Honored For Heroic Rescue

HERO OFFICER of Metropolitan District Commission Police is cited for outstanding performance of duty. Patrolman William D. Connell of Charlestown, was awarded the "Lifesaving Medal" in ceremonies held at the MDC Headquarters Building in Boston. The "Lifesaving Medal" is the second highest award a Metropolitan police officer can receive. Connell, while on patrol in the Skyway Patrol Helicopter, was alerted that a youth and a Waltham firefighter had fallen through the icy waters of the Charles River in Waltham. Officer Connell directed

the helicopter pilot to put down next to the victims. He then went out on the pontoon and plunged into the frozen water to rescue the youth. The firefighter was rescued by the Waltham Police Department. Connell is assigned to the MDC Patrol at the Headquarters Building in Boston, but on assignment as the Skyway Patrol with WHDH. Shown left to right are MDC Commissioner Richard A. Nysten, who presented the commendation; Connell; and Police Supt. John D. McDonough.

Economic Development Corporation Forms New Board

by Maria Girvin

The Economic Development Corporation (EDC) Board of the Kennedy Center met Tuesday, January 4, 1983 for the first time since Leo Carey was elected the new Executive Director, to find out that only two members still legally belonged to the EDC Board.

Newworld Bank administrator Debbie Rosser resigned her position as Treasurer of the EDC Board at this meeting, leaving Phil Coleman as the only member.

According to the EDC By-Laws, the membership of the EDC Board falls into three categories:

Class "A" - 10 Trustees consisting of Kennedy Center Board Members who have been elected in

an APAC election:

Class "B" - 5 Trustees consisting of lifetime or appointed members of the Kennedy Center Board of Directors;

Class "C" - 4 Trustees nominated by the Executive Director of the Kennedy Center and voted on by the Kennedy Center Board of Directors. Trustees in this class need not be members of the Kennedy Center Board of Directors.

To restructure the EDC Board without violating a possible charter change in the future, it was decided to nominate ten Kennedy Center Board members who had been elected in the community-wide Kennedy Center election to comprise the "A" Group of EDC Board members.

Those elected to the "A" group were: Joseph Foley, Anne Considine, Theresa Doherty, James O'Brien, Ellie Marino, Ann Wallace, Sal Giarratani, Phil Coleman, Brian Hickey

and Charles Johnson.

Those appointed by Carey to comprise the Class "C" Group of the EDC Board were Joseph Kent, Tom Jackson, Ed Everett, and Bobby Wallace.

With the appointment of the Class "C" Group, all publicly Kennedy Center Board members are now also members of the EDC Board.

Normally, a Class "B" Group would have also been elected by the board from amongst the appointed or lifetime Kennedy Center Board members. However, the nomination of a Class "B" Group will remain open pending future changes in the Kennedy Center By-Laws. Presently, board members are studying a proposal by Phil Coleman, to change these by-laws.

Elected as officers of the EDC Board were Bobby Wallace, President; Ellie

Betty Gibson Associates wish to THANK YOU For Another Good Year

We at Gibson Associates wish to extend our thanks to the many people who helped make 1982 a good year.

To Buyers and Sellers, for having us handle your real estate business;

To Cooperating Brokers, for working with us with your customers and listings;

To our many friends for referring business to us and for your friendship.

Your patronage, cooperation, and friendship enabled us to handle over \$2,200,000 of Charlestown sales during a year of record high mortgage rates and a weak economy.

The Charlestown sales we handled in 1982 were at these prices:

\$149,000	\$170,000	\$56,500	\$59,500	\$97,500
300,000	79,000	165,000	38,500	65,000
90,000	212,000	73,500	85,000	(plus 7 sales
71,000	55,000	51,000	76,000	totalling \$677,000
72,000	26,000	103,000	105,000	to close in 1983)

With lower mortgage rates we anticipate an even better sales year in 1983. Please call on Betty Gibson Associates if there is any real estate service we can provide: sales, rentals, management, appraisals, consulting or answering your real estate questions.

Thank you for a good year and best wishes for a Happy New Year.

Extended Day Kindergarten Expanded

The Boston School Committee recently obtained funding to expand its Extended Day Kindergarten Program, currently in twenty-six elementary schools, to sixteen additional schools. Children in the extended day kindergarten attend school for the full school day, and experience the same educational and social activities as do children in the traditional half-day

kindergarten. Children presently in the kindergarten program of the Boston Public Schools are receiving application forms for the new extended day kindergartens during the first week of January. Parents of five-year olds who are not now in Boston's kindergarten programs may obtain applications for the new extended day kindergartens or for vacancies in the existing extended day kindergartens at elementary schools, district offices or the Department of Implementation at School Headquarters, 26 Court Street.

The new program will begin in February at the Warren-Prescott School in Charlestown.

Parents seeking additional information should call the School Information Center at 726-6555.

A Special New Year's Gift

by Mayor Kevin H. White

Amid all the New Year's cheer and well-wishing for a prosperous and healthy year, the community of Charlestown has a special reason to be optimistic about 1983. A 120-year-old Charlestown institution is getting a new lease on life—with some assistance from both the city of Boston and the federal government.

And given the nature of this welcome boon to the local economy, I think it's safe to say that sweet smell of success is indeed drifting through Charlestown and Boston as a whole.

If you haven't heard the good news so far, a \$1.5 million dollar urban development grant has been awarded to the Schrafft Candy Company, Charlestown, to help update and modernize antiquated equipment and facilities at the company's plant. Most of the equipment currently in operation there dates back to the twenties and, quite frankly, is just too inefficient to allow Schrafft's to even compete with other candy makers.

