

LIST OF BIGGEST VIOLATIONS(solid proofs of genocide) CONDUCTED AGAINST ME BY SLOVENIA, UNITED STATES OF AMERICA, EUROPEAN UNION AND BY USA OWNED UNITED NATIONS INCLUDE(include numerous others, but this are main issues there were used):

BEFORE I EVEN GO ON....THERE ARE NUMEROUS EXISTING VIDEOS AND OTHER DOCUMENTATION(either audio recordings or government issued documents) THAT PROVE SEEN HERE <http://ausertimes.blogspot.com.by/2016/09/about-man-who-overthrew-worlds.html> AND WITH WHICH UNITED NATIONS AS WELL AS OTHER ORGANISATIONS(human rights and governments) ARE VERY WELL FAMILIARIZED WITH, AND DUE TO WHICH I AM HUSHED SO WE CAN AGAIN NEGOTIATE WITH WHAT IS SEEN ABOVE...BEFORE WE EVEN GO ON, I HAVE TO INFORM YOU ALREADY THAT MY NAME IS CONSTANTLY DELETED FROM INTERNET, VIEW COUNTERS AS WELL AS LIKE BUTTONS ARE HUSHED(blocked), AND IT IS THIS VERY FACT ALONE(TOTAL DENIAL OF EXISTENCE) THAT GIVES YOU THE RIGHT TO RE-DEMAND SEEN BELLOW.....<https://goo.gl/bdw6lc> or <http://bit.do/drKtc> OR <http://ow.ly/lcuV30bl0wP>

1) Over 30.000 job applications which I have submitted(25.000 in US alone) were **declined** to me by potential employers on two continents(in no less than 9 countries = USA, Slovenia, Austria, Germany, Sweden, Norway, Hungary, Canada, Belgium) between years 2006 and 2017 !!!

2) Pre employment psychological evaluations(so called tests and it was over 600 of them) were used to **psychoologically torture** me and to modify one's mind !!! Because upon successful completion of each and everyone of those, no employment was ever granted to me(was told by well situated/educated home visitors, neighbors, teachers, and even school mates already since age 14 that there will be no future for me) !!!

3) Forced unemployment started in USA gradually while in Slovenia upon completion of schools for maintenance mechanic(*vzdrzevalec vozil in strojev*) and mechanical engineering technician(*strojni tehnik*), I was told that **no job will be ever available to me in Slovenia** and it is how I left to US when 23 years old. In **United States of America**, Forced unemployment was implemented against me gradually(it first started with abuse known as **denial of the right to obtain employment within fields of my two professions or on level as educated for** and have systematically extended itself to prolonged periods of unemployment...thus leaving me with each forced unemployment period more and more exposed to optional state claims/justifications per how I am more and more unsuitable for work)...US Government have this way economically ruined and socially isolated me. I was not capable to match anywhere even near the desired racial dating criteria according to my taste and was compelled to date uglier than ugly "minorities". THIS IS THE DEFINITION OF WHITE GENOCIDE !!! MULTICULTURALISM = TERRORISM !!!

When leaving to US at age 23, Slovenian government(via local police) have told me in the face that I **will not be allowed to stay in USA** and in case I would stay there that they will kill me. Since I insisted on leaving to USA, they have threatened me with death if not return immediately to Slovenia

upon completion of contract aboard the ship(Celebrity Cruises ship Meridian)....Neighbor doctor Igor Kotar and doctor Balazic have acknowledged me when leaving to USA in 1994 as insane and **local hospital in Novo mesto** have acted against me by **refusing to issue me health certificate** for work aboard the cruise line ship on behalf of this two “doctors” and state. I got one instead in Austrian Salzburg(this is how insane Slovenia was and still is). **US Immigration officer told me** during my initial meeting for residence application in US after I got married to US citizen that **I will not be allowed to stay in USA because they want me back home**....when I asked him who, why, and how he declined to answer my questions...I went further and have provoked(challenged) him issues per how exactly is US Government going to prevent/stop me from staying in US(I was married to US citizen and so no one could truly do anything about my legal status in US - its why I pushed back on his totally illegal gestures) on what he answered me that my life will be made impossible(I laughed at him back because Slovenian state have caused me since my childhood unmatched evil - I was beaten up by groups of 10/15 kids who were supervised by teachers on daily bases till age 16 on what I was told that due to amount of physical violence that I endured, I just wouldn't be capable to drive through my life) via employment issues. Nothing really could be worse for me in US than what it was in Slovenian hellhole(see my school grades in school index if you disbelieve these words - see how many grades I have received and just how negative those were...). My father was used against me additionally to everything you have read here. He was and is psychopath(extremely dangerous maniac) who have not only beaten me on daily bases to disburse his inability to handle on job stress, but have further life threatened(place me on brink of death) on numerous occasions(from pointing rifle at me, pointing handguns at me, waving oars/paddles with intention to kill me on fishing boat, attempting to strangle me and all the way to placing me to mental hospital at latter age on behalf of Slovenian state to cover up his criminality which he have performed on me throughout my childhood - man have gone as far as placing my mother knife under the throat during lunch...uncontrolled anger outbursts were frequent and we were always guilty for everything he couldn't find...he attempted to place me in school at age 13/14 for mentally retarded kids to avoid liabilities for crimes committed against me...at my age 40, lunatic Slovenian state, however, have given old maniac the right to decide about my faith under mental health laws).

This is just a school index and not "redovalnica" (class grades book) where I would have everything scratched and up to three times as many grades as other schoolmates (most of the grades were negative between lowest grade possible and second lowest grade). There were teacher who have also

physically assaulted me(not have they instructed daily groups of kids on me, but they have disbursed their frustrations on me as well).

4) US Government have used forced unemployment issues to also compel me in totally unacceptable for normal person work schedules(its how I have changed day for night and night for day...was compelled into carcadium rhythm repeated work schedule...two days morning, next two days in afternoon shift, and the next two overnight shifts...at times due to forced unemployment and my being ambiutions with idea to recupertate lost wages/time due to forced unemployment, I have fopund myself working even 24 hours straight !!!). **My career in US ended with my driving tractor trailer** througout continental USA(sleeping in truck for two months at the time and eating cans). Jobs(desired) for which I have passed entry exams(**police jobs, border patrol jobs, corrections, FBI, CIA etc. were declined to me based on totally unfunded lies**...after pasing entry examinations for such jobs and enduring even above mentioned irregular work schedules for positions which were used according to law enforcement agencies as added potential credibilities to my applications, I was even fired when time was due to get emplyment at above mentioned agencies - **CLICK TEXT FOR MIAMI DADE LETTER**). US Government have used employment to ruin not only my economic well being(**wealth**), but also health !!! Idea was to systematically kill me.

My scores for entry in police and university in US were highest possible. 12.9 out of 12.9 possible(given 12.9 highest score possible) as seen here.

5) US Government have compelled me into short lasting jobs where harassed and discriminated

to afterwards use those **to suggest me job instability issues and to compel me in listing all previous employers when applying for new jobs on each submitted application**. US Government have used government advertised work positions for which I have applied for, not only to squeeze from me money for exams and everything stated above, but also to instill in me complete obedience when applying for other non government related positions(**LIST ALL YOUR PREVIOUS EMPLOYERS WITH THEIR COMPLETE ADDRESSES, LOCATIONS WHERE YOU WORKED AND DURATION OF THE TIME FOR EACH COMPANY YOU WORKED FOR, LIST ALL DATES OF UNEMPLOYMENT, LIST ALL JOB RELATED INCIDENTS, LIST NAMES AND TELEPHONE NUMBERS OF YOUR SUPERVISORS, LIST ALL YOUR LICENSES WITH NUMBERS, LIST THREE PEOPLE THAT KNOW YOU AND GIVE THEIR TELEPHONE NUMBERS, LIST ALL ADDRESSES/LOCATIONS WHERE YOU HAVE PREVIOUS RESIDED**). US Government might altered listed job application requirements as seen here, but those were present on each and every application I have submitted between years 1995 and 2010 !!! Try to do this 25.000 times(**its different in Europe since EU politicians don't want Europeans to face entirely with American reality since they fear of revolt – job applications here are much more human**) and lets see where your head stands my friend...I was forced to list(**either write down with pen or via computer**) probably 12 employers on each of those applications just to be rejected(**denied employment**). FACT IS THAT UNITED STATES OF AMERICA EMPLOYMENT SYSTEM IS INTERNET CONNECTED AND EVERY POTENTIAL EMPLOYER HAVE AL THE DATA ON YOU(**your social security number tells it all**).

6) US Government didn't only made my education impossible with constant employment issues(**either work schedules or unemployment**), but have also made efforts to prevent from obtaining officially accredited university knowledge. Forget about financial aid, try to study when you supposed to be at work and vice-versa.

7) US Government denied me assistance of any kind and have used co-workers to suggest me that it is unethical to claim unemployment benefits from state because those hurt employer. US Government have used this option on every job I attended in USA . **I was never ever granted unemployment compensation in USA or low income housing assistance.**

8) US Government have suspended(canceled) the only **license** that one have assisted me with based on classic criminal alibi or how by State licensed and by state employed inspector(**EXAMINER**) for tractor trailer driving licenses was unlicensed at the time of the examination(**US Government have also claimed that they paid \$3000 for my ACDL license at the driving school which they have selected for me to attend and which license became voided after two years due to what I have written here – they have sent me the letter in which US Government have informed that my license is not even valid due to here mentioned reasons**). UNHEARD OFF IN THE HISTORY OF THE WORLD AND NOT ONLY IN USA.

9) United States of America have assisted Slovenian state against me by engaging in MKULTRA torture(**Slovenian state which have committed numerous crimes against humanity in my case, have upon my departure to US seek desperately assistance from other governments worldwide**). US Government have kept me basically in cage when in US and at the same time Slovenian state lied and misrepresented facts to other countries worldwide of which many took totally baseless stand against me due to my views which often were dismissive/rejecting and extremely insulting toward many white nations I knew nothing about. Entire Europe became unofficially acquainted with my case and have studied one – many governments and people even tried to help(**despite lies about me**) and I have

rejected/insulted(as much as I could) them due to what you read here. Nobody truly knew what was going on other than Slovenia and USA. I have never ever complained about anything in my life till age 35(2007). MKULTRA is used to perform extreme physical and even more psychological torture on individual which leaves individual angry, frustrated, irritated, disoriented, scared, panicked, humiliated, with serious physical side effects due to quantity of drugs used(from cardio to brain problems), almost guaranteed mental diseases(split personality, bi polar disorder, paranoia, schizophrenia, PTSD, depression, trauma etc..), and with totally wrong view on situations that he/she is exposed to...because victims are brainwashed with lies (pushed into situations/problems/views that involve their own environment or potential future development during which about 30% are totally distorted – psychiatrists anticipate that victim would comply with distorted/alterd and forcefully embedded thinking process in at least 10% in what they have attempted to instill in targeted individual...this 10% proves on long run fatal for victim as distorted views from reality become only more distorted and often turn into a daily reality in victim's ever day life)...there are numerous other issues that are involved in health of one after being exposed to what you read here, but it sure is sad that Slovenian government have lowered itself to a such a inhumane level together with America(land of the free government by ZIONISTS and Israel). Sad to note that other European Union governments have also complied in this type of practice. MKULTRA(including overseas abductions) torture lasted in my case for entire 8 years(from 1997 to 2005).

10) Told to leave United States of America as a US citizen or be murdered(video recording can be seen **HERE**). Told on so many occasions that I eventually managed to audio record scum one evening. US Government have threaten to kill me even during internet job search(the photo of what popped up before my eyes when job searching in Minnesota)...

