Local Youngsters Celebrate Halloween With March Around The Monument

LOCAL YOUNGSTERS pause in their Halloween March Around the Monument — an event that has become a tradition in the community. Sponsored by the Charlestown Association of Parents, the march was led by a contingent from the "USS Constitution." The rain and wind of Halloween night failed to deter the hearty marchers who look forward to the event. (photo by John Dillon)

Travaglini, Flynn And O'Neil Top Ticket On Election Day In Charlestown

Eight years have passed since Raymond L. Flynn first sought the office of Mayor of Boston. In 1983, 79 percent of the registered voters in Ward Two, Charlestown went to the polls on election day. There was a 44 percent voter turnout in Charlestown in 1987 as Flynn ran for re-election. In Tuesday's Municipal Election, that vote dropped once again — this time to 42 percent. It appears as though the percentage of voters going out to the polls is dropping as the number of registered voters in the ward increases.

Although the percentage in Charlestown was slightly above the citywide average, it is low for this traditionally politically active area. The unofficial tally listed 3,390 of the total of 8,069 registered voters in

this community as going out to the polls.

Mayor Flynn captured over 69 percent of the Charlestown vote, with 31 per-

50 percent tally. Incumbent Christopher Iannella logged 41 percent of the vote, followed closely by incumbent Rosaria Salerno with

cent going to his challenger Ed Doherty. The figure for Flynn represents an increase of over 12 percentage points in this community from four years ago.

Incumbent City Councillor Albert L. "Dapper" O'Neil topped the slate for At-Large City Council in Charlestown and citywide. Dapper received 66 percent of the Charlestown vote for the at-large seat. He was followed by former Boston School Committee President John A. Nucci with a

37 percent.

Newcomer to the City Council race Peggy Davis-Mullen, who finished out of the money, landed a 39 percent vote here in Charlestown. Francis Costello, in his first time out, garnered 31 percent of the Ward Two vote.

Incumbent District One City Councillor Robert Travaglini was re-elected to a fifth term, tallying 75 percent of the vote cast in Charlestown for that office.

Aquarium Suspends Plans For Charlestown Facility

by Kathy Giordano

New England Aquarium trustees voted unanimously on Nov. 4 to actively continue expansion efforts at their Central Wharf location and suspend planning for a new facility in the Charlestown Navy Yard. News of the vote shocked both community advocates who fought to bring the aquarium to Charlestown and the hierarchy of the Boston Redevelopment Authority (BRA).

An aquarium committee, consisting of trustees associated with construction and real estate businesses, reviewed the proposed \$100 million project for Pier II, Dry Dock 5 in the Charlestown Navy Yard over the past four months. After analyzing the current value of

the downtown location, they found its sale would no longer produce the financial backing needed to construct the new facility, according to John Prescott, executive director of the aquarium. Additional resources from a major capital fund drive would not be considered a realistic option due to current economic conditions, he said.

BRA Director of Economic Development Paul Barrett said that the BRA was disappointed that the aquarium did not give them a chance to address the trustees before the vote was taken. "We are confident that the money can be found from federal and state sources" to make up the gap between what the Central Wharf property might

have realized in the 1980s real estate market compared to the price tag it would realize today.

Barrett stated: "Anyone involved in planning a new aquarium is disappointed that the Charlestown option has been put on hold. At the request of Charlestown community leaders and following discussions with a number of aquarium trustees, the city has agreed to spend the next four to six months systematically evaluating all possible sources of federal and state assistance for this deserving project. Significant assistance of this kind will be necessary to make the Charlestown project happen."

Barrett will head the committee of city and commercial (continued on page 9)

Charlestown Heights/Doherty Park To Be Topic At CPS Meeting

There will be a general meeting of the Charlestown Preservation Society at 7:30 p.m. on Monday, Nov. 18, at the Bunker Hill Health Center, 73 High St. All interested residents of Charlestown are welcome. A slide show will center around the history of Doherty Park, which was previously known as Charlestown Heights, and a general discussion of a proposed rejuvenation of the back slope will follow.

In 1891 the entire parcel of land, consisting of the playground and the slope below it, was selected and designed by the well-known landscape architect Frederick Law Olmsted. Other Olmsted neighborhood parks planned for the city of Boston at the same time

were the Fenway, Franklin Park and the West End, now Storrow Drive/Embankment Road. The parks are known today as Boston's "Emerald Necklace." Work began on Charlestown Heights in 1891 and was completed in 1895. Since 1991 is the 100th anniversary of the Park's conception, it is hoped that the grounds of the back slope, badly overgrown and in disrepair, will be re-established as a "livable" park for all to enjoy as our own jewel.

Everyone is encouraged to participate with ideas and questions. It will be fun looking at the Park's Victorian history together.

Refreshments will be served.

GETTING PREQUALIFIED FOR A LOAN

Many lenders help prospective buyers to get pre-qualified for a mortgage loan before they begin a serious house-hunting effort. You sit down with a loan officer, give all of the information about your assets, income and debt, and they can tell you how much of a mortgage you will be able to get under the various loan plans being offered. For a nominal fee, they will do a credit check. If there are any problems with your credit rating, you and the lender can work together to straighten things out.

