café Racer family can find peace, and for that he says he has no choice but to return to work.

"I have to," he said. "Because there is still community left and we need to heal."

Meuse has not returned to the cafe yet. Although he's able to walk, and doing well, he needs to build up his strength. He's having trouble swallowing because of the bullet that pierced his jaw.

He hopes the city will consider some kind of park memorial -- even wind chimes in a nearby park, a place where family and victims can go to heal.

Walking on the spot; Walt Stawicki came to see where his son died

Patrick Robinson

Walt Stawicki, the father of Ian Stawicki accused in the shooting deaths of five people in Seattle on May 30, came to the spot near 37th and Raymond on Saturday June 2 where his son took his own life. He came to see where it occurred he said and to talk with neighbors about the incident.

By Patrick Robinson and Ty Swenson

The tragic events of May 30, when Ian Stawicki took the lives of five people, ended in West Seattle when, surrounded by police, he shot himself.

But for many people, especially his family, questions as to what happened, and why linger in a mixture of pain, regret and confusion.

Walt Stawicki, Ian's father came to West Seattle on Saturday June 2, "Just to see where this occurred," he said quietly and to speak to neighbors near the location close to 37th and Raymond. "I wanted to come and see that there wasn't going to be a lot of connection and have him stuck," Stawicki said.

Stawicki walked along 37th S.W. speaking to whoever was outside and asking them about their feelings and memories of the incident.

Neighbor Kitty Pelkin told him, "We heard the police say 'Put your hands where we can see them and almost two seconds later we heard one shot. My husband stood in the window and saw four policemen come around a car, in a line, cautiously walking, but the shot had already been fired."

Stawicki said of his son, "He was angry all the time. Some of us have a buffer. Some of us don't have a buffer. Some of us can make black humor comments about it. Some of us can say 'isn't that flower beautiful?' My son was, 'Can you see the horror in that? Can you see what's happening to this beautiful planet? Do you know what people are like? What kind of people are crawling around out there?'"

Stawicki said he has had some metaphysical experiences following his son's death.

"The first night," May 30, "I was ghosted. The second night I wasn't. The third night I wanted to see what this felt like here," referring to where the suicide took place. "A fella down the block said it was here and I got really strong vibes right around here, but last night," after he went to identify his son's body, "I was so much more relieved. He's gone ... A couple of years ago my daughter had gone down to Santa Barbara to see my father. He died in a hospice and we missed it by a half an hour or so. He was literally not cold, but he was gone. There was nothing

hanging in the air. I've been around beds where it hangs for days and days."

At the Medical Examiner's office on June 1, "When I saw him, he was gone," but he did spend a few moments there. "I touched him and took a little lock of his hair and some for his mom, but his beard was almost like a shadow."

Stawicki then described a waking vision he said he had.

"The first night, about three in the morning. Very dark, dark, dark scene. Almost like a cave but there's no outside so it's like an old movie that just fades away. His mother and myself and then in the cave is his face like an old man/baby. Dark, dark, dark red, almost like copper bronze, and an arm, saying 'I'm sorry' and almost shaking and all the lights going dark and light and darker, white light, darker, light, darker." Stawicki said nearly sobbing, "I'm glad I only had one of those."

Then yesterday," Stawicki continued, "my son's friend in Ellensburg calls up and said he had had a dream a couple of days before. A fella walks into a cafe and starts shooting people. He's a friend of my youngest son."

Stawicki said he has some friends who have offered to come back to the spot in West Seattle and help him with letting go. They wanted to wait two weeks because they were worried the neighbors would be angry. Instead, those he spoke with have been compassionate and understanding.

As one neighbor said of the elder Stawicki, "It wasn't his fault."

Standing at the scene of the conclusion of one of the most tragic days in Seattle's history, he searched for reasons why his son might have been so troubled.

"This was a boy who went to high school, took the G.E.D. and passed it with flying colors even though he was dyslexic and couldn't read. He went into the Army and they didn't like the way he put things together. He came to conclusions that didn't fit with their system. He had a couple of PTSD instances. One in which a grenade went off near him and ruined his hearing. He had an SS tattoo put on him without his permission one

Marination's build out at Seacrest Park delayed

By Patrick Robinson

Winning the right to the concession at Seacrest was apparently the easy part for food vendor Marination. It now looks like they will be delayed with the build out of the space until late summer based on the requirements put in place by Seattle's Department of Planning and Development.

That means for tourists and/or locals on the King County Water Taxi, or people in the neighborhood the return of food and beverage service is going to be awhile. One of the owners, Roz Edison talked to the Herald about what is happening.

"DPD issued their decision on our proposal to convert the building to have it formally established for restaurant use. We all know that it already has been established as a restaurant for the last ten years but it has to go through formal channels to have that building changed. That was the first hold up. What has happened now is that there is

night when they'd been having a drink and he was out. He woke up with this tattoo, embarrassed for the rest of his life. He was involved in an incident (in the Army) where his buddies were trying to come up with an initiation for the guys and he ended up on the receiving end of a knife," making the motion of a knife against a throat "so I got a call that same night, 'Why did he make me do it? I'm so sorry but what did he expect me to do?'"

Stawicki explained that his son reacted violently and injured one of his fellow soldiers. "The guy was in the hospital and my son was crying his guts out."

As his father he knew the young man had emotional and mental illness issues but, "There's no way you can force people to get help," he said. "Meds would have helped. Forced meds, a case worker. You know we approached him to do therapists and he refused all of that."

Stawicki said he believes more tragedies like this will happen. "I know it," he said, "It's that thing you take a thousand monkeys and you put them on typewriters and you get Shakespeare and if you take a thousand, two thousand, three thousand crazy people who are untreated and there's no beds or ways to get them help (...) If I put a thousand land mines on these streets and had kids playing on them do I think somebody would step on them? I know somebody would."

"I don't know what demonish thing got a hold of him that day but it sure had a grip on him."

Seattle Times staff

Cafe Racer is one of those quirky Seattle hangouts, known mostly by its University District patrons who favor its eclectic music and friendly vibe.

Ian L. Stawicki was drawn there, too. But his loud, bizarre behavior sometimes got him tossed out.

On Wednesday morning, minutes before 11 a.m., Stawicki returned. And he had a gun.

Surveillance video captured the scene. Stawicki walked in toward the tables and bar stools filled with patrons. Sixty-three seconds later, four people lay mortally wounded, a fifth critically injured.

Stawicki, 40, fled south and by 11:30 a.m. confronted a Bellevue business-

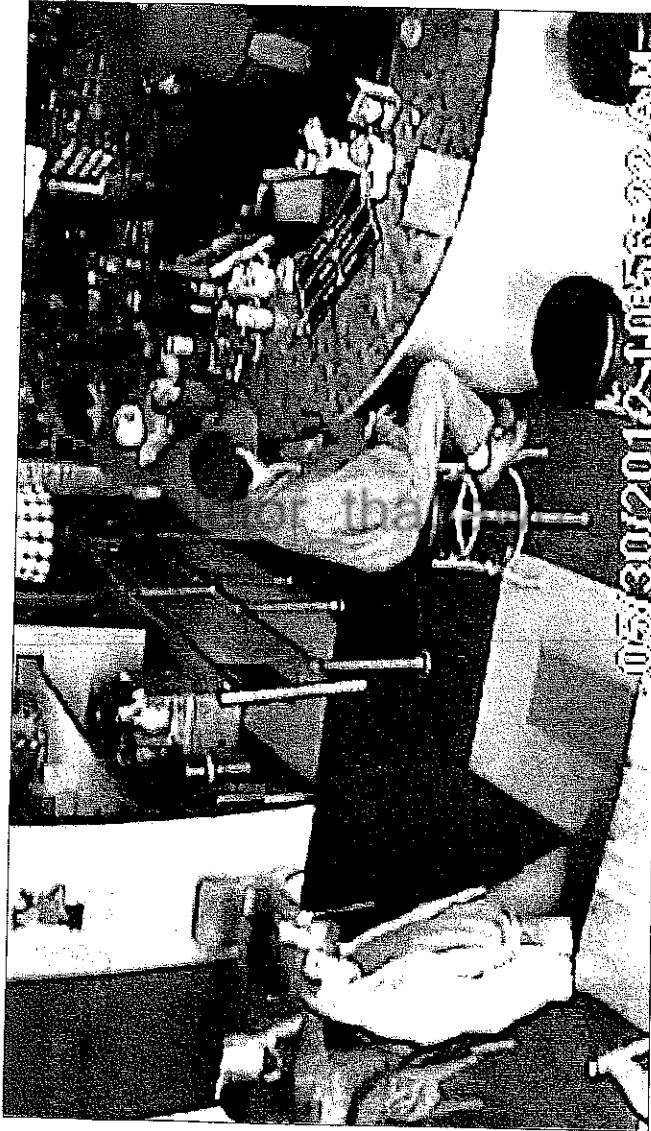

woman in a parking lot on First Hill. He fatally shot her and escaped in her black Mercedes-Benz SUV, heading to West Seattle.

For the next four hours police frantically searched for him, going door to door, guns drawn.

Schools and community centers were locked down and buses rerouted. And a city already raw from a week of unsettling violence found itself reeling further.

Police closed in on Stawicki about 4 p.m. on a West Seattle sidewalk. Cor-

When there was an armed killer on the loose in West Seattle on Wednesday, and, it was believed, another one in the

University District, a report came into our newsroom that The Bush School had gone into lockdown.

The private school is near Madison Park. Nowhere near the manhunt. It turned out students at the school had seen a man with a gun. He was out jogging. Wearing a sidearm for protection.

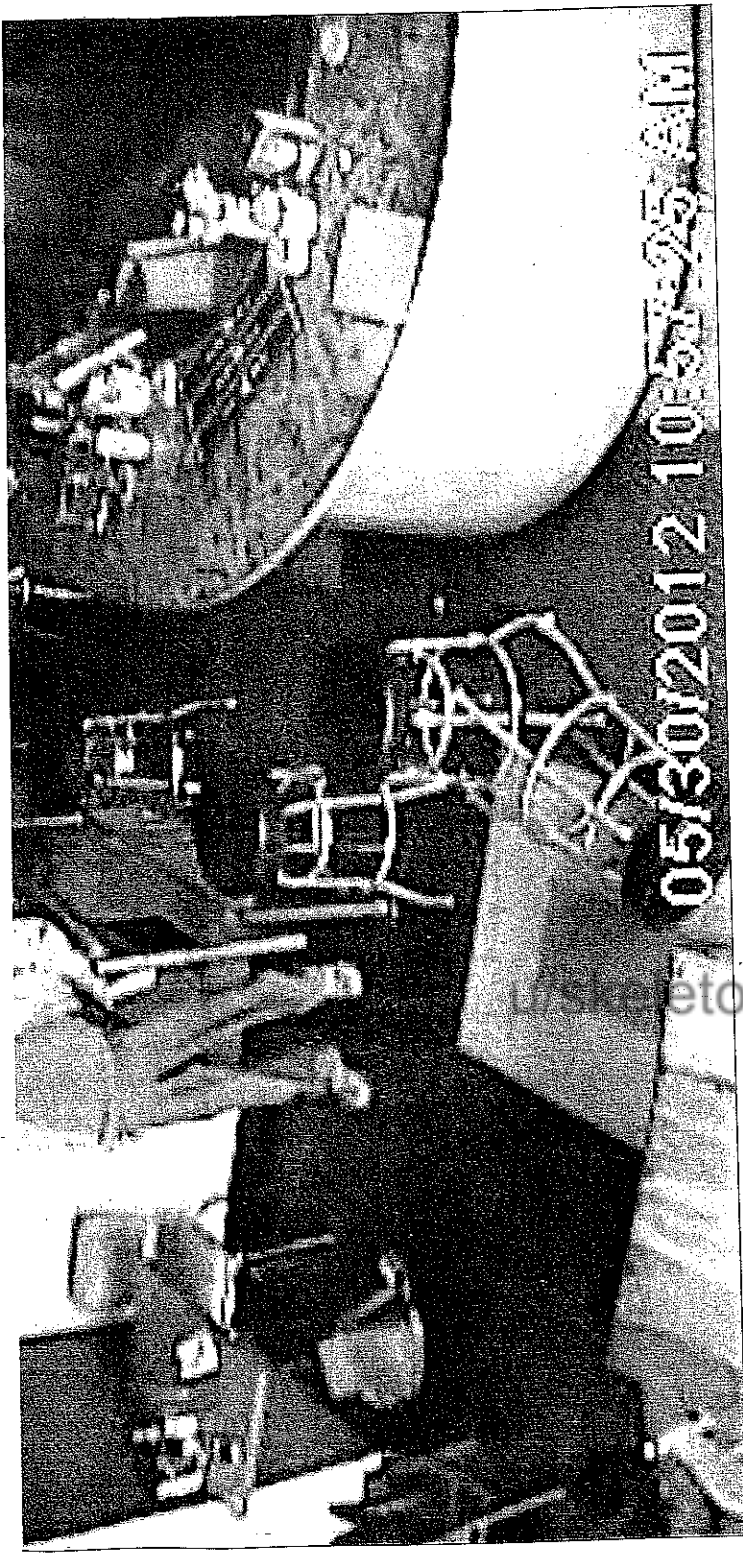

"The person carrying a gun seen by our students is a neighbor of the school," the head of the school announced in an email to parents. "He was on a run dressed in a black running suit...and was carrying a gun because of the number of shooting incidents that have taken place in the city in recent days."

Seattleites, we are losing it.

Last week people in one part of town, the Central Area, were thinking: "That could have been me."

But by Wednesday the gunfire in our city seemed so ubiquitous it felt more like it could strike anyone, anywhere, at any time.

The Wednesday killings of five people in two midmorning shootings, in two busy parts of the city, turned out to be perpetrated by the same man. This came as a perverse form of relief to the rattled city — that there was only one armed killer on the loose instead of two.

Since Madrona's Justin Ferrari was shot last Thursday — an eternity ago in a violence cycle we're in — a man was shot at the Northwest Folklife Festival and more than 60 bullets fired in four drive-by shootings in South Seattle.

Then came the Wednesday killings. Four were gunned down in a University District cafe. On First Hill, a mom of two was struck down completely out of the blue, just like Ferrari.

Mike McGinn acknowledged it was a great question. He had no answers. I don't blame him: What ever paradigm we were operating under last week — that gangs have gone out of control — was upended by the

the feds would stop scrutinizing police tactics, then the cops could go back to stemming violence like this.

That hardly follows. When someone with demons goes crazy, there's usually nothing the police could have done. But the frustration is real. We are a city on edge. A city now in full-fledged crisis. The mayor, the police and the feds need to quit bickering, sit down like adults — now — and hash out what, if anything, they can do. Because the people, at this point, are literally being

caught in the crossfire.

At the least there needs to be far more urgency and more police presence in the neighborhoods, until what the mayor called this "wave of gun violence" is brought under control. Or, more likely, ebbs on its own.

On Wednesday, I talked to a mom of two toddlers who lives near the corner of East Cherry Street and Martin Luther King Jr. Way, site of the deadly shooting of Ferrari last week. She called me after I wrote that his death had made me wonder, for the first time, why I live where I live.

"We can't retreat," she said.

She meant to be hopeful, with tips about how neighbors can take back their blocks one by one. But she acknowledged her husband had raised the issue of buying a gun.

"We looked at each other and said: 'If we're even talking about buying a gun, may be we need to move.'"

Mayor, police chief: This is the mood of the city. Joggers are packing heat. Moms of toddlers are contemplating arming up or heading out of town.

It's insane, yes. We are losing it. Can you blame us?

5 SHOT AT CAFE; ONE SURVIVES

Bellevue mother killed in parking lot

New York City several years ago. "I never met anyone with as much talent as Drew," Breznau said. "He was the one of the most profound, simple and loving songwriters you ever heard." Keriakedes, 45, grew up in Florida, Breznau said, and joked that he was from the "sticks." His parents, Logan and Judith Keriakedes, live in Cape Coral, Fla. Gus Clark, who played with Keriakedes' last band, God's Favorite Beefcake, said he met Keriakedes busking at Pike Place Market about eight years ago with bass player Joe Albanese, his best friend.

The two were almost inseparable, according to friends. Albanese lived with Keriakedes and his wife. "I didn't see them apart in the last seven years," said Breznau.

Friends were stunned to hear Keriakedes and Albanese were killed at Cafe Racer, a favorite hangout where they helped foster a creative community. Cafe Racer was a "home to us, almost a haven for all different types, young and old, strait-laced and weirdos, and we're all full of shock," Clark said.

He said Keriakedes and Albanese were like older brothers to him. "We're all just crying and drinking," he said Wednesday night.

Chris Assaf, who lived near the cafe, knew Keriakedes. "He took a liking to my kids and would read them books when he came by to visit," Assaf said, tearing up outside the police lines Wednesday. "He would sing a song and you wouldn't know what it was, but by the end of the song you would end up singing with him. You would know all the words."

JOE ALBANESE

Joe "Vito" Albanese played the bass by ear — taking an unconventional approach to music as he did to life.

a few times for him until he picked it up.

Albanese, 52, did not live to impress anyone, say those who knew him. He loved to play music and be with his friends, especially his band mate, roommate and best friend, Drew Keriakedes, who was with him at Cafe Racer Espresso when he died.

"He was just your old typical musician," said Tony Cunningham, Albanese's boss at Johnny's Ballard Shoe Services. "He'd rather play a gig and drink and have some food and call it a good night. And if he made money, that's good. And if he didn't, that's fine, too."

Albanese was a bassist for God's Favorite Beefcake, which played most recently at Seattle's Folklife Festival on Saturday morning. Before that, he played for more than a decade with Circus Contraption, a vaudeville-burlesque act for which Keriakedes was the frontman and songwriter.

He grew up in Hillsdale, N.J., the youngest of five children in a Catholic Italian family. They moved to Arizona when Albanese was 10 or 11.

His sister, Vaune Alba-

nese, said her brother was a rebel even as a child, refusing to wear new clothes. As a teenager, he joined two punk-rock bands, the God Wads and the Mighty Sphincter.

"He loved his music and he made himself a life that worked for him, and he brought music and entertainment to thousands and thousands of people who went crazy for their music," Vaune Albanese said.

God's Favorite Beefcake had plans to play the 85th birthday party of Albanese's mom next month.

Albanese was a meticulous leather-worker and "a joker," his sister said. He especially loved the Marx Brothers and could quote lines at length from old comic films.

Albanese is survived by his mother, Rosalee Jones, of Sun City West, Ariz.; sisters Vaune Albanese, of Portland, Corinne DeLange, of Issaquah, and Linda Paterik, of Buckley, Pierce County; and brother, Thomas Albanese, of Downers Grove, Ill.

He struggled, at times, with drug addiction, his sisters and friends said. He lived in the rented basement of a Ravenna-area home with Drew and Zoe Keri-

akedes. "They were very caring, giving people, who wanted to share their gift of music," said Mylinda Sneed, a friend and neighbor. "They were amazing people and are going to be dearly, dearly missed."

GLORIA KOCH LEONIDAS

Gloria Koch Leonidas, 52, of Bellevue, was a married mother of two girls who was active in the lighting industry. She was shot and killed in a parking lot adjacent to Town Hall on Wednesday.

Her husband, Tom Leonidas, said he could not speak about his wife's life yet because the family needed "time to process this."

