An elegant nightgown can be a great addition to any woman's wardrobe. And, our [silk nightgown](#) is a wise choice for us. Below is a list of 5 reasons why our silk nightgown will be your favorite sleepwear.

1. Temperature Regulator

It is recommended to maintain the suitable body temperature during sleep, for it can increase the bodily comfort and improve the sleep quality. If you feel too hot or too cold, you cannot enjoy a good sleep. Silk can absorb up to 30% of its weight in moisture. Therefore, silk nightgown is the ideal sleepwear for it keeps you warm when cold and cool when hot.

2. Exceptional Craftsmanship

Our silk nightgowns will make you feel light as well as exceptionally soft. Our silk nightgowns are special because of the impeccable cutting and stitching. We've always focused on the production process.

3. Exclusive Quality

We involved in all steps of silk production like the harvesting of mulberry leaves. Quality is our greatest advantage. We focus on each outstanding detail to create exclusive silk items from high quality silk.

4. Unique Feel and Comfort

As we know, women often suffer from eczema or even dry skin for they have sensitive skin. Our silk nightgown, made of 100% natural silk without chemicals or irritating colorant, is naturally hypoallergenic and has a very fine structure. Our silk nightgowns can reduce all sorts of irritation, leaving your skin soft and smooth.

5. Long Lifespan

With 22 momme weight silk fabric, our classic silk nightgown is an indispensable accessory, and we can wear it for many years. Our silk nightgowns are not only luxurious but also drape well and fit exquisitely for any figure or body.