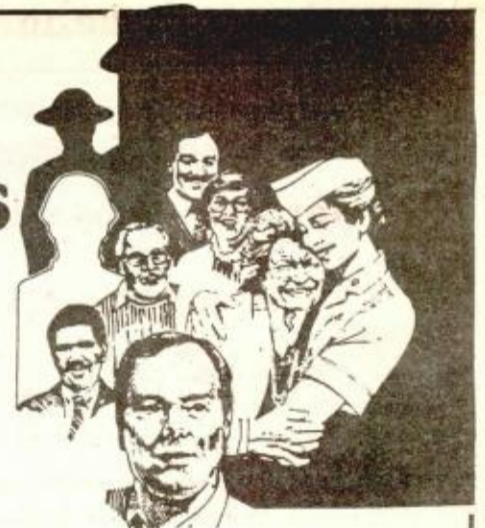

If your lender prequalifies you, it makes you much more attractive to the seller when you do find a home. If you are competing with other buyers, it will be helpful if you have included with your offer a letter from your lender showing you've already begun the loan application process and appear to be qualified to buy the house. It will also save you and your Realtor a lot of time by eliminating from consideration homes you would not be able to afford.

Monument Properties is happy to serve all of your real estate needs. If you are planning a move, call us at 241-5900, or stop by our offices at 85 Warren St., Charlestown.

★ **CANA Update** — During the week of Nov. 11, a new traffic pattern will be established in City Square, according to Stephen Collins, community liaison for the Central Artery/Tunnel project. This new pattern will allow for the removal of the temporary bridge at Gray Street so that the north section of the tunnels can be completed.

Collins stated that the next phase of the project will be the construction of Chelsea Street. At that time, Front Street will be closed to allow for the construction of Water Street/Constitution Drive and the extension of Warren Street.

Pedestrians and motorists are advised to be alert to changes in the traffic, following the signs which will be posted in the area.

Collins will present details of the new traffic pattern at the CNC Public Safety/Police Community Relations meeting on Tuesday, Nov. 12 at 7 p.m. at the Kent Community School, 50 Bunker Hill St. He also will address the issues of detail police officers and pedestrian safety in City Square.

Ed Barr, Central Artery North Area coordinator, stated: "Due to citizen concern, the level of detail police will remain the same at City Square. Placement of police," he continued, "will be evaluated and adjusted as necessary with pedestrian safety being the utmost concern."

★ **Fire At CANA Site** — At approximately 11:06 p.m. on Monday, Nov. 4, the Boston Fire Department was called to the CANA site for a fire in a construction trailer within the tunnel. Lt. Richard Powers, public information officer with the BFD, reported that the main problem the department had in fighting the fire was access to the trailer which was located some 200 feet inside the tunnel. Firefighters had to back the engines down a steep grade and cut through a metal fence in order to reach the trailer.

According to Bill Rogers, resident engineer with the CANA project, the trailer, which he termed a storage box used by the P/K/A Construction Co., contained tools and construction supplies. He said that he was called to the site when the fire erupted and stayed on the scene until the all-out at 1:07 a.m. It was also reported that magnesium was burning in the trailer which Rogers attributed to the tool casings.

The fire, which resulted in an estimated \$50,000 in damage, was reportedly the act

of vandals.

Presentations were made to the Student Council members by State Sen. Thomas Birmingham, City Councillor Robert Travaglini and Judy Evers, community liaison from

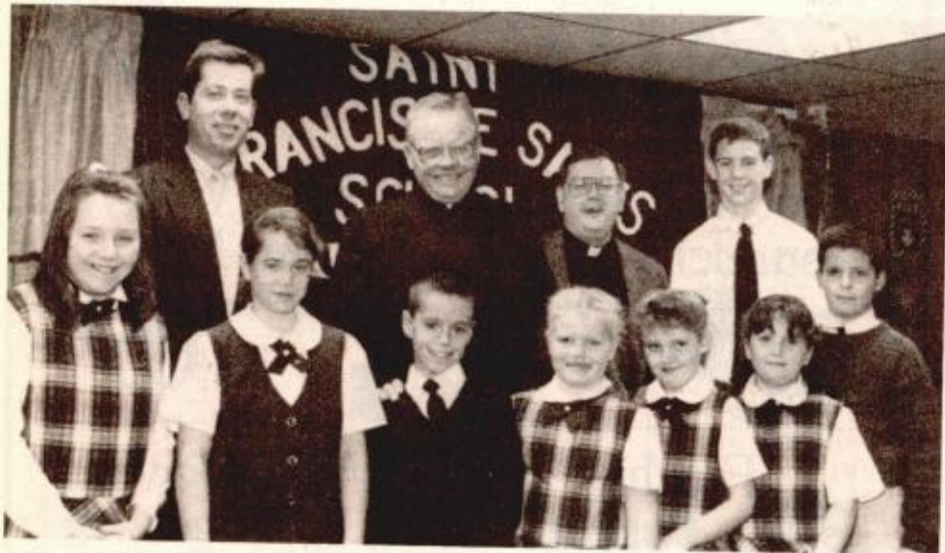

the Mayor's Office of Neighborhood Services, on behalf of Mayor Raymond L. Flynn. Before the installation ceremony concluded Flynn arrived to greet the newly elected Student Council, to wish them well and to thank them for their interest in their school.

