Charlestown Records A 45% Voter Turnout In Tuesday's Primary Election

Some 45% of the registered voters in Ward Two, Charlestown cast their ballots in the State Primary Election on Tuesday, September 16th. The present voter registration in this community, as released by the City of Boston Election Department, is 6,321 Democrats, 423 Republicans and 1938 Independents — for a total of 8,682 registered voters.

National attention has focused on the race to succeed Thomas P. "Tip" O'Neill as United States Congressman from the Eighth Congressional District. The Kennedy "magic" at the ballot box, combined with an energetic, aggressive local political organization, placed Joe Kennedy far out in front of the field of candidates. Kennedy captured some 62% of the Democratic vote cast for Congressman in this community — with eleven can-

didates on the ballot. The nearest opponent, George Bachrach, garnered only 16% of the vote cast, with Jim Roosevelt receiving 13%. Kennedy will face Republican Clark Abt in the November Election.

campaign. The win by Rufo is tantamount to election, as there is no Republican opposition in the final election. Boston City Councillor Maura Hennigan fared well in Charlestown in her quest for the seat of State Auditor,

The race for the Sheriff of Suffolk County generated considerable interest in the community, with Boston City Councillor Albert L. "Dapper" O'Neil and Special Sheriff Robert Rufo going down to the wire for the nod. The tally was close in this community, with O'Neil taking 49% of the local vote and Rufo receiving 46%. Both candidates displayed strong support among residents — resulting in a few confrontations during the final weeks of the

but the nomination went to State Representative Joseph DeNucci of Newton. Hennigan received 59% of the Charlestown vote with 37% for DeNucci. Former United States Congressman Jim Shannon took 74% of the local vote to JoAnn Shotwell's 26% in the race for Attorney General, with Shannon receiving the nomination statewide. Joseph A. Langone was successful in seeking a fifth term as the Governor's

Monday Declared "Charlestown Welcomes USS Bunker Hill Day In Boston"

THE CHARLESTOWN WELCOMING Committee boarded the USS BUNKER HILL immediately after the vessel docked in the Charlestown Navy Yard, at the invitation of Captain Philip M. Quast, USN, Commanding Officer. The delegation presented a framed proclamation to the Captain on behalf of Mayor Raymond L. Flynn, declaring Monday, September 15th "Charlestown Welcomes USS

"We had a super trip from Pascagoula, Mississippi — great weather — good seas. We entered Boston Harbor and rounded the curve by the World Trade Center and saw the Bunker Hill Monument in the distance. The Harbor Master said, 'Let me introduce you — one Bunker Hill to another.' I have seen the Monument before, but never like this... the Boston skyline is beautiful, as was the Spirit of Massachusetts and the salute by the Fire Boats, but, oh, the Monument."

These were the thoughts

expressed by Captain Philip M. Quast, USN, shortly after he arrived in the Charlestown Navy Yard on Monday, September 15th on the USS Bunker Hill, an aegis class guided missile cruiser termed the most advanced

warship in the world. The USS Bunker Hill will be commissioned at ceremony in the Charlestown Navy Yard on Saturday, September 20, 1986, in the shadow of Bunker Hill.

NEW HOUSING DEVELOPMENT OPPORTUNITY BOSTON REDEVELOPMENT AUTHORITY CHARLESTOWN URBAN RENEWAL AREA

LOCATION

Parcel C-2A-1 in the Charlestown Urban Renewal Area is available for development of housing in accordance with Federal Regulations, the policies and procedures of the Boston Redevelopment Authority and applicable provisions of Charlestown Urban Renewal Plan. This parcel consists of approximately 43,506 square feet. It is bounded by Main Street, Baldwin Street and Rutherford Avenue.

DEVELOPMENT PRIORITY

Because of the rise in housing costs in the Charlestown Area and the increased difficulty moderate-income households face in the housing marketplace, special consideration will be given to proposals for developments which provide ownership opportunities for moderate-income residents and which provide assurances of prompt development.

INFORMATION AVAILABLE

A Developer's Kit, including a description of the vacant land and complete information regarding the requirements to be met by developers in the preparation of proposals, is available by delivering a check for Seven Hundred and Fifty (\$750.00) Dollars payable to the Boston Redevelopment Authority. Non-profit [certified 501(c)(3)] I.R.S. organizations which are engaged in community development may receive a kit for Three Hundred and Seventy-Five (\$375.00) Dollars.

Interested persons can purchase a "Developer's Kit" at the Boston Redevelopment Authority, City Hall, 9th Floor, Room 910. Staff members of the Authority will be available to potential developers for information and technical assistance. A prebid conference will be held at 10:30 a.m., September 23, 1986 at the BRA offices.

Proposals, in compliance with the instructions contained in the Developer's Kit should be submitted on or before 12:00 noon, October 22, 1986, attention of Stephen Coyle, Director.

Open Letter To All Charlestown Residents

Several weeks ago a "Charlestown Welcoming Committee for USS Bunker Hill" was formed to ensure a special welcome would be provided for this very special ship. With the solid support of the Charlestown community, funds were raised and many in-kind contributions received. As a result, the officers and crewmen of **Bunker Hill** were treated to a welcome, the like of which I doubt any of them had ever before received.

This was made possible by the generous and prompt response from the Charlestown community and by the exceptional efforts of the following committee members who contributed time, energy and resources — just to make this event the success it was: Donna Wolfe, Manager of Bank of New England, Treasurer; Members: John Burchill, Jim and Gloria Conway, Tom Cunha, Joe and Margie Kent, Norita Lee, Helen Lawler, William "Zeke" Marsden, Dr. Neil Schram, and Kay Whelan.

Also, what great friends we have in the Navy Yard! The importance of the contributions made by Tom Culbertson of Seiler's Caterers; John Burchill, Superintendent, Boston National Historical Park; and by Commander Joseph Brown, Commanding Officer **USS Constitution**, can not truly be measured. It is clear, however, that without their strong support the Baked Beans and Franks Dinner would not have been prepared and served.

I would be most remiss if I did not mention the superb performance of the Bunker Hillbillies. We all owe a very special thanks to Bob Munstedt and Jim Sullivan for being the driving forces behind this unique accomplishment. (Let's all hope we see more of them in the future.)

To all those mentioned above and to the many, many other individuals who helped make this welcome the outstanding success it was, I would like to offer my very personal and sincere thanks. As is said in the Navy, "To all concerned, WELL DONE."