Without the grant, the plant would be teetering close to extinction and 600 Schrafft employees would be looking for new jobs. But with the soon-to-come grant, which the city will loan to the candy manufacturer to help finance what's estimated to be a \$6 million improvement project, 200 additional jobs will be created. And that's especially good news for the city, since more than half of the employees live in Boston.

Two years ago, several workers lost their jobs when Gulf & Western, the former parent company of Schrafft's, shut down the factory. But within a few months, American Safety Razor bought the Schrafft Company, reopened the plant and rehired almost all of the former workers. It was American Safety Razor who made the decision, update the facility and hire more workers.

The total cost of the entire improvement project includes \$4.5 million in private investment from American Safety Razor. And in about 36 months, I've been told we'll get a look at the finished product — a refurbished, rejuvenated and economically viable facility which will continue to be a vital component of Boston's manufacturing economy.

I know I'm not the only one who thinks the upcoming improvement project is one of the best ways to herald in the new year; Schrafft is one of the biggest food processors in the city, and the food industry as a whole is Boston's third largest manufacturing employer.

Economic Development Corporation Forms New Board

(continued from page 1)

Marino, Vice President; Joe Foley Acting Clerk; and Joe Kent, Treasurer.

According to Carey, the Mary Colbert Apartments are the only business of the EDC Board since the Old Charlestown Savings Bank was repossessed following the Kennedy Center's inability to pay the mortgage.

The board saw, as its first business, to ratify the contract between the EDC Board and Bunker Hill Real Estate, who before former Executive Director John Gardiner's resignation, was chosen to manage the elderly complex.

However, according to William Galvin of Bunker Hill Real Estate, that contract cannot be found.

In addition, the EDC Board gave Galvin permission to negotiate with the City of Boston for a 121A Tax Agreement. Under this

agreement, 12% of the apartments' gross revenue would be paid in lieu of taxes. According to Galvin this figure is in line with the recent Property 2½ Tax Law and would amount to approximately \$4,000.

Galvin also said he thought the Kennedy Center owed the city back taxes but was not sure of the amount. Galvin said that closing figures on the Colbert complex showed that \$18 hundred had been paid in taxes, yet this figure can not be verified. "I think we're in the red," said Galvin. "I don't know where our money is."

EDC Officers agreed to report at the next Kennedy Center meeting on the status of the Colbert Apartments money situation.

Other business discussed was in executive session and reportedly concerned the recent probe into the

Kennedy Center business by the Attorney General's Office. Although board members refused to discuss the issue, it is known that the early fall's petition signed by 1100 Charlestown residents to investigate the Kennedy Center, resulted in a letter from the Attorney General's office, the contents of which is unknown at this time.

However, former Kennedy Center Board member Jim Cushman reportedly responded to that letter. During Tuesday's meeting, board members entered executive session to form a committee to decide on whether to accept Cushman's response to the Attorney General's Office or write a new response in addition to Cushman's. On that committee are Joe Foley, Anne Considine, Joe Kent, Bobby Wallace, Bill McCabe, Sal Giarratani and Charles Johnson.

The next EDC Meeting will be scheduled during the fourth week of February.

Four Chaplains Service

Suffolk County, District 7, American Legion will hold its annual observance of the Saga of the Four Army Chaplains at the 10 o'clock Mass on Sunday, February 13, 1982 at St. Francis de Sales Church, Charlestown.

The celebrant will be Chaplain (Lt. Col.) Angus Walker, Suffolk County Chaplain for the American Legion. Concelebrating with Fr. Walker will be Fr. Leonard T. Duffy, OFM, State Legion Chaplain.

A collation will follow in the Bishop Lawton Hall. The public is invited.

Local Residents Help Girl Scouts "Rise To Greater Heights"

ATTENDING THE COOKIE KICK OFF DINNER from this area were from left to right: Janice Elia and Debra Leonard of Charlestown, Roberta Young of Dorchester, Kathleen Houton of Mattapan, Mary Morgan of Roxbury, Barbara Monty, Area Cookie Coordinator, Annette Fellows and Katherine Bucceri of South Boston, Juanita Hope of Roxbury and Jeanne Seitz of Dorchester.

Plans for the 1983 Patriots' Trail Girl Scout Council Cookie Sale were announced by Cookie Sale Chairperson, Judy Crockett of Concord at the recent Council Cookie Sale Kick Off Dinner. The theme for the 1983 sale is "Girl Scouting - Rising To Greater Heights." The dinner was attended by Janice Elia and Debbie Leonard of Charlestown.

The Girl Scout Cookie Sale currently contributes the largest portion of the Council's operating budget, more than 80 percent of which is used for direct support of girl activities in the 65 cities and towns served by Patriots' Trail Council.

According to Girl Scout officials, there is a lot more to the Cookie Sale than just ringing door bells. All the tolls of marketing are utilized in the Cookie Sale. The process includes market analysis, training of volunteers, pricing, planning, implementation, control, and distribution.

Crockett, who is chairing this major fund raising campaign, is responsible for overseeing this process. A network of Girl Scouts, volunteers and professional staff work closely to insure the success of the distribution and sale.

The sale is slated to officially kick-off on January

21st with a two-week order taking period and will conclude in April with a week long commercial sale.

Seven varieties of cookies will be sold - Samoas, Thin Mints, Do-Si-Dos, Van'chos, Tagalongs, Trefoils and Chocolate Chunks. These products are supplied by Little Brownie Bakers, a division of Beatrice Foods, an American Company.

Crockett is optimistic that the girls and her volunteer team will meet the 1983 goal of selling 1,077,000 boxes of cookies.

Proceeds from the Cookie Sale will assist local troops in financing activities.

