Declaration of Ioan Gruffudd

DECLARATION OF IOAN GRUFFUDD

I, IOAN GRUFFUDD, declare as follows:

1. I am the Petitioner in this action. I have first-hand personal knowledge of the facts set forth herein, and if called as a witness, I could and would competently testify thereto. I submit this declaration in support of my request for domestic violence restraining orders.

2. Respondent Alice Evans ("Alice") were married on August 2, 2007 and we have two minor children Elsie Evans Griffith, age 8, and Ella Evans Griffith, age 12. Alice and I separated on or around January 1, 2021, I moved out of the family residence on January 25, 2021, and I filed for dissolution of our marriage on March 1, 2021.

3. I told Alice that I was unhappy in our relationship in August 2020, and thereafter we started to discuss the possibility of separating. Alice repeatedly told me between August 2020 and our separation on January 1, 2021 that if I left her, she would make false public accusations about me, sell false stories about me to the press, and destroy me and my career (Alice and I are actors, and at times over the years stories about us have been published). Alice told me verbally multiple times that she would do to me what Amber Heard did to Johnny Depp. Alice threatened to tell people I had abused her and our daughters; she threatened to call the police on me if I did not comply with her demands; she threatened to tell people I am a drug addict and put me in prison; she threatened to write a fake diary that reflected an abused victim, and to have the diary published; and she threatened to destroy my mother. Alice told me she would win, and everyone would believe her over me.

4. Alice has carried out many of these threats since I moved out of the family residence. Since January 25, 2021:

- a. Alice has made many false and harassing posts about me on social media;
- b. Alice has made false and harassing statements about me to the media, which were then published;
- c. Alice has sent me hundreds of harassing, abusive and threatening communications by text, email, voice message, video message, and Our Family Wizard ("OFW") message;
- d. Alice has sent my mother at least 20 harassing and threatening emails; and

1 e. Since learning of my relationship with my current girlfriend, Bianca Wallace
2 ("Bianca"), Alice has made harassing, threatening and false social media posts about Bianca, and she
3 has publicized private information about Bianca's medical condition.

4 5. I believe Alice's behavior since we separated has been intended to harass and
5 intimidate me, and to force me to give her what she wants financially and with respect to custody of
6 our daughters. I believe Alice has also been making inappropriate statements about me to our
7 daughters, and in their presence. This situation has been extremely stressful and damaging in
8 numerous ways, to me, our children, my mother, and to Bianca. I have asked Alice to stop this
9 behavior many times, and my lawyers have done the same. Alice has refused. For these reasons, I
10 feel Alice has left me with no choice but to ask the Court to issue restraining orders.

11 **DESCRIPTION OF MOST RECENT ABUSIVE BEHAVIOR**

12 6. Alice and I both want our daughter Ella to continue at her current school, but I have
13 told Alice that, sadly, I will not be able to afford it next year. I explained this to Ella during a phone
14 call on February 9, 2022. Ella said something to the effect of, "You just want to use your money to
15 pay for your girlfriend's movie." This is not true and I told Ella as much. I could only assume that
16 Alice created this narrative, and then communicated it to Ella. Ella also told me she would call "child
17 protective services" if I did not pay her school tuition.

18 7. On February 9, 2022, shortly after my call with Ella, someone accessed and posted
19 twice from my Instagram account without my knowledge or consent. The unauthorized posts state,
20 "I cancelled my daughters school so Bianca will be an even bigger star," and, "I just removed my
21 child from her school because I need the money for my movie with Bianca." As soon as I saw the
22 posts, I deleted them and changed my account password. I do not know if Alice was directly involved
23 with the unauthorized posts from my account on February 9. That same day, though, Alice posted
24 (and later deleted) screenshots of the unauthorized posts to her own Instagram account at least three
25 times. A screenshot of one such post is attached as **Exhibit A**.

26 8. On February 9, 2022, Alice also sent me a harassing OFW message in which she
27 repeated the same false claims as were stated in the unauthorized Instagram posts. Alice said: "Ella
28 is now completely without a school. She is a straight A student. She says she begged you to keep her

1 at Brentwood but that you said you needed the money for your film with Bianca?? **Dude your film**
 2 **with Bianca is the most embarrassing thing I have EVER seen in Deadline.** . . . You have left a
 3 family you were providing for. You had SPECIFICALLY asked this loving family to wait for you
 4 while you worked abroad. We did. **Then you met the most psychopathic succubus ever minnow**
 5 **to man, and fell for her.** even Prince Harry... whatever. No NO NO NO nO. Find some financing
 6 then make whatever film you want. **But don't take away everything you have because some vixen**
 7 **has your nuts between her veneers.** PS: There is already betting on how long until she leaves you!
 8 PROPER BETTING! Now THAT'S famous."¹ (Emphasis added.) See attached **Exhibit B.**

9 9. Alice sent a similar harassing email to my mother, Margaret Griffiths, on February 9,
 10 2022, in which she said, "So Ella has been removed from her wonderful school where she was on fast
 11 track. She is very upset. . . Ioan will not speak to me, but he spoke to Ella today and said that all of
 12 this was necessary because Bianca needs the money in order to become a star. He and Bianca are
 13 working on a very important movie about Bianca’s life and they need all the money they can get. If
 14 you can’t see he’s lost his mind then you won’t mind that we’re all going to be sent out into the cold
 15 to die. Perhaps you and Pete don’t mind." See attached **Exhibit C.**

16 10. On February 3, 2022, Alice sent me a message on OFW with the subject "RE: School
 17 Enrollment." Alice stated in the message: "I don't understand - what does Bianca want? Does she
 18 want your kids to have zero education? **Enroll like you did last year! You fucking do it! FFS! . . .**
 19 I have 24/7 kids situation. I love it! (And there is no way I will et them near you given the lack of
 20 care you have already shown. I'm too scared you and Bianca could hurt them)[.] . . . sadly you fucked
 21 up and you got married to sad little me before you met this incredible woman. So no, you can't just
 22 walk away - from them, from your responsibilities, and from your financial responsibilities. PS: I ask
 23 again: WHAT DO YOU BOTH DO? Apart from Instagram and set up pap walks making sure you
 24 moderate the comments so Bianca doesn't have to see the bad things people say about her?"
 25 (Emphasis added.) See attached **Exhibit D.**

26 11. On February 4, 2022, Alice sent me multiple separate OFW messages. One is attached

1 as **Exhibit E**. It had the subject, "RE: Pay the school please." Alice stated in the body of the message:
 2 "We agreed that we would have children, and that I would look after them and you would earn the
 3 money. You decided not to earn the money OR look after them. You don't get to do that. **it doesn't**
 4 **matter who you go off with or what tatty tart gets inside your brain and says 'Do it, silly Duffer',**
 5 **you STILL have to look after kids when you have them. I know, it's hard. Poor you. Poor Binky.**
 6 **All you guys want to do is to be left alone and these damn kids and ex-wife giving you so much**
 7 **grief and ask you to like PAY for things when Binky just wants to pose in a bikini on a high**
 8 **wire at the Eden Roc. Life is so CONFRONTING!"** (Emphasis added.)

9 12. On February 6, 2022, Alice sent me the OFW message attached as **Exhibit F**. In it she
 10 said: "Apparently Banca is pregnant? is this true? I believe it came from one of her passive -aggressive
 11 Its where she said something like 'all is good, baby,baby' Listen - you are a very altruistic person -
 12 both of you, that you don't understand what the estrangement from the is doing and THEN the rumor
 13 of a baby!!!!!!!!!! **I am shocked and astonished and poor little Elsie is whimpering her beside me.**
 14 **.. You are a liar and a narcissist and as far as James thinks, a sociopath . . . Also, remember**
 15 **that you4 current parkour has a debilitating, chronic,disease.** But so do I! What do you keep
 16 telling your minions on twitter to shriek that I need to get a job? I have two kids to look after ad I'm
 17 50% bed bound. 'Why don't YOU get a job?'" (Emphasis added.)

18 DESCRIPTION OF OTHER ABUSIVE BEHAVIOR SINCE SEPARATION

19 13. Alice's Threatening and Harassing Communications Since January 25, 2021. Starting
 20 soon after we separated, I asked Alice many times to please limit our written and phone
 21 communications to topics relating to our daughters. She did not. I stopped taking Alice's phone calls
 22 around March or April 2021 because she would not change her behavior. Soon after, Alice started to
 23 text me frequently. Many of Alice's text messages to me were harassing, threatening rants. In an effort
 24 to avoid conflict I rarely responded. Examples of just some of the harassing and/or threatening text
 25 messages I received from Alice between March 1 and July 22, 2021 are attached as **Exhibit G**, and
 26 quotes from some are set forth below. All emphasis is added:

27 March 24, 2021

28 IOAN - 8 o'clock return for Elsie **or I will raise hell.**

1 You are exhausting her and using her as a pawn.
 2 8pm. **I will raise hell and yes that includes calling the police if I need to.** They are
 3 human beings. **I think you have seen what lengths I am prepared to go to to**
 4 **protect my children. You have seen it at Wagon Wheel and you have seen it at**
 5 **Third Street. You have seen it with Elizabeth Valerio. If somebody hurts them**
 6 **there is no END to what I will do.**

7 April 10, 2021

8 **By the way, I am about to put Dena's threatening letter on instagram for all to**
 9 **see. it is all set up,** I just feel I should run it by you like a journalist odes in case you
 10 would like to add something. **(Hi Dena! I know he's such a pussy he will send this**
 11 **directly to youth the hope that you can smash that naughty Alice.**

12 . . .
 13 **Oh, as far as Gill is concerned I feel no anger towards her. I am being paid**
 14 **upfront for a book about the village you grew up in and how you and Math's**
 15 **families hated each other, and course how you rMom had never grown out of a**
 16 **child's mentality.** Surprisingly, almost everyone I have spoken to has been happy to
 17 talk. The main message is that when people are as sick and non-treated as your mother,
 18 abs when the whole family grey walls, or plays flying monkeys to keep her afloat. My
 19 book will be damning.

20 Do all you want to stop its release. Maybe save some money from your ridiculously
 21 expensive divorce - I don't know. **But I plan to reveal your Mother's hideous**
 22 **actions to the whole world, in the hope that it will help somebody else.**

23 April 16, 2021

24 **One of my therapists said to me today "I cannot believe he chose his MOTHER,**
 25 **over the most incredible woman I've ever met, AND his children" (he is gay).**
 26 **I said I know. It goes very deep.**

27 Sorry to bang on, but I can't understand why after so many years of curating a
 28 wonderful career you would do the WORST thing. The worst thing an actor could ever
 do. (it's one thing if you fell in love with somebody else, but to just 'leave your family
 high and dry'? (which is what you have done).

And all for your Nmother? **How can you love your selfish Nmother more than**
your beautiful, love-filled kids ? . . . You now are the OLDEST single offspring of
 the Griffiths family. I cringe at afar your future Christmases will be like... and **NO.**
NO FUCKING WAY are you taking MY kids to spend Christmas in Wakes. Not
 EVER. You may as well get that into your head now.

April 17, 2021

It' embarrassing now that everybody is telling me you are done. That nobody
wants to imply you. That Dom West is at the top of the lists because he 'did the right
 thing'. And by the way it doesn't matter what is really going on in the relationship, for
 god's sake. It's about appearances. Jesus Christ think of Cary grant and Rock Hudson.
 Why on EARTH do you think Tom Cruise and John Travolta went to such extents?

I'm increasingly angry that you have sabotaged your areer. Insanely angry. I
GAVE UP my career for this. And ou throw it away because you feel a stronger
connection to Gill and Pete than you do to your own brethren? It's just o
 confusing. . . **You KNOW your Mum is a mental case.** Why on earth do you want to
 give up everything we've established for the sake of somebody who doesn't even love
 you?

