Dear Parents,

This story was created to be a part of your child's daily routine. At the end of each page, there is an interactive question you can ask your child. This series comes in Arabic and English with an audible story.

Have a good time with the story.

My family and I went to the zoo, and I was excited to see the animals.

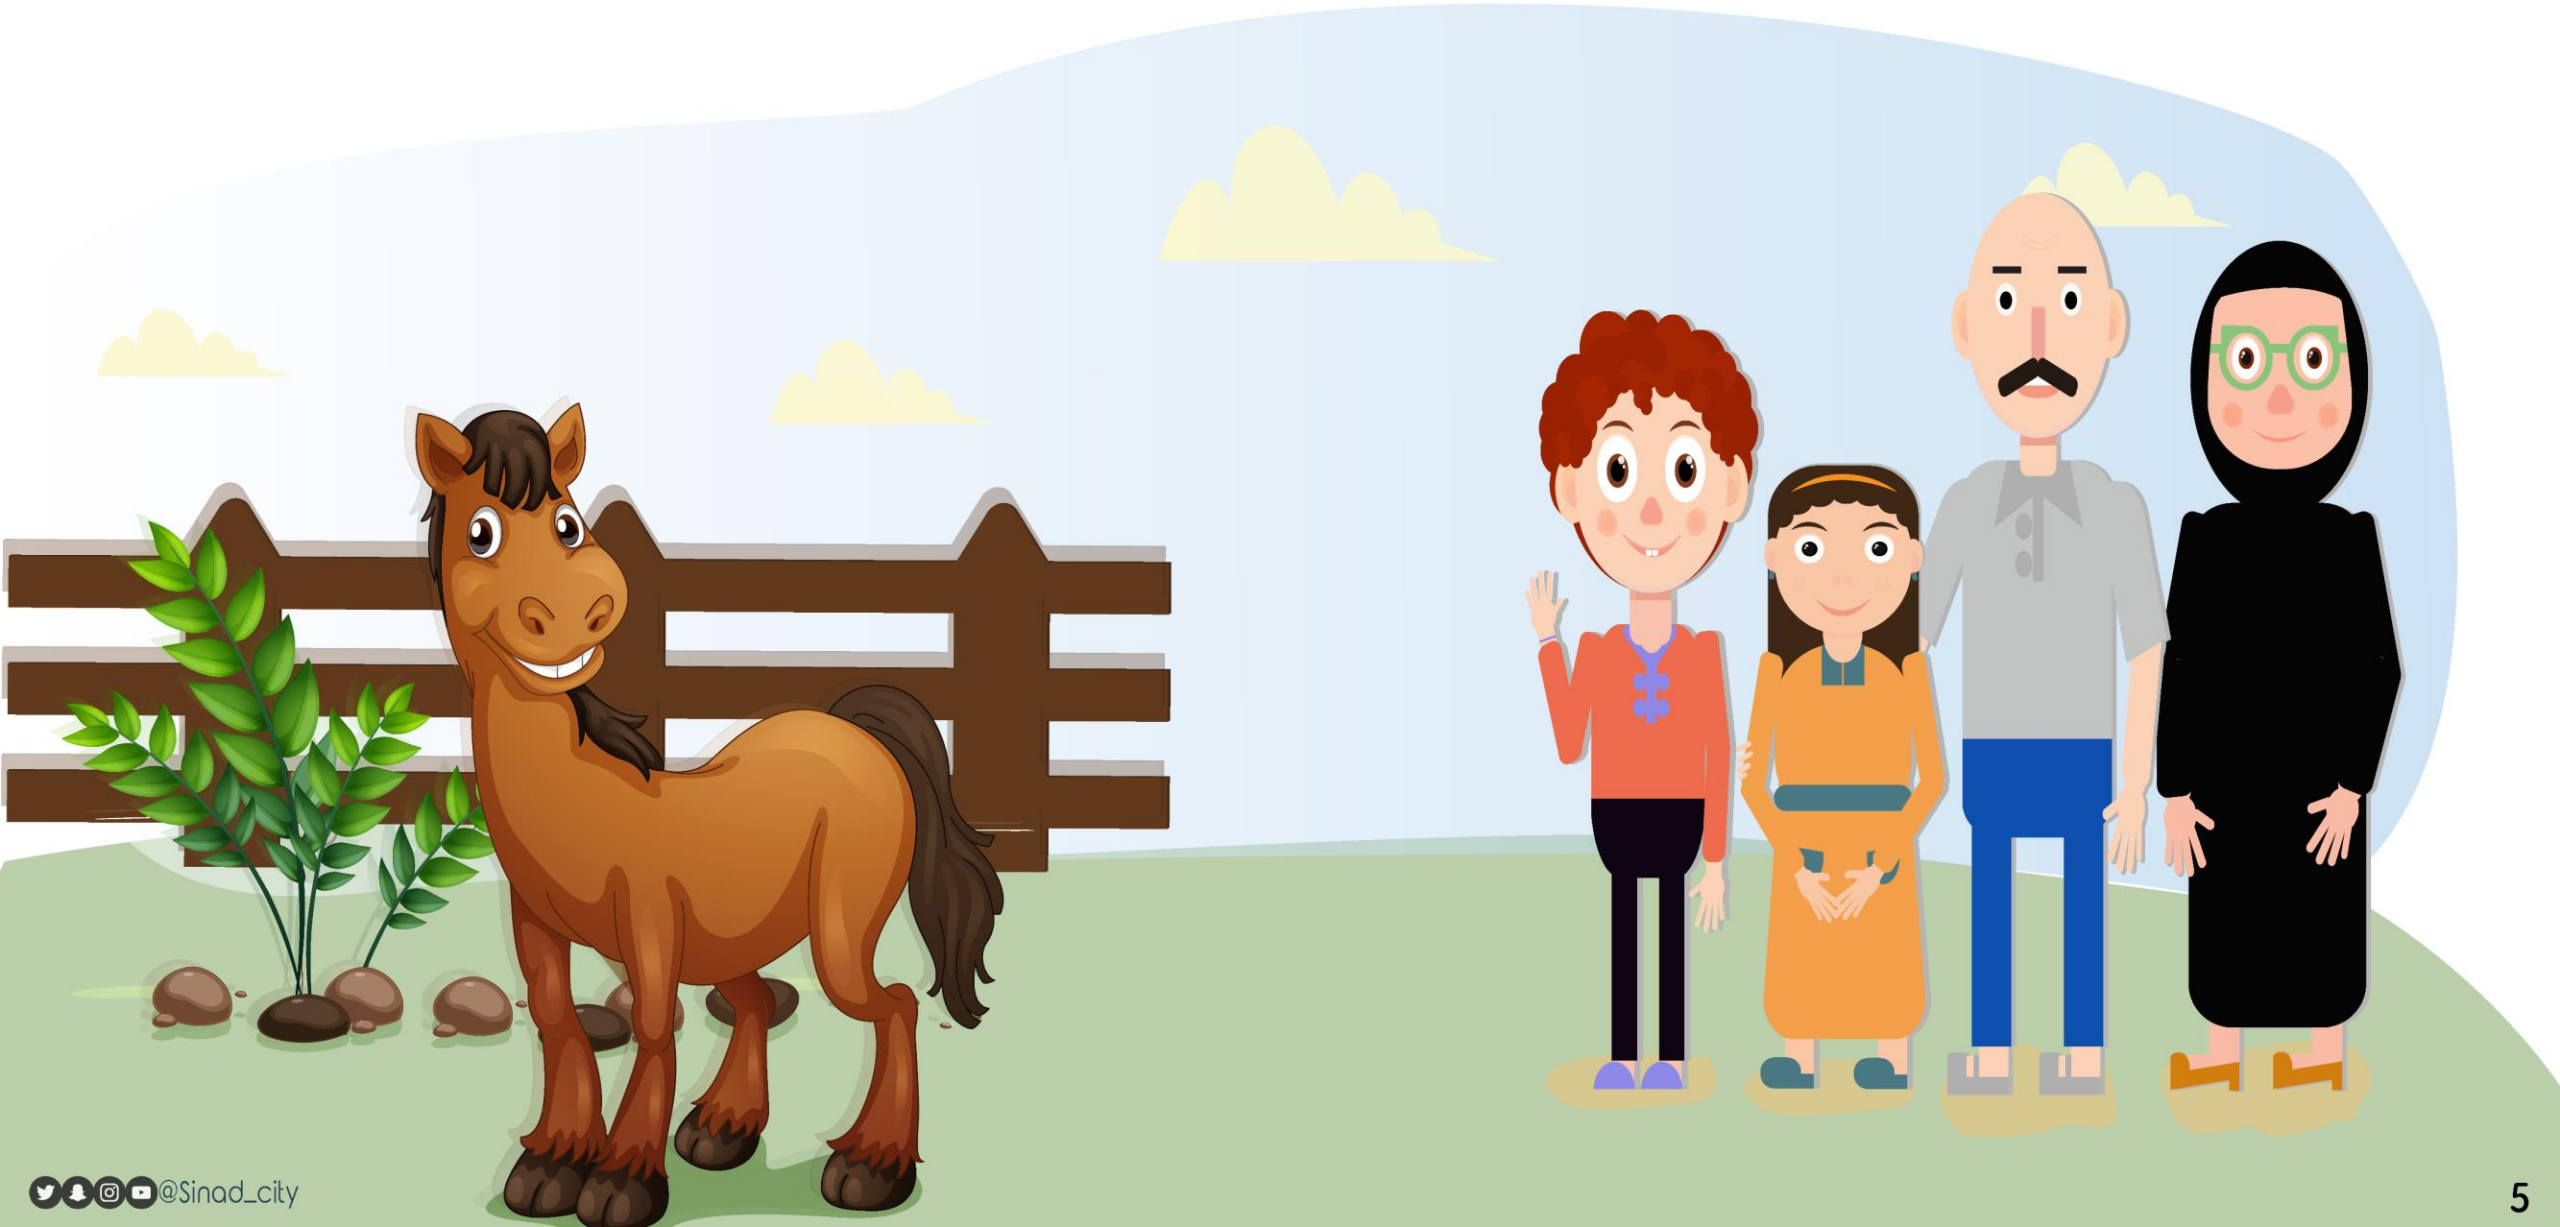

After finish reading each page, ask your child

Where did ahmad and his family go?

The brown **horse** was the first animal that we saw.