Residents Should Know About Area Crime

December 30, 1982
Dear Gloria,

I am writing in regards to the well being of the residents of Charlestown.

On December 23, one of our drivers of Yellow Cab of Somerville was robbed of his fare money. Also, Green Cab Company had two drivers robbed the same day.

All three incidents were reported to District A Police Station. None of these incidents were mentioned in the Police Line of the Charlestown Patriot.

The eyes and ears of the Charlestown Townies should be told of these incidents so they can help find the young man who is running around McNulty Court with a handgun robbing at random.

We can cope with the beer bottles, rocks and snowballs thrown at us in these areas but a handgun, in the hands of a juvenile delinquent, is a much more serious matter.

Charlestown residents call our company for service 24 hours a day and I,

being a night driver for over seven years, handling only Charlestown calls, am concerned for the safety of not only myself, but for the many female and elderly patrons I am called on to service.

As the community does not condone this type of act, I believe you should inform the people of this problem.

I am voicing the opinion of all our drivers, some of whom refuse to enter the town after dark.

I would appreciate any article you can enter in your well-read newspaper, informing the people of our plight.

We also patrol the streets at night like the police, watching for car stealing, house-breakings, and muggings which we report by radio at once.

I would gladly pay any charge for this article and help in any way to combat crime in the town of Charlestown.

Sincerely yours,
James Snee
Yellow Cab Driver

We Will Be Thinking

December 27, 1982

Two weeks ago, instead of attending my oldest son's hockey game, I went to the wake of a very close friend of my husband who was brutally murdered. He was stabbed to death while trying to save his son who lay bleeding on the sidewalk. Yet once again, the Boston Globe has managed to turn the whole episode into just another argument instead of printing the truth.

The truth is that Robert (Bobby) Butler's sons were followed home that night by two blacks. Racial slurs were exchanged on the train ride home to Hyde Park. When the boys left the train they were followed by four more blacks and the racial slurs continued. Unknown to Steven Butler, a knife was drawn and he was stabbed in the back several times.

At that point, the younger brother ran across the street into McCarthy's Pub where his father worked. Robert quietly whispered to his father, telling him what had happened and before anyone knew anything, the senior Butler flew out the door and across the street to help his son. There he was met by the same group of black youths, surrounding his son Steven. Trying to help his son, Mr. Butler was stabbed three times in the heart. He died in the ambulance on the way to the hospital.

How the Boston Globe can misprint the facts is beyond me. However, I'm not surprised because it is a racist paper that prints only the facts their way and disregards the truth. Bobby Butler will be remembered far and wide for the person he was — a true friend in every sense of the word.

So my husband and I attended his wake along with many other of his friends and paid our last respects. We will be thinking of his four children who are left with no father or mother as Bobby was a widower.

I dare the Boston Globe to print this letter.

Dear Head Start Staff:

On behalf of the residents and staff of the Chelsea Soldiers' Home, I'd like to thank all of you for inviting our residents to the Head Start Day Care Christmas Show on Wednesday, December 1, 1982. Each of those who attended had a wonderful time at the Kent School watching the performance of holiday songs and an adorable Christmas play performed by all of the young children who attend the Head Start Day Care and After School Program.

They were all so adorable wearing their red and green outfits, and terrific costumes! It was a joy for all of us to share this happy event with you.

We were treated like royalty, and how everyone was impressed with the reserved front row seats. You made Ben Desio so happy with all the attention he was given. Please thank Mrs. Fidler for the lovely gift she gave to him. He was thrilled with it, and said "Now I have a second family."

You all worked so hard, and we commend you for all your enthusiasm, dedication, and of course friendship you shared with us. We very much appreciated the Christmas cake, and beautiful decorations too. What a hit they'll be at our Snowball Dance next week.

In closing, we thank you for brightening up the lives of those veterans entrusted to our care.

Best wishes to all of you for a happy holiday season.
Sincerely yours
Irma Vanderpool,
Recreation Director

SHARING IN PRESIDENT REAGAN'S recent proclamation of a Head Start Awareness Month, Mary Ellen Connors and Cindy Scott photographed some of the daily activities at Charlestown's Head Start Program. Left, Christeen

Sullivan shapes and designs dough. Center, Billy Webster spends a few minutes of quiet play with miniature vehicles. Right, Helena Reilly and Brendan Sullivan play the old fashioned game, "house." As stated in the President's

proclamation, the Head Start Program was established in 1965 and has helped over eight million low-income pre-school children and their families.

Townie Tidbits

by Sal Giarratani

Don't know about you but I'm angry with the Reagan Administration. Back in 1980, candidate Reagan campaigned against taxes and last August pushed for and got his \$99 billion tax increase and just last month got his gasoline tax hike....Gov. King is out and the Duke is back. Time will tell if voters made a big mistake last November....Mayor White is still in hot water and 1983 promises to be one crazy year down at City Hall....The Boston Celtics are playing like the Pats while the Big Bad Bruins are giving the Montreal Canadians a run for the money....The new Boston Herald is going strong, all thanks to Rupert Murdoch. The only trouble I see is that new seven-column style. Makes for tiny print in a tabloid....The Bunker Hill Irish Heritage Society is still alive and well and will overcome it's present quagmire. you can bet on that. President Bernie Kelly has called for a special emergency meeting to discuss dues, by-laws, constitution and upcoming elections. The date is January 12 at 8 p.m. at Memorial Hall on Green Street.

