<u>The benefits of testamentary trusts</u> · Derek Cooper, Senior Wealth Advisor · Scotia Wealth <u>Management</u>

A testamentary trust is created in a Will and comes into effect only upon the testator's (Will maker's) death. Like all trusts, it creates a legal relationship between the testator, beneficiaries and trustee.

The testator creates the terms of the trust through the Will and funds the trust through the estate on death. <u>The trustee</u>, appointed under the Will, assumes legal title to the trust property and manages the trust in accordance with its terms, for the benefit of the beneficiaries.

Trusts in Vancouver and British Columbia, Canada (bcheritagelaw.com)

A **trust** exists where a person called the "**Trustee**" has an equitable obligation to handle property for the benefit of a person called a "**Beneficiary**". The person who created the trust is called the "**Settlor**".

A trust can be created by a written document, called an **express trust**, or it can be created by implication, called an **implied trust**.

A trust is usually created by:

- 1. a written trust document created by the settlor and signed by both the settlor and the trustee (often referred to as an *inter vivos* or "living trust");
- 2. an oral declaration;
- 3. a will, also called a testamentary trust; or
- 4. a court order (for example, in family proceedings).

A trust requires three certainties:

- 1. a clear intention to create a trust;
- 2. clear identification of the property or subject matter of the trust, and
- 3. clear identification of the beneficiaries (objects) of the trust.

Trusts can be useful in estate planning:

- centralize ownership and management of assets,
- provide flexibility in future wealth distribution,
- protect assets from third parties,
- shield asset ownership for privacy, and
- delay or **avoid** probate procedure and **probate claims**.

A testamentary trust (Last Will and Testament) allows you to decide, while you are alive, how the wealth you bequeath should be used. This type of trust specifies who the beneficiaries of your estate will be, but also how they will access the funds and, above all, under what conditions.

A testamentary trust is a contract that entrusts the administration of your estate to an intermediary. A testamentary trust involves three parties: the transferor, the trustee and the beneficiary.

- The transferor is the testator, the person setting up the testamentary trust, upon their death. The trust lasts until the inheritance has been fully distributed.
- The trustee, named by the transferor, is responsible for administering the wealth in the trust. They must report on the management and administration to whomever the transferor has designated. They ensure the beneficiaries' rights and assets are protected.
- The beneficiary is the person who receives, under certain conditions, the assets bequeathed to them. Typically, a beneficiary can draw an income from the trust until they are able to cash in the trust in its entirety.

A testamentary trust is particularly useful in two situations: when the beneficiaries are bad at managing money or they have debts. In such instances, a trust will ensure healthier inheritance management.

A testamentary trust is a good way to protect the bequeathed wealth. The person who has died can remain in control of their assets after death. They give what they want, to whom they want, under the conditions they want.

Since a trust is a legal entity with its own assets, the bequeathed inheritance remains separate from a beneficiary's wealth. The trust is a legal entity in its own right. The funds held in it are unseizable and are not part of the beneficiary's wealth. For those who have financial troubles, their inheritance will be safe from creditors.

You can literally put anything in a trust: a house, an RRSP, a life insurance policy, a vehicle, biological real property—even an art collection.

This power applies even if the property is not an investment authorized under this Will, a debt is owing on the property, or the property does not produce income.

This link http://seniorsfirstbc.ca/resources/legalresearch-articles/shared-ownership-ofproperty-article/ provides counsel pertaining to a surviving spouse's right of survivorship for joint ownership of tenants-in-common.

family.legalaid.bc.ca

If you own the house as **tenants in common**, after your spouse dies, their share goes to:

- the person it was left to in the will, or
- their general estate.

The title deeds of your property will tell you if you're joint tenants or tenants in common.

If it doesn't actually say "joint tenancy" (or if it doesn't call you a joint tenant), it's automatically a tenancy in common.

What is the nature of the ownership if the nature of ownership is not stated?

If the ownership or title document says nothing about the nature of the ownership, <u>AS A</u> <u>GENERAL RULE BC LAW ASSUMES THAT</u>:

• For personal property (eg. cars, bank accounts, etc), the ownership is a joint tenancy; and

• FOR REAL PROPERTY (EG. HOUSE), THE OWNERSHIP IS A TENANCY-IN-COMMON.