Very respectfully,
CDR. Robert L. Gillen, USN (Ret.)
Chairman, Charlestown Welcoming Committee

The Charlestown Welcoming Committee wishes to thank the following individuals and businesses for their contributions leading to the success of the community's welcoming events: Pet Foods, Inc. of St. Louis, Missouri; Commander Joseph Brown, **USS Constitution**; National Park Services; Massport; Boston Fire Department; Tom Culbertson and Seiler's Caterers; Naval Support Detachment, Boston; Stewart Monderer, Graphic Artist; Russell Badge; Faneuil Hall Marketplace; Downtown Crossing; Lafayette Place; with a special thank you to each and every person who contributed their time and energy to the occasion.

We Had Better Listen To Maryanne

To the Editor:

In response to Maryanne's "Letter to the Editor" in the September 11th **Charlestown Patriot**, I commend her for her comments concerning the troubles at the Eden Street Park, which happened the previous weekend. Do we realize the whole situation could have very easily turned into a riot? Or that someone could have been seriously injured? No, I don't condone our kids drinking in public anymore than anyone else does, but we better listen to what you, Maryanne, had to say before we have worse problems.

Hooray for you, Maryanne. You only said what people are thinking but do not have the courage to say.

CHECKING THE "COMPARABLES"

If you're trying to decide whether or not a particular property is a good investment, you can check what similar homes in the same neighborhood have sold for. This takes a lot of the guesswork out of making the right choice.

Some sales information, such as price, financing terms, and transaction date, is public information. In most areas this is published and can be found in the public library. You can find out how properties have been appreciating based on actual sales experience rather than word of mouth from neighbors (it could be inaccurate) or the hopes of the sellers (they could be very optimistic). Once you have the addresses, you can drive by each home to get some idea of how it compares to the one you're considering. If you're working with an agent, he may have seen the comparables' interiors and can give you a clear idea of how they measure up.

If you're considering a move, contact the professionals at **Century 21, Silva Realty Associates**. Call us at 242-7470 or drop by our offices at 142 Main Street, in Charlestown.

Each office is independently
owned and operated.

Nomination Papers Available For Kennedy Center Board

The Kennedy Center/
APAC election for Board of Directors will be held on
Tuesday, October 14, 1986.

There are eight seats available, one at-large and one from each of the seven precincts. Charlestown residents, 18 years and older, are eligible to run, either at-large or from the precinct in which the candidate resides. Current and former members are eligible for re-election if they have served no more than two terms or if having served three or more terms

have not been seated since January 1985.

In order to encourage the broadest community participation, the nomination process has been simplified. Nomination papers are available at the Kennedy Center, 27 Winthrop Street. Candidates must have proof of residence and be over 18 years of age. Twenty signatures from the precinct in which the candidate resides are required for precinct seats or 20 signatures from the community-at-large for the at-large seat will be required to qualify for the ballot. Candidates are encouraged to obtain more than 20 signatures in the event that one or more signatures prove invalid.

Nomination papers must be returned to the Kennedy Center no later than 5:00 p.m. on Wednesday, October 1, 1986.

For further information, contact Kate McDonough, Executive Director, at 241-8866.

Class Of 1965 — Where Are You?

The Charlestown High School Class of 1965 is planning a 21 year reunion to practice for the grand and glorious 25th reunion. The event will be held on Saturday, November 1, 1986 from 8:00 p.m. to midnight at the Knights of Columbus Hall, 75 West School Street.

Tickets for the reunion are \$10.00 per person and the deadline for reservations is October 10th.

For tickets, make checks payable to CHS Reunion and mail to CHS Reunion, 49 West Street, Wilmington, MA 01887.

Will Wheeler Paddle To Plymouth — And Paddle Back?

Will Richard Wheeler, Director of the USS Constitution Museum in the Charlestown Navy Yard, fulfill his promise to paddle his kayak from Charlestown to the Mayflower II in Plymouth and then paddle the return trip? Wheeler says yes, skeptics aren't so sure.

When questioned as to the reason for this kayak excursion, Wheeler explained that the Museum, as with other non-profit organizations, frequently has problems raising funds for both operational expenses and special projects. This was the case in 1984 when road access disruptions to the Museum site created a deficit in working capital and Wheeler was pondering a novel way to raise needed funds. He combined his interest in his kayak with a plan to paddle 50 miles to Plymouth, thus Paddlethon I was born and the necessary operating monies were raised.

Now comes 1986 and Paddlethon II.

Wheeler stated that the USS Constitution Museum has been offered the opportunity to buy a Constitution-related treasure that he feels "simply must become a part of our permanent collection" — an oil painting of Commodore William Bainbridge that was done by Sarah Peale in 1822.

In relating the importance of this piece of art to the Museum, Wheeler said that Commodore Bainbridge followed Hull as skipper of Constitution. Six months after the Guerriere victory came the Java engagement, and the name Bainbridge was carved forever into our history.

Wheeler stated that this painting, done by a superb artist from a renown family of artists, is by far the best likeness of the Commodore and he feels that the asking price of \$40,000 is fair.

The Director is asking the Charlestown community to support him in his Paddlethon to purchase the painting of Commodore Bainbridge. He said that a booklet will be printed, crediting each contributor to the fundraising effort.

Wheeler will begin Paddlethon II from "Old Ironsides" on Friday morning, October 17th. He will paddle the 50 miles to Plymouth, have dinner, take a nap and then paddle the 50 miles back to Charlestown, arriving at "Old Ironsides" before she fires her "sundown" cannon on Saturday, October 18th. A radio equipped "chase boat" will trail Wheeler both ways.

Wheeler stated, "Museums are about a lot of things and one of those things is collecting. Here is a once-only chance for the USS Constitution Museum to acquire a major work of art that represents just about everything the Museum stands for."

Wheeler requests that residents support him in his Paddlethon efforts — either with a donation or a pledge per mile. Donations in any amount are welcome.

Those wishing to make a contribution, should fill out the coupon below and mail it with their tax deductible contribution to: The USS Constitution Museum, P.O. Box 1812, Charlestown, MA 02129.