The race for Boston's new District City Council seats in these parts is coming down to Diane Modica and Bob Travaglini....Dennis Kearney and Ray Flynn are coming on strong in the Mayor's Race. It's still a guessing game for hizzoner whether he'll run or not for an unprecedented fifth term....My resolution for the new year is not to get so intensely political. All it does is put you into the migraine department Finally made the Kennedy Center's Board of Directors. Know that the current board along with Director Leo Carey will do well for the people of Charlestown.

Lots of people wondered what happened to this column. Townie Tidbits is still here. I was just taking it easy for a while but the pen remains mightier than the sword....Townie Santa was a huge success as some 42 elderly and shut-ins were treated to a ton of provisions and a hot turkey dinner on Christmas Eve. Its good to see people coming together and working for the community. Next year will be a greater success. Townies taking care of Townies. Together, we

can make the difference.

The new year is upon us and I welcome it with open arms. The old 1982 was nice but the promise of this new 1983 year is greater....I hoped everyone had a happy holiday period and are ready to take on the challenges ahead. Grab the "eye of the tiger" and go for it....Finally, can't wait for the grande finale M*A*S*H episode sometime next month, it promises to be the best episode made and is scheduled for two hours. Stay tuned for exact date.

We just went the money funds two better.

1. Newrate Investment Account. 2. Newrate NOW Account.

There are two problems with money market funds: access and security. At Newworld Bank, we've solved both of them. Twice.

Our Newrate Investment Account will earn you the same high interest as a money fund (a guaranteed 10%* through Jan. 10, 1983, and competitive and current after that).

It will also earn you something a money fund can't - the peace of mind you get knowing your money is fully insured by FDIC and Deposit Insurance Fund of Massachusetts up to the limits allowed by law.

And with a \$2500 minimum balance, you get a free checking account, automatically, without any of the restrictions of a money fund. Your free Newworld Banker Card gives you 24-hour access through our automatic tellers.

An added advantage: the state tax on the income you earn is half what you pay on a money fund.

If you'd like to earn the highest possible interest on a checking account, our Newrate NOW account is for you.

The current rate on our Newrate Now Account is 8.5%*, with a \$2500 minimum balance.

And unlike a money fund, you can write any number of checks you want, for any amount, without limit or fee, and without having to transfer money from one account to another.

Plus you get a free Newworld Banker Card, which gives you 24-hour access to your Newrate NOW account, through Newworld's network of ATM's. So you have total control of your money day and night.

Of course your Newrate NOW Account has the same federal and state insurance protections as the Newrate Investment Account.

So if you want to earn high interest on your money and still be able to get at it when you need it, come to Newworld. And get out of the money market.

We even have a better way to open your Newrate Investment or Newrate NOW account. Just make a free call, 1-800-332-3334. Or send in the coupon below. Of course, if you prefer, please do visit any one of our 15 Greater Boston area offices, or our seven new offices on the Cape (formerly Bass River Savings Bank).

Charlestown College Club Holds Holiday Dinner

On Tuesday evening, December 28, the Boys and Girls Club hosted a dinner for the members of the College Club and several Charlestown college students. Ken Crotty of Harvard, Marian Egan of Salem State, Steve Foley of Hamilton College, N.Y., Kevin Gallagher, a

recent Boston University graduate, and Steve Raymond of Boston College, discussed their schools and the different aspects of each. Topics covered included financial aid, courses of study, living on campus as opposed to commuting, and social life. College Club members Dol-

ly Charbonnier, Dorothy Conway, Sheila Mahan, Debbie McCreavan, Tricia Regan, and Cris and Dyann Saccardo, asked questions of the students and discussed their own plans for the future. All of this took place over a delicious dinner prepared by Richie Herman, Cooking Instruc-

tor at the Club, who is also a student in the Chefs Program at Bunker Hill Community College.

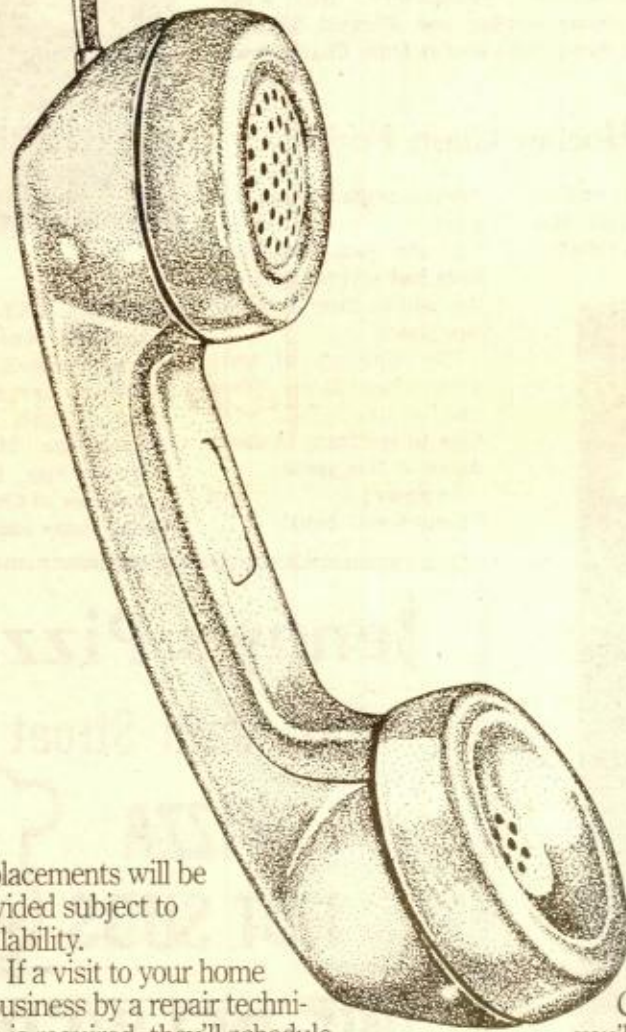

The College Club is a program for high school juniors planning to attend college. It is offered jointly by the Boys and Girls Club and the Kennedy Center. Members can take advan-

tage of S.A.T. preparation, college application and financial aid form assistance, visits to colleges, and social events like the holiday dinner. For more information contact Connie MacDonald at the Boys and Girls Club, 242-1775, or Jack Sheehan at the Kennedy Center, 241-8866.

