Keyboard and Mouse

How to Install? Winrar can be used to extract the file. (Recommended)

Open "Minecraft Story Mode EP 2" folder, double click on "Setup" and install it.

Once installation is complete, go to the folder where you extracted the game.

Open the "CODEX" folder Copy all files and paste them into the folder where you installed the game.

Double click on the "MinecraftStoryMode" icon to play the game. Done!