We would also like to thank Barbara Burke, chief probation officer of the Charlestown District Court and Judge Agnes' grandmother for attending our installation ceremony. A thank you must also be extended to Mark Harrington, faculty advisor to the Student Council; to Francis Kirk for videotaping the installation and to the faculty and staff of the school and parish for their cooperation in this installation. • Walk-A-Thon . . . The school benefit Walk-A-Thon was held on Oct. 20. This year the walk went through Charlestown since the Head of the Charles Regatta was at the Esplanade. Approximately 200 students, priests, faculty, parents, relatives and parishioners walked for the benefit of the school. We thank all those who walked, those who sponsored walkers and those who assisted us with the benefit walk. We are grateful to Michael Tognarelli, Anthony Larfarello and the General Suburban Aid System, the Boston Police Department, **The Charlestown Patriot**, Francis Kirk and a special thank you to City Councillor Robert Travaglini who donated the first prize and the Mayor's Liaison Judy Evers who donated the third prize and also walked with us. Thank you all for your cooperation with this school fund-raiser.

• Fund-Raiser Dances . . . The Jubilee 100 Alumni Committee held two reunion fund-raiser dances that were very, very successful. The two dances brought together many, many members of the alumni of the school

and at the same time raised needed funds to successfully celebrate Jubilee 100 during this Centennial Year of St. Francis de Sales School. The second dance was a sell out — 300 alumni gathered to retell stories of their years at the school. Thank you to the Alumni Committee for their hard work. Presentations were made to Renee Monteith, school secretary, and Joan Rae, parish secretary, by the Alumni Committee for their help.

• Brochure Fund-Raiser . . . The students are sponsoring a Brochure Fund Raiser. The students will be taking orders on a variety of items such as cookies, cheese, sausage, vegetable dip, wrapping paper, gift tags, bows, peanuts and assorted gift items. We appreciate all that you have done with our previous fund raisers, and we hope that you will support this school fund raiser.

• Annual Haunted House . . . The annual Haunted House was held after the 4 p.m. Mass on Halloween at the school. The eighth-grade students participated in this Haunted House and everybody had a fun time.

• YOUNG AND FIT! . . . The first- and second-grade students recently participated in a program designed to increase their knowledge about healthy foods and proper dental care. This nutrition and dental program was supported by Sister Rosemary, Mrs. O'Shea and Sister Catherine, and presented by the school nurse Linda Zani. With Halloween fast approaching, it was important for children to be aware of healthy snacks and to brush and floss regularly. It is also important for parents to be aware of the need for good nutrition and proper care of the teeth.

• SPECIAL FOODS IS SPECIAL! . . . Once monthly, the entire student body (184) assembles for lunch! This year, due to a great influx of students at the school, two seatings are necessary. Differences are put aside, pizza is enjoyed, cares are minimized — the spirit of St. Catherine is felt! Our next Special Foods Day is scheduled for Nov. 14. Students are thankful to those who supply the pizza, parents who pay for the pizza, and those who serve the pizza!

• INSPIRED TO TEACH! . . . Here at St. Catherine, two members of the faculty are also members of the Alumni of St. Catherine! Mrs. Woods, kindergarten teacher, and Miss Goggin, grade-three teacher, are graduates. Of itself, this is interesting, yet, on a given day, two substitutes were: Christine Boyle and Christine Harrington, both graduates. On the same day, Cheryl Lyman, a junior at St. Clement who volunteers on

Wednesday and Thursday, was also in school. She also is a graduate!!!

• SERVING OUR SCHOOL! . . . The school's Consultative Board is now in its second year of service. The following new members were welcomed at the first meeting: Kathleen Reid, Margaret Buckley and Patti Gallarelli. Persons returning for a second year of service are: Debbie Brennan, Joan Daniels, Jackie Fabiano, Rosemarie Keane, Sheila Burns, Susan Cannizzaro and Mary Rizzo. With input from these dedicated persons, we continue to work together to improve the quality of education here at the school.

• PROFESSIONALLY . . . On Oct. 18, teachers from the school joined with teachers from other catholic schools in the city of Boston for a Professional Day at St. Brigid School, South Boston. Noted educational speakers were invited and addressed the assembly on the topics of school law and management. Helene McNamara, principal of St. Brigid School coordinated a most productive day.

• KNIGHTS OF THE ALTAR . . . Three students from grade five have recently joined with others and are now Altar Servers at St. Catherine. We commend these boys for their zeal and sense of dedication. They are: Neal Boyle, Christopher Hayes and Jeflee Hermida!

• 1992-1993 . . . Currently registrations are being taken at the school office during the day for all grades. In some cases, there are very few openings. For parents who wish, please come by and visit with a guided tour by one of our students!

Here at St. Catherine, students learn respect, love, compassion and hope for themselves and the world around them. The positive learning atmosphere here encourages children to want to keep on learning!!