Childrens' Films

The Winter Films For Children will be held at the Charlestown Branch Library, 179 Main Street on Tuesday, January 11, 1983 at 3:30 p.m. The featured film is "Hunted in Holland," which is the story of children becoming involved in a diamond smuggling adventure. All are welcome to attend.

Our repair policy hasn't changed; we'll still fix your phone. As long as it's one of ours.

There's good news about telephone repairs: no news.

New England Telephone lines and equipment will still be maintained at no additional charge.

How do you get repairs?

The first step is to call a New England Telephone Repair Center. If you need repairs on a home phone, call Residence Repair at 1 555-1611; if you need repairs on a business phone or phone system, call Business Repair, 1 555-1515.

Our repair people will discuss your problem with you, and determine whether it's in the phone or the line. If a simple replacement of the phone is indicated, they'll direct you to a nearby New England Telephone Service Center (formerly Bell PhoneCenters) or other locations where you can exchange your broken phone, at your convenience, for a working model. Or they'll ship a telephone to you.

Replacements will be provided subject to availability.

If a visit to your home or business by a repair technician is required, they'll schedule one for you.

What about line repairs?

New England Telephone will still make all telephone line repairs. So your service will be as dependable as ever, no matter where you buy or lease your telephones.

What if your phone isn't one of ours?

This policy hasn't changed, either. If your phone isn't leased or purchased from us, you'll have to take it back to the store where it was purchased, or determine its manufacturer's repair policy.

What's next?

A recent ruling by the Federal Communications Commission has affected how you'll get service or telephone equipment from New England Telephone.

But despite these changes, New England Telephone will still be your local company. We'll be here, working harder than ever to see you through any coming changes. And doing our best to see that you barely notice any change at all.

But to do our job right, we need to stay in touch with you. So let's talk. If you have any questions, call us on our "Let's Talk" number 1 800 555-5000. We've got the answers.

Columbus Stuns Pope John And Mission In Basketball Wins

by Bob DeCristoforo
They lost the opener to Xaverian High School by a large margin, but Coach Dan McGoff and Coach Charley Myette saw a lot of positive things, and the most positive was the play and more important the attitude of Captain Sean McCarthy of South Boston. It appears that the way McCarthy goes will be the way the Friars go on the basketball scene this year.

In the opener, McCarthy had 21 points, but since then the Christopher Columbus Basketball Friars have played at Pope John and at Mission and the results have been two gutsy, hardnosed two point wins!

At Pope John, Columbus led the way, but they had to hold off a late fourth quarter surge by the "Tigers" and their scoring Tiger, Dan Fitzpatrick of Charlestown. Sean Mc-

Carthy had 23 points in this one.

At Mission, The Friars once again led most of the way, but a strong second half Mission comeback forced the game into overtime and here again Columbus dug in and used what it takes most to bring about a win. Sean McCarthy picked up 22 more points in this one including the winners from the foul line with about three seconds remaining.

Miller Girls Welcome All-Star Candidates

BOSTON CELTICS ALL-STAR CANDIDATES Kevin McHale, Larry Bird, Cedric Maxwell, Nate Archibald and Quinn Buckner, are shown with the "Miller" balloting girls at a recent luncheon in Boston. The "Miller" girls are (from left) Carmela Stec, Drenda Carroll, Judy Messenheimer of Charlestown, Jeannine Lapin, Susan Dolan and Carolyn Mackley. Another

Celtics player nominated for the 33rd NBA All-Star game, Robert Parish, was unable to attend the luncheon due to an injury. This is the first time in the league's history that six players from one team have been nominated on the all-star ballot. The All Star game will be played in the Los Angeles Forum, January 13, 1983.

Columbus-Charlestown In Hockey Clash Friday

The Columbus Hockey Friars will be battling the Charlestown Hockey Tow-

C.Y.H.A. News

Charlestown Youth Hockey moves into its second-half of the season. We are encouraged by lots of things and, most of all,

we are encouraged by the willingness of everybody to try to work on our weak-spots and pull together for the good of the boys.

We learn from experience. But if we say what's on our mind in a constructive way, we more often than not help improve the situation.

There will be a C.Y.H.A. Coaches Meeting on Monday, January 10, 1983 at 7:00 p.m. at the M.D.C. Rink.

ATTENTION PARENTS - C.Y.H.A. will be looking for help as coach/instructors, managers and Board members. This year we may try a "school" for fresh (green) coaches. The emphasis will be on teaching position-play and team-play. Look for details to follow and please come to our Member's Meeting on Wednesday, the 24th of January at 7:00 p.m. at the Colbert Apartments, 20 Devens Street.

Columbus Hockey Friars Move Into First

by Bob DeCristoforo

The Columbus Hockey Friars are flying! The Friars defeated rival Dom Savio 4-2, and then knocked Fenwick from the underfeared ranks 6-2 to take over sole possession of first place in the Catholic Central League, upping their record to a very impressive 5-0-1.

As expected a large crowd was there for the Dom Savio tilt at Boston University, and before many of them were really settled, the Friars were on the scoreboard on the opening seconds goal by Captain Mike Fowkes.

