This message and everything below, are directly from America's Frontline Doctors and tens of thousands of other doctors, including those listed below, who have been researching this and have been silenced, arrested and blocked by the mainstream media. Dr. Tenpenny in Ohio has now testified in front of the Ohio State Government Health and Human Services Committee as of June 8, 2021, on these very issues.

Facts:

The "virus" and the "shot" are both manufactured. They are both bio-weapons. They are both manmade. Coronavirus has never been isolated. Therefore, the covid shots are not vaccines by legal definition, even if they have FDA approval or not. It will always be a bio-weapon, and people taking them are the experiment.

Dr. Fauci owns the patent on Sars-cov-2. You cannot own a patent on something that is not manmade. This is also why it has never been studied. Patented things cannot be examined by outside people.

There are going to be "booster" shots in the near future too. Do not take them. Stop taking all shots now and do not give them to children, ever, including the flu shots, as the flu shots will activate the spiked proteins that exist within the covid jabs. This will spark mass widespread illness and death. The illnesses and death will be blamed on "variants" of COVID. There are no "variants" and there won't be. The "variant" stories are all lies.

Permanent effects:

This first effect is true for every jab recipient:

- Compromised immune system for the rest of your life. The HIV-mirrored spiked protein is activated in the body due to the mRNA ingredient in all shots. May remain dormant for years, but 5-9 months from the last shot will show permanent compromised immune systems, in particular when catching a cold, taking a flu shot, or having the flu. (Flu shots don't protect against the flu. Flu shots are carcinogenic and are not effective).
- HIV (Human Immunodeficiency Virus) is listed in Fauci's 3,000 + emails, 179 times. Including in the ingredients of the COVID shots.

To: Fauci, Anthony (NIH/NIAID) [E] [redacted] (b) (6)
Subject: 2019-nCoV: potential infection on CD4 cells.

Dear Dr. Fauci,

As you realized the Indian researcher published a paper few days ago entitled "Uncanny similarity of unique inserts in the 2019-nCoV spike protein to HIV-1 gp120 and Gag", which was latterly withdrawn due to the controversial indication. I did a quick SWISS-MODEL online calculation. Page 1-3 of the attachment show the flexible loops of insertion "1", "2", and "3" originally from V4, V5 and V1 of HIV-1 gp120, respectively. But they are in presence on the spike protein of both bat and 2019 coronavirus (page 4 and 6). These insertions are potential CD4 binding domains (no proof yet but highly likely) and spatially won't interfere with ACE-2 binding domain (both SARS and 2019 coronavirus target ACE-2, page 5 and 6). In another word, the 2019 virus could be potentially dual-targeting, infecting the lung and potentially CD4 T cells too (like HIV, see page 6)!

It is **VERY URGENT** to have clinicians follow up the confirmed cases such as by isolating their CD4 cells and doing RT-PCR. Please reach out to them. Research labs including mine after obtaining Spike protein of 2019-nCoV shall examine its interaction with CD4.

NIH-002252

- Immediate death
- Paralysis
- Bell's palsy (facial paralysis)
- Sepsis (Sepsis is a life-threatening condition that arises when the body's response to infection causes injury to its own tissues and organs. This initial stage is followed by suppression of the immune system. Common signs and symptoms include fever, increased heart rate, increased breathing rate, and confusion.)
- Vascular swelling (bloated look)
- Sore arm
- Loss of consciousness
- Blood clots
- Heart attacks
- Heart palpitations/irregular heartbeat/
- Myocarditis; inflammation of the heart.
- Strokes
- Blindness
- Deafness
- Prion Disease (i.e., Mad Cow Disease): Spiked proteins that enter the brain and make people irrational and aggressive.
- Magnets sticking to the injection site of the jabs. Magnetism has been added to speed up the process of the mRNA spiked proteins, while allowing their bodies to be manipulated by 5G. This is referred to as "Transhumanism."
- Bluetooth turning on when jab recipients are close to Bluetooth devices
- Early onset dementia, Alzheimer's, ALS, and permanent mood changes.

