## Common Law Grand Jury Rules

**ENFORCED JUDICIAL ORDER:** All current sheriffs will be removed from the proceeding (lombardo, et. all) and replaced by Continental sheriffs only, returning plenary jurisdiction to the common united states. This is now ordered before any trial begins.

### APPLICABLE LAW

The government must accept the Magna Carta as common law if pleaded as such.

Source: Confirmatio Cartarum, Article 1 [www.1215.org/lawnotes/lawnotes/cartarum.htm](http://www.1215.org/lawnotes/lawnotes/cartarum.htm)

Basic requirements and procedures for a common law grand jury:

Source: Magna Carta, Articles 52 & 61

[www.1215.org/lawnotes/lawnotes/magna.htm#52](http://www.1215.org/lawnotes/lawnotes/magna.htm#52) [www.1215.org/lawnotes/lawnotes/magna.htm#61](http://www.1215.org/lawnotes/lawnotes/magna.htm#61)

### HOW CONSTITUTED

Grand jury members must be elected by the [people](#) (not citizens) of the jurisdiction in which they are operating.

There are no rules defining a procedure for how they are elected. The people, without the influence of government, decide for themselves how the grand jury members are elected. There must be 25 members.

### QUALIFICATIONS

The members must be "people" of the jurisdiction and not "citizens" of the jurisdiction.

For example, they must be "People of the United States," or "People of California," or "People of the State of California"; not "citizen of the United States," nor "citizen of California," nor "citizen of the State of California." [www.1215.org/lawnotes/lawnotes/pvc.htm](http://www.1215.org/lawnotes/lawnotes/pvc.htm) <http://www.1215.org/lawnotes/lawnotes/sovrein.htm>

Each member must be sworn in and promise to observe all of these rules and, so far as within his power, cause all the rules to be observed.

### QUORUM

When the grand jury meets, if any are absent after being summoned, then those present constitute a quorum.

All decisions of grand jury are decided by majority vote of members present.

If any member dies or leaves the country, or in any other way is prevented from carrying out the grand jury's decisions, the remaining grand jurors shall choose another to fill his place and he shall likewise be sworn in.

### FINALITY OF DECISIONS

No decision of a grand jury is reviewable in any court of the government.

## JURISDICTION

Any government transgression against anyone in any respect

Any government breaking of articles of peace or security

Any dispute regarding anyone who has been diseased or removed, by the government without a legal sentence of his peers, from his lands, castles, liberties or lawful right.

## PROCEDURE I

Dispute Settlement

If the grand jury is informed of any dispute regarding anyone who has been disseized or removed (by the government without a legal sentence of his peers) from his lands, castles, liberties or lawful right, then the dispute shall be settled by the grand jury.

## PROCEDURE II

Enforcement

Four of the members must be shown that because of the government,

A. A transgression has occurred against any one in any respect, or

B. Some one of the articles of peace or security has been broken

The four members must show to the government the government's error.

The four members must ask the government to amend that error without delay.

If the government does not amend the error within 40 days after being shown the error, then the four members shall refer the matter to the remainder of the grand jury.

The grand jury may distrain and oppress the government in every way in their power, namely, by taking the homes, lands, possessions, and any way else they can until amends shall have been made according to the sole judgment of the grand jury.

## LIMITATION OF POWERS

The grand jury may not imprison or execute any government personnel or their children.

## PUBLIC SUPPORT

Anyone (people or citizen) who chooses to help enforce the grand jury decision must first swear that he will obey the mandates of the grand jury, and that with them to the extent of his power he will impose the grand jury's decisions upon the government.

The authority to support the grand jury is pre-authorized by the government.

If anyone refuses to support a grand jury decision, the government will force him to swear his support of the grand jury.

## LIMITATIONS ON GOVERNMENT

The government is **prohibited** from doing anything to diminish the effect of the grand jury.

If the government does prohibit or diminish the effectiveness of the grand jury, it shall be vain and invalid and may not be used in any later proceeding by the government or anyone else.

## TERMINATION OF ENFORCEMENT

When all issues are settled to the satisfaction of the grand jury, things shall return to normal as they were before. No grudges.

## BACKGROUND

When the colonies separated from England, King John retaliated by revoking the charters. Technically, the colonies were without any legal authority to operate. However, civics (the branch of political philosophy concerned with individual rights) was generally taught and known by the people who asserted their rights and maintained order by applying the common law. The people united in the form of common law grand juries and continued the functioning of government.

As the legislatures matured they slowly increased governmental power while simultaneously reducing personal sovereign power. This was done through a combination of passing pro-government legislation and reducing or eliminating education about civics. Today, two and a quarter centuries later, hardly anyone even knows the meaning of the word, "civics."

The common law grand jury is now dormant only because of the public ignorance of its powers that supersede all other government entities, including the modern statutorily defined grand jury. Awakenning the grand jury will not be graciously accepted by the government.

A strategy is needed to reintroduce this fundamental protection against tyranny and injustice.

### STEP 1 - ESTABLISH LEGITIMACY

The first step is to get public acceptance. Every dictator in history understood the power of the people and cultivated their support either through enticements or threats. Reactivating the grand jury concept will go through four traditional stages: denial, ridicule, violent opposition, then self-evident acceptance.

Theoretically, the grand jury can meet anywhere, anytime. But that is hardly good image. One way to get public acceptance and minimize denial, ridicule, and violent opposition, is to hold the grand jury sessions in the public court house. The foreman could apply to a court administrator for use of one of the rooms in the public courthouse. If it is refused, then the court administrator should, under common law procedures, be sued for his dereliction of duty.