<http://ausertimes.blogspot.com.by/2017/05/we-dont-want-you-in-america-any-more-go.html> Video can be also seen at: <http://dai.ly/x5lvzpd> OR <https://goo.gl/tWP7Aw> OR <https://goo.gl/m4JiQS> OR <http://tinyurl.com/mkn4mqa>

Not only what you have witnessed on movie or this photo taken during job search, but if at work or stores (anywhere in social settings) if not told directly in face to go home to Europe as I am longer wanted in US, I would have individuals engaging in indirect conversations around me that would suggest for me to leave US and return in Europe...name of the song was "GO HOME, WE DON'T WANT YOU IN USA ANY MORE" !!!

11) Not allowed to purchase property in US not as a first time buyer with excellent credit score and with huge amount of saved cash as a down payment (I offered even %40 of the house price as a down payment and was first time buyer in US and wouldn't approve me the credit based on forced unemployment against which there was nothing I could do about). See movie for details and following documents.

12) Not allowed to rent in US according to my preferences, but instead to compelled to either

share rooms with people who have previously even engaged against me in MKULTRA procedures (talking about years 2008/2009/2010) and job situation was very same for those years. US Government have compelled me in part time work during 2009 with Job Corps at Target Corporation in Minneapolis – group of government related mob that are used to discriminate and harass targeted population on job market. US Government have used room mates via forced unemployment to anywhere steal money from me, damage my property, demanding from me to move out before lease was over, compelling in stay with homosexuals (they tried with minorities), life threaten me, and even suggest me to leave US as I am no longer welcome in US.

In Chicago, landlord have stolen from me \$350, in Minnesota landlord have stolen another \$350+, and you can see on movie what was going on with roommates...

14) US Government have constantly used Jehovah Witnesses to harass me during forced unemployment... US Government have send them on my door time and again and have attempted to even push me in matrimonial relationship with their members.

15) US Government have used forced employment to go as far as demanding from me to relocate for work to other states on what no work was ever given. I have spent countless nights on trains and buses in search for job after being promised by so called "employers" how one is waiting on me either in Texas, in mids or end of the Florida etc...total madness. When compelled into truck driving.

16) US Government have used trained workforce professional to harass me in different parts of the world and not only in US. People who were trained Miami as a workforce professional (domestic and international), were latter relocated to various locations throughout US and Europe and were used

to intimidate me when relocating throughout US or Europe. I was severely harassed by them in US when asking for any kind of assistance in Chicago and Minneapolis (same individual that have harassed me in Miami and who have initially suggested me to get onto truck driving career latter claimed in Chicago that doesn't know me and how I have no right to any kinds of assistance...situation repeated with individual in Minneapolis – It would no longer cross my mind to even friendly salute them whenever doing job search at state employment agencies...this people have instead sadistically laughed in my face and were making remarks etc...in Sweden, I have even audio recorded American CIA at state personnummer agency harassing and attempting to intimidate me when applying for personal number...you can hear audio recording HERE). http://ausertimes.blogspot.com/by/2017/01/cia-audio-recorded-harassing-and_28.html

17) I was not allowed to even file for political asylum or was denied the right to obtain one when applying for protection in Canada, Norway, Belgium, Germany, Sweden, Hungary, Ukraine...in fact I was heavily humiliated/abused, financially damaged, and my life was placed at risk when applying for one.

--Canada(2009) was left on the street without any financial assistance (was deliberately delayed) when applying for one and almost killed when sleeping in the car at the shopping mall. I left Canada after few days in fear for my life.

--Germany(2009) was told that I have no right to apply for political asylum because US is a safe state and Slovenia of which citizen I am also is a European Union member state. **European Union law prohibits its population from exercising the right to apply for protection from their states in another European Union member state.** Criminal European Union governments (corrupt EU politicians) protect one another from liabilities for crimes committed against native white population by implementing (adhering to) mutual law as explained here. Obviously as a racially persecuted white person, one will not search for protection in non white country.

--Belgium (same as Germany) is European Union state. No lodging was provided and I was faced with Muslim gang when traveling at night from what should have been overnight shelter (was instead dangerous overcrowded motel with loads of minorities standing in line and physically fighting with one another outside) to main rail station...I have slept many nights on rail and bus stations since many of this countries didn't provide even basic lodging...

--Sweden is where I was severely intimidated by border crossing police on train from Norway (they suggested me indirectly possible hospitalization) if I would pursue with my intentions in Sweden.

--Norway (non EU member state) was the biggest violator of rights when applying for political asylum there. **I was threatened to escorted (deported) from Norway by Norwegian police back to Slovenia in case I would dare to proceed with political asylum application.** Since I did dare to be defiant enough to proceed with political asylum application in their face regardless of threats, I was simply thrown out on the street in the middle of the winter. Have reported brutality to Norwegian police in Oslo, but nobody ever got back a hold with me. Coughing followed wherever I walked (would have people coughing wherever I would go – on streets or stores). Slovenia and USA are both safe states is what I was told.

--Hungary(2017) waw...**Budapest government(not Viktor Orban who is patriot, but city of Budapest) have gone as far as stealing my VW Polo for attempting to file political asylum in Hungary. Budapest police demanded from me 20.000 forints via local towing company** for what they claimed was improperly parked car. If I would have paid hem for car, car would have been stolen again the very next day since I have parked my car on FREE parking lot. My car was picked(selected) for towing from probably thousand cars the same day I that I was declined the right to file for political asylum as a retaliatory measure. Parking lot was/is monitored by video cameras by the city of Budapest and my request to obtain video recording of vehicle removal was declined by Budapest police. Budapest police have declined to provide me with video recording of location where my car was parked that day(**I have sent them video with exact location of parked vehicle**) and have therefore admitted criminal act. Act as described here is classified also as form of terrorism(**blackmailing etc.**). I have no words in respect to this incident...my car gone for ever because I searched for basic protection in Hungary. Just like in Germany, was told by Hungarian government that I have no right to file for political asylum since Slovenia is just like Hungary a European Union member state.

--Ukraine is split(polarized) by Ukrainian politicians who profit from conflict between Russia and Ukraine. Therefore, in no way could my political action against US be successfully exercised on such territory and it would be in no way fair from me to exercise one since many Ukrainian people feel that US is their ally. I have had American profiteers literary meeting me on streets of Lviv to suggest me that I am rat(spy) !!! This were same people who have earlier met me in Miami. People who in reality profit from conflict and do not care nor about Ukrainian people and nor about me or American people who battle(die) for freedom of speech and for whom they claim will help Ukraine with conflict !!!

18) US Government and Slovenia have both used on me ECT methods(to erase certain information after performing MKULTRA) on me or was harassed severely(threatened – intimidated) in person.

19) At age 9, Slovenian government begun to inject me with physical growth retardation vaccines which would as a result leave me(**for each treatment**) semi retarded for duration up to 14 days(**I would have trouble with vision and with mental process**). My schoolmates were horrified and some even cried after observing this types of treatments on their schoolmate. Slovenia have also attempted to push forward in my childhood schoolmates against me an idea that would relate me to some sort(any sort) abnormality(hyperactivity etc.) for which they could testify against me to get removed from education process(they questioned kids if they feel my having any type of abnormality that they could relate me with, but kids openly declined teachers' gestures) in elementary school(**they started with this in 4th grade with highest grades ranking students**).

20) Slovenia begun to harass me with psychologists already at age 9 when I had to pay obligatory visitations to school psychologists due to what teachers claimed were low grades(**was physically faced/attacked on daily bases with mob group of 10-15 kids who were instructed and supervised in physical confrontations with me by teachers and at home by deranged/mad father and my grades were questionable to “teachers” ? Just waw...outstanding teachers is all I can say**)...psychologists, however, have determined each time(**on every occasion**) that absolutely nothing was wrong with me and have begun to question teachers' conduct instead.

21) In 1998, US Government have together with United Nations and European Union governments exercised extraordinary(overseas) abduction in Miami which lasted 3.5 months

during which I was severely intimidated(threatened) **and harassed. When still in Miami**(in what I believe was Miami VA or veterans hospital – could also have been Jackson, but was suggested latter on that was Miami VA), I was conditioned on operation table with what **could be immediate lobotomy procedure** if not accepting multiculturalism as a way of life. Yo will either date and accept in life “minorities” or we will lobotomize you right here and now. United Nations have afterwards frequently send in my wife's store in Miami downtown minorities(**not only minorities, but also garbage from Scandinavia etc.**) to threaten me – remind what can happen at any time if not sticking to “agreement”. US Government have setup situations during which I have met lobotomized people in real time to indirectly suggest me what can happen to me as well.

22) US Government have threatened me use what likely would be drones if I would ever dare to speak the truth about America elsewhere(they had Europe on their mind and were not shy to suggest me that plane engine could land even in our living room). During Obama's drone debates on weather those could be used a swell against US Citizens, sure enough I had helicopters flying above the house in Slovenia night and day(**so low that you couldn't ever yourself talking**). It went on like this till I have video recorded them and have posted video online. <https://goo.gl/KrRhKU>

23) The right to lodging of free choice was denied to me to me on both continents, and during total persecution(**no right to employment or any government assistance of any kind**) across the EU and USA, I was compelled into stay with people from United Nations or pro American agents in low budget hostels. Those have damaged me on every step of the way(**it was like that already in 2009/2010 and have again repeated in 2017**). **They have cut my brand new luggage**(and backpacks) which have as a result fallen apart in record short period of time, shoes, clothing and have cause damage to other property. This agents of which many were even involved earlier in above mentioned abductions, were very familiarized with my blogs and **have imitated my situation with imaginary situations** from what they claimed was their own life while acting as stupid...thus indirectly suggesting me insanity. They would further threaten me with video clips(Swedish United Nations' individual who was involved in abductions, but would stay with me in hostel for months under pretense that he is a seasonal carpenter worker in Norway would consonantly play me in Norway clip from Napoleon “They're Coming to Take Me Away, Ha-Haaa!”...this types of harassment/intimidations/threats from United Nations and US Government repeated over and over again on many different locations...actors changed roles, but tactics were pretty much the same. United Nations is almost entirely owned by United States of America which contributes to UN on yearly bases as much as 185 other countries combine(**over 3bln. Per year**). United Nations is a murderous agency and not human rights agency. United Nations' job is murder white people(**specially like myself who resists white genocide implemented on us via UN on behalf of ZIONIST USA**) and not protect what they claim are human rights. Just see what they do with white South African minority as an example. <http://ausertimes.blogspot.com.by/2017/04/my-brand-newtwo-days-old-and-used-only.html>

24) When applying for political asylum in Hungary(2017), **I was compelled in low budget hostel lodging even in hostels owned by CIA where I would be abused by American CIA operatives.** Abuse went on and it appeared that abduction to Israel was about to take place in Budapest as well. See the police report for details. **CIA have failed to steal money for lodging from me**, but police in Budapest failed to assist me when I requested assistance from one, so again a lot of **money was stolen from me for paid lodging on another location related to Israel**(Mossad – **Comebackpackers**). They solicited(lured me) me in use of drugs in Budapest which were totally available and much more. This

were again people who were previously involved in abductions and very same locations were used where MKULRAS took place. United Nations were present all along during this operations just as the case was with my private life when in USA or anywhere throughout European Union. United Nations cooperated(collaborated) and performed on behalf of US Government against me.

<http://ausertimes.blogspot.com.by/2017/04/urgency-israel-trying-to-hijack-me-and.html>

Almost hijacked police totally ignores my calls for help in Budapest !!????