Right of Survivorship

The right of survivorship is an attribute of several types of joint ownership of property, most notably joint tenancy and tenancy in common. When jointly owned property includes a right of survivorship, the surviving owner automatically absorbs a dying owner's share of the property. Thus if A and B jointly own a house with a right of survivorship, and B dies, A becomes the sole owner of the house, despite any contrary intent in B's will. In BC do tenants in common hold survivorship rights to a homestead when a spouse passes away? Yes, tenancy in common is a type of joint ownership. Is Victoria Ann, Executrix, Trustee and beneficiary of the Daley Family authorised Trust to claim survivorship rights of the homestead pursuant to legal remedies provided to tenants in common? Yes, she will exercise this right of survivorship.

Armed with the truth previously explained Jack Daley's Testamentary Trust is not subject to a probate application to obtain a Grant of Letters Probate. Letters Probate is a process

Living Trusts: Do They Protect Your Assets From Creditors? - GLOBALINX CANADA

Living Trusts: Do They Protect Your Assets From Creditors?

A surprising number of readers want to know "Can a living trust protect my family's assets from creditors and lawsuits?"

I think there are some promoters out there that use this as a pitch to get people to set up a living trust using their services:

"Transfer your assets to a living trust and hide them from your creditors," are the claims.

Sorry, that's not the law.

Let's have a quick review of a revocable living trust. Basically <u>a trust is "a legal</u> arrangement where property is held for the benefit of someone." In other words, you "entrust" title to your assets to "someone" who is instructed to use and manage those assets per the terms of the trust document.

A trust is revocable if it contains language that allows you to change your mind and terminate or modify it. In California, the Probate Code specifically states that all trusts are revocable, unless specifically stated otherwise.

A trust is called a "living" trust because it is set up by you while you are living. If you set up a trust through your will, it's called a "testamentary" trust since it is created through your last will and testament.

The right to revoke your trust means you can remove any asset from the trust title at any time you choose.

Since you have the right to revoke the trust, you are treated as the legal owner of the trust assets for purposes of income tax law or creditor collection law.

So, the general, basic answer to the question, "Will my revocable living trust protect my assets from my creditors?" is no. Since you can remove any asset at any time, your creditor can force you to remove the asset.

Now there are types of "irrevocable" trusts that can be used for protection of "spendthrifts."

(That's the fancy term for someone who can't manage their own property due to lack of sophistication, gullibility, or other problems).

I know a family where one son spends money as soon as he gets it.

He gives it to friends, spends it on new toys, whatever. He just doesn't have a healthy concept of money and can't keep it. He is a classic "spendthrift."

In his parents' case, what they have done in their living trust is said, in effect, after they're both dead, the spendthrift son's share of the estate will be held in an irrevocable trust for his benefit.

He is to be given a monthly draw on the trust until he dies or until the money runs out.

In that case, **the <u>money</u>** in the "spendthrift trust" is sheltered from</u> the son's creditors since he does not, nor did he ever, own the assets held inside the trust.

Sure, the creditors can get his monthly draw once he gets it, but the main trust is sheltered for his benefit.

That is a classic and perfectly legal way of sheltering assets from the creditors of a "spendthrift" using a living trust (it can also be done using a testamentary trust).

Good luck and until next time,

Phil Craig

Avoiding ownership of property in your own name

Most debtors are often wondering whether creditors can 'take' or seize their house in Canada. However, ideally speaking, if you are a debtor, then it's best to not have any property in your own name. If you are married then any assets that you purchase should be purchased in the name of your spouse.

It would be worthwhile to introduce the term "judgment proof" here and what implications it can have for debtors in Canada. There are certain exemptions to the judgments that creditors have obtained against debtors. If these exemptions apply to all your property, wages, and other assets, they make you judgment proof as creditors cannot enforce the judgment. In short, this means that the debtor does not own any or enough property or claims the benefits of exempt property.

One of these exemptions is jointly owned assets – assets that are co-owned by you and another person. As such, these are exempt from judgment unless both of you are subject to the judgment. So it is a good idea for debtors to co-own assets with a co-owner who ideally is free of any debts, if owning an asset in one's name is unavoidable.

The following document is a personal line of credit secured by a mortgage held only in Jack's name. I Victoria Nevens am NOT part of this contract therefore legally not responsible for this alleged debt. The payment due fluctuated monthly, was NEVER an automatic payment coming out of my spouse's account instead Jack would visit a CIBC branch location to make the monthly payment.