Leonidas' two children attend the Seattle Academy of Arts and Sciences (SAAS), a private school located a short distance from where the shooting took place. The school sent a message out to parents late Wednesday afternoon letting them know of Leonidas' death.

"Right now the best (way) we can support the family is to honor their request that no one call" family members, the message to parents said. "There will be a time for these calls later, but that time is not now."

Neighbors in the family's central Bellevue neighborhood also said they had been asked not speak about Leonidas' life out of respect for the family.

According to a profile on LinkedIn, Leonidas — who went by her maiden name of Koch — worked in specification sales at Electrical Repts West, a lighting company.

She also was active in the Puget Sound chapter of the Illuminating Engineering Society, a forum for the exchange of ideas and information about lighting. She is listed on the group's website as a member of its board of managers and the awards

chair. SAAS administrators said they planned to have in-house counselors and mental-health professionals available at the school on Thursday to help any students who might need it.

LEONARD MEUSE, SURVIVOR

Leonard Meuse told his family that he loved working as a chef at Cafe Racer.

Leonard Meuse

The 46-year-old had given up a prestigious position as a research scientist at the University of Washington to go to pastry school. He told his family that once the economy turned around, he hoped to get a full-time job baking bread, said his father, Raymond Meuse.

On Wednesday, the younger Meuse was at work when police say a man entered the cafe around 11 a.m. and opened fire. Meuse was shot once in the jaw and once in the armpit.

"It's amazing he's alive," his father said. The bullet "went through his lung, grazed his liver, missed his heart. It went between (his) aorta and his spinal column. He should be able to walk." Raymond Meuse said that

of his three sons, went to pastry school at Seattle Central Community College. At Cafe Racer, he was doing "some cooking ... and some baking."

"The clientele is up his alley," the elder Meuse said. "There were a fair number of students and a number of motorcycle riders. It was an eclectic group."

Raymond Meuse said another of his sons called to tell him there had been a shooting at the cafe. The elder Meuse turned on the television news and soon got a call from one of Leonard's friends, who had gone to Harborview Medical Center and identified Leonard for police and doctors.

Raymond Meuse said he talked to a hospital social worker and doctors, who said his son's condition was "sounding pretty good."

The elder Meuse described Leonard, who lives alone in Seattle's Central Area, as "extremely intelligent." He majored in Japanese and zoology at the University of Washington, although he regularly criticized what he was taught.

"He's so intelligent he can't stay in college," Meuse said. "He criticizes college for not teaching people what they need to know."

SEATTLE SHOOTINGS

Cafe Racer 6 - 50

Seattle police search a house near the intersection of Southwest Yancy Way and Southwest Avdon Street in West Seattle during an extensive manhunt Wednesday.

JOHN LOK / THE SEATTLE TIMES

"You could just tell he was a ball of negative energy," said cafe owner Kurt Geissel. Stawicki could be a troublemaker, he said, but the cafe wanted to be tolerant, and continued to allow the troubled man to enter.

Christopher Assaf, who lives in the neighborhood and frequented the cafe, said Stawicki had been kicked out two or three times in recent weeks for "snapping" at people.

On Wednesday, Stawicki left behind, "a grisly, grisly scene," Assistant Seattle Police Chief Jim Pugel said.

Pugel compared it with the Wah Mee massacre in 1983 in which 14 people were shot during a robbery in a Chinatown gambling room. Thirteen people died in what was the worst mass killing in Seattle history.

Police swabbed for DNA at the cafe, but Pugel said the biggest break came from a witness who gave detectives Stawicki's name as someone who might be involved.

Pugel would not speculate on how it is that Stawicki was able to apparently walk away from the restaurant as police cars were converging on reports of shots fired. A flurry of 911 calls came in around 11 a.m., and Pugel said the first officers were on the scene at 11:04 a.m.

About 30 minutes later, a shooting was reported at Eighth Avenue and Seneca Street. It wasn't initially clear whether the downtown shooting was connected to the University District shooting.

According to police, witnesses saw the gunman and a woman arguing. Ibrahim Frishak, a maintenance worker at an apartment building across the street, said he heard a loud pop.

A couple rushed across the street and began administering CPR to Leonidas, even as the gunman was still in the parking lot.

"They are brave, I tell you," Frishak said of the good Samaritans.

While police said they did not know the motive for the shootings, Stawicki's family said he had a history of anger and mental-health problems that he refused to deal with.

His brother, Andrew Stawicki, 29, of Ellensburg, said

the news of the alleged gunman inside Cafe Racer, he recognized it as his big brother.

Andrew Stawicki has many memories growing up around him.

Ian Stawicki was the eldest of Carol and Walter Stawicki's three children, two boys and a girl, said his brother. They grew up on Beacon Hill and in other South Seattle neighborhoods.

"When I was little, he would take me to punk rock concerts and big brother things," said Andrew Stawicki, as he drove to Seattle from his home in Ellensburg on Wednesday. "He was great."

But over the past five or so years, Ian Stawicki severely changed.

"Angry. He was really angry toward everything," Andrew Stawicki said.

Despite his problems, Ian Stawicki would not talk about his mental illness, his anger or other troubles, his brother said.

"Someone like that is so stubborn you can't talk to him," he said. "It's no surprise to me this happened. We could see this coming. Nothing good is going to come with that much anger inside of you."

Andrew Stawicki said his brother stayed in close contact with his parents. He said his brother cared for their mother, who lives in Seattle, when she needed help, and she cared for him.

Andrew Stawicki said their family long hoped Ian would go to mental-health treatment or take medication to keep his moods in balance.

Stawicki was arrested in February 2008 on a misdemeanor domestic-violence charge in Seattle and soon posted \$10,000 bail. He pledged to stay 500 feet away from a 37-year-old woman and listed his home address in Magnolia. His attorney fought the charges, and they were dismissed.

He was also charged with fourth-degree assault in Kitsitas County in 2010, but that case was dismissed as well; court records did not indicate why.

Court records indicate he has lived in Portland and in Ellensburg, with his brother.

At the City Hall news conference, a somber McGinn

said the city must bring an end to the wave of gun violence. He said political leaders will work with the police to ensure they have the tools they need to focus on violent offenders with access to guns.

"We also need to focus on laws that make it too easy for people to acquire guns and also undertake a full partnership with the community to end the culture where young men believe it's OK to resolve disputes with violence, including guns," he said.

Police Chief John Diaz was out of town Wednesday, attending the Major Cities Chiefs Association meeting in Dallas, Texas.

Reached by phone, Diaz said he was unable to get a plane back to Seattle Wednesday but would return Thursday. He said he'd been briefed on the shootings and believes officers "did an incredibly exceptional job in an extremely trying situation."

Meanwhile, near the scene of the cafe shootings, friends of the victims converged Wednesday night on the lawn of a house less than a block from the crime scene.

By early evening the gath-

ering had grown to dozens of people who spilled onto the sidewalk and street. There were embraces, tears and stories of friends now lost. There was also lots of Pabst Blue Ribbon beer, which several people said was an affordable standby that was one of Drew's Keriakedes' favorite brews.

One of those gathered was Ben Dean, the general manager of Cafe Racer, who said he'd been awakened Wednesday by a phone call telling him about the shooting.

Racing to the cafe, Dean retrieved the surveillance videos for police. Entering the door, he stepped over the bodies of friends.

"This is like someone walking into your house on Thanksgiving Day and opening fire on your family," Dean said.

Seattle Times staff reporters Jennifer Sullivan, Christine Clarridge, Jim Brunner, Hal Bernston, Steve Miletich, Mary Jean Spadafora, Sara Jean Green, Susan Kelleher, Mike Carter, Lynn Thompson, Katherine Long, Jayme Fraser, Jonathan Martin and Brian M. Rosenthal and news researchers Miyoko Wolf and Gene Balk contributed to this report.

13 INCIDENT DESCRIPTION / NARRATIVE:

{On 05/30/2012 at 1133 hours, SPD Officers responded to investigate the report of a shooting at 8 Av and Seneca St.

Officers arrived and located the victim, later identified as Gloria LEONIDAS, in the southeast parking lot of 8 Av and Seneca St with a single gunshot wound to the head. Officers who first arrived started CPR on LEONIDAS until SFD arrived.

SFD Engine #10, Engine #2, Aid #25, Medic #44, and Medic #28 responded and treated LEONIDAS at the scene. LEONIDAS was transported to HMC with life threatening injuries. LEONIDAS was pronounced deceased a short time later at HMC.

Officers who were arriving at the scene, secured and taped off the southeast parking lot of 8 Av and Seneca St where the shooting occurred.

Officers identified and interviewed multiple witnesses at the scene. Several witnesses provided statements to SPD Detective S. Moore at the scene.

Witnesses stated they heard a male and LEONIDAS verbally arguing in the parking lot. Witnesses said they saw the male and LEONIDAS physically fight for a short period of time and the male shot LEONIDAS once in the head with a handgun. Witnesses stated the male got into a black Mercedes-Benz SUV (WA plate 348VWV), which was parked in the parking lot and fled the scene in the vehicle. It was later determined the black Mercedes-Benz SUV belonged to LEONIDAS.

Witnesses described the suspect as a white male, in his late 20's or 30's, approximately 5-09 to 6-00 tall, medium build, with brown or dirty blonde medium length hair, and possible facial hair, wearing a dark colored jacket.

The SPD Homicide Unit, SPD Robbery Unit, and SPD TCI Unit, all responded and took control of the scene. They processed the scene and conducted their own investigation.

13 INCIDENT DESCRIPTION / NARRATIVE:

{On 05/30/2012 at 1133 hours, SPD Officers responded to investigate the report of a shooting at 8 Av and Seneca St.

Officers arrived and located the victim, later identified as Gloria LEONIDAS, in the southeast parking lot of 8 Av and Seneca St with a single gunshot wound to the head. Officers who first arrived started CPR on LEONIDAS until SFD arrived.

SFD Engine #10, Engine #2, Aid #25, Medic #44, and Medic #28 responded and treated LEONIDAS at the scene. LEONIDAS was transported to HMC with life threatening injuries. LEONIDAS was pronounced deceased a short time later at HMC.

Officers who were arriving at the scene, secured and taped off the southeast parking lot of 8 Av and Seneca St where the shooting occurred.

Officers identified and interviewed multiple witnesses at the scene. Several witnesses provided statements to SPD Detective S. Moore at the scene.

Witnesses stated they heard a male and LEONIDAS verbally arguing in the parking lot. Witnesses said they saw the male and LEONIDAS physically fight for a short period of time and the male shot LEONIDAS once in the head with a handgun. Witnesses stated the male got into a black Mercedes-Benz SUV (WA plate 348VWV), which was parked in the parking lot and fled the scene in the vehicle. It was later determined the black Mercedes-Benz SUV belonged to LEONIDAS.

Witnesses described the suspect as a white male, in his late 20's or 30's, approximately 5-09 to 6-00 tall, medium build, with brown or dirty blonde medium length hair, and possible facial hair, wearing a dark colored jacket.

The SPD Homicide Unit, SPD Robbery Unit, and SPD TCI Unit, all responded and took control of the scene. They processed the scene and conducted their own investigation.

On 05/30/2012, I was working uniform patrol as 2K3 in a marked SPD patrol vehicle. At 1133 hours, I responded to a shooting call at 8 Av and Seneca St.

I arrived at 8 Av and Seneca St and immediately started gathering witnesses who were still at the scene, while other officers started securing the scene.

I taped off the north entrance to the southeast parking lot of 8 Av and Seneca St to further secure the scene.

I obtained digital recorded statements from witnesses [REDACTED] and [REDACTED] at the scene. I down loaded the digital statements provided by [REDACTED] and [REDACTED] into the SPD computer system.

I stood by at the scene to maintain scene security while follow up units conducted their own investigation.

I later returned to the West Precinct and completed the GO Report and officer statement.

On 05-30-12, I was working uniform patrol in a fully marked patrol car within the city of Seattle, WA, as 201.

At approximately 1202 hours, I heard SPD SW patrol units broadcast that they located the outstanding suspect vehicle (black SUV involved in a shooting in downtown Seattle earlier in the day) in the 4100 BLK of Delridge WY SW. I further heard units clear the vehicle and broadcast that it was unoccupied and the suspect was outstanding. I was later dispatched to respond to the West Seattle Bridge for containment. I arrived at Fautleroy WY SW / SW 35th St, and remained on containment until containment was released. I did not observe anything suspicious or unusual during this time.

I later returned to South Precinct and completed this statement.

On 5-30-2012 at about 1130 hrs as I was about to log into service as SPD Patrol Unit 2-O-3 I heard police radio broadcast a shooting incident. Initial information was that a female had been shot in a parking lot at 8th Ave / Seneca St. The shooter was described as a white male who fled the scene in a black Mercedes SUV bearing WA plates 348VWV. At about 1202 hrs I heard a West Seattle patrol unit broadcast having located the suspect vehicle involved in the shooting. At about 1247 hrs a request was made for a unit to take up containment at South Seattle Community College. I was dispatched and arrived at about 1255 hrs. My MDT was having problems so I had to send my arrival several times before it finally showed me arriving at about 1302 hrs. I drove through the front parking lot along 16th Ave SW. There was a metro bus stop there with several people waiting for the bus. Classes apparently had ended for the day as there was also heavy vehicle traffic leaving the parking lot. I exited the parking lot and took a surveillance position at 16th Ave SW / SW Morgan St. I passed through the front parking lot of the school several times in between. At about 1351 hrs I was cleared of my containment position.

At approximately 1350 hours on 05-30-2012 I responded to the scene to provide perimeter security for the crime scene.

At approximately 1540 hours I was contacted by a vehicle owner parked in the lot. He said he had parked his car in the parking lot this morning, and now that he has returned he noticed fresh damage to the hood of his car.

This is significant due to the fact that W/ Kim's vehicle was parked directly in front of the parking space that the Mercedes was stolen from.

The damaged car belonging to W/ Kim is a Toyota Camry WA#008NMN.

TCI who was on scene was notified and took over evidence recovery for this vehicle.

On 05-30-12, I was working as Unit 896. I responded to area of 8th and Seneca to assist in a homicide/car-jacking. Upon my arrival at approximately 1144hrs I made contact with witness Chelsey Clark. I obtained a recorded statement from W/ Clark who informed me that she was just leaving work at Virginia Mason Medical Center (VMC) in the area of 8th and Seneca Street. W/ Clark was in her car just south of the incident which took place in the middle of the parking lot closer to Seneca Street. According to W/ Clark her eyes were drawn to a white female's arm raise in the air. W/ Clark then heard a popping noise and the female drop to the ground. W/ Clark never saw the suspect however she observed a suspect vehicle a black SUV leave east on Seneca Street from the parking lot. As W/ Clark go closer to the scene she observed the white female on the ground with a single gunshot wound to the head. W/ Clark then went towards the suspect vehicle to get a license plate and call 911. However W/ Clark was told by other witnesses on scene that they were calling 911.

I then responded to the Royal Manor Apartments located at 1120 8th Avenue and spoke with manager David Hoyer. I obtained a copy of video from his building camera which faces Seneca Street. I was able to see a black SUV that appeared to be the suspect car appear in the frame at the 1130hr mark. I viewed more of the video and then had Mr. Hoyer burn copies starting at 1100hrs to 1140hrs. I got the copies and turned them over to Det. Suguru who was on scene.

I then spoke with two VMC Security Officers regarding the incident and they put me in contact with Tony Spaziano who is head of their security cameras. I spoke with Mr. Spaziano and explained to him what time frame and what kind of vehicle I was looking for and informed he me he would check his cameras.

I then spoke with Tim Thomas (206-510-8268) who is the Security Manager at the Washington State Convention Center. Mr. Thomas stated he would check his cameras for footage of any suspects that may match the description given. I later received a phone call back from Mr. Spaziano who informed me he had captured footage of a possible vehicle. I had Mr. Spaziano email the pictures and I forwarded the information to Det. Kasner. I also had Mr. Spaziano save the video and I would have the lead detectives contact him at a later date.

Mr. Thomas called me back to and stated he had no relevant video on his cameras.

This ended my involvement in this case.

On 05-30-12, I was working as Unit 896. I responded to area of 8th and Seneca to assist in a homicide/car-jacking. Upon my arrival at approximately 1144hrs I made contact with witness Chelsey Clark. I obtained a recorded statement from W/ Clark who informed me that she was just leaving work at Virginia Mason Medical Center (VMC) in the area of 8th and Seneca Street. W/ Clark was in her car just south of the incident which took place in the middle of the parking lot closer to Seneca Street. According to W/ Clark her eyes were drawn to a white female's arm raise in the air. W/ Clark then heard a popping noise and the female drop to the ground. W/ Clark never saw the suspect however she observed a suspect vehicle a black SUV leave east on Seneca Street from the parking lot. As W/ Clark go closer to the scene she observed the white female on the ground with a single gunshot wound to the head. W/ Clark then went towards the suspect vehicle to get a license plate and call 911. However W/ Clark was told by other witnesses on scene that they were calling 911.

I then responded to the Royal Manor Apartments located at 1120 8th Avenue and spoke with manager David Hoyer. I obtained a copy of video from his building camera which faces Seneca Street. I was able to see a black SUV that appeared to be the suspect car appear in the frame at the 1130hr mark. I viewed more of the video and then had Mr. Hoyer burn copies starting at 1100hrs to 1140hrs. I got the copies and turned them over to Det. Suguru who was on scene.

I then spoke with two VMC Security Officers regarding the incident and they put me in contact with Tony Spaziano who is head of their security cameras. I spoke with Mr. Spaziano and explained to him what time frame and what kind of vehicle I was looking for and informed he me he would check his cameras.

On the above date at approx 1133 hrs I was working unit #412 with SPD partner C. Bowling #5617. 911 dispatched a shooting behind "Town Hall" at (Hubblell Pl and Seneca) s/e corner.

Officer Bowling and I responded in a clearly marked SPD/DOC van and upon arrival we parked in the 700 block of Seneca Street just at the Diamond parking lot driveway. I observed a w/f down near a white astro van Wa Plate ACX9020 stall "98" and SPD officer J. Dunbar #7515 performing CPR and a citizen (John Yori [REDACTED] 54) attempting to hold the victims head.

I pulled out my CPR Michoshild and advised John Yori that I would take over both officer Dunbar and myself continued CPR until fire arrived. Fire stated that they wanted the victim on a backboard and placed inside the medic unit. I assisted the fire unit getting the victim onto the board.

Once the victim was removed I began to look for possible evidence just behind me in stall #97 I observed a brass shell casing under the front passenger door step of the white Astro Van parked in stall #98. I also located two live rounds one brass and one aluminum near the center of stall #97. Also located was a sheet of paper which read "Violet Simouson 206-362-8875 address 12529 3rd Ave Ne Seattle Wa 98125-4705". On 05/30/2012 while working in my official police capacity as unit 2E31 I was at Harborview Medical Center located at 325 9 AV on an unrelated shooting call that happened in the North end. It came over our radio that there had been another shooting at 8 AV/Seneca St.

I was informed that there was one victim heading to Harborview. When the victim got to HMC I was asked to collect the victims clothing and personal belongings since I had already collected the evidence from the north end shooting victims for the Homicide Unit.

The victim was pronounced dead at 1200 hours and HMC staff collected all of the items for me and packaged them. I took photos of the victim and had staff put brown paper bags over her hands to protect any evidence.