The sophomore contingent took over from here. Charlestown sensation Billy Nolan put Columbus up 2-0, but Savio narrowed the margin before the second period ended. No worry though. Nolan wasn't through. He got his second goal of the night early in the third period, and sophomore Brian Ward made the score 4-1 on his third period drive.

In between the offense was some fine defense accorded this time by the goal tending of Southie sophomore Bobby Cuddyer, who once again was there with the big saves.

New Year's Day '83 was spectacular. The Friars traveled up to face undefeated Bishop Fenwick in their home rink, and the "Hometown" team just took it right to them!

Fenwick scored the opening goal, but with just 18 seconds to go in the first period Brian Ward lit the lamp for Columbus, and this sent the Friars in motion.

In motion? You judge. Jimmy Vesey of Charlestown got the next goal to put the Friars up 2-1 on a magnificent pass from Brian Ward. Sophomore Allen Caparella, with Mike Fowkes assisting, got the next Columbus goal for a 3-1 lead.

Period three was Jimmy Vesey. In this one, the junior star showed one of the reasons he is considered one of the best in the state, for in this period he had the Hat Trick-3 goals.

Other stellar performances were turned in by Charlestown's Darryl Locke and Billy Nolan, who prove each passing game that they are also players to watch.

In the nets Jimmy Nichols, once again showed off his fine ability.

"Sea Trials" Filmed At Navy Yard

Robert Lansing, star of T.V.'s "12 O'Clock High" which aired in the sixties, turned up in Boston National Park's Charlestown Navy Yard December 17 and 18 to narrate a documentary called "Sea Trials." The film, which is being produced by the Chicago firm of Burson-Marsteller for Bath Iron Works, is concerned with America's naval preparedness since the closing of active shipyards.

The eight man crew filmed December 17 aboard the USS Constitution, and December 18 on Pier 2 of the Navy Yard amid snow flurries and below freezing temperatures, which enhanced the bleak backdrop the director was looking for.

Before this last stop in Charlestown, the crew had

filmed in Newport, Rhode Island; Bath, Maine; Norfolk, Virginia; Washington,

D.C. where Senator John Glenn, among others, was interviewed; Fall River,

Massachusetts; Mayport, Florida; and New York City.

Workshops On Cable Funding Program

The Massachusetts Council on the Arts and Humanities has announced a pilot funding program called "Partnerships in Production" designed to encourage collaborations between the Massachusetts cultural community and its developing cable industry. The Commonwealth has tremendous potential for creating and distributing high quality media production using the state's

many outstanding cultural resources: Its museums; its visual and performing arts groups; its independent producers and its individual creative artists.

"In order to inform interested groups or individuals about this program," said Anne Hawley, Executive Director of the Council, "we will sponsor public workshops to explain the program. During the workshops, Council staff will explain the guidelines in detail and be available to answer questions. Funds for this pilot program are limited, but we encourage potential applicants and anyone who just wishes to learn more about the Council's planning for cable television and developing technologies to attend." Application forms will be distributed during these sessions.

Workshops are scheduled at the Boston Film and Video Foundation, 1126 Boylston Street, Boston, on Tuesday, January 25, 1983 at 4:30 p.m. (snow date: 2/1/83) and at Massachusetts Council on the Arts and Humanities, 21st Floor, John McCormack Building, One Ashburton Place, Boston on Wednesday, February 2, 1983 at 4:30 p.m. (snow date: 2/9/83).

Any questions regarding these workshops or this program should be directed to the Special Programs Department at the Massachusetts Council on the Arts and Humanities, telephone 727-3668.

GOLD INLAYS

The most popular material for filling cavities is amalgam, often called a "silver" filling (actually a mixture of mercury, tin, copper, zinc and about 65-75% of silver powder). This material has proven successful for filling small and average sized cavities.

However, if the decay has ravaged a large section of the tooth, silver amalgam may not be up to the task. It does not always add strength to the tooth. In fact, it requires strong tooth structure to support it.

In the case of a large cavity, a filling of gold casting may be in order. The gold casting restoration derives its effectiveness from its great strength and resistance to breakage under chewing stress. Because of this property, gold is used mainly to support weakened tooth structure.

While waiting for the laboratory to make the gold casting from the impression taken by the dentist, the patient will have a temporary cement filling. A good gold inlay usually lasts for many years and is considered stronger than a good amalgam filling.

"PROLIFE ACTION - DECADE II"

March for Life of Washington, D.C. has announced the plans and particulars for its annual march from the Ellipse (opposite the George Washington Monument), up Pennsylvania Ave. (past the White House) to the Capitol...and subsequent Congressional lobbying in the several congressional office buildings on January 22, 1983.

This year's program marks the tenth anniversary of the Supreme Court's infamous abortion decision, and all profilers will be subscribing to the 1983 unifying theme "The Paramount 'Unity' HUMAN LIFE AMENDMENT! NO COMPROMISE!" Enactment of this legislation will protect the value and dignity of all born and preborn human beings from fertilization, without exception, save both a mother and her preborn child from man's inhumanity to man through abortion, and place into perspective our government's proper role in protecting and serving - rather than destroying - the right to life of innocent human beings.

In addition to the Rose Dinner the evening of the march, there will be a vigil supper to assist those arriving in Washington in advance of the buses from all over the United States, and, as has been the practice in the past, a "red rose" (symbol of the prolife movement in America) will be hand-delivered to each Congressional office, along with a copy of this year's Program Journal...and a list of names of constituents providing the roses. Those gathered at the Ellipse prior to the march will hear from distinguished speakers, and Annual Life and Distinguished Life Service Awards will be presented to several recipients.

