## >> What Is COMMUNITY FIRST?

COMMUNITY FIRST, which will be held on November 22<sup>nd</sup> 2017, is a day that unites FIRST teams all around the world. On this day anyone from FIRST Lego League to FIRST Robotics Competition, will be united under the common goal to volunteer in their community and to [spread Science and Technology](#).

## >> COMMUNITY FIRST Facts

Over **100** FIRST teams from **9** countries around the world participated in 1st Community FIRST day: Israel, Turkey, Chile, Brazil, USA, Canada, Mexico, Australia and Bosnia.

**2609** volunteers and **7378** people were involved!

## >> COMMUNITY FIRST Goals

1. Uniting the FIRST community under an important purpose - to distribute Science and Technology.
2. Encouraging the progression of Science and Technology and expansion of the FIRST community globally.
3. Volunteer in the community in creative ways.
4. Sharing and teaching the spirit of volunteering to teams that may not or do not know it.
5. Allowing veteran volunteer teams an opportunity to expand their volunteering activity.
6. Bring together the new generation of leaders under a positive goal and to keep the volunteering going past COMMUNITY FIRST Day

## >> How to get involved?

- Find a community, team, or place in your area.
- Think, or choose a creative activity to stimulate science and technology within that community, team or place.
- Set a time period for activity.
- Volunteer!