USS Bunker Hill Arrives At Charlestown Navy Yard To Warm "Townie" Welcome

THE USS BUNKER HILL (CG-52), a guided missile cruiser termed to be the most advanced warship in the world, is shown entering Boston Harbor on Monday, September 15th in preparation for docking at the Charlestown Navy Yard. The crew lined the decks as the vessel was escorted by the Spirit of Massachusetts and saluted by aerial sprays of water from the Boston Police Depart-

ment and Massport Fire Boats. A unique aspect of this ship's entry was the flying of a flag from the top of the vessel telling all "We Love Townies". A delegation of Charlestown residents, wearing "I Love U.S.S. Bunker Hill" buttons, awaited the arrival of the ship on Pier 5, along with the Navy ROTC from West Roxbury High School, military and National Park Services personnel,

families of crew members, representatives from Ingalls Shipbuilding, along with a brass ensemble — all present to welcome this ship to Charlestown. The USS BUNKER HILL will be commissioned into active naval service in ceremonies at the Charlestown Navy Yard on Saturday, September 20, 1986, in the shadow of Bunker Hill Monument. (continued from page one)

Captain Quast, Commanding Officer of **USS Bunker Hill**, is no stranger to Charlestown and her residents. He captured the hearts and respect of many during last June's Bunker Hill Day celebration when he, his wife, Peggy, and their son, Tommy, participated in the community's festivities. Captain Quast was an Honorary Chief Marshal in the Bunker Hill Day Parade and was the Monument Orator at the Patriotic Exercises on June 17th. His wife and son also marched the parade route carrying signs in recognition of the POW/MIAs. Their spirit and sense of caring was contagious and they left Charlestown last June with many friends in this community.

Several aspects of the arrival of the **USS Bunker Hill** in Charlestown were unique. Immediately noticeable, as the ship neared the docking area between Piers 4 and 5 in the Navy Yard, was the flag flying from the top of the ship in the strong wind — a white flag with black lettering and a red heart reading "We Love (with a heart) Townies".

Later in the day, Captain Quast related a telephone call he had received from a reporter on a Boston daily newspaper asking him what the flag on top was. Captain Quast replied, "It is a 'We Love Townies' flag." The reporter questioned him as to why they were flying this flag, to which the Captain responded, "Is there any other part of Boston?"

As the **USS Bunker Hill** was making her way into Boston Harbor, a delegation of Charlestown residents waited on Pier 5 in the cold wind. Facing outwards toward the harbor, all looked anxiously for a glimpse of the vessel. Helicopters hovered over the area and finally the sails of the **Spirit of Massachusetts** were sight-

ed, leading the ship into the inner harbor. The excitement mounted as the grey mass on the horizon came closer and the spectators stood in awe as this, the most technologically sophisticated combatant in the world, prepared to dock.

As the ship approached, the crew lined the decks, and as they looked toward the Monument, a sign delivering the message "Charlestown Welcomes CG-52, **USS Bunker Hill** and Crew" was in sight, draped on the side of Building 197 in the Navy Yard.

Besides the Charlestown delegation, military and National Park Services personnel, the Navy ROTC from West Roxbury High School, representatives from Ingalls Shipbuilding in Pascagoula who built the vessel, former Navy persons, families of crew members, along with a brass ensemble — were all on hand to greet the **USS Bunker Hill**.

Those gathered watched as the harbor tugs guided the ship towards the Navy Yard, and when the vessel was positioned across Pier 4 and Pier 5, the tugs pushed **USS Bunker Hill** sideways to the docks — the bow at Pier 5 and the stern at Pier 4. National Park Services personnel then secured the ropes from the ship and positioned the gangway.

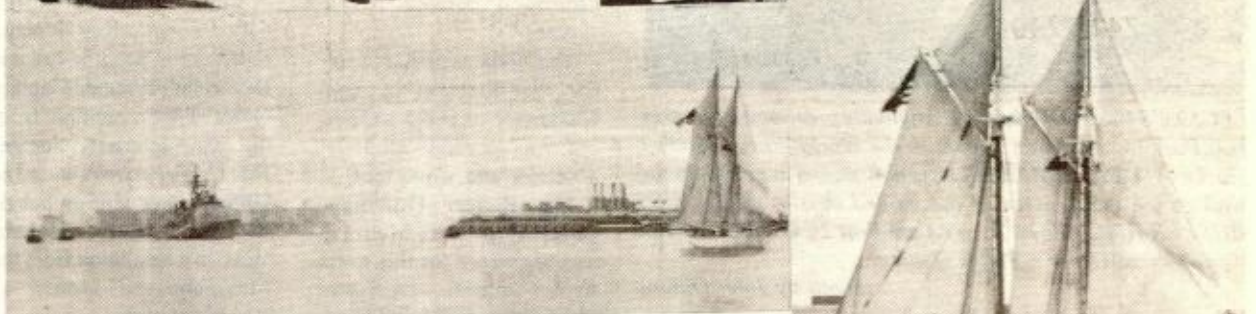

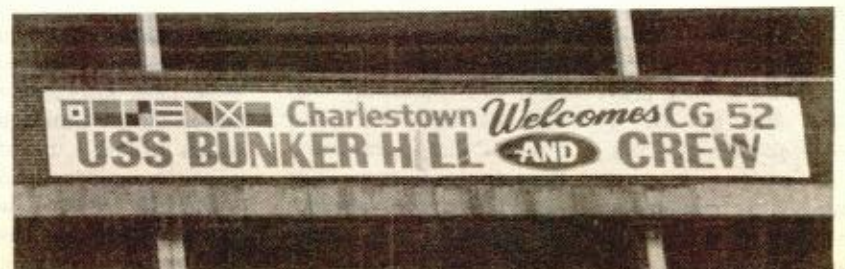

During this procedure, there was much handwaving and greetings from the shore as families of the crew and local residents spotted familiar faces on board the ship.

Each of the Charlestown residents wore a "I Love **USS Bunker Hill**" button and soon crew members were sporting "I Love Townies" buttons — thus linking the bond of affection and pride, with the town having the distinct honor or hosting the commissioning of this ship and the crew bringing her to this area, so rich in history, and being the first crew to man this new

Bunker Hill.

Immediately after the **USS Bunker Hill** was secured at the piers, Captain Quast invited the Charlestown Welcoming Committee on board the ship. Commander Robert L. Gillen, USN (Retired), Chairman of the Welcoming

Committee, led the residents and guests to the Ward Room for a presentation to Captain Quast and the crew from Mayor Raymond L. Flynn. The framed citation related the significance of the Battle of Bunker Hill on June 17, 1775 as it noted the importance of this new ship and declared Monday, September 15th as "Charlestown Welcomes USS Bunker Hill Day In Boston". Making the presentation to Captain Quast, along with Commander Gillen, was Jim and Gloria Conway, Tom Cunha, Joe and Margie Kent, William "Zeke" Marsden and Kay Whelan.