Scouting Around . . .

by Kathy Duggan
On Oct. 18, the Cub Scouts of Charlestown attended the Haunted Woods of Camp Sayre in Milton. The boys received a colorful Halloween patch for attending, and were treated to a snack after their trip through the woods. A frightfully fun time was had

by all. We would like to thank Dave Winnett for assisting us with transportation.

On Oct. 26, the first annual Raingutter Regatta was held. The boys built and decorated sail boats and raced them in 10-foot raingutter "canals." First

place went to Jonathan Castro, second place to Jason Winnett and the third-place winner was James Kissane. Everyone who participated was given a blue ribbon and our three top winners were awarded trophies. We thank everyone who helped us in what we hope will be a yearly

event. Special thanks go out to Scout spouse Gerry Duggan, without whose planning input and woodworking expertise this event would not have been possible.

Scouting For Food is an annual Scout event. Cub and Boy Scouts collect non-perishable food for the needy as a Good Turn Pro-

ject. On Saturday, Nov. 9, from 9 a.m. to 6 p.m. the Cub Scouts of Charlestown will be at Johnnie's Foodmaster accepting donations. Please help us to help others.

The Cub and Boy Scouts of Charlestown will be having a Christmas Bazaar this

month. See next week's **Patriot** for further details. Anyone wishing to donate items for our tables can contact Kathy Duggan at 241-9283 for Cub Scouts or Denise Colby at 242-2711 for Boy Scouts. Any help you can give us will be deeply appreciated by our boys.

Aquarium Suspends Plans For Charlestown Facility

(continued from page one) munity leaders who will take on the task of searching for the means to keep the option open for the aquarium to come to Charlestown. "We don't want this vision of a state-of-the-art facility to become a casualty of the regional recession," he said.

Dennis McLaughlin, chairman of the Charlestown Neighborhood Council, stated: "I am very disappointed in the trustees' decision. Although I understand the aquarium's financial situation, I think the community and aquarium supporters might have been more informed on the aquarium's impending decision. Many people in the com-

munity extended a lot of energy being supportive of the project."

McLaughlin added: "Although it seems a long shot at best, I encourage a search for federal and state assistance in hopes that this project would ultimately be a realization. I hope that the aquarium would meet with those in the community who have shown their support for the new facility in the Navy Yard to address what possible solutions could be realized to keep the hope alive."

Prescott agreed with McLaughlin, stating: "I think that's a wonderful idea. First, we must sit down with the city and the BRA and then I don't have any

problem with coming to speak to the community.

"We are very dependent on the value of our Central Wharf property," Prescott said. "It will consist of half of our construction costs. We are being realistic by stopping the process and taking a look at our future here (at Central Wharf) and at our alternatives."

Barrett stated that BRA Director Stephen Coyle has been in contact with federal and state officials in pursuit of the needed financial assistance, and he plans to meet with Prescott and aquarium trustees in the immediate future. He stated: "They (the aquarium representatives) were not aware that these people were approachable for funds. We hope there's a way to put together financing to allow the process to continue."

McLaughlin concluded: "It remains to be seen what the trustees' decision does to the overall development of the Navy Yard."

DeRoeve, a senior at

Kenneth Gloss, proprietor of the nationally-known Brattle Book Shop in Boston, will speak at an open lecture sponsored by the USS Constitution Museum at 7 p.m. on Thursday, Nov. 14, at the Museum, located in the Charlestown Navy Yard, Charlestown.

Gloss' talk is entitled "Treasures in Your Attic: Old and Rare Books." "New England homes are treasure troves for old and rare books that have increased in value over the years," says Gloss, "and we're inviting those attending to bring any volumes they want to know about to the lecture for a free verbal appraisal."

The Brattle Book Shop is the successor to America's oldest continuously operating antiquarian book store. Gloss succeeded his late father, George Gloss, a well-known figure both in Boston and in national antiquarian circles.

Kenneth Gloss had worked in the store since child-

hood and elected to go into the book business rather than pursue a doctorate in chemistry. He became the sole proprietor upon his father's death several years ago.

Gloss is a member of the Antiquarian Booksellers Association of America, the New England Antiquarian Booksellers Association, the Bostonian Society and the Mass. and R.I. Antiquarian Booksellers. He serves as a member of the advisory board of the USS Constitution Museum and is a member of the advisory committee of the Boston Public Library.

Gloss will bring to the lecture several examples of interesting books, maga-

zines and ephemera from the store's private collection, such as a 1912 World Series scorecard and examples of old Life magazines. (He owns the complete set!)

Following the lecture and question-and-answer session, Gloss will give free verbal appraisals of those books and items that people bring with them or will do so at anytime at his 9 West St. emporium in Boston.

Members of the USS Constitution Museum will be admitted free; attendance by non-members will be a \$2 donation to the museum. For further information, please call the Brattle Book Shop at 1-800-447-9595.

Veterans Day 1991

One day each year Americans come together to honor all those men and women who have served their nation in uniform.

The day was born out of war — at 11 a.m. on Nov. 11, 1918, the fighting in World War I ceased with the signing of an armistice. The uneasy peace after that event was hard won by those who fought in the trenches of Europe. Since then, American service members have been sent around the world to defend liberty in large conflicts and what some people might call "brushfires." Combat is a deadly behavior, regardless of its scale, and those people who serve us and come home to rejoin the daily lives of private citizens have earned our respect, our admiration and our gratitude.

