NINJAVAN Service Guidance

NINJA VAN provides next-day deliveries within peninsular Malaysia, and we have hubs in Klang Valley, Penang, Johor, Perak, Negeri Sembilan and Melaka. Simply make a booking online and we will head over to your specified pickup location to collect your parcels.

With our Real-time Parcel Tracking System, we report the status of parcels during the delivery process, and we ensure your parcel is accounted for every step of the way.

(S) Courier Services