... .

Do you realize who you're up against, dude? Do you realize ow much I have on
you, and how little (nothing) I have to lose? If you want to fight I will dedicate my
LIFE to fighting you and I will WIN. I am not only the smartest person in the
room, but I am also the person who has lost everybody. I have nothing left to lose.

1 **So I have ZERO fear. I will share ANYTHING on social media. I will write about**
 2 **everything. As a publicity-shy actor, that isn't good for you.**

3 ...

4 They don't want to see you tomorrow. They say you are a drag. (You are. You are the
 5 most depressing person I have ever married)

6 ...

7 To draw a conclusion, **you are JUST like your Mum. Instead of EARNING your**
 8 **place as the fun parent, learning ways to make people attracted to you, learnt o**
 9 **converse, understand the social fucking contract etc etc..... you are like Gill. You**
 10 **EXPECT everything because 'it is my right'. You have no rights.**

11 ...

12 And what did you do? Classic Narc. You turned it around and tried to tell her she
 13 shouldn't have called you angry in the first place. You tried to teach her a lesson - a
 14 lesson which benefitted you.

15 No. It's not always the best idea to ask something politely . Sometimes coming in
 16 strong is the best way to go. (Unless you want our kids to resemble your family?)

17 May 3, 2021

18 Joe told me you were no longer being touted for jobs, that you were back in 'the pool'
 19 of auditioning actors. At a time like this Ioan, there is absolutely no hope for you of
 20 getting any decent job through auditioning. You know that as well as I do. I would
 21 suggest you interview new agents and managers but I doubt you'll have the balls to do
 22 that.

23 May 4, 2021

24 **Maryellen and ICM are doing you zero favors dude. But you will never challenge**
 25 **them. Jesus fucking christ.**

26 But hey - I have to laugh. **You took on the most fearless woman in the world. Did**
 27 **you think your hot-shot lawyers would help you beat me? Ha ha ha! Not in a**
 28 **million years! Ha ha ha ha. I will never give up fighting.** I love my kids and have
 proved it. . . You have been away for 80% of their lives. Because you needed a job. So
 go get one. I've done my part. Now do yours. Try to understand. You did LIAR.

You were able to do it because the whole world knew that you were a family man who
 loved his wife and kids.

Now you've done a 180. **And all I am getting in DMs and emails is desperate upset**
from fans because they can't believe what you've done. Nobody thought you
capable of being such an asshole.

...

Your face and body now look hideous to me. I am starting on dating apps (not
had the balls to actually go live yet) because I want to find a man who really loves
me after being deprived of that for 20 whole years. I am convinced o still have
time, and my personality will shine through. I have no idea why the hell I fell in
love with you. Biggest mistake if my life. (except for the kids)

23 May 15, 2021

24 **I mean, basically you have failed everybody. Haven't you. Have you told Gill and**
 25 **Pete that you have bankrupted yourself?**

26 **I think somebody should**

27 **I will do it now**

28 Oh dear. No answer. That's BAD. Hey Dena!!! Did you hear what she did to me?

Dena: (dollar signs in her eyes) Tell me my baby. Show me where she hurt you!!!!

...

Send this to the Queefster if you want.

1 May 17, 2021

2 But please don't give me that bullshit about custody and telling you what to do.

3 **You're a very weak father, incapable of love.**

4 May 23, 2021

5 Please stop saying 'Thank you'. Ella tells me you are harsh and abusive with her when she doesn't say it. And here you are using it in a putridly condescending manner to indicate superiority. You are not superior to me in any shape of form.

6 Thanks to me, your career lasted as long as it did even though you never lifted a finger to help yourself. You could have said thank you then, and meant it. But you didn't.

7 Now we're all waiting to see how long it takes you to get a job without my help. So far it's been 18 months.

8 Oh, and Kevin Spacey is back at work. So please ask Dena and Mem to stop the pathetic rumor that my tweet has stopped you getting work.

9 You've literally NEVER had to chase a job, have you? And now, conveniently, as your career comes to an end, even now you have get-out clause: it was my ex-wife who ruined my career by tweeting!

10 Sure. Charlie Sheen. James Franco. Noel Clarke. Harvey Weinstein. Hollywood - that great bastion of morality!!

11 Your career isn't ending because of a tweet! (hello, Terry Cruse) It's ending because your manager doesn't believe in you! She TOLD me this! Jesus Christ we went through all this once already. When they lose interest, LEAVE!! You are being played, my friend.

12 May 31, 2021

13 **"Thank you" FFS. You know that your mother writes that all the time?**

14 **I want full custody. I want the house. I want spousal support and child support. I want my medical bills and insurance paid. Car insurance too. Half of your life insurance. Half of your savings. Half of what you earn in the future.**

15 **I won't give up. You'll have to sue me.** But you won't even win, because you have never looked after the kids. And if I need to, I'll borrow money from friends to hire shark lawyers. I have never spent more than 3 nights away from them. You have spent 80% of their lives away from them. I BROUGHT THEM UP.

16 **Jesus Ioan - STOP playing games! You're in some fantasy world where Dena and Gill are sucking your nob and telling you you are in the right. You're absolutely NOT in the right.** You walked out on your family. You won't even help them with the shit they have to do at home. THE HOUSE IS FALLING TO PIECES AND I AM SORTING IT OUT. You don't care about me or them or how we live. Imagine NOT caring how bad the situation was at your kid's house??

17 That is the first signal of a total narcissist. The other two are a) not caring about sex or if they are giving their partner pleasure (you never did - not once) and b) pretending to like animals when you don't (Gloria will testify about this)

18 June 17, 2021

19 You told Ella to "please stop Mummy from stopping you from seeing me". Is this Allan? Or is this Ivy? Or is this Dena and her Coven (with Woody in the background? Elsie also mentioned you had told her to say that "Mummy won't let Ella see you." In your dreams, loser. **Ella doesn't want to see you because you don't give a shit about her. Give her some fucking credit, for christ's sake.**

20 June 20, 2021

21 Go ahead. Tell Dena "look what Alice said about the prenu. Look how mean she is to me. How dare she be upset about us fucking her over completely? How dare she say unkind things to Little Lord Fauntleroy.

22 ...

1 **These texts will just continue unless you agree to talk to me. You can complain to**
 2 **all the lawyers you like. I am perfectly happy to have these texts printed in every**
 3 **newspaper in the world.** Because I didn't threaten to take your kids away, and I
 4 didn't walk out on you, and I didn't spend all the kids college funds on litigators, and
 I'm not refusing to speak to you. Your actions are FAR more vindictive than the texts
 of a person living in grief and fear and daily sadness.

5 June 26, 2021

6 **And now crazy lawyer wants me to give up my First Amendment rights and gag**
 7 **me so that I can't even speak about my experiences?** Why would I do that?

8 You're just making it worse and worse. You're behaving like a victim when in fact
 you're the perpetrator. **I will NEVER agree not to speak.**

9 **Oh and I hear you are considering a restraining order to stop me texting you. My**
 10 **advice? DO IT! I thin that when you are on your death bed looking back it will be**
 11 **one of your proudest moments.**

12 July 3, 2021

13 **I think we should litigate.**

14 **Then I will be able to tell people exactly the things your Mom said to me and Ella**
 15 **with impunity. EVERYTHING is on the record. I'm tired of this shit.**

16 **I have wanted to take your Mam to court for at least 10 years. Everybody**
 17 **stopped me. They said I would lose you.**

18 Well. Now I HAVE lost you! So I really need to publicize the vicious, verbal and
 19 physical attacks that I have taken from your mother. . . She needs to know she can't
 20 get away with this forever. . . Quick! Call Mummy and Daddy like you did when I
 21 tweeted! Cry to them! Be the opposite of a man!

22 **PS: These are not threats. I am not asking you for anything. This is WHAT IS**
 23 **GOING TO HAPPEN. Whatever you do. Do yo see the difference?**

24 **It's more like tormenting you that threatening you. Tormenting you like you have**
 25 **tormented me by making me feel useless and ugly and adept at nothing for the**
 26 **best 20 years of my life.**

27 July 7, 2021

28 **You want to SELL THE HOUSE???? ARE YOU OUT OF YOUR TINY MIND?.**

. . . **No fucking way.** The house is a deal-breaker. . . You've wasted ALL our fucking
 savings on the wrong lawyers!! **My god you fuvking idiot.** . . I'm going on Twitter to
 see if there is anybody who can put me up. . . Also the fans are going to start a Go Fund
 Me. Kids both bawling their eyes out about losing their house. . . I cannot believe how
 self-centered you are. Do your kids mean nothing? . . . I think the only person you want
 to impress is the one who gave birth to you and that will never change.

July 8, 2021

I'm reaching out to all our rich friends today to see if I can get a loan. Then I am going
 to start accepting the offers from the newspapers to tell my story. There is already a
 bidding war.

July 12, 2021

Pick up the phone you coward. Pick up the phone. Pick up the phone. Fuck this.

I'm tweeting. You've done it again. Congrats. **I am coming over to your house.** . .

Call me. Please. Just call me. **Ok I'm calling the police to escort me to your house.** .
 . **JESUS FUCKING CHRIST. What is wrong with you?**

July 16, 2021

What a horrible man you are. . . Fucking IDIOTIC when you think the house will
 be worth \$5million in a few years, but hey - I've been living with loser loan for

1 **TWENTY YEARS and your decisions are ALWAYS TERRIBLE.** So I'll see what
 2 they say, and see if there's a way to fight this. If there's not, hey - let it go. You will
 3 STILL have to come up with around \$300k for ME every year . . . (Oh and if you
 4 don't pay I will sue your ass in court. With great pleasure)

5 . . .
 6 **I'm going to keep on going. I can't live like this any more. You are a fucking**
 7 **torturer. More tweets coming up. KILL ME if you want. Do what the heck you**
 8 **want. You've taken away my joy, my life, my bonus, my career my children and**
 9 **my love. WHAT THE FUCK DP I HAVE LEFT? YOU'RE A MONSTER.**

10 July 21, 2021

11 Ioan- you KNOW what it's like growing up with a parent who always wants more.
 12 Who takes advantage of every phone call to ask for something. We used to laugh at
 13 that!! Please don't do it to Beans. She loves you. **It's not her fault you're a fucking**
 14 **mental case who can't bring himself to pull up in front of his own home to pick**
 15 **her up. Don't make her suffer because of your inherited mental problems.** Please.

16 . . .
 17 You're totally fucked with me from now on - you will never, ever regain the incredible
 18 respect and love I had for you until last August.

19 14. It was extremely upsetting and stressful for me to continuously receive these types of
 20 hostile and aggressive text messages from Alice. On July 22, 2021, I blocked Alice's phone number
 21 on my phone. I sent her a text message that day stating: "Due to your inability to adhere to the
 22 agreements we made in Collaboration and Mediation to only communicate about matters concerning
 23 the children, I am giving you notice that I am blocking all traditional avenues of communication and
 24 moving back to the Our Family Wizard app. As of today, the 22nd of July 2021, should you wish to
 25 contact me about any necessary matters to do with the children, please communicate with me on the
 26 app. I have bought Elsie a phone so I may communicate with her directly." (See Ex. G.)

27 15. Harassing social media posts and interviews. In June 2021, I entered into a relationship
 28 with my girlfriend, Bianca Wallace. Bianca and I currently live together. Since Alice learned of my
 and Bianca's relationship, she has made harassing, threatening and false social media posts about me
 and Bianca, and about our relationship.