Of course, on this Veterans Day, many of us will reflect on the newest generation of veterans — the brave men and women of Operation Desert Storm. Many of our newest veterans may be our next door neighbors, our doctors, lawyers, grocery clerks and plumbers. In the American tradition of the citizen soldier, volunteer members of the Reserves and National Guard, the best and brightest, again set aside their careers and postponed their futures to answer their nation's call.

Their combat service in that far away region demonstrates that military service is not always easy, and that the unthinkable one day can become the routine of today. It is the devotion to duty we see every day that we salute on Nov. 11.

For more than a decade veterans fought to return Veterans Day to Nov. 11 from what became a convenient Monday holiday. The people who waged that campaign knew what others forgot — the day was set aside to honor those who sacrificed for their country. That is not a weekend endeavor; it is not an occasion for mattress sales; it is not a time to go to the beach. Rather, it is an appropriate time to pull back from the workday world and reflect on the sacrifices made by brave service men and women that have made America the envy of the world. It's time to say solemnly and sincerely, "Thanks."

Veterans Day activities vary from community to community, but the meaning of the day comes through no matter where you are. There can be no more appropriate way of spending a portion of this coming Monday than to reflect on the service, the sacrifice and the honor of those who have kept us free.

Neighborhood Night Lights Program Underway In Charlestown

While residents of Boston switched from Daylight Savings Time to Standard Time recently, crime watch groups switched on porch lights throughout Charlestown and other Boston neighborhoods through an innovative program sponsored by the Boston Edison Company, the Mayor's Office of Neighborhood Services, the Boston Police Department and several neighborhood groups. The "Neighborhood Night Lights" program brought energy-efficient lights to front porches across the city at no charge, helping re-

duce crime and electricity bills at the same time.

"Neighborhood Night Lights is an excellent opportunity for residents to light up their neighborhoods for safety and save money in the process," said Mayor Raymond L. Flynn at the Oct. 26 kick-off event at City Hall.

More than 250 volun-

teers gathered to sign up for the lights that were distributed throughout Boston's neighborhoods, including Charlestown. Mel Stillman, chairman of the Charlestown Neighborhood Council Public Safety Committee, was on hand to help out the program.

The crime watch volun-

teers went to City Hall for the kick off and to pick up lightbulbs that they will then distribute door-to-door to their neighbors. Program participants were asked to use the energy efficient lightbulbs as porch lights. Because they use only a fraction of the electricity of conventional bulbs, they can be kept lit much longer at less cost.

"I can't think of a better way for residents to send a message that crime will not be tolerated than to join together in lighting up their neighborhoods with their porch lights," said Police Commissioner Francis Roache. "The Night Lights program is also a great opportunity for residents to learn more about crime

watch activities."

"We are extremely pleased that our ongoing partnership with Boston Edison can have such a positive impact on our communities," Mayor Flynn added.

For more information on the program, contact Russ Lopez at the Mayor's Office of Neighborhood Services, 725-3485.

Mighty Mites

This week's youth hockey action saw the Mighty Mites of Charlestown live up to their reputation for excellent two-way play. All three Mite teams recorded impressive victories over league opponents.

The GBL Mites continue to steamroller the opposition. Sunday's victim was a Brookline sextet that fell 18-0. Townie snipers were Geoff Ferreira with four goals, Ed Kelly with three goals and Ray Ortiz and Ryan Mainey with two goals each. Single tallies were added by Jason Sousa, Mike Kelly, Brian McCreaery, Corey Hollien, Joe Wilkins, Phil O'Neill and Fred Arroyo. Jon Castro played another strong game in goal to record the shutout.

The coaches, while pleased with the club's fine start, expect their players to continue their fine effort in practice as well as at the games.

Gene Lawrence's Lancers, the youngest Mite club, proved that last week's victory was no fluke. This week the Lancers charged into Watertown and left with a 7-3 victory over a solid Watertown team.

Chuck Ciulla led the scoring parade with two goals. John Woods, Tim Brennan, Derek Garceau, Jimmy Dyer and Pat McLaughlin added single tallies.

Coach Lawrence credited

a fine performance by the defensive tandems of Moe Doe - Gene Lawrence and Kevin O'Neill - Tim Brennan for holding Watertown to three goals. He also took note of the fine two-way effort displayed by the entire team. This type of two-way effort was best displayed by Jackie Burke. Goalie Tom Smith stood tall in the nets once again.

Jack Murphy's Marauders once again emerged victorious from the weekend's action. The Marauders shutout North Reading 7-0 on Sunday morning.

John Murphy and Pat Doe with two goals each led the attack. John Jones, Mike Reid and Gueren Miller netted single goals. Coach Murphy also lauded the fine defensive work of Bob Lawrence, Rick Prince, John Wrenn, Nick Philippi and Sean Noonan. Once again, Jon Castro kept the opponents scoreless.

Pee Wee Patter

The Pee Wee As got back on the right track with a 3-0 shutout win over Canton. Mike Collins, Chris Lent and Mike MacPherson were the Townie marksmen while play-making honors went to Joe Lawler and Jim Considine. Jeremy Manning played a strong game in goal to record the shutout.

