## Festa Offering the Best Soft Drink Juice flavours

---

**DR Congo, 28<sup>th</sup> September 2020** – Festa was founded in 2016 and since then has been committed into exploring new products that possess dynamic flavours and tangs. Festa has successfully launched its amazing flavours for you and your curiosity.

Festa has been keeping up with the game of flavours and taste by introducing you with these delicious and energetic relishes – Tangawizi, Lemonade, Cola,

Orange, Ananas and Grenadine. Festa has a unique distinctiveness and over the years has managed to gain the trust and love of people. With time we are progressing and steadily transforming into something that people will love, enjoy and thirst for.

Festa is marketed by Swissta, which provides fresh drinking water. Festa is one of the leading brands in cool drinks juice in the Democratic Republic of Congo. Festa offers a rich range of flavours that has managed to captivate consumers. Our product range includes Grenadine, Orange, Ananas, Cola, Tangawizi, and Lemon. We are constantly motivated in providing you with the rarest energy booster flavours, available near you at your disposal.