Agents of CIBC stopped sending the personal line of credit statements to the homestead after the testator passed being well aware Victoria N is not legally responsible for a loan contract my spouse guaranteed pursuant to the Law=Testamentary trust Section 3, 4 (a)(b). I am being persecuted, terrorized, extorted for monies I do not owe by criminal organization CIBC and its criminal organization partners in hate crimes posing as "Fulton & Co.". Dozens of public servants, bank agents, BAR MEMBERS, BC Attorney Generals and wholly incompetent dishonorable injustices aided and abetted these war crimes, yet another act of genocide upon me to hopefully, as is these "public servant persons" malicious hate-filled obvious intentions, force me to die from exposure or commit suicide.

Debts, bankruptcies and third-party claims

Apart from the possibility that your spouse will be less than forthright in dealing with the family property and family debt, you may also need to protect your interest in those assets from claims made by creditors and third parties. If your spouse is heading towards bankruptcy and racking up further debt, this is extra important. These issues can be dealt with, for the most part, by ensuring that you:

- 1. separate from your spouse, to convert the ownership of all property to a shared ownership between you and your spouse as tenants in common,
- 2. register a CPL against all real property in which your spouse has an interest, and
- 3. obtain a financial restraining order under one or more of section 91 of the *Family Law Act*, section 39 of the *Law and Equity Act*, or Rule 12-4 of the Supreme Court Family Rules.

The problem here is that property that is owned only by your spouse, or by both of you as joint tenants, may be vulnerable to your spouse's creditors and in the event of their bankruptcy. Say, for example, your spouse has put up their car as collateral for a loan. You would normally be entitled to one-half the car's value as a family property, assuming the car was bought during your relationship. If your spouse defaults on the loan, the car can be seized and you could find, especially where there are few other assets, that you get no compensation for your interest in the car's value once the lender's default fees and legal fees are added on.

For assets held only in your name, your spouse's creditors or trustee in bankruptcy will not usually be able to seize them. SAME GOES FOR YOUR INTEREST IN PROPERTY AS A TENANT IN COMMON (WHICH THE LAW WOULD CALL A DIVIDED INTEREST), UNLESS YOU ARE RESPONSIBLE FOR YOUR SPOUSE'S DEBTS FOR SOME REASON (SUCH AS IF YOU CO-SIGNED OR GUARANTEED A LOAN, OR USED A SECONDARY CREDIT CARD ON YOUR SPOUSE'S ACCOUNT).

When it comes to the *Family Law Act*, both spouses are responsible to *one another* for debts incurred during the relationship, **BUT** the act itself doesn't give any extra rights to creditors to go after a spouse of the debtor.

If testator Gerald Wayne Jack Daley had gone into default on an alleged loan such as a credit line secured by a mortgage held by 'creditor' "CIBC" they have no claim legally or lawfully to file a foreclosure petition as the Daley land and premises was jointly owned via tenancy in common, **A DIVIDED INTEREST**, making Jack and his common law spouse Victoria foreclosure *judgement proof* as explained in previous repeated examples. After the testator passed the real estate belonged to the Testamentary trust to be held for the assistance of the beneficiaries, certainly the surviving spouse named in the Law/Testamentary trust. A contract or covenant is an irreversible Law. For example, "*the court*" decided the following when a tenant-in-common went into default on a mortgage:

Most provinces have legislation that allows for a petition to the court for partition of property. In British Columbia, the law is known as the *Partition of Property Act*. The procedures and criteria for partition is different in each province but they generally all give the court discretion, require that the petitioner be in possession or have an immediate right to possession (see, for example, <u>Garnet v. McGoran</u> where a mortgagee was denied partition based on this criteria), and that partition is preferred over sale.

Garnet and McGoran, Re 1980 Dominion Law Reports 649

Under provincial partition legislation in Ontario, a person holding a <u>mortgage</u> on the interest of one of the <u>tenants in common</u> asked the court to partition the property when payments fell into default. <u>The court refused saying that one of the requirements of the statute is</u> <u>that the applicant must be entitled to possession:</u>

"None but those entitled to possession, that is, none but those who really need it are entitled to possession."

The mortgagee, even where there had been default, did not have that entitlement.

Mortgagee Definition: The person who extends credit secured by a mortgage; the mortgage lender

Mortgage Definition: An interest given on a piece of land, in writing, to guarantee the payment of a debt or the execution of some action.

Equitable Interest

What is EQUITABLE INTEREST?