<http://ausertimes.blogspot.com.by/2017/04/hungarian-government-sends-me-in-cia.html>

Hungarian government sends me in CIA hostels where previously tortured...

25) Slovenia which have engaged in what you read here(have physically tortured me to highest degree possible for decades and have denied me the right to be alive via forced unemployment – one have also exercise hard core assassination attempts as explained in continuation), **have gone as far as branding me with mental disease such as paranoid schizophrenia for which no actual symptoms(signs of one) were ever pointed out or indicated** either to me or parents(I have challenged them on numerous occasions with this issue, but no answer was ever given by either psychiatrists or highly qualified/educated nurses when those paid visitations to home).

26) Slovenia have declined me the right to second opinion from psychiatrist professional when forcefully hospitalized in 2012(have never had the right to one despite my requesting for one on numerous occasions).

27) Upon Forced hospitalization in 2012, **Slovenia have** conducted psychological evaluations on me(incl. Rorschach test) which have indicated that I do not suffer from any mental disease or issues, but have instead ignored test results and have insisted on keeping **me locked on department for close supervision for entire 4 months(unheard off and workers were confused – didn't know why and additional 8 months of mental incarceration followed in open department)** and have stated totally bogus story about me when court was summoned to meet me behind walls of mental institution in Ljubljana(one week or so after hospitalization).

28) State lawyers which were designated to represent me due to hospitalization and what have turned into obligatory per state terror visitations(would have to meet with psychiatrists every month where severely intimidated and terrorized – have brought my mom even in tears due to fear that she endured when visiting this maniacs who were not interested in what she or I had to say or what should have been in case of mental disease a therapy, but have instead repeatedly suggested worsening of non existing “disease” and urge new hospitalization – my smile and proper attitude were met with seriousness and exactly what you read here) **have represented state against me and not me against state.**

29) Slovenian psychiatrists have brought me on brink of death when hospitalized no less than three times with over medications. It was necessary to revive me from what would be certain otherwise death

no less than three times(I already begun to sleep straight for 24 hours when they begun to insist on exercise and reduction of drugs)...

30) Slovenian free legal aid was not only not available to me(they have repeatedly decline me the right to one), but one was used to even psychologically torment me. Never given, but used to torment me.

<http://ausertimes.blogspot.com.by/2017/02/teaser-united-nations-denie-me-yet.html>

31) Psychiatrist Prokselj who have tormented me(on each and every visitation as described above) have at one point summoned ambulance for second hospitalization after I have begun to threatened her in the face with police and I was hospitalized for another 6 or 8 months...

32) Court letters failed to arrive at my home when state didn't want me to appear at court and as result state prolenghtened itself case(supervision) against me as pleased. If lawyers who were selected to represent me didn't act against me on court(those have openly suggested me that there is nothing I can do against state and one of them even begun to suggest how even that if I did acted violently, state shouldn't violate my rights so severely etc. - not only that I never did acted violently and that no proofs ever existed that could point out violence in my case, but I was now branded by lawyer who supposedly have represented me on court as violent...all lawyers who represented me on behalf of the state have demanded for me to agree with them and comply with the state).

33) Court have on behalf of hospital suggested that I am extremely dangerous and could place at any time at risk life of my own or lives of other !!! The truth is that I never ever was charged with a single crime in my life time(I have super clean background and this worldwide despite everything I was subjected too) and not that I would place others life at risk...I have never ever exercised a suicide option in my life, but did have second thought about life after Slovenia have branded me as a paranoid schizophrenic...they take your everything away from you(from career, education, family etc.) and brand you in your best years even as a mentally ill man(and torture yo and insist on forced medications that cause even pain in your sexual organs – dizziness in the head and urge for extra food – block you from exercising regular) is a but too much at age 40...I have never ever disclosed anyone anything about what is written here and therefore were no grounds to torture me and claim that I am contemplating either a suicide or hurt someone else...INSANE = SLOVENIA

Podpis pristojne sodne osebe:

trpinčenjem vznemirjal svoja starša, ki sta se zlasti ponoči pred njim zaklepala v spalnico, ker sta se ga bala, ker je bil napadalno agresiven, pri čemer je:

- dne 11. 5. 2012, ko sta starša Savo in Ana Avsec na njunem vrtu pred hišo v vasi Krka, št. 1 pripravila slovesnost ob 80. rojstnem dnevu očeta Sava Avsca, vpriči sestre Biserke Avsec, njene hčerke Urške in soproga dr. Mitja Webra ter soseda dr. Igorja Kotarja in njegove žene Sonje prišel na prizorišče praznovanja rojstnega dne s kamero, s katero je skušal odgnati družbo, ki jo je skušal nagnati z grdimi in neprimernimi izrazi, s čimer je močno ponižal zlasti slavljence, očeta Sava, in mater Ano, ki nista pričakovala, da bo nasilno zmotil proslavljanje rojstnega dne in povabljenca, pri čemer se je besedno grdo znesel zlasti na dr. Webra in dr. Kotarja, zaradi česar so se povabljenca razšli, starša pa je obšla huda žalost, ker sta bila v stresni situaciji ogrožena in razburjena;
- v času od 1. 1. 2011 do 14. 5. 2012 je v Krki, št. 1 staršema večkrat grozil s svojimi idejami o večvrednosti neke rase in je grozil, da bodo tisti, s katerimi se povezuje, pobili vse ostale, pri čemer je oboževal in poveličeval norveškega morilca Breivika, zaradi česar sta se ga starša močno bala, saj je z njima ob sleherni priložnosti zlasti zadnji dve leti z njima ravnal grdo in ponižujoče, čeprav sta vedno vzgajal pošteno in je bil dober fant vse, dokler se ni skrušen vrnil iz tujine in so ga obsedle nekakšne čudne ideje, ki niso sprejemljive zanju in za civilizirano družbo, zlasti ne grožnje, da ju bo pregal z njegova stalnega prebivališča,

s svojimi agresivnimi dejanji pa je pri Savu Avsecu in Ani Avsec povzročil strah, ogroženost in hud nemir, ker ju je s svojimi grobimi in bolečimi posegi ter z nasilnim omejevanjem njihovih enakih pravic v skupnosti spravljal v izrazito podrejen položaj.

Utemeljitev suma:

Utemeljenost suma, da je osumljenec Boštjan Avsec storil kaznivo dejanje, ki ima objektivne in subjektivne znake kaznivga dejanja nasilja v družini po 1. odstavku 191. člena KZ-1, izhaja iz predloga za pregon oškodovancev Sava in Ane Avsec z dne 14. 5. 2012, iz njihovih izjav, ki sta jih dala policiji, iz uradnih zaznamkov o izjavah dr. Cveta Gradišarja, Biserke Avsec in Mitje Webra ter dr. Nikoline Rijavec.

Osumljenec Boštjan Avsec je bil julija 2012 prisilno hospitaliziran v Psihiatrični bolnišnici v Ljubljani, kar je potrjeno z izjavama dr. Gradišarja in dr. Rijaveve. V preiskavo bo potrebno zaslišati izvedenca psihiatrične stroke, ki bo lahko zato, ker je nastal sum, da je pri obdobju zaradi trajne ali začasne duševne bolezni, začasne duševne motnje ali duševne zaostalosti ali zaradi kakšne druge trajne in hude duševne motenosti njegova prištevnost izključena ali zmanjšana. Iz navedenega razloga je treba odrediti psihiatrični pregled obdolženca, ki je po mnenju dr. Gradišarja lahko hudo nevaren za svojo okolico.

Oškodovanca s sinom Boštjanom živita v stanovanjski hiši na Krki pri Novem mestu. Osumljenec je v devetdesetih letih odpotoval v Združene države Amerike z namenom, da se bo zaposlil in se s prihranki vrnil v domovino. Pol leta je bil na ladji in se je nato izkrcal v Miamiu na Floridi. Kot je znano staršema je osumljenec v ZDA delal in si pridobil ameriško državljanstvo. V domovino se je vrnil leta 2006. Doma je ostal dve leti. Leta 2008 je brez pojasnila odpotoval v tujino. Lahko da je bil na Švedskem in znova v Ameriki. Ko se je leta 2008 vrnil domov, se je zaprl v svojo sobo, kjer se ukvarja izključno s svojim računalnikom. Svoje

IS CLAIMING THAT I HAVE HUMILIATED PHYSICALLY ATTACKED AND PUSHED PARENTS OUT OF HOME (latter on in blue is very same writer suggesting that I have never touched anyone physically, but that I was only psychologically aggressive, but that it is the same according to the law hahaha). That I have life threatened my parents and have spread the word in village how it is necessary to murder Slovenian population with gypsies and Jews (lots of insane neighbors is what I have had is all I can say if those truly have stated such idiotisms and I hope they have proofs for their statements.). In fact, I didn't even talk to any neighbors other than (occasionally) old female Slavka and old neighbor Henc (we are very good friends since I was little). That I have attacked visitors...waw...that sounds pretty insane to me and why would I do that for !!!!!?

obnašanje in odnos do oškodovancev je močno spremenil. Že leta 2006 je kazal znake nesočnega in destruktivnega vedenja. Trdil je, da ni Slovenec, temveč Nemec in da je gostni član nacistične stranke v Nemčiji. Očetu je izjavil, da je treba pobiti vse Žide, Čigane in Slovence, še zlasti komuniste. Izjavil je, da je ogrožen. Ogrožal naj bi ga vsi, starši in ostali. Trdil je, da sta ga ogrožala oče Savo in dr. Kotar, ki naj bi mu celo sledila na Švedsko, kjer naj bi ga ugrabila in pripeljala v Slovenijo. Osumljenec je zlasti zoper starša vršil hudo psihično nasilje. Očeta Sava je nenehno zmerjal, da je Fritzl, mati Anico pa, da je parazit. Očitaj jima je, čeprav je bilo ravno obratno, da ju mora živeti in jima je grozil, da ko bo prišel čas, da ju bodo ubili kot vse druge. Življenje z njim v družinski skupnosti je bilo za oškodovanca nezno. Boštjan je podnevi spal, ponoči pa se povezoval preko spleta s somišljeniki v Nemčiji in drugod. Oškodovanca sta se sina bala, ker ju je napadal, kakor tudi njune obiskovalce, domače in tuje. Ljudje so se bali obiskovati zakonca Avsec, ker jih je naganjal od hiše. Čeprav je imel vedno kuhano, je hrano zavračal, ker da iz umazanih rok, od take »sprasice« kot je mati, ne bo jedel. Svojo mater Ano je osumljenec zmerjal, da je »skurba« in »sprasica«. Oba starša občasno naganja iz lastne hiše. Očeta zmerja, da je »pedofil«. Osumljenčovo nasiljevanje in trpinčenje je trajalo več kot dve leti. Dne 11. 5. 2012 sta starša pripravila slovesnost ob 80. rojstnem dnevu Sava Avseca. Goste sva povabila na vrt, kjer je bila zakuska. Na rojstni dan so prišli hčerka Biserka Avsec, vnukinja Urška z možem dr. Mitjem Webrom ter dr. Igor Kotar z ženo Sonjo. Osumljenec se je nenadoma pojavil pri mizi s kamerom. Zbrano družbo je skušal nagnati z grdimi in neprimerimi izrazi, s čimer je močno ponižal zlasti mater in očeta Sava, ker je bil slavljenec in nikakor ni pričakoval, da bo zmotil njegovo proslavljanje in njegove goste, med katerimi se je zlasti znesel na dr. Webra in dr. Kotarja. S svojim dejanjem je močno prizadel tudi mater Anico, ki je z vsokrnostjo pripravila rojstno dnevno zabavo. Zaradi osumljenčevega izpada, se je družba razšla, naju pa je obšla žalost, saj sva bila v stresni situaciji ogrožena in razburjena.