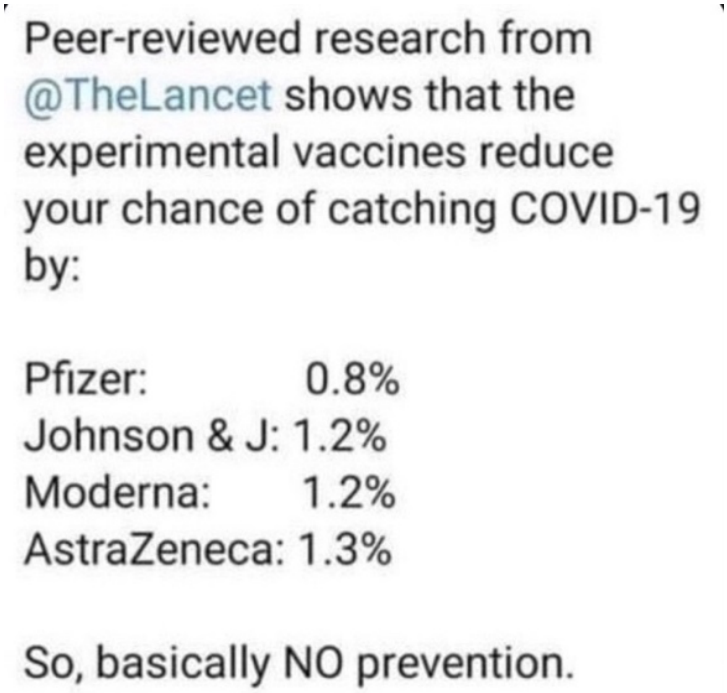

- Vaginal bleeding in post-menopausal women, and pre-pubescent children.
- Vaginally passing blood clots (all ages, babies too)
- Clumpy menstrual periods
- Infertility in all females (regardless of age)
- Sterility in all males (all ages) including erectile dysfunction and swollen/sore testicles
- Miscarriages and murder of the fetus in all three trimesters
- Shot recipients can now NEVER donate blood, breastfeed, donate organs. It's suspected that the spiked proteins are also sexually transmitted.
- The "yearly" flu shot activates the spiked proteins generated by the shots and makes people sick. Don't ever get a flu shot ever again. Stop giving these mercury and aluminum-filled carcinogenic shots to your children too.
- Shedding: People who have taken the covid shots are "shedding"/transmitting the viral load on those who have not gotten the shots, thereby making the non-shot recipients ill, bleed vaginally, make them sick, have strokes, vomit, miscarry, etc.
- The spiked protein activated from the shots attacks the organs when that person gets sick, thereby causing organ failure when someone gets the common cold.
- Causes cancer to return and kill those who have previously had cancer.
- People who get the shots, still get Coronavirus/COVID.
- More people have died and received permanent side effects from these shots and all other shots in the history of the world… combined.
- **Shots are not preventative, nor safe for anyone, regardless of age or FDA approval.**
- **A Company called NOVAVAX is combining the yearly flu shot and the COVID shot, in one, for people to take. DON'T TAKE THEM.**