I was told by Waszkewitz, Laura E. [REDACTED] 1988 phone number 206-744-4028 a social worker at the hospital that the husband of the victim was enroute to HMC. When the husband arrived he identified himself as Leonidas, Thomas 206-913-9922. He was able to positively ID his wife at around 1255 hours. I was in the room when the positive ID was made.

I then transferred custody of the personal belongings of the victim to Detective Dave Duty. I then came back to the East Precinct where I wrote

On 05-30-2010 I was working uniformed bicycle patrol duty with Ofc. M. Bradrick as unit 2M95 for the City of Seattle. At around 1132 hrs we responded to a shots fired call located at around the intersection of 8 Ave/Seneca St.

We arrived and I observed a W/F (victim) lying on her back in the parking lot, located to the S/E corner of the intersection. I observed that another female was doing chest compressions on the prone female victim, and a male was holding the victim's head still.

I approached the female victim and observed that she was bleeding from her nose/mouth, and from the side of her head. I observed what appeared to be brain matter as well on the side of her head. I asked the female whom was doing the chest compressions if the victim was breathing. She told me that the victim was breathing a short time ago and recently had stopped. At the time the female stood up, and I knelt down and began resuming chest compressions on the victim.

I continued to perform chest compressions until I was instructed to stop by arriving SFD personnel. I then stopped and assisted SFD in securing the victim to a gurney.

I then moved to the south end of the crime scene area and set up containment. I then assisted in putting up crime scene tape around the scene, and then reestablished my containment post at the south side of the scene.

On 05-30-12, at approximately 1133 hours, I heard the Chief Dispatcher activate the alert tones and broadcast the report of a shooting at 8 Avenue and Seneca Street. I had just completed a property damage report in the write up room of the West Precinct. I immediately ran to a patrol car on the vehicle deck and activated my lights and sirens to respond to the scene. At approximately 1137 hours, I arrived in the 700 block of Seneca Street, north side of Town Hall.

I observed several people milling around the edge of a parking lot on the west side of Town Hall. I asked these people to step into the alley portion of the parking lot, and I contacted one man, [REDACTED] who stated he was a witness. W [REDACTED] stated he was on foot at 8th and Seneca waiting for the traffic light. He observed a black Mercedes SUV "tear out of the parking lot" and head E/B on Seneca. He observed it make a right turn onto 8th Avenue. As it did so, he stated the hazard lights came on. Phippen stated the vehicle, driven by a W/M/20's-30's, took a left turn onto Spring Street.

After obtaining all of W [REDACTED] information, I drove my patrol car to the Spring Street portion of the parking lot in order to secure the crime scene. I strung police tape and kept on-lookers and media behind the tape. At approximately 1400 hours, I was relieved by another officer, and by TCIS, who needed to park their vehicle in my space.

On 5-30-12 at approximately 1133 hours I responded to a call of a shooting in the Diamond Parking Lot adjacent to the Town Hall building at 8th Av and Seneca St. I responded because they were asking for a supervisor to respond and I was nearby. I was hoping to locate a suspect that radio had broadcast had fled eastbound on Union St in a black colored Mercedes SUV. Upon my arrival I located the victim down on the ground in the Diamond parking lot. The victim was a heavysset white female. A citizen, a white male wearing a camouflage jacket, was attempting to perform CPR on her. He was covered in blood. There was a large pool of blood under the victim. Sgt. Gracy arrived just ahead of me and he told the man to stand back. We waited for the arrival of a Medic Unit. It appeared that she had been shot through the head and possibly in the torso as well. She appeared to be deceased. Several witnesses approached me and told me they saw the whole incident. The few I spoke to had seen a verbal altercation between the male suspect and the female. Then the male pulled a gun and pistol whipped the victim. The struggle was then for the gun which at one point was on the ground. The male suspect retrieved the gun and then shot the victim multiple times. The suspect then entered the black SUV and tried to drive forward out of the parking spot. Realizing he could not go forward, the suspect put the SUV in reverse. He drove over the victim's body which was behind the SUV. He did so as he backed out of the parking stall. Next he drove over the victim's body forward when leaving the scene. He then fled

the scene southbound on 8th Avenue according to some witnesses. I had a woman approach me and tell me that she and her entire staff had witnessed the shooting from their 8th floor office and that she had gotten the plate and called 911. I told her to gather her staff and detain them for officers or detectives to get their statements. I directed a bicycle officer to go to their location to get the statements. I also encountered numerous other witnesses who I asked to stay and give statements to the officers. Meanwhile Medic 28 arrived and Sgt. Gracy told me to tell an officer to move their car so they could drive into the crime scene. I found this request a bit odd since it appeared that this was an obvious homicide scene, but directed Reserve Officer W. Edwards to move his car and let the Medics drive in. Sgt. Gracy was handling the primary supervisor role on this call. I spoke to several more witnesses and directed Officer S. McKinney who had a digital recorder to take as many statements as she could. I asked A/Sgt. Umporowicz who had just arrived to find another West Pct officer who had a digital recorder to take statements since that would be more efficient. Sgt. Gracy next asked me to assist by assigning an officer to meet the Medic Unit at HMC to stand by with the victim. I contacted 3E who was already at HMC thru West Radio dispatch. He assigned Officer Jennifer Gardner who was already at HMC to stand by with the victim and Officer Al Warner, an evidence technician to assist. I instructed them to be sure the clothing which was removed from the victim as well as any property were obtained for evidence. I instructed them to package it for evidence. I also asked them to obtain the rounds if any were already recovered by medical staff and to bag the victim's hands for possible DNA evidence collection later by the Medical Examiner. I obtained A/Sgt. E. Pisconski's phone number and returned to the scene to give it Sgt. Grady and the primary officer, S. McKinney. I advised S. McKinney that the victim had been pronounced dead at HMC. A/Sgt. Pisconski was to have Officer Gardner and Warner stay at HMC with the victim until Homicide detectives took over at the hospital. S. McKinney informed me that she had located a work acquaintance of the victim and that the victim's husband was on the way to the scene. Officer McKinney told me that she would talk to the detective on scene and advise him of the update in the victim's condition and also advise him that the officers were standing by up there for a detective to arrive with the victim's body. I next contacted Virginia Mason security staff and advised them of the description of the suspect vehicle and suspect and told them to call 911 if they located the vehicle or suspect in their medical complex or in one of their parking garages. At HMC, I had been ordered by Lt. Guay that I needed to return to the East Pct in case we had calls there so I cleared the scene and was unable to assist further in the investigation.

On 5-30-12, from about 1200 hours to 1400 hours, I was working uniformed patrol in a marked patrol car as 2R22. I was dispatched to the entrance of the lower West Seattle Bridge (intersection of SW Spokane St and the Terminal 4 Access Ramp), to act as a containment officer for this incident. I parked my patrol car at the intersection and activated my emergency lights. At about 1300 hours, I noticed a male on a bicycle approaching my position from the west on the bike trail that runs along the south side of SW Spokane St. He seemed to notice my patrol car, stop, then turn around and head the opposite direction, out of my sight. He appeared to be a white male with scruffy appearance, possibly a transient, wearing a backpack and a dark jacket. I went toward him, and caught up with him at the intersection of the Delridge Connector Trail and 22 Av SW. He was drinking beer from a can and said he had turned around because he didn't want to get into any trouble. He appeared calm and was cooperative. He provided his WA State ID Card, which identified him as Salisbury, Steven T, W/M/ [REDACTED] 65. He said his current address is at 4229 S 177th St in SeaTac. He was about 5-8, had dirty blonde curly hair, a dark blue hooded jacket over a white/green plaid shirt, a green backpack, and blue jeans. He did not seem to match the description given for the shooting suspect, so I warned him about the alcohol and released him. He rode his bike east across the lower level of the West Seattle Bridge. I continued containment duties in the same location until released by dispatch.

On this date at about 1202 hrs, I was working uniform patrol as 2W02/marked unit. I responded to Delridge Wy SW and SW Genesee St for traffic control/containment; 2F21, Off E Nicholson had located a possible suspect vehicle in the shooting at 8th and Seneca St (12-167046).

When units advised that they were setting up on the house at 4028 Delridge Wy SW, believing that a "Brandon Crofoot," a possible suspect in the shooting was there, I responded there because I knew that "Brandon Crofoot" used to live there but had not lived there for 3 years. I know the current resident of this address Jones, Timothy and Jones, Bradi. I responded there, called Jones, Timothy out of the house using my P.A. system and had him sit in the back of my patrol car. He told me that nobody else was inside his house, but that the outside basement door was unlocked (the basement is separate from the upper floor of the house).

I advised SWAT of this.

After SWAT searched the house at 4028 Delridge Wy SW and did not find anybody inside, I let Jones go back into his house.

Today I was working a 2 man uniformed bike patrol as 2M95. I was at the corner of 4 and Pike st when a call came out of a shooting at 8/Seneca st at 1133 hrs. We arrived at 1136 and i could see a person on the ground with several people standing over her in the parking lot at 8/Seneca. It appeared that CPR was being performed and I broadcast that info. I dismounted my bike and started gathering any witnesses to where I was standing while my partner went and took over CPR from whoever was doing it. I announced this on the radio and then went back to taking statements. Fire arrived and I directed them to the victim. I then went inside "Town Hall" with all the available witnesses and assisted detectives in finding space to take statements while monitoring the witnesses and making sure they did not leave. I assisted setting up a small amount of police tape on Seneca in front of "Town Hall". When my presence was no longer required I left for the precinct to complete this statement. End of statement.

On 05-30-2012 I was working full uniformed patrol as 2m52. At approximately 1132 hours SPD Radio broadcast a report of a shooting at 8th AVE and Seneca St.

I responded to the scene where I observed a W/F lying on the concrete next to an empty parking space. Seattle Fire Department personnel arrived on scene and began to provide medical aid to the victim W/F.

I spoke with Witness' Barker, Philip and Stremler and Clark, who were standing in the parking lot.

W/Barker, Philip told me that he and his wife W/Barker, Sally Anne were stopped at the red light at the intersection of 7th AVE and Seneca St facing West. Barker told me that he watched an unknown W/M approximately 35 Y/O with a blond "crew cut" style haircut shoot the victim W/F "execution style." W/Barker, Philip described the pistol used by the unknown W/m as a black, possibly semi auto with a silver grip. W/Barker, Philip stated that he noticed a "glint" coming from the pistol. I asked W/Barker, Philip to find his wife and have her speak with me.

Clark told me that she was in the parking lot at the time of shooting but did not witness the incident.

I spoke with W/Stremmer who told me that she was waiting in her car directly behind the Barkers vehicle (facing west.) Stremmer heard a loud noise and looked over to her left towards the parking lot. Stremmer observed a black SUV vehicle back up, and drive over the legs of the victim W/F who was lying in the parking lot. Stremmer told me that when the driver of the black SUV was driving out of the parking lot he looked at her and put up both hands and "flipped her off" using both middle fingers.

Shortly after speaking with Stremmer, W/Barker Sally Anne approached me and told me what she had witnessed. W/Barker, Sally Anne told me that she was sitting in the front passenger side seat of her vehicle when she heard a loud scream, which she described as a "scream for help." W/Barker, Sally Anne told me that scream was so loud that she could hear it plain as day, even though the windows of the vehicle were completely rolled up.

W/Barker, Sally Anne further stated that after hearing the scream she looked to her left towards the parking lot and observed an unknown W/M male standing over the victim W/F punching her with one hand, while his other hand was holding a pistol which was raised above his head. W/Barker, Sally Anne said the suspect swung the pistol towards the victim W/F and when the pistol "disappeared" from her view, W/Barker, Sally Anne heard a gunshot. W/Barker, Philip who was standing next to me while I was speaking with his wife, told me that he told his wife to stay in the car until the suspect fled.

After the suspect fled the scene W/Barker, Sally Anne exited the vehicle and ran towards the victim W/F and began to administer CPR on the victim W/F.

I transported W/Stremmer to SPD Headquarters for further interview by SPD Homicide Detectives.

I wrote this statement.

On 05/30/2012 at approximately 0930 hrs I was assigned and working with my partner V. Maes #5065 in full SPD uniform driving a SPD marked van as Unit#412.

At approximately 1133 hrs SPD West dispatcher advise over the radio of a shooting incident which occurred at or near 8th ave and Seneca Street. I responded to the scene and found a body lying inside the Diamond Parking Lot located on the south east corner of Hubbell Place and Seneca Street.

I exited my patrol van and was contacted by a white male who at that didn't identified himself, but advised me that the vehicle involved was a black Mercedes newer with a plate of 348 VWV. I advised radio of the information and then I assisted in protecting the crime scene by placing evidence tape. I then was instructed to watch the scene until follow up units arrived, I cleared the scene at 1406 hrs.

GENERAL OFFENSE #
2012-167046
RELATED EVENT#

Submitted by Det. Mike Korner	2012 JUN 05 PM 6:07	Serial# 4895	Date 6-5-2012	Time 0730
---	---------------------	------------------------	-------------------------	---------------------

C/David Kim stated on May 30th, 2012, at approximately 0730 hours, he parked and locked his silver 2001 Toyota Camry 4-door bearing Washington license 008NMN in the Diamond pay parking lot stall #124 located on the west side of the Town Hall building (1119 8th Avenue). C/Kim returned to his vehicle at approximately 1535 hours and found the hood of his vehicle had been struck by another vehicle that had been in parking stall #97 that was no longer in the parking lot. No information had been left on his vehicle.

The suspect vehicle involved in this incident was believed to be a black 2007 Mercedes Benz GL 4-door bearing Washington license 348VWV as the vehicle had been parked in the parking stall (#97) which was directly east and elevated from parking stall #124. The Mercedes Benz was involved in a car-jacking / homicide within the parking stall and may have been driven forward and into Kim's vehicle before the Mercedes Benz was driven away by the homicide suspect.

I photographed the scene and the damage to vehicle 2 with a Canon 60D DSLR camera. No malfunctions were noted. I uploaded the photographs to a PC. I copied the unmodified photographs to two compact discs. One disc was forwarded to the SPD Photo Lab and the second disc was hand delivered to the SPD Crime Scene Investigation Unit.

On Thursday, May 31st 2012, I inspected and photographed the undercarriage of the Mercedes Benz bearing Washington license 348VWV that was at the SPD Processing Room. I noted damage to the undercarriage to the Mercedes Benz was consistent with the damage to the hood of Vehicle 2. I uploaded the photographs to a PC. I copied the unmodified photographs to a compact disc. The compact disc was forwarded to the SPD Photo Lab.

I certify (declare) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

The suspect was spotted by a CIS Detective who was part of the canvass for the suspect in the two homicide cases (above). The Detective notified radio and asked for Patrol back-up. Officers arrived and as they were moving in the suspect knelt down in the planting strip near 6012 37th Ave SW and shot himself in the head. He died later at Harborview MC.

Homicide and CSI detectives responded to the scene. The scene was processed and witnesses interviewed.

ITEM	DESCRIPTION
A	The scene to be processed is a multi-story, mixed use commercial & residential building located at 5822 Roosevelt Way NE. The building consists of a single-story flat-roofed masonry building built onto the front of an older frame house. The masonry addition extends up to the edge of the paved sidewalk. The building is bordered on the north by a paved alleyway, on the east by a small paved parking area adjacent to another alley, and on the south by a residential yard.

The masonry portion of the building is completely occupied by a bar and café known as Café Racer. This has a small bar in the southwest corner of the building, with an attached kitchen. Adjoining the bar is a larger performance area with a small stage, and several small dining rooms. Entry to the bar is from a doorway on the west side of the building opening onto the sidewalk. The performance area has a separate door to the north of the bar entry. This door is marked with the street address of 5828 Roosevelt Way NE.

The masonry portion also contains a prep area with commercial mixers and baking ovens. Adjoining this is a storage area with racks and refrigerators.

Image from Google Maps

A stairway from the bar leads up to a second floor inside the frame building. This has several small seating areas, as well as restrooms and a locked office. A small storage area with more refrigerators and an ice machine is located in the southeast corner of the second floor.

A stairwell from the second floor leads to a landing, with an emergency exit door. This emergency exit opens to a flight of wooden stairs down to the parking area off the alley to the east. A second flight of stairs up from the landing leads to a padlocked door that reportedly opens into a private residence. There is additional access from an external stairway on the south side of the building. This residence was not entered during processing of the crime scene.

A gate on the south side of the building opens from the sidewalk on Roosevelt Way NE to a flight of exterior stairs leading up to the private residence.

Roosevelt Way NE is an arterial roadway, one-way southbound. Traffic was being diverted at NE Ravenna Boulevard north of the scene, with marked SPD Patrol vehicles blocking the roadway. Yellow crime scene tape had been stretched alongside the west sidewalk, and across the west side of the intersection with NE 59th Street, forming an outer perimeter.

An inner perimeter marked with red crime scene tape had been established from the south edge of the gate, out to the street and then north to the north side of the alley to the north of Café Racer. A uniformed SPD officer was maintaining an entry log. Uniformed officers with long guns were still maintaining scene security on our arrival. Additional officers were posted in the alley to the east, and in the alley to the north.

This incident occurred during the hours of daylight, and the subsequent investigation occurred during daylight. The weather was clear and dry, and there were no environmental impediments during the processing of the scene.

B Detectives in the CSI Unit became aware of this incident from news media shortly after it occurred. Sergeant Stampfl and I responded from the CSI Unit office while other detectives began loading equipment. En route to the scene, Stampfl was requested by Sergeant Nelson, and was also advised of an additional scene downtown.

We arrived on scene at approximately 1150 hours. A large number of SPD personnel were present, and area searches for the suspect were still underway.

Sergeant Nelson of the Homicide and Assault Unit provided an initial briefing and scene walkthrough. He advised that a suspect had shot several people inside the Café before fleeing the scene. At least two victims had been transported from the scene with life threatening injuries, and there were two deceased individuals still inside.

An immediate concern was securing and viewing the footage from the security cameras inside the Café. Sergeant Nelson advised that Detective Moss from the Criminal Intelligence Section was en route to secure the digital media from the office.

In the interim I began photographing the scene using a Nikon D700 digital camera. The first image was recorded at 1200 hours. The photo placard used will be maintained in the case file.

At approximately 1240 hours Detective Moss was on scene and prepared to secure the digital security camera footage. I met him outside and escorted him through the rear entrance and down the stairs to the second-floor office; thus avoiding having him walk through the actual shooting scene. Detective Moss had been given a key to the office supplied by the Café owner, and used this to access the locked office. Once inside I photographed the office. I then viewed the security footage of the shooting in order to determine what items might have been handled by the suspect. After viewing the footage, I left Detective Moss alone in the office to finish his work.

C The scene itself is a large, rambling structure consisting of an older frame house, elevated above street level, with a large single story masonry addition at street level. There are two entrances on the west side of the building from the sidewalk, as well as side entrance from the alley to the north, and a back entrance from a stairway off the alley to the east.

The first floor consists of a bar in the southwest corner, with an adjacent service kitchen to the east. A door in the north wall of the bar area leads to a series of small dining and performance rooms. In the northeast corner is a small room equipped as a bakery and an attached pantry and refrigerated storage room. A stairwell between the pantry and the bar leads up to the second floor. Rooms were marked with alpha character placards to assist in identifying evidence recovery locations. (A floor plan of the first floor appears on the following page.)

Detective O'Keefe 4588 measured the first floor rooms using a Hilti PD38 laser distance meter, and later prepared a scaled diagram from the measurements. A copy of his diagram is included in the case file.