Z gotovostjo je os. Boštjan Avsec član družinske skupnosti Sava in Ane Avsec. Stanuje v isti hiši in uživa hrano, pa ne tiste, ki je skuhana, je le hrano iz konzerv, napolitanke in čokolade, ribe in čips, ki sta ju starša kupila v prodajalni z živili s svojim denarjem, saj sam nima sredstev za lastno preživljanje. Starša sta zgrožena, ker je osumljenec obseden z idejami o večvednosti neke rase in grozi, da bodo tisti, s katerimi se povezuje, pobili vse ostale. Spominjal tu je na Breivika z Norveške.

V preiskavi bo treba preučiti tudi, ali obstaja resen dvom, da se zaradi svojega duševnega stanja ne bi mogel udeleževati kazenskega postopka in bo eventualno potrebna njegova namestitve v zdravstvenem zavodu. Namereč, os. Boštjan Avsec je nekoč izjavil, da je bil receptor v psihiatrični bolnišnici v Miamiju, ob drugi priložnosti pa se mu je zareklo, da so ga v Ameriki zdravili z elektrošoki, pri nas pa, da smo mu odpri lobanjo, ter da je bil že klinično mrtev, pa da so ga oživljali v novomeški bolnišnici. Izrazil je tudi resno nanašalno blodnjo, da ga zasleduje Helga s Švedske, ki da jo je videl v domači hiši pred mesecem dni, čeprav to ne drži. Ker se je osumljencu, ki je postopoma vršil družinsko nasilje med štirimi stenami, zdravje rapidno poslabšalo, je potrebno ukrepanje za zagotovitev njegove varnosti in varnosti ljudi v njegovi okolici, še zlasti pa za zavarovanje oškodovancev, ki sta zaradi njegovega družinskega nasilja neprestano v strahu, ogrožena in pod hudim stresom.

Ravnanja kot so opisana vsebujejo znake kaznivga dejanja nasilja v družini po 1. odstavku 191. člena KZ-1.

Zakon o preprečevanju nasilja v družini (ZPND) v 2. členu opredeljuje družinske člane. Iz spisa izhaja, da je osumljenec sin oškodovancev, s katerima živi na Krki, št. 1. Zato je osumljenec

oseba, ki odgovarja definiciji 2. člena ZPND. Ob tem velja opozoriti na njegova ravnanja kot povzročitelja nasilja, ki so po 3. členu ZPND – opredeljuje nasilja v družini – nasilje, ker so skladna z uporabo fizičnega, psihičnega ali ekonomskega nasilja enega družinskega člana proti drugim družinskim članom. Osumljenec ni bil sicer fizično nasilen do oškodovancev, zstopa pa s svojim psihičnim nasiljem. Psihično nasilje so po zakonu vsa ravnanja, s katerimi povzročitelj nasilja pri družinskem članu povzroči strah, ponižanje, občutek manjvrednosti, ogroženosti in druge duševne stiske. Iz podatkov spisa izhaja, da je osumljenec delal nasilje oškodovancema in drugim zlasti s psihičnim nasiljem, Oškodovanca je nasiljeval, pri čemer uporaba besede nasiljevanje in nasiljevati izhaja iz pravil Slovenskega knjižnega jezika (nasiljevanje -a s (ā) glagolnik od nasiljevati: njegovo zalezovanje in nasiljevanje ji je že presedalo / ta zgodba je nasiljevanje resničnosti, življenja; nasiljevati -ujem nedov. (ā ū) 1. knjiž. v odnosu do koga uporabljati silo, pritisk za uresničevanje svoje volje, zahteve; biti nasilen: tu ne sme nihče nikogar nasiljevati / nasiljeval ga je na vse mogoče načine, da bi izdal skrivališče / reklama človeka nasiljuje / nasiljevati koga z obiski, vprašanji nadlegovati 2. publ. ne biti v skladu z bistvenimi, resničnimi značilnostmi, zakonitostmi česa: s stanovanjskimi blokci nasiljujejo stare, arhitekturno skladne predele mesta / ta umetnik nasiljuje naravo / nasiljevati svoja čustva proti lastni volji jih kazati drugačna, kot so v resnici).

Iz navedenih pravno relevantnih razlogov, ko je izkazan utemeljen sum, da je osumljenec Boštjan Avsec storil kaznivo dejanje, ki ima zakonske znake kaznivga dejanja nasilja v družini po 1. odstavku 191. člena KZ-1, ki se preganja po uradni dolžnosti, so izkazani razlogi iz 167. člena v zvezi s 168. členom ZKP, da se zoper njega opravi preiskava.

Predlagam,

da v preiskavi:

1. zaslúšite os. Boštjana Avseca kot obdolženca;
2. zaslúšite izvedenca psihiatrične stroke, ki naj ugotovi ter izdela izvid z mnenjem, ali je pri osumljencu zaradi trajne ali začasne duševne bolezni, začasne duševne motnje ali duševne zaostalosti ali zaradi kake druge trajne in hude duševne motenosti pristevnost izključena ali zmanjšana;
3. zaslúšite kot priče Sava Avseca, Ano Avsec, Biserko Avsec, Mitja Webra, dr. Igorja Kotarja, dr. Cveta Gradišarja in predstavnika Centra za socialno delo Novo mesto;
4. priskrbite spis Okrajnega sodišča v Ljubljani, opr. št. Pr 582/2012, izpis iz kazenske evidence za kazniva dejanja in prekrške, ter poročilo Centra za socialno delo Novo mesto.

Yes, I do consider myself German (look at my family names and my facial features - I also don't see why I wouldn't have the right to consider myself as one since Slovenia was part of German territories for over 1500 years) and have seen myself a lot like national socialist as per political views (something that did somewhat changed, but I still am loyal and will stay loyal to my white race of which proud member I am), but can't recall that I have ever stated to anyone that I am honorable member of German NAZI party...can't recall that I have stated him (we didn't even talked because I have nothing to say to faceless criminal after everything that he have caused me in my life - for me, he doesn't exist except on for court where I hope will get one somehow, so he can answer like Fritzl did for his bestialities against me) how it is necessary to kill Slovenian people!!!!???? I believe that someone else reminded the two on Breivik...I was and am a very strong critic of Breivik who have criticised him even publicly !!! This last can be seen on many of my videos...I have condemned time and again publicly a state sponsored murderer (terrorist) Anders Breivik on my videos !!! So I hope they have proofs for such claims as well. That Helga follows me from me from Sweden !!!!! Well I wish...we could make some good looking babies then...women are welcome in my life and and I love them...adore them !!! Despite such aggressive description, obvious criminal who have written this garbage remarks in the end that I, however, didn't touch anyone physically....SOMETHING THAT I CAN'T SAY FOR PEOPLE WHO WERE INSTRUCTED TO COMPLAIN AGAINST ME OR PERHAPS EVEN WHY THIS HERE WAS WRITTEN !!! PAY ATTENTION TO ABOVE DATE AND THEN SEE MY POLICE REPORT THAT I AVE FILLED AGAINST MOTHER IN 2006/2007 WITH LOCAL POLICE DUE TO PHYSICAL INJURIES THAT SHE HAVE CAUSED ME !!! SHE ALWAYS WAS AND IS ABUSIVE AND VIOLENT PIECE OF WORK LIKE MY DADDY YOU CAN SEE MY POLICE REPORT BELLOW AND THERE WERE OTHERS AS WELL, BUT LOCAL NOVO MESTO POLICE (same) HAVE SIMPLY EITHER POSTOPED THEM OR HAVE REMOVED THEM FROM EVIDENCE SO I COULD REALLY NEVER EVER LIVE IN DIGNITY LIKE NORMAL HUMAN BEING...IF YOU SEE MY BLOGS AND WHAT I HAVE REVEALED ABOUT SLOVENIAN STATE BEFORE THIS GARBAGE IN 2012, IT IS TOTALLY EVIDENT WHY SLOVENIAN STATE SON DESPERATE THIS IS SIMPLY A RETALITARY MEASURE BASED ON PURE LIES -CRIMINALITY WHICH WAS USED TO PHYSICALLY BRUTALIZE ME BEHIND WALLS OF MENTAL INSTITUTION IN SLOVENIA AND MUCH MORE...THERE ARE NO PROOFS THAT COULD PROVEN WRONG MY STATEMENT AS SEEN HERE...

---SLOVENIA ALSO CLAIMS ABOVE THAT I BELIVE THAT I HAVE CHIPS ETC. IMPLANTED IN MY HEAD - IT IS A MALICIOUS LIE !!! AFTER FINALLY RENTGEN SCAN (EXAMINATION) WAS PERFORMED ON ME IN 2012 DURING HOSPITALISATION, I HAVE NEVER EVER MENTIONED AGAIN ANYTHING ABOUT CHIPS ETC...READ BELLOW WHAT THE TRUTH IS ABOUT CHIPS (recording at 1 hour and 45 minute <http://www.renegadebroadcasting.com/firestarter-radio-man-institutionalized-racism-4-19-16/>) ...

---ABOVE IS SUGGESTED THAT I HAVE INSULTED FATHER FOR HIS 80TH BIRTHDAY...FACT IS THAT THIS MAN RUINED MY ENTIRE LIFE AND NOT A SINGLE BIRTHDAY PARTY !!! SECOND, Mitja Weber (sister's daughter husband) was not only involved in overseas abductions (torture), but have also insulted me 24/7 already since 2006 face to face http://www.rtv slo.si/blog/avsec_bo-tjan/petnajsti-del-2008-between-life-and-truth-it-s-a-free-world-by-avsec-bostjan/23723 INSULTS LIKE THIS WENT ON TILL 2013 OR SO WHEN I FINALLY DID