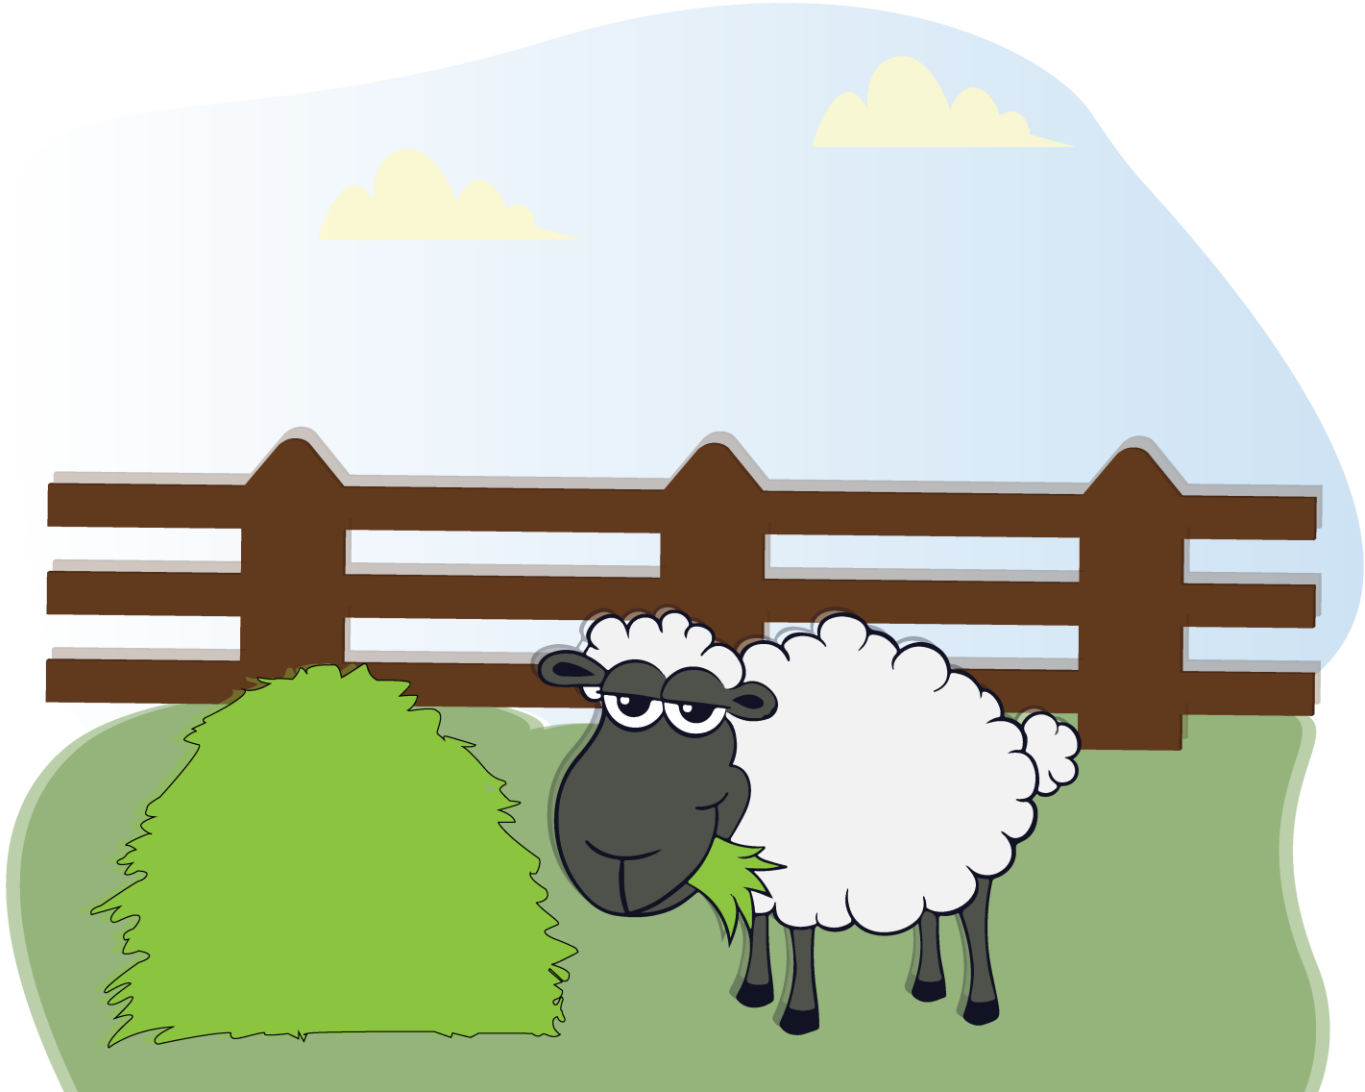

After finish reading each page, ask your child

What was the colour of the horse?

Then we went to see the **sheep**, and he was eating the grass.