The Pee Wee Bs were not as lucky as they dropped a

Huskie Update . . .

• A Team Captures GBL Title . . .

The Everett Huskies Football A Team clinched the GBL title with an 8-6 victory over a stubborn Chelsea Panthers team. Since the earlier part of the season this meeting was being billed as THE GAME — which is exactly what it turned out to be from start to finish. The Everett A Team brought their unbeaten streak to Chelsea who themselves had lost only one game and were carrying a fine record.

The game started with Everett kicking off to Chelsea who proceeded to let the Everett team know they came to play as they drove down the field, only to be stopped by the Everett defense. This was a hard-fought contest with both defenses holding each other at bay until late in the second quarter when Chelsea opened up the scoring to go on top 6-0. The PAT was not good. The score remained as is and both defenses continued to shut-down the offense.

The second half started with a determined Everett offense led by Brian Glinner and Paul Allen who were beginning to wear down the Chelsea defense. The third quarter was scoreless, but the Everett team was beginning to gain momentum as the fourth quarter got under way. It wasn't long after that Everett began a drive which saw Glinner score on a fine

run around the left end and kick the extra point to put Everett on top 8-6. The Everett defense took over, stopping Chelsea and securing the GBL title for Everett.

Congratulations to a fine group of young football players: Anthony Moreschi, Paul Eason, Roger Surette, Shaun Berry, C.J. Farmer, Scott Sullivan, Robert MacMillan, Greg Antonelli, Jon Trombetta, Thomas Keefe, David Massa, Thomas Gould and Stephen Miele. Also, Brian Glinner, Mark (Luiso) Baker, Paul Allen, Michael Capwell, Daniel Rystrom, Lion Buendia, David McNeil, Patrick Keefe, Stephen Howard, William Getchell and Chad Matthews.

• B Team Loses Hard-Fought Contest . . .

The Everett Huskies B Team closed out their season 8-2 overall, losing a hard-fought contest with the Chelsea Panthers 20-13.

The Huskies fell behind in the first half as Chelsea scored 14 unanswered points to close the half up 14-0. The Huskies fought back in the second half with a 10-yard touchdown run by Robert DiFrummolo who had set up the score initially, intercepting a Chelsea pass. The PAT was no good, and the score was Chelsea 14, Everett 6. At this point, the momentum was with Everett as they fought hard on defense and held a strong Chelsea team.

In the fourth quarter, Everett's Anthony Nazzaro hooked up with Richie Leccese for a 35-yard touchdown strike. DiFrummolo's PAT was good, bringing Everett within one — Chelsea 14, Everett 13. Both teams remained tough on defense, disallowing either team to advance. Late in the fourth quarter, Chelsea was able to score, but the PAT was no good. Chelsea was ahead 20-13. With the fourth quarter coming to a close, Everett staged a drive which came up short as time ran out. The final score was Chelsea 20, Everett 13.

The B Team had a great season and deserve a round of applause. The team included: Richard Leccese, Anthony Nazzaro, Robert DiFrummolo, Jay Romano, Joey Lawler, Joey Paoletta,

Robert Murray, Joey Siracuse, Adam Rystrom and Justin Arsenault.

Also, Sean Getchell, Joey Brennan, Michael Denning, Derek Soper, Marc Jagiello, Larry Mulcahy, Chris Albano, Robert Yandle and Daniel Nauman.

• C Team Clinches A Tie For First . . .

The C Team ran all over Chelsea to clinch a tie for the GBL championship, 27 to 0. Art Cameron, Jim Kane and Tim Getchell helped the Huskie C Team to its third championship in a row.

• D Team Finishes With 6-3 Record . . .

The D Team beat Chelsea 13 to 0 to finish the season with a 6-3 record. Derek Surette and Justin DiFrummolo did a good job all year for the Huskie D Team.

Free Eye Health Screening For Senior Citizens

Sen. Thomas F. Birmingham announces that the Massachusetts Society of Eye Physicians and Surgeons (MSEPS) will conduct free Eye Health Screening for senior citizens on Saturday, Nov. 16 from 9 a.m. to noon. The Massachusetts Eye and Ear Infirmary is a participating hospital.

The ophthalmologists will screen for glaucoma, cataracts, macular degeneration and other eye diseases common to seniors. The

screening will also include vision and blood pressure testing.

Certain age-related visual problems can lead to permanent loss of sight if not detected early. Although an eye screening should not replace a complete periodic medical eye examination, a screening can assist in identifying potential problems.

To determine the closest screening location, call 1-800-882-2003 (toll free) between 9 a.m. and 5 p.m.

Cadet Mitchell Presents Gifts To Cousteau Society

Massachusetts Maritime Academy freshman cadet David Mitchell, a Charlestown resident, recently awarded two gifts to Jean-Michel Cousteau, captain of the research vessel *Alcyon* and director of the Cousteau Society.

Mitchell, on behalf of the freshman class, presented Cousteau with an original framed print he created for the Cousteau Society, as

well as a commemorative plaque which names Cousteau an honorary member of the Academy's Class of 1995.