Many of the committee members and other residents and guests present were afforded a tour of the ship. Among the many advanced systems on board the USS Bunker Hill is a bit of history directly related to this community — a bronze plaque that will go with the ship throughout the world.

This bronze plaque, designed by Hugh Montgomery, a deceased World War I member of Bunker Hill Post 26, American Legion and presented in 1942 by Post 26 to the original USS Bunker Hill CV-17, a World War II Essex Class aircraft carrier, is now mounted on the quarterdeck of the soon to be commissioned guided missile cruiser.

displayed at the Legion Quarters. It was then put on loan to the Bunker Hill Museum and shown there since 1975.

When Conway and his fellow members of Post 26 were made aware of the new USS Bunker Hill, it was decided that it was the most appropriate place for this historic plaque. It was then presented to Captain Quast at the Patriotic Exercises on Bunker Hill Day, June 17, 1986 and shipped to Pascagoula, Mississippi where it found its permanent home mounted on the wall of the cruiser's quarterdeck.

Commander Gillen, who had been in the Navy Yard since early Monday morning finalizing plans for the welcoming of the ship, commented that he was thrilled with the view of the ship coming into the harbor. He said that as a naval officer, he is proud of the USS Bunker Hill — and as a resident of Charlestown, he is proud of this community.

Gillen continued, "My position is unique. I know what sometimes happens when a ship visits a port. In my 30 years in the Navy, I have never seen a ship respond to a community with such as the "We Love Townies" flag so prominently on display from the ship. Also, I have never seen such an outpouring from a community. I must commend the Welcoming Committee —

as preparations were continuing for the Charlestown Welcoming Party to be held adjacent to the USS Constitution on Pier 1 that afternoon. Committee members Norita Lee, Helen Lawler, Donna Wolfe and Doctor Neil Schram, along with numerous residents, joined the rest of the committee in hosting a baked beans and franks dinner, along with liquid refreshments, and entertainment by Charlestown's own Bunker Hillbillies and the Massachusetts Maritime Band, for the ship's crew.

The sun broke through the clouds that had enveloped the area in the morning and, despite a brisk wind, the afternoon proved to be superb.

The dinner, prepared under the direction of Tom Culbertson of Seiler's Caterers, was served to all under a yellow and white tent.

The Bunker Hillbillies, directed by Bob Munstedt and organized for this event by Jim Sullivan, were a great hit. Footstomping and hand-clapping were the order of the day as the Hillbillies played and sang their repertoire and even handled some requests from the gathering.

Presentations were made to Captain Quast, officially welcoming him and the crew to Charlestown, for this was the community's day. Commander Gillen introduced Boston City Councillor Robert Travaglini, who presented a proclamation on behalf of Mayor Raymond L. Flynn and also a citation of welcome from the Boston City Council. Kay Whelan represented Senator Francis Doris and presented Captain Quast with a citation from the Massachusetts Senate. Jim Conway welcomed the USS Bunker Hill on behalf of Representative Richard Voke in a resolution from the Massachusetts House of Representatives.

Commander Gillen then read a citation, signed by "Mayor of Charlestown" Joe Crilley, naming Captain Quast and the crew of Bunker Hill "Honorary Townies".

"Charlestown Rose" Peggy Ann Brennan then came forward to greet the Captain — her presentation being a kiss on the cheek, which was met with a roar from the members of the crew.

Captain Quast responded to the presentations with thanks, stating, "I don't

have anything to give to you but a tour of the ship — I want to share this Bunker Hill with your Bunker Hill." Commander Gillen told Captain Quast that what the community would like would be for the Captain to march in next year's Bunker Hill Day Parade, to which the Captain responded, "I'll be there!"

BOSTON CITY COUNCILLOR Robert Travaglini welcomed Captain Philip Quast and the crew of USS BUNKER HILL with a proclamation on behalf of Mayor Raymond L. Development Issues Continue As Focus Of Neighborhood Council Meeting

by Marianne Martin

The question which has been dividing the community, whether or not the Charlestown Community Garden should be allowed to remain on the Boston Rede-

velopment Authority (BRA) land parcel, P-2, located at the corner of Bunker Hill and Main Streets, seems to have been settled, at least for now, as a result of a suggestion made by Charlestown

Neighborhood Council Chairman John Tobin at their Wednesday, September 10th meeting, held at the Knights of Columbus Hall, 75 West School Street.

The Neighborhood Council was given three Request for Proposals (RFPs) from the Authority in June to read and comment upon. The draft RFP for parcel P-2 stated that the developers either retain the garden in its present location, or move the garden to another 13,000 square foot site on the parcel. To those who would rather see the entire parcel be developed as affordable housing, this was not an acceptable solution, nor was the thought of moving the gardens, even on the same parcel, acceptable to the gardeners. The council deferred the garden question to their development committee who, under the chairmanship of Mike Powers, held a public hearing on the subject on August 14th.

Powers, who was commended on the hearing by Tobin and again by Don Gillis of the Mayor's Office of Neighborhood Services, told the full council that his committee did not have a recommendation on the matter. After some discussion amongst the council members as to what to do since the committee failed to answer the question, Tobin relinquished himself as the

Council Chairman, giving the chair to Vice-Chairman Tom Cunha.

Tobin passed out to the council members a copy of his proposed solution to the controversy which, he said, "is dividing the community." He told the members that the issue of the need for affordable housing is "too complicated" for residents to answer and he suggested that those developers "who pay people to answer questions like this", to "knock on the doors" and conduct the studies. "We're talking in a vacuum. We don't have the resources," he added. "Why in God's name are we trying to decide. We're saying 'no' to people and I don't think we should exclude any part of our community."

Tobin's proposed amendments drew no opposition from the other council members. Even those who confessed to having a personal bias on the subject, such as Dennis McLaughlin who favors affordable housing as opposed to gardens, admitted, "This is the most concrete thing I've seen. I strongly approve this document."