The grand jury should follow normal protocol. In other words, if the grand jury begins a process on its own, the resulting accusation is called a *presentment*. If a prosecutor originates a process, then the jury returns to the prosecutor an *indictment* (also called a "true bill") on acceptance, or a "no bill" on denial. [Note: be careful with your words. wrong words may result in inaction! If you call the presentment an indictment, the prosecutor may feel no obligation because he did not initiate the process!]

### STEP 2 - GAIN PUBLIC ACCEPTANCE

The second step is to start small. The grand jury could take on issues which anyone can easily see should be prosecuted. As public acceptance increases, the grand jury can enlarge its field of inquiry. The grand jury should have a strong public relations program for this step.

### STEP 3 - TAKE ON LARGER PROJECTS

The third step is to take on grander objectives. If the first two steps are well executed, then this step will be the easiest. With both legitimacy and acceptance established the grand jury can make itself felt.

See [United States v. Williams](#), 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352 (1992) for a discussion of separation of powers of government and grand jury.

Thank you very much to Bill Thornton;

**MEMORANDUM AND ORDER FOR FORMAL PROSECUTION OF CONSPIRACY TO CONCEAL SALE OF URANIUM**

Hon. [REDACTED]

December 2, 2017

The allegations in relation to various accused parties including

**ANDREW MCCABE** are serious enough to warrant a separate superseding

Indictment, delivered upon several interim court rooms of record.

The accused parties most of all, also hold a position of law enforcement  
accountability which makes their offenses even more egregious by context.

As duly noticed and placed upon the record when it comes to FCPA, located in: *Writt v. Shell Oil Co. 409 S.W.3d 59*

[http://www.chamberlitigation.com/sites/default/files/cases/files/2014/U.S.%20Chamber%20Amicus%20Brief%20-%20Shell%20v.%20Writt%20\(Texas%20Supreme%20Court\).pdf](http://www.chamberlitigation.com/sites/default/files/cases/files/2014/U.S.%20Chamber%20Amicus%20Brief%20-%20Shell%20v.%20Writt%20(Texas%20Supreme%20Court).pdf)

We will remind your honors to note, that when it comes to the conspiracy  
charge of 15 U.S.C. §78dd-3 we need only prove that it is "reasonable" to conclude  
the deals conducted were illegal and benefit a foreign interest. In addition,  
we must prove that it can be concluded this was done in return for something  
of value which will easily be surpassed given the preponderance of evidence.  
These parties were sworn to protect and defend against any enemy, be  
this foreign or domestic and as such their failure to exercise judgment  
in their duties carries severe wide-reaching implications. Given most  
of the responsibilities fell upon **MCCABE**, we will most gratefully start

right here at the top. In this, we see little issue with charging **ANDREW MCCABE** with multiple felony offenses of **15 U.S.C. §78dd-3**. In this respect, **MCCABE** not only covered for what is revealed to be an illegal sale involving foreign parties including **RUSSIA**, he also attempted to delete evidence after the fact to make it appear he was not an accessory to the crime.

In this regard, we thus see no issues at all with charging **MCCABE** with violating **§96** more than three separate times. The sentence carries a penalty of up to ten years in prison, we will round that out to five given **MCCABE** also broke the law in concert with **STRZOK**. On top of this, we will issue an order to the various juries that they indict **MCCABE** for more severe criminal offenses. In addition, he as well as **STRZOK** will be taken into custody by the marshals and other attached military units who will keep him under high alert watch.

[How they decide to deal with **MCCABE** and **STRZOK** in regards to federal sentencing will be strictly up to them, life in prison is not outside possible verdicts.]

His sentence will thus be adjusted to nearly ten years, or longer depending mainly on what the national high courts decide particularly Pennsylvania's plenary jurisdiction for employees placed on public pensions. As well, there will be a large amount of evidence that must be subpoenaed for jurors and the public. This will pertain to both **MCCABE's** obvious treason as it concerns **URANIUM ONE**, as well as his cover-up of the obvious assaults on **ROBYN GRITZ** and senior FBI agents who worked directly with **MICHAEL FLYNN**. Likewise, he will be stripped of ever receiving a job again given the nature of his actions. In regards to where he violated both **15 U.S.C §78dd-3** and **§78dd-2** of the national security protocols, this is to be peer reviewed.

## INTRODUCTION

The severity of the offenses cannot be understated. For when trust in law Enforcement is lost, that is the time government fails. As we know from the pages of history, it is exceedingly rare when such treason is witnessed. Now from what we directly can acknowledge, **ANDREW MCCABE** and **JAMES RYBICKI** Deliberately went out of their way to conceal the truth about URANIUM ONE. The evidence is quite glaring and publicly damning. We can also see how their efforts were coordinated your honor, to conduct a conspiracy that even included silencing whistleblowers like **ROBYN GRITZ** or **MICHAEL FLYNN**.

In fact, it can be no accident that these individuals suffered the most punishment under Director **MCCABE**. As revealed by eye-witness testimony, transcripts confirm that it was in fact **MCCABE** and **PETER STRZOK** who did all of the interviews with **MICHAEL FLYNN** as well as **ROBYN GRITZ**. This in addition to other whistleblowers who have since come forward, that name **MCCABE** directly as being most responsible at the bureau for these many failures of oversight. **COMEY** who is likewise guilty, is not to share the same level of repercussions that **MCCABE** and his accomplices will no doubt share. This is not to avail **COMEY** of his responsibilities, but rather to put severity of these circumstances into full context with the crime.

