

Summary: Private information supports what we have heard for the last week or so: Release of fund and 800#s is expected in the next 2 days. Back wall continues to be 9/11.

I apologize that the previous mailing was rejected by the fake news police. I thought I could bypass them if I didn't include any links in my email text, but for many of you, it was rejected, anyway. I had an important message on the main email page, and that caused you to miss the whole mailing. I will repeat the message here;

FOR THOSE WHO NO LONGER READ THESE POSTS

I strongly advise you all to at least pay some attention to the Summary portion of these posts. **It appears to me that there will be NO exchange/redemption of the Zimbabwe currency/bond after about 31 days from the release of the RV.** That is for the "Tier 5" people, or the "John Q Public" zim holders, or the unaware currency holders. Those are all terms for those currency holders who do not pay attention to the news of the RV/GCR. These people will still be able to exchange Dinars, Dong, Rials, and other currencies, but THERE WILL BE A TERMINATION of the handling of the ZIM.

For those of you who only occasionally pay attention to what is going on, if you find out about the RV being underway, there is a whole month in which you will be able to get an appointment and exchange, or redeem, your zim. **But if you miss that 31 day window, YOU WILL NO LONGER BE ABLE TO EXCHANGE.** That is the situation as far as we understand it today.

I have been trying for a day to find a way to get the newsletters to you. The Cabal Artificial Intelligence Fake News Police have blocked my outgoing email, even letters directly back to you. I have signed up for new Gmail accounts, and those have been blocked for about 1/6 of you.

I have tried to use the GGTrust Forum which we used before to post blocked issues, and it is no longer functional. So, we need to try something different. This may actually be a good thing for many of you, as it will allow you to interact with other actual human beings about the process.

I have opened a new SKYPE group specifically to post these issues. If you want to use it for chatter, that is fine, but for now, its main purpose is to give a place for the .pdf files of the newsletter to be posted. If you are already in SKYPE, just use the link. If you are not yet in skype, then I suggest that you may want to download skype first, before you try to follow the link to the SKYPE room / group. THERE IS NO CHARGE TO USE SKYPE FOR THIS PURPOSE. YOU DO NOT NEED TO BUY SKYPE CREDIT!!

Here is a link that you can use to learn more about this process;

<https://support.skype.com/en/faq/FA34572/how-do-i-join-a-skype-conversation-using-the-link-i-received>

AND here is the link to the room. Feel free to share it. If the room gets too big, we will split it.

<https://join.skype.com/tjYMbfvWHJG6>

I will see you all in skype!!

NOTE TO NEW SKYPE USERS:

If you don't have a Skype account, you can join a conversation as a [guest user](#). Keep in mind that your guest account will expire after 24 hours and is specific to the one conversation you've been invited to. Your guest account cannot be added

to a contact list or receive one on one messages. You can create a full account to enjoy all the benefits and features of Skype.

OWoN:

Reports are coming in alleging that Eric Holder, Bush Jr and Obama are blocking currency releases from a Dallas Texas Bank, with threats and blackmail, and that current Treasury release directives are being forcefully blocked by the above. PP Creditors are furious.

We are waiting on further details. Cornered Rats? When they get hung watch the Cabal fall apart. Deep State, Treason, execution no appeals. The Bushes, Obama, Clinton's, Holder, Greenspan, Cheney, and more, all dangling and watch the Deep State State fall. Military trials, why even give them the night, Nooses or the Firing Squads outside? Any Appeals Lawyers to be shot with them.

It's getting Public and dirty.

From Yosef—I have no idea if it is true or not

In Yemen, the amnesty door closed today. Now the last defiant rebel Houthi fighters will be destroyed by US and Saudi forces.

In Idlib, the amnesty door closed yesterday. As the remaining 50,000 ISIS fighters will all be destroyed by Iran, Russia and Syria forces.

In Palestine, the amnesty door closed on the Palestinian Authority this week. All obstacles working against peace between Israel and Palestine will now be destroyed by either Iran or Israel.

In America, the amnesty door closed on the cabal military and media network today. Whatever remnants of treasonous evil are being erased by Republic ghost teams tonight.

In Britain, the amnesty door closed Friday on Brexit deniers. The once royal cabal empowers of Eastern Europe are all being vaporized as this is post is written.

This final battle or benevolent sin needed to achieving global peace and prosperity... because it's happening right before our open but weary eyes.

Stunning New Briefings: Spy Satellites Down, Deep State Arrests Finally Imminent?

This is a **MUST-SEE** mega-article!

[CLICK HERE!](#)

This May Be The Big One....

Six different insider sources have confirmed that several spy satellites and computer systems for the Deep State have been blinded... in a stunning attack.

There is widespread agreement among these insider sources that some sort of major, visible action against this genocidal, globalist entity is now impending.

Three of these insider sources are only speaking to us at this time, at least in terms of any public figures they communicate with.

One of these sources is conveying the shared wisdom of five different military "units" of up to eight personnel each.

The code names of the now-disabled satellites are Snow White, Corona and Big Bird, followed by a one or two-digit number.

These covert satellites were apparently the communications backbone of the Deep State.

This mass shut-down of spy satellites appears to be a move that paves the way for swift actions that the Deep State cannot predict in advance.

This may come in the form of the unsealing of a whopping *fifty-one thousand, seven hundred and one* sealed indictments, and the arresting of the suspects therein.

Clear evidence also suggests that these perpetrators will be subject to military, not civilian, trials — meaning the proceedings will not drag out over ten or twenty years.

This is something all of us really need to think about and get clear on now, before any future data dumps that may throw us into emotional trauma.

Since the highest-level offenders will likely be prosecuted in DC, this mass event may come to be known as the *Washington Trials*, in homage to the Nuremberg Trials.

Now that these mass arrests may finally be imminent — after eleven years of reporting on this issue — this may be the most significant article we have written here in quite some time.