After finish reading each page, ask your child

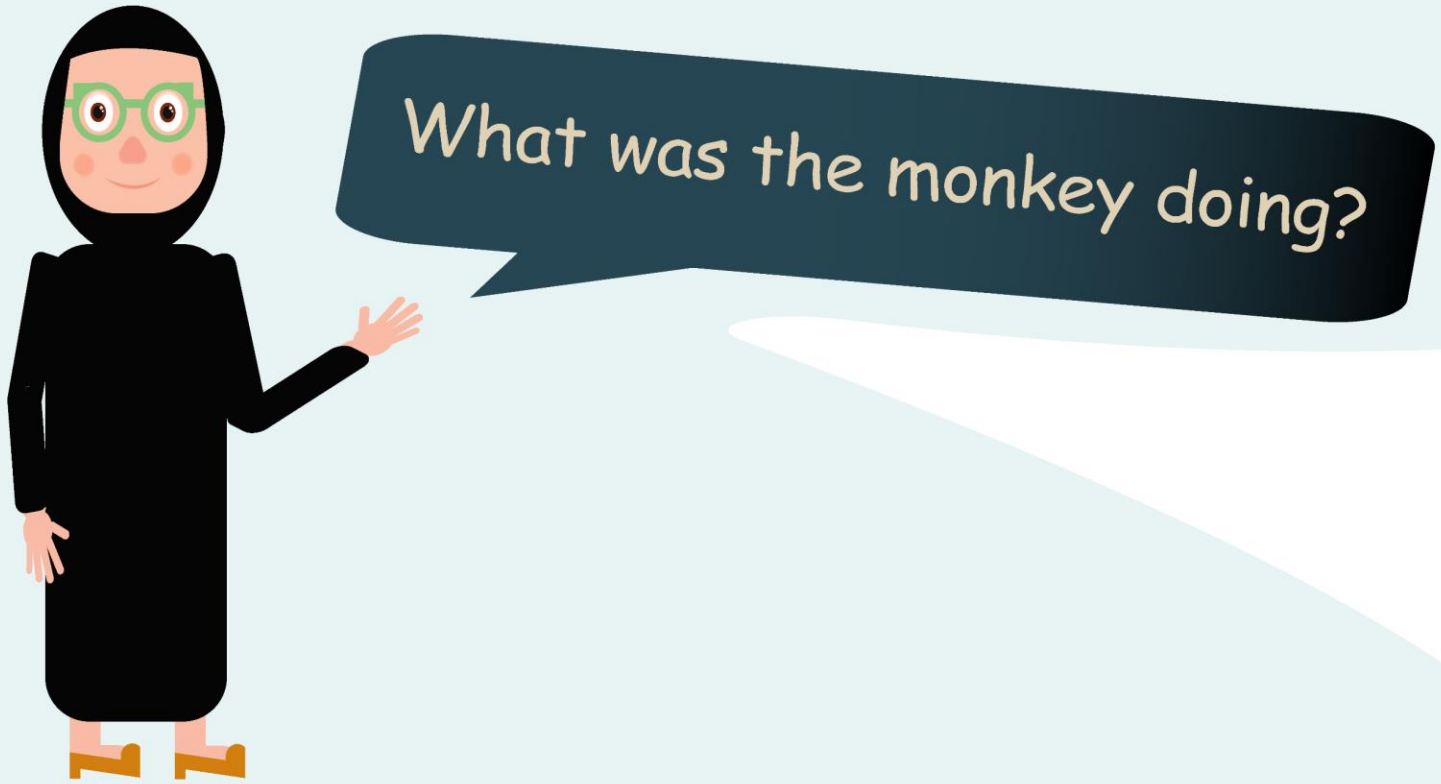

We saw the **monkey**. He started jumping there and there. so my sister got scared.

