EXT. SMALL VILLAGE - NIGHT - FLASHBACK

1

The Hedge Witch of the Coven of the Eight is terrorizing Rapunzel Tremaine's village. She's hiding in her house along with her parents, her two daughters and her husband Marcus. Drizella and Anastasia are crying.

FREDERIC

Rapunzel, you got to go with your family.

RAPUNZEL

I can't leave you here, father.

ARIANA

Listen to your father. We are old, we won't live much though, instead, you have a whole life waiting out there. Think about your daughters, Ana and Dizzy.

MARCUS

She's right, sweetheart. We need to go.

RAPUNZEL

I will come back for you, I promise.

FREDERIC

Now, go.

Rapunzel and Marcus stood up and they carried Ana and Dizzy to a cart. The Hedge Witch didn't notice them, she was busy stealing a baby. Instead, when Rapunzel looked behind, her parents' house was on fire. She could hear screams of pain and sadness. She whiped the horse, and they went right to the forest.

2

INT. DRACULA'S CASTLE - NIGHT

2

Dracula watches the egg hatching. It is a red, gorgeous dragon. His wings are tiny. The shadows of Emma, David, Snow and Hook are behind Dracula. He notices them while the newborn dragon climbs to his arm.

DRACULA

Who are you!?

EMMA

We are the Charmings.

(CONTINUED)

DRACULA

The Charmings? Really?

EMMA

My name is...-

DRACULA

Emma Swan, blabláblá. Yeah, then there's Snow White, Prince Charming, Captain Hook and Captain Nook.

SNOW WHITE

How do you know us!?

DRACULA

I've been in both the Storybrooke curse and the Seattle curse...

DAVID

I'm afraid we've got to arrest you. Due to Tiana's "murder".

DRACULA

Yeah. I'm guilty. I've also petrified Wish Henry, Hansel, Gretel and Violet Morgan.

HOOK

Where are they!?

DRACULA

Their statues are in a cave in the yard... Mombi put them there.

ROGERS

Dammit, Naveen must be there...

DRACULA

Naveen is also here? Curious.

DAVID

Where's Medusa's head?

DRACULA

It's on the table... (David grabs it)

EMMA

(Whispers to Hook) Why is he so willing to tell us everything?

(CONTINUED)

HOOK

I don't know...

DAVID

What are you up to!?

DRACULA

I was being threatened by the Order of Magic... they said that if I didn't join them, they'd kill my ex-girlfriend Charlotte LaBouff.

ROGERS

Charlotte LaBouff is alive!?

DRACULA

She is.

ROGERS

Who are the Order's members?

DRACULA

Baba Yaga, Mombi, Morgana LeFay and Winifred, Mary and Sarah Sanderson.

SNOW WHITE

(Her heart is ripped out by Mary Sanderson) ...!!

MARY

Hello, Drac! (Laughs hysterically)

DRACULA

What are you doing here!?

MARY

Winifred commanded me to do this, and I don't want to dissapoint Winnie!

DRACULA

You don't want to do this.

MARY

Believe me I do.

DRACULA

You won't be fast enough. (Faster than light, he quits Snow's heart from Mary's hands and returns it to it's owner. Instead, he rips out her heart) I guess we've got an infiltrate in the Order of Magic...

(CONTINUED)

SNOW WHITE

You are one of them, vampire.

DRACULA

If I didn't support them,  
Charlotte'd have died. And by the  
way, don't you see I'm helping you?

EMMA

Tell us every single detail of that  
order, then.

DRACULA

I don't really know. Baba Yaga is  
the only one who knows everything,  
not even Mombi does. Mary, go back  
to the Ugly Munchkin. You are our  
spy now...

INT. OZ COLLESEUM - MORNING

3

Zelena and Regina spent the whole night in a cell of the  
Ozian Collesseum, jailed by Wish Zelena. They were hoping  
Maleficent and Blue'd save them. No one came yet... until  
then. Regina and Zelena were in separated cells, full of  
plants and dirtiness. Regina hears a crack. It's Drizella.

DRIZELLA

Hello, Regina. Nice to see you  
again.

REGINA

Me too.

DRIZELLA

I owed you a debt, so... (Opens the  
door. She does the same with  
Zelena)

ZELENA

Hi, Dizzy. Please, break this  
handcuffs.