16. On October 27, 2021 I received a phone call on my youngest daughter's phone. I
 answered the call, and Alice was on the other end of the line, not Elsie. Alice said simply, "Bianca
 Wallace." I ended the call and then saw Alice begin to comment on Bianca's Instagram. Bianca and
 I announced our relationship via social media immediately after the phone call to ensure Alice did
 not take the news away from us or make up a story about our relationship.

17. Alice previously had a Twitter account. Her username was @AliceEvansGruff. I

1 understand her Twitter account is not currently active, but she posted/tweeted regularly until recently.
 2 On or around October 27, Alice tweeted, "So it turns out that my husband, after two years of telling
 3 me I'm a bad person and I'm not exciting and he no longer want so to have sex with me and he just
 4 wants to be on set abroad...Has been in a relationship for THREE years behind all our backs. Good
 5 luck, Bianca." This tweet has since been deleted. Alice also tweeted (falsely) that she found out about
 6 my relationship with Bianca via my Instagram post, and that I had unblocked her on Instagram
 7 specifically so that she would see it. **Exhibit H** is a screenshot showing that Alice was following
 8 Bianca on Instagram before I ever posted about the relationship.

9 18. On October 31, 2021, Alice posted multiple tweets about me including one in which
 10 she said, "He wasn't in pain. For God's sake. He was fi[n]e (when he was here, which was about 3
 11 months a year.) Then his dick got stuck inside a babe half his age. And that's when he started treating
 12 me like shit and making up stories." See attached **Exhibit I**. Around this same time, Alice changed
 13 Instagram bio to, "Not a home-wrecker," and she changed her Twitter bio to, "I do not sleep with
 14 married men. I do not wreck homes I do not ruin little kids' lives."

15 19. On November 12, 2021, Alice tweeted Bianca's management company in response to
 16 a post regarding Bianca: "I think we can all agree that fuckign a man who has a beautiful family and
 17 seducing him into leaving that family in order to take below person to Hollywood (for what? what
 18 doe she think?) is scum behavior. Do you support this? It would appear that you do." On November
 19 17, 2021, Alice tweeted: "We're going fishing again tomorrow. We need the name of Bianca's
 20 husband that she married in 2016. And Also at least ONE of the other women who have had their
 21 families broken up by #Biancathebog." See attached **Exhibit J**.

22 20. Bianca has Multiple Sclerosis. Her diagnosis was largely private until Alice
 23 discovered it around November 2021. Since then, Alice has made numerous posts on social media
 24 exposing and mocking Bianca's condition. On November 26, Alice tweeted about Bianca having MS:
 25 ". . . there is so much you don't know. Is that what you actually want? A new baby for my husband?
 26 With a woman who is very ill with MS and so will take a toll on them? See attached **Exhibit K**. This
 27 is just one of many social media posts Alice has made about Bianca's medical condition. Alice's cruel
 28 statements have causes serious stress for Bianca, and it has started to impact her health.

1 21. On or around November 15, 2021, Alice shared a photo of Bianca on Twitter, and
2 wrote in the caption: "How to be a good Mistress, Part One: 1) Don't send out silly face-tuned
3 Instagrams like this when you're semi-naked and horse-teethed telling people 'I'm just going to miss
4 the dog' BULL. SHIT. You're going to sleep with my husband." Also on Twitter, a third party
5 commented on one of Bianca's photos that Alice had posted about. The individual said, "Where did
6 this photo come from? **I'd love to kick some ass.**" Alice responded on January 4, 2022: "**So would
7 my brother. And he has links. But sadly we all have to wait..** until this crazy family of hers reveals
8 itself." (Emphasis added.) See attached **Exhibit L**.

9 22. In addition to Twitter, Alice also has an Instagram account. Her username is
10 aliceevansgruff, and she has about 85,000 followers. On or around November 17, 2021, Alice posted
11 a photo of herself on Instagram with the caption: "Hey Bianca Mae Wallace, stealer of my husband,
12 ruined of the life I'd worked so hard to achieve and also person who makes my kid cry -aperson I will
13 never forget ever. Anyway somebody alerted me tonight that whenever I posted a relatively cute pic
14 of myself on ivstagram, within about 19 minutes emergered a sock account pretending to be on
15 'Biava's side { although how one could be on the side side if a total bitch who manifested a father
16 away from two lyrics girls who ducking **ADORED** him then I do not know, except to say that this
17 person is completely devoid of human empathy. Good luck Ioan." See attached **Exhibit M**.

18 23. On or around November 25, 2021, Alice posted a strange and somewhat incoherent
19 video of herself on Instagram in which she referred to herself as "Marjorie," and talked about men
20 leaving their wives for other women. In it, Alice, encouraged other women to speak about the issue,
21 and made comments about lawyers taking everything and about her husband. Then she changed
22 accents and started swearing and shouting: "You've got to fucking be kidding haven't you?. . . You're
23 taking everything? What? Are you? That's the tennis court, the fucking Lamborghini, whatever. . .
24 And he said yes. And I was like **I've got two fucking cousins gonna come and fucking cut you,
25 you know that?! Alright?! And that's how we fucking deal with it, do you understand? That's
26 how we fucking. . .**" and then she back to the original accent and said, "So that's how I talked to him,
27 and **I think we need to be just a little bit more aggressive, don't you**

28 24. On or around January 25, 2022, Alice posted on Instagram, "It's telling that the woman

1 with whom my husband has led a double life for 2to 3 years is so nervous and vindictive. . . I think
 2 Bianca Wallace us a psychopath who has a kinetic ability to make rich or famous people fall in love
 3 with her. In 18 months, me and my girls have seen my warm, loving Ioan change from a man with
 4 principles, who had decided to have a family and was determined to look after them to a person who
 5 apparently doesn't care about anyone at all." In a comment to the post, Alice said, "From everything
 6 I have gathered about this girl, she is a psychopath. . . Now the night before last she urged him to fire
 7 out long -term nanny, Gloria. The only other love my kids have apart from me. . . STEALING
 8 SOMEBODY's husband, setting up pap walks around their/our neighborhood, pretending to be her
 9 cousin online abnd talking about mu husband '7 inch cock'which was inside her now and would never
 10 be inside me again... Whilst I'm still in total shock? Yeah. She's a psychopath. See **Exhibit N**.

11 25. The examples above are just some of many harassing statements Alice has made about
 12 me and/or Bianca in the media and on social media. I will bring other examples to the hearing.

13 26. Harassing Emails, OFW Messages and Other Messages. After I blocked Alice's phone
 14 in July 2021, she sent me harassing emails and OFW messages. Below are excerpts from just some
 15 examples of many. Copies of all quoted messages are attached as **Exhibit O**. All emphasis is added.

16 a. November 11, 2021: The day after she did an interview on "Lorraine," which
 17 is a chat show in the U.K., Alice sent an email to me stating, "Want more?"

18 b. November 15, 2021: "EVERYBOY is telling me to distance myself for you as
 19 soon as I can I because you are about to go down so far that you will never recover. . . I dont care
 20 about you any more. Neither do the kids really. I’m sure they love you but they cringe when the hone
 21 rings and it’s you and they run away. Nothin to so with me. . . Well you’re a shit. And everybody in
 22 the world knows it now. So lets get this divorce done (I want almost twice what is offered. If you
 23 fight it I’ll go to court. I have access to money.) And then..... **I never ever ever ever want to see**
 24 **your lying, creepy, angry, nasty , unkind and totally ungrateful face again.** . . I’ll never
 25 understand what I did wrong - or why you could;t just sit me down and say look Angel, kids I’ve
 26 fallen in love with a millennial who has been stalking Alice for a while. . . I would go into the FOUR
 27 other marriages she’s ruined; **Yes. I do have a private detective on her.** So does one of th British
 28 tabloids[.] Well, I can’t wait till she does the same to you. **When her MS gets bad enough that you**

2 **hers is probably more grave and if ou look at Selma then she won't be able to walk soon."**

3 c. November 16, 2021: "Why are you letting a bunch of people bully another
4 person who is grieving so badly??? Have you lost your fucking mind? What have you said about me
5 to al these people?] Jesus fucking Christ. . . And why are they mad anyway? Didn't the Bogan win?
6 She broke up her 4th family! Congrats Bianca on another clever manifestation."

7 d. December 7, 2021: "Gloria is DEVASTATED that you told Bianca the house
8 was dirty. And stinky. And disgusting. Why did you do that. **She told all her extended gyppo family**
9 **and now everybody thinks I love in a house like your Mams house. Not fair. I would never say**
10 **anything about your mams house. And you are one of the messiest, laziest people I know."**

11 e. February 1, 2022: "Remember when my Dad became so obsessed with his
12 incredibly mediocre but super egoistic new love that he just forgot all about his kids and decided they
13 didn't exist if 'SHE wasn't there, and you said 'he is so vile. I wish I could call him'. **(But you didn't,**
14 **because you've never called anyone out - you have no balls)[.]**

15 27. In November 2021, after I had had blocked her phone, Alice sent a voice recording
16 from Elsie's phone to my phone in which she called Bianca a "fucking skank" and a "meth-head,
17 bogan skank" from the "trailer parks of Broadbeach." Alice said she had done multiple interviews,
18 and she could go much further. Alice said, "Do whatever you want, but you won't be an actor, baby,"
19 and, "You'll just be begging for money." I will bring this recording to the hearing.

20 28. Alice has also interfered with my calls with our daughters. Most recently, around
21 October 2021 while I was out of town for work, Alice leaned into the camera while Elsie and I were
22 having a facetime conversation, and she started complaining to me about all of the miscellaneous
23 things she believed were wrong with the family residence.

24 29. Harassing and Threatening Emails to My Mother. Attached as **Exhibit P** are several
25 harassing emails Alice has sent to my mother, Margaret Griffiths, since Alice and I separated in
26 January 2021. I understand Alice has sent at least 20 such emails to my mother.

27 30. Again, I have tried to avoid conflict with Alice since we separated. I responded
28 minimally, if at all, to most of her harassing and threatening communications described above. I have

1 generally tried to limit my communications with her to subjects such as the children and the family
2 residence. I have asked Alice many times to stop making abusive statements about me or to me (or
3 about Bianca), and my attorneys have made these requests to Alice's attorneys. Sadly, Alice has
4 refused. I therefore request restraining orders to prevent Alice from continuing this behavior.

5
6 I declare under penalty of perjury under the laws of the State of California that the foregoing
7 is true and correct.

8 Executed February 15, 2022 at Los Angeles, California.

Subject: Ella

Ella is now completely without a school.

She is a straight A student. She says she begged you to keep her at Brentwood but that you said you needed the money for your film with Bianca??

Dude your film with Bianca is the most embarrassing thing I have EVER seen in Deadline. Who is financing it? Why are you both directing? What is the point of the story? Who would give ANYONE any money for a first time writer and first time lead? Do you expect me, Elsie and Ella to move down to skid row so that you can sell the house and make "Eva Seren" the Star she's always wanted to be?

NO.
No no. NO NO.

You have left a family you were providing for. You had SPECIFICALLY asked this loving family to wait for you while you worked abroad. We did. Then you met the most psychopathic succubus ever minnow to man, and fell for her. even Prince Harry... whatever.

No NO NO NO nO. Find some financing then make whatever film you want. But don't take away everything you have because some vixen has your nuts between her veneers.

PS: There is already betting on how long until she leaves you! PROPER BETTING! Now THAT'S famous.

Subject: Update

So Ella has been removed from her wonderful school where she was on fast track. She is very upset.

Elsie has been told she will not be able to go to a special school.

We have not long now in order to get out of the house. We're not sure where to go - maybe a shelter for women.