- A real right, but not a legal right, in a property.
 Examples are a life tenant, or the beneficiary of a trust. Known also as equitable estate.
- An equitable interest is an "interest held by virtue of an equitable title (a title that indicates a beneficial interest in property and that gives the holder the right to acquire formal legal title) or claimed on equitable grounds, such as the interest held by a trust beneficiary. The equitable interest is a right in equity that may be protected by an equitable remedy" - Wikinedia

- 1. A fiduciary duty, owed as a result of:
 - a historically recognized fiduciary relationship existing as a matter of course within the traditional categories of trustee-cestui que trust, executorbeneficiary, solicitor-client, agent-principal, director-corporation, and guardian-ward or parent-child; or
 - an ad hoc fiduciary relationship, established on a case-by-case basis, with the following elements: (1) an undertaking by the alleged fiduciary to act in the best interests of the alleged beneficiary or beneficiaries; (2) a defined person or class of persons vulnerable to a fiduciary's control (the beneficiary or beneficiaries); and (3) a legal or substantial practical interest of the beneficiary or beneficiaries

that stands to be adversely affected by the alleged fiduciary's exercise of discretion or control.

2. A breach of the fiduciary duty, consisting of an act of disloyalty in which the fiduciary, acting out of self-interest, does something that is, or is presumed to be, detrimental to the interests of the beneficiary.

Alberta v. Elder Advocates of Alberta Society, 2011 SCC 24, at paras. 22, 33 and 36.

Theft takes place where someone takes possession of something fraudulently or otherwise "without colour of right" (s. 322(1) Criminal Code of Canada), with the intent in doing so. Someone can also be found guilty of possession of stolen property where, by act or omission, a person takes possession of something which was obtained by the commission of a crime (s. 354(1), Criminal Code).

In essence, the crime of theft requires that someone takes possession of something, or takes steps in order to move, or eventually convert the object in a manner which is fraudulent. It must be proven that there was intent to take possession or move the object so that it may transfer possession illegally.

Re: Estate of Gerald Wayne Jack Daley My File No. 5494.1L Your File: 4219.001 NF

I advise that I have been retained by Victoria Nevens to apply for the Grant of Letters Probate with respect to the Estate of Gerald Wayne Jack Daley. She has attended at my office and provided me with a copy of your letter of June 28, 2017.

I advise that I will be sending the Notice and copy of the Will out to all parties, pursuant to the requirements of the *Wills Estates and Succession Act*. I will send that directly to your client and it will be the only time I will communicate directly with her. My understanding is that under the terms of the *Act* I must send it directly to her and cannot send it care of any other person or individual.

I do confirm that we have ordered our Wills Search from the Director of Vital Statistics Office. We are not yet in receipt of that document.

I advise that Ms. Nevens is not renting the basement suite. In fact, she and Mr. Daley lived together at the home which is a single family dwelling. She intends to remain there at this time. I just wish to make abundantly clear that she is not a "tenant".

I trust the forgoing is satisfactory. Of course, if you have any questions or comments please feel free to contact my office.

Once Mr. Carroll became aware Jack and were common law spouses, he knew a foreclosure petition would be legally impossible yet the violent assaults continued resulting in the entire estate, once transferred from material to liquid assets embezzled or what those posing as "the court" unlawfully refer to as "monies paid into court".

From proof above Ms. Alford sought to advise me, the lawful controller of the estate, to cause loss, harm and injury to the Daley Family Trust and beneficiaries. I could not explain why I was physically paralyzed at the time but I was being lied to. I couldn't explain it then like I can perfectly today. Title fraud

When you purchase a home, you purchase the title to the property. Your solicitor registers you as the owner of the property in the provincial land title office.

Title fraud normally starts with identity theft. This occurs when your personal information is collected and used by someone identifying themselves as you. There are several ways criminals can steal your identity without your knowledge which includes:

- Dumpster diving
- Mail box theft
- Phishing
- CIBC, its LIARS aka "Fulton & Co." + "Cox Taylor" UNLAWFULLY BECAME "EXECUTOR/PERSONAL REPRESENTATIVE" FOR GERALD WAYNE JACK DALEY VIOLATING THE TRUSTEE'S (Victoria N.) LAWFUL RIGHT HENCE THESE
- Computer hacking AGENTS ARE GUILY OF IDENTIFY THEFT Sadly, the only red flag for title fraud occurs when your mortgage mysteriously goes into default and the lender begins foreclosure proceedings. Even worse, as the homeowner, you are the one hurt by

title fraud, rather than the lender, as is often the case with mortgage fraud.