DRIZELLA

I don't have magic... Gothel stole  
it from me.

REGINA

Dammit, I forgot.

MALEFICENT

But we do. (Maleficent, Circe and  
Blue enter the room)

(CONTINUED)

CIRCE

(Throws a fireball to the handcuffs) Done. Let's go.

DRIZELLA

Who the hell are these three?

ZELENA

Maleficent, the Blue Fairy and... I don't know?

CIRCE

I am Circe. I'm a sorceress.

REGINA

There's no time for that, let's go!

WISH ZELENA

Not so fast... I'm the only one that can remove the barrier around the colleseum.

BLUE

Barrier? (Notices it)

WISH ZELENA

You have to defeat three beasts in order to escape. As there's no one for each, you'll do it in teams. I make them: Regina and Maleficent. Blue and Zelena. Drizella and Circe.

CIRCE

(Looks at Dizzy) You'll do it ok.

WISH ZELENA

The first team is Regina and Maleficent! I introduce you the first beast... (Teleports them to the pit)...Behemoth!

4

INT. HENRY'S HOUSE - DAY

4

Henry and Cinderella are doing the household jobs while Ana helps Lucy with her homework. Henry opens the window. A dove quickly enters and stands on the table with a letter:

"Mr. Mills, as Gideon's few alive familiars, we have to communicate you that in three weeks, Gideon will be returning home for the winter break. Sir Maurice French has already being communicated. Good luck, Ms. Flora, Fauna and Merryweather"

(CONTINUED)

HENRY

Well, well, well! Gideon is coming back soon!

CINDERELLA

Gideon? Your uncle? The one that killed Emma?

HENRY

Yes, but that was... his first life.

ANASTASIA

I wonder how thanksgiving would be in your family...

HENRY

Messy, the last thanksgiving we had before I went to your Fairy Tale Land, we were being threatened by the Evil Queen.

LUCY

Daddy, when will I go to Elphame Academy?

HENRY

Next class year, luckily.

LUCY

Cool! So excited!!

CINDERELLA

Well, you cannot go there without knowing it's history... why don't you go to Regina's vault and borrow Cora's spellbook?

LUCY

Aye, I will!

ANASTASIA

By the way, Drizella hasn't arrived yet... she went there yesterday afternoon.

CINDERELLA

I don't think something bad happened... we'd have heard about it.

(CONTINUED)

HENRY  
(The phone rings) Hello?

WISH ZELENA  
Hi, Henry!!

HENRY  
Aunt Zelena? How can I help you?

WISH ZELENA  
Not her. It's me, Wish Zelena!

HENRY  
...!!

CINDERELLA  
Henry?

WISH ZELENA  
Well, if you are wondering where is  
your mother, she's here with me  
along with Maleficent, Circe,  
Zelena, Blue and Drizella.

HENRY  
Where are you!?

WISH ZELENA  
Oz's colleseum. Don't you dare to  
come here if you don't want to  
entertain me.

HENRY  
I'm hearing a beast... what's  
there!?

WISH ZELENA  
Nothing, it's just Behemoth.

HENRY  
Behemoth...?

LUCY  
Oh my gosh, Behemoth is the hippo  
from the Bible!

HENRY  
(Remembers who Behemoth is) Oh,  
damn... new iteration of the guy  
that killed my great uncle.

WISH ZELENA

Yeah, that one. Let's get back on the topic. I need a heart. Can you bring me one?

HENRY

Never!

WISH ZELENA

Then, I recommend you to pray for their lives. (Cuts)

CINDERELLA

Henry? what's going on?

HENRY

Wish Zelena. She has Regina and Drizella.

CINDERELLA

Dammit... Lucy, go to school, it's getting late, we need to fix a few problems...

5

INT. TREMAINE MANOR - NIGHT - FLASHBACK

5

Anastasia and Drizella are outside the Manor with lanterns.

DRIZELLA

Why did you bring these lanterns?

ANASTASIA

I was hoping mom could see them and come back from wherever she is...

DRIZELLA

Sounds like a great idea!

ANASTASIA

Yes, it is. We don't have to lose hope. Never.