The second floor contains several small sitting rooms, a locked office, a supply room and both male and female restrooms. Another flight of stairs leads up from the second floor to a landing. A door leads from the landing to an exterior stairway down to the parking area, while yet another of stairs leads to a locked door that reportedly opens into a private residence on the top floor.

Detective Biggs 6312 measured the second floor rooms using a Hilti PD38 laser distance meter, and later prepared a scaled diagram from the measurements. A copy of her diagram is included in the case file.

Almost all of the evidence recovered was found in either **Room A** – the bar; or in **Room B**, the adjacent service kitchen. With the exception of the surveillance video in the office, no items of apparent evidentiary value were located on the second floor. (A diagram of the location of recovered evidence appears on the second following page.)

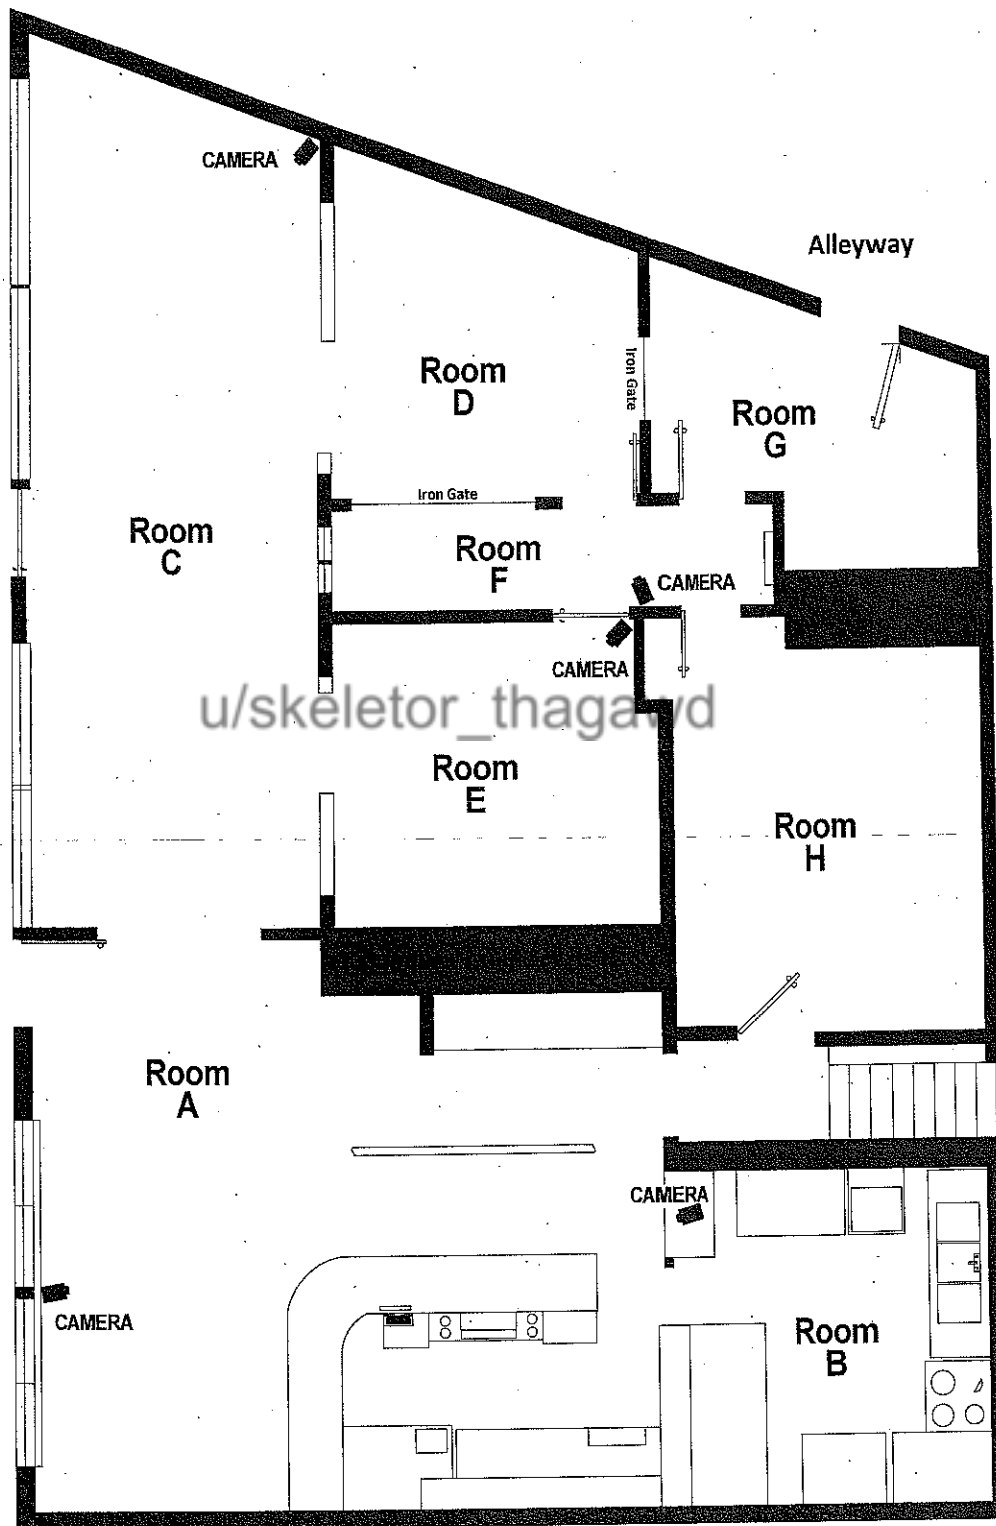

ROOM A

Outside the door to the bar (shown as **Room A** on the diagrams) I noted a thick trail of passive blood drops onto the sidewalk and extending all the way across the parking lane curbside. This trail extended through the open doorway and ended near a very large pool of partially coagulated blood just past the swing radius of the door. A significant amount of serum separation had occurred by the time I first photographed the pool at 1205 hours.

Evidence Locations – First Floor – Café Racer

Placard #1 was located just at the swing radius of the door at the northernmost extent of the swing. This marked a glass lens from a pair of eyeglasses. (The frames to which this lens presumably belongs were located at **Placard #10**.) The lens was collected and submitted to the Seattle Police Evidence Section as **Tag #349505-1**.

Placard #2 marked a brown and yellow zippered shirt or jacket located just north of the large-blood pool inside the doorway. A sleeve and part of the body of the jacket lay across the blood pool, and it was apparent that the jacket had been deposited atop the pool after it had been created. The jacket was collected and submitted to the Seattle Police Evidence Section as **Tag #349505-2**.

A brown Faconnable® brand jacket and a purple T-shirt were marked by **Placard #3**. This was partially beneath the edge of a table just inside and to the south of the doorway. The shirt and jacket combination appeared to have been cut, presumably as part of the life-saving efforts of medical personnel. They were collected together and submitted to the Seattle Police Evidence Section as **Tag #349505-3**. A Samsung cellular telephone was recovered from the jacket pocket and submitted to the Seattle Police Evidence Section as **Tag #349505-7**.

Other evidence of medical intervention was apparent in this area, including blood-soaked towels, medical shears and packaging from dressings and oxygen therapy equipment.

Placard #4 marked a pair of brown leather shoes, blue denim jeans and a maroon T-shirt on the floor near the first table inside the doorway. They were collected together and submitted to the Seattle Police Evidence Section as **Tag #349505-4**.

A money clip with a Washington State Drivers License for Donald Blair Largen (WA DOL [REDACTED]) was found in the pocket of the jeans recovered at Placard #4. This was submitted to the Seattle Police Evidence Section as **Tag #349505-31**.

The money clip also held \$3.00 in US currency. This was submitted in a currency envelope to the Seattle Police Evidence Section as **Tag #349505-39**.

Partially beneath a chair at the first table inside the door I found the broken frames to a pair of eyeglasses. They were marked with **Placard #5**, and were submitted to the Seattle Police Evidence Section as **Tag #349505-5**.

Hanging on the left side of the back of the same chair I located a black sweatshirt that was marked with **Placard #6**, and were submitted to the Seattle Police Evidence Section as **Tag #349505-6**.

The table next to this chair held a white iPhone that was marked with **Placard #7**. On the floor beneath the table I located a maroon messenger bag that was marked with **Placard #8**. The messenger bag held a purse with a Washington State Identification Card for Tara Lynn-Marie Sanders (WA ID [REDACTED]).

At the request of SPD Homicide Detective Jennifer Southworth 6041, I released the iPhone as well as the purse, identification, cash and other items from the messenger bag to her, for eventual release to the owner. Detective Southworth signed a hand receipt (retained in case file) for the items. The maroon messenger bag itself was submitted to the Seattle Police Evidence Section as **Tag #349505-8**.

Adjacent to the table is a black upholstered bar stool, left standing upside down. Near the bar stool is a fired cartridge case with the headstamp "R P 45 AUTO". This has been marked with **Placard #9**. It was collected and submitted to the Seattle Police Evidence Section as **Tag #349505-9**.

Underneath a chair on the opposite side of the table, I located the other lens from the eyeglasses. This was marked with **Placard #10** and collected and submitted to the Seattle Police Evidence Section as **Tag #349505-10**.

On the east side of the door frame for the entry into **Room C**, I located what appeared to be a bullet defect. This was labeled as **Defect A1**. After opening the wall, I was able to recover an intact full metal jacket bullet. This was submitted to the Seattle Police Evidence Section as **Tag #349505-35**.

View Looking East into Room A – Bullet Defect Circled

A seating area south of the doorway, and between the bar and the picture window facing the street held one round and one rectangular table, plus several chairs and bar stools. One the floor near the curve of the bar I located a set of keys with a car fob. They were marked with **Placard #11** and were submitted to the Seattle Police Evidence Section as **Tag #349505-11**.

At the round table near the south wall, I noted a green knot jacket draped over a chair back. This was marked with **Placard #12** and was submitted to the Seattle Police Evidence Section as **Tag #349505-12**. Inside the right side pocket of this jacket I located a small quantity of dried marijuana, estimated at approximately 3 grams. This was packaged separately and was submitted to the Seattle Police Department Evidence Section in a sealed narcotics envelope as **Tag #349505-38**.

Several items were recovered from atop the corner of the bar. **Placard #13** marked a cluster of items including a black & white polka-dot bag, a small maroon leather purse or case, an LG cell phone and a hat. These were collected together and submitted to the Seattle Police Evidence Section as **Tag #349505-13**. Near these items was a black neoprene case holding a Kindle e-reader. This was marked with **Placard #14** and collected and submitted to the Seattle Police Evidence Section as **Tag #349505-14**.

Sitting on the bar to the west of the purse, etc was a pint glass, still over half full of beer. This was marked with **Placard #24**, and was collected (minus the liquid) and submitted to the Seattle Police Evidence Section as **Tag #349505-24**.

On the floor near the east end of the bar I found a small stainless steel pitcher or creamer with a hinged lid. Both sides of the pitcher had been pierced by what appeared to be a perforating bullet defect. The pitcher was marked with **Placard #15** and collected and submitted to the Seattle Police Evidence Section as **Tag #349505-15**.

Room A - Facing Bar Looking Southeast

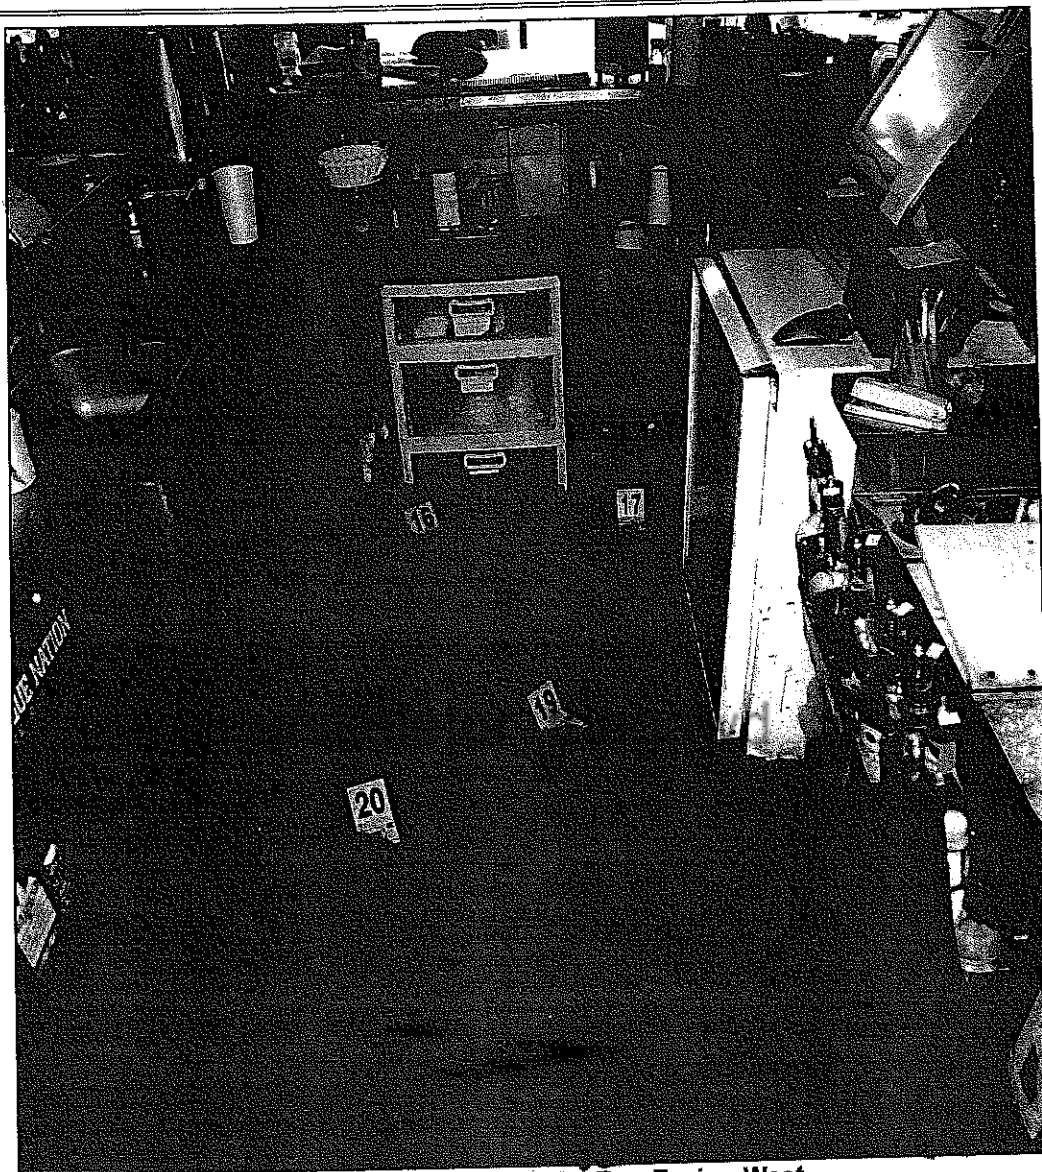

The narrow work area behind the bar is covered with perforated black rubber floor mats. Lying prone on the floor with his head to the west and his feet near the east end of the bar is a deceased white male wearing a red or maroon sweatshirt, dark colored cutoff jeans and black leather motorcycle boots. There is obvious trauma to the right side of his skull and a large pool of blood and brain matter surrounds his head.

A dark green jacket is located on the floor at the west end of the work area behind the bar. This is marked with **Placard #16** and is later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-16**.

Next to the green jacket is an intact fired full metal jacket bullet. One side of the bullet is flattened from striking a hard smooth surface. This is marked with **Placard #17** and was later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-17**.

Taped to the surface of the monitor above the cash register I found a handwritten note that read in part

"Crazy conspiracy man got kicked out again today on account of excessive rudeness."

This was dated 5/25, and showed the number 86 enclosed within a circle, a common shorthand to indicate that a person is barred from entry to a bar or restaurant. On the rubber mats near this victim's head was a brown, flat-brimmed cap, soaked with blood and flecked with brain matter. This was marked with **Placard #19**, and was later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-19**.

Near the body was a blue LL Bean® brand sweatshirt. This was marked with **Placard #20**, and later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-20**.

On the floor mats, immediately adjacent to the victim's knees I found a pair of brown leather sandals. They were marked with **Placard #22**, and submitted to the Seattle Police Department Evidence Section as **Tag #349505-22**.

On the metal work surface near the ice bin on the bar, I found a fired cartridge case with the headstamp "**PMC 45 AUTO**". This was marked with **Placard #21** and submitted to the Seattle Police Department Evidence Section as **Tag #349505-21**.

A similar fired cartridge case with the headstamp "**PMC 45 AUTO**" was found beneath the cash register later in the search. This was marked with **Placard #33** and submitted to the Seattle Police Department Evidence Section as **Tag #349505-33**.

When personnel from the King County Medical Examiner's Office arrived (Medicolegal Death Investigator William Barbour and Assistant Medical Examiner Jennifer Tserng) we were able to roll the body. Significant trauma was apparent on the left side of his skull. He was tentatively identified as Joseph Vito Albanese, date of birth [REDACTED] 1960. He was assigned KCMEO Case Number 12-000853.

Once his body was moved from behind the bar, I located additional evidence that had been beneath the body. Near his hips I found a fired cartridge case with the headstamp "**PMC 45 AUTO**". This was marked with **Placard #28** and submitted to the Seattle Police Department Evidence Section as **Tag #349505-28**.

Near this is an intact fired full metal jacket bullet. This is marked with **Placard #29** and was later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-29**.

Placard #30 is near the original position of the victim's head and marks the location of a fired cartridge case with the headstamp "**PMC 45 AUTO**". This was submitted to the Seattle Police Department Evidence Section as **Tag #349505-30**.

A second victim was located at the base of the stairs leading up to the second floor. This was a white male with a shaved head wearing jeans and a brown sweater. He was in a slumped kneeling position with his head wedged into a corner of the door frame. A very large pool of blood surrounded his head, with a great deal of serum separation evident.

Once Medicolegal Death Investigator Barbour had completed photography we were able to roll the body. What appeared to be a penetrating gunshot wound to the right of his right nostril was visible. He was tentatively identified as Andrew Thomas Keriakedes, date of birth [REDACTED] 1967, based upon a Washington State Identification Card (WA ID [REDACTED]) found in his wallet. He was assigned KCMEO Case Number 12-000852.

Near Keriakedes' left knee was an upside bar stool. After viewing the surveillance video of the incident I believed this stool to be the one originally occupied by the shooter. I had seen him reach beneath the seat and pull it forward as he sat down, and wanted to recover the stool for latent print processing. (The stool had been picked up and thrown by another patron during the shooting.) The stool was marked with **Placard #23**, and was later recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-23**.

A black leather jacket was hung over the end of the brass rail separating the bar seating area from the passageway leading to the stairs. This was marked with **Placard #26** and was recovered and submitted to the Seattle Police Department Evidence Section as **Tag #349505-26**. A wallet inside held identification for the victim found behind the bar, Vito Joseph Albanese. The wallet was submitted as **Tag #349505-37**.

