Ayobami Adebayo, the celebrated author of *Stay With Me* unveils a dazzling story of modern Nigeria and two families caught in the riptides of wealth, power, romantic obsession, and political corruption.

Eniola is tall for his age, a boy who looks like a man. Because his father has lost his job, Eniola spends his days running errands for the local tailor, collecting newspapers, begging when he must, dreaming of a big future.

Wuraola is a golden girl, the perfect child of a wealthy family. Now an exhausted young doctor in her first year of practice, she is beloved by Kunle, the volatile son of an ascendant politician.

When a local politician takes an interest in Eniola and sudden violence shatters a family party, Wuraola and Eniola's lives become intertwined. In her breathtaking second novel, Ayobami Adebayo shines her light on Nigeria, on the gaping divide between the haves and the have-nots, and the shared humanity that lives in between.
