

1st IBRO/APRC Chandigarh Neuroscience Symposium

About IBRO Symposium

International Brain Research Organization (IBRO) USA has given us the opportunity to conduct an IBRO symposium at Panjab University, Chandigarh to foster research and training in the field of **Neuroscience**. Pharmacology Department at University Institute of Pharmaceutical Sciences is known for its strong base in neuroscience and behavioral pharmacology in India. Pharmacology department wishes to spread this knowledge and train the personnel in the field of neuroscience by theoretical lectures and practical demonstrations on behavioral pharmacological techniques.

1st IBRO/APRC Chandigarh Neuroscience Symposium is going to held at Panjab University on February 05, 2016. Four International neuroscientists (Japan, Hongkong, Malaysia and Singapore) are invited to deliver Plenary Lectures under IBRO/APRC Lecture Exchange Program. Indian Neuroscientists, Post-Doc, PhDs and Master's students of Pharmaceutical as well as Basic Sciences students are invited to participate in the one day symposium. A group of **200 participants** will be registered on first come first serve basis for the IBRO/APRC Chandigarh Neuroscience Symposium.