MARCUS

Girls, go to bed soon, we're going to the town tomorrow!

ANASTASIA

Kk, daddy! (Sends the lantern to the sky)

DRIZELLA

(Sends the lantern to the sky) Hope you come back soon, mommy. (smiles)

Rapunzel is counting how many days she's been spending in the tower. A year... she's losing all hope to escape. She hasn't eat or sleep in days. Suddenly, a yellow light enters through the window. The light takes corporeal form. He's a handsome, blonde, blue eyed and handsome man.

RAPUNZEL

Dad?

APOLLO

No, Rapunzel. You don't know me, my name is Apollo.

RAPUNZEL

Apollo? The god?

APOLLO

Himself.

RAPUNZEL

Why are you here?

APOLLO

I've been watching you since you got trapped here.

RAPUNZEL

Help me to escape, please!

APOLLO

I am afraid it's not that easy. Gothel is very powerful.

RAPUNZEL

Why are you here, then?

APOLLO

I've seen that you are losing hope... don't lose it, granddaughter.

RAPUNZEL

Granddaughter? What do you mean?

APOLLO

What you heard. Granddaughter.

RAPUNZEL

It can't be, you are not real! You are just fairy tales! This must to be a dream.

(CONTINUED)

APOLLO

It is indeed a dream. You will wake up soon, but I need to warn you: don't lose hope, I can assure you that in five years you'll find a way to escape this place. (Turns into a light again)

RAPUNZEL

Wait!

APOLLO

(Escapes through the window.  
Rapunzel wakes up)

RAPUNZEL

Oh, damn...! I had a nightmare... Good that Gothel hasn't arrived yet... (Warms the hearth) She doesn't like fire...

Marcus, Drizella and Anastasia are in the town. Drizella and Anastasia are playing in the wheel. Marcus buys apples, fruits and seeds. A woman is at his side buying a locket. The woman's daughter is playing with Ana and Dizzy.

CECELIA

I see our children are friends.

MARCUS

Yes, ma'am. Your daughter looks nice.

CECELIA

(Giggles) Thanks. Her name is Ella, how are they named?

MARCUS

Anastasia is the oldest and Drizella the youngest.

CECELIA

Oh.

MARCUS

Do you live in this town?

CECELIA

No, we are from the west but we decided to move to a town near here with my mother.

In the countryside?

CECELIA  
Yes.

MARCUS  
We also live in the countryside, in  
the Tremaine Manor.

CECELIA

MARCUS  
I've got a few horses, I'd gladly  
give you one.

CECELIA  
That's so kind, Marcus. I'd gladly  
accept it.

MARCUS  
You can call me Marc if you want...

CECELIA  
Sure, Marc.

ELLA  
Mom! When are we arriving to  
grandma's?

(CONTINUED)

CECELIA

By dawn. Marc's letting us take one of his horses.

I'd love to! (They smile at each other. Cuts to black. Scene changes)

9 INT. LUCY'S CLASSROOM - DAY

9

Lucy sits in her desk. Her classmates, are playing with cards. They are Tom Sawyer, Huckleberry Finn and more. The teacher, who happens to be Jasmine, announces that there is a new kid.

JASMINE

Hey guys, let me introduce you to your first classmate. What's your name, sweetheart?

CHRISTOPHER

My name's Christopher Robins...

JASMINE

Where are you from?

CHRISTOPHER

I'm from Victorian England.

JASMINE

Well... you can sit there, next to Lucy. Do you know each other, guys?

LUCY

No.

CHRISTOPHER

No.

JASMINE

Well, Lucy is the Good Queen's granddaughter and Cinderella's daughter.

(CONTINUED)

CHRISTOPHER

Glad to meet you. (Shakes hands with Lucy)

LUCY

So am I. (Also shakes hands)

JASMINE

Today we'll be studying History of the Land Without Magic, open your books at page 67, French Revolution part one, Tom, read.

Christopher was a cute boy. Lucy liked his appearance, but she needed to know his personality. He wasn't paying attention at the book. He was drawing a drawing of a yellow cute little bear, a tiny pig, a jumping tigger, a kangaroo and her son, a yellow rabbit, a sad donkey, etc.

LUCY

(Whispering) What's that?