CAME OUT OF THE ROOM AND WAS READY TO PHYSICALLY BEAT HIM UP(he would disconnect internet upon every visitation to our residence and would do so even several times during his single visitation on what he would laugh straight into my face...he did numerous other stuff as well, but that repeated bullying truly went over my head after being locked without anything but internet for already 3 years in that little room...keep in mind that it was no different from 2006 to 2008 and then US where unemployed...basically unemployed and without rights of any kind for already 7 years...) **INFRONT OF PARENTS AND SISTER'S DAUGHTER**(his wife)...**HERE IS WHO INSULTED WHOM AND HOW** <http://dai.ly/xrpnd9> **PAY ALSO ATTENTION TO THEIR SUGGESTING HOW THEY KNOW NOTHING ABOUT MY COMPLAINS ABOUT THEM TO GOVERNMENTS AND HUMAN RIGHTS ORGANISATIONS WHICH I HAVE CONDUCTED ALREADY FOR 7 YEARS**(and my mom kept suggesting me on the side **FOR YEARS** how this very same people that you see right there have told her about the stuff that was posted on my blogs about them and in my complains against them etc....but they know nothing as you see on video about my complains against them and this is not even my home according to them...I am nobody and nothing who doesn't even live there for asking them to leave....**THEY COULD EASILY RELOCATE TO KITCHEN AREA OR OTHER PARTS OF THE HUGE OVER 10.000 METERS SQUARE PROPERTY SINCE THEIR VISTATION WERE DAILY/FREQUENT THERE, BUT NO...THEY JUST HAVE TO BEGUN TO PROVOCATE/CHALLENGE INSTEAD**...I have never ever interrupted anybody elsewhere, but its summer time with +25 degree Celsius temperatures and I have no air condition...and whith window open, I have this dorks right under...hear them yourself.....they have many options including restaurants or their houses and I have **NONE !!! NOT THERE TO AVOID CONFLICTS, BUT TO INFLATE THEM !!! THEY KNOW NOTHING ABOUT ME...I GUESS POLICE HAVEN'T TOLD THEM ANYTHING ABOUT ANYTHING WHEN I COMPLAINED TO POLICE ABOUT THEM...NOT A SINGLE TIME HAVE I USED PROFANITY OR DEROGATORY WORD WHEN ADRESSING THEM IN PERSON...I CALLED THEM NAMES ON THE MOVIE, BUT NEVER EVER IN PERSON – GET TRANLATOR IF YOU DISBELIVE...I WAS VERY VERY PROFESSIONAL...NO LAWYER COULD DO BETTER JOB REMOVING THEM FROM SCENE THAN WHAT I HAVE DONE...MESSAGE WAS SIMPLE, “I AM HERE TO LET YOU KNOW THAT YOU ARE NOT WELCOME HERE ON MY BEHALF, SO I WOULD LIKE YOU TO LEAVE NOW...THANK YOU”...DONE VERY VERY PROFESSIONAL ON MY BEHALF...I DIDN'T ARGUE OR GET INTO ANY MIND GAMES WITH THEM....MESSAGE WAS CLEAR....AND NOBODY FELT THREATENED IN ANY WAY, YOU CAN SEE THAT VIDEO ENDED BY KOTAR'S WIFE SONJA SUGGESTING WHILE LAUGHING AT ME I CITE, “RATHER REMOVE YOURSELF NOW” ON WHAT I REPLIED HER BACK WITH, “I SURE WILL, BUT YOU DID GET MY MESSAGE”...THIS IS HOW IT ALL ENDS AND AS YOU SEE ABOVE ON GOVERNMENT DOCUMENTS IS LIED THYAT I USED DEROGATORY WORDS AND INSULTS - INAPROPRIATE WORDS THEREFORE...THAT VISITORS LEFT ON WHAT MY CELEBRATING FATHER WAS DEEPLY HURT AND WAS DROWNING IN SORROW AND EMOTIONAL PAIN <== DON'T YOU THINK PEOPLE THAT MISREPRESENTED WORDS LIKE THIS ALONE ON OFFICIAL GOVERNMENT DOCUMENT AGAINST ONE CAN DRIVE ANYONE INSANE !!!!! NEVER MIND WHAT WAS DONE TO ME BEFORE AND AFTER....JUST READ THIS WORDS OVER AND YOU WILL GET THE POINT WHO HAVE WRITTEN THEM...THIS ARE NOT ONLY LIES THAT WERE USED TO LOCK ME UP IN MENTAL HOSPITAL AFTERWARDS, BUT ARE INFLATED LIES TO UNBEARABLE HIGHTS AGAINST AN TARGETED INDIVIDUAL DESIGNED TO SHOCK HIM...MY ONLY MISTAKE WAS WATCHING AND IMMITATING ALEX JONES WHAT AS AN CONSEQUENCE HAVE GIVEN ME TOTALLY UNSUITABLE PUBLIC IMAGE...I FELT AT THE TIME THAT THIS WAS THE WAY TO DEPICT MY CIRCUMSTANCES IF EVER ACCOMPLISHING ANYTHING WITHIN FIELD OF HUMAN RIGHTS, BUT WAS WRONG...IT**

GAVE THEM THE WRONG IDEA ABOUT ME AND TO ME BAD PUBLIC IMAGE...WORDS SUCH AS , “GYPSY, JEWS” WERE ALSO RATHER POOR CHOICE ON MY BEHALF..)...

THIS “VICTIMS” HAVE HAD LUXURIOUS LIVES INCLUDING MY FATHER WHO HAD EXPENSIVE HUNTING AND FISHING LICENSES(guns and fishing poles worth thousands of Dollars, brand new VW cars on every 4 years, property worth over 200.000 Euros and who knows how much money on the bank accounts as well as dividends/shares in local pharmaceutical company...this poor victims would vacation yearly on several occasions with motor homes worth close to 100.000 Euros etc. and I had nothing left, but old laptop and internet that more often than not didn't even function because Slovenian internet service providers were performing sadism on me per government...WHAT KINDS OF VICTIMS !!???? WHO IS VICTIM HERE !!????)...ACCORDING TO SLOVENIAN LOGIC WHEN COMPARED TO WHAT YOU READ HERE, IT WAS AUSCHWITZ'S INTERNS(CAMP PRISONERS) WHO WERE VICTIMIZING(ABUSING) CONCENTRATION GUARDS AND NOT VICE-VERSA...****

Weber Mitja and Ursa Golob - My sister's is daughter and her partner. During every meeting with two of them(as much as on daily bases) IN 2006 was challenging. Mockery and belittlement against me were present continually. Weber introduced himself to me as a Jew on what I was already warned in Miami, Florida by my ex-wife and as well as co-workers(at that time, but I didn't even knew anything about him - actually, I was looking forward to our meeting). I was extremely friendly toward him and in return he attempted to humiliate me. According to him in 2006, I was totally without any education...I was nothing more than poor idiot who can't compare with him on any level.

My politeness officially ended in 2009 when this page was published, however, I have not mention MKULTRAS or CHIPS till almost 2011 because I had way to may other serious(undesputable) claims that I was capable to use(present to governments) when applying for political asylum across the Europe(I didn't believe in brain implants till 2012 when neighbor Berger in Slovenia have again begun with his son to insist that I have those implanted in my head) !!! MKULTRA claim at the time would present fiasco and I could easily jeopardize all other claims with one. NOT MY CLAIMS, BUT ALWAYS "LAWS" WERE EVALUATED WHEN THEY "CONSIDERED" ME FOR POTENTIAL POLITICAL ASYLUM SEEKER...I was never ever given the right to present my claims other than in Germany and Canada...Canada deliberately delayed what should have been immediate and Germany refused to assist due to EU "laws"...

Kotar did the same and the “birthday” party(nothing more than sadistic intimidation with which I didn't agreed with and have therefore stopped one – how would you feel if you had people who insult you on daily bases party under your window after everything that you have endured in that room for decades thanks to this people !!????) was right outside under my window !!! ON ABOVE VIDEO TO WHICH SLOVENIAN GOVERNMENT IS REFERRING TO ON GOVERNMENT DOCUMENT, YOU CAN CLEARLY SEE THAT I HAVE ONLY ASKED THEM TO LEAVE AND HAVE NOT INSULTED ANYONE – THEY HOWEVER DID INSULTED ME AND THIS CAN BE SEEN ON VIDEO ALONE !!!KOTAR'S WIFE GOES AS FAR AS SUGESTING ME(AS SEEN ON VIDEO) THAT I AM NOBODY AND NOTHING AND DON'T EVEN HAVE THE RIGHT TO BE IN MY OWN HOME !!!THIS PEOPLE DON'T FEAR ME, THEY INSULT IN THE FACE AND GOVERNMENT LIES FOR THEM AFTERWARDS AS SEEN ON VIDEO AND ON ABOVE DOCUMENT !!!

I HAVE NUMEROUS DOCUMENTED(either by government issued paper documents, video recordings and audio recording proofs) PROOFS THAT YOU ARE SCUM OF THE EARTH AND THE ONLY THING THEY HAVE ARE YOUR LIES WRITTEN ON PAPER !!! WHERE ARE THE PROOFS FOR YOR CLAIMS CRIMINALS !!????? WHERE !!!!!!!!!!!

ALSO REGARDING “FAMILY” AND FRIENDS THAT YOU HAVE JUST SEEN ON VIDEO...MITJA WEBER IS ABOUT 37/28 YEARS OLD...MY SISTER IS ABOUT 57 YERAS OLD AND MY MOM IS ALMOST 79 YEARS OLD....JUST ON MAY 13TH, 2017 – I HAVE CALLED MY MOM FROM VITEBSK TO INFORM HER ABOUT MY SITUATION IN BELARUS AND I HAVE MANAGED TO AUDIO RECORD HER HOW SHE COMPLAINED TO ME THAT SHE

HAVE TO CUT ALL THE GRASS BY HERSELF SINCE I LEFT FROM SLOVENIA !!! WHERE IS THE "FAMILY" AND WHERE ARE THE FRIENDS ALL THAT NOW !!!!!? WHERE IS MY SISTER WHO RARELY COMES HOME BECAUSE SHE HATES MY "FATHER" AND WHERE IS 37/38 YEARS OLD SON IN LAW FOR WHOM I WAS TOLD ALWAYS WHEN IN AMERICA HOW HE HELPS THEM !!!!!? ITS ALL AUDIO RECORDED !!! FAMILY AND FRIENDS ONLY FOR BIRTHDAYS AND WHEN THEY NEED TO F** ME FOR \$\$\$\$(**INHARITANCE PURPOSES**) YEAH, BUT OTHERWISE MY MOM TOLD ME WAS TIRED AS HELL !!! ALL AUDIO RECORDED !!! I AM HAPPILY GONE FROM THERE...I REALIZE VERY MUCH WHAT WAS DONE TO ME BY SLOVENIAN AND MAERICAN GOVERNMENTS IN FINANCIAL SENSE IS A CATAROPHY(**THEY HAVE ECONOMICALLKY RUINED ME**), BUT KNOW VERY WELL THAT WHEN IT COMES TO FREEDOM ISSUES AS DESCRIBED HERE, MONEY TRULLY HAS NO VALUE...**

HERE IS WHO PHYSICALLY AND NOT ONLY PSYCHOLOGICALLY HAVE ASSAULTED WHOM !!! THIS IS WHAT MY MOM DID TO ME ALREADY IN YEAR 2007...SHE AND

**EVEN FATHER FELT THEREFORE THREATENED BY ME !!!!!
HOW !!!!! STATE SLOVENIA SUGGESTS ABOVE THAT
PSYCHOLOGICAL VIOLENCE CAN BE AS SEVERE AS PHYSICAL
AND YEAH I AGREE, BUT PHYSICAL VIOLENCE AS SEEN HERE
IS PHYSICALLY PROVEN FACT AND A BUNCH OF LIES(not even on
police reports – where are all the police reports since you and daddy
have claimed that I have abused you !!!!! Why haven't you made
police reports to police like I did against you and we would meet on court
!!!! YOU CAN'T GO AT ONE POINT AND JUST LOCK
INDIVIDUAL UP IN MENTAL HOSPITAL AND GIVE HIM PAPER
AS SEEN ABOVE PACKED WITH BASELES

SYSTEMS !!!) TWISTED AGAINST SOMEONE WHO ALREADY
HAVE PRESSED AGAINST YOU CRIMINAL CHARGES ON

Na podlagi 1. odstavka 161. člena Zakona o kazenskem postopku (ZKP) izdajam naslednji

sklep:

Kazensko ovadbo oškodovanega Boštjana Avsca, ki jo je podal dne 07.11.2007 na PP Novo mesto v Novem mestu zoper osumljeno Ano Avsec zaradi kaznivega dejanja lahke telesne poškodbe po 1. odstavku 133. člena Kazenskega zakonika (KZ)

zavržem,

iz razloga po 1. odstavku 52. člena ZKP, ker je podana okoliščina, ki izključuje pregon.

