Sustanon 250 by Organon is an oil-based injectable testosterone blend steroid. It contains four different testosterone esters: Testosterone Propionate 30 mg, Testosterone Phenylpropionate 60 mg, Testosterone Isocaproate 60mg; Testosterone Decanoate 100mg. Estos días tome consciencia de como me refugio tras la estructura y el control, y cuando lo pierdo, me pierdo en todas las emociones que se escondian detras y que no queria tocar.. Pero cuando acepto soltar y confiar me invade una creatividad y energia sin limite!

Due to this combination of testosterone characterized as strong anabolic and androgenic drug, it represents stack of different esters, that contains 60 mg of Phenylpropionate, 30...

Second, they straight up aren't using their muscles. Sure, they're doing the reps, but they're not actively CONTRACTING the muscles, which is the biggest sin of all because you're putting in the TIME and getting almost NOTHING out of it not results, not enjoyment, not even a gym crush flirtation cuz you're a zombie blob and that ain't cute.