Gloria has been fired.

Ioan will not speak to me, but he spoke to Ella today and said that all of this was necessary because Bianca needs the money in order to become a star.

He and Bianca are working on a very important movie about Bianca's life and they need all the money they can get.

If you can't see he's lost his mind then you won't mind that we're all going to be sent out into the cold to die.

Perhaps you and Pete don't mind.

PS:

I absolutely responding via my lawyer to say that I would pay 50% OF THE FEES.

I don't understand - what does Bianca want? Does she want your kids to have zero education?

Enroll like you did last year! You fucking do it!

FFS! You have my promise!

But seriously - how do you think I am earning money? I have 24/7 kids situation. I love it! (And there is no way I will let them near you given the lack of care you have already shown. I'm too scared you and Bianca could hurt them)

But YOU are the wage-earner darling.

Yes, you are in love now. But sadly you fucked up and you got married to sad little me before you met this incredible woman. So no, you can't just walk away - from them, from your responsibilities, and from your financial responsibilities.

PS: I ask again: WHAT DO YOU BOTH DO? Apart from instagram and set up pap walks making sure you moderate the comments so Bianca doesn't have to see the bad things people say about her?

I don't have 'funds' from the UK.

We agreed that we would have children, and that I would look after them and you would earn the money.

You decided not to earn the money OR look after them. You don't get to do that. it doesn't matter who you go off with or what tatty tart gets inside your brain and says "Do it, silly Duffer", you STILL have to look after kids when you have them. I know, it's hard. Poor you. Poor Binky. All you guys want to do is to be left alone and these damn kids and ex-wife giving you so much grief and ask you to like PAY for things when Binky just wants to pose in a bikini on a high wire at the Eden Roc. Life is so CONFRONTING!

Children are a responsibility dude. You knew that.

Subject: Elsie

Ioan, I am lying here in bed with Elsie who I can't get anything out of.

Apparently Banca is pregnant?

is this true?

I believe it came from one of her passive-aggressive things where she said something like "all is good, baby, baby"

Listen - you are a very altruistic person - both of you, that you don't understand what the estrangement from the is doing and THEN the rumor of a baby!!!!!!!!!!

I am shocked and astonished and poor little Elsie is whimpering her beside me.

Let me tell you this: I will look after them to the end of my days. I will give up everything for them. I will not engage in another relationship if they approve (they haven't, so far) I don't care if I never have a relationship again, as long as I do right by these two amazing girls.

You are a liar and a narcissist and as far as James thinks, a sociopath.

Do what you want to do. But looking after your first kids is THE LAW>

Also, remember that your current partner has a debilitating, chronic, disease. But so do I!

What do you keep telling your minions on twitter to shriek that I need to get a job? I have two kids to look after and I'm 50% bed bound.

"Why don't YOU get a job?"

EXHIBIT "G"

Elsie had some kind of breakdown today.

It was so heartbreaking I thought my own heart would give out.

She held it in for a long time and we didn't know what was wrong with her. Eventually she said that you had said you were never coming in the pool with her again? Or you had implied it?

Please let me know what has happened.

You have broken both their hearts by just leaving the house they've lived in their whole lives so suddenly.

Please stop this and come to some agreement about seeing them here. What you're doing to them now is torture and it will stay with them forever.

We are begging you. This is akin to The Handmaids Tale. It's devastating for them.

Wed, Mar 24, 7:03 PM

IOAN - 8 o'clock return for Elsie or I will raise hell.

You are exhausting her and using her as a pawn.

8pm. I will raise hell and yes that includes calling the police if I need to. They are human beings.

I think you have seen what lengths I am prepared to go to to protect my children.

You have seen it at Wagon Wheel and you have seen it at Third Street. You have seen it with Elizabeth Valerio.

If somebody hurts them there is no END to what I will do.

Elsie was not just hurt today she was devastated.

45 minutes. Counting.

Wed, Mar 24, 10:08 PM

Well done.

needs three operations.

Elsie was in tears yesterday because she missed Gloria.

But then she said 'only 4 more days to go'.

This is going to be a blow.

Fri, Apr 9, 7:41 PM

Starting next week you can have Ella and Elsie as much as you like. I'll just keep the Friday night and maybe one other. This is roughly what I intend to suggest in mediation.

I have told the girls.

My Family Wizard does not work with the password abs name you gave me.

So I am using texts with a screenshot technique that calculates non-replies.

Sat, Apr 10, 12:58 AM

By the way, I am about to put Dena's threatening letter on instagram for all to see. it is all set up, I just feel I should run it by you like a journalist odes in case you would like to add something. (Hi Dena! I know he's such a pussy he will send this directly to youth the hope that you can smash that naughty Alice.

If only you knew, Dena. If only you knew the real story.

The large part of the letter is about how you are prepared to wrestle two happy lovely kids out of the hands of their beloved Moma - uh, in an attempt to make people think you are the GREATEST guy, whereas what you don't know is that most people will find that abhorrent.

Oh, as far as Gill is concerned I feel no anger towards her. I am being paid upfront for a book about the village you grew up in and how you and Math's families hated each other, and course how you rMom had never grown out of a child's mentality. Surprisingly, almost everyone I have spoken to has been happy to talk. The main message is

that when people are as sick and non-treated as your mother, abs when the whole family grey walls, or plays flying monkeys to keep her afloat. My book will be damning. Do all you want to stop its release. Maybe save some money from your ridiculously expensive divorce - I don't know. But I plan to reveal your Mother's hideous actions to the whole world, in the hope that it will help somebody else.

Oh wait - but you don't have an iota of empathy, do you? My therapist told me this after one session only.

So what this means is that you have never ever loved anybody except yourself (or somebody who made you look better)

I am only now realizing that you never ever felt anything resembling love for me- whereas I, as recently as last Christmas (after your mental abuse had started) was still driving around LA feeling so goddamn HAPPY! That I live in this place that I found you, that had these kids.

I am sad about everything. But mostly sad that my joy has gone.

20 years driving around LA. I FELT JOY. Every single time.

It must have been in some way connected to you because it's done. It's gone. I don't feel like I will ever get it back. My life now is a constant sadness. Just like Mum. What could have been. as a family. Abs now never will.

Don't get me wrong. I am Face-time dating a rich executive from Disney abs although nothing has happened, and even if I decide I don't want to - this is the way I plan to go. Hollywood hard core, who can help me get to where I want, who will (and is already doing) praise my ideas instead of being horribly annoyed abs frustrated by them abs almost jealous and paranoid that you were not going to be able to provide me with what I wanted. So sad because all I ever wanted was you.

Too late now.

done and putting it behind us 🙏😊

Hey cogs do I have ordered Ella one of those Brita filter cups.

She says she really doesn't like the water at your house so I thought it would help her fear of being thirsty!

Also have ordered 48 La Croix passion fruit drinks! So she can have a few in her bag next time she comes. 😊

I sent you a message on the Family Wizard! I love it!!!

Hey - you need to log into our family wizard.

OMG Damian lost his wife! 😭

OMFG!!!!

Helen died. I can't believe it. Poor Damian. Jesus.... His poor kids! 😭😭😭

Fri, Apr 16, 2:26 PM

Did you hear about this? What is wrong with you that you would not respond?

Why are you so angry? Aren't you getting the divorce you wanted? I'm stumped at your lack of compassion

Fri, Apr 16, 8:40 PM

Elsie said you were really upset about Helen. I'm sorry. I am too. I know Damian is strong and will be fine but my GOD. The world is cruel. He will never ever see her face again. Seems almost impossible to fathom.... 😬

Fri, Apr 16, 10:59 PM

One other thing - did you know Harvey is demanding a retrial?

They are asking us to all double up and give more details.

I've decided that now is the time to name Christian as the agent who screamed at me after I told him the Harvey story of the previous night.

It's going to press for the weekend. If you have issues let me know.

But you are no longer my husband. So it's not your fault if I tell the truth, is it?

Oh and I learned this today: you won't ever be considered for an award from the queen. You've committed the no-no of all crimes - leaving your family.

One of my therapists said to me today "I cannot believe he chose his MOTHER, over the most incredible woman I've ever met, AND his children" (he is gay).

I said I know. It goes very deep.

Sorry to bang on, but I can't understand why after so many years of curating a wonderful career you would do the WORST thing. The worst thing an actor could ever do. (it's one thing if you fell in love with somebody else, but to just 'leave your family high and dry'? (which is what you have done).

And all for your Nmother? How can you love your selfish Nmother more than your beautiful, love-filled kids ?

You used to look at Alun and Siwan abs feel bad for them.

Now you have given up everything that makes you different! You now are the OLDEST single offspring of the Griffiths family. I cringe at afar your future Christmases will be like... and NO. NO FUCKING WAY are you taking MY kids to spend Christmas in Wakes. Not EVER. You may as well get that into your head now.

I will fight you to the court and back on that one.

NO. WALES. THEY HAD THEIR CHANCES.

All this because you hate ME?

Why?

Sat, Apr 17, 3:39 PM

Omfg....

Sat, Apr 17, 4:47 PM

Brentwood is AMAZING! I just totally had an out of body experience with the girls.....

I will do WHATEVER IT TAKES to have them both schooled there. I will literally wash toilets! I had such a terrible school and it did so much harm to so many people around me like Tone and other friends.. to be able to make a difference to my kids is all I want really!

Sat, Apr 17, 9:23 PM

Can we share this moment please?

I'm not sure how ignoring me helps anything.

As you kept saying when you came home from Australia - we have two kids together. We HAVE to communicate.

It's so ridiculous that you were the one that broke my heart and upended my life yet you are still the one causing problems.

What did you think? That I would just roll over and say ok honey - let's make up a story that paints you in a good light?

It's just nuts to me. You walked out on your family. There is no way to sugar-coat it. It doesn't matter what I ostensibly 'did' in your mind, how hurt your Mother supposedly is, what I apparently wrote in an email to Siwan. IT DOESN'T MATTER. What I DIDN'T do was cheat on you, neglect our children, or ever prevent you from doing the jobs you wanted.

Your job is dependent on you being a family man It's

Your job is dependent on you being a family man. It's embarrassing now that everybody is telling me you are done. That nobody wants to imply you. That Dom West is at the top of the lists because he 'did the right thing'. And by the way it doesn't matter what is really going on in the relationship, for god's sake. It's about appearances. Jesus Christ think of Cary grant and Rock Hudson. Why on EARTH do you think Tom Cruise and John Travolta went to such extents?

I'm increasingly angry that you have sabotaged your career. Insanely angry. I GAVE UP my career for this. And you throw it away because you feel a stronger connection to Gill and Pete than you do to your own brethren? It's just so confusing. You can see what they've done to Siwan and Alun. You KNOW your Mum is a mental case. Why on earth do you want to give up everything we've established for the sake of somebody who doesn't even love you?

Why are you mad?

I'll tell you what I think. I think you thought you could shut me up with hi-falutin lawyers and Woody told you you could turn this all around on me.

And you're FURIOUS, because I stayed up night after night researching and eventually realized that Woody is a con-man, and found a way to force you to drop him.

Do you realize who you're up against, dude? Do you realize how much I have on you, and how little (nothing) I have to lose?

If you want to fight I will dedicate my LIFE to fighting you and I will WIN.

I am not only the smartest person in the room, but I am also the person who has lost everybody. I have nothing left to lose. So I have ZERO fear. I will share ANYTHING on social media. I will write about everything. As a publicity-chaser, that isn't good for you.

shy actor, that isn't good for you.

The only things I have left to lose are my two kids. And they're my life's work. You think I'm going to lose them? If you keep going on about schedules when we don't even know what the fuck is going on about Gloria then maybe I will decide to go to court for full custody (as Dena threatened me so sweetly in her first email. Aww...)