Unlike with mortgage fraud, during title fraud, you haven't been approached or offered anything –

GASLIGHTING: PROJECTION

Someone with high narcissistic traits uses projection as a defense mechanism. Projection occurs when someone accuses you of what they are guilty of.

- When someone is a liar, yet they accuse you of lying.
- When someone is unfaithful, yet they accuse you of cheating.
- When someone is an alcoholic, yet they accuse you of abusing alcohol.
- When someone is passive aggressive, yet accuses you of being passive aggressive.
- When someone is cold, and they accuse you of being distant.
- When someone is aggressive, and they accuse you of being confrontational.

Title Fraud

Title fraud is when a fraudster steals your identity and forges documents to either remortgage your home and walk away with the proceeds, or to sell your home right out from under you.

Fraud comes in many forms and whether it's referred to as mortgage fraud, real estate fraud or title fraud; it is a growing problem in Canada and across North America.

The three main fraud types affecting the real estate industry in Canada are:

- Title fraud when the ownership or title of a property is fraudulently changed or documents are forged to allow a fraudster to illegally sell or refinance the property.
- 2. Mortgage fraud a scheme used to obtain a mortgage from a lender under false pretenses, also known as application fraud.

fct.ca

The effects of title fraud

Unlike credit card fraud, title fraud puts the onus on you as a homeowner to prove that real estate title fraud has occurred. If you are a victim and don't have a title insurance policy in place, it can take considerable time, money and effort to deal with having to restore your title and/or remove any fraudulently registered mortgages. Plus, until the title is restored, you will be unable to sell or mortgage your home, potentially derailing important financial plans.

Although title insurance can't prevent you from becoming a victim of fraud, it can protect you from many of its consequences and the resulting stress.

To learn more about the benefits of title insurance and how it can protect you, please <u>click here</u> or email <u>info@fct.ca</u>.

How to protect your home from mortgage and real estate title fraud

Real estate title and mortgage fraud are on the rise. Thieves and fraud artists can, in fact, steal your home. The most vulnerable group of people in Canada are seniors, especially those who are mortgage-free.

These types of fraud can take on many different forms; the perpetrators are sophisticated and they use modern technology to their advantage. And, for the most part, these major crimes are committed with the use of the correct documentation and the knowledge about how the real estate process works. First Canadian Title, a title insurance company, estimates that mortgage fraud in Canada has surpassed \$100 million in total value. Real estate or title fraud happens about twice a week in Canada, with most victims elderly. But, by taking some simple precautions, you can prevent it from happening to you.

GOD'S WORD® Translation

Their hands are skilled in doing evil. Officials ask for gifts. Judges accept bribes. Powerful people dictate what they want. So they scheme together.

How does real estate title fraud happen?

When you bought your home the ownership was transferred to you and you were given the title to the property in your name. The government land registration documented this and anyone searching the records will see you as the owner.

Real estate fraud occurs when a thief obtains the title to your property through a fraudulent transfer document. Unfortunately it can be very simple and it is almost always tied into an event of identity theft. The fraud artist will target your house, forge the transfer deed and then register the title to the property in their name. Next, they forge a discharge of the existing mortgage and then borrow against the clear title. Of course the fraudster does not make any payments and when the lender serves notice that it intends to foreclose, the scheme is at that point brought to the attention of the real owner.

Dear Sirs:

Re: Estate of Gerald Wayne Jack Daley My File No. 5494.1L Your File: 4219.001 NF

I advise that I have been retained by Victoria Nevens to apply for the Grant of Letters Probate with

respect to the Estate of Gerald Wayne Jack Daley. She has attended at my office and provided me with a copy of your letter of June 28, 2017. I advise that I will be sending the Notice and copy of the Will out to all parties, pursuant to the

requirements of the *Wills Estates and Succession Act*. I will send that directly to your client and it will be the only time I will communicate directly with her. My understanding is that under the terms of the *Act* I must send it directly to her and cannot send it care of any other person or individual.

I do confirm that we have ordered our Wills Search from the Director of Vital Statistics Office. We are not yet in receipt of that document.

I advise that Ms. Nevens is not renting the basement suite. In fact, she and Mr. Daley lived together at the home which is a single family dwelling. She intends to remain there at this time. I just wish to make abundantly clear that she is not a "tenant".

I trust the forgoing is satisfactory. Of course, if you have any questions or comments please feel free to contact my office.