Obrazložitev:

Oškodovani Boštjan Avsec je dne 07.11.2007 na Policijski postaji v Novem mestu podal na zapisnik kazensko ovadbo zoper svojo mater Ano Avsec zaradi kaznivega dejanja lahke telesne poškodbe po 1. odstavku 133. člena KZ. To kaznivo dejanje naj bi po navedbah Boštjana Avsca osumljena Ana Avsec storila, s tem da je dne 21.06.2007 v stanovanjski hiši Krka št. 1 med prepirom in prerivanjem Boštjanu Avscu prizadejala praske po nosu in vratu.

Pregon za obravnavano kaznivo dejanje lahke telesne poškodbe po 1. odstavku 133. člena KZ se po 4. odstavku istega člena začne na predlog oškodovanca. Po 1. odstavku 52. člena ZKP je za kaznivo dejanje, za katero se storilec preganja na predlog, treba predlog podati v treh mesecih od dneva, ko je opravičenec izvedel za kaznivo dejanje in storilca. Obravnavano kaznivo dejanje naj bi bilo storjeno dne 21.06.2007, oškodovanec pa je predlog za pregon podal dne 07.11.2007, torej po preteku navedenega prekluzivnega trimesečnega rok. Zato je bilo potrebno ovadbo oškodovanega Boštjana Avsca na podlagi 1. odstavka 161. člena ZKP zavreči.

PRAVNI POUK:

Na podlagi 1. odstavka 60. člena ZKP lahko oškodovanec v 8 dneh po prejemu tega sklepa, če se z odločitvijo ne strinja, sam začne kazenski pregon zoper osumljenko tako, da pri Okrajnem sodišču v Novem mestu predlaga posamezna preiskovalna dejanja ali vložijo obtožni predlog.

AND YES I COMPLAINED AND HAVE ENQUIRED FOR HELP ALL HUMAN RIGHTS ORGANISATIONS AND GOVERNMENTS OUT

THERE, SO IT WAS TIME FOR SLOVENIAN STATE TO COME UP WITH WHAT YOU HAVE SEEN UP THERE IN 2012...WHAT A DIGRACE !!! LAUGHABLE LIES AND VIOLENCE/BRUTALITY EVEN FOR ADULTS AS YOU SEE = SLOVENIA

MOTHER HAVE EVEN ADMITTED AND WAS AUDIO RECORDED AT THE TIME WHEN STATING TO ME IN FRONT OF NURSES(PSYCHITRASTS) THAT SHE LIED TO POLICE AGAINST ME TO GET ME HOSPITALISED BECAUSE I REPORTED HER TO POLICE !!! IT WAS MY SISTER(her daughter and husband of her daughter) , A LOCAL POLICE, AND KOTAR WHO INCITED HER TO LIE(commit criminal statements against me) AGAINST ME BECAUSE IT WOULD BE IN MY AND HER BEST INTEREST(best interest of everybody to take me away and there is nothing I can do against state is what I was told over and over again even by attorneys which Slovenia have selected to defend me on court of law) !!!

ZADEVA: PRITOŽBA NA POSTOPEK POLICISTA - ODGOVOR
ZVEZA: Pritožba z dne 28. 8. 2007

Sporočamo vam, da je bila v sredo, dne 24. 10. 2007, v prostorih Policijske uprave Novo mesto, izvedena seja senata, na kateri je bila obravnavana vaša pritožba, ki ste jo podali zoper postopek policista Policijske postaje Novo mesto (v nadaljevanju: PP). Na její senata sta sodelovala tudi predstavnik javnosti.

Senat je v skladu z 28. členom Zakona o policiji in Pravilnikom o reševanju pritožb obravnaval naslednji pritožbeni razlog, ki je bil razviden iz vaše pritožbe:

Dne 24. 7. 2007 ste prišli na PP Novo mesto in policistu-kriminalistu prijavili, da ste preko nemške spletne strani www.carrossa.com naročili in tudi že plačali več avtomobilskih delov, ki pa niso bili dostavljeni na zahtevani naslov. Policistu ste pri tem izročili tudi nekaj dokumentacije, in sicer bančni izpis o plačilu naročenih delov, cenik posameznih delov, informacije o podjetju in naslov kamor bi morali biti plačani avtomobilski deli dostavljeni. Na zahtevo policista-kriminalista ste nekaj dni kasneje dostavili še dokazila o poskusih vaše komunikacije s spornim podjetjem. Teden dni za tem ste ponovno prišli na PP Novo mesto in prinesli še prevod spletne strani, ob tem pa tudi zahtevali, da se primer dodeli drugemu policistu, kar pa se ni zgodilo. Dne 22. 8. 2007 ste ponovno klicali na PP Novo mesto in takrat vam je policist-kriminalist, ki je bil zadolžen za vašo zadevo povedal, da še vedno čaka nekakšne prevode. Iz tega odgovora ste sklepali, da je policist popolnoma zanemaril vašo prijavo.

Vašo pritožbo je senat vsestransko pretehtal in obravnaval ter podal svojo odločitev in obrazložitev.

Senat je ugotovil, da ste dne 24. 7. 2007 dejansko prišli na PP Novo mesto in naznanili, da ste bili ogrojeni s strani podjetja, ki preko spletne strani prodaja rezervne avtomobilske dele. Postopek z vami je prevzel policist-kriminalist, ki ste mu povedali, da ste preko interneta naročili in tudi že plačali avtomobilske dele, ki pa nato niso bili dostavljeni na naslov, ki ste ga navedli ob naročilu in plačilu. Policistu ste predali tudi razpoložljivo dokumentacijo o spletni strani in dokazila o plačilu naročenih delov. Do 3. 9. 2007 ste nato še

nekajkrat govorili s tem policistom-kriminalistom in od njega zahtevali informacije o poteku preiskave oziroma ukrepov, vendar ste lahko le ugotovili, da ni storil še ničesar v tej zvezi. Tudi senat je ugotovil, da navedeni policist-kriminalist do takrat ni ukrenil ničesar. To pa zato, ker je ocenil, da v vašem primeru niso podani elementi domnevnega kaznivga dejanja goljufije. Policist ni napisal zapisnika o sprejemu ustne ovadbe oziroma predloga za pregon, čeprav ste ves čas vztrajali pri prijavi. Prav tako ni napisal uradnega zaznamka, ki bi ga v skladu s IV. odstavkom 1. člena Navodila o evidentiranju kaznivih dejanj, moral napisati, če je menil, da vsebina vaše prijave, in predane dokumentacije, ni izkazovala razlogov za sum, da je bilo storjeno kaznivo dejanje za katero se storilec preganja po uradni dolžnosti. Senat je ugotovil, da ste bili nato 6. 9. 2007 seznanjeni, da je bila vaša zadeva dodeljena drugemu policistu-kriminalistu PP Novo mesto, ki je dne 3. 9. 2007, v zvezi vaše prijave kaznivga dejanja in izvedenih ukrepov policije, obvestil pristojno državno tožilko. Po usmeritvah pristojne državne tožilke je nato ta policist-kriminalist, na podlagi 10. odstavka 148. člena Zakona o kazenskem postopku, v tej zvezi podal poročilo. Iz vsega navedenega in evidentiranju kaznivih dejanj in je opustil dolžno ravnanje, ki mu ga nalaga 148. člen Zakona o kazenskem postopku. Senat je zato soglasno odločil, da je vaša pritožba utemeljena.

Pritožbeni postopek je s tem zaključen, vam pa ostajajo na razpolago še vsa pravna in druga sredstva za varstvo vaših pravic.

S spoštovanjem!

All documented and proven black/white: however, not only have "Slovenian" police acted illegally when deliberately failing to investigate or act as required per their job duties, but have further delayed procedure till company disappeared (what was job of German Chancellor Merkel and her supporters). Why or how can I conclude so ??? Due to what is chain of facts in which governments are continually involved as proven right here. Chain of facts is by far the most admissible proof of them all on any court of law.

NOTHING POSITIVE EVER EVOLVED FOR ME OUT OF THIS COURT DECISION...FEW MONTHS LATTER SOCIAL WORKERS AND PSYCHITRISTS APPEARED AT HOME WHO HAVE DEMENDED ME TO GIVE THEM EVEN MY US PASSPORT AND HAVE THREATENED TO HOSPITALISE ME IF NOT LEAVING SLOVENIA...MONEY LOST AND RUN FOR LIFE IS WHAT HAVE HAPPENED AND I DID SO BACK TO USA IN 2008 !!!

LOCAL NOVO MESTO POLICE HAVE LOST COURT CASE AGAINST ME (BECAUSE POLICE REFUSED TO ASSIST ME AND HAVE DELAYED INVESTIGATION AND I WAS EVEN THREATENED IF NOT LEAVING SLOVENIA WITH HOSPITALISATION AND I HAVE LOST IN THIS CASE ALONE ABOUT \$500 BECAUSE OF THIS VERY POLICE) AND I HAD TO RUN FOR LIFE FROM SLOVENIA ALREADY IN 2008...OR YOU GO OR WE PLACE YOU BEHIND WALLS OF MENTAL INSTITUTION :) VERY NICE NO ?

REGARDING CHIPS IMPLANTED IN MY SKULL (HEAD - "LOBANJA") AND ANDERS BREIVIK = <http://www.renegadebroadcasting.com/firestarter-radio-man-institutionalized-racism-4-19-16/>

SLOVENIA IS MURDEROUS STATE THAT TORTURES SEVERELY AND PLAYS VICTIM AFTERWARDS (JUST AS SEEN HERE), SO ONE CAN TORTURE EVEN MORE (FORCE PEOPLE INTO SUICIDES) !!! THIS IS NOT ABOUT GENOCIDE, THIS IS GENOCIDE MULTIPLIED BY 100 X !!! SLOVENIA IS A VERY DANGEROUS STATE THAT TURNS PEOPLE LIKE MYSELF AGAINST OTHER BEAUTIFUL COUNTRIES LIKE RUSSIA ETC AND IS VERY CAPABLE TO CAUSE TO CREATE DANGEROUS CONFLICTS WORLDWIDE INCLUDING WW3 (I have heavily campaigned for one due to Slovenia and USA for almost entire life – till 2016 when I realized what US politics are really all about and who is running them...I never ever would have supported ZIONIST American aggression on Russia if it was not for Slovenian politics about which you can learn about here)...SLOVENIA IS EXTREME THREAT TO THE WORLD AND NOT ONLY SLOVENIAN PEOPLE IN SLOVENIA !!!

AND NOW ABOUT "HELGA" WHO HAVE STALKED ME ACCORDING TO PROFESSIONAL IDOTS THAT ARE EMPLOYED IN A FIELD OF PSYCHIATRY IN SLOVENIA (this are nothing more than oxygen thieves and not professionals).