They don't want to see you tomorrow. They say you are a drag. (You are. You are the most depressing person I have ever married) Once again I have told them I have to hand them over. But they have so much more fun with me. They were both saying that the shenanigans that happened today on our trip to Brentwood would have never happened with you because you would have been silent and 'concentrating on your driving'

To draw a conclusion, you are JUST like your Mum. Instead of EARNING your place as the fun parent, learning ways to make people attracted to you, learnt to converse, understand the social fucking contract etc etc..... you are like Gill. You EXPECT everything because 'it is my right'. You have no rights. Nobody does in relationships. .

I heard you so many times on the phone the other night saying "this is my time!" DUDE - have you ever thought how that sounds to a kid?

Then today Ella was really mad with you and then something happened and she said "Ok then I'm sorry/!"

She's 11! She turned on a dime and said "ok then I'm sorry!" That's incredible!

And what did you do? Classic Narc. You turned it around and tried to tell her she shouldn't have called you angry in the first place. You tried to teach her a lesson - a lesson which benefitted you.

No. It's not always the best idea to ask something politely. Sometimes coming in strong is the best way to go. (Unless you want our kids to resemble your family?)

Instead of being gracious that she said sorry you TURNED IT AROUND ON HER! (And we have this on video) I mean talk about a narc. Could you not see she had done a 180

Can we have Elsie please?

Can I speak to Elsie please?

Mon, May 3, 8:19 PM

So - just FYI - I have left word for Rosalie about putting the house on the market.

It's not really a good time to sell, but we have to. It's either the divorce or the house. I think the divorce is much more important - the kids will be fine as long as you are happy.

My 100k from England has been put into a separate account. I will use it to pay for Gloria and the school for one year. I will find somewhere to live - perhaps somebody from the UK who has a house here that is not using it and can rent it to me for less than the going rate.

I am starting discussions with Bravo and others about reality tv. It's totally icky. I'm not committing to anything but there HAS to be a way for me to make money to improve the lives of the kids.

Joe told me you were no longer being touted for jobs, that you were back in 'the pool' of auditioning actors. At a time like this loan, there is absolutely no hope for you of getting any decent job through auditioning. You know that as well as I do. I would suggest you interview new agents and managers but I doubt you'll have the balls to do that.

That said, I understand your happiness is more important than anything and I will do whatever it takes to help you achieve that. ❤️

By the way - send the above text to Dena and you will be paying \$500 for the pleasure.

\$500 is 1/100 of Brentwood fees for the year.

How many emails have you sent to Woody and Dena with the sole aim of whining about what I say?

How can that be more important than the quality of your kids lives?

Let me know if you need any more info.

Last thing.

My lawyer said that when one party doesn't want to speak to the other it is because they are fearful that the other person wants to engage in order to get back together.

Cogs - I wouldn't get back together with you if they paid me a million dollars.

I don't mean this to be unkind, I just want you to know that so that you can understand that my attempts to contact you are part of necessity and nothing else.

The house you have left is on a mess. It's not a good look for you to leave me with everything (and no help, no nanny) because you can't be bothered to come over and do the work.

Please be better. There is absolutely NO CHANCE of us reuniting.

Tue, May 4, 9:42 PM

Wait - so you are telling Elsie EVERYTHING?

But Ella told me you freaked at her and told her she wasn't allowed to mention lawyers?

What exactly do you want?

Because there is NO WAY, after all I have worked for, that my kids are going to grow up in a two room apartment with gray walls , no views and nothing in it. NO WAY.

What do all your threats to sue for full custody mean?

Why would you threaten that? Do you know how it will look publicly? I did nothing wrong. You left us. You cut off contact with me. Now you're suing for full custody. How do you explain that in interviews?

My greatest fear is that your career is over and that I will have to pick up the pieces. I will have to find a way to make the money we need to continue in the lifestyle the kids are used to.

Maryellen and ICM are doing you zero favors dude. But you will never challenge them. Jesus fucking christ.

But hey - I have to laugh. You took on the most fearless woman in the world. Did you think your hot-shot lawyers would help you beat me? Ha ha ha! Not in a million years!

Ha ha ha ha. I will never give up fighting. I love my kids and have proved it. Every single night in 12 years I have woken up at 4am and checked her/their breathing.

You? You have been away for 80% of their lives.

Because you needed a job. So go get one. I've done my part. Now do yours.

Try to understand.

You did LIAR.

You were able to do it because the whole world knew that you were a family man who loved his wife and kids.

Now you've done a 180. And all I am getting in DMs and emails is desperate upset from fans because they can't believe what you've done. Nobody thought you capable of being such an asshole.

(And to be fair, you haven't come up with a decent reason either).

WHAT CAN I SAY????

I need you to work as much as you do.

I need to pay bills, to fix TVs and Hoover's...

You need to get a job. We both had a part in the raising of a family and that was yours.

I'm doing my job. I brought these girls up completely on my

I'm doing my job. I brought these girls up completely on my own. And I succeeded and until last August when you lost your mind they were both perfectly happy all the time.

Your face and body now look hideous to me. I am starting on dating apps (not had the balls to actually go live yet) because I want to find a man who really loves me after being deprived of that for 20 whole years. I am convinced I still have time, and my personality will shine through. I have no idea why the hell I fell in love with you. Biggest mistake of my life. (except for the kids)

I just feel angry at the moment because I feel that at 52, looking the way I do and with my smarts, I have the capacity to fall in love with a really clever guy who will match me intellectually.

But I'm not allowed Twitter or Instagram, and we're in a pandemic.

So I can't move on.

Hard for me to think that wasn't deliberate.

Doesn't matter.

I've seen your emails to 'Woody'. Nothing will ever change the horror and betrayal I experienced reading those.

Wed, May 5, 10:37 AM

Also - every time you send my texts to your lawyer to whine about how mean I am we pay \$500.

And if she then sends them to my lawyer it's another 500.

I am keeping a list of how many times you do it.

Because it serves no purpose at all! We're trying to FIX this. Not stir up more shit.

You should be communicating with me about the kids.

You should be fixing the 20 odd things that aren't working in their house.

Instead you're throwing money at lawyers to try to stir up

Here!!

FFS 🙄

How can you be so annoying?

Perfect. Thank you.

Fri, May 14, 8:43 PM

Would the Sproutlet be free for a chat sometime before going to bed this evening please?

Sat, May 15, 6:38 PM

So - the Sproutlet told me she doesn't want to do Beyond the Bell.

She says that the boys who do it are quite naughty and she is very nervous about it.

That leaves you with two options. You can either pick her up at normal time, or you can offer me First Right of Refusal.

I think you should also apologize to her for trying to force this on her

Sat, May 15, 8:16 PM

I mean, basically you have failed everybody. Haven't you. Have you told Gill and Pete that you have bankrupted yourself?

I think somebody should

I will do it now

Oh dear. No answer. That's BAD. Hey Dena!!! Did you hear what she did to me?

Dena: (dollar signs in her eyes) Tell me my baby. Show me where she hurt you!!!!

Kerching kerching kerching

Sun, May 16, 12:20 PM

IOAN - PLEASE LISTEN.

Elsie doesn't want to go to Beyond the Bell. Gloria will pick her up and take her to the park for a little bit.

What time would you like Gloria to drop her at your house?

You need to pick a time.

It will be 4pm, because at 4.30pm she has to take her chemotherapy doses.

Send this to the Queefster if you want.

I would like you to pay me back for every single letter to a lawyer you have sent where you could have simply spoken to me instead.

Sun, May 16, 2:14 PM

Our application for Beyond the Bell will take a few days to process. We only submitted it to the school late Friday.

Please let Elsie know that I shall be picking her up from school tomorrow at 10:30 am as per the new plan laid out in Diane's summary which I've input into the i Cal.

If it's agreeable with you, I shall ask Gloria to look after Elsie on Tuesday during the scheduled mediation at 3:30pm if she is available.

Thank you.

Please don't patronize me with that asinine 'Thank you' thing you learned from your monther.

Elsie is very upset. She and Gloria had made elaborate plans for their first afternoon together.

Poor Elsie 🥺

You're a very weak father, incapable of love.

I will spend the rest of my life making sure those two incredible little people don't get fucked over by you the way I did.

Mon, May 17, 8:57 PM

OMG! You brown-noser! You emailed DIANE?

Do you not think you should do therapy to find a way to approach conflict without resorting to ostensible "authorities"?

You know - like your mother always said "but it was the neighbour!" Or "but my father told me not to take those tablets!" Or "But I read it in the original Welsh!"

It seems to me that the "I'm telling my Mummy/Daddy/Teacher what you said is a sign that you haven't grown up.

You have consistently demonstrated the same weakness in the past with your agents. You have never told them off, let alone fire them, unless under extreme pressure. And even when you DID 'fire' them 8 years ago you were confused when they told you they were quite happy to fire you... 🙄

For example, Joey accidentally let out to me last week that MEM had you back "in the pool". That nobody was actually PITCHING you for anything, that you were back auditioning. But auditioning NOW is nothing like it was 5 years ago. Because anybody can send in, so people don't even notice who is a star and who isn't.

SO - would it not be a good idea to have a talk with ICM and Mem, and ask why you are back in the pool (a la Ian Sommerville) and not on the lists (like Stellan's kids, like random mediocre actors like EDDIE CIBRIAN, Josh Duhamel etc) It doesn't have to be accusative, you just need to ask why it's happening and what you can do to help.

(Josh Duhamel is with Carrabino by the way. He doesn't

Please give me Elsie. Right now. I need to speak to her.

Sun, May 23, 4:14 PM

Elsie is here right now. Can she call you later when she is warm and dry please. Thank you.

Please stop saying 'Thank you'.

Ella tells me you are harsh and abusive with her when she doesn't say it.

And here you are using it in a putridly condescending manner to indicate superiority.

You are not superior to me in any shape of form.

Thanks to me, your career lasted as long as it did even though you never lifted a finger to help yourself. You could have said thank you then, and meant it.

But you didn't.

Now we're all waiting to see how long it takes you to get a job without my help. So far it's been 18 months.

Oh, and Kevin Spacey is back at work. So please ask Dena and Mem to stop the pathetic rumor that my tweet has stopped you getting work.

You've literally NEVER had to chase a job, have you?

And now, conveniently, as your career comes to an end, even now you have get-out clause: it was my ex-wife who ruined my career by tweeting!

Sure. Charlie Sheen. James Franco. Noel Clarke. Harvey Weinstein.

Hollywood - that great bastion of morality!!

Your career isn't ending because of a tweet! (hello, Terry Cruse)

It's ending because your manager doesn't believe in you! She TOLD me this! Jesus Christ we went through all this once already. When they lose interest, LEAVE!!

You are being played, my friend.

If you don't find a job or a second career soon then we WILL have to go to court. For wasting family money on daily \$1k emails to a psycho-lawyer, when your kids need college funds, school fees, a nanny they love more than us, a house where at least some appliances work, clothes, presents at Christmas, birthdays.

If you spend another DIME on whining to Dena about the things I've said. I will take you to court for inappropriate

use of family funds.

Oh, and three of our rich friends have backed me for a loan if I need to fight back after I showed them the correspondence from Dena.

We have all the accounts from Wayne and are making lists of the amount of times you have whined to Dena and been charged between 500 and \$1k+ for it.

Nothing to do with separation of assets, the kids, child support. No. Just because you think she's your Mommy.

