LEASING CRITERIA Hunt Park Apartments

This community utilizes a third-party service that conducts credit, rental history and criminal background investigations. Community management team members conduct all employer/income verifications. The investigation is conducted on all adult (18 years of age or older) occupants. The investigations are based on information provided by the applicant and information that may be retrieved from credit agencies, employers, previous landlords and Federal, State and Local agencies and other associated parties. In the event the application is rejected, the applicant will be notified verbally and in writing as to the reasons and the sources(s) of the information that resulted in the rejection. However, if the rejection is a result of the information provided by the applicant, we will only provide the results verbally unless the applicant makes a formal written request for information pertaining to the denial. In the case of roommates, information that we have obtained resulting in a rejection can only be released to the party whose investigation causes the rejection.

Criteria:

- 1. A minimum of 6-month rental or ownership history. History must consist of no more than 1 late payment or 1 lease violation during a 6-month period. If a debt is owed to another rental community, the application will not be considered until adequate proof of satisfaction of that debt is provided. If renting from a Private Owner, applicant must provide a copy of a utility bill with the address and name of the applicant on the utility bill. Applicant(s) without rental or ownership history may be accepted with a security deposit equal to the monthly market rental rate for the apartment to be occupied. Evictions will constitute an automatic denial of the application. Rental history criterial will be exempt for Key Assistance/Targeting Program applicants.
- 2. Criminal background reports, rental history reports, and other reports are reviewed for all household members. Where an application "may be denied", an individual assessment of the criminal record and its impact on the household's suitability for admission will be conducted. Assessment will consider (1) seriousness of criminal offense; (2) relationship between criminal offences and safety and security of residents, staff, or property; (3) length of time since offense with weight being given to significant periods of good behavior; (4) the age of the applicant at the time of the offense; (5) number and nature of other criminal convictions; (6) evidence of rehabilitation such as employment, participation in job training program, education, drug/alcohol rehabilitation; and (7) risk mitigation services applicant will be receiving during tenancy. If an applicant has been convicted of a felony offense involving the sale or manufacture of a controlled substance: The application will be denied if the conviction, or exit from incarceration, occurred within 5 years of application; the application may be denied if the conviction, occurred more than 5 years but within 10 years of application. If an applicant has been convicted of a violent felony offense (Class A, B, C, D, E, F, or G felony or any felony requiring registration on the sex offender registry.) the application will be denied if the conviction occurred within 5 years of application; may be denied if conviction, occurred more than 5 years before the application. If an applicant has been convicted of a nonviolent felony (Class H or I felony) offense the application may be denied if the conviction occurred within 7 years of application. If an applicant has been convicted of a violent misdemeanor (Class A1 or requiring registration on the sex offender registry) the applicant will be denied if the conviction occurred within 2 years of application; applicant may be denied if the conviction occurred more than 2 years before application. If an applicant has been convicted of a nonviolent misdemeanor (Class 1, 2, or 3 misdemeanor) offense the applicant may be denied if the conviction occurred within 5 years of application. (Applicants may be denied with pending charges at the time of application.) The fact that we perform criminal background checks does not mean that our residents and occupants have no prior or current criminal histories. We cannot and do not guarantee that this community and its residents are free from crime. Verification of the accuracy of information supplied to or made available to us by applicants and credit reporting services is limited.
- 3. † At least one household member, head of household, co-head or spouse, must be 55 years of age or older. All additional household members must be at least 45 years of age.