The freshman class chose Cousteau because the Cousteau Society's ongoing mission — to protect and improve the quality of the environment for present and future generations — is the same as that of the Academy's planned Marine

Safety and Environmental Protection Major, which is expected to be offered this fall.

Developed in close conjunction with WHOI and believed to be the first of its kind in the United States, the new major is being designed to help protect our waterways, oceans and shores.

It is also envisioned to become a practical and efficient way for oil companies and shipping companies to meet the requirements of the 1990 Oil Pollution Act.

Jean-Michel's father, Captain Jacques Yves-Cousteau, was an honorary member of the Academy's Class of 1985 and delivered its graduation address. Jean-Michel may continue this tradition by being the featured speaker during the Class of 1995's graduation.

Roche Enrolled In ADP Program

Also, Stephen Collins, community liaison from the Central Artery/Tunnel project, will outline the new traffic pattern for City Square and will discuss detail police officers and pedestrian safety.

All are welcome.

★ **Old Rutherford Avenue** — A parking plan for the dead-end section of Old Rutherford Avenue, between Union and Austin streets, will be discussed at a meeting tonight, Thursday, Nov. 7 at 7 p.m. at the General Warren Apartments Community Room, 114 Old Rutherford Ave.

The meeting will be co-sponsored by the Charlestown Neighborhood Council Basic Services Committee and the office of City Councillor Robert Travaglini. Representatives from the Charlestown Youth Hockey Association, the Metropolitan District Commission, the Boston Redevelopment Authority and the Boston Transportation Department have been invited to address this parking issue.

All concerned residents are urged to attend.

★ **Sliver Parcels** — The Boston Redevelopment Authority Board of Directors granted final designation of several sliver parcels of land at its Nov. 1 meeting. The recipients of the sliver parcels are:

- R-50-B, 103 Russell St. The 180-square-foot parcel was awarded to Rita Dubois of 103 Russell St.

- P-13A, 22 Beacon Place. The 363-square-foot parcel was awarded to Deborah Perugui of 60 Russell St.

- P-4, 55-71 Ferrin Way/Hickory Avenue. The 170-square-foot parcel was awarded to Stephen and Patricia Aloise of 75 Ferrin St.

★ **Licensing Board** — A petition by McAvoy's Inc., formerly located at 129-131 Chelsea St., to transfer the location and corporation of its licensed business will be heard by the city of Boston Licensing Board on Wednesday, Nov. 20 at 11:35 a.m. The transfer of the seven-day, all alcoholic beverage license from McAvoy's Inc. to Olive Associates Inc. at 10 City Square is requested. Olivia English, manager of Olive's, is asking for a 2 a.m. closing hour.

The hearing will take place in Room 809a at City Hall in Boston.

★ **Charlestown Navy Yard** — Building 62, located at 13th Street and 5th Avenue in the Historic Monument Area of the Charlestown Navy Yard, will be placed on the auction block tomorrow, Nov. 8 at 1 p.m. The developers, Building 62 Limited Partnership, lost its bid to hold onto the property through a decision by U.S. Bankruptcy Court Justice William C. Hillman. The developer had declared bankruptcy under Chapter 11 in an attempt to allow them to keep the property during a reorganization of their corporation. In his denial of the petition, Judge Hillman allowed Bay Bank Harbor Trust Co., mortgage holder of the property, to proceed with the auction.

Building 62 is completely renovated with 70 percent occupancy by Mass. General Hospital who is leasing space for professional offices.

The use of the building is subject to the approval of the Boston Redevelopment Authority under specific guidelines set down through the Navy Yard Master Deed from the federal government.

Building 62 was the former Hemp House where hemp was stored before being used to make rope in the historic Ropewalk building.

Thank You

Dear Gloria,

I want to thank all who helped to make our Halloween Party a "hullabaloo" of an event. The list of people who volunteered in some way is much too long to print. However, I would like to give special recognition to: Father Coyne for allowing us the use of St. Catherine hall; City Year Corps for lugging everything back and forth and volunteering to clean-up (thank you, Steve from St. Catherine); and last, but not least, those who donated door prizes ... Mayor Raymond Flynn, Kathy Belton, Chris Callahan, Frank Costello, Sal DiMasi, Judy Evers, Rosaria Salerno and Bobby Travaglino.

Also, a note of thanks to Store 24 and Johnnie's Foodmaster for all the bags for our trick or treats.

Gloria, thank you for the coverage and your continual support of the Senior Lounge activities.

Sincerely,

To Clarify Resale Of Bricklayers Affordable Houses In Navy Yard

Nov. 5, 1991

To the Editor, "Charlestown Patriot:"

We appreciated your article in "Around the Town" on the two affordable units being offered in the Bricklayers' development in the Navy Yard. It may be helpful to your readers if we clarified certain aspects of this complex resale.

Specific income limits were required of buyers at the original offering of units when the housing opened. However, these will not apply in the resale, although it is intended that persons of moderate income should find the housing affordable because of the limits imposed on sales prices.