Count 1] We hereby charge **ANDREW MCCABE** in both his public and private capacity as McCabe, with directly breaking **U.S.C. 18 Code 96** and **U.S.C. 15 §78dd-2** in respect to his investigative duty with URANIUM ONE. **MCCABE** allowed personal feelings to get in the way of his job description and due to these serious issues, did not conduct proper oversight of **CLINTON** related crimes.

He likewise did not look ahead at bigger problems. The Las Vegas shooting was a foiled attempt to cover his tracks, only making the end result worse. As such, a prison sentence of approximately ten years is instituted due to the nature of the offense and harm to national interests. **MCCABE** was clearly aware something was very wrong even if he had little knowledge of **PODESTA's** possible treason offenses, which we agree seems unlikely yet still remains plausible. Nevertheless evidence shows a high level of conspiracy related action and as such we're asking for larger penalties. The severe damage on crops, land and even water deposits cannot be understated at all.

Count 2] We hereby charge **MCCABE** with breaking the racketeering act *18 U.S.C. §2381* by violating *§96*. Since URANIUM ONE was hardly a routine investigation, the biggest problems tied to this fiasco will illustrate for your honors why such punishment is warranted. Treason carries serious penalties, and anyone who knowingly chooses for unknown reasons to be a party to that action knows full well the penalties that arise from these choices. In this case, we also point to below evidence.

**MCCABE** allowed personal favors from **CLINTON FOUNDATION** to cloud judgment, and took pay offs which are now proven to have negative impact upon america's national interests for many years. He also proceeded to not follow the laws of the united states and put someone known to deceive in charge of that investigation: **PETER STRZOK** of the EU. In regards to this situation, **STRZOK** was a known problem going back years with his ties to old Soviet states.

Had director **MCCABE** been thinking rationally, such a position would never have fallen to **STRZOK**. Likewise, the evidence dictates that it was actually agent **STRZOK** who directly changed the charging language for the **CLINTON** e-mail investigation to protect parties he knew in a personal manner.

This as your honors will note is an act of treason and violation of 15 U.S.C. §78dd-3, when done in the obvious commission of personal favors. That will defer to the military to decide on these grave implications. The below evidence further validates why such sentencing is called for.

**Esquenazi v. United States, WLF Amicus, p. 11, Id App. 20**

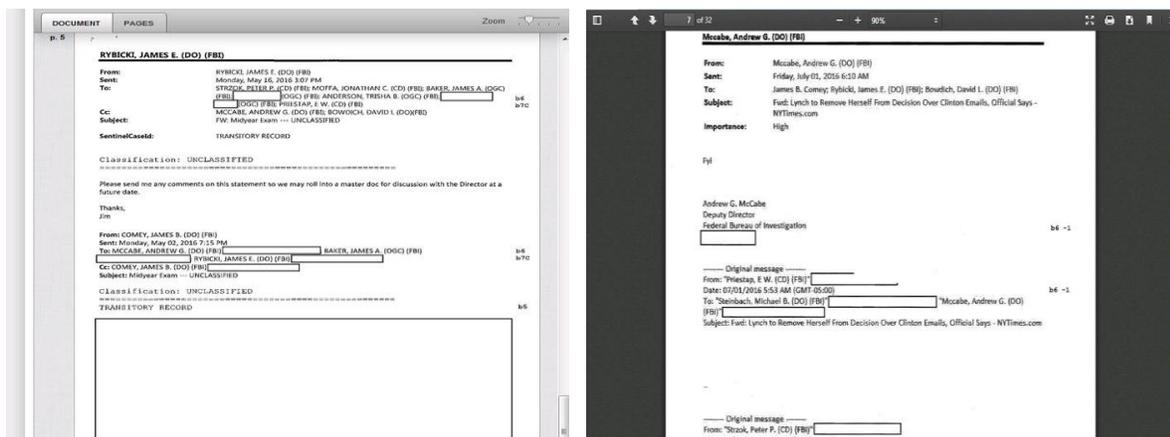

*“and whether the Haitian government owned a majority of Haiti Teleco’s shares. Pet. App. 24. The jury convicted Petitioners on all counts, including one count of conspiracy to violate the FCPA and seven counts alleging specific payments made in violation of the FCPA. Petitioner Esquenazi was sentenced to 15 years’ imprisonment; Petitioner Rodriguez was sentenced to seven years.”*  
<http://www.wlf.org/upload/litigation/briefs/Esquenaziv.UnitedStates-WLFAmicus.pdf>

We can see by examining the evidence here, that **MCCABE** and **STRZOK** certainly met this threshold in respect to their actions. It can also be asserted they failed to register under the required **FARA Act**, which in itself is a penalty adjunct.

As also found in, **Writt v. Shell Oil Co. 409 S.W.3d 59 (Tex. App.—Houston [1st Dist.] 2013)**.

[http://www.chamberlitigation.com/sites/default/files/cases/files/2014/U.S.%20Chamber%20Amicus%20Brief%20--%20Shell%20v.%20Writt%20\(Texas%20Supreme%20Court\).pdf](http://www.chamberlitigation.com/sites/default/files/cases/files/2014/U.S.%20Chamber%20Amicus%20Brief%20--%20Shell%20v.%20Writt%20(Texas%20Supreme%20Court).pdf)

One may not break the **Foreign Corrupt Practices Act** (FCPA) and later claim they did not do so. Nothing will avail them of that official responsibility your honors. We thus request the defendant’s passport will now be seized. In addition, there are key items which must be examined on the whole. Specifically, why did **MCCABE** cover for **PODESTA**.