Let it be heard, let it be known "Jennifer Daley" has a history of fraud/deceit to benefit herself as when it falsely accused my spouse of sexually molesting it when it was a child. Jennifer later admitted in writing these allegations against my spouse are 100% FALSE. When this conversation between perjury committing fraud GRAHAM MACK and JENNIFER DALEY took place October 24 2018 Jennifer had counsel therefore this conversation was to be directed to NICOLAI FABRIS NOT Jennifer as its counsel would have informed war criminal, EVILDOER & COMPULSIVE LIAR GRAHAM MACK I Victoria N. am NOT "a tenant" in my home.

The court found that under the *Act*, a mortgage granted by a person who obtained their title by fraud or forgery is invalid and the *Act* preserves the *nemo dat quod non habit* rule 6⁶ with respect to charges. So even where a mortgagee has relied on the registered title and dealt *bona fide* with a non-fictitious registered owner, a mortgagee does not acquire any estate or interest in the lands on registration of their mortgages where they have been granted by a person who had no valid interest in the lands and such mortgages are void.

The decision confirmed the security of fee simple title to land, while increasing the burden on mortgagees to carry out more fulsome due diligence with respect to their borrowers.

It is obvious from repeated attempts by Victoria to settle a very serious matter privately (by administrative processes) between her household and those committing indictable crimes posing as "CIBC" and "Fulton & Co." there is never going to be a meeting of the minds between the parties as Victoria has nothing in common with these criminal terrorist organizations and those who pretend to be them.

Every real estate agent contacted by "Fulton & Co." making a choice to become involved in the indictable crimes of "CIBC" and its debt collector is responsible for their criminal activities by fines and jail time. This is due to the Canadian Constitution being claimed to be the most powerful law in Canada. The Constitution claims to recognize the superiority of the Most-High and His rule of law which is His Common Law. Under the Charter Victoria has the right to equality under the law Section 15 (1) Every individual is equal before and under the law and has the right to the equal protection and equal benefit of the law without discrimination and, in particular, without discrimination based on race, national or ethnic origin, colour, religion, sex, age or mental or physical disability.

Has the current real estate agent been made aware there was another agent recently who decided to remove themselves from this fraudulent situation once informed of the indictable crimes they would become guilty of committing by association with this matter? Ignorance of the law is not an excuse or defense.

Every person fraudulently attempting to sell or buy Victoria's domicile must be provided with FULL DISCLOSURE of the indictable crimes they will be committing so PDF Fraudulent Foreclosure must be read and understood by both sellers and buyers of property that is NOT lawfully up for sale.

Mr. Carroll you were provided documentation and invoices last week of which you have failed to respond thus far which shortly becomes "consent by silence". Victoria will move forward with default judgements to hold you and your client accountable for threats of violence, intimidation, attempted murder, theft, fraud etc., harm, loss and damage your actions have done to an innocent Woman. Do you understand you, no one in your "company" nor your client are "above the law"? If you wish not to handle this matter privately Victoria has no choice but to hold all involved accountable in the public as is her duty to the Common Law.

Any questions?

After living there for 17 years as an alleged "*tenant*" I was illegally, unlawfully, cruelly and unusually demanded to leave my stolen land and premises in two weeks with ZERO financial resources available as the entire estate (**700K**) was embezzled by ignorant, incompetent, hate-filled evildoers acting as "*BC Supreme Court*" aka "BC BAR SOCIETY MEMBERS" and "public servants" of criminal organization "*Ministry of Finance*". Whomever is unlawfully, illegally occupying my home has NO tenancy rights, the same rights as I was provided by vile, evildoer incompetent *BC Tenancy Branch* "public servants" and <u>MUST</u> leave forthwith.

Dear Ms. Nevens:

TOXIC FLYING MONKEYS GILLESPIE, LEUNG & DOHM AGREE WITH WAR CRIMES & ACTS OF GENOCIDE ON AN INNOCENT WOMAN & WIDOW BY ITS BAR **MEMBER & BANKER BUDDIES**

Your November 29, 2019 correspondence addressed to the Chief Judge of the Provincial Court of British Columbia (and received December 4, 2019) has been forwarded to me for response. The purpose of your correspondence remains unclear, and it is not apparent that the Chief Judge has any role in the matters of which your write. Furthermore, your recent correspondence does not raise a matter that would alter any of the conclusions set out in our previous correspondence to you, nor does it raise a matter within the Chief Judge's authority under the Provincial Court Act.