Member Steve McHugh offered another change to the RFP regarding the density factor. The RFP draft allows for 25 units of housing per acre. McHugh suggested that this wording be dropped from the RFP, allowing de-

velopers more freedom of design. Kathryn Downing, however, disagreed and she reminded council members of a community meeting held last summer in which three versions of possible density for the parcel were presented and 25 units per acre were decided upon. Rather than striking the language altogether, she suggested "fudging language such as 'approximately 25 units per acre.'"

The council voted to adopt both Tobin's proposed amendments and the "fudging language" suggested by Downing.

The second development issue discussed at the meeting dealt with the RFP draft for parcel R-87, located at the corner of Tremont and Prospect Streets. The draft was first discussed before the council at the development committee meeting held on July 21st at which the members voted on changing the wording on the drafts proposed facade materials from "red brick" to "red brick and/or wood frame". This vote was forwarded by Tobin to BRA Director Stephen Coyle. Discussion of the RFP was reopened again by the development committee when they sponsored a public hearing on September 4th regarding possible future uses for the parcel. This hearing, however, generated more questions than it did answers. Thus the committee

members voted to postpone action on the draft RFP until a later date when a representative of the BRA could be present to answer these questions.

Kathryn Downing asked Tobin what the council's position was in regards to the parcel, especially since the BRA has twice tried to advertise the parcel since September 4th, yet the development committee could not answer residential questions on the parcel.

"I was embarrassed that people asked legitimate questions and I didn't have the answers," stated Downing. "If I was an abutter and I came to a meeting and I had a question and couldn't get the information, I would blame the Neighborhood Council."

The council voted to request the BRA to hold off advertising the parcel until an informational meeting could be held with someone from the Authority present. The meeting has been scheduled for Thursday, September 18th at 7:30 p.m. at the Kent Community School.

Other committees were asked for a progress report. Moe Gillen told the council that the Human Services Committee has met and will be focusing its attention on educational and health issues.

Charlestown Records A 45% Voter Turnout In Tuesday's Primary Election

(continued from page one)
Councillor from the Sixth District. He captured 86% of the vote cast for this office in Charlestown, with his opponent, Renato Mastrocola re-

ceiving 14%.
The other contest on the Primary ballot was the Evelyn Murphy — Gerard D'Amico race for Lieutenant Governor. Murphy, who is

the Democratic nominee, received 66% locally to D'Amico's 34%.

In uncontested races, Governor Michael Dukakis received a 67% vote, Secretary of State Michael Joseph Connolly 65%, Treasurer Robert Q. Crane 58%, Senator Francis D. Doris 61%, Representative Richard A. Voke 64% and District Attorney Newman Flanagan 58%.

There were only 133 Republican ballots cast in Charlestown in this Primary Election.

Complaints were numerous from residents concerning the relocated polling sites, the elimination of names from the list of registered voters and the "shuffle" some prospective

voters received.
This is the first election in which, according to law, all polling sites had to be handicapped accessible, thus the change of Precinct One to the Life Focus Center in City Square and the relocation of Precinct Three to the Kent Community School, which also houses the voting machines for Precincts Two and Four.

Some residents of Precinct Three stated that the distance to the Kent was "too far" for them to walk and to take a bus would require two bus fares each way.

One couple who live on a street that is a precinct dividing line, reported that the husband was on a voting list in one precinct while his wife was listed in another — both

live in the same household, but each are registered to vote from a different precinct.

In other instances, it was reported that individuals, as well as whole families, who had lived at the same address for years, were totally elimi-

nated from the list of registered voters.

One poll worker summed it up, stating, "I have worked at the polls for twelve years and this, by far, was the worst election, as far as problems go, that I have ever seen!"

 - **Comedy Seminar in October** - three two-hour sessions, times to be arranged - taught by Tony V - Tuition: \$25.
 - **Music** - individual lessons in drums and percussion, times to be arranged - taught by Don Stevenson - \$8 per half hour.
- CWT is also offering Dance Classes for Children and Adults taught by Bobbie DeCarlo. For further information, please feel free to call Maureen Smith, Managing Director, at 242-3534.

THANK YOU SAINT JUDE
A.H. and B.H.

A PRAYER TO THE HOLY SPIRIT
Holy Spirit, you who made me see everything and showed me the way to reach my ideal. You who gave me the divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me. I, in this short dialogue want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desire may be. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Persons must pray the prayer three consecutive days without asking your wish. After 3rd day your wish may be granted no matter how difficult it may be. Then promise to publish this dialogue as soon as this favor is granted.

The informational meeting on the proposed development of housing on Chestnut Street on the properties owned by Bunker Hill Post 26, American Legion and developer Bruce Daniel has been postponed from September 23rd to Wednesday, October 1, 1986 at 7:00 p.m. at the Lower Hall of the American Legion on 27 Chestnut Street.

Receive Full Tuition Grants To Northeastern

Two Northeastern University students from Charlestown are among 46 freshmen receiving full-tuition, five-year grants to Northeastern through the Boston Housing Authority (BHA) Grant Program.

This is one of several Northeastern programs for the city of Boston and its residents. Announced in May 1983 by University President Kenneth G. Ryder, the program gives free education to residents of housing developments run by the Boston Housing Authority. The grant is made up of federal, state and Northeastern aid.

The Charlestown recipients are Paula J. Greatorex of Bunker Hill Street and Jacqueline McGill of O'Meara Court.

General Meeting At The Charlestown Working Theater

An open meeting will be held at the Charlestown Working Theater, 442 Bunker Hill Street on Tuesday, September 23rd at 7:30 p.m.

There are plenty of ways to get involved in the 1986/87 season, which will consist of the following shows: **Look Back In Anger** (October 16 to November 22); Young Actor's production of **Man Oh Man** (February 6 to February 22); some Edward Albee One-Acts: **Zoo Story** and **The American Dream** (March 5 to March 28); and **Danton's Death** (April 16 to May 23).

Established in 1974, the Charlestown Working Theater has a 99-seat performance space housed in an historical firebarn, which was built in 1882.

Through the support and involvement of volunteers in the community, the Charlestown Working Theater has grown from a local group of actors to a vital community cultural center and a professional non-equity Boston theater.

Charlestown Working Theater performances have received such awards as The Boston Theater Critic's Circle and **Boston Magazine's** Best of Boston. Local Boston media has praised the Charlestown Working Theater's Young Actors' program as "a place where youth can get training to become professional actors."

