KEY ISSUES /

Poverty

Inadequate standard of living is both a cause and a result of inequality and injustice. Women, gender diverse people, Indigenous people, single seniors and adults, people with disabilities and people of colour are more likely to live in poverty.

B.C.'s Human Rights Commissioner is concerned that economic, social and cultural rights, such as access to necessities like food, water and housing, continue to be routinely violated in Canada. Poverty in British Columbia is

high: one in 10 residents live in poverty, and those receiving basic assistance are still left with an annualized income less than 50 per cent of the poverty line threshold.

BC home to Canada's second highest poverty rate

Jan 12, 2017 — At 13.2 per cent, BC's poverty rate is the second highest in the country says a new report – Long Overdue: Why BC Needs a Poverty Reduction...

People also ask

Why does BC have the highest poverty rate in Canada?

The reason why BC has the worst poverty rates in Canada is not poor economic performance but **lack of social spending, a large low wage sector, and big gender pay gaps**, especially at the low end.

Horgan's annual salary is about \$211,000 a year, while cabinet ministers are paid about \$167,000, but the 10 per cent that is withheld is only on the portion of their incomes that relate to their cabinet positions.

Horgan gets about \$100,000 on top of the \$111,000 salary paid to members of the legislature, while cabinet ministers get about \$56,000.

Liberal house leader Todd Stone also slammed Premier John Horgan and his cabinet during debate in the legislature.

"Fighting unaffordability is not one of the priorities of this budget," Stone said

"What was one of the priorities (is) making life more affordable for the premier and for NDP cabinet ministers."

New International Version
 The righteous care for the needs of their animals, but the kindest acts of the wicked are cruel.

New Living Translation
 The godly care for their animals, but the wicked are always cruel.

English Standard Version
 Whoever is righteous has regard for the life of his beast, but the mercy of the wicked is cruel.

Berean Standard Bible
 A righteous man regards the life of his animal, but the tender mercies of the wicked are only cruelty.

⋮ Prov 12:10 Bible ☰

(10) **Regardeth the life of his beast.**-- Rather, *knows their feelings* (comp. [Exodus 23:9](#)), and so can feel for them. God's own care for the brute creation ([Jonah 4:11](#)) was shown in the merciful provisions of the Law, by which cattle shared the rest of the Sabbath, and had their portion of the corn as it was being trodden out ([Deuteronomy 25:4](#)).

Tender mercies.--What the wicked calls tenderness and kind treatment is really cruelty, as he takes no thought for the comfort of his beast.

Pulpit Commentary

Verse 10. - *A righteous man regardeth the life of his beast.* For "regardeth," the Hebrew word is literally "knoweth" ([Exodus 23:9](#)); he knows what animals want, what they can bear, and treats them accordingly (comp. [Proverbs 27:23](#)). The LXX. translates "pitieth." The