After KCMEO personnel and CSI detectives carried the bodies outside, Dr Tserng stated that she had seen a bullet fragment in the blood pool around Keriakedes' head. This was marked with **Placard #31**, and photographed. I then attempted to collect the item identified and found that it was not a bullet fragment, but was instead a small piece of dried blood that had curled up and detached from the linoleum. This was not collected.

The east wall of Room A consists of a doorway into the kitchen (Room B) a small service pass through, and a set of shelves full of pastry racks, condiments, etc.

In examining the plywood back wall of the shelving I noted two apparent bullet defects. These were labeled as **Defect B1** and **Defect C1**. Once I removed all of the condiments, etc from the shelf, I also found another fired cartridge case with the headstamp "**PMC 45 AUTO**". This was marked with **Placard #32** and was later collected and submitted to the Seattle Police Evidence Section as **Tag#349505-32**.

East Wall of Room A - Bullet Defects Circled

Defect B1 had passed completely through the plywood. The plywood laminate was torn away on the opposite side, and small splinters of wood were scattered about; indicating that the path of the projectile was from **Room A** into **Room B**. The defect was not the normal circular or elliptical cross section seen when a stable bullet strikes a surface. Instead, the cross section was very close to a perfect outline of a full metal-jacket bullet seen in profile. Given the short range involved, it would seem that this indicates a destabilized bullet tumbling when it struck the plywood.

Defect B1

Defect C1 was also a perforating defect through the plywood. The hole was much closer to the expected elliptical profile. The same "blown out" appearance of the wood on the reverse, as well as the presence of splinters would support that this bullet path was also from **Room A** into **Room B**. A horizontal wood shelf behind the plywood divider had a shallow groove on it that was labeled as **Defect C2**. The long axis of the defect was at roughly a right angle to the wall.

I removed the entire section of plywood from the vertical portion of the shelf. This was packaged and submitted to the Seattle Police Department Evidence at **Tag #349505-36**.

ROOM B

Room B is the small service kitchen located off of the bar. Only two items of apparent evidentiary value were found here; both full metal jacket fired bullets. One was located on a metal shelf adjacent to the dishwashing station on the east wall. This was approximately in a direct line with the extension of the shallow groove labeled as **Defect C2**. This fired bullet was marked as **Placard #25**, and was collected and submitted to the Seattle Police Department evidence Section as **Tag #349505-25**.

The second fired bullet was located on the floor, caught in one of the holes in the black rubber floor mat. This was marked as **Placard #27**, and was collected and submitted to the Seattle Police Department evidence Section as **Tag #349505-27**.

ROOM C

The only item of evidence recovered outside of **Room A** or **Room B** was a brown leather purse recovered from a bench seat along the west wall of **Room C**, near the door into the bar. The purse held identification for Patricia L. Andrews-Smith, (Washington Drivers License [redacted]). The purse was marked with **Placard #34**, and was submitted to the Seattle Police Department evidence Section as **Tag #349505-34**.

E While at the scene I was advised by Sergeant Vallor that the scene was to be released to a representative of the owner, and that we would not be securing the scene for further investigation.

Sergeant Vallor then introduced me to Richard Newland, who presented a business card identifying him as a Private Investigator (WA PI License #2578) with Newland Legal Services. I photographed both Mr. Newland and his Washington Drivers License (WA DL [REDACTED]) before releasing the scene to him.

The scene was released at 1914 hours following a final walkthrough with Sergeant Vallor.

We then returned to the Police Support Facility where I stored all of the evidence in a secured evidence cage inside the Vehicle Processing Room. The VPR is contained within the SPD Police Support Facility, a controlled access facility not open to the public. Access to the VPR requires an additional level of access permission beyond entry to the PSF. Doors are equipped with electronic locks controlled by proximity cards.

I downloaded the images from my camera into the Digital Evidence Management System (DEMS).

Subject: Ballistic Results

Jessica,

Got a call from Rick Wyant (Crime Lab), he found that the larger framed .45 was used on two victims up north, the smaller framed .45 used on the other two and the victim at 8th/Seneca St, and of course the larger framed .45 used on the suspect. He is writing up his report and will get it to me soon. So, both weapons recovered were matched with ballistics found at the north end scene, smaller recovered weapon matched ballistics from 8th/Seneca, larger recovered weapon matched ballistics at the West Seattle scene.

Narrative Text Report # 1

Subject: OFC MCNEW'S STATEMENT
Related date/time: May-30-2012 (Wed.) 1445

On 05/30/12 at approximately 1100 hours I was working as a uniformed patrol officer unit 1J1, in the City of Seattle. I was dispatched to the report of shots fired with multiple casualties at 5828 Roosevelt Wy NE-Cafe Racer.

Upon arrival I deployed my patrol shotgun and proceeded to the front of the business where I witnessed a victim approximately 3-4 feet inside the south door face down with an apparent head injury. The victim was gargling blood and appeared to still be trying to breathe. I could then see Ofc. Haag #6051 inside the northern half of the seating area, he caught my attention and I then entered the business.

Once inside Ofc. Haag pointed out two female witness who were hiding under a table against the back wall. I then walked over to one of the females, Witness/Andrews-Smith who was visibly shaken and reluctant to come out of hiding. We then escorted the two women out the north front door and sat them on the bench outside.

W/Smith-Andrews was crying and upset, I instructed her how to control her breathing and she was able to calm herself enough to speak to me. While another Officer spoke to the other female witness I began to question W/Andrews-Smith about what she had seen. The witness stated that she was sitting near the south entrance with he back to the door when she heard a

pop that she likened to the sound of a champagne bottle. She then turned to see what was going on and saw the profile of a man that she described as very tall and skinny with a dark beard wearing a denim shirt.

W/Andrews-Smith stated that she saw a handgun in the suspects hand that she described as large and square. She stated that she ran to the back door but was unable to open it so she took cover under the table with the other female witness. I had to stop several times to comfort W/Andrews-Smith as she would begin to weep. W/Andrews-Smith said that she then saw the suspect walk calmly out and northbound on the side walk in front of the cafe. W/Andrews-Smith stated that her car was being repaired down the street and she was just waiting in the cafe. I then stood by with the two witnesses until detectives arrived. I asked the two women not to speak to each other about the incident. A few Moments later a robbery detective escorted the two women away to be interviewed.

I was then tasked with keeping the crime scene log. I began recording the names of all who entered the inner crime scene perimeter. I was also given a list of names from Ofc. Buxton #6215 and Ofc. Clark of individuals who had entered prior to my log. I entered those names and times into the log. I also provided Homicide detectives with the Witness information that I had collected.

At approximately 1330 hours I was relieved of log duties by Ofc. Mahar #5992. I then returned to the North Precinct where I uploaded my in car video and completed a statement.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

I then walked over to one of the females, Witness/Andrews-Smith who was visibly shaken and reluctant to come out of hiding. We then escorted the two women out the north front door and sat them on the bench outside.

W/Smith-Andrews was crying and upset, I instructed her how to control her breathing and she was able to calm herself enough to speak to me. While another Officer spoke to the other female witness I began to question W/Andrews-Smith about what she had seen. The witness stated that she was sitting near the south entrance with her back to the door when she heard a pop that she likened to the sound of a champagne bottle. She then turned to see what was going on and saw the profile of a man that she described as very tall and skinny with a dark beard wearing a denim shirt.

W/Andrews-Smith stated that she saw a handgun in the suspects hand that she described as large and square. She stated that she ran to the back door but was unable to open it so she took cover under the table with the other female witness. I had to stop several times to comfort W/Andrews-Smith as she would begin to weep. W/Andrews-Smith said that she then saw the suspect walk calmly out and northbound on the side walk in front of the cafe. W/Andrews-Smith stated that her car was being repaired down the street and she was just waiting in the cafe. I then stood by with the two witnesses until detectives arrived. I asked the two women not to speak to each other about the incident. A few Moments later a robbery detective escorted the two women away to be interviewed.

I was then tasked with keeping the crime scene log. I began recording the names of all who entered the inner crime scene perimeter. I was also given a list of names from Ofc. Buxton #6215 and Ofc. Clark of individuals who had entered prior to my log. I entered those names and times into the log. I also provided Homicide detectives with the Witness information that I had collected.

At approximately 1330 hours I was relieved of log duties by Ofc. Mahar #5992. I then returned to the North Precinct where I uploaded my in car video and completed a statement.

Today I was assigned to as patrol unit 2L1. I was in full SPD uniform and driving a marked SPD vehicle.

I was in Roll Call at 1100 hours when radio broadcast a shooting at 5822 Roosevelt Way NE. Radio stated that there were multiple shooting victims at the scene. I saw Officer S. Clark #5987 as I was leaving the precinct and we decided to double up.

I drove to the 5800 block of Roosevelt Way NE and dropped off Officer Clark. Sgt. Arata immediately assigned me to follow a medic unit to HMC. The medic unit was transporting a W/M victim 46 years old. SFD personnel referred to this W/M victim as Patient #2. SFD stated that Patient 2 had a gun shot wound to his head...possibly a total of three gun shot wounds.

As I arrived at HMC the Chief Dispatcher broadcast another shooting at 8th and Seneca Street.

I did follow that unit to HMC and I recovered Patient #2's clothing in the ER. I gave the clothing to Officer Gardner from the East Precinct. I also recovered clothing from the 30 YOA W/F referred to as Patient #3. SFD was administering CPR on Patient #3 upon arrival at HMC. SFD reported that she had sustained both head and shoulder wounds. I recovered a piece of her

clothing as well, and gave it to Officer Gardner for processing.

East precinct took over the HMC coverage and I responded back to the command post.

Once at the Command Post, Sgt. Nelson of homicide requested that I get thorough descriptions of both shooting suspects. I called the CD and received descriptions of the suspect for each of the two shootings. I gave those notes to Sgt. Nelson.

Next I was assigned to assist Sgt. Arata with handling multiple radio frequencies. Lt. Rassmussen had several Sergeants and Officers split into teams to do a house to house search. I remained with Sgt. Arata and his team. Officers Haynes, Montoron, Stevenson, Feldman and two UWPD officers were assigned to Arata (Northwest). I documented the addresses and names of the people that we made contact with. I will list all of those on a separate supplemental.

While we were doing the search, W [REDACTED] and W [REDACTED] made contact with Officer Stevenson. I went to assist him. W [REDACTED] stated that her husband was one of the victim's of the shooting. She said that she assumed that he was dead but did not know for sure. I believe that she said her husbands name was [REDACTED]. [REDACTED] told us that she figured that the shooting suspect was a guy that she and her husband met at Cafe Racer on Friday May 26th. [REDACTED] said that the male was white and around 6 feet tall. [REDACTED] said that she and her husband invited him to their home at [REDACTED] 8th Av. NE to watch DVDs. [REDACTED] said the male went by the name of "Ian" and "Icky Wicky". [REDACTED] said that there was a point when her husband had asked Ian to leave their home because he began acting very strangely and spoke about eating the livers of police officers. [REDACTED] last saw the suspect on Friday at 16-1700 hours. [REDACTED] said that her roommates told her that Ian had shown back up at the house since then but had not been allowed inside. [REDACTED] was fearful that Ian might be at her house hiding right then. Our team responded to her house and it checked clear for the suspect. I relayed the suspect information that [REDACTED] gave to me to Sgt. Nelson by phone.

Our team then resumed our house to house to house search after clearing [REDACTED] house.

Eventually my team was sent back to the command post. We were advised that the suspect had killed himself in West Seattle. Sgt. Arata told me to return to the precinct and complete my statement.

This incident was DVR'd.

On 05/30/2012, I was working uniformed patrol in a marked patrol vehicle as 2-Frank-21 in the City of Seattle. I was informed of a shooting that had occurred in North Seattle at a coffee shop earlier today (See SPD EH 2012-167022) A little while later, dispatch announced that there had been another shooting at 8 Av and Seneca St (See SPD EH 2012-167046). The suspect had left in a Black Mercedes SUV with WA License Plate 348VWV.

At approximately 1202 hours, I was traveling southbound in the 4100 block of Delridge Wy SW. I observed a Black Mercedes SUV with WA License Plate 348VWV a vehicle facing southbound on the west side of the street with their hazard lights on. It took me a second to register that was the description of the suspect vehicle from the 8 Av and Seneca St and I drove past the vehicle. I then did a U-turn and got behind the vehicle again. I called out that I was with the suspect vehicle in the 4100 block of Delridge Wy SW. I saw Officer Askew arrive with me. I heard Officer Kim and Officer Luckie also arrive with us. Officer Askew, Officer Kim and I cleared the suspect vehicle while Officer Luckie was a cover officer watching surroundings. The vehicle was clear of any suspect(s). I observed a firearm that appeared to have an extended magazine sitting on the driver seat.

I stood by at the scene as containment while K9 did area search for the suspect. While on containment, some residents came out of 4151 Delridge Wy SW stating they had observed the suspect park the vehicle in front of their residence, run eastbound across the street, and up some stairs just south of 4408 Delridge Wy SW. Officer Mazzuca got their information.

After Officers and K9 did an area check for the suspect with negative results, I filled out the vehicle report form to impound the suspect vehicle to take it to the processing room. I requested a tow for the suspect vehicle. I followed the suspect vehicle to the processing room. The tow truck driver (Fischer, John from ABC Towing) was having issues with getting the vehicle off of the tow truck because of the suspect vehicles wheels being locked. Fischer had to push the vehicle to get it into a parking spot. Fischer had gloves on, but was concerned his fingerprints or DNA may possibly be on suspect vehicle.

I then returned to the Southwest Precinct when I heard Unit 327 out with a possible suspect at approximately 1543 hours at Fauntleroy Wy SW and SW Raymond St. The suspect description that Unit 327 matched the description from the previous shootings. A couple minutes later, I heard Officer Luckie state that shots were fired.

I headed to 37 Av SW and SW Raymond St to assist officers. I went to several residences to see if we had any witnesses. I spoke with the male resident who lives at 6002 37 Av SW who stated he was in his backyard reading when he heard shots fired. The resident stated he then ran inside his residence. I also spoke with the female resident (Subject/Dean) who lives at 6022 37 AV SW stated she heard some yelling, a shot, and observed police officers with their guns drawn. This incident was DVR'd.

On 05/30/2012, I was working uniformed patrol in a marked patrol vehicle as 2-Frank-21 in the City of Seattle. I was informed of a shooting that had occurred in North Seattle at a coffee shop earlier today (See SPD EH 2012-167022) A little while later, dispatch announced that there had been another shooting at 8 Av and Seneca St (See SPD EH 2012-167046). The suspect had left in a Black Mercedes SUV with WA License Plate 348VWV.

At approximately 1202 hours, I was traveling southbound in the 4100 block of Delridge Wy SW. I observed a Black Mercedes SUV with WA License Plate 348VWV a vehicle facing southbound on the west side of the street with their hazard lights on. It took me a second to register that was the description of the suspect vehicle from the 8 Av and Seneca St and I drove past the vehicle. I then did a U-turn and got behind the vehicle again. I called out that I was with the suspect vehicle in the 4100 block of Delridge Wy SW. I saw Officer Askew arrive with me. I heard Officer Kim

and Officer Luckie also arrive with us. Officer Askew, Officer Kim and I cleared the suspect vehicle while Officer Luckie was a cover officer watching surroundings. The vehicle was clear of any suspect(s). I observed a firearm that appeared to have an extended magazine sitting on the driver seat.

I stood by at the scene as containment while K9 did area search for the suspect. While on containment, some residents came out of 4151 Delridge Wy SW stating they had observed the suspect park the vehicle in front of their residence, run eastbound across the street, and up some stairs just south of 4408 Delridge Wy SW. Officer Mazzuca got their information.

After Officers and K9 did an area check for the suspect with negative results, I filled out the vehicle report form to impound the suspect vehicle to take it to the processing room. I requested a tow for the suspect vehicle. I followed the suspect vehicle to the processing room. The tow truck driver (Fischer, John from ABC Towing) was having issues with getting the vehicle off of the tow truck because of the suspect vehicles wheels being locked. Fischer had to push the vehicle to get it into a parking spot. Fischer had gloves on, but was concerned his fingerprints or DNA may possibly be on suspect vehicle.

I then returned to the Southwest Precinct when I heard Unit 327 out with a possible suspect at approximately 1543 hours at Fauntleroy Wy SW and SW Raymond St. The suspect description that Unit 327 matched the description from the previous shootings. A couple minutes later, I heard Officer Luckie state that shots were fired.

I headed to 37 Av SW and SW Raymond St to assist officers. I went to several residences to see if we had any witnesses. I spoke with the male resident who lives at 6002 37 Av SW who stated he was in his backyard reading when he heard shots fired. The resident stated he then ran inside his residence. I also spoke with the female resident (Subject/Dean) who lives at 6022 37 AV SW stated she heard some yelling, a shot, and observed police officers with their guns drawn. On the above date at approx. 1100hrs, I was working as a uniformed police officer for the City of Seattle. I was assigned to work 1-John-31 in a fully marked Seattle Police patrol vehicle #89166. At this time SPD radio broadcast information of a poss. shooting with 4-5 people involved @ 5822 Roosevelt Way NE, Cafe Racer. I heard information that the suspect had fled NB from the business. I arrived in the area and was the 1st unit on-scene. I did not see any body on the street, or in the immediate area of the 5900-5700 block of Roosevelt Way NE. As I approached the 5800blk, someone from inside the business came outside and flagged me down and stated there were several persons shot inside. The person was on the phone with 9-1-1. person wasn't clear if the suspect was there, or not. I approached the front of the business and immediately observed one WM down on the ground just inside the doorway, bleeding from the head still breathing slightly. As I continued past him, I noted another WM down towards the doorway near the kitchen leading to some steps to a second level. This person had his head down towards the floor and door frame and his buttocks sticking upwards. He appeared to have a gunshot wound to his head. There was no movement from him. As I approached the kitchen and bar area, I observed two persons lying on the floor behind the counter, one WM and a WF neither appeared to be moving. I located the fifth person, a WM inside the kitchen area on the floor. He was alive and bleeding from what appeared to be his head / facial area. He attempted to get up and I advised him to stay

down that medical assistance was enroute. I cleared the immediate areas and advised medic units to come in. There were several witnesses located inside the business. I removed them from the building and turned them over to back-up units. They were detained for the follow-up unit. The only location inside I couldn't clear was a 2nd floor door on the left of the stairs, I believe this was the businesses main office area. The door was locked. Medics responded and took three persons out for medical attention. Once the medic units removed the critical persons from the scene. I secured the scene and and posted someone at the entrance and denied entry until H/R arrived. I again made a swipe of the interior to make sure everyone was out of the building. I assisted SFD getting their equipment out of the crime scene, which they had left inside. I assisted putting up crime scene tape around the outside of the building. H/R arrived and took over the crime scene. I remained on scene and assisted as needed controlling entry/ exit of authorized person and logging them on a crime scene log. After being released from the scene @ approx. 1630hrs, I returned to the precinct and submitted this statement. EOS

Document: NARRATIVE
Author: 4900 - WEAR, TIMOTHY J
Subject: OFFICER STATEMENT
Related date/time: May-31-2012 (Thu.) 1256

On 05-30-2012 at approximately 1100 hrs, I was assigned to 2N10 in uniform, operating a marked and equipped patrol car. I responded to a broadcast call of shots fired at 5822 Roosevelt Wy NE within the city of Seattle. I traveled with my emergency lights and COBAN digital video camera activated. I followed Roosevelt Wy NE southbound from NE 75 St to the scene of the shooting. On arrival, I turned eastbound on NE 59 St., toward Cowen Park and checked the secluded areas along the trails and two known transient camps. I checked under the bridges and then continued eastbound into Ravenna Park. I checked the secluded areas of that park as well. I then headed westbound on NE 65 St to assist zebra units with identifying a possible suspect to the west of 15 Av NE. I then headed to check on a black Honda bearing WA #AIB3539. I was directed to 8521 16 Av NE the registered owners address. Zebra Units and other SPD patrol Units arrived and a house search was conducted. The R/O was identified as Gary Duane Pankey JR W/M/ [REDACTED] 1965.