Right now, the Charlestown Working Theater needs help in various areas of production, including set building, publicity, house management, lighting, sound. In fact, it is only through community involvement that the Charlestown Working Theater can maintain and develop its excellent work. So come down and join us.

For further information, please call Maureen Smith at 242-3534.

Groundbreaking Ceremonies For New Park And Moderate Income Homes

Thousands Enjoy Entertainment, Tours And Foods At Harborpark Day In The Charlestown Navy Yard

Mayor Raymond L. Flynn joined thousands of Boston residents and visitors in a celebration of Harborpark Day on Sunday, September 14th which included groundbreaking ceremonies for two new parks on Boston's harborfront and the first project in the Charlestown Navy Yard offering home ownership opportunities to moderate income families.

Harborpark Day, jointly sponsored by the Boston Redevelopment Authority and the Mayor's Office of Business and Cultural Development, highlighted the city's program for increasing public access to Boston harbor and efforts to spur job growth and new housing opportunities on the waterfront.

Mayor Flynn said, "The projects we are launching today are perfect examples of what Harborpark is all about. We are adding two attractive parks, places where everyone in the city can come together to enjoy our beautiful harbor. At the same time we are taking vacant land at the Navy Yard and building homes for moderate income people on a site overlooking the harbor."

"Most of all, with the events and activities of Harborpark Day we have given a lot of people an opportunity to see what an attractive harbor we have and how more of the harborfront is now accessible to the public."

The projects begun on Harborpark Day in Charlestown

were groundbreaking by the Bricklayers and Laborers Non-profit Housing Corporation who will develop 80 townhouse units on a site that was originally designated for development by Immobiliare New England. Immobiliare is assisting in the development of the housing by transferring development rights to the Bricklayers group so that housing will be developed that is within the price range of moderate income families. The units will be sold for prices ranging from \$72,000 to \$78,000. Immobiliare has also pledged a portion of its proceeds from the sale of condominiums on adjacent Pier 7 to offset any gap in financing needed to produce units at prices affordable to moderate income families.

The Mayor also broke ground for Shipyard Park Phase III, which will be a wood-decked pedestrian promenade constructed around the perimeter of Dry Dock 2. The dry dock will be permanently flooded. Landscaping and fencing of the Phase II portion of the park will help tie together the existing Shipyard Park with the Boston National Historic Park Area, which is the location of the **USS Constitution**.

Musical entertainment was scheduled throughout the day and included the Pat Benti Band, The Cadillacs, The Tokens, and The Brooklyn Bridge.

A free shuttle service, via ferry, was provided so that

anyone attending the event was able to enjoy festivities at both the Navy Yard and the downtown Waterfront.

Children received a free balloon and a painter's cap, featuring the Harborpark logo.

Activities at the Navy Yard provided a full afternoon for visitors of all ages. Entertainment for the children included games, train rides, a small animal zoo and face painting.

There was no need to cook on Sunday, for fish and chips were served on Pier 5 under yellow and white tents, along with all the tonic anyone could ever hope to drink and for dessert there was a huge slice of a decorated cake, depicting such Boston sights as the Bunker Hill Monument, Old North Church, Faneuil Hall, as well as the Harborpark logo.

Special focus of Harborpark Day festivities was the intensive development activity underway at the Navy Yard. Developers carrying our historic rehabilitation at more than 27 buildings held an open house, at their respective projects.

The Navy Yard project now has some \$240 million in private investment underway. It is anticipated that the development, when completed, will contain over one million square feet of office space and 100,000 square feet of retail space. The Navy Yard will eventually provide more than 5,000 permanent jobs and have a population of 10,000 people.

Charlestown Town Team Closes Out Season — Looks Forward To Next Year

by Dan O'Neil

Ho-hum, so the Town Team lost their final game of the season. So what? No big deal, they were not expected to win anyway. One thing the team did accomplish this year: they proved the skeptics wrong. At first the skeptics said the team could not get into the Eastern Football League (EFL). Well, we did get into the league, thanks to John Houlihan who relentlessly pursued the League's officials for the team's entry, and then went into his own pocket for the franchise fee. Ok, Ok, so you got into

the league, but you will never field a team and even if you do there isn't any interest in football in Charlestown, the skeptics shouted. The "Townies" did field a team and played very well. I might add, for their first year in the EFL and we learned quite a bit. No interest in football in Charlestown? I must have been going to the wrong park. The people that were going to the Lieutenant Michael P. Quinn Athletic Facility, with all of those smiling faces, were from Charlestown; at least I think they

were. Hey, wait a minute, my father went to all the home games and I know he is from Charlestown; and, by the way, most of the spectators had "Townie's Forever" buttons on, now that I think of it. A lot of people think we are called "Townies" because of the Battle of Bunker Hill, when a British soldier fighting in the trenches may have said, "These bloody 'Townies' — you fight them and you win but they beat the hell out of you." This could be true, but I thought it was because of the great football

teams the town has put together, after all we dominated the Park League for years. Being a "Townie" must be important to a lot of kids in the town; they all wear sweat shirts, T-shirts, hats, you name it and it has "Townie" on it. Follow any of the youth sports' programs around the town and it is "Go 'Townies' Go". The kids all identify with being a "Townie" and "Townie" means competition. A few weeks ago, I was misquoted in another newspaper. The quote read, "If you are from Charlestown, it's number one or nothing." That is not what I said. What I did say was something I remembered from the Charlestown Boys' Club, "A winner never quits and a quitter never wins."

Commissioner Eddie Johnson Extends Registration For Senior League!

by Bernie "Scoop" Kelly

★★★ ATTENTION ★★★

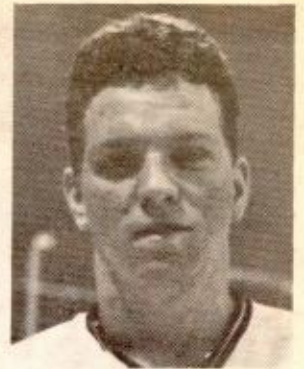

Any organized hockey players, 20 years and older, who would like to play in a super Senior (no-check) League among some highly talented high school and college stars — this is the league for you . . . ! Due to the unexpected weekend plans of most league players who failed to make last week's sign-up, Commissioner Eddie Johnson has extended the deadline for registration until Saturday, September 20, 1986, from 1:30 a.m. to 3:00 p.m. at the Knights of Columbus (lower hall) located at 75 West School Street, Charlestown. This year, the League ice fee is \$75.00, which must be paid before the Leagues' first half schedule ends. We are asking for \$25.00 at registration, to assure your participation as the season begins! We anticipate our season opener for October 15th or October 22nd, 1986, based on the schedule programed for our M.D.C. Rink in Charlestown.