CHRISTOPHER

They are my friends. This is Winnie-the-Pooh (Points at the bear), Tigger (points at the jumping tiger), Piglet (points at the tiny pig), Eeyore (points at the sad donkey), Rabbit (points at the yellow rabbit) and Kanga and Roo (points at the kangaroos)

LUCY

Your friends are... animals?

CHRISTOPHER

Yes, they live in a hidden district called the Hundred Acre Wood. Only children can pass.

LUCY

Did you go there...?

CHRISTOPHER

Yes, I went a few times. Would you like to come?

LUCY

Umh... we just met! I'd like to know you first, no offense.

(CONTINUED)

CHRISTOPHER

It's fine.

JASMINE

Lucy and Christopher! pay attention!

LUCY

Sorry, miss.

CHRISTOPHER

Meet me later when we have free time. (Reads the book)

LUCY

(Looks at him) Kk.

INT. CHAD'S HOUSE - DAY

10

Chad just finished planning the double wedding. He decided to call Zelena, Alice and Robin.

CHAD

(Calling Robin) Hey Robin, guess what, the wedding is finished!

ROBIN

Really? That was fast! Reeally fast!

CHAD

I barely slept, so it makes sense. I'm gonna need your mother to wake me up.

ALICE

(Hearts their conversation) Thanks, Chad! We love you!

CHAD

You're welcome, sweetheart.

ROBIN

Wait... give me a minute, the phone is ringing. I'll go, stay here, Alice

Robin answered the phone and came back two minutes later. Alice remained silent.

CHAD

Robin?

(CONTINUED)

ROBIN  
Wish Zelena. She kidnapped mom.

CHAD  
Was it Henry?

ROBIN  
Yeah, it was. He asked me to bring  
Lucy here. Of course I will.

CHAD  
Where will they go?

ROBIN  
They say neither Emma, Rogers,  
Snow, Charmind and Hook answer the  
phone. Drizella, Maleficent,  
Regina, Blue and Circe are also  
trapped with mom.

CHAD  
Dammit... what is Wish Zelena up  
to?

ALICE  
I wish we could know!

CHAD  
I'll rescue your mom.

ROBIN  
No, you're not going anywhere.  
Alice, bring him.

Chad appeared in front of Robin and Alice in a cloud of  
white smoke.

ROBIN  
You're a regular man...

CHAD  
Fine. But you're not going.

ROBIN  
Henry is.

ALICE  
Let's pray in the meanwhile...

They sat, worried, hoping Henry'd succeed. CUT TO-

11 INT. OZ'S PIT - DAY

11

Regina and Maleficent are facing the first beast. Behemoth. He was a big creature with enormous teeth. He was absorbing the fireballs they threw him. Mal turned into a dragon. Regina was using phytokinesis. Mal and Behemoth were face to face. They bit each other's neck. Regina also threw him a sleeping curse. Useless. Mal turned into a person again.

MALEFICENT

I have an idea. Come to my back.  
(She turns into a weak dragon)

REGINA

(Goes to her back) Oh... I get it.

Maleficent flew directly to Behemoth. When they were close enough, Regina ripped his heart out.

REGINA

Behemoth, kill Wish Zelena.

WISH ZELENA

(From the balcony) It'll be useless, do you think I wouldn't put a barrier?

REGINA

Ok, then. (Crashes his heart) We won.

WISH ZELENA

Go back to the cells. Second team's turn. (Teleports them back to the cells, and instead, brings Blue and Zelena)

12 INT. TREMAINE MANOR - AFTERNOON - FLASHBACK

12

It's been five years and a half since Marcus married Cecelia. Rapunzel has come back. She poisoned Cecelia's heart that afternoon. Rapunzel watches Cecelia from her balcony.

CECELIA

Happy, right?

RAPUNZEL

(From her balcony) Yes.

CECELIA

Life will hit you with the same coin.

(CONTINUED)

Rapunzel didn't answer.

CECELIA

Don't worry, I'll be here to do that. I will find a way to heal my heart. (Rides off)

MARCUS

(Goes to the balcony and sees Cecelia leaving) Cecelia! Where are you going!?

Cecelia didn't hear Marcus. Marcus came downstairs. Rapunzel followed him.