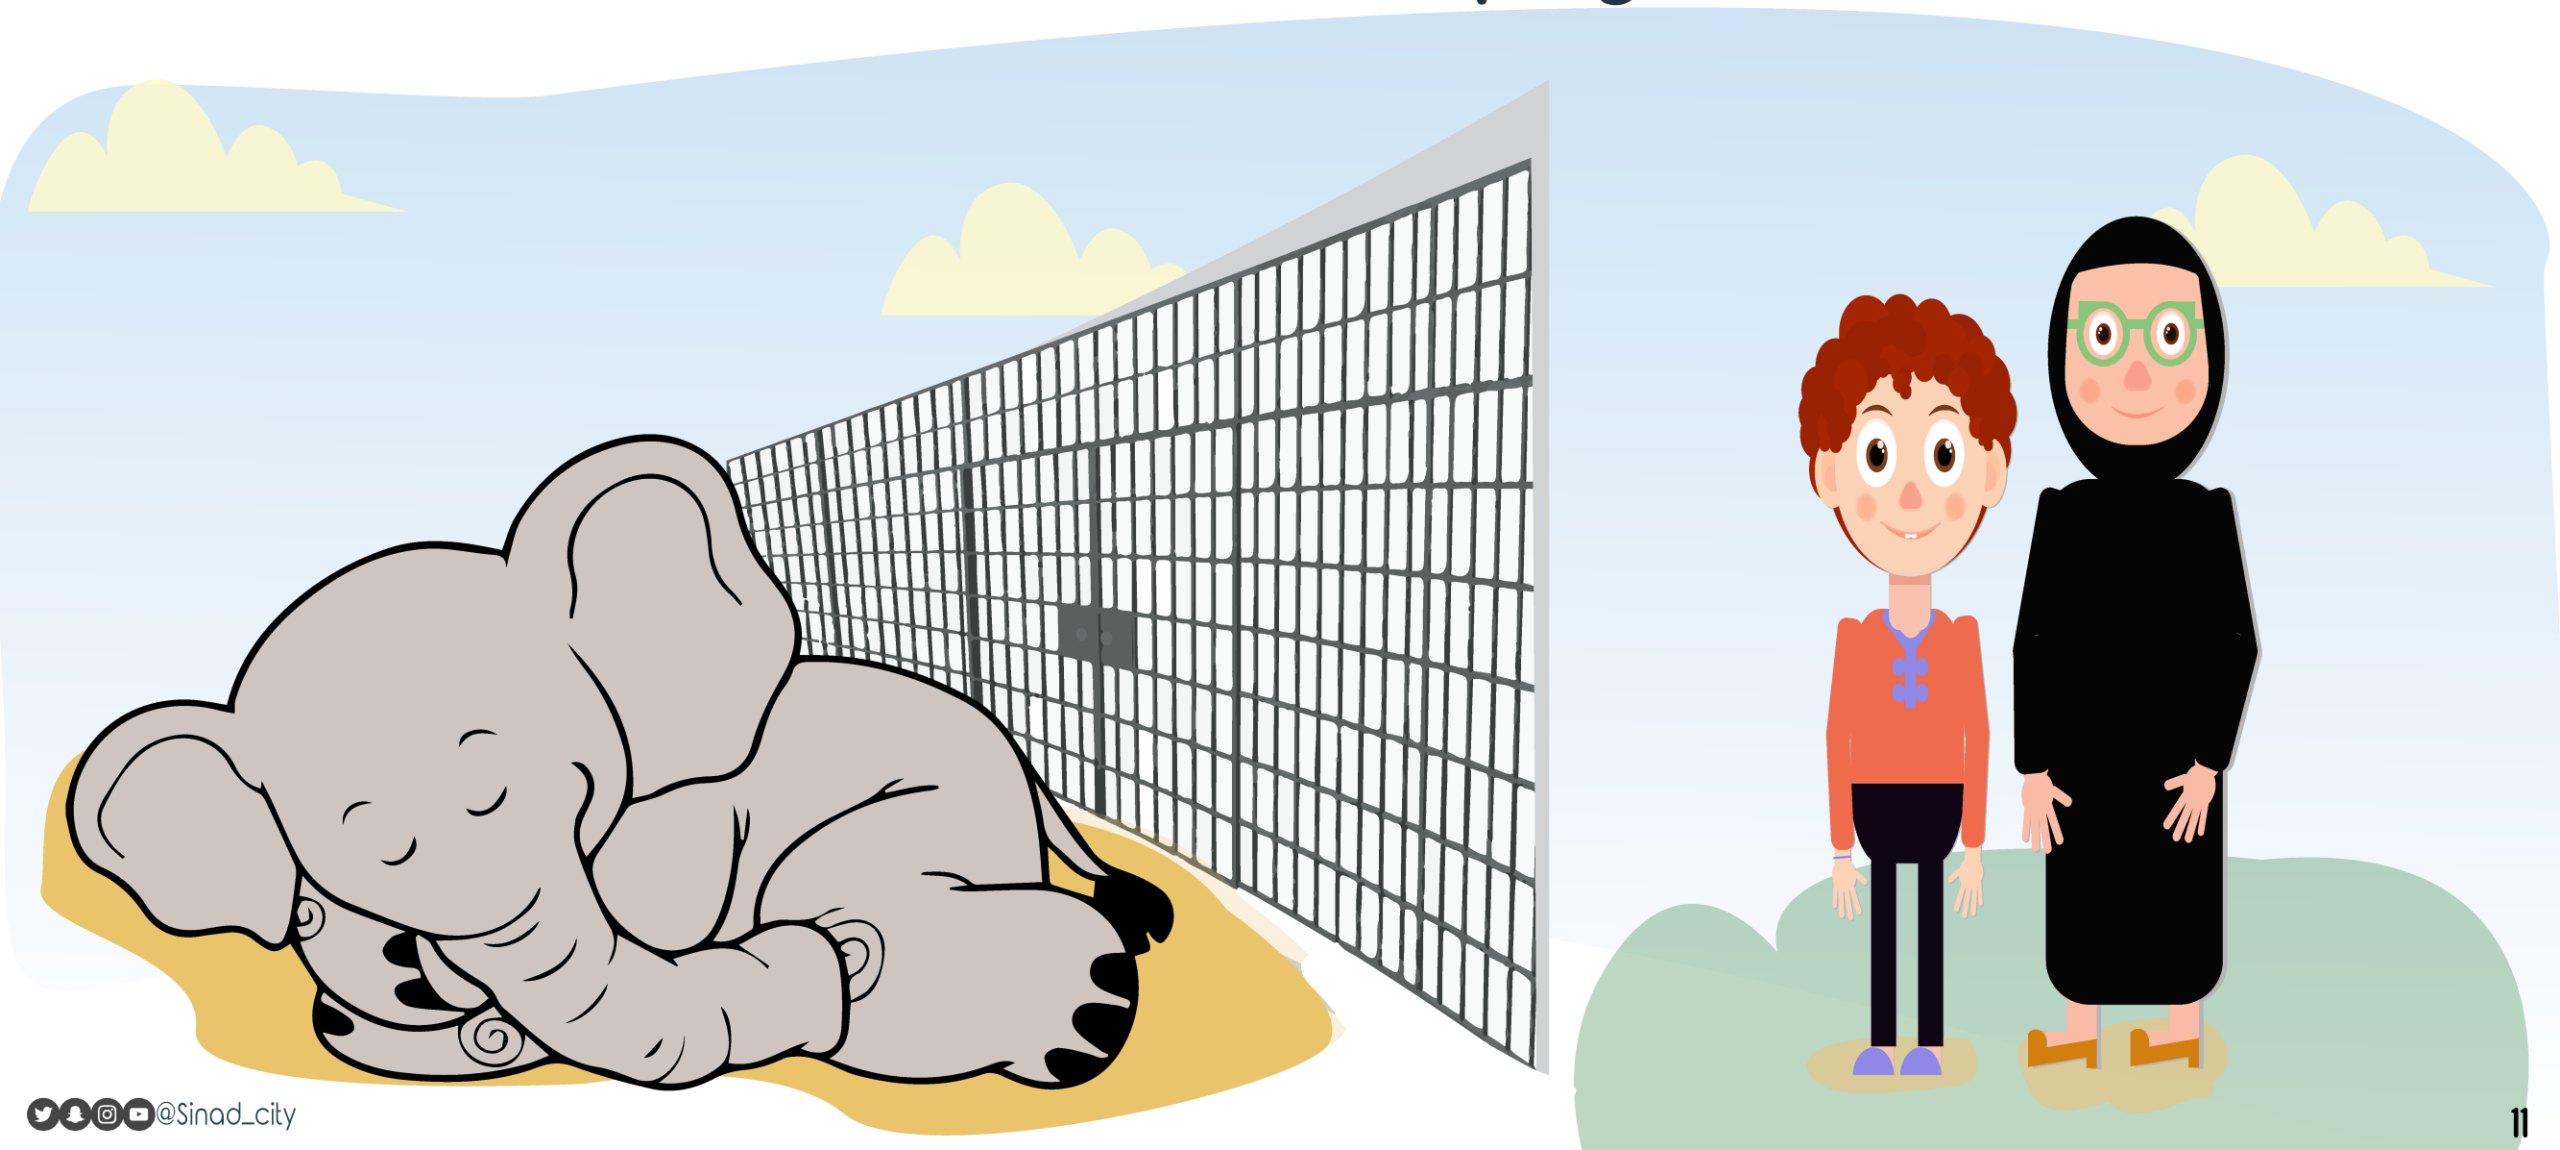

After finish reading each page, ask your child

After that, my mom and I went to see the big **elephant**, but he was sleeping.

After finish reading each page, ask your child

What was the elephant doing?

