ABOUT US

- - - - X

We're James & Olly, two mates from uni who both ended up in Bordeaux, South West France. When we're not building and delivering the slickest surf glamping holidays around, we lecture in Business Schools around town.

We can't wait for you to come and share this corner of the world we're both so grateful to have ended up in.

WHERE? LOCATION

The South West of France is home to the country's most loved yet uncrowded city Bordeaux, its longest beaches and did we mention, the best wine in the world. Where else would we set up shop?

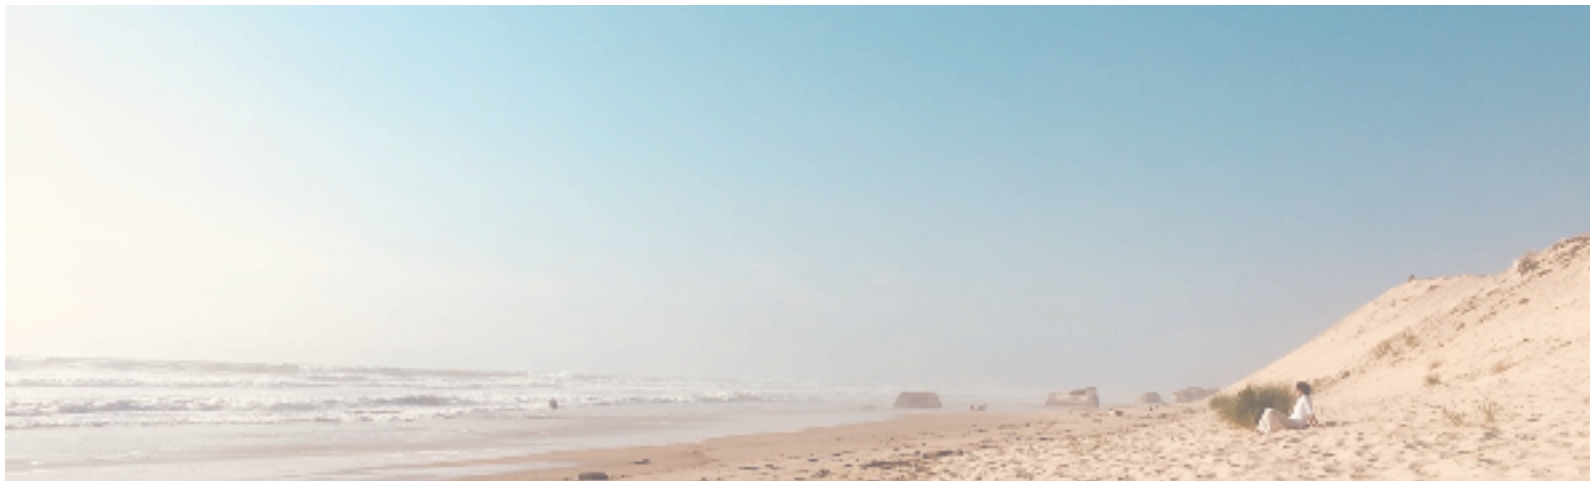

Sanctuary Surf is blessed with a unique setting between vineyards, lakes, dunes, pine forests and the ocean.

5 minutes from both Europe's best waves for surfing and France's biggest freshwater lake for Stand Up Paddle Boarding (SUP).

BEAUTIFUL BEACHES

Surfing is for everyone, even if you've never tried it before. Sanctuary Surf guarantee you will be standing by the end of your holiday if not before.

The almost endless sandy beaches stretch as far as the eye can see down to the north coast of Spain. Get involved with group lessons to improve or head out with a qualified local guide.

NEW FOR 2018

Stand Up Paddle Boarding on France's largest freshwater lake. Surrounded by dunes and pines.

EXPLORE & TRY SOMETHING NEW

In addition to surfing, we offer the following choice of activities on top of any package if you want to mix up your week away or really want to see the best our corner of France has to offer.

If you fancy giving the muscles a rest, Sanctuary Surf has plenty to offer in addition to the beach. With France's largest freshwater lake is only a 5-minutes drive away, Lonely Planet's city of the year and UNESCO heritage site Bordeaux is 1hr and we can't forget the world's most famous wine region, the Médoc on our doorstep.

ACTIVITIES & EXCURSIONS

- - - - X

YOGA

Our qualified fluent english-speaking instructor at the campsite caters to every level of yogi, from complete beginner to expert. Whether you just want to stretch off after the surf and improve flexibility, or are seeking to perfect your downward dog, book some yoga sessions during your holiday.

WINE TOURS

Le Médoc is the holiest of any wine pilgrimage to France. Being down the road from the "Route des vins", a visit to a Château to learn a thing or two and enjoy a tasting is a must. Having grown up in the area, James has winemaker friends who are more than happy to share their secrets and a few glasses.

STAND UP PADDLE

Want to take it easy and somewhere to chill? France's largest freshwater lake is less than 10 mins from Sanctuary Surf. Here you can try Stand Up Paddle boarding (SUP), the perfect complementary activity to surfing on the sea. Lessons can be arranged or you can simply rent the board and start paddling.

HORSE-RIDING

We're proud to announce our partnership with the local Médoc Polo club owned by Jerome who happens to be half-English. The stables are located a short drive away (15 minutes) and are ideal for your riding fix as we can organise a trot through pine forests or sunset gallop on the beach.

BORDEAUX CITY VISIT

Bordeaux has something for everyone and is perfect for a day trip. Lonely planet City of 2017 and UNESCO world heritage city, Bordeaux is known as 'Le Petit Paris'. Get lost in the old quarter's winding streets, chill out quayside and practise your French at one of hundreds of bistros, bars and cafés.

COOKING LESSON

Take back something home something a little different to a bottle of wine. Learn a new recipe to impress friends straight from the source with James in the Sanctuary Surf kitchen. Shadow the chef in action as he goes through the process of making a classic French inspired dish.