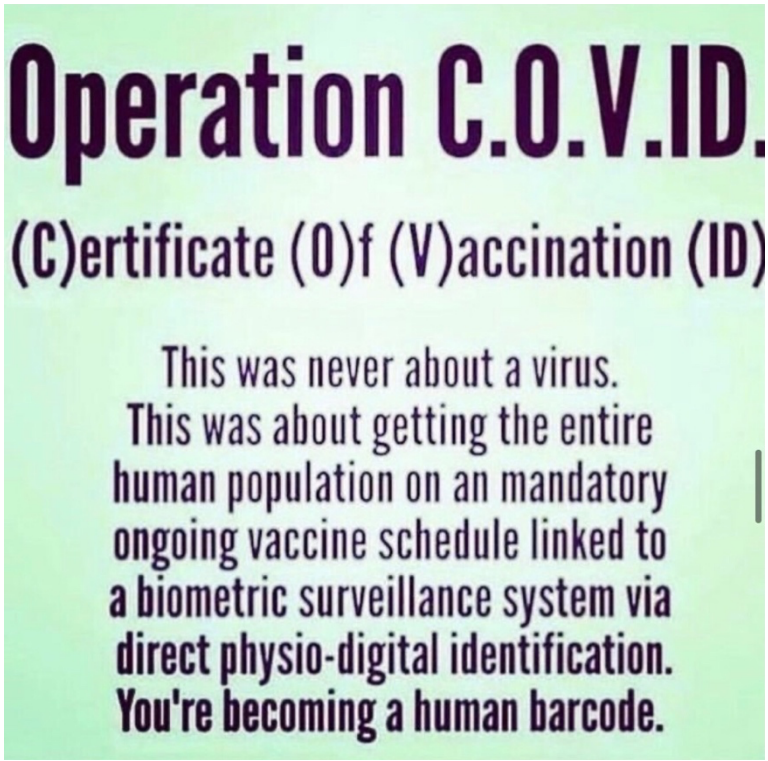

There are many more symptoms and causes as well.

The COVID Tests:

The COVID PCR/swab tests are 100% inaccurate. They do not test for the presence of coronaviruses. The swab tests contain Ethaline Oxide (EO). EO is classified as a human carcinogen. The fibers themselves at the end of the swab can break the blood-brain barrier and implant themselves in the meninges of the brain. It is mutagenic, meaning it changes the DNA/chromosomes in the human cells, in particular in children.
EO causes numerous types of cancer, including lymphoma, leukemia, breast cancer, respiratory illnesses, miscarriages, reproductive effects including testicular degeneration and tumors.
These tests are sold in stores for roughly $25. NEVER TAKE or DISTRIBUTE THESE TESTS.

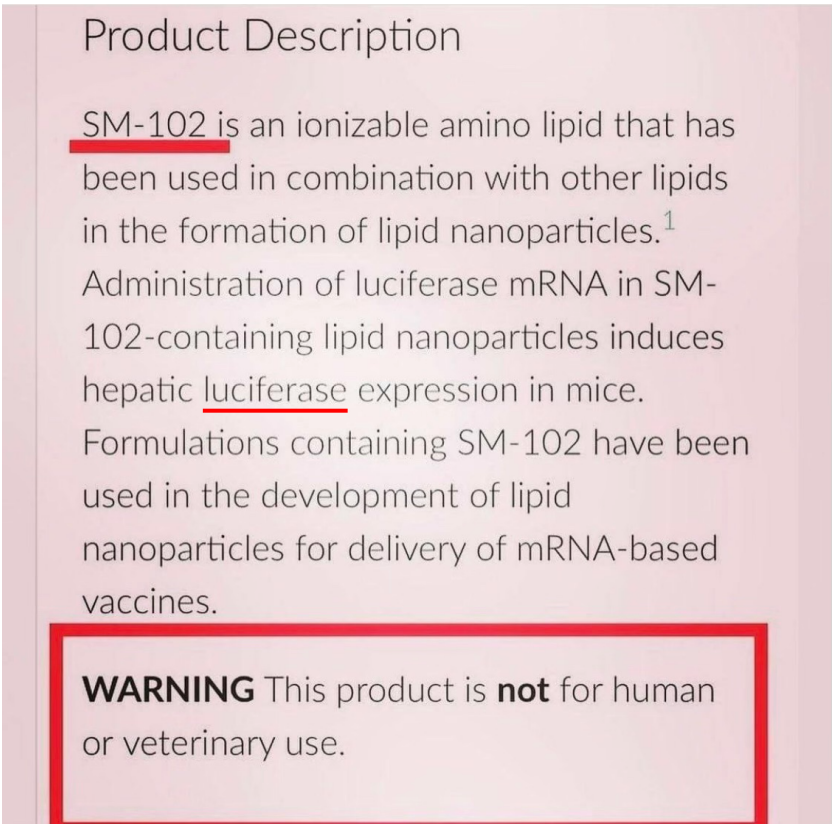

***The Lancet* is the largest medical journal in the world.**

"We conclude that the **Pfizer vaccines**, for the elderly, **killed** during the 5-week vaccination period about **40 times more people than the disease** itself would have killed, and about **260 times more people than the disease** among the younger age class. We stress that this is in order to produce a **green passport** valid at most 6 months, and promote **Pfizer sales**."