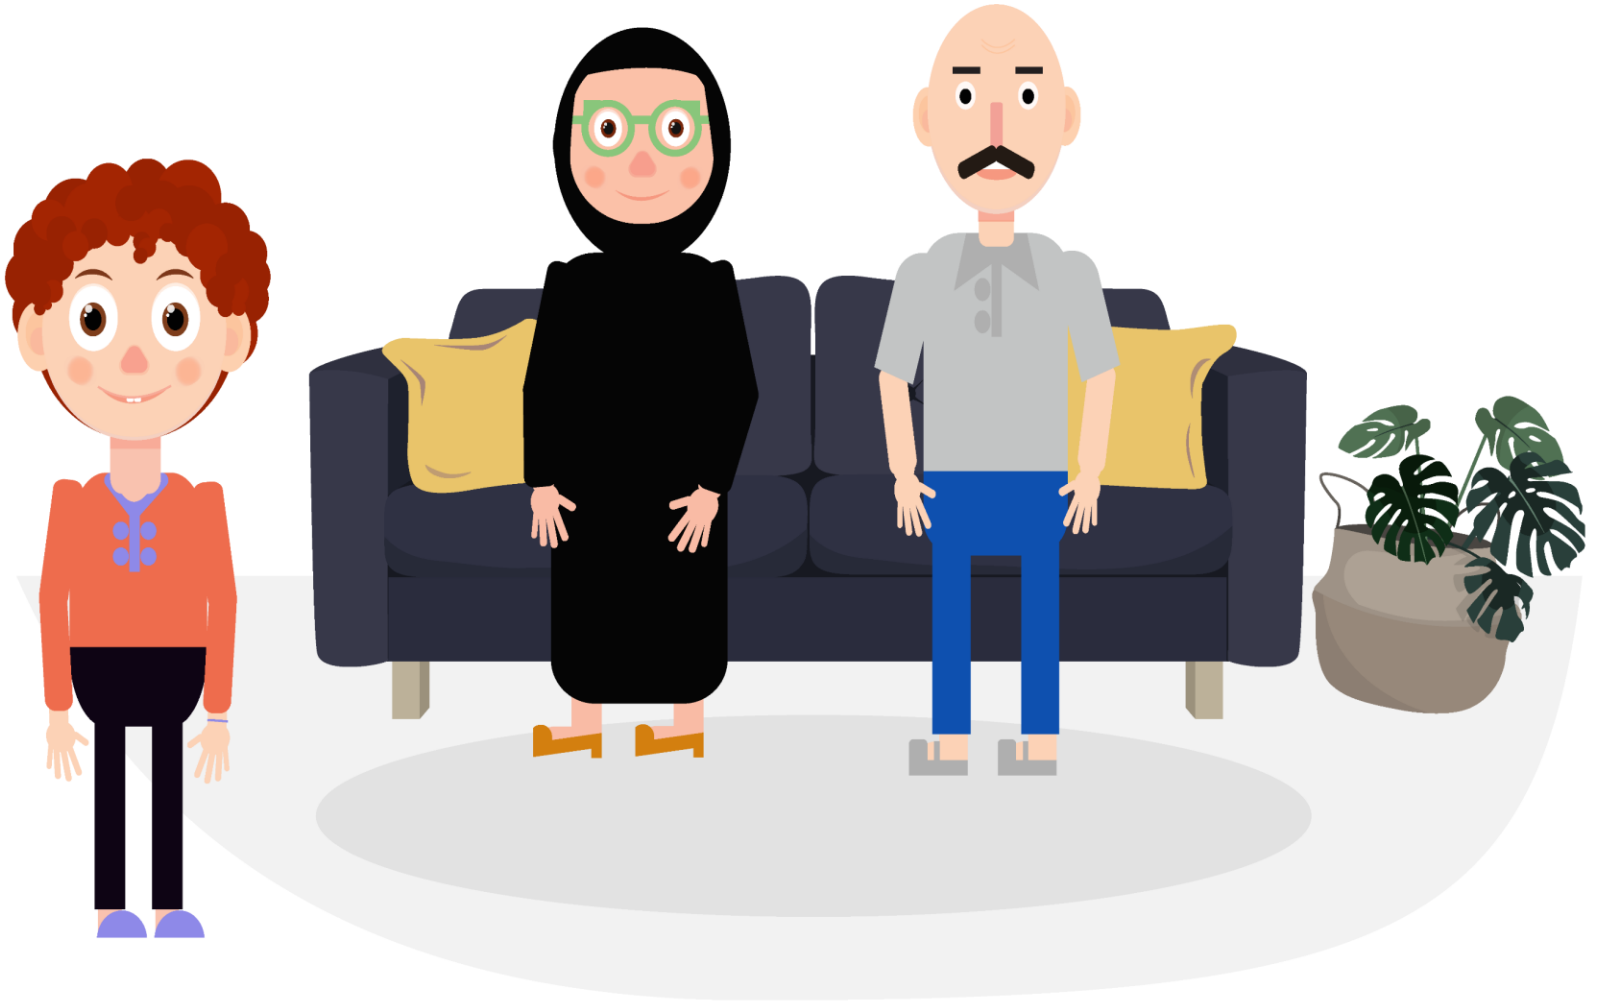

Before leaving, we saw the **rabbit** was eating a carrot.

After finish reading each page, ask your child

I told my Mom and Dad that I was so happy about our visit to the zoo.

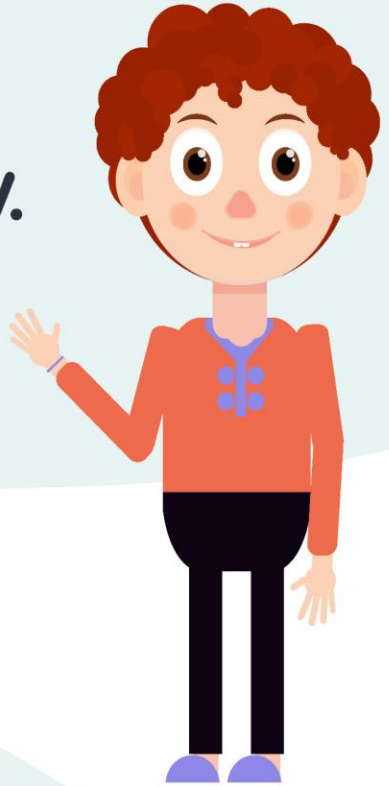

After finish reading each page, ask your child

The End

We hope you enjoy reading the story.