Of course, there was clearly something rotten in the investigation. You don't get involved so far into a foreign affairs network, and not discover at least several rotten apples at its core. We can of course conclusively prove your honor, that **MCCABE** accepted various bribes directly from the **CLINTON FOUNDATION**. As well, he setup the position for **PETER STRZOK** who is now being charged for offenses.

"In documents it released on Monday, the FBI confirmed that former FBI Director James Comey drafted a statement about the conclusion of the Hillary Clinton email investigation months before interviewing Clinton. The records [show](#) that on May 2, 2016, **Comey emailed Deputy Director Andrew McCabe, general counsel James Baker and chief of staff and senior counselor James Rybicki**. The subject of the email was "midyear exam," and though the email says its contents are unclassified, the body of the email is redacted in the release. On Monday, the bureau also released a response to the May 2 email. Rybicki sent the response, dated May 16, 2016, to several colleagues: **Peter Strzok, Jonathan Moffa, Baker, Trisha Anderson and E.W. Priestap**. He copied McCabe and David Bowdich, the associate deputy director. In the email, which is marked "unclassified," Rybicki wrote, "Please send me any comments on this statement so we may roll into a master doc for discussion with the Director at a future date. Thanks, Jim."

"The FBI titled the release "Drafts of Director Comey's July 5, 2016 Statement Regarding Email Server Investigation." That title refers to a press conference Comey held in which he said the bureau had completed its investigation into Clinton's use of a personal email system and that it would not be recommending that the Department of Justice pursue charges, though Clinton had been "careless." The bureau interviewed Clinton on July 2, 2016. I think that it could be expected that both the FBI and the prosecutors that they're working with are beginning to draft a statement of facts that could be used later, as the case is developing," he said. "I think the content of the statement is going to be important. Did it purport to essentially acquit her actions way prematurely, or was it simply a running statement of what they knew?"

<http://www.newsweek.com/james-comey-fbi-clinton-emails-drafted-statement-686140>

<https://aclj.org/government-corruption/aclj-forces-fbi-to-release-comeys-draft-memo-made-months-before-public-exoneration-of-clinton>

It certainly did not require much conspiracy effort, other than a few emails to set the plot in motion. We do have hard evidence that **COMEY** as well as **E.W. PRIESTAP** allowed this to continue with **MCCABE**, even though it was obvious he was committing crimes.

As your honors do note, ignorance of the law is never an excuse.

**E.W. PRIESTAP** and **STRZOK** were the two main agents who interviewed **MIKE FLYNN** in the presence of senior **MCCABE** aide **TRISHA ANDERSON**, which is no surprise. **JAMES RYBICKI** headed all of this up on orders of **ANDREW MCCABE**. All of them were in collusion and we can show here, knowingly subverted justice by drafting a statement of exoneration months prior to the investigation's end.

Your honor, the offense carries a penalty of up to ten years in prison for each criminal act, particularly in the case of **STRZOK**. **PETER STRZOK** was likewise aware the URANIUM scandal was a national crisis as it concerns our farms and rivers. He was involved with the **CLINTONS** several years ago when URANIUM even first received mention. We are seeking a twelve year stiffened sentence for **STRZOK**, following along national sentencing guidelines. Accordingly, they are each being charged with obstruction of justice.

**OFFICE OF THE INSPECTOR GENERAL**  
U.S. Department of Justice

(202) 514-3435 | oig.justice.gov

FOR IMMEDIATE RELEASE  
January 12, 2017

**DOJ OIG Announces Initiation of Review**

Department of Justice Inspector General Michael E. Horowitz announced today that, in response to requests from numerous Chairmen and Ranking Members of Congressional oversight committees, various organizations, and members of the public, the Office of the Inspector General (OIG) will initiate a review of allegations regarding certain actions by the Department of Justice (Department) and the Federal Bureau of Investigation (FBI) in advance of the 2016 election. Cognizant of the scope of the OIG's jurisdiction under Section 8E of the Inspector General Act, the review will examine the following issues:

- Allegations that Department or FBI policies or procedures were not followed in connection with, or in actions leading up to or related to, the FBI Director's public announcement on July 5, 2016, and the Director's letters to Congress on October 28 and November 6, 2016, and that certain underlying investigative decisions were based on improper considerations;
- Allegations that the FBI Deputy Director should have been recused from participating in certain investigative matters;
- Allegations that the Department's Assistant Attorney General for Legislative Affairs improperly disclosed non-public information to the Clinton campaign and/or should have been recused from participating in certain matters;
- Allegations that Department and FBI employees improperly disclosed non-public information; and
- Allegations that decisions regarding the timing of the FBI's release of certain Freedom of Information Act (FOIA) documents on October 30 and November 3, 2016, and the use of a Twitter account to publicize same, were influenced by improper considerations.

The review will not substitute the OIG's judgment for the judgments made by the FBI or the Department regarding the substantive merits of investigative or prosecutive decisions. Finally, if circumstances warrant, the OIG will consider including other issues that may arise during the course of the review.