If a party has materials they wish to submit to a Court, they generally must do so pursuant to the applicable Rules of Court and through the relevant court registry in the appropriate circumstances. A party or their counsel would normally seek to make submissions and provide evidence in open court during proceedings on the record where all parties to the proceeding have an opportunity to be present and respond. This Office is not a court registry and does not forward material to the court registry for filing. You may wish to contact the appropriate court registry at the relevant location. The Court Services Branch of the provincial Ministry of Attorney General maintains a list of Registries across the Province on its internet website. The link for that website is as follows:

http://www2.gov.bc.ca/gov/content/justice/courthouse-services/courthouse-locations.

In summary, as you have not raised a matter within the Chief Judge's authority under the Provincial Court Act, we remain unable to assist you. Further correspondence received from you will not be subject to response from this office unless it raises a matter within the Chief Judge's authority under the Provincial Court Act.

Yours truly,

Karen Leung Legal Officer

Dear Ms. Nevens:

Even the nicest people have their limits. Don't try to reach that point because the nicest people are also the scariest people when they've had enough.

Re: Your Correspondence with The Law Society of BC, Our File Number IN20190336

I write further to my letter dated December 4, 2019 and acknowledge receipt of your further correspondence of December 8, 11, 12 and 18, 2019.

I trust that you will have by now had an opportunity to review the brochure which was enclosed with our December 4, 2019 letter and to note that the function of the Law Society's complaints process is to enquire into the professional conduct of B.C. lawyers and to take disciplinary action against lawyers where we find evidence of professional misconduct.

I understand that you are involved in ongoing legal matters in which you are self-represented. You have raised concerns about the legal positions of and steps taken by the opposing party through their lawyers in the course of the dispute. If you continue to disagree with the steps taken by the opposing party, you may wish to seek legal advice on any options which may be available to you.

There is nothing in your correspondence which raises concerns about the conduct of a lawyer. As such, our file has been closed. We will review any further correspondence we receive from you, but we only respond if, in our view, a response is required.

There's a time to be nice, and there's a time to say, "I have had enough of your bullshit." Fuckology I'm not asking you for a favor...

I'm telling you to do your job.

<u>A lawyer's conduct and</u> <u>competence are important</u>

The Law Society requires lawyers to practise law ethically and competently. For example, <u>a lawyer</u> should:

- be honest and courteous;
- keep clients informed, respond promptly to phone calls or letters, and complete work in a timely fashion;
- respect client confidences;
- not act in a conflict of interest (such as improperly acting against a former client or improperly sharing a business interest with a client);
- safeguard client funds and property and account for money entrusted to the lawyer; and
- maintain adequate skills to represent clients effectively.

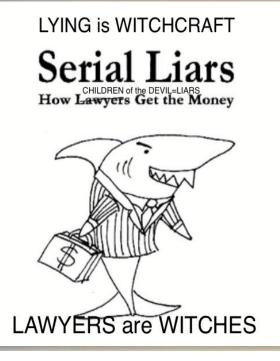

The Law Society can review the conduct and competence of all BC lawyers, including lawyers in private practice, legal aid lawyers, government lawyers and Crown prosecutors. The Law Society can also review a lawyer's conduct outside the practice of law if the conduct affects the integrity of the legal profession.

If there are problems

need to hire a lawyer to represent you.

If you call the Law Society, a staff member will be available to answer your questions. If you decide to file a complaint,

Void Judgment - England

<u>It is never too late to raise the issue of nullity</u> and a person can ignore the void order or claim and raise it as a defence when necessary (*Wandsworth London Borough Council v. Winder* [1985] A.C.
461; *Smurthwaite v Hannay* [1894] A.C.
494; Upjohn LJ in *Re Pritchard (deceased)* [1963]; Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] AC 152)

Void Judgment - England

 In Bellinger v Bellinger [2003] UKHL 21 the House of Lords confirmed that a void act is void from the outset and no Court – not even the House of Lords (now the Supreme Court) – has jurisdiction to give legal effect to a void act no matter how unreasonable that may seem, because doing so would mean reforming the law which no Court has power to do because such power rests only with Parliament. The duty of the Court is to interpret and apply the law not reform or create it.

