

# LOCAL DESIGN/CONSTRUCTION VOLUNTEER APPLICATION

This application is for exemplary baptized publishers 17 years of age and older who are willing to assist periodically with construction or maintenance projects for limited periods of time within a reasonable travel distance from their home. Only those in good spiritual, physical, moral, and emotional health should apply. All should have the spirit of the prophet Isaiah, who said: "Here I am! Send me!" (Isa. 6:8) While the greatest need is for those who are skilled in construction, project development, and design, anyone having a reasonable measure of experience in a construction-related trade may apply. Volunteers 17 years of age are permitted to work in construction areas, but only if they are properly supervised. Please answer completely all questions applicable to you. It is preferred that the information on this application be entered electronically. **Applications should be renewed every three years or when there is a change of circumstances that would affect the answers on this application.**