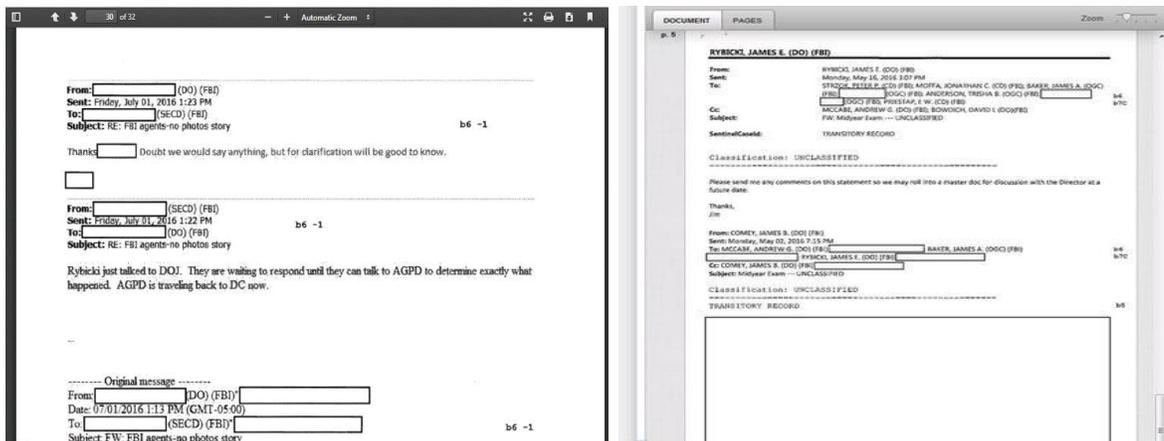

'FBI agent **Peter Strzok** was one of two FBI agents who interviewed Flynn, which took place on Jan. 24, at the White House, said several sources. The other FBI special agent, who interviewed Flynn, is described by sources as a field supervisor in the "Russian Squad, at the FBI's Washington Field Office," according to a former intelligence official, with knowledge of the interview.

...  
The former official also said that "Strzok's allegiance to (Deputy Director Andrew) McCabe was unwavering and very well known."  
<https://www.redstate.com/streiff/2017/12/04/youll-never-guess-name-fbi-agent-interviewed-mike-flynn/>  
<https://conservativeexplorer.wordpress.com/2017/07/19/band-of-brothers-or-harbingers-of-doom-muellers-team-enigma/>

The sentence carries a penalty of five years in prison and applies to **MCCABE's** direct accomplices. **JIM COMEY** for any of his illegal actions, is sentenced for violating 15 U.S.C §78dd-1. The offense carries one year in prison following federal sentencing guidelines with additional probation submitted to sanction **COMEY** for breaking §78dd-3. **COMEY** was not breaking laws except to keep his pension, so leniency is sought as usual.

We will note now that we are left with no choice, except to bring a list of criminal offenses against **TRISHA ANDERSON**.

Count 1] We hereby charge **TRISHA ANDERSON** with the criminal offense of **15 U.S.C. §78dd-3**, in order to cover up **MCCABE's** inexcusable crimes. She will receive a sentence of up to five years in prison. **MCCABE** who coerced people into this and was fired, needs to be put away for a long time. The evidence below is highly disappointing.

These agents conducted the interviews for nearly all of the **CLINTON** aides, who we charge as accessories. We now have absolute evidence your honors that **JAMES RYBICKI** was involved prior to 2016, in the investigation in which the **CLINTON** aides were interviewed. When **CHERYL MILLS**, **HUMA ABEDIN** and others were interviewed during the investigation, **PETER STRZOK**, **E.W. PRIESTAP** and **JAMES RYBICKI** were all present in some form. They each were working to ensnare **MIKE FLYNN**, who has been doing his best to expose the URANIUM related crime for seven years. And if we take the following evidence to its conclusion, we can see that when the aides lied under

oath and broke the law several times - they were not charged with a crime by **PETER STRZOK** or **ANDREW MCCABE** even after committing perjury on record your honors. Which to say the least is a huge obvious oversight.

Count 2] We hereby charge **TRISHA ANDERSON** with the offense of perjury and obstruction of justice under 18 U.S.C. § 241 with regards to URANIUM ONE. This is a serious offense which our jurors do not hand out lightly.

<https://www.justice.gov/usam/criminal-resource-manual-1739-offenses-related-obstruction-justice-offenses%20%20>

**ANDERSON** and **E.W. PRIESTAP** were present at several meetings with **CLINTON** aides, allowing them to commit perjury and obstruct justice in course. Since **ANDERSON** is already going to jail we offer a sentence of five years probation for the obstruction charge, and an additional two year sentence. Your honors will note, this is a serious national crime now discussed. As such they are being held to answer each offense now passed to the juries.

#### **Additional Evidence Makes and Drives the Point Home, in lieu of this:**

'In fact, we are meeting in the next 24 hours to discuss exactly that,' McCabe continued. 'We have a great number of folks who have already been detailed to that team.'

<https://comicvine.gamespot.com/forums/off-topic-5/donald-trump-general-discussion-thread-1716309/?page=205#js-message-19523331>

<http://www.dailymail.co.uk/news/article-4630138/Mueller-great-number-FBI-agents-helping-probe.html>

<https://www.billoreilly.com/blog?action=blogArchive&rss=true&categoryID=25>

Count 1] Next, we directly charge **PETER STRZOK** with obstruction of justice under 18 U.S.C. § 241. We sentence him to six years for this offense. As it was commissioned in the direct act of attaining favors from other foreign interests, we likewise enforce for additional penalties. He will have to surrender his passport and report to prison with **MCCABE**. In light of these terrible revelations the purge will also take down **RYBICKI**, who was assisting **STRZOK** to carry out quid quo pro deals.