~ Haim Yativ and Dr Seligmann,
Israeli researchers

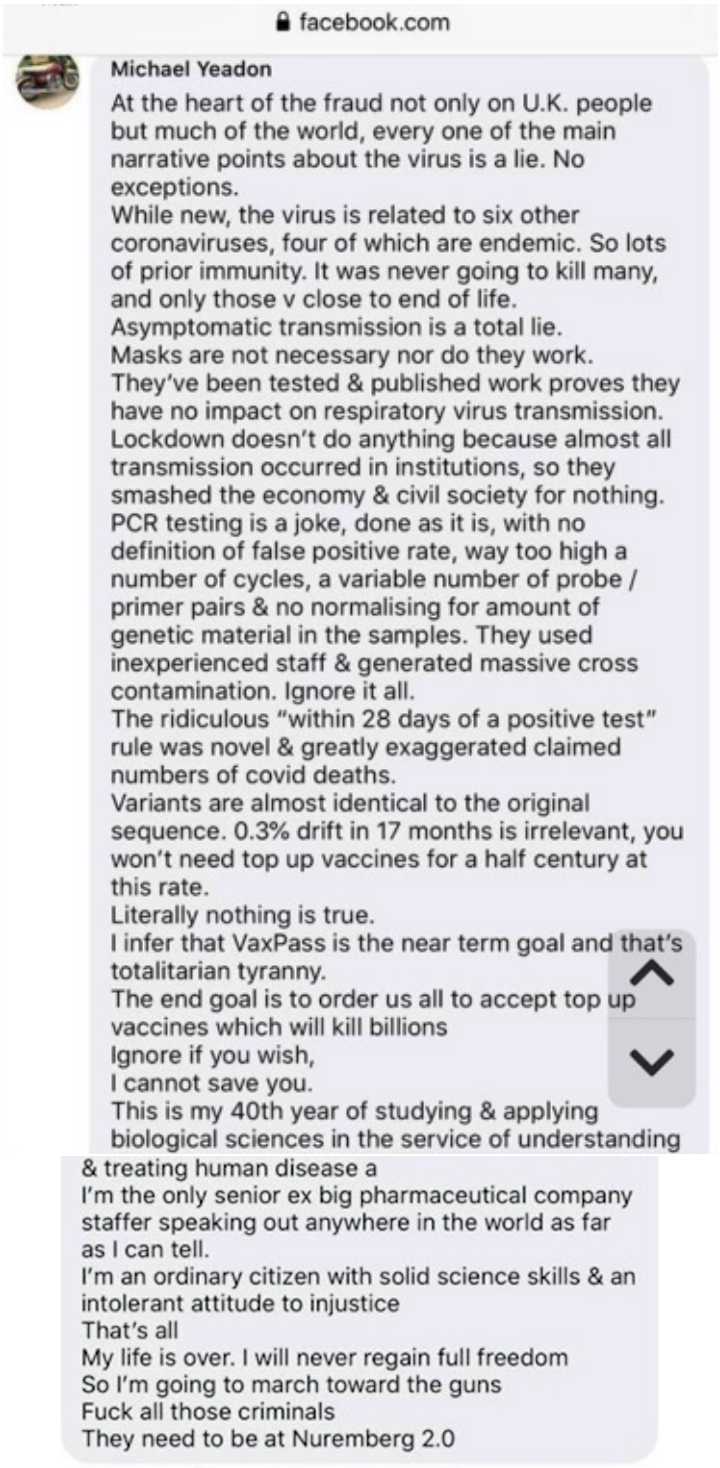

2021 MAY 20 The American Red Cross says you cannot donate Blood Plasma if you've had the vaccine

The American Red Cross says you cannot donate Blood Plasma if you've had the vaccine, because the vaccine wipes out the body's natural antibodies ORIGINAL SOURCE:...

Former VP and Chief Scientific Researcher at Pfizer, Dr. Michael Yeadon:

World Doctors Alliance
Forwarded from Mike Yeadon
SAGE has some modelling of deaths especially the fully vaccinated.

Sounds scary, yes? BUT the modelling is based on an ASSUMPTION. An assumption that variants arise which "escapes immunity".

In other words, they've no idea whether anything untoward will happen.

If their "guess" about variants isn't correct, bin the whole thing.

And will a variant that "escapes immunity" arise?

The empirical data speaks strongly AGAINST it. We're still at around 0.3% total mutation away from the original sequence.