I spent the remainder of my shift responding to calls from citizens of possible suspects in or near the University District.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

Document: NARRATIVE
Author: 4971 - YAMANAKA, RANDALL W
Subject: OFFICERS STATEMENT:
Related date/time: May-30-2012 (Wed.) 1902

My name is Randy Yamanaka: I am an SPD Acting Lieutenant for 2nd watch East precinct. I was working uniform patrol unit #242. THIS is my routine assignment. I have 26 years of police experience. At approximately 1100 hrs, a shooting call at 5822 Roosevelt Wy NE was broadcast by SPD radio. Radio advised there were multiple victims. I responded from the East Precinct. Much of the response was an emergency code run, so my in-car video was activated. I called for a k9 response and containment while enroute. I arrived in about 6 minutes. There were several units already there, and I parked facing southbound on Roosevelt, about 1/2 block north of the location. I approached on foot. I did not enter the establishment but I looked inside and saw medics giving emergency aid to a victim just inside. I spoke to many officers. I learned there were 5 victims. (My car was shut off, and my video cam died when the battery shut down- after about 11 minutes or so of video.) There was a trail of blood coming out of the front doorway. I wanted the area cordoned off with crime scene tape and I had an officer begin the process (Officer Haag). I moved some of the witnesses away further away from the doorway, a little further north from the door. I had a sergeant from the East Precinct respond to the hospital (HMC) along with some East Precinct officers to assist with the wounded. I asked for one officer per victim. I then assisted Lt Clavadetscher as a logistics chief, monitoring incoming and outgoing personnel and making assignments. Officer Tyler Getts assisted me with this process.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085).

Related date/time: May-30-2012 (Wed.) 1902

My name is Randy Yamanaka: I am an SPD Acting Lieutenant for 2nd watch East precinct. I was working uniform patrol unit #242. This is my routine assignment. I have 26 years of police experience. At approximately 1100 hrs, a shooting call at 5822 Roosevelt Wy NE was broadcast by SPD radio. Radio advised there were multiple victims. I responded from the East Precinct. Much of the response was an emergency code run, so my in-car video was activated. I called for a k9 response and containment while enroute. I arrived in about 6 minutes. There were several units already there, and I parked facing southbound on Roosevelt, about 1/2 block north of the location. I approached on foot. I did not enter the establishment but I looked inside and saw medics giving emergency aid to a victim just inside. I spoke to many officers. I learned there were 5 victims. (My car was shut off, and my video cam died when the battery shut down- after about 11 minutes or so of video.) There was a trail of blood coming out of the front doorway. I wanted the area cordoned off with crime scene tape and I had an officer begin the process (Officer Haag). I moved some of the witnesses away further away from the doorway, a little further north from the door. I had a sergeant from the East Precinct respond to the hospital (HMC) along with some East Precinct officers to assist with the wounded. I asked for one officer per victim. I then assisted Lt Clavadetscher as a logistics chief, monitoring incoming and outgoing personnel and making assignments. Officer Tyler Getts assisted me with this process.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

On 5-30-12, at approximately 1202 hours, I was working uniformed and marked patrol as 2F22 when 2F21 announced over South Air that she had located the vehicle taken by the suspect in the 8 & Seneca call (ref 12-167046) in the 4100 block of Delridge Wy SW.

I blocked NB Delridge Wy SW traffic, and diverted it to EB SW Oregon St. I also directed WB traffic from SW Oregon to SB Delridge Wy SW.

When directed to open NB traffic on Delridge Wy SW, I did so.

Later I provided containment on the the K-9 track in the area of 30 Av SW and SW Dakota.

When officers contacted the suspect in the 6000 block of 37 Av SW, I responded to the scene. I canvassed houses on the block, on the West side of the street. 6003, 6007, 6017, and 6031 were not occupied at the time of the the incident. Susan Baker at 6011 didn't see or hear anything. [REDACTED] and [REDACTED] at [REDACTED] heard officers shout "Put your hands where we can see them," and then they heard a shot. Robert Bellmore at [REDACTED] didn't see or hear anything.

I then returned to the SW Precinct and wrote this statement.

DICV ON

On Wednesday, May 30, 2012, I was working as a police officer for the City of Seattle in the County of King. I was in uniform and driving a fully marked SPD patrol car (099231). My call sign was 1U32.

At approximately 1101 hours I was at the North Precinct completing a property damage report (2012-166995) when I heard a broadcast over North Radio that someone had been shot at 5822 Roosevelt WY NE. I responded from the North Precinct (The patrol car I drove to the scene, 099231, had already been logged off. Once I had the opportunity I relogged to the patrol car and my DICV was turned on.)

I drove lights and sirens taking I5 southbound to the N 72 ST exit. I drove east to Roosevelt and southbound on Roosevelt to NE Ravenna BLVD, where the first responding units had the street blocked off. I immediately started a roving containment looking for anybody matching the description of the suspect: WM, M30S-40S, 6'0 THIN TO MED BUILD, BRO HAIR, FACIAL HAIR POSS GOATIE OR BEARD, BLK JACKET, BLK/WHI PLAID SHIRT WITH A WHITE COLLAR, DK PANTS - SEEN CARRYING A PISTOL.

I heard the scene commander Sergeant Arata request 3 units to follow

On Wednesday, May 30, 2012, I was working as a police officer for the City of Seattle in the County of King. I was in uniform and driving a fully marked SPD patrol car (099231). My call sign was 1U32.

At approximately 1101 hours I was at the North Precinct completing a

property damage report (2012-166995) when I heard a broadcast over North Radio that someone had been shot at 5822 Roosevelt WY NE. I responded from the North Precinct (The patrol car I drove to the scene, 099231, had already been logged off. Once I had the opportunity I relogged to the patrol car and my DICV was turned on.)

I drove lights and sirens taking I5 southbound to the N 72 ST exit. I drove east to Roosevelt and southbound on Roosevelt to NE Ravenna BLVD, where the first responding units had the street blocked off. I immediately started a roving containment looking for anybody matching the description of the suspect: WM, M30S-40S, 6'0 THIN TO MED BUILD, BRO HAIR, FACIAL HAIR POSS GOATIE OR BEARD, BLK JACKET, BLK/WHI PLAID SHIRT WITH A WHITE COLLAR, DK PANTS - SEEN CARRYING A PISTOL.

I heard the scene commander Sergeant Arata request 3 units to follow Seattle Fire Medics carrying victims to Harborview Medical Center. I volunteered and responded to NE 58 ST/Roosevelt WY NE. SFD Medic #31 left the scene and I followed to HMC.

The victim was taken into resus #2 in the emergency department. East Precinct officers were already on scene at HMC upon my arrival. I was relieved by Officer Pisconski at the hospital.

I returned to the North Precinct where I completed this Officer Statement.

On 05-30-2012, I was working uniformed patrol in a fully marked patrol car assigned as unit 1U3. At approximately 1100, I responded to a report of Shots Fired at 5822 Roosevelt Way NE, the Cafe Racer. While enroute to the scene, I heard several updates: voices yelling; three people shot; and a suspect description of a white male, 30's-40's, 6-00, facial hair, black and white plaid shirt, jeans, and having left in an unknown direction. I was the second unit to arrive at that location. I pulled to the curb behind unit 1J31, Don George #4320. I saw a white male with white hair and beard come to the front door of the business and wave at Officer George. I saw Officer George go into the business behind the person who had been waving out the door. I got out of my car, and started into the business behind officer George. When I entered the business, I saw a white male on the floor with a pool of blood surrounding his head. His mouth was opening and closing slightly, but there was no other movement. I heard someone say that there others were, "behind the bar," and, "in the back." I looked and I saw that there were three people inside the business; the one who was waving out the door, an Asian male wearing glasses, and a white male wearing a cowboy hat. I saw Officer George come from the back of the business, and he said something to the effect of the business being clear. To avoid contaminationg the scene further, I stepped out of the business, and told SPD North Radio to send Seattle Fire Department personnel into the scene.

After contacting North Radio, I directed the three people inside the business outside to a bench on the sidewalk against the building. I quickly questioned each of them to determine who was a witness and what they might have seen. I determined that the male with the white hair and beard was the best witness, so I identified and interviewed him.

The Witness identified himself as:

W/M/ [REDACTED] -1956

[REDACTED] Brooklyn Ave. NE [REDACTED]

Seattle WA 98105

206- [REDACTED]

[REDACTED] requested Non-Disclosure*

[REDACTED] described the Suspect to me as a:

white male; 6-01 + or - one inch; very thin, "gaunt"
curly light brown hair, full light brown beard
thin pale face

wearing; a brown and white plaid long sleeve shirt with the sleeves
down and dark pants.

[REDACTED] told me that the Suspect came into the business, and was recognized by Leonard, the barista. Leonard said that he had been "86'ed" from the business and that he should leave. The Suspect then asked for a coffee drink with raspberry to go. [REDACTED] said that Leonard began to make the coffee. [REDACTED] said that he looked down at his phone, and when he looked up again, the suspect had pulled out a gun and shot Leonard. [REDACTED] said that the Suspect shot Leonard first, then the Suspect shot Drew, Joe, and Kim. [REDACTED] also said he was not sure of the order in which the victims had been shot. [REDACTED] said that he had been sitting at the bar along the south wall of the business, and felt trapped. [REDACTED] said that he picked up a bar stool, pushed the Suspect with it, and then fled into a back room. [REDACTED] did not see the Suspect leave. [REDACTED] said he did not understand why the Suspect didn't shoot him as well.

I kept the witness on the bench until I was directed to have him relocate further away from the doorway. As I was watching [REDACTED] and the other two witnesses, I was directed to put up red crime scene tape around the interior perimeter. I went back to watching the witnesses, until I was directed to have them move across the street to the command post. I remained with the witnesses until they were loaded into a department van to be transported to Homicide Office at the Seattle Justice Center. I was then directed by Sgt. Arata to return to the North Precinct, download my in car video, and complete this statement.

On 05-30-2012, I was working a marked uniformed patrol as 1-Lincoln-2 inside the City of Seattle. I responded to 5822 Roosevelt Wy NE, for a report of five people shot by a lone gunman at Cafe Racer. I arrived on location with multiple other Officers and took a position for scene security in front of the location. As more Officers arrived on location, I moved to the rear of the address and took over scene security at that location. I was relieved by a traffic unit and reported to the command post. I assisted in escorting citizens to and from their houses located inside the secured scene. I then went with North Pct CPT to perform a traffic post at NE 47/Roosevelt Wy NE, while Seattle PD SWAT cleared a nearby residence. After being released from that location, I returned to the Command Post prior to being released from the call. I then returned to the North Pct and wrote this statement.

Related date/time: May-30-2012 (Wed.) 1750

On 05/30/12, at approximately 1140 hours I (Officer Jones 7567), working 2L3 responded to a "Shots Fired" call at 5822 Roosevelt Wy Ne.

Upon responding to the scene, I secured a traffic post at Roosevelt Wy Ne/Ne Ravenna Av. I utilized my vehicle (with lights and sirens) to stop southbound traffic on Roosevelt Wy Ne. While ensuring scene security, a citizen (later identified as WITNESS: BOURDREZ, CHRISTIAAN) approached the yellow police tape and stated that he could possibly identify the individual that "police were looking for." W/BOURDREZ advised that he knew an individual named "Ian" who frequented his bike store (located at 6029 Roosevelt Wy Ne) as well as the Cafe Racer (located at 5822 Roosevelt Wy Ne). W/BOURDREZ advised that "Ian" was a "little off" but "fairly nice." He also advised that he often frequented the Cafe Racer at 1030 in the morning, because he was able to drink alcohol early. He had been asked to leave the establishment before and was quite certain that this was the man police were actively looking for. W/BOURDREZ described him as a W/M, 6', thin build, who wears dark clothing and has an attractive looking girlfriend, who drives a nice car. W/BOURDREZ did not witness the shooting this morning however, he wished to pass on this information, in hopes that it would help the police in our investigation.

W/BOURDREZ was provided with a business card and advised to contact police

Subject: OFFICER BARTON STATEMENT
Related date/time: May-30-2012 (Wed.) 1727

On 5/30/2012 at approximately 1101 hours, while working as marked SPD unit 1-Lincoln-3, I responded to a Shots call at 5822 Roosevelt Way NE in Seattle.

I arrived about 1110 hours and met several officers at the scene.

Dispatch updated the call stating the unknown male suspect had fled the scene in an unknown direction. I established a containment position at 8 Av Ne and NE 59 St. I maintained a secure position for pedestrian and vehicle traffic at this location and coordinated it as a staging area for media. I was relieved by a traffic unit and reported to the command post.

My further involvement was canvassing the neighborhood with the Day Gang Unit. This interaction will be documented at a later date.

Post canvassing with the Day Gang Unit, I returned to the North Precinct and completed this statement.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)

On 5/30/2012 at approximately 1101 hours, while working as marked SPD unit 1-Lincoln-3, I responded to a Shots call at 5822 Roosevelt Way NE in Seattle.

I arrived about 1110 hours and met several officers at the scene.

Dispatch updated the call stating the unknown male suspect had fled the scene in an unknown direction. I established a containment position at 8 Av Ne and NE 59 St. I maintained a secure position for pedestrian and vehicle traffic at this location and coordinated it as a staging area for media. I was relieved by a traffic unit and reported to the command post.

My further involvement was canvassing the neighborhood with the Day Gang Unit. This interaction will be documented at a later date.

On 5-30-12, at 1133 hours, I was working 1-man uniformed marked patrol unit 2C21 when I heard radio broadcast a shooting in the 1100 block 8 Av. (see G.O. #12-167046). Multiple West Precinct units responded and it was not confirmed at time of this statement if that event was related to a reported shooting at 5828 Roosevelt Way NE that had occurred at 1101 hours. As casualties from the North Precinct incident began arriving at HMC, 2E requested an additional unit to respond there. As no Edward Sector units were currently available to respond, I advised radio that I would be enroute to HMC. Upon my arrival, I was assigned to scene security at the West ramp of the Emergency Room sallyport. I maintained my assigned position until relieved by 2E at about 1350 hours. I responded to the East Precinct and completed this statement.

On 05-30-12 at approximately 1105 hrs, I responded to a shooting at Cafe Racer (5822 Roosevelt Way N.E.). Upon arrival, Officer N. Jones and I set up the outer perimeter of the crime scene at Roosevelt Way N.E./N.E. Ravenna Blvd.

Officer Jones and I contained the outer perimeter prohibiting vehicles and pedestrians from entering the crime scene area. I also escorted several patients from 5900 Roosevelt Way N.E. (west side) out of the area to their vehicles. A female named Glenna Wilson then came up to me and said that her boyfriend (Donald Largen) had been inside Cafe Racer earlier today and she wanted to know if he was okay because he wasn't answering his cell phone. A witness to the incident, who personally knows Ms. Wilson and Mr. Largen, told me and Ms. Wilson that her boyfriend was one of the people that was shot inside the business. The witness told us that Mr. Largen was transported to Harbor View Medical Center. I obtained Ms. Wilson and Mr. Largen's information and told Detective Southworth about her. I gave Detective Southworth their information and she also spoke to Ms. Wilson.

Later a male came up to the outer perimeter area and made myself and Officer Jones aware that his girlfriend had been inside Cafe Racer and he wanted to know if she was okay. I told Officer Buxton, who was the primary officer on the call, about the male and he interviewed him and got his

{STATEMENT OF OFFICER FLORES RELATED TO SPD EVENT#12-167022 (SEE ALSO 12-167361)

On 5-30-12 at approximately 1202hrs while working marked uniformed patrol within the City of Seattle as unit 2F2 I was at 309 S Cloverdale St. At that time I heard 2F21 advise over the radio that she had located the suspect vehicle (black Mercedes SUV) involved in an earlier broadcast shooting which occurred at 8 Ave/Seneca St. I responded to the 4100 block of Delridge Way SW. Upon arriving in the area I took up a position of containment at Delridge Way SW/SW Andover St and I stopped southbound traffic on Delridge Way SW. I maintained my post until approximately 1406hrs at which point I responded to the area of 26th Ave SW/SW Brandon St to do an area check for the possible suspect seen walking through the West Seattle Golf Course. I contacted the subject walking away from the golf course and it was determined that he was not the suspect from the shooting. At approximately 1543hrs I was in the area of Westwood Village Shopping Center (2600 block SW Barton St) when I heard unit 327 advise over the air that he had eyes on a subject matching the description of the suspect involved in the earlier shooting. Suspect was in the area of Fauntleroy Way SW/SW Raymond St. Suspect was described as a W/M, wearing tan pants, white button down shirt, full beard, and brown hair and carrying a satchel over his left shoulder. The suspect was said to be messing around with stuff on his

waistband. I advised over the air that I was en route to the location. I arrived in the area from the east (35th Ave SW/SW Raymond St). As I turned southbound onto 37th Ave SW from SW Raymond St, I observed a patrol vehicle in front of my own and I heard what I believed to be a single gunshot. As I stopped my patrol vehicle alongside 2F31's patrol vehicle I observed what appeared to me to be a male lying down on the sidewalk on the eastside of 37th Ave SW. The males back was to me and I could see his body moving at that time. I was able to put out over the air the address of 6012 37th Ave SW as our location. I was tasked my Sgt. Bauer, 2W, with being part of the contact team to secure the suspect. I advanced towards the suspect along with units 2F31, 2F3, 2W3 and 2W. As we arrived up to the suspect I observed what appeared to be a semi-automatic handgun near the suspect's hand. I stepped over the suspect's body with my left foot and stepped down on the handle of the handgun. The suspect appeared to have a self-inflicted GSW to his head. I observed blood exiting from the suspects head and a large amount of blood pooling around the suspect's head. I conducted a pat down search of the suspect's midsection/pockets for any additional weapons. During that time I could hear the suspect breathing heavily. After the pat down search I assisted 2F31 with placing the suspect into handcuffs by rolling the suspect onto his stomach and removing his right hand from under his body. At the instruction of 2W I placed the safety switch of the suspect's firearm to safe. I removed an additional handgun magazine from the suspects back left pocket and placed it down on the ground next to the handgun removed from near the suspect.

I stood by the suspect as Seattle Fire Department arrived at the scene. SFD requested that I remove the suspects handcuff restraints and I removed the handcuffs.

I was ordered by LT. Davis to return to the SW Precinct. I returned to the precinct and uploaded my in-car video and completed this officer statement.

shooting that occurred at 5822 Roosevelt WY NE.

Upon arrival at HMC I waited for medics to arrive with the 3 victims that were enroute. As medics arrived I assisted Officer S. Parton of the North Precinct collecting the clothing of the victims. Officer S. Parton gave me the clothing of Victim #2 a WM about 46 years old with tattoos and also the clothing of the WF victim.