There is a specific method for establishing the resale prices for each affordable unit which is contained in the Covenant attached to the deed. It provides for adding to the purchase price, interest compounded each year, the value of certain capital improvements, and the use of a real estate agent the resale price, representing the total of these elements. The deed also requires BRA approval of the price as within the Maximum Allowable Resale be recorded with the next deed. In order to maximize interest in the resale of affordable units, we have recently established a policy that units not be advertised in excess of the top allowable price in order to avoid the chilling affect such a practice could have on our targeted market.

Therefore, given the above concerns, it is my understanding that the current allowable prices should be in the area of \$105,000 - \$106,000. I would urge any interested potential buyer to contact the owner or broker for more detailed information. These are excellent units.

I want to thank the Patriot for its interest and service.

Sincerely,
Robert W. Rush
Deputy Director
Harbor Planning and Development

Input Sought

Dear Charlestown Parents,

For the past 97 years the Boys & Girls Club has been serving the young people of Charlestown and offering them a range of opportunities unmatched by any youth agency in the city. As we approach our 100th anniversary we are facing challenges unlike any we have seen in our past. To meet that challenge, Boys & Girls Clubs of Boston has begun a strategic planning process in order to assess our community's needs and how best to meet those needs in the future. As part of that planning process we will be soliciting input from children, parents and community leaders.

As a parent we value your input and hope that you will attend a Community Forum on **Thursday, Nov. 14 at 7 p.m. at the Charlestown Clubhouse**. The forum will be held in the Games Room located in the Green Street building. The questions we will be exploring will serve to help determine the future role of the Club in Charlestown. Whatever your concerns or ideas might be, we would like to hear them.

I hope you will make every effort to attend this forum. Not only do we need your help in planning for the future, but your attendance will also send the message that the Club is valued and supported by the people of Charlestown.

I look forward to seeing you on Nov. 14 and again thank you for your support over the years.

Sincerely,
Jerry Steimel
Club Director

Thank You

Charlestown can be proud of its Teen Connection, especially Carolyn and Mimi. Thank you.

The trip to North Conway, N.H. was excellent. Also to the other teens who went ... a big thank you.

To you who didn't go, you missed a wonderful trip. Your Teen Connection works very hard for you. Try to support them on their next trip.

Again I salute you.

POLICE LINE

From the desk of
Deputy Superintendent Robert E. Hayden Jr.
Area A, Boston Police Department

Monday, Oct. 28

At 12:30 p.m., Officer Bollen stopped an automobile at Sullivan Square on a violation and found that the driver, a 34-year-old Chelsea resident, was operating with a revoked license and had outstanding warrants. He was placed under arrest.

Tuesday, Oct. 29

An automobile parked on Roland Street was broken into during the evening. The side window was smashed, and a jacket and personal papers were stolen.

Wednesday, Oct. 30

At 1:30 a.m., Officers Griffiths and Klockman responded to 60 Dunstable St. on the report of a man stealing items from an automobile. They found that the gas tank of a parked automobile had been damaged and the owner of the vehicle had chased the suspects. One of the suspects, a 30-year-old Winchester resident, was apprehended in the area. He told the officers that he was attempting to get gas from the parked automobile because he had run out of gas. The fire department responded and washed the gas that had leaked out.

Officer Bollen and Detective Donahue arrested a 30-year-old resident on a warrant for an attempt to commit a crime.

Thursday, Oct. 31

At 1 p.m., an attempt was made to break into an apartment on Cordis Street by breaking the kitchen window. A second apartment in the building was entered and the occupant frightened the suspect away.

At 2 p.m., Officer Bollen stopped an automobile at Sullivan Square and found that the operator, a 22-year-old Malden resident, was operating an uninsured and unregistered automobile. The officer placed the driver under arrest. During the processing, the suspect was also found to be in possession of marijuana cigarettes.

Friday, Nov. 1

At 5:30 a.m., officers responded to 37 Brighton St. where they found two 38-year-old Somerville residents removing a freezer from the premises after they had broken in the side door. They were placed under arrest for breaking and entering.

At 6 p.m., a 16-year-old New Hampshire resident reported that while outside of 50 Brighton St., he was approached by a man who showed a handgun and demanded that he drive the suspect to Revere. There the victim was then ordered out of his car, and his car was taken.

At 10 p.m., Officer Whiffen approached an automobile at Medford and Monument streets. When the suspect observed the officer, he sped away and skidded into the curb. The operator, a 23-year-old resident, was placed under arrest for violation of the automobile laws.

An automobile parked on Water Street was broken into during the evening, and change was taken from the console.

Saturday, Nov. 2

At 12:30 a.m., officers responded to High Street on the report of a loud party. Upon arrival, the officers proceeded to the third floor where they spoke to a person responsible for the party. The 22-year-old resident became violent and assaulted the officers. The suspect was placed under arrest. As the officers left, a large group from the party gathered and additional units responded and restored peace.

Sunday, Nov. 3

At 4 p.m., Officers Flemming and Clark observed a 21-year-old resident who was known to them as having an outstanding warrant for breaking and entering. They placed him under arrest.

These incidents are under investigation by Area A detectives.

Residents are reminded: If you know of any drug activity in your neighborhood, call the Area A Detectives Office at 247-4571. It is not necessary to give your name, and all information will be investigated.
