Question: 4

DRAG DROP

You need to integrate the new Bookings app and the Butler chatbot.

Which four actions should you perform in sequence? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order.

Actions

- On the page where you want Butler to be used, paste the embed code of the new Bookings app.
- From the Channels settings of Butler, copy the secret key and embed code for the Skype for Business channel.
- Exchange the secret for a token by connecting to <https://directline.botframework.com/api/tokens>.
- From the Channels settings of Butler, retrieve the secret key and embed code for the Web Chat channel.
- Replace `s=YOUR_SECRET_HERE` with `t=` followed by the token.
- Exchange the secret for a token by connecting to <https://webchat.botframework.com/api/tokens>.

Answer Area

Four empty text boxes for the answer.

Answer:

From the Channels settings of Butler, retrieve the secret key and embed code for the Web Chat channel.

On the page where you want Butler to be used, paste the embed code of the new Bookings app

Exchange the secret for a token by connecting to <https://webchat.botframework.com/api/tokens>.

Replace `s=YOUR_SECRET_HERE` with `t=` followed by the token.