Massachusetts Citizens for Life (313 Washington Street, Newton) is sponsoring the Mass. contingent, and has announced that buses for Washington, D.C. will depart Boston College on Friday evening, January 21, at 10:00 p.m., with a scheduled stop at Riverside Station. Bus reservations should be made by contacting their office, however, be advised that the deadline for reserving seats on the Boston bus is Wednesday, January 14, 1983. Buses will also depart from many other Mass. areas (Athol, The Berkshires/North Adams, Hudson, Pioneer Valley Region, South Shore and Worcester.) Ask MOFL for further information in this regard.

Those who can't make the trip might like to join with many others at the Tenth Annual Assembly for Life at Boston's Faneuil Hall, Sunday afternoon, January 23rd, at 1:00 p.m. This year's major address will be by Pastor Erick Schenkel, Covenant Church, Lawrence.

We'll be on the Boston bus...look us up!

TUITION TAX CREDITS POSTSCRIPT....

The Heritage Foundation of Hinsdale, Illinois recently released information from a study prepared by Dr. Daniel D. McGarry (for the Thomas J. White Foundation) which informed that children in the following countries "CAN-NOT study religious and moral values in school, or, if they

do, they suffer loss of all tax funds for the study of secular subjects: China, Albania, Bulgaria, Cuba, East Germany, Russia, Hungary, Turkey, UNITED STATES, Yugoslavia."

Congress is presently considering legislation on this family tax-relief proposal. If you were among those who voted against its passage here in Massachusetts in the last election (Question No. 1), please consider joining those of us who didn't in contacting your Congressman now in support of tax credits.

If you'd like more information upon which to base a decision, you may obtain a FREE copy of Dr. McGarry's summary by writing to Research Director for the Thomas J. White Foundation, 940 West Port Plaza, St. Louis, Missouri, 63141.

HANDICAPPED PARKING "TICKETS"...

Parking in areas designated as reserved for handicapped persons requires that the vehicle contain an HP, V or the newer handicapped/wheelchair license plate.

Abuse by otherwise able-bodied drivers continues to be an irritating problem, but Dr. Eileen Schell, Massachusetts Secretary of Consumer Affairs, has announced that persons can now demonstrate their concern by "ticketing" offender's vehicles.

A FREE supply of parking "Tickets" may be obtained by writing to Parking Tickets, Consumer Affairs, One Ashburton Place (Room 1411), Boston, Mass. 02128, or telephone (617) 727-7780.

The "ticket" carries the following reminder to offending motorists: "This space was provided specifically for physically disabled individuals. If you are not disabled your future consideration by not blocking this space would be appreciated."

If you are one of the careless motorists in violation,

Parents' Discussion Group

Separated from their own families and childhood communities, many parents today have fewer guides to follow in raising children than their parents had. At the same time, the increase in the number of working mothers and in single-parent families places new demands on parents to find innovative ways to bring up children. In a six-part series "Raising Your Child" Ms. Debbie Greenberg of the Child Study Association will address several of the problems young parents face, when she meets with the Charlestown Branch Library Parents' Discussion Group at 10:00 a.m. on six consecutive Fridays, January 7 to February 11.

At the first meeting on

January 7, participants will decide together which topics will be discussed during the following weeks. Although the Parents' Discussion Group programs are always open to the public, this one will be most beneficial to those who can attend the entire series. Ms. Greenberg has an MSW, is a licensed social worker and has worked with children in several roles. She will recommend books on parenting to coincide with the topics discussed. Patrons who are interested in her recommendations but cannot attend the Friday meetings may call for more information at 242-1248 or stop by the Library at 179 Main Street.

please repent...or face a \$50 fine if your vehicle is ticketed by the Boston Police Dept. instead of our "Posse."

A ZILLION THANKS.....

We sincerely appreciate having received ever so many Christmas card greetings, and are especially grateful for the kind sentiments expressed thereon.

A special THANK YOU to the following who thoughtfully sent along postage stamps for use in our national mailing effort: Bill O'Connor, Waltham; Marion Riley, Dorchester; Edna Ferreira, Brighton; Carl and Sue Jordan, Hamden, Conn.; Gus Charbonnier, Charlestown; Jean Hale, Sweet Home, Oregon; Anonymous, Milton; and Terry and Al Smith of Dorchester.

This help enables our program to get off to a good running start in 1983!

AND SPEAKING OF 1983....

If you (like us) haven't already made some concrete resolutions for the New Year, consider the sagacious words of John Wesley, who said: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can."

MERRY "LITTLE" CHRISTMAS AND HAPPY NEW YEAR

The Warren Tavern now continues the tradition of hospitality it established in the 1780's. The building was among the first built after the British burned Charlestown on June 17, 1775. It is thought to be the town's oldest standing structure. It was renovated by the Charlestown Development Corporation in 1972. The tavern was named in honor of General Joseph Warren, a leading citizen, patriot and physician who was a martyr of the Revolutionary War. He was fatally wounded during the Battle of Bunker Hill. It might well be the oldest tavern in the U.S. of America.

Charlestown Police Line

From the desk of
Deputy Superintendent Joseph V. Saia Jr.

Commanding Officer District A
Charlestown, East Boston, Downtown

I would like to wish all the residents of Charlestown a happy and prosperous New Year. The first Police-Community Meeting of the New Year will be held on January 11, 1983 at the Kent School, 50 Bunker Hill Street, at 7:00 p.m. The following are a few incidents that happened in the past weeks in Charlestown:

On December 18, 1982, the Team Police in Charlestown arrested three Charlestown residents for various drug violations. Police Officers Callan and Whiffen observed three white males sitting in a motor vehicle at the rear of the Charlestown High School Gym on Terminal Street. Upon investigation of the three males, they were found to have a substance thought to be Cocaine and some Valium capsules. They were placed under arrest for the illegal possession of Class B and Class C narcotics, taken to District A

and booked. They were arraigned in Charlestown District Court on December 20.