RAPUNZEL

She's gone for real.

MARCUS

I refuse to believe it. (His tears fall)

RAPUNZEL

Let's go inside. I will make some tea for you.

MARCUS

(Sits on the sofa) What am I gonna tell Ella and the children?

RAPUNZEL

The truth. She abandoned them.

Ella, Drizella and Anastasia come to the living room.

ELLA

What? Mom... abandoned us?

RAPUNZEL

Yes. She did. She escaped with a bag full of gold before she left.

MARCUS

Go to sleep, girls. It's too late.

Anastasia was shocked, while Ella and Drizella broke down. Anastasia took them to bed.

ANASTASIA

Go to sleep, girls. There must to be a reason.

(CONTINUED)

ELLA

There's not. True love is fake,  
it's not real.

ANASTASIA

It is real, Ella, don't say that.  
We will find her again.

ELLA

I'll find her myself one day...

DRIZELLA

Shut up! She will never come back!  
(Cries)

ANASTASIA

Drizella. Stop it.

DRIZELLA

You read too much books, Ana. True  
love doesn't exist.

ANASTASIA

Fine. Sleep, we will talk tomorrow.

Anastasia went to her bed. None of them could sleep that night. Ella kept crying, but Drizella stopped at some point. Scene ends. Cuts to-

13

INT. OZ'S PIT - AFTERNOON

13

It's time for the second team to fight. Zelena and Blue. Wish Zelena was still in her balcony, making a spell in a cauldron.

WISH ZELENA

Guards, set free the second beast!

The guards pulled a lever. The pit opened in two parts. The middle of the pit was not filled with water. There were a few stepstones in the water. They could use it to pass to the other part of the pit. A beast emerged from the water.

WISH ZELENA (CONT'D)

Let me introduce you to the  
Leviathan, envy's child! The  
Leviathan!

BLUE

Oh, damn it...

The Leviathan had a large tongue. It had acid. He roared to Zelena and Blue.

(CONTINUED)

WISH ZELENA  
Start the fight! (Giggles)

The Leviathan, at first, destroyed the right stepstones. Blue went to the other side of the pit, before he could destroy the left stepstones. Zelena stayed in that part. The Leviathan indeed destroyed the other stepstones. Behemoth's body was now floating in the water. Zelena threw him a green spell. Blue threw him a blue spell. Nothing happened.

BLUE  
(Takes her last bottle of Fairy Dust and flies. There's still half of the fairy dust in it. She summons plants) Eat this!

ZELENA  
And this! Rip his tongue out with the plants!

BLUE  
Kk. (Moving the plants with her mind, she placed them around Leviathan's tongue and ripped it out) Sorry!

The Leviathan attacked them now even more. He hited Zelena very hard. Blue hited him too. The Leviathan jumped, trying to catch Blue in the air.

BLUE  
Watch out!

ZELENA  
Blue, the dust! Throw him the dust!

BLUE  
What do you... Oh! (She poured the Fairy Dust on the Leviathan's back. He lifted) He's losing his air!

When the Leviathan spent too much time in the air, he died. His corpse was now floating besides Behemoth's.

ZELENA  
We won!

WISH ZELENA  
Ugh! Fine! (Teleports them back to the cells. Now, she brings Drizella and Circe)

It was now the last team's turn. Drizella smiled at Circe.

14 INT. TREMAINE MANOR - NIGHT - FLASHBACK 14

Marcus is gone in New Wonderland, searching for Cecelia. Rapunzel is angry and sad because of Anastasia's death, blaming Marcus and Cinderella for it. Drizella and Ella were sleeping. Someone knocks the door in the middle of the night. Rapunzel opens it. It's Prince Calvin.

CALVIN  
Shall we go, ma'am?

RAPUNZEL  
Let's go. (She closes the door  
without making a noise)

Rapunzel and Calvin went to the stables.

15 INT. STABLES - NIGHT - FLASHBACK 15

CALVIN  
Tell me your plan.

RAPUNZEL  
Marcus is coming back tomorrow evening. I need you to stop his cart and throw him to the ice lake, drowning him. You can do whatever you want with his body.

CALVIN  
Do you promise to give me the crops?

RAPUNZEL  
I promise. I will plant them tomorrow, when there's full moon.

