Sibutramine 15 Mg Kaufen - Different dosage available Sibutramine is used for stopping feelings of sickness (nausea) and being sick (vomiting) in adults and children. It is also used for relieving stomach discomfort, fullness or bloating and regurgitation of stomach contents (reflux or heartburn) in adults. The original version contains a lot of mozzarella cheese (while in mine there are only 100 grams) and a lot of Parmigiano cheese (that's why is called Parmigiana!!)