In 18 months.

So, around 0.2% per YEAR.

Recall that those infected by & left immune to SARS in 2003?

They all had cross-immunity to SARS-CoV-2, which is 22% different.

Let me say it again. The human immune system EASILY sees two viruses which differ by 22% as similar enough that immunity to one confers immunity to the other.

Now ask yourself, considering the same immune system: if it easily copes with a 22% difference, what do you think the chances are that a 0.3% difference will NOT be recognised by our immune systems??

Yes, that's right. It's ZERO. It's impossible. It is not going to happen.

They're STILL LYING TO US ABOUT EVERYTHING.

Why? Because it's not about a virus & our health, but about total control.

They've absolutely no intention of "giving us back our freedoms". What an absurd concept, anyway.

All around the world, hidden from many of us by the LYING MASS MEDIA, people in other places are living entirely normal lives, forgetting about Covid19.

We get one chance to wrest back self determination: DO NOT TOLERATE A DAY LONGER OF THIS OFFENSIVE, ROAD MAP BS.

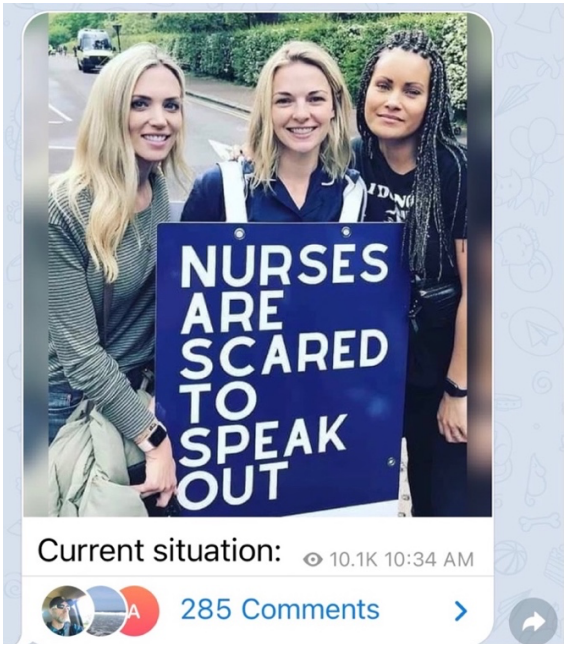

If you meekly comply with any further restraints, you're telling government & their advisors that THEY CAN DO DO TO US WHATEVER THEY WANT.

It's down to us. Please take everything back on June 21st, if you haven't already.

Dr Mike Yeadon

Countless nurses and doctors are being forced out of their professions for not complying with the shots. Millions are reporting corruption within their professions regarding the shots.
Many have quit because of the coercion and the corruption. Nursing shortages are huge right now, the same is true with the education profession. This will get worse, in particular when the jabbed begin to fall ill and die when reinfected with anything, including a common cold.
If companies are being sued to not mandate shots, that means the shots are unhealthy and don't belong in the human body.

@karis.111

Real cures don't require force, bribery, incentives, coercion, propaganda or elaborate marketing campaigns....but manipulative psychological operations do.

Maureen McDonald, Dr. Sherry Tenpenny, Dr. Lee Merritt, Dr. Christiane Northrup, Dr. Carrie Madej, Dr. Larry Polansky, Dr. Simone Gold ,Dr. Michael Yeadon, Dr. Mark McDonald, Dr. Peter McCullough, Dr. David Martin & Dr. Judy Mikovitz.

In Conclusion:

If you fail to comply with the facts above, and blindly follow governments orders to the contrary, you are in breach of your own contracts and could be subject to criminal prosecution. Blindly following orders and doing what government tells you is not a legal excuse. Civil or otherwise. Now that you are in receipt of the facts, you have no more excuses.

If nurses, doctors and health departments have not shared this accurate information with you they too are in breach of their oaths and contracts. These people are not professionals. They, too, will have blood on their hands and will be held accountable criminally for their actions.

If you continue with the measures that you have laid out for your districts (mask wearing, jabbing students/staff, social distancing etc.), you will have blood on your hands. You will have participated in the largest mass genocide in human history.
No one will forgive you. No one.