I then maintained custody of all the victims belongings. I talked with both social workers that were on this incident Waszkewitz, Laura E. [REDACTED] 1988 phone number 206-744-4028 and Spagnolo, Bethel phone number 206-744-4028 and I was able to maintain names and birthdays of the 3 victims as well as family members names and phone numbers.

I then called Homicide Detective Dave Duty and informed him that I had the victims names and birthday's as well as the family members and the personal belongings for the victims. Detective Duty then arrived at HMC and transferred custody of the victims property over to him. I then came back to the East Precinct and wrote this statement.

On 5/30/12 I was working uniformed patrol as unit 1B21. At 1100, I heard the radio broadcast of a shots fired call with multiple victims at 5822 Roosevelt Wy NE. I responded to the scene and arrived in the area with several other units.

As I arrived, there was a high level of activity on scene as units were being coordinated. I initially took a position of roving containment and then later primarily assisted A/LT Yamanaka with various administrative duties. I assisted residents of the nearby homes that were displaced due to the crime scene to retrieve property, upon command level approval.

I uploaded my in-car video to the server, and completed this statement. Nothing further.

On 5/29/2012 I was working as a plain-clothes detective from the Seattle Police Department Criminal Intelligence Section (CIS). At approximately 11:15 a.m. I learned of multiple victim shooting that occurred at NE 58th St/Roosevelt Way NE, Seattle. I responded to the CIS office and began gathering available intelligence using public and police databases based on information provided by Homicide Unit detectives and police commanders from the shooting scene. I also learned of a second car-jacking and shooting near 8th Ave/Seneca St, Seattle.

At approximately 2:30 p.m., at the request of Assistant Chief McDonough, I responded to the area of the first shooting on Roosevelt Way NE with another CIS detective, R. Belshay in my plain vehicle. Chief McDonough asked me and Detective Belshay to respond with SPD SWAT to 4723 Roosevelt Way NE, Seattle, a residence that was possibly connected to the suspect from the Roosevelt Way NE shooting. Upon my arrival with Detective Belshay, I observed SWAT preparing to approach the house to conduct a surround and call-out of the occupants of the home. After SWAT took three males into custody that had exited the residence at SWAT's request, I took custody of these males in the 4700 block of Roosevelt Way NE in the parking lot of Bombay Indian Restaurant. The three males from the house were identified as Ian A. MacKenzie W/M [REDACTED]/1984 (206) 240-344-2783; Matthew R. SWAT officers determined Stawicki was not inside the residence. Additionally, Homicide detective R. Norton arrived to the scene and interviewed the three subjects and determined they were not associated with the homicide investigation. The subjects were subsequently released and allowed back in their residence. As I was preparing to leave this residence, I heard via police radio there was a shooting near SW Raymond St/36th Ave SW, Seattle. I responded along with the SWAT officers to this location to assist investigators including Detective Scotty Bach who had initiated the contact with self-inflicted shooting victim, Ian L. Stawicki W/M 9/16/1971. Detective Bach advised me he was confident the shooting victim was Stawicki. I also learned from Homicide investigators that Stawicki was the suspect in the earlier car-jacking shooting from 8th Ave/Seneca St, Seattle.

I then responded to the CIS office and completed this statement.

victim vehicle from a Carjacking/Homicide incident. That incident had occurred at 8th Av and Seneca with a case # of (2012-167046). At that time the incident was possibly related to a Homicide Investigation in the North end on Roosevelt Way.

I observed the suspect/victim vehicle, a black Mercedes Benz SUV WA 348VWV. I observed a semi-automatic handgun on the driver's seat.

I searched the area for the suspect with both SWAT and Patrol Officers. I also responded to multiple addresses to check reports coming in to 911 Operators.

At approximately 1543 hrs, I responded to a report coming in from a Plainclothes Detective, S. Bach. The Detective had a possible suspect sighted and was following him EB on SW Raymond. As I was arriving in the area, Officer Luckie reported that a shot had been fired and the suspect was down. I arrived just behind another couple of Officers. I assisted in securing the suspect and managing the scene. I observed the suspect laying on the sidewalk and a handgun in close proximity to him. The suspect was bleeding profusely from the head.

I also kept a log for Detectives at the 6000 block of 37 Av SW scene, maintaining a list of Officers and personnel that had entered the interior scene. I handed this list over to Detective Steiger. End of Statement.

Delridge. She advised all units that the black Mercedes Benz involved in a homicide in the downtown corridor was parked in the 4100 block of Delridge Way SW with flashers on. I also saw the vehicle parked in front of 4147 Delridge Way SW. I pulled behind the vehicle and assisted officer Nicholson in setting up for a felony stop. The vehicle appeared to be unoccupied and we saw no movement inside. Officer Nicholson, officer Kim, and I approached the vehicle and cleared the vehicle front rear to front. After opening the driver's door I saw a semi-auto handgun with an extended magazine clip. We secured the scene and requested a Seattle Police K-9.

Officer D. Kim and I searched the Delridge Community Center and found no suspicious person inside. We advised all community staff that the center was off lock-down. The scene was released by the incident commander, Lt. P. Davis. I continued patrolling in the 5400 block of 26 Ave SW when I saw stopped by a FEDEX driver. He reported that he saw a suspicious person hiding behind a house at the corner of 30th Ave SW and SW Dakota St. I asked if he could show me exactly where he last saw the suspect. He stated, "yes." He got into my patrol vehicle and I drove him to the location. He showed me the location and he went back to work. I requested additional units and containment. Seattle Police SWAT arrived in the area and took control of the scene. Seattle Police K-9 was requested. K-95 arrived and I ran with the K-95 in searching for the suspect. The suspect was not located.

I continued patrolling when unit 327 advised all units that he had a possible suspect at Fauntleroy Way SW and SW Raymond St. I responded to assist at 1543 hours. I arrived on scene at SW Raymond St and 37 Ave SW. Officer S. Luckie had the suspect at gun Point. He advised that the suspect had shot himself upon contact. Sgt Bauer designated me to handcuff the suspect when we move up to apprehend. I could see the suspect was still moving. We approached the suspect as he was laying in a pool of blood around his head. I placed him in handcuffs and checked with Sgt. Bauer to see if medics were called. Seattle Fire Department had already been requested. I assisted in securing the scene before being relieved by Sgt. Bauer.

I arrived at the scene a short time later. At the scene I went inside to assist in securing the scene. Inside I observed two subjects down on the floor with gunshot wounds. One subject was laying near the doorway and another was in the hallway adjacent to the bar area blocking the stairway leading upstairs. I then checked the dining area adjacent to the bar area and found two females hiding under a table. I directed the two females outside through a door adjacent (north) of the main entrance. I then proceeded to check the upstairs area for suspects. There were several rooms upstairs I checked. The upstairs area checked clear. I then stood by while fire came into the scene to treat the victims. I then secured the building crime scene area with crime scene tape. I was then tasked with shadowing Sgt. Arada and Lt. Clavadetscher to keep a time log of events as they occurred. I then returned to the precinct to write this statement.

On 5-30-2012 I was working in full uniform, in a marked SPD patrol vehicle, as unit #471. At about 1202hrs I heard Ofc. Nicholson report finding the vehicle taken during a shooting incident, from 8 Av/Seneca St. (SPD case #12-167046), in the 4100bl of Delridge Way SW. I responded to the area of Delridge Way SW/SW Genesee St. and observed a newer black Mercedes vehicle parked along the east curb, in front of 4151 Delridge Way SW. I noticed the vehicle's hazard lights were activated.

I assisted securing the scene and establishing a perimeter. At one point, a male came out from 4151 Delridge Way SW and stated his mother had seen the person who parked the Mercedes. This male later identified himself as Whitaker, Dennis U. W/M [REDACTED]/1981. Whitaker had his mother come out and she identified herself as Wood, Julia K. W/F [REDACTED]/1955, 206-453-5786.

W/Wood said she saw a w/m park the Mercedes on the street in front of her house, and walk to a staircase across the street (East side of Delridge/SW Genesee St.) Wood said the male had black hair, but she couldn't see his face. She said it was definitely a male, and that he had a brown backpack and was carrying something in his hands. She stated she last saw the male walk eastbound up the staircase.

A search for the suspect in the area was negative. I later took up a

On 5-30-2012, Wednesday, I was assigned to one officer marked patrol unit 2U2. Prior to logging on to my patrol vehicle I was in 1100 Roll Call. During roll call, SPD Radio was heard broadcasting a shooting with multiple victims at Cafe Racer, 5828 Roosevelt Wy NE. I departed roll call with other officers, completed loading equipment into my patrol vehicle, logged on to my MDC, and proceeded to the scene with emergency equipment activated. I arrived at 1116 and noted numerous SPD and SFD units at the scene. I parked my vehicle and approached the scene entrance. I remained outside at the front door and observed SFD and SPD personnel entering and exiting. I was contacted by Acting Sgt Pio and instructed to begin keeping a log of those entering the scene. I began the list and was then advised by Sgt Martin that I would be assigned as primary officer. I turned over the scene log duties to Ofc Steve Clark and returned to my patrol vehicle for my note pad. At 1118, I entered the scene with Ofc Don George to remove SFD equipment and to check the caliber of the weapon that was used at the request of SFD Medics. We located a brass shell casing approx. 10' inside the front door and identified it as a .45 cal auto casing. The equipment was removed and the caliber information was given to SFD. I observed a deceased male victim crouching in the hallway and another deceased male victim laying behind the bar. I then exited the scene at the command of Chief Pugel. I remained outside and conducted several interviews as they became necessary. SPD Homicide detectives arrived at

the scene and I provided them with ongoing information from affiliated persons as it was obtained. I spoke with the [REDACTED] witness [REDACTED] (W/M DOB [REDACTED]-1983 who lives [REDACTED] Roosevelt WY NE. He advised that he had not heard the shooting. [REDACTED] stated that the restaurant opens at 0900 and has a small but loyal clientele. [REDACTED] had entered the cafe with detectives to allow them access to the video surveillance. [REDACTED] observed the two deceased victims and advised me that the victim behind the bar was "Joe" aka "Misugar Joe" (possibly Albanese, Joseph Patrick W/M [REDACTED] 1969) a musician and bass player. [REDACTED] stated that the victim crouched in the hallway was "Drew Kirkendes" aka "Schmootzie the Clod", a guitar player (possibly Keriakedes, Andrew Thomas W/M [REDACTED] 1967). Both played in the band, "God's Favorite Beefcake" and were nearly daily customers. [REDACTED] advised that the only employee working was believed to be "Leonard Musse". Ofc George had advised me that (2) W/Ms and one W/F had been transported to HMC. I was called to the north perimeter by Ofc Gardea who had been contacted by a boyfriend of the possible female victim. I spoke with Hunter, Ryan C. (W/M [REDACTED] 1976 of 5623 Brooklyn Av NE cell-206-909-4134). Hunter expressed concern that his girlfriend had been at Cafe Racer as she was not answering her phone. Hunter identified the possible victim as Layfield, Kimberly L. W/F [REDACTED] 1974 who resides with him. Hunter stated that they are both dental hygenists and Kimberly often went to the cafe to work crossword puzzles and to talk with friends Drew and Joe. Hunter stated that Kimberly wears a brace outside her clothing on her right hip. I advised Hunter that a W/F had been transported to HMC but that I did not know her current condition. I spoke several times with [REDACTED] and owner Giessel, Kurt who provided information about subject "Ian" who they were suspicious of as possibly being involved. I contacted Sgt Nelson who stated that information had already been received by detectives. I remained outside the scene to assist as necessary. I recontacted Hunter by phone and he returned to the north perimeter. I inquired if he had heard the name "Ian". Hunter had not. I used my MDC RMS system and located the information on possible victims Keriakedes and Albanese and procoovided it to Det Duty. I completed the General Offense report at the request of Sgt Nelson and sent it for approval when instructed at approx. 1645. I left the scene at 1657 and returned to the North Precinct where I completed and submitted this statement.

On 5-30-2012, Wednesday, I was assigned to one officer marked patrol unit 2U2. Prior to logging on to my patrol vehicle I was in 1100 Roll Call. During roll call, SPD Radio was heard broadcasting a shooting with multiple victims at Cafe Racer, 5828 Roosevelt Wy NE. I am assigned to the Seattle Police Departments Criminal Intelligence Section and my primary assignment is to track gang activity in and around the City of Seattle. I am also assigned as a Task Force Officer with the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF).

On 05-30-2012, at 1100 hours, I was working at the Criminal Intelligence Section office when I heard that a shooting had taken place in North Seattle at NE 58th St and Roosevelt Way NE and that five victims had been shot and that a white male suspect had fled the scene. At approximately 1130 hours, I heard over radio that a second shooting had taken place at 8th Ave and Seneca St, and that a white male suspect had car jacked a black Mercedes SUV with Washington license 348-VWV. I assisted with trying to locate information regarding the victim's vehicle. A short time later, I heard that the car jacked vehicle had been located in the 4100-Block Delridge Way SW.

At approximately 1345 hours, I responded to North Seattle with my partner Detective Brandon James and several other Criminal Intelligence Section detectives to conduct surveillance of a possible address for a person of interest in the North Seattle shooting/homicide.

At 1410 hours, I met with Assistant Chief Paul McDonagh and the Criminal

intelligence Section detectives were tasked with setting up around the address of 4723 Roosevelt Ave NE to conduct surveillance for SWAT officers who were planning to surround the residence and attempt to locate a subject identified as Ian L. STAWICKI, W/M DOB: 09-16-1971.

At approximately 1523 hours, SWAT officers cleared the residence and contacted three males from the house. Detective James and I supported the SWAT operation by sharing photos of subject STAWICKI and identifying the three males that were contacted by SWAT officers. The three males were identified as Ian A. Mackenzie, W/M DOB: [REDACTED] 1984, Matthew R. Anderson, W/M DOB: [REDACTED] 1985, and Lance C. Waldron, W/M DOB: [REDACTED] 1984.

At approximately 1555 hours, SWAT officers had just cleared the residence and all three males released from the scene, when emergency tones went out of our radios alerting us that shots had been fired and that a possible suspect from the North Seattle shooting was down at 36th Ave SW and SW Raymond St. Detective James and I responded to Southwest Seattle from the 4700-Block Roosevelt Way NE along with SWAT officers.

We arrived at approximately 1610 hours, checked on Detective Scotty Bach at the scene to make sure he was ok, as he had called in the suspects location. I learned at that time that the white male suspect had suffered a self inflicted gunshot wound to the head as patrol officers responded to contact him. While on scene, Agents Jonathan McPherson, Heidi Wallace, and David Roberts, arrived from ATF Group I (Gun Group) and I put them in touch with Sgt. Vallor in order for them to assist in tracing the firearm used by the suspect.

Detective James and I cleared the scene at approximately 1712 hours and we returned to our office where I completed this statement.

On 5/30/2012 at approximately 11:00 hours, I responded to a dispatched call of shots at 5822 Roosevelt Way NE in Seattle.

I responded as marked SPD unit 1-Lincoln-3.

I established a containment position blocking vehicle and pedestrian traffic into the incident area. Two employees of the cafe arrived at my location. I escorted the employees to the command post for interviewing (Nicholas O Anderson and Kenneth Stortz). After being relieved by a traffic unit from my initial containment position at 8 Av NE and NE 59 St, I became a roving containment unit. I roved the area west of the incident location.

I responded to several 911 calls of possible suspect sightings. These included 4333 University Way (Earls) for a male possibly matching the suspect description. I was unable to locate the male who reportedly left the establishment on foot. I responded to NE 50 St and University Way NE to a possible suspect male drinking alcohol. This individual did not sufficiently match the description, but was identified as Wesley C Green [REDACTED] 1976.

I was recalled to the command post and assigned duties with the Day Gang Unit to canvas the neighborhood to the west of the incident location. We

On May 30, 2012 at approximately 1138 hours I was working uniformed patrol for the City of Seattle as "2N3" and responded to NE 59 ST / Roosevelt WY NE to transport five witnesses to the SPD Homicide Unit.

When I arrived, I picked up the five witnesses and drove them down to the SPD Homicide unit.

Once we arrived at the SPD Homicide unit I stood by with the witnesses until I was asked to drive three of the five back to the scene.

I had to drive to the Art Institute of Seattle so one of the witnesses could get his car keys. After picking up the keys I drove the three back to the scene at NE 59 ST / Roosevelt WY NE.

Once at the scene I stood by with two of the witnesses and later escorted the remaining two witnesses to their cars.

I had no further contact with any of the witnesses.

I returned to the SPD North Precinct and completed this statement.

This incident was recorded on in-car video.

On 05-30-2012 I was working in full uniform and in a fully marked seattle patrol car. I had just finished dealing with a car accident and heard Officers go out on a suspicious at about 37th Av SW and SW Raymond St. I believed it was associated with the recent shootings elsewhere in Seattle.

I started rolling that way when I heard officers call shots fired. I responded to 37th and SW Raymond St, and decided to back up to 36th Av SW and SW Raymond to control access from the East.

I controlled that access until I was asked to drive Ofc Flores' car back to the precinct. I did so, returned to the scene, picked up my car, and returned to the precinct to complete this paperwork.

5-30-12 I was working uniformed patrol. At 1543 hrs a plain clothes officer spotted a possible suspect in an earlier shooting in the Revenna area. This was at 6017 37 AV SW on the side walk. While responding I heard and officer broadcast that shots were fired. I arrived soon after and the suspect was on the ground. Officers to my left prepared for a tactical approach while I gave cover. They approached and cuffed the suspect. I then began taping off the scene. Fire arrived and treated the suspect. Subject: OFFICER W ASKEW- STATEMENT

Related date/time: May-30-2012 (Wed.) 1738

On the above date at 1200 hours I was on patrol in the 4500 block of Delridge Way SW when I saw 2F21, officer Erin Nicholson activate her emergency lights and made a U-turn in the intersection of SW Oregon St and Delridge. She advised all units that the black Mercedes Benz involved in a homicide in the downtown corridor was parked in the 4100 block of Delridge Way SW with flashers on. I also saw the vehicle parked in front of 4147 Delridge Way SW. I pulled behind the vehicle and assisted officer Nicholson in setting up for a felony stop. The vehicle appeared to be unoccupied and we saw no movement inside. Officer Nicholson, officer Kim, and I approached the vehicle and cleared the vehicle front rear to front. After opening the driver's door I saw a semi-auto handgun with an extended magazine clip. We secured the scene and requested a Seattle Police K-9.

Officer D. Kim and I searched the Delridge Community Center and found no suspicious person inside. We advised all community staff that the center was off lock-down. The scene was released by the incident commander, Lt. P. Davis. I continued patrolling in the 5400 block of 26 Ave SW when I saw stopped by a FEDEX driver. He reported that he saw a suspicious person hiding behind a house at the corner of 30th Ave SW and SW Dakota St. I asked if he could show me exactly where he last saw the suspect. He stated, "yes." He got into my patrol vehicle and I drove him to the location. He showed me the location and he went back to work. I requested additional units and containment. Seattle Police SWAT arrived in the area and took control of the scene. Seattle Police K-9 was requested. K-95 arrived and I ran with the K-95 in searching for the suspect. The suspect was not located.