Count 2] We next are compelled to of course charge **STRZOK**, who was a ringleader in this operation with breaking *15 U.S.C. §78dd-3* twice with no thought to consequences if **MCCABE** was caught. He went out of his way to directly change the charging language during the **CLINTON** investigation's conclusion which is serious. This offense carries a stiffer sentence. We assert an additional seven year prison sentence for **STRZOK** in both public and private. Your honors, we admonish him for the negative climate brought to the rest of the bureau. We also admonish his actions in respect to what they will mean for **MCCABE**, given the severity of offenses.

**MCCABE: I think morale has always been good, however we had — there were folks within our agency who were frustrated with the outcome of the Hillary Clinton case and some of those folks were very vocal about that — those concerns.**

OK, maybe that doesn't fully contradict his "broad and deep" testimony, but it sure takes the edge off of it.

<https://kenhoma.wordpress.com/2017/05/12/nyt-acting-f-b-i-director-mccabe-contradicts-white-house/#more-31909>

Count 1] We hereby now charge **ANDREW MCCABE** with the on-record offense of violating *15 U.S.C. §78dd-2* and engaging in a terrible crime to actively hide files from the masses with respect to URANIUM ONE, and several various deals from none other than **CLINTON**. He allowed **STRZOK** to influence his judgment and did not examine the case from either a clear place or with any discernment. He engaged in deals with **JOHN PODESTA** behind closed doors that clouded his mind. As such, he knew that his actions were highly criminal in nature and helped to orchestrate a conspiracy. In doing such, he vacated any type of respect his office held particularly in regards to the Las Vegas incidents. The prison sentence being sought is for up to ten years in a facility, not too unlike **STRZOK**. We also demand monitoring. Although it is tough to admit, **MCCABE** was aware what he did has harmed the FBI's entire work force for many years to come. He rationalizes his crime through pride.

There can be no rationale that ever excuses treason, your honor.

Count 2] Even though **MCCABE** has been stripped of all rank the damage to the bureau is already done. We hereby charge **ANDREW MCCABE** with the offense of *18 U.S.C. § 241*, which was carried out to the detriment of the national interest. **MCCABE** was aware that **HUMA ABEDIN** had committed treason, yet felt he could ignore that and rationalize it for the sake of personal expediency of status. In this way, he put his own selfish interests ahead of the national interests which is now being fiercely corrected given the severe implications. URANIUM ONE will have a real impact on people's lives for many years to come, and as such we have little choice except to reign in all the abuses with swift resolve. He committed obstruction of justice and in so doing harmed the nation's own infrastructure with no thought of the consequences. Likewise, he attempted to make it be about **CLINTON** by claiming their accusers are evil when in fact, **MCCABE** should have been taking a good look in a mirror this entire time. He violated protocols to assist in something that is set to harm national interests for decades to come.

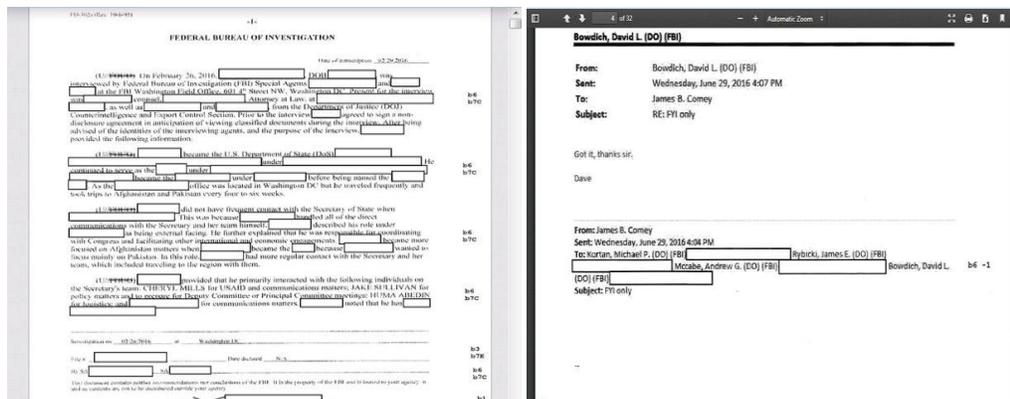

For this reason alone, along with violating all civil rights of **ROBYN GRITZ** and other co-workers on a routine basis: he has crossed the line. We take note of each of the offenses and call for four more years of probation, and a separate investigation to be done in regards to what occurred with **GRITZ** and her associate **MICHAEL FLYNN**.

[

Count 1] We next charge **E.W. PRIESTAP** with breaking **18 U.S.C. § 241** twice in regards to obstruction of justice. We assert that **PRIESTAP** was fully aware the entire time; that his entrapment of **FLYNN** was against the law. Count 2] We also charge **E.W. PRIESTAP** with breaking **15 U.S.C. § 78dd-3**, with regards to the conspiracy charge. It is astonishing and evident the offenses he went on to commit while on assignment. It is a 10 year sentence.

<https://americatestnews.com/fbi-makes-big-announcement-clinton-email-case/>

Count 1] We likewise, with respect to **PRIESTAP** have little choice except to charge **JAMES RYBICKI** for being involved. Thus we bring offenses against **RYBICKI** of breaking **15 U.S.C. § 78dd-2**, in several places for conspiring with **MCCABE** to hide the crime. It was known full well it would blow up nationwide. They deleted emails and as such the jury will have to sign criminal offenses on all involved. The conspiracy in question concerned URANIUM ONE, and **RYBICKI** knew going in what that would mean for america's interests. A ten year sentence is sought. At the time he no doubt felt it would not ever be caught, yet it was finally discovered.

