A Harvest Prayer

Creator God, forgive our moments of ingratitude, the spiritual blindness that prevents us from appreciating the wonder that is this world, the endless cycle of nature, of life and death and rebirth.

Forgive us for taking without giving reaping without sowing.

Open our eyes to see, our lips to praise, our hands to share.

May our feet tread lightly on the path we tread and our footsteps be worthy of following for they lead to you. Amen

Psalm 104