Charlestown Youth Soccer Club

The Charlestown Youth Soccer Club will hold registration this Saturday, September 20, 1986, from 9:30 a.m. to 10:30 a.m. at the Charlestown High Football Field. Boys and girls, six to eight, and nine to eleven, are invited to join the expanded Soccer Club. Players from last year should come at 10:00 a.m. this Saturday, September 20. Only players moving up to the nine to eleven group will have to re-register. Come join us for sports fun now 'till November.

Jim Vesey: All-America

Jim Vesey, a 6' 3", 210 pound right wing on the Merrimack College hockey team, has been named a Titan Eastern College Division All-American following an exceptional sophomore year. Jim is a Charlestown resident who attended Christopher Columbus High School before coming to Merrimack in the fall of 1984. He was drafted in the eighth round by the Saint Louis Blues upon graduating from high school. Vesey had many accomplishments this past season, in which he became Merrimack's eighth hockey All-

JIM VESEY

American and first since Tommy Lawler in 1981. Jim is the first Merrimack sophomore to achieve All-America status.

Jim Vesey's 1985-86 All-America Season

- Led team in goals (29), assists (32) and total points (61) while playing in 32 of 33 Merrimack games. Jim's assist and point totals are new Merrimack sophomore single-season records. (Former marks held by Mickey Rego - 29 assists in 1970-80 and All-America Mike Reynolds - 57 points in 1973-74.)
- Elected to the ECAC East all-star team as a forward.
- Named ECAC forward of the week twice, once on January 5, 1986 and the second time on January 12, 1986.
- Named most valuable player of the Merrimack Thanksgiving Tournament.
- Named Merrimack College team MVP for 1985-86 season.
- Named all-tournament forward at Merrimack's Bud Light Blue-Gold Classic.
- His 1.9 points per game scoring average ranks him among the top 20 scorers in the nation, according to the (Division I) College Hockey Statistics Bureau.
- Led team in game-winning goals (5) and power play goals (11), in addition to plus/minus rankings (plus-26).
- New England Hockey Writers' all-star.

Jim also had a productive rookie year for the Warriors in 1984-85 when he played right wing. He led the club in goals that season with 19, and was second on the club scoring list with 19-11-30 stats in 33 games. He was named Merrimack's rookie of the year.

Columbus Football Friars Home Opener On Saturday

by Bob DeCristoforo

Preseason Camp, scrimmages, jamborees, practice sessions are all behind them now. Come Saturday afternoon, its all for real. The 1986 School Football Season gets underway as the Christopher Columbus Friars open the season in a 1:15 p.m. game on Saturday, September 20th against Archbishop Williams of Braintree. A large crowd is expected at Hormel Stadium in Medford to see what Coach Joe Marani calls "a much improved Friar Team." The team will be led on the field by Captains Dan Toscano of the North End, and Stephen Doran and Steve Shalno, both of Dorchester. Charlestown players on the Columbus Football Team include: James "Jimmy" Donovan, a junior; Martin "Chumma" Kane, a junior; Shayne Noone, a senior; Kevin "O'D" O'Donnell, a junior; Martin "Marty" O'Brien, a junior; Mark Tuttle, a sophomore; and Richard "Burky" Burke, a senior.

Boston Super Bowl Tournament Set

Mayor Raymond L. Flynn and the City of Boston have begun formulating a very competitive and exciting program called "Super Bowl 86".

Spokesman for Mayor Flynn, Brian Wallace, stated, "Over the past ten or twelve years we have witnessed an increasing number of flag football leagues spring up each fall, in Boston. Most of these leagues cater to men 18 years of age or over and all are very competitive as well as being well co-ordinated. Each of these leagues, although indistinct from each other, share one common thread — each feels that they are the best in Boston. We think that it is time to find out exactly just who is right."

Wallace went on, "Therefore we will hold the First Annual Super Bowl Tournament beginning in early October. All games will be played on Saturdays. We are asking a \$50 entry fee per team. Teams will be provided with three referees per game, game jerseys, new footballs, flags and trophies.

Since there are over 100 flag football teams in Boston, organizers will be forced to limit the total number

of teams in this first tournament. This being the case, if your team is interested in participating in this City-wide tournament please call Brian Wallace at 725-3911 as soon as possible to ensure your placement into the Super Bowl. Teams will be chosen strictly on a first come first served basis. So chances are that if you make that call in late September, mostly likely your team will be shut out.

Wallace concluded, "There is an 18 and over age limit, each team will be allowed sixteen roster players and four alternate players. Certified referees will be assigned to each game and all games will be played under National Flag Football Association rules. Remember if you want to play, call 725-3911 or you just might find yourself watching from the sidelines on Super Bowl Saturday.

Halfball Tournament Registration Outside Old Charlestown High School

There is still one more day to register your team in the Thirteenth Annual World Halfball Tournament to be held for the first time at the "Wiggies", at the corner of Medford and Terminal Streets.

The final registration will take place outside the Old Charlestown High School on Monument Square on Friday, September 19th from 6:00 to 7:00 p.m. At 7:00 p.m., the draw to determine

the order of play will take place. There will be no registration allowed after the drawing.

Residents should note, however, the new location of the tournament which for the past twelve years took place outside the old high school, now luxury apartments.

The tournament will take place on Saturdays and Sundays, September 20th and 21st and September 27th and 28th.

Little League News

Little League tryouts will be held on Saturday, September 20th at 10:00 a.m. and Sunday, September 21st at noon, at the Little League Field, Ryan Park, Sullivan Square.

Please Note: This is not registration time — that will come later. When you come to the field, give your name, address and telephone number to the Little League manager, coach or Little League officer at the park. Bring only your glove — no bats or baseballs. Last year's minor leaguers will have to tryout this year.

Note!! All Little League personnel — Officers, Managers, Coaches — Please be there!

Thank you,
John Curtin

PRAYER TO THE HOLY SPIRIT

Holy Spirit, You who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evil against me and in all instances of my life. You are with me. I want in this short prayer to thank You for all things as You confirm once again that I never want to be separated from You even in spite of all material illusions. I wish to be with You in eternal glory. Thank you for your mercy towards me and mine (Say for three consecutive days - favour will be granted.) Prayer must be published.

