## Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is [cdc.gov](http://cdc.gov) (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

## Pest Control

Effective immediately, pest control services will be provided BY ADVANCE REQUEST ONLY, on regularly scheduled dates. Please note that services are provided at your own risk, as the technician will likely be in several apartments each day. If you want the normal pest control service to be completed as scheduled, please call the office at least 24 hours in advance.

We will resume normal service as soon as the COVID-19 pandemic allows.

## Shine a Light on a Resident

We want to recognize C. Myles! Dealing with the restrictions that COVID-19 has placed in all of us very few have resources they can use to continue to make sure their lives are not interrupted. It is so hard to keep up that we understand. Ms. Myles partnered with her organization to give back to a few deserving residents in a way that we did not see coming and for that we all are so thankful! If you know Ms. Myles please thank you for giving back to our community and taking the load of even just for now!

From the Primm Place staff, we thank you!