In addition your honor, we ask particular attention be paid to the damages incurred on the nation as a result of these issues. It cannot ever be stressed enough, that the affair has had lasting impact upon rural america and their ability to sleep without concern.

'One intelligence official said that agents are more determined than ever to pursue probes into the alleged Russian interference in the presidential election and that Trump had "essentially declared war on a lot of people at the FBI. I think there will be a concerted effort to respond over time in kind." Separately, Trump will meet with **Acting Director Andrew McCabe** today to discuss the morale at the FBI.' <https://www.cnn.com/2017/05/11/trump-planning-visit-to-fbi-headquarters-after-comey-firing-spokesperson.html>

"Finally, the latest member of the MTE which has apparently grown to over 25 members and support staff since it began though many of those names haven't been released is **Peter Strzok**, a leading member of the FBI Clinton Email investigation which looked into Hillary's private email server and found "that Clinton exchanged nearly two-dozen top secret emails from her private server in 2011 and 2012 with her deputy chief of staff, Jacob Sullivan, her chief of staff, Cheryl Mills, and Deputy Secretary of State William Burns. The State Department said the contents of the 22 emails were so highly classified that not even the subject matter could be disclosed." He also apparently was a part of the initial Russian probe after the Clinton Email investigation closed down, making him only the second official link to the rest of the government's Russian investigations to be added to the team, and the first are directly tied to an investigation of Hillary Clinton. **The important question is why does a team assembled under the mandate to investigate foreign influence in the 2016 elections seem to be less of a panel of election law experts and more of a legal hit team assembled to tear to pieces an international crime ring stuffed to the brim with expertise in financial, corruption, terrorism, and white collar crimes?"**

Fine. One more. He's been pardoned because he's elbow deep w/ Clinton's, Obama and both "establishment" parties. He ran a lot of back door channels w/ lots of missing money to account for (personal money too) that he'd never avoid serving time for, if ever investigated. He was trapped a long time ago, like so many, against his will. His vengeance has been earned and his pardon is retribution to decades of corruption. Trump was VERY CAREFUL who he selected to pull from the Obama trenches.

Mueller being the one to bring this home is the absolute best retaliatory ass fuck to the establishment. I will also say this, it's intended as a sign and smoke signal for those in the establishment, still unwillingly riding the coat tails of McCain, Pelosi, Graham, Schumer, etc. because they're living in fear. Mueller proves Trump know who the real criminals are. You're going to watch congress unite and rally behind Teump with the establishment's collapse because they will see the swamp can't threaten them or blackmail anymore. I really can't say anything else. Just have faith.

And now we have absolute proof that these exact same agents interviewed **MICHAEL FLYNN**, who was in fact charged with the crime of perjury twice by the FBI. However, since **PETER STRZOK**

and **ANDREW MCCABE** broke the law by refusing to charge **MILLS** and **ABEDIN** for lying to investigators; we concur they are each guilty of breaking **78dd-3** the conspiracy charge. That is a very serious offense, and certainly only the start of each of the crimes committed we assert your honors. They are also guilty of obstruction. Count 1] We hereby charge **MELISSA HODGMAN** of the SEC with none other than obstruction of justice when it came to covering for **STRZOK**. Clearly by breaking **15 U.S.C. 78dd-3** she was aware of the severe level of consequences. As a long running scam-artist at local BAR chapter, she was most assured her actions wouldn't be traced. Yet they were your honors, on ample occasions. And we hereby instruct state jurors to find her guilty of the offense. A sentence of up to ten years in prison is sought. [The military will likewise explore options.]

*"DANIEL ZINMAN told the federal judge in court filings "The SEC's repetition of the same, slim, conclusory set of allegations against Mr. Uchimoto five times only highlights how tissue-thin the allegations are, and bare repetition cannot give rise to an inference that Mr. Uchimoto acted with scienter." Judge Kevin Castel agreed and got the SEC staff's dumb fat asses handed to them. "MELISSA HODGMAN and her SEC cronies just made up a case against Mr. Uchimoto for personal gains," JON KIBBE, a Richards, Kibbe & Orbe partner praised Judge Castel's ruling. "Melissa Hodgman is a disgrace for the SEC, a place where fewer people have come to respect." <https://www.theblot.com/melissa-hodgman-sec-enforcement-lawyer-job-promotion-asian-scalps-william-uchimoto-7761572> <http://www.washingtonexaminer.com/lawsuit-did-hillarys-secret-email-damage-national-security/article/2618011> <http://www.judicialwatch.org/wp-content/uploads/2016/08/JW-v-State-Abedin-production-9-00684-2.pdf>*

Count 2] We then charge **MELISSA HODGMAN** in both capacities, with breaking 18U.S.C.§241 which is the official obstruction of justice offense. It carries a maximum sentence of up to fifteen years in prison. For this offense, we seek a minimum of ten years in prison for **HODGMAN** given her close collusion with **PETER STRZOK**. Given the reality of the public outcry we see no other option other than no probation.

Moving forward your honor, we see little recourse but to charge **JOHN PODESTA** this time in respect to his conspiring with various agents including **ANDREW MCCABE**. He likewise stands guilty with **BAKER**.