Ella is TERRIFIED you will spend all our money on lawyers, as people like you do, and that come Aug 31st she will not be allowed into Brentwood. (Apparently you have treated her with this once or twice too. That goes against every single parenting advice I've ever heard)

So anyway. Please call Dean tomorrow to whine. It will leave you with even less money. Then, when it's time, I will tell the world how you spent all your money being a pussy and trying to get lawyers to FORCE me and Ella (and poor Elsie, who DREADS going to your house) to do what you want.

I will do this as soon as I am ready. If you want I can include the info that you are a cocaine addict (and I already have s/o from Harrow who is prepared to give testimony)

Up to you.

OH!! Somebody very close to Miguel is also happy to testify!

"

I have done SO MUCH WORK.

You need to sit this out and worry about it. Really rally worry like I have had to do for the past 10 months.

Because if you call the Queefster, OR Diane about anything I've said (not that I'm ashamed of any of it) then I will

I've said (not that I'm ashamed of any of it) then I will immediately show them the pics and the video testimonies of your drug habit that you have had since before I met you.

Try me.

Oh and I want the Elselet back.

NO WAY I am going to risk permanent damage by this stupid 5 day thing you have read in some book. I'm happy to talk about this in mediation. But I can't sit by and let her be damaged by you to the extent that you, Siwan and Alun were damaged by your mother. I've dedicated my life to making these two girls happy. That's all I want for them.

You are incapable of happiness or of feeling love for another person. (I know this - because I have spent 20 entire years with you and the whole time I felt sad and inexplicably unhappy and it wasn't until you REALLY showed your true colors that I realized you have NEVER loved me!) What a fucking idiot I have been. No way it's going to happen to my kids.

Funny that all this is happening at the same time that your acting career is ending.

There must be some connection.

You could have had it all! (Like your ex-friend Hoi Boi who hated you ALREADY when I met you, because you were a selfish narcissist.)

You could have had a lovely wife and family, and a fantastic career, a lovely house, everything you wanted.

Now you're going to spend the rest of your days in a tiny box, begging people for money or for bit parts in films, or day-time tv. Signing autographs, maybe (BUT NOT INNOVATING, BECAUSE YOUR'E AGAINST THAT) with a family consisting of three kind, lovely women who left you because they didn't want to be shouted at any more.

Meanwhile Margaret Gillian James Bowen Griffiths is JUMPING FOR JOY!

YOU DID IT!

YOU CHOSE MUMMY!

Think about where Matthew Rhys stands now, in every possible manner - beautiful stunning wife; adorable family; nominated pretty much every year for SOMETHING, because he has the greatest agent ever and is so talented; being a great raconteur on talk shows instead of putting on a Welsh accent and talking about his parents and his sister every time; NEVER having slagged off his wife in a chat show; not being afraid to be himself and make a fool of himself (ie The Wine Show); going on fabulous holidays and taking the time to set them up; treating his wife like a Queen....

And minted. Never has to work again.

It's funny, I've worked SO hard to get where I am.

...but sometimes you just back the wrong horse. 🙄

Oh also: NEVER HAVING THREATENED TO TAKE A PERSON WHO LOVED HIM TO COURT.

I think that's probably one of the best ways to sort the gems from the coal.

Good people don't threaten to take their wives to court out of the blue.

Dena's letter will be in the British press before I die.

And you won't have any money left to sue me.

I even have a witness that you STOPPED ME FROM PUSHING Elsie out for 4 or 5 minutes until you had finished brushing your teeth!!!!!!

Believe me, the whole ROOM was shocked about that. Almost as much as they were when I started dying and you didn't so much as look over!

Oh! One last thing - do you want to write to Alun to break

the news that he has to sell his flat?

I don't mind doing it - but I will tell the truth.

ALL our assets have to be on the table, Coglet. But yours mostly, because you're the one who wants to go to court, and that will cost at LEAST \$200k.

I will talk to Wayne tomorrow. Maybe he can call Alun.

Do you have anything to do with Siwan's flat too? If so she needs to be made aware she'll be honest because of your narcissism

I have put a call into Gill and Pete - they are going to call me back. Just to check you haven't lent them anything. They're quite upset that you are throwing money at this instead of saying all the money for the kids college (they now will NOT be able to go) and sorting it out between us.

My car insurance will double.

I have pre-existing conditions, so my medical insurance will be around \$2k per month and THEN you're going to have to pay for every visit, plus eventual deductibles.

When you divorce, you lose Capital Gains Tax on the house, so that's about \$300k.

If you throw me out of the house, I will call all the tabloids in the UK.

There is NO going back now though. I just think you should know what you've gotten yourself into. You think you have a bad reputation now?

Lol! You think once it's over I will stop talking??? 😂

I am going to dedicate the rest of my life to spreading awareness of what you have done.

Oh shit I forgot! I have you on tape talking about the cast/ crew of Harrow and how many grams of cocaine they bought!

You should warn them. Especially Denly because I really like him. But hey - it's your decision to go to court and I can't really hide evidence, can I?

By the way - ALL these texts are caused by your decision to undertake this divorce with animosity and without speaking to me.

Poor Elsie even had to CORRECT you in the car. FFS. This will definitely be brought up.

Sun, May 23, 9:18 PM

So no Elsie today?

You broke the rules AGAIN?

Mon, May 24, 12:10 AM

Alice. You agreed in mediation that you would not contact me unless it was absolutely necessary regarding the children. This is harassment and abuse. It must stop immediately.

Call the lawyers then.

And show what a man you are.

A man who would spend \$1.5k to protect his feelings. \$1.5k that his kids will be deprived of.

Actually more, because then I'll HAVE to tell them about all the constant cocaine. Which will lead to a much worse week with much worse consequences and a lot more lawyer back and forths. 🙄

Wed, May 26, 9:48 PM

The girls wanted me to send this to you.

Had they not, I would not have sent it nor will I ever, according to the ministry rules.

Mon, May 31, 9:10 AM

Hi. Just checking to see if you are coming over this morning. It's our first time doing this exchange on a non school day. It was from 9 am that I had the girls on non school days. Seeing as this is the first time doing this, I can help come collect Elsie as I am so close. Please let me know. Thank you.

Mon, May 31, 11:28 AM

I would like to check in on the above please. I am available to come to collect Elsie. I am also at my home if you would like to drop her off here. Thank you.

Mon, May 31, 3:00 PM

OH SHIT!

Sorry!

Elsie is all cwtched up now. Do you want to pick her up tomorrow morning and take her to school?

Mon, May 31, 5:14 PM

Please take Elsie to school tomorrow and I shall pick her up from school at 11am. Thank you.

Mon, May 31, 9:08 PM

Great.

And after that I would like a session with Diane in order to discuss me getting full custody.

"Thank you"

FFS. You know that your mother writes that all the time?

I want full custody. I want the house. I want spousal support and child support. I want my medical bills and insurance paid. Car insurance too. Half of your life insurance. Half of your savings. Half of what you earn in the future.

I won't give up. You'll have to sue me. But you won't even win, because you have never looked after the kids. And if I need to, I'll borrow money from friends to hire shark lawyers. I have never spent more than 3 nights away from them. You have spent 80% of their lives away from them. I BROUGHT THEM UP.

Jesus loan - STOP playing games! You're in some fantasy world where Dena and Gill are sucking your nob and telling you you are in the right. You're absolutely NOT in the right. You walked out on your family. You won't even help them with the shit they have to do at home. THE HOUSE IS FALLING TO PIECES AND I AM SORTING IT OUT. You don't care about me or them or how we live. Imagine NOT caring how bad the situation was at your kid's house??

That is the first signal of a total narcissist. The other two are a) not caring about sex or if they are giving their partner pleasure (you never did - not once) and b) pretending to like animals when you don't (Gloria will testify about this)

You have broken my heart and it's very very hard to build it back up. But I will.

I have put signs everywhere saying "sewage, do not use" and hopefully the bath will hold out. Some of your stuff is on the floor because we were boxing it - I have put it out to dry. Is there anything in particular in that closet that we should put in another room? It may (and I mean may not 'might well' turn into one of those things that happened when Rachel was here and the whole house flooded.

I don't get that feeling.

And anyway, as you've made clear, this house is nothing more to do with you.

I just thought I should keep you in the know, since the last thing I want on top of all of this is Dena fucking Kleeman claiming I'm ruined some of your precious shirts or what not

Thu, Jun 17, 8:26 PM

Do you want to know how it went? Or are you not bothered about your stuff?

By the way I am taking the girls on a two week vacation to the seaside this summer. I will tell you about it through Diane, if that's still the only way you can bear to hear my voice!

We have rented a little cottage in Devon.

Thu, Jun 17, 10:23 PM

Now first of all, are you enjoying taking NO CARE for your kids welfare whatsoever? That's good. That's the way it's been since they were tiny.

You told Ella to "please stop Mummy from stopping you from seeing me". Is this Allan? Or is this Ivy? Or is this Dena and her Coven (with Woody in the background? Elsie also mentioned you had told her to say that "Mummy won't let Ella see you." In your dreams, loser. Ella doesn't want to see you because you don't give a shit about her. Give her some fucking credit, for Christ's sake.

Anyway no worries, because Ella recorded the entire conversation. (When you said "But it's Mummy who's stopping you from seeing me right? And she says" No! Why

maybe you should take a lesson from Harvey Weinstein - go after those who have evidence against you before provoking them?

Sun, Jun 20, 6:36 AM

Go ahead. Send this to Dena for \$1k. A thousand dollars that you could have put towards our kids college fund. (Which they will definitely now not have).

Go ahead. Tell Dena "look what Alice said about the prenup. Look how mean she is to me. How dare she be upset about us fucking her over completely? How dare she say unkind things to Little Lord Fauntleroy.

Please do it. Because every time you do, your lawyer complains to my lawyer. And my lawyer sends me the whiny complaint. And I keep it.

I just can't believe you made me think I was signing something that was protecting ME, and all this time - 14 years - you knew I had signed away almost all my spousal support. How could you live with yourself? How could you live with me? Whose idea was it to do something so heinous?

These texts will just continue unless you agree to talk to me.

You can complain to all the lawyers you like.

I am perfectly happy to have these texts printed in every newspaper in the world. Because I didn't threaten to take your kids away, and I didn't walk out on you, and I didn't spend all the kids college funds on litigators, and I'm not refusing to speak to you. Your actions are FAR more vindictive than the texts of a person living in grief and fear and daily sadness.

Sun, Jun 20, 7:04 PM

"Family unit ripped to shreds. For no reason". Quote.

"Those poor young girls"

Mon, Jun 21, 11:01 AM

We all know how you feel about me. It's very hurtful for me but I can deal with it. Let's concentrate on trying to mitigate the psychological effects on these sweet, sweet babies. Let's try to work as a team.

Sat, Jun 26, 6:53 AM

Oh God we're going to lose her too. She's desperate. I don't know who to call. Please help

If no amount of reason will work with you I'm going to have to reach out to other people. For God's sake. Help me. Help your kids. If you want to BE their Dad, then help them get through this without putting yourself first.

If you're just reading these I think she's ok. She seems to be asleep, finally. I am going to try to have a couple of hours myself before I check back to see what has happened with Tone. There is no need to panic.

Sat, Jun 26, 9:13 PM

"Intention to interfere with loan's employment"???

HA HA HA HA HA

Why? Why would I want less money for my kids?

I am printing and framing this. Along with the other gems from your lawyer. You should definitely keep her. She is just like you.

So I'm about to give a kidney to my brother. I'm unsure as to whether I will have a house or my kids in a year's time (Dena's emails suggest you are considering suing for full custody) I gave up everything to have your kids and am now too old to get back into the workforce. I lost the greatest love of my life, my best friend, the person I told everything to, the person I valued most in the world, the only person I can share my pride about my children with. Every day I have to resist the urge to text you with a funny anecdote or something sweet the kids did. On top of that I have to constantly reassure my kids that their life is not ruined.