Development Issues Continue As Focus Of Neighborhood Council Meeting

(continued from page 8) mittee, according to Jim Doherty, currently is investigating the Main and Warren Street Reconstruction Project. Gillen suggested that this committee also look into the street cleaning program recently initiated in Charlestown. According to Gillen, the city has scheduled street cleaning the day before rubbish collections for some streets. "I think it's

safe to say that everybody wants clean streets, but I'd like to see (the schedule) thought out more before the money or maybe the blood starts pouring out."

Cunha suggested that the Public Safety Committee investigate the major drug trafficking problem being experienced in Charlestown "before it gets out of hand."

As for the Housing Committee, Cunha said that they

have not met as of yet, but would be looking into three specific issues; namely, the proposal of one Wall Street homeowner to demolish his property, despite the possible damage it may cause to the adjacent three family home which shares the same support beams; second, the proposed creation of 120 apartment units in the former Nancy Sales Warehouse on Medford Street; and third, the proposal to construct a single family home on Washington Street which has generated a great deal of neighborhood concern.

The Washington Street proposal is "a hot issue", said Cunha, and the housing committee "is not going to duck it." However, he added that the concerns expressed by those who signed a

petition in opposition to the construction of the home lists concerns such as fire walls, adequate sunlight, etc. which are issues for the City of Boston Building Department and not the Charlestown Neighborhood Council.

At the end of the meeting, Tobin allowed residents to voice their concerns which they feel the council should address. One resident asked the council to look into the property on Franklin Street currently being bulldozed. Another resident asked the council to investigate the lack of notification to Charlestown on matters such as the proposal to change the zoning code in regard to parking. The third concern was about the inclusion of the Massport Piers at Moran

Terminal on the list of possible construction equipment transfer site to Deer Island by the Massachusetts Water Resources Authority. The resident told the council he feared the MWRA would "get their foot in" and use the site for possible sludge transfer at a later date.

After allowing for community input, Mel Stillman, made a motion that the council go into executive session. Since the council has yet to establish a contract with the city governing executive session, they voted in favor of this motion, thus dismissing the public.

Board of Appeal Hearings

Notice is hereby given that at 9:30 a.m. on Tuesday, September 23, 1986 a public hearing will be held by the Board of Appeal of the City of Boston in Room 801, City Hall upon the appeal of Weston Properties IV Realty Trust, Joseph Robbat, Jr., Trustee, seeking with reference to the premises at 99 Bartlett Street, Ward 2, Variance from the terms of the Boston Zoning Code (see 1956, c 665) in the following respect: Article(s) 8(8-7-8) 14(14-2) 15(15-1) 17(17-1). Change legal occupancy from two-family dwelling to three-family dwelling.

Notice is hereby given that at 10:30 a.m. on Tuesday, September 23, 1986 a public hearing will be held by the Board of Appeal of the City of Boston in Room 801, City Hall upon the appeal of Judith Brennan, seeking with reference to the premises at 28 Washington Street, Ward 2, Variance from the terms of the Boston Zoning Code (see 1956, c 665) in the following respect: Article: 14(14-1). Erect a one family dwelling.

Appointed To Constitution Bicentennial Commission

Boston Mayor Raymond L. Flynn recently named eight new members to the Boston Commission on the Bicentennial of the United States Constitution and the Bill of Rights. The new appointees will expand the earlier appointments with the creation of Committees on Military History, Special Cultural Events, Public Affairs, and History.

Announcing the members, Mayor Flynn said, "All of the new members of the City's Constitution Bicentennial effort will bring added

involvement of Boston's historical assets to the overall national celebration of the United States Constitution."

Among the new members are John J. Burchill, Superintendent, Boston National Historical Park and Commander Joseph Z. Brown, Captain of the USS Constitution, United States Navy, both residents of Charlestown.

John Burchill will be an Historical Advisor while Commander Brown will be Advisor on Military History.

Freedoms Group To Hear Report On Soviet Power

The Bay State Chapter, Freedoms Foundation announces that their Sixth Annual Installation will take place on Friday, September 26, 1986 at 7:00 p.m. at the Hull Room of Boston National Historical Park, Charlestown Navy Yard, adjacent to the U.S.S. Constitution.

The guest speaker will be Lieutenant Colonel Mark Finley, a dynamic and peppery speaker. His timely, interesting topic is, "Soviet Military Power". Finley's slam-bang style, derived from years as an executive with tabloid newspapers recently came to attention of Secretary of Defense Caspar Weinberger when Finley requested permission to make color slide copies for lectures

from a Pentagon picture-and-word report on the Soviet's arsenal. Mr. Weinberger immediately had Pentagon sources make and send a set of slides with his compliments to Boston. Being a military intelligence officer with a special mobilization designation in psychological warfare, Finley adds insights and humor in an entertaining and informative roadshow of troops and hardware beyond the Iron Curtain.

A light buffet will be served after the installation.

President Anthony Famigletti urges members to attend and support incoming President, Peter Ingeneri, and his Officers and Executive Board Members.

From the desk of

Deputy Superintendent Ronald X. Conway

Commanding Officer, Area A

Downtown, East Boston, Charlestown, Beacon Hill

FRIDAY, SEPTEMBER 5

At 11:00 p.m., Officer Bollen assigned to the A940 car, responded to Eden and Main Streets relative to a disturbance. Upon arrival, the officer found three local men drinking and when the officer tried to arrest one suspect, the suspect became violent and two other suspects attempted to rescue his prisoner. All three men were arrested and charged. Complaints were sought in Charlestown District Court.

At 11:38 p.m., Officer Whiffer assigned to the A301 car observed a motor vehicle being operated the wrong way on Corey Street. The suspect was stopped by the officer and asked to alight from the vehicle. When doing so, the suspect dropped what appeared to be a rolled cigarette (Marijuana). The suspect was arrested for possession of Marijuana. Upon search of the suspect at Area A, 34 tabs in a vial of what appeared to be valium was found.

SATURDAY, SEPTEMBER 6

At 3:00 a.m., Officer Buckley assigned to the A102 car, responded to Sullivan and Main Streets relative to a shooting. The victim was taken to the MGH for treatment of a gun shot