Her name is Helle and I haven't mentioned her to anyone in Slovenia. I have mentioned her only on internet videos with which Slovenian government was obsessed with. Let me correct Slovenian oxygen thieves...Helle was involved in my overseas abductions already in 1998 what brought her to Slovenia where she have met above mentioned oxygen thieves. HELLE IN FACT HAVE STALKED ME AGAIN IN 2010B WHEN I WAS IN NORWAY (She is Norwegian) AND I HAVE EVEN PROPOSED HER FOR MARRIAGE AT THAT OPPORTUNITY...HELLE WAS/IS ONE OF HIGHEST RAKING PROFESSIONALS WITHIN FIELDS OF GOVERNMENT PSYCHIATRY AND PSYCHOLOGY (highly trained/qualified Norwegian secret service agent with special international intelligence clearances which countries have amongst one another due to confidential mutual agreements). HELLE WORKED WITHIN THESE TWO FIELDS IN TOTAL CONFIDENTIALITY AND WAS TRAINED TO WORK INTO HIS TWO PROFESSIONS ALREADY IN CHILDHOOD BY HER MOTHER (ex-social worker in Norway for minorities) AND HAVE HAD AT AGE 18 ALREADY MORE KNOWLEDGE ABOUT HEREV MENTIONED SUBJECT THAN MOST PROFESSIONALS AVE IN LIFE TIME. FROM WHAT I HAVE SEEN WITH MY OWN EYES (she was not even hiding), SHE WAS EXTREMELY BUSY BREAKING MY LIFE STORY BEFORE AND AFTER ABDUCTION IN 1998...SHE LISTED IN ONE DETAILS ABOUT ME FOR WHICH I WOULDN'T EVEN KNOW ABOUT (we were both about 27/27 years old at the time)...SHE WORKED HER ALL LIFE WITHIN FIELD OF PSYCHIATRY AND PSYCHOLOGY, BUT HAVE OBTAINED HER PSYCHOLOGY DIPLOMA FINALLY AT AGE 40+...ITS IS HOW REAL PROFESSIONAL GOVERNMENT EMPLOYEES PERFORM, SO GOVERNMENTS ARE FREE FROM ANY POTENTIAL LIABILITIES !!! TODAY, HELLE WORKS IN QUIET A SMALL NORWEGIAN TOWN AND NOBODY KNOWS ANYTHING ABOUT HER PREVIOUS DEEDS...GOD ONLY KNOWS HOW MANY PEOPLE LIKE MYSELF HAVE SHE GONE THROUGH WITH PER NORWEGIAN GOVERNMENT !!!

HERE IS HER PHOTO !!! THIS IS NOT IMAGINATION, THIS IS REALITY !!! AGAIN...I HAVE FACTS AND ABOVE MENTIONED OXYGEN THIEFS FROM SLOVENIA WHO ANGER ME WITH THEIR EXISTANCE HAVE ABSOLUTELY NOTHING BUT LIES !!! Here is the article about

her from 2005 http://www.psykologtidsskriftet.no/index.php?seks_id=296500&a=3

34) Slovenia, USA, Norway, Sweden, Norway, and United Nations have harassed me with idea that chips and even brain electrodes were implanted in my head via extraordinary abductions for entire 14 years while declining me the assistance to have head scanned(keeping me on forced employment and without insurance for 6 years or till they were ready to hospitalize me – then even my signature was falsified by my mother) !!! <http://www.renegadebroadcasting.com/firestarter-radio-man-institutionalized-racism-4-19-16/>

DESPITE MY DECLINING(**REJECTING**) THE VIOLENTLY IMPLEMENTED IDEA AGAINST ME OF HAVING THOSE IMPLANTED IN HEAD FOR ENTIRE 13 YEARS AND SLOVENIAN AS WELL AS AMERICAN GOVERNMENTS DECLINING ME THE RIGHT TO HAVE HEAD SCANNED WHEN I REQUESTED FOR SUCH ASSISTANCE, THIS CRIMINALS HAVE WRITTEN ABOVE EXACTLY WHAT YOU READ AND HAVE TORTURED ME TO DEATH FOR ALMOST TWO YEARS IN MENTAL HOSPITAL(**not to fail to mention years of psychological torture afterwards at home and forced medications on which they have placed me – when I masturbated, it was not only painful but also blood even came out of my penis due to medications**) !!!

If Slovenian state truly cares about freedom, one will surrender its governing powers to another country that is capable to perform them on behalf of Slovenian people and I don't mind those to belong even to Russia !!! Russia would have never ever done this to me or anyone else for that matter !!! No Russian is hated or ever was hated for being Russian patriot and Russian KGB(**if I went to Russia instead of to US**) would have never ever done to me what CIA have performed on me(**exactly the opposite – KGB would have highly awarded/decorated me for love of the homeland...I have never ever felt anything else for US and Slovenia other than unconditional love, but they betrayed me over and over again**) !!! IF SLOVENIAN STATE CARES ABOUT WHAT THEY CLAIM ARE SLAVIC BROTHERY NATIONS, ONE SHOULD JUST SURRENDER ITS POWERS TO RUSSIA !!! I don't mind to integrate in Russia or other Slavic nation(**except Serbia**) because am very well aware that solution is in worldwide integration of white nations(**in recognition and total support of/for one another worldwide and not regionalism**) and not development of hatred against one another with extreme acts of genocide against white minority individuals as described here...problem never was with me, Slovenian state is a problem(**A VERY SERIOUS FIASCO – A THREAT TO THE WORLD IS WHAT YOU ARE SLOVENIA AND I PLEDGE MY LIFE TO TAKE YOU DOWN**) !!!

35) Slovenian police and state have had accused me a list of crimes with which I have nothing to do with. I was hospitalized first, then I was accused of crimes such as that I attempt to exterminate entire Slovenian nation, that I adore Norwegian killer Anders Breivik, and who knows what else...proofs for such claims never ever existed and do not exist and when I requested from Novo mesto police which arrived to Ljubljana's mental hospital to interrogate me one week after forced hospitalization inn 2012 if they can present me with proofs of such claims they didn't have any....they, however, have insisted on my signing paper that I have never made any such claims on what they have left. BEYOND INSANE. It wasn't me who have even volunteered to defend Slovenian nation during war for Slovenian independence(freedom) from Serboslavia(Yugoslavia), it was this exact people from Novo mesto police who have defended Serbian military aggression on Slovenian nation during war and I was the one who

have strictly condemned Norwegian state sponsored terrorist Anders Breivik's murderous actions in Utoya and Oslo. He disgraced pro white movement with his actions and have depicted us as murderers on behalf of Norwegian state(native white Norwegians are as a result of his actions traumatized even today and his news is repeatedly used by Norwegian media to suppress resistance against forced multiculturalism in Norway).

IT IS TOTALLY EVIDENT THAT SLOVENIAN GOVERNMENT WAS THE ONE WHO HAVE WORKED AND WORKS EXTREMELY HARD TO EXTERMINATE ME !!! MY PROOFS AGAINST THEM ARE RIGID AND PROOFS FOR THEIR CLAIMS AGAINST ME DO NOT EXIST !!! If anyone is suffering from paranoia is violent, sick , and sadistic Slovenian state which sees things that do not exist or have ever existed !!!

36) Slovenian government bombarded me with court citations...totally unfunded(bogus) accusations with which I have nothing to do with – Slovenian government begun witch hunt me 24/7...judges begun to decide about issues that I had nothing to do with(never was charged with anything, but was summoned to court on and on – letters would arrive not on weekly bases only, but instead even on every third day)...I got mountain of letters where same terminology was repeated to me over and over again(paranoid schizophrenic etc. such and such...) with idea to cause me nervous breakdown and to somehow even accept diagnose for totally unfunded mental disease in me...they did managed to drive my mom insane with those letters.

37) Slovenia have used internet(from 2010 to 2017) to torture. My dynamic internet address was repeatedly assigned very same address what left me vulnerable to censorship systems implemented to brand individuals as spammers or to trace and destroy my activities on internet. Slovenian internet providers have repeatedly engaged in reducing internet speed(from 5mbps to kbs) and have blamed such issues on wireless routers. Slovenian internet providers have frequently disconnected me from internet(on daily bases and on which occasions those would demand me to visit at nights garage where I would continue to reset even new routers for hours at the time and even on daily bases) and have declined to replace existing(modem etc.) broken company's internet equipment for a year...Slovenian internet providers have repeatedly hacked my computer to crash operating system...

38) American NSA have repeatedly hacked my computer. Slovenian and American governments were downloading(or have deleted from my computer as pleased) material from my computer...you can see here how I caught them breaking in my computer via youtube...

<http://ausertimes.blogspot.com.by/2017/01/russian-hackers-employed-at-cia-nsa.html>

39) American NSA have traced(internet stalked) me also throughout entire Europe when applying for political asylum in Hungary during 2017...my computer was hacked 24/7 and you can see here what messaging tapping looks like as well as how hard things were made when desperately video recording incidents in Budapest...you can see how my computer went gradually blank and windows was about to totally collapse if I wouldn't take emergency steps to reinstall windows 8(I used refresh option).

40) United Nations attempted to get me murdered in coordinated attack with US Government and Slovenia. On such and such day I was informed(yet again and for 11th consecutive year on I don't even

know on how many occasions) by United Nations that assistance was declined to me again because I have not exhausted all legal domestic remedies....

<http://ausertimes.blogspot.com.by/2017/03/3-of-3-united-nations-denies-me-yet.html>

And I consider THIS <http://ausertimes.blogspot.hu/2017/02/united-nations-and-united-states-try-to.html> to be a murder attempt !!!

On February the 14th, 2017, Slovenian state again attempted to hospitalize me (probably kill me this time), but I disappeared in morning hours to Hungary before those have managed to reach home of my parents that morning. My blog about psychiatrists (previously submitted to UN as a proof of genocide blog about Slovenian psychiatrists) disappeared from internet within few following days upon my arrival to Hungary under pretense that someone complained about one (the truth is that all 6 blogs were deleted by google simultaneously on January 31st, 2017 and for each of those deleted blogs I have received very same message per how someone have complained about them... deletion of my blog about Slovenian psychiatrists from internet was followed also by US Government's action during which US Government have deleted me saved copies of this very blog from my computer's hard drive – thus leaving without any proofs of anything that I could use to prove what was going on). Google latter refused to reinstate my blog concerning Slovenian psychiatrists where only original government issued documents and audio recordings clips were posted and have also declined me the right to upload copy of one to my computer. This was coordinated attack on me during which surveillance (eaves dropping) issues were used via my parents. My room in Slovenia was without absolutely any doubts bugged... there is absolutely no doubt about that, however, the question remains per how (what type of equipment was used to surveillance me)... my parents, however, have exercised on behalf of Slovenian state a very disgusting option and that was either removal of surveillance equipment from attic area during my absence (you can hear what was going on in my room during my absence when I had simple windows audio recorder turned on) or it might have been that those have deliberately removing stuff at attic area and poke desk in the room through hole that leads from dinning room area in my room... hole is used for antennas etc... either way, my public complains about this issue would give Slovenian state grounds to hospitalize me under pretense that I suffer from paranoia... when it comes to hi tech surveillance, one can be easily done through variety of gadgets of which one is also computer alone... I never really cared about being surveillance since I have nothing to hide. Almost all my jobs in US required from me to face camera when at work (I have had cameras literally pointed in my face on some posts and really didn't care about it). This was a well coordinated attack on me and continuous denial of the right to UN's assistance by UN for 11 consecutive years can prove that this last was nothing else than murder attempt by UN on behalf of US.

41) American Government repeatedly deleted and deletes my presence from the internet... I am very well known public figure, but not are my view counters and like buttons blocked, my name is constantly erased from internet and here you can see how (from social media censorship, forums, news sites where I posted comments and as stated above)... how can UN repeatedly deny assistance for over 11 years to such well known public figure like myself !!!!! UN have assisted public figures 100 x less

known than myself who have undergone 5% of what I have gone through and they keep ignoring what you see here !!!!!

42) European Union governments didn't only persecuted as described here on behalf of United States of America, but have used European Union human rights agencies to frustrate me when asking them for help over and over again. Human rights agencies exist to make full out of you when you complain about your existence being violated and to fortify claims of minorities against us in our own countries. HUMAN RIGHTS AGENCIES ARE A WHITE GENOCIDE SCAM THAT WILL LAST AS LONG AS WE WILL BE WILLING TO COMPLY WITH ONE. Thats all there is to "human rights" and their agencies or human rights government branches...