And now crazy lawyer wants me to give up my First Amendment rights and gag me so that I can't even speak about my experiences?

Why would I do that?

You're just making it worse and worse. You're behaving like a victim when in fact you're the perpetrator.

I will NEVER agree not to speak.

Oh and I hear you are considering a restraining order to stop me texting you. My advice? DO IT! I thin that when you are on your death bed looking back it will be one of your proudest moments.

Sun, Jun 27, 12:19 AM

I look over at my Elsie and my Emma and I am SO GLAD I pushed for these two exquisite beings. They're both next to me now, full of love, as is this entire house. Ella we knew we wanted - we HAD to have a baby. Elsie was almost not had - similar to Emma. Love is such a wonderful thing.

Omg I am in heaven. This is all I ever wanted (plus you, but I now see that that's no longer a possibility) I am writing my notes my computer and I hear little Emma's short breaths beside me... next to her Elsie's slightly longer ones, and then a very slightly jealous Ella (!) on the sofa in the living room coming in every half hour to give e hugs. I am in

lioan

Elsie wants to sleep a little bit late if she manages to. (she usually doesn't)

She wants me to ask you if SHOULD she manage to sleep until say 9.30 or 10am, would it be ok for us to leave her sleeping and for her to arrive a tiny bit late at yours.

Please let me know ASAP.

Anything?

Seriously are you going to answer this? Yes or no?

Let's stick to the agreement of 9am.

To the detriment of your daughter's health?

I'm not even going to tell her you've answered that way. She was so sure you'd rather she got enough sleep. She said "I know he will be ok with it but I think it's polite to ask him"

Sat, Jul 3, 7:19 PM

Hey there - I have never spent a July 4th without my Sprout and I'm feeling ever so nervous and terribly sad about it.

Do you think we can share her tomorrow? 🙏

No? Ok. I understand you have taken her away from me to show me how much control you and Gill have.

Thing is, the pain of having a daughter taken away NEVER ever dies. People spend their entire lives fighting. My job was to look after them and I was doing a really really good job.

I think we should litigate.

Then I will be able to tell people exactly the things your Mom said to me and Ella with impunity. EVERYTHING is on the record. I'm tired of this shit.

I have wanted to take your Mam to court for at least 10 years. Everybody stopped me. They said I would lose you.

Well. Now I HAVE lost you! So I really need to publicize the vicious, verbal and physical attacks that I have taken from your mother. (Yes physical) I have at least 20 from the wedding who have signed forms.

She needs to know she can't get away with this forever.

PS: TWO of my signees are from your extended group! Quick! Call Mummy and Daddy like you did when I tweeted! Cry to them! Be the opposite of a man!

PS: These are not threats. I am not asking you for anything. This is WHAT IS GOING TO HAPPEN. Whatever you do. Do you see the difference?

It's more like tormenting you that threatening you. Tormenting you like you have tormented me by making me feel useless and ugly and adept at nothing for the best 20 years of my life.

Telling me I was stupid and a terrible actress and fat and not that pretty and FUCK me now I see you doing it to Ella! STOP!!!! Please!

PS: You know what, I am actually anticipating Dena's blood pressure rising when she reads these \$2,000 texts. She will be SO MAD! She might have to go off and buy herself a new car

Sat, Jul 3, 9:18 PM

These are the things I want to sue for:

Your mother called me a prostitute twice. Once in front of a big group of people once infant of my daughter! (That is defamation. What I did with you is not defamation because I said you were leaving and then you DID leave. If you'd

Also there is water dropping off the roof constantly and it hasn't even been raining. We have had the house snaked twice in the last few weeks and I don't know if maybe they broke a pipe.

It's so loud it wakes me up even with the plugs!

Sun, Jul 4, 10:11 AM

I'm sorry I sent ranting texts last night.

I'll try really hard not to do it any more.

I'm just really upset and sad 😞

I miss her so much.

Please dont waste another \$1k sending them to Dena.

Trust me - you have way more than enough ranting messages to hang me with in the courtroom.

Mon, Jul 5, 9:56 PM

Screenshot of your last message.

Abs that you don't think Elsie would like to say hello to me on July 4th.

Holy mackerel.

I want 70 -30'when you get back.

Wed, Jul 7, 5:58 PM

You want to SELL THE HOUSE????

ARE YOU OUT OF YOUR TINY MIND?

The kids CHILDHOOD?

And me? That would posh me right out of town into Woodland Hills or something. Just to get a rental I can afford

amora.

No fucking way. The house is a deal-breaker.

If you insist on selling it, then there is no point in me or the kids being here at all. We will return to England and start again.

You've wasted ALL our fucking savings on the wrong lawyers!!

My god you fuvking idiot.

Everybody knows to AVOID those lawyers but you just fell right in. Because they stroked your ego.

All that time I spent SAVING MONEY!!!! I could cry!!!

I'm going on Twitter to see if there is anybody who can put me up.

I can't live like this any more.

I need to know where I'll be this time next year. So do the kids.

Also the fans are going to start a Go Fund Me.

Kids both bawling their eyes out about losing their house.

WHAT IS WRONG WITH YOU? Are you incapable of loving them? Of giving them what your parents gave you?

There is no way I can afford to live in Los Angeles on what the heinous prenup gives me.

I've spent weeks. There is just no way.

So either I move to a nearby state (but then what is the point?)

Or I move them back to England.

You can fight all you want but you NEED me to look after them while you work. I have done this for 10 years. Jesus fucking Christ you must be made of stone.

When I look at all our colleagues, making things work, giving stuff up for each other.. (Kerry went and did THEATRE in DENMARK for God's sake) I cannot believe how self-centered you are. Do your kids mean nothing? Did I ever mean anything?

I don't think so.

I think the only person you want to impress is the one who gave birth to you and that will never change.

Look - do what you want.

But I will fight you till my last breath. I will never, ever stop fighting. I will use every trick in the book. And I will win. Because I have done nothing wrong. Not ever, in your regard, except adore you and the same goes for my kids.

Go ahead. Take it to court.

Thu, Jul 8, 12:45 AM

Hey cogs guess what I'm getting a full on litigator!!!

Somebody who will study everything you have done and find cracks in you just like the Evil Demon has been doing to me for four months.

I tried to mediate. I would have loved to have kept all our requests out of the public eye. But a litigator like Dena NFFDS to have everything public

NEEDS to have everything public.

I give up.

Go ahead.

May the best man win.

(and when I say win, I mean a fight that I never wanted and never started. I would have been perfectly happy with a separation. But no.. you brought the evil in. And now we can never go back. Please, always remember this).

Thu, Jul 8, 6:38 AM

Sell our home so that you can have your mid-life crisis?

Where would I live?

What would be the point in me living in LA? None at all!

I don't work here. I stay here while you work. If I'm in a crappy apartment why would I stay here? It's the most expensive city in the US. You've spent ALL our fucking money on the worst lawyers and your man box. And furniture. Why did you have to bring my life crashing down with yours? And the kids?

I'm reaching out to all our rich friends today to see if I can get a loan. Then I am going to start accepting the offers from the newspapers to tell my story.. There is already a bidding war. This house costs next to NOTHING compared to what it is. Wayne was CRYING on the phone.

I am crying. For our kids.

You should turn around now and say you are sorry. To all of us. Then you should get out of that ridiculous mid-town apartment and find one in the valley.

Then we should look into converting the garage so that you can stay there. I'm going to call you today. I need you to pick up. Ok?

Thu, Jul 8, 11:50 AM

IOAN. WE NEED TO TALK.

You think I am going to go away quietly and live in a small flat and agree to stay quiet? It's never going to happen.

So if you stop spending now, we don't have to do Ella the injustice of pulling her out of Brentwood.

DO THE RIGHT THING

Mon, Jul 12, 11:33 AM

Pick up the phone you coward.

Pick up the phone.

Pick up the phone

Fuck this.

I'm tweeting.

You've done it again. Congrats.

I am coming over to your house.

Your children have no bathtub.

We have no kitchen sink.

I have had Julian round. I have paid him. He fucked everything up

These texts are not helping you.

Call me. Please. Just call me.

Ok I'm calling the police to escort me to your house.

Mon, Jul 12, 1:03 PM

IOAN - do you want t your kids to have a house?

WE ARE LOSING THE HOUSE.

How will you tell them?

We will NEVER get back in the market to find a place like this.

It's for THEM.

NOT FOR US.

JESUS FUCKING CHRIST.

What is wrong with you?

Do you want to have everybody know that you lost your kids' home because you couldn't sit down and talk to your wife?

Mon, Jul 12, 9:58 PM

How do we find new soul mates?

I've tried. Nobody has come close to you 😞

So far....

Everybody tells me I won't be single for longer than 5 minutes and that all their male friends are asking about me but I'm just not quite feeling it yet.

Maybe it takes longer than we thought

I ran into somebody we both used to know the other day. Quite well. I won't say the name because it would be embarrassing. He said he was sorry to hear that 'the plague' had hit me too (I was confuse for a few seconds) and then he talked about his own divorce for way too long, and then he said "don't worry - everything happens for a reason" and for some reason I just burst into tears. At WHICH.... He said oh I'm so sorry did I upset you? You gotta move forward babe, not back' and decided it was a

I'm not being deliberately obtuse, I think it would help me to know.

I can't do it on my own and nobody else is around.

It's only 2 tiny scenes 🙏

WTF loan? So Barbara tells me you wanna litigate? Tell me yes or no because if so I have to get my web site up asap. Fuck this audition

And now I have to call Diane to tell her you misunderstood. Jesus fucking christ.

Are you coming to help me with the fucking tape or not?

Are you?

Are you?

You know that one day - in the not too distant future, you will NEED me. You will need my help for something. You do know that, right?

You will NEED me to say yes to something or to bring the children somewhere. Or to allow you to take them somewhere. The more you bully me and demean me the much less likely it is I will EVER help you in the future

Fri, Jul 16, 4:43 PM

Ok. Everything is now fucked up because Ella is VERY upset about not being able to attend Brentwood.

What a horrible man you are. Why would you do this NOW? I have told her she can go to Brentwood for at LEAST one year (with my savings) if Gloria will stay with her in your

flat.

Meanwhile we have a realtor coming over tomorrow to make a rough appraisal of how much we'll get for it and how much that would leave us. (After all the stuff we need to fix I think I will get \$300k and you will get about \$700k. Fucking IDIOTIC when you think the house will be worth \$5million in a few years, but hey - I've been living with loser loan for TWENTY YEARS and your decisions are ALWAYS TERRIBLE. So I'll see what they say, and see if there's a way to fight this. If there's not, hey - let it go. You will STILL have to come up with around \$300k for ME every year. So the money yo'll get from the house won't go very far. (Oh and if you don't pay I will sue your ass in court. With great pleasure)

SO.. I'm asking Mamgu and Tadcu about houses in South Wales. I think the best would be (if Ella doesn't want to leave LA) that I go to find a place in England with Elsie, get her set up at a school. (Welsh medium, of course - no kidding) And then Ella can be with you or Gloria in your little flat while this house gets sold.

It's a far cry from what we WANTED, my plan, which was to RENT this house or to EXTEND it, but to keep hold of it whilst finding other ways to make money. But I've done nothing but turn into a loser since I've been with you - and if this is the las thing you make me use then so be it. At least I'll be rid of you indefinitely.

I want Elsie back after three days. Ok?

loan- this is about the children so it should be allowed and not contribute to your 'list of reasons you would walk across the street to avoid me' (by the way we're you high when you wrote that?)