CALVIN  
Fine. We're getting rid of Marcus Tremaine tomorrow. Do you want us to tell him something?

RAPUNZEL  
Yes. I want.

CALVIN  
What?

RAPUNZEL  
I want him to know that I poisoned Cecelia's heart.

(CONTINUED)

CALVIN

Good. Farewell, ma'am. (He goes out of the stables and rides his horse. He rides away back to his castle)

RAPUNZEL

Farewell, Marcus, I hope you reunite with Anastasia soon...

16 EXT. ROAD - EVENING - FLASHBACK

16

Marcus is returning home, sad, after he found out Cecelia died. A group of guards is standing in the middle of the road, including Prince Calvin himself. There is a lake near them.

MARCUS

Your majesty (reverences) Why are you here, sir?

CALVIN

Seize him. (The guards take Marcus by his arms)

MARCUS

Excuse me!?

CALVIN

You know what to do.

MARCUS

Let me go!!

The guards drag Marcus to the lake. They drown him.

CALVIN

Rapunzel poisoned Cecelia's heart.

Marcus dies. They steal his horse, his gold and they return to the Tremaine Manor.

17 EXT. TREMAINE'S MANOR GARDEN - EVENING

17

The Prince and his guards return to the manor. They are greeted by Rapunzel.

CALVIN

Done.

Unknowingly for them, Ella was watching and listening from the distance.

(CONTINUED)

RAPUNZEL

What did you do with his body?

CALVIN

We just left it on the lake. It will probably be frozen in a few hours, if not minutes.

RAPUNZEL

Good. Follow me, I'll give you the crops.

Ella is shocked. She runs away to the forest.

18

INT. ALICE'S AND ROBIN'S HOUSE - AFTERNOON

18

Chad, Robin and Alice are worried for their beloved ones.

CHAD

Do you have something to tell?

ROBIN

Not really... why don't you tell us about your Wonderland adventures, Alice?

ALICE

I'd prefer not to... it's a sad story...

ROBIN

Trust us, we won't tell.

ALICE

Fine... my Wonderland friends... they are gone.

CHAD

You mean they're-

ALICE

...dead.

ROBIN

Sad to hear.

ALICE

Yes, pretty sad to hear.

CHAD

Not even one of them survived?

(CONTINUED)

ALICE

I don't think they survi- (Alice looks through the window)

Robb, the White Rabbit, was there!

ALICE

I will come back in a few minutes!

ROBB

Oh dear! Oh dear! I shall be too late! (Jumps and runs)

ALICE

Robb! Wait!

Alice follows the White Rabbit through the streets of Storybrooke. Scene cuts to-

19

INT. OZ'S PIT -NIGHT

19

WISH ZELENA

Third team, let me introduce you to... Ziz.

Ziz was a bird. He was huge. The guards freed him from an orb. Ziz roared at Circe and Dizzy. Circe was confident. Ziz scratched Circe with his long nails, but she didn't seem to be affected. Circe knew that fireballs and spells wouldn't affect him.

CIRCE

There is an easy way to end this. (She moves her hands, lifting the Leviathan's tongue. She drains the acid, throwing it right to Ziz's face. Ziz screamed) Done.

A few minutes later, Ziz fell to the water like Behemoth and the Leviathan.

WISH ZELENA

(Shocked) G-Guards! Off with their heads!!!!

CIRCE

Don't worry, Dizzy. (She sends the guards to the cells) This bitch's small tournament is over. (Brings Regina, Maleficent, Blue and Zelena. They are teleported to the balcony)

(CONTINUED)

DRIZELLA

In your face, bitch.

WISH ZELENA

It can't be... oh, wait! (She looks at the cauldron) The spell is almost over! (The spell becomes a cloud of green smoke, lifting to the sky and disappearing)

DRIZELLA

Your spells sucks, it's... gone.

WISH ZELENA

It takes time, bruh. Oh! Where were we?

CIRCE

About to kill you.

WISH ZELENA

Fine, but you need to defeat the last boss in that pit: me.

They all go to the pit, facing the last boss. They are surprised to see Circe's power, killing Ziz in less than five minutes. The camera focuses on Wish Zelena, before the episode ends.