43) Slovenian human rights ombudsman have declined to assist time and again because my complains were in English.

44) US Government state agencies have heavily discriminated and intimidated me whenever I complained about employers' violations of my rights. US Government human rights agencies(from Equal employment to Minnesota's state agency for human rights) have heavily discriminated against my religion, race, nationality, sexual preferences, the right to work, political views etc...they have done this time and again. They laughed in my face and have even told me that such agencies exist only to protect minorities(incl. Jews) and not whites.

45) Slovenian government have sent after me psychiatrists to threaten me with hospitalization already in 2008 after court have favored me against Slovenian police in Novo mesto. This has as result my running from Slovenia for life back to US in 2008.

46) Sweden where I have attempted to apply for political asylum in 2010 have even declined to assist me when I arrived at the hospital at the middle of the night with cracked and disfigured skull after I suffered in accident because of what they claimed was lack of insurance. What kinds hospital is this !!!!!

47) List(chain) of hard core direct and indirect assassination attempts for which 100% proofs exist:

a) Slovenian government retaliates for my reporting one to international institutions: Two weeks after contacting European Court of Human Rights in 2007, Slovenian state exercises as a retaliation a direct assassination attempt

http://www.rtv slo.si/blog/avsec_bo-tjan/osemnajsti-del-2008-between-life-and-truth-it-s-a-free-world-by-avsec-bostjan/23810

Weber and others lough(**insult and ridicule me**) at what could have easy be a certain death !!! I have not seen or met as malicious(**criminally insane**) people in person in this world and I was on many places worldwide....THIS WAS DOCUMENTED IN 2007 AND PUBLISHED IN 2009(**not in 2012 etc when they came out with their bunch of horse shit...**) !!! You can see above what Novo mesto police did with stolen car parts(**and with psychiatrists after they have lost court case against me**) and make your own

conclusion if Slovenian government as well as family members were involved in this and other plots.

b) Sweden 2010...Swedish hospital declines to provide me IMMEDIATE medical assistance in the middle of the night after I appear there with fractured head(**cracked skulls**) due to what they claim was lack of medical insurance !!! <http://dai.ly/xleoj0> (**THIS IS UNPRECEDENTED !!!**) HOSPITAL INSTEAD DEMAND ME TO GO HOME(**walk several kilometers back home in the middle of the night**) !!! INJURY(**CRACK OF THE SKULL**) WAS SO SEVERE THAT EVEN TODAY IN 2017(**7 years latter**) , ONE IS VISIBLE WITH BARE EYE AS I STAND INFRONT OF YOU !!! STRONG VAINS ON THE RIGHT SIDE OF THE FOREHEAD ARE NOT AS VISIBLE AS ON THE LEFT SIDE(**when young, I was extreme sportsman who have completed daily even 1500 push-ups with marathons and other exercise...its why those vains are still visible on left side**) !!!

c) Sweden 2010...Swedish government sends group of Muslims to assault my heavily injured head(**this Muslim gang uses belts to shred my rear head – very well calculated and trained gang on how to use those iron belts...the only thing that is targeted is my head**) just month after what you read above have taken place and Swedish police although given a car detailed car description and exact tag number of the vehicle refuses to arrest potential assassins...they ridiculed me instead <http://dai.ly/xleou1> (**UNPRECEDENTED**)....**part 1** <http://dai.ly/xleou1>

d) American court in Miami dismisses investigation of assassination plot conducted again me by US Government after Dodge Ram tried to ran into me on the solid green semaphore light !!! They release wannabe assassin from all liabilities and let him go.....

e) Rider truck assassination attempt in Arizona http://www.rtvsllo.si/blog/avsec_bo-tjan/petintrideseti-del-2008-between-life-and-truth-it-s-a-free-world-by-avsec-bostjan/24242

What could easily have as an result death outcome, or strange incident that took place while working at Park West Galleries:

Truck was regularly serviced at Ryder Logistics service stations. Including fueling, inspections, repairs, and everything else.

On one occasion while driving on I-10 from West coast toward East, engine begun to cause problems. In another words, one of the engine light warnings came up on dashboard panel. I was directed to go from Phoenix, Arizona Ryder's shop all the way to **Flagstaff**(they claimed that necessary part wasn't available at their location and it would take too long to get one once ordered).

During drive toward Flagstaff, Arizona on I-17, extremely hilly and steep road, dash board electricity gauges begun to indicate gradual power loss(progressively failing). Upon finding, I have pulled truck on the side of the road and contacted Ryder service station for several times all worried about since anything unpredictable could develop out of situation(specially on the road like that one was).

Service technicians assured me several times via office in Phoenix and Flagstaff location(Phoenix service station) to continue driving despite enormous power loss which gauges indicated. I have stopped at least three times to consent with technicians regarding safety and was advise each time to get going further. On question if anything dangerous could happen(such as steering wheel lock, or other dangerous possibility in case that electricity completely goes out) if electricity gets completely lost, they answered that absolutely nothing is to worry about.

By will of god, turbo engine stopped(had blown) when ascending up hill.

Later(I also researched internet) I was told that it was lucky coincidence since that day I could easily die when driving descending(if electricity totally died on me when going down hills, wheel steering would lock and prevented me from steering).

Power steering wheel becomes inoperational due to loss of electricity. Road like I mentioned was step and curvy/wavy.

Was it coincidence !?? You decide !

Coincidences occure when one is unaware of situation. When professionally employed people(technicians who know in detail what may happen) are contacted in regards to emergency situation several times and they refuse not only to worn about possible outcome, but to act on the first place, there is no such think as coincidence afterwards in my opinion !

Tow truck came afterwards and picked me up together with truck.

Beside that all my work search and efforts all over the United States resulted in nothing and I was afterwards granted(compelled) one at 25 miles away facility(primarily I have applied for those types of employment all over Miami and everything was declined to me imagine), there were numerous other lies which escorted me throughout this employment(Federal Department of Transportation's occasional bullying etc.). Simply too many to count and all wasted for them as well !

TURBO ENGINE HAVE SOMEHOW(ONLY GOD KNOWS WHY) EXPLODED AND I PULLED TRUCK ON THE SIDE OF THE ROAD...WHEN FLAHSSTUFF TOW TRUCK(REPAIR SHOP MAN) ARRIVED ON SCENE, HE COULDN'T BELIVE WHAT WAS GOING ON(I WAS AGAIN "LUCKY" AND HAVE SOMEHOW MANAGED TO GOT AWAY WITH IT ALIVE)...TRUCK STAYED IN FLAGSTAFF FOR MONTH OR EVEN MORE AND I WAS IN MEAN WHILE GIVEN

ANOTHER TRUCK...THIS WAS WITHOUT ANY DOUBT ASSASSINATION ATTEMPT ON BEHALF OF US GOVERNMENT !!!

f & g assassination attempts...

ELITE GUARD SECURITY AGENCY (entirely Jewish owned)....

Elite Guard 08/14/1998 to 02/14/1999

This is again just another Jewish company that became my employer in 1998/1999 (US Government insists on providing/limiting me with Jewish employers and minority co-workers). They acted as an extremely polite and nice people. Family people of whom you would never ever expect the treatments which I will describe next.

As an supervisor I would check posts in two hundred mile radius during all three shifts (mornings, afternoons, and midnights). In fact, I put up some 100 + hours per week in work and did everything possible to accommodate owners who made a lots of empty promises.

Car which was assigned to me on several occasions, had all four tires already completely destroyed (was used only for residential community patrols away from traffic) and was obviously meant for my death.

One day, while driving back at the office on interstate I-95 from what was already 16 hour duty, two tires exploded at once (I also question how could it be possible for two tires exploding at once) at speed 80km/hour, and according to state trooper it was real miracle for my staying alive that day (car was towed back to the company). State trooper was surprised that they dared using vehicle in a such poor and illegal operating condition for driving on interstate.

It wasn't coincidence of my being inside of that Jewish vehicle that day. As it wasn't for being physically attacked latter for no reason at all by one of the subordinate Hispanic guards when conducting post check (watch this because US government then at my next job changed role and it created opposite situation as I was attacked for absolutely no reason again by Hispanic non immediate supervisor when working at the post). Police officer who intervened that day (that was Chinese or some other Asian who simply declined to even issue case number and to provide me with copy of report...) or evening did not favor me. Next day, I have finally obtained only case number under which police officer according to dispatcher did testified physical attack on me in front of him. Case was later again dismissed from Miami's Dade court (I reported case to Miami Dade court as case number was finally issued and then somehow was informed that entire file or case disappeared) by reviewing black county officer. North Miami Beach police also exclaimed latter that case never even existed. Whole thing was designed and made for me to lower myself to their level which I never did more than what I was compelled into (this idiotic United States of America Government eventually believed that physical aggressions conducted on me will become for me acceptable form of life in United States of America...again this aggressions repeat and were becoming systematic way of life...unbelievable).

Owners attempted then second execution (luckily my immediate supervisor told me how he almost got killed when forced driving nights). He simply slept behind wheel when forced driving night what almost costed him life as mentioned. Plot was same situation involving me. They insisted on my work, day after day, without rest (16 hours work shifts) what proved to be potentially extremely deadly. Finally one night, I was smart enough to stop on the side of the road and sleep over few hours till recuperated enough to safely continue. Police officers found me sleeping, and they were sure I was dead. Ambulance was on the way and as well special criminal police to investigate.

Situation again repeated and when I left company a lots of wages were unpaid. Law (there was no law only frauds) was always on their sides protecting scums and absolutely nothing could be done about it.

In justice we trust...eagle...all those emblems and sayings are nothing but lies.

It was three and not two tires that exploded at once...tow truck arrived to finally pick up car from accident scene after 4 hours that day...this company insisted on depriving me of sleep - obviously to get into traffic accident either at work or after the work...they have stolen thousands of Dollars from me in wages for which US Government didn't mind them to...

Company owners insisted on my wracking myself with total deprivation of sleep in this company...i have driven inspection cars almost asleep due to pressure - miracle only saved my life at this job....

THERE WERE MANY OTHER SITUATIONS WHERE I WAS JEOPARDIZED, BUT NOTHING AS SEVERE AS SEEN HERE !!! this types of employers' conducts toward employee or employees are totally illegal (criminal) and none of them were punished by US Government even that many of this violations (as you see) were reported to US Government.

MY CRIME RECORD IS CLEAN AND DOESN'T EXIST DESPITE EVERYTHING I WAS EXPOSED TO IN NOT ONE, BUT INSTEAD MANY DIFFERENT COUNTRIES !!! CREDIT SCORE..EVERYTHING IMMACULATE AND I DEMAND ABOVE MENTIONED HUMAN RIGHTS AGENCIES (organizations) AS WELL AS GOVERNMENTS TO

**HELD LIABLE ON INTERNATIONAL CRIMINAL COURT
FOR THEIR WRONGDOINGS !!! THIS ARE FIRM ACTS OF
GENOCIDE AGAINST ME PERSONALLY BASED ON
RACIAL, SEXUAL, AND ALL OTHER PREFERENCES !!!**

EMPLOYMENT INFORMATION

"NOTICE TO THE HOME LOAN APPLICANT"

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores. The credit score is a computer generated summary calculated at the time of the request and based on information that a consumer reporting agency or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

Personal insurance credit inquiry for BOSTJAN AVSEC

Progressive reviews selected information from your credit report when you receive a quote for insurance. The credit information displayed below was obtained from EXPERIAN on April 30, 2009. It is used to determine the insurance score shown at the end of this document. If you wish to receive a free copy of your full credit report, please call EXPERIAN at 1-888-397-3742.