Count 1] We hereby bring the offense of possible breach of Section 793, where it concerns national security interests. In regards to this issue, we charge **JOHN PODESTA** with violating *15 U.S.C. §78dd-2* plus a second offense when it comes to breaking *18 U.S.C §793* as it pertains to any *"transmission or handling of national documents."*

*"Meanwhile, Section 793 of federal law states that "gross negligence" with respect to the handling of national defense documents is punishable by a fine and up to 10 years in prison ...so you can see why that might present a problem for Hillary.*

"Whoever, being entrusted with or having lawful possession or control of any document, writing, code book, signal book, sketch, photograph, photographic negative, blueprint, plan, map, model, instrument, appliance, note, or information, relating to the national defense." Unfortunately, The Hill's sources couldn't confirm the most important detail behind this bombshell new revelation, namely who made the call to the change the language... The sources, who spoke only on condition of anonymity because they were not authorized to speak to the media, said the memos show that at least three top FBI officials were involved in helping Comey fashion and edit the statement, including Deputy Director Andrew McCabe, General Counsel James Baker and Chief of Staff Jim Rybicki." [http://softpanorama.info/Skeptics/Political\\_skeptic/Neocons/Hillary/hillary\\_clinton\\_email\\_scandal.shtml](http://softpanorama.info/Skeptics/Political_skeptic/Neocons/Hillary/hillary_clinton_email_scandal.shtml)

Unfortunately, unlike in the matter with respect to **CLINTON** we can fully verify on record that **PODESTA** was cognizant his actions were in breach of section 793. And in the commission of such felony based offenses on record, he is afforded no such excuse. Thereby, we also enforce another sentence of eight years on top of prior crimes. In this respect, **JOHN PODESTA** and even **TONY PODESTA** likely will not ever be leaving the prison site except by execution. [Military are now tasked to further decide proper penalties by flipping accomplices against them.]

Then your honors, we see little recourse except to bring some of the heaviest offenses against **JAMES BAKER** for direct participation with **ANDREW MCCABE**. He was certainly highly aware each of his actions were treason, as well as how that would appear. In this respect we admonish all of his actions and seek the heaviest penalties for each one.

Count 1] **JAMES BAKER III** is hereby charged under military law, with enacting a conspiracy to cause national harm.

He is hereby accused on the record of conspiring with **MCCABE** and agent **PETER STRZOK**, by deliberately violating *15 U.S.C. §78dd-3* on more than four instances. He deliberately engaged in outright fraud and collusion to carry out and cover his illegal actions in the URANIUM ONE affair. He sought to insulate **CLINTON** and likewise it seems obstructed justice on multiple occasions.

Count 2] Finally we hereby charge **JAMES BAKER III** with the obvious penalty offense of *18 U.S.C. § 241* for obstruction of justice, as afforded under military rules. He is ordered to surrender his passport and will be sentenced for up to fifteen years. If he relents we likewise order the military to execute the target. [Military and militia are now instructed to explore all options for the scope of serious offenses, including life in prison or public lethal injection.]

Moving forward, we likewise have little choice except to charge **ANDREW WEISMANN** with obstruction of justice and the conspiracy offense to subvert justice.

Count 1] We hereby assert that **WEISMANN** violated **15 U.S.C. §78dd-2** twice. Your honors, **ANDREW WEISMANN** who is working with **ROB MUELLER** was also caught engaging in illegal quid pro deals with **SALLY YATES**. We assert that **YATES** was ostensibly aware of how this would look to the media particularly after having just been fired by the administration. Therefore, we see little recourse except to charge **WEISMANN** with violation of several capital laws against self-enrichment; in this case **WEISMANN** clearly broke **18 U.S.C §2381** as well as the Hatch Act. We assert a sentence of five years in prison.

We hereby based upon evidence, accuse **WEISMANN** of being directly involved in each of the criminal acts. He is also accused based on the below, of engaging in favors for foreign interests to also include his involvement with **ANDREW MCCABE**. Full penalties are sought.

<https://70news.wordpress.com/2017/10/20/dirty-muellers-lead-prosecutor-andrew-weissmann-has-history-of-prosecutorial-misconduct-courts-reversing-convictions-terror-tactics/>

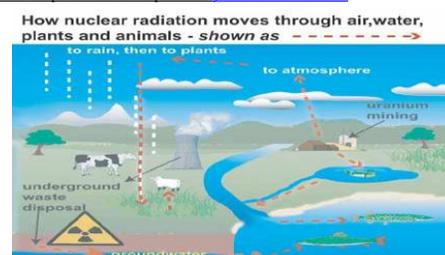

Count 1] Finally your honors, we charge **JIM COMEY** in respect to covering up the URANIUM ONE fiasco and not firing **MCCABE**. Indeed, in respect to his position he could have terminated **MCCABE**'s services early rather than kowtowing the media's lies. In his position, perhaps he may have been better off. Instead a one year sentence plus probation is sought for the offense.

There is no middle ground when it comes to treason. It cannot ever be underestimated just how heinous this crime is, and COMEY opted to join the wrong side. As such he became complicit in an egregious violation of the very health of america's own soil. URANIUM should never be mined wherever you choose to build a mine for any purported purpose. It is not only dangerous, it costs America their very national security in respect to the substantial poisons spread through the air and soil.

URANIUM ONE concerns national interests, which today stand damaged for decades to come thanks to permitting unsanctioned use. In addition it can be asserted that various URANIUM isotopes being dispersed is a direct threat to national security, per annual federal guidelines. Today in society, there are people who will not be able to recover from cancer due to the foolish actions of **COMEY**. The circus of **MCCABE** and the rest ends now, as america has to clean their mess up.
