WHAT CAN I EXPECT?

Come prepared to get away from the ordinary! ECC offers every camper a chance to build relationships in a Christ-centered environment, to learn more about God, and to learn to treasure His Word.

THE GREAT KING

This year at camp, we will study who God is by looking at various attributes that He shows us in His word. We will study his goodness, justice, love and many more of His characteristics. Our great desire is that as we study and learn about God, we will learn how to worship Him correctly! We will also see just how different He is from us and how that's very good news!