Listen.

Elsie cannot be returned to me with hair like that. I don't know what you have done or failed to do but PLEASE - either get a water filter (or just add powdered vitamin c to the rinse water) or make sure she uses a decent conditioner every time she washes her hair.

None of us have ever seen it like this - it feels like straw.

Also, I really worry about the games you play with Ella.

Yesterday I suggested she call and ask you to take her roller-skating in the park.

She had to put the phone down on you (apparently) because you weren't content just to take the offering, you wanted Gloria to bring her round in the morning?

loan- you KNOW what it's like growing up with a parent who always wants more. Who takes advantage of every phone call to ask for something.

We used to laugh at that!!

Please don't do it to Beans. She loves you. It's not her fault you're a fucking mental case who can't bring himself to pull up in front of his own home to pick her up.

Don't make her suffer because of your inherited mental problems. Please.

By the way - she actually DOES have her heavy period today (unlike you I don't lie) BUT.... if you'd seen her face when she realized you had gotten out of picking her up at her house - the one thing she really wanted.

She was devastated.

Please - be the bigger person.

You're totally fucked with me from now on - you will never, ever regain the incredible respect and love I had for you until last August.

But they STILL HAVE IT.

They adore the ground you walk on.

Don't bring them into what is nothing more than stupid Gill Griffiths type games your playing with me.

Don't do it. They don't deserve it.

Alice.

Due to your inability to adhere to the agreements we made in Collaboration and Mediation to only communicate about matters concerning the children, I am giving you notice that I am blocking all traditional avenues of communication and moving back to the Our Family Wizard app. As of today, the 22nd of July 2021, should you wish to contact me about any necessary matters to do with the children, please communicate with me on the app.

I have bought Elsie a phone so I may communicate with her directly. Tomorrow, I shall make arrangements with Gloria to deliver Elsie her new phone.

Thank you

If he was happy he wouldn't have let her go. He let her go cos he was in pain in that marriage. If he was wrong then he will regret it in a year. But I'm sure with the way she's acting he probably regrets not leaving sooner.

He wasn't in pain. For God's sake.

He was fie (when he was here, which was about 3 months a year.)

Then his dick got stuck inside a babe half his age. And that's when he started treating me like shit and making up stories.

You'd think, as a woman, you'd get it.

aliceevansgruff Hey Bianca Mae Wallace, stealer of my husband, ruined of the life I'd worked so hard to achieve and also person who makes my kid cry -aperson I will never forget ever.

Anyway somebody alerted me tonight that whenever I posted a relatively cute pic of myself on ivstagram, within about 19 minutes emergered a sock account pretending to be on 'Biava's side { although how one could be on the side side if a total bitch who manifested a father away from two lyrics girls who ducking ADORED him then I do not know, except to say that this person is completely devoid of human empathy.

Good luck, loan.

And oh, let's see what this pic brings out. I was tempted to out a picture of Bianca next to one of mine (after all the 'youre 50! Give up! You're so fat!).

But I didn't. Because that's not my way.

How do you like THIS one, BB?

I almost never go there, but occasionally gossip becomes truth and I look to find who started it.

Here's the thing. These guys will never change the public perception of me because I have been around for so long and been so kind to so many.

However it's telling that the woman with whom my husband has led a double life for 2 to 3 years is so nervous and vindictive. ('Tamika' on twitter is Bianca. Read some of the horrific things (eg you're just jealous cos you're sat there on your own with your kids doing watching cartoons and your husband is 7 inches inside me' 🤔)

I mean- yes. That was heartbreaking for me. But I knew it. And he chose her over me and my kids. So why was she so jealous? Why did he have to wipe his kids if his entire Instagram? If I met a guy who wanted me to get rid of the photos of my kids that would be my sign to call for a taxi...

What was behind her need to make SURE I knew?

I think Bianca Wallace is a psychopath who has a kinetic ability to make rich or famous people fall in love with her.

In 18 months, me and my girls have seen my warm, loving man change from a man with principles, who had decided to have a family and was determined to look after them to a person who apparently doesn't care about anyone at all. I'm totally confused. He hasn't seen his kids for 8 months and yet that doesn't seem to bother him. (for the record, 5-6 hours is my limit. After that I just crave them. Anybody understand?)

@

Gonna leave this now but I LOVE that all the tattlers think I' so mean and selfish.

spilani Calling anyone a psychopath is defamation. Please be careful

4h 3 likes

aliceevansgruff  @spilani I'm sorry?

Why is it a defamation?

Defamation is a false statement presented as a fact.

From everything I have gathered about this girl, she is a psychopath.

Try finding ANYTHING she's ever said on IG that is not about herself.

She has ZERO empathy, and her righteousness has rubbed off on my husband.

She already knew we were a happy family. She didn't care.

Now the night before last she urged him to fire our long-term nanny, Gloria. The only other love my kids have apart from me.

Who does that?

If I think I might POSSIBLY have hurt somebody- anybody, by putting the phone down too soon or turning up to a meeting in a bad mood abs not being my usual sunny self I feel awful for hours.

STEALING SOMEBODY's husband, setting up pap walks around their/ our neighborhood, pretending to be her cousin online abnd talking about my husbands '7 inch cock'which was inside her now and would never be inside me again.... Whilst I'm still it total shock?

Yeah. She's a psychopath

EVERYBOY is telling me to distance myself for you as soon as I can I because you are about to go down so far that you will never recover.

Some big-wig has picked up your coming out Instagrams (seriously why did you do this? I know it was your because I've looked at videos of her and she is super sweet and I don't think would ever want to hurt anybody)

People fel that because you were feeling low and in need of a boost then you took up with this teeny innocent cute girl who would do anything you wanted and make you feel big

So - I dont care about you any more. Neither do the kids really. I'm sure they love you but they cringe when the hone rings and it's you and they run away. Nothin to so with me.

So could you stay away from me too?

Also Stop the fucking PRIVATE SECRETS that you're telling everybody! I told you When I put on weight that I had a weird bulge BELOW my belly. IT CAME OUT ON TWITTER FFS!By your spokesperson!

I also said the dog smears food around my freshly lauderedwhite sheets. This came out too. Also the thing about when the dog brought in what I though was a bone and it turned out to be a shit.

How dare you tell these things to Bianca and her crew??? Do you want me to tell people that you can't get it up and you've had a hair transplant? And propecia? FUCK ME ioan. I understand. You turned me into a demon so that people would accept that you HAD to fall into Bianca's lovey arms to be saved.

Well you're a shit. And everybody in the world knows it now. So lets get this divorce done (I want almost twice what is offered. If you fight it I'll go to court. I have access to money.)

And then..... I never ever ever ever want to see your lying, creepy, angry, nasty , unkind and totally ungrateful face again.

To think. I thought I was HELPING you. I thought I was doing my bit for our family. I thought I was part of our diussions about how to get here and there. I was beside myself when we got you on the New Zealand fight.

You properly took the piss out of me didn't you. I'll never understand what I did wrong - or why you could;t just sit me down and say look Angel, kids I've fallen in love with a millennial who has been stalking Alice for a while. I would;t have minded. We would have sorted it out.

I would go into the FOUR other marriages she's ruined; Yes. I do have a private detective on her. So does one of th British tabloids

Well, I can't wait till she does the same to you. When her MS gets bad enough that you need to take her to all her castings in a wheelchair. I guess that love though - and to end on a kind note, although you poo-pood at times my illness, hers is probably more grave and if ou look at Selma then she won't be able to walk soon.

I thin taking on THAT, when you know if will make. You career very difficul, is. HUGE sign of love.

So you read it over an hour ago but no response.

Wonder why?

Remember when my Dad rejected his kids because he fell desperately in love with a very homely looking woman who was super vindictive and mean and half his age? And you said you could never do that?

And then the super nasty woman said our dad was not allowed to speak to us or spend time with us without the ho being there. And you said "My God I could never do that! My girls will ALWAYS come first..

Remember when my Dad became so obsessed with his incredibly mediocre but super egoistic new love that he just forgot all about his kids and decided they didn't exist if "SHE wasn't there, and you said "he is so vile. I wish I could call him". (But you didn't, because you've never called anyone out - you have no balls)

So - will Bianca let you take your kids out this weekend without her being there?

The parallels are INSANE.

Just to say that I am VERY disappointed that loan is now on what we used to call a "Europud" for \$250k (which doesn't even cover his excessive lawyer bills) at a time where, to quote Variety, it is an "Actor's Dream".

PLEASE read this article where it'll tell you that (mostly male) actors are getting between \$300k and \$1.5 million PER EPISODE on Netflix and Amazon.

I have been speaking to loan's ex agents and they all hate him.

Why is this?

They tell me his is difficult and difficult to place? Always wants the number one spot.

When I was helping him his public persona increased massively, and so did his jobs.

I don't even know why I'm telling you this, except to say that it looks like it's going to get uglier - for him - for you.

Meanwhile it's been a year since the absolute love of my life told me he didn't love me any more. I'm starting to move on. The girls are starting to move on. I wanted a family at all costs. For him, the family he has with you is more important than that - totally fine, Gill.

I can bring in one of the men who are courting me and I will finally have the family I've always craved (and that YOU have always had)

Good luck in the future.

I am only writing because I feel terrible for you all.

Ioan Gruffudd has brought shame on your entire family .

I am on thread now on Reddit and twitter and more local UK ones. People saying they watched Pobol y Cwm for many years but they no longer wish to hear about it because of the link to Ioan Gruffudd.

She are believing the whole family will not go to heaven. That God will not be kind.

I don't care. What he has done to me is beyond despicable and God will make a decision as to that. But to abandon his children? What sort of a mother let's her eldest son abandon his children and go off with a twice married hussy who is half his age and has publicly stated she is with him because she wants to experience the 'E2 high-life'.

Meanwhile the girls and I are saving very penny. Does that seem Christian to you?

My girls will be fine. I love them, Gloria loves them, Emma loves them. = Just maybe keep away now - now that we've found out everything he's done. Elsie is beside herself with sadness and disappointment and I need to build her back up.

Please. If you can't advise him not to make bad choices then at least take a step back - all of you, so that I can keep my kids safe.

Thank you=

We just had the police round here because I slipped coming out of the shower—and my two daughters were so worried they called the police and the paramedics.

Do you know who they didn't call?

Your son.
Their Dad.

They didn't call him because they have no faith in him as a father. = They don't think he has ever loved after me, and in that same vein they don't imagine he'll look after them.

Gill, when you rolled around on the floor in my house because you somehow imagined I had said you were a bad mother, you were wrong. About what I've said. But not about what I thought.

I think you are the most mean, calculating, egotistic, narcissistic, child-like 'mother' I have ever encountered.

You think only of yourself. You are like a child who has not yet been taught that other people have feelings too. You are quite possibly the most narcissistic person I have ever met. You love yourself, don't you?

You terrorized your two youngest kids into not having relationships, into having terrible low-paying jobs that kept them close to you and never gave them a chance to have their own lives. And we all felt sad. But we all thought that loan had got away from you.

Turns out he didn't either.

You are an egocentric, pathetic person who seeks to bring him there down because you can't bring yourself up.

The only thing people celebrated was that you're eldest son got away from you. But he didn't.

Your never ending unkindness towards me made me very sad. And very angry. And eventually loan chose you.

Well done!!

Three unmarried kids, and no grandchildren.

Because an evil bitch like you isn't going anywhere NEAR my beautiful babies. You think I want them to end up like Siwan.

Gill - I tried so hard with you but you just didn't want to have me in your family, did you?

Maybe you should have thought that out before you began your campaign of hatred on me.