I continued patrolling when unit 327 advised all units that he had a possible suspect at Fauntleroy Way SW and SW Raymond St. I responded to assist at 1543 hours. I arrived on scene at SW Raymond St and 37 Ave SW. Officer S. Luckie had the suspect at gun Point. He advised that the suspect had shot himself upon contact. Sgt Bauer designated me to handcuff the suspect when we move up to apprehend. I could see the suspect was still moving. We approached the suspect as he was laying in a pool of blood around his head. I placed him in handcuffs and checked with Sgt. Bauer to see if medics were called. Seattle Fire Department had already been requested. I assisted in securing the scene before being relieved by Sgt.

On 05-30-2012 at 1130 hours, I was working uniformed patrol as 2F11 in SW Precinct. I was informed of a shooting that had occurred in North Seattle and that five people had been shot. A short while later, the dispatcher also stated another shooting had occurred at 8 Ave SW / SW Seneca St. The dispatcher broadcast that the suspect was driving a Mercedes SUV, WA/348VWV.

At approximately 1200 hours, I was in the 3800 block of Delridge Wy SW. I heard 2F21, Officer Nicholson, stated she had located the suspect vehicle in the 4100 block of Delridge Wy SW. She stated the vehicle appeared unoccupied. I arrived about a minute later. Officer Nicholson, Officer Askew and I cleared the vehicle and did not find a suspect. However, we did observe a semi-auto gun with an extended magazine sitting on the driver seat. Officer Askew directed Delridge to be shut down both directions. He then requested K-9 to respond.

I held containment until K-9 responded.

I then was on containment for other sightings of the suspect.

At approximately 1543 hours, Detective Bach observed a person matching the suspect description walking in the area of Fauntleroy Wy SW and SW Raymond Street. At approximately 1547 hours, Officer Luckier arrived in the area of 37 Ave SW / SW Raymond St and observed the suspect. I heard him broadcast, "Shots fired, Suspect down." I arrived at 1548 hours. I arrived at HMC around 1616 hours and a few minutes later the Medic unit arrived. I was an extra unit for 2W2 who arrived with the Medic unit. When 2W2 left HMC to do his paperwork, I took over hospital guard. I was informed by the doctors at HMC that the suspect/victim (Stawicki) would be moved up to 2W Neuro ICU. I accompanied Stawicki and the doctors up to the ICU where upon arrival was pronounced dead around 1751 hours.

Stawicki had no personal belongings at HMC upon his arrival that I was informed about. I then came back to the East Precinct where I completed this Officer statement.

On 05/30/2012 at about 1118 hours while working in official police capacity as unit 2E31 driving a marked patrol car, I was sent up to Harborview Medical Center located at 325 9 AV to assist north end units with the shooting that occurred at 5822 Roosevelt WY NE.

Upon arrival at HMC I waited for medics to arrive with the 3 victims that were enroute. As medics arrived I assisted Officer S. Parton of the North Precinct collecting the clothing of the victims. Officer S. Parton gave me the clothing of Victim #2 a WM about 46 years old with tattoos and also the clothing of the WF victim.

I then maintained custody of all the victims belongings. I talked with both social workers that were on this incident Waszkewitz, Laura E. [REDACTED] 1988 phone number 206-744-4028 and Spagnolo, Bethel phone number 206-744-4028 and I was able to maintain names and birthdays of the 3 victims as well as family members names and phone numbers.

I then called Homicide Detective Dave Duty and informed him that I had the victims names and birthday's as well as the family members and the personal belongings for the victims. Detective Duty then arrived at HMC and transferred custody of the victims property over to him. I then came back to the East Precinct and wrote this statement.

On 05/30/2012 at about 1612 hours while working in official police capacity as unit 2E31 radio broadcast that SW precinct needs 2 units to respond to HMC (325 9 AV) and wait for the medic unit to arrive with the suspect/victim.

I arrived at HMC around 1616 hours and a few minutes later the Medic unit arrived. I was an extra unit for 2W2 who arrived with the Medic unit. When 2W2 left HMC to do his paperwork, I took over hospital guard. I was informed by the doctors at HMC that the suspect/victim (Stawicki) would be moved up to 2W Neuro ICU. I accompanied Stawicki and the doctors up to the ICU where upon arrival was pronounced dead around 1751 hours.

Stawicki had no personal belongings at HMC upon his arrival that I was informed about. I then came back to the East Precinct where I completed this Officer statement.

On 05-3-2012 I was working a one person uniformed Patrol unit, 2W33, in full uniform and in a marked Patrol car. At approximately 1140 hrs I responded to a report from Officer Nicholson that she had located the victim vehicle from a Carjacking/Homicide incident. That incident had occurred at 8th Av and Seneca with a case # of (2012-167046). At that time the incident was possibly related to a Homicide Investigation in the North end on Roosevelt Way.

I observed the suspect/victim vehicle, a black Mercedes Benz SUV WA 348VWV. I observed a semi-automatic handgun on the driver's seat.

I searched the area for the suspect with both SWAT and Patrol Officers. I also responded to multiple addresses to check reports coming in to 911 Operators.

At approximately 1543 hrs, I responded to a report coming in from a Plainclothes Detective, S. Bach. The Detective had a possible suspect sighted and was following him EB on SW Raymond. As I was arriving in the area, Officer Luckie reported that a shot had been fired and the suspect was down. I arrived just behind another couple of Officers. I assisted in securing the suspect and managing the scene. I observed the suspect laying on the sidewalk and a handgun in close proximity to him. The suspect was bleeding profusely from the head.

I also kept a log for Detectives at the 6000 block of 37 Av SW scene, maintaining a list of Officers and personnel that had entered the interior scene. I handed this list over to Detective Steiger. End of Statement.

Nicholson #6952 call out over radio that she located the suspect vehicle from the shooting at 8 Av/Seneca St. (12-167046) Ofc. Nicholson gave the plate of WA# 348VWV.

I arrived on scene in the 4100 blk of Delridge Wy Sw and maintained cover behind the officers dealing with the vehicle. I then ran with K9-13 while the dog was attempting a track on the suspect. We did not locate the suspect.

I continued to do an area search for the suspect and at approximately 1543hrs I heard unit 327 state he has located the suspect from the shooting. 327 advised the clothing description of the suspect. I arrived at 37 Av Sw/Sw Raymond St where I observed the suspect. I approached the suspect and stated, "Stop, Police." The suspect stopped and dropped to one knee and was facing away from me. I ordered the suspect to show me his hands and then the suspect shot himself in the head. I advised radio shots were fired and the suspect was down.

A contact team was formed and I approached the suspect in the point position. I observed the gun was still in the suspect's hand so I stepped onto his wrist to prevent him from being able to point the gun at other officers as the suspect was still breathing. The suspect was placed into handcuffs.

On 5-30-12 at approximately 1133 hours I responded to a call of a shooting in the Diamond Parking Lot adjacent to the Town Hall building at 8th Av and Seneca St. I responded because they were asking for a supervisor to respond and I was nearby. I was hoping to locate a suspect that radio had broadcast had fled eastbound on Union St in a black colored Mercedes SUV. Upon my arrival I located the victim down on the ground in the Diamond parking lot. The victim was a heavysset white female. A citizen, a white male wearing a camouflage jacket, was attempting to perform CPR on her. He was covered in blood. There was a large pool of blood under the victim. Sgt. Gracy arrived just ahead of me and he told the man to stand back. We

waited for the arrival of a Medic Unit. It appeared that she had been shot through the head and possibly in the torso as well. She appeared to be deceased. Several witnesses approached me and told me they saw the whole incident. The few I spoke to had seen a verbal altercation between the male suspect and the female. Then the male pulled a gun and pistol whipped the victim. The struggle was then for the gun which at one point was on the ground. The male suspect retrieved the gun and then shot the victim multiple times. The suspect then entered the black SUV and tried to drive forward out of the parking spot. Realizing he could not go forward, the suspect put the SUV in reverse. He drove over the victim's body which was behind the SUV. He did so as he backed out of the parking stall. Next he drove over the victim's body forward when leaving the scene. He then fled the scene southbound on 8th Avenue according to some witnesses. I had a woman approach me and tell me that she and her entire staff had witnessed the shooting from their 8th floor office and that she had gotten the plate and called 911. I told her to gather her staff and detain them for officers or detectives to get their statements. I directed a bicycle officer to go to their location to get the statements. I also encountered numerous other witnesses who I asked to stay and give statements to the officers. Meanwhile Medic 28 arrived and Sgt. Gracy told me to tell an officer to move their car so they could drive into the crime scene. I found this request a bit odd since it appeared that this was an obvious homicide scene, but directed Reserve Officer W. Edwards to move his car and let the Medics drive in. Sgt. Gracy was handling the primary supervisor role on this call. I spoke to several more witnesses and directed Officer S. McKinney who had a digital recorder to take as many statements as she could. I asked A/Sgt. Umporowicz who had just arrived to find another West Pct officer who had a digital recorder to take statements since that would be more efficient. Sgt. Gracy next asked me to assist by assigning an officer to meet the Medic Unit at HMC to stand by with the victim. I contacted 3E who was already at HMC thru West Radio dispatch. He assigned Officer Jennifer Gardner who was already at HMC to stand by with the victim and Officer Al Warner, an evidence technician to assist. I instructed them to be sure the clothing which was removed from the victim as well as any property were obtained for evidence. I instructed them to package it for evidence. I also asked them to obtain the rounds if any were already recovered by medical staff and to bag the victim's hands for possible DNA evidence collection later by the Medical Examiner. I obtained A/Sgt. E. Pisconski's phone number and returned to the scene to give it Sgt. Grady and the primary officer, S. McKinney. I advised S. McKinney that the victim had been pronounced dead at HMC. A/Sgt. Pisconski was to have Officer Gardner and Warner stay at HMC with the victim until Homicide detectives took over at the hospital. S. McKinney informed me that she had located a

work acquaintance of the victim and that the victim's husband was on the way to the scene. Officer McKinney told me that she would talk to the detective on scene and advise him of the update in the victim's condition and also advise him that the officers were standing by up there for a detective to arrive with the victim's body. I next contacted Virginia Mason security staff and advised them of the description of the suspect vehicle and suspect and told them to call 911 if they located the vehicle or suspect in their medical complex or in one of their parking garages. At HMC, I had been ordered by Lt. Guay that I needed to return to the East Pct in case we had calls there so I cleared the scene and was unable to assist further in the investigation.

At about 1300 hours, I noticed a male on a bicycle approaching my position from the west on the bike trail that runs along the south side of SW Spokane St. He seemed to notice my patrol car, stop, then turn around and head the opposite direction, out of my sight. He appeared to be a white male with scruffy appearance, possibly a transient, wearing a backpack and a dark jacket. I went toward him, and caught up with him at the intersection of the Delridge Connector Trail and 22 Av SW. He was drinking beer from a can and said he had turned around because he didn't want to get into any trouble. He appeared calm and was cooperative. He provided his WA State ID Card, which identified him as Salisbury, Steven T, W/M/[REDACTED]-65. He said his current address is at 4229 S 177th St in SeaTac. He was about 5-8, had dirty blonde curly hair, a dark blue hooded jacket over a white/green plaid shirt, a green backpack, and blue jeans. He did not seem to match the description given for the shooting suspect, so I warned him about the alcohol and released him. He rode his bike east across the lower level of the West Seattle Bridge. On this date at about 1202 hrs, I was working uniform patrol as 2W02/marked unit. I responded to Delridge Wy SW and SW Genesee St for traffic control/containment, 2F21, Off E Nicholson had located a possible suspect vehicle in the shooting at 8th and Seneca St (12-167046).

When units advised that they were setting up on the house at 4028 Delridge Wy SW, believing that a "Brandon Crofoot," a possible suspect in the shooting was there, I responded there because I knew that "Brandon Crofoot" used to live there but had not lived there for 3 years. I know the current resident of this address Jones, Timothy and Jones, Bradi. I responded there, called Jones, Timothy out of the house using my P.A. system and had him sit in the back of my patrol car. He told me that nobody else was inside his house, but that the outside basement door was unlocked (the basement is separate from the upper floor of the house).

I advised SWAT of this.

After SWAT searched the house at 4028 Delridge Wy SW and did not find anybody inside, I let Jones go back into his house.

On this date at about 1202 hrs, I was working uniform patrol as 2W02/marked unit. I responded to Delridge Wy SW and SW Genesee St for traffic control/containment, 2F21, Off E Nicholson had located a possible suspect vehicle in the shooting at 8th and Seneca St (12-167046).

When units advised that they were setting up on the house at 4028 Delridge Wy SW, believing that a "Brandon Crofoot," a possible suspect in the shooting was there, I responded there because I knew that "Brandon Crofoot" used to live there but had not lived there for 3 years. I know the current resident of this address Jones, Timothy and Jones, Bradi. I responded there, called Jones, Timothy out of the house using my P.A. system and had him sit in the back of my patrol car. He told me that nobody else was inside his house, but that the outside basement door was unlocked (the basement is separate from the upper floor of the house).

Today I was working a 2 man uniformed bike patrol as 2M95. I was at the corner of 4 and Pike st when a call came out of a shooting at 8/Seneca st at 1133 hrs. We arrived at 1136 and i could see a person on the ground with several people standing over her in the parking lot at 8/Seneca. It appeared that CPR was being performed and I broadcast that info. I dismounted my bike and started gathering any witnesses to where I was standing while my partner went and took over CPR from whoever was doing it. I announced this on the radio and then went back to taking statements. Fire arrived and I directed them to the victim. I then went inside "Town Hall" with all the available witnesses and assisted detectives in finding space to take statements while monitoring the witnesses and making sure they did not leave. I assisted setting up a small amount of police tape on Seneca in front of "Town Hall". When my presence was no longer required I left for the precinct to complete this statement. End of statement.

On 05-30-2012 I was working full uniformed patrol as 2m52. At approximately 1132 hours SPD Radio broadcast a report of a shooting at 8th AVE and Seneca St.

I responded to the scene where I observed a W/F lying on the concrete next to an empty parking space. Seattle Fire Department personnel arrived on scene and began to provide medical aid to the victim W/F.

I spoke with Witness' Barker, Philip and Stremler and Clark, who were standing in the parking lot.

W/Barker, Philip told me that he and his wife W/Barker, Sally Anne were stopped at the red light at the intersection of 7th AVE and Seneca St facing West. Barker told me that he watched an unknown W/M approximately 35 Y/O with a blond "crew cut" style haircut shoot the victim W/F "execution style." W/Barker, Philip described the pistol used by the unknown W/m as a black, possibly semi auto with a silver grip. W/Barker, Philip stated that he noticed a "glint" coming from the pistol. I asked W/Barker, Philip to find his wife and have her speak with me.

Clark told me that she was in the parking lot at the time of shooting but did not witness the incident.

I spoke with W/Stremmer who told me that she was waiting in her car directly behind the Barkers vehicle (facing west.) Stremmer heard a loud noise and looked over to her left towards the parking lot. Stremmer observed a black SUV vehicle back up, and drive over the legs of the victim W/F who was lying in the parking lot. Stremmer told me that when the driver of the black SUV was driving out of the parking lot he looked at her and put up both hands and "flipped her off" using both middle fingers.

Shortly after speaking with Stremmer, W/Barker Sally Anne approached me and told me what she had witnessed. W/Barker, Sally Anne told me that she was sitting in the front passenger side seat of her vehicle when she heard a loud scream, which she described as a "scream for help." W/Barker, Sally Anne told me that scream was so loud that she could hear it plain as day, even though the windows of the vehicle were completely rolled up.

W/Barker, Sally Anne further stated that after hearing the scream she looked to her left towards the parking lot and observed an unknown W/M male standing over the victim W/F punching her with one hand, while his other hand was holding a pistol which was raised above his head. W/Barker, Sally Anne said the suspect swung the pistol towards the victim W/F and when the pistol "disappeared" from her view, W/Barker, Sally Anne heard a gunshot. W/Barker, Philip who was standing next to me while I was speaking with his wife, told me that he told his wife to stay in the car until the suspect fled.

After the suspect fled the scene W/Barker, Sally Anne exited the vehicle and ran towards the victim W/F and began to administer CPR on the victim W/F.

I transported W/Stremmer to SPD Headquarters for further interview by SPD Homicide Detectives.

I wrote this statement.

===== NARRATIVE =====

{The complainant fears that a male, who used to be friends with the recent Cafe Racer shooting victims, is slowly slipping away and is close to being mentally unstable. The complainant heard second hand that this male has recently walked into the homes of some of the local customers (who used to be acquaintances of his) and scaring the homeowners. The homeowners have all told the male that he needs to leave their homes, not come back, and also that he should find another bar to drink at. Last Wednesday (Oct. 03, 2012) the male came to Cafe Racer and he was told to leave. Tonight (Oct. 05, 2012) the male came to Cafe Racer and was mumbling outside. Again the male was confronted and told he was not supposed to be there. The male said something along the lines of "I will bring fire down upon this building". The complainant believes that the male was referring to some sort of metaphor, not trying to make any specific threats. The male was last seen walking away northbound on Roosevelt Wy NE.

A business card with the incident number was given to the complainant and an area check was done for the subject. The subject was not located and his name is unknown at this time. He was described as a tall, skinny, white male with a black pony tail and thin mustache. The male is said to usually be wearing black.

He said that Ian worked for him on an Alaskan fishing boat 13-14 years ago. The boat was called the Pathfinder. He said that Ian's father was an arms dealer and that Ian had access to illegal guns and such things as silencers and C-4. He said that he thought that Ian's father's arms dealing was illegal and that someone should look into it. He said that Ian ended up getting fired but he did not remember why.

Katy Thompson, 425-922-2225

Says on the day of the Café Racer shooting, between 0915-0930 hours, she was in area with her small son (had just dropped her daughter off at school). She was with her son on 11 & 50th watching some construction.

A man passed them a few times. He gave her an uneasy feeling as he appeared to be taking interest in them. He seemed to have no purpose. She picked up her son because of the bad vibes she was getting from him.

She described him as having beard, no glasses, wearing jacket with a black backpack.

Later at school meeting Café Racer being discussed & she asked if man had a beard and was told yes. She then saw video of him and said that is him.

DATE: June 3, 2012

FROM: Officer N. Freutel ~~CASB~~
Southwest Precinct

SUBJECT: Suspicious Circumstances Report 12-172603

I was dispatched to 2608 SW Genesee ST this evening to investigate a suspicious object discarded on the grassy planting strip 10 feet to the east of utility pole #1385462. It turned out to be a blue windbreaker jacket with what appears to be dried blood spattered on the inside back of the coat & hood. The complainant doesn't know how long it's been there – she told me that she's been sticking close to home since the shootings on Wednesday, and hasn't walked this direction for several days. Given Wednesday's events and the fact that the suspect vehicle was dumped 2 blocks away, I thought you might possibly be interested in it. I checked the windbreaker against a picture I found of the suspect at Café Racer, and this looks darker. The GO # is 12-172603, and I've placed the jacket into Evidence.

Subject: Stawicki

Good morning;

My 87 year old mom gets her hair cut at place in West Seattle called "Hanh's Modern Hair" at 4830 California. Hanh (Pham) told my mom she's pretty sure Stawicki came into her shop sometime after he dumped the stolen suv, had her cut off his beard and trim his hair. The guy also had a blueberry plant he had recently bought, he said for his daughter, Hanh heard on the news that the suspect had a blueberry bush/plant. Would one of you mind giving her a call? Even though Stawicki is no longer with us, she's still upset that the suspect was there, and wants to talk to someone about it, preferably over the phone; her number is 206-932-5246. She's Vietnamese but her English is very good.