On December 18, 1982, a Charlestown resident was arrested for larceny of a motor vehicle and receiving stolen goods. The arrest was made by Police Officers Callan and Whiffen of the Team Police. The original incident took place on Tufts Street and after a chase, the arrest was made on Old Landing Way, Charlestown. The motor vehicle was reported stolen in Waltham on December 16, 1982.

On December 18, 1982, two Charlestown juveniles were arrested for larceny of a motor vehicle. Officers Mokler and Hennessey observed the suspects racing up and down Main Street at a high rate of speed. After a short chase the suspects were arrested at Schrafft's Candy. The suspects lost control of their motor vehicle and crashed into a brick

and iron fence. Additional violations were issued including operating a motor vehicle so as to endanger, operating a motor vehicle without a license to operate, and failing to stop for a police officer.

On December 29, 1982, three Charlestown residents were arrested for B & E in the nighttime at the Sullivan Square MBTA Station. The time of the arrest was 2:36 a.m. The suspects were arraigned in the Charlestown District Court on December 29, 1982.

On December 29, 1982, Boston Police Detectives arrested three Charlestown residents for prostitution, allowing the premises to be used for prostitution, and operating an illegal massage parlor. This incident took place on Pearl Street. This is a first for Charlestown...

It's A Boy...

Mr. and Mrs. Edward Alfred Bangs of 36 Pearl Street, Charlestown announce the birth of their son, Keith Edward, on December 7, 1982 at Melrose-W. efield Hospital. Keith weighed 7 pounds and 3½ ounces. Grandparents are Mr. and Mrs. Wilfred M. Sawyer of Melrose and the late Mr. and Mrs. Ralph E. Bangs.

New "Godspell" Production To Open At Charles

The joyous musical "Godspell" is obeying its own maxim couched in the song "Turn Back O'Man," when it does indeed return to Boston on Wednesday, January 19 at the Charles Playhouse for a five week engagement.

Conceived and originally directed by John-Michael Tebelak with music and new lyrics by Stephen Schwartz, "Godspell" is based on the Gospel According to St. Matthew.

Acclaimed in Boston when it was first presented at the Wilbur Theatre in 1971, where it ran for a spectacular 86 weeks, this "magnificent celebration of the life of Christ" as a Hollywood commentator called it, returned to the Wilbur in 1974 for another joyful run, and was equally successful.

One of the most popular shows ever staged "Godspell" ran for 6 years in New York, has been presented coast to coast in this country, and in Toronto, London, Paris, Hamburg and Melbourne, among others. Its popularity garnered sales here and in London, of more than 1,000,000 copies of the original cast record.

Presented here by Charles Kirkwood of New Genesis Productions, the current show will be directed by Stephen DeAngelis, who has appeared in several incarnations of "Godspell."

The cast of the new production will include: Robin Joy Allan, David Thomas Hampson, Debra Hauptman, Rich Hebert, B.J. Jefferson, Liz Larsen, Jessica Lichtner, Frank Stellato, James Weatherstone, and Harvey Zuckerman. Musical Director is Patrick Vaccariello.

Performance times will be Tuesday through Saturday evenings at 8 p.m., Saturday and Sunday matinees at 2 p.m. and Sunday evenings at 7 p.m. Ticket prices are: \$16.50 and \$14.00 for Tuesday through Thursday evenings, Saturday and Sunday matinees and Sunday evenings; \$18.50 and \$16.00 for Friday and Saturday evenings. Special group discount rates are available and may be obtained by calling 482-3424.

The opening night performance on January 19 will be at 7 p.m.; all other performances will be at the regular scheduled times above.

The Charles Playhouse box office will open at 10 a.m. on January 10. Tickets are also available through Tele-Tron at 426-8383, and at all Ticketron outlets. Main orders may be sent to the theatre directly, 76 Warrenton Street, Boston 02116, 426-6912.

Community School News

The Kent/Charlestown Community School Council is pleased to announce that it has received grants of \$500 from the Boston Globe Foundation, \$400 from Massport and \$400 from the Bank of New England. These grants will enable the Community School to meet a challenge grant awarded by the Godfrey Hyams Trust for \$6,000. These grants will be used to support the Kent/Charlestown's Adult Education Programs.

The Community School Program has also received a \$2,000 credit towards summer camp scholarships from the Boys and Girls Camps Inc. This summer the Community School Program will be able to assist parents in sending their 6 to 13 year olds to camp for ten days. Camp sites include Camp Wing-Duxbury Stockade, Camp Lapham and Camp Mitton. Further details will be forthcoming in March.

Aerobics will start up again on Tuesday evening, January 11th at the Kent Community School. We will operate a two night a week program, Tuesday and Thursday nights, from 7:00 to 8:00 p.m. There will be a charge of \$24.00 for a ten week session. People can register on January 11th. Fees

Preservation Society To Meet

The Charlestown Preservation Society's first meeting of the new year will be held at the Charlestown Community Center, 14 Green Street, on Sunday, January 9, at 7:30 p.m.

Stan Smith from Historic Boston, Inc., will speak on the ongoing restoration projects on the Austin Block, built c.1822, and the

Hurd House, built c. 1795, both on Main Street. Restoration of the Austin Block is proceeding smoothly; many of you may have noticed the newly installed stone quoins on the first story. A developer has not yet been found for the Hurd House. However, a structural analysis has been completed and Mr. Smith will discuss its results.