Void Judgment - England

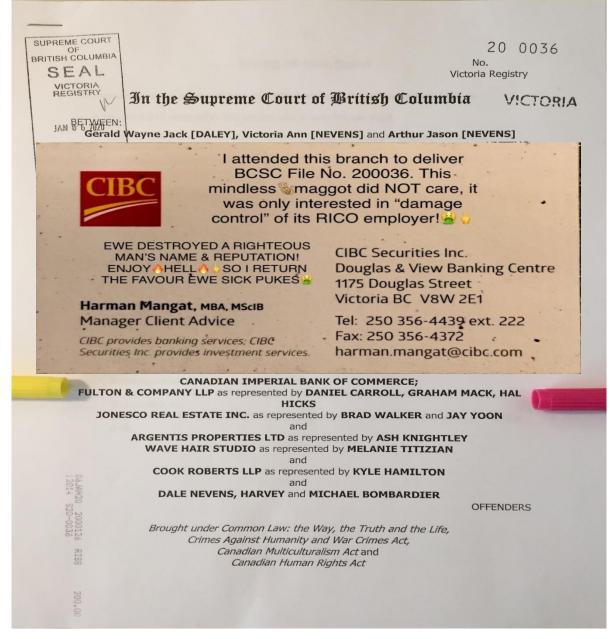

a 'void' order or claim has no legal effect *ab initio* (from the beginning/outset) and <u>therefore does not</u> <u>need to be appealed</u>, although for convenience it may sometimes be necessary to have it set aside (Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] and *Firman v Ellis* [1978] QB 866) whereas a 'voidable' order or claim has legal effect unless and until it is set aside. Therefore, while <u>a void order or</u> <u>claim does not have to be obeyed and can be ignored</u> and its nullity can be relied on as a defence when <u>necessary</u> (*Wandsworth London Borough Council v. Winder* [1985] A.C. 461),

- Void Judgment England Although an appeal is not necessary to set aside a void order, if permission to appeal is requested and if out of time the Court should grant permission because time does not run because the order is void and the person affected by it has the right to have it set aside (Lord Greene in Craig v Kanssen [1943] KB 256).
- A void order is incurably void and all proceedings based on the invalid claim or void act are also void. Even a decision of the higher Courts (High Court, Court of Appeal and Supreme Court) will be void if the decision is founded on an invalid claim or void act, because something cannot be founded on nothing (Lord Denning in MacFoyermulmitedy Africa Co. Ltd. [1961] AC 152)

Deny due Process = Void Judgment

It is not a judicial function for a Judge to commit an intentional tort even though the tort occurs in the Courthouse, when a judge acts as a Trespasser of the Law, when a judge does not follow the law, the judge loses subject matter jurisdiction and The Judge's orders are void, of no legal force or effect"! Yates Vs. Village of Hoffman Estates, Illinois, 209 F.Supp. 757 (N.D. III. 1962)

Dear Agents of CIBC:

Re: Victoria Nevens private property manager for CIBC Default – Wages due for property management and reimbursement of costs regarding housing invoices

My name is Victoria Nevens. I AM the lawful EXECUTOR/ADMINISTRATOR/PERSONAL REPRESENTATIVE/DEFENDER of the estate of the Honorable Gerald Wayne Jack Daley.

My spouse and I are the registered owner in fee simple absolute of the lands and premises located at 604 Polyanthus Crescent and have been since Jan. 2003.

27 Nov 2018 CIBC fraudulently converted "In Trust" private property controlled by the personal representative of the estate of Gerald Wayne Jack Daley into its ownership. When this criminal act took place CIBC created a non-negotiable contract with the resident of the homestead to pay her for property management fees at fair market value in the amount of \$6,500.00 per month. CIBC also became responsible for any costs associated with running the household such as house insurance, insurance deductibles and property taxes etc. **Wages and costs due to Victoria Nevens now total** \$117,400.00.

I the Honorable Victoria Nevens am not obligated to accept excuse or partial payment from CIBC as the full balance due and owing under this contract is now payable. Unless payment of the full amount is made no later than noon February 20 2020, legal proceedings and public shaming will be commenced against criminal organization CIBC. If payment is not received as required 20% compounded interest will be added to the amount due every seven (7) days.

For agents of CIBC to avoid being proven to be the frauds you truly are, I must be in receipt of the amount owing within the time period set out above. *All payments must be by way of certified cheque or bank draft payable to:* Victoria Nevens, In Trust.

Yours very truly,

Victoria Nevens, rightful EXECUTOR/ADMINISTRATOR/PERSONAL REPRESENTATIVE/DEFENDER of the estate of the Honorable Gerald Wayne Jack Daley

Dear Ms. Nevens:

RE: Terms of Engagement for Complaint Review

Thank you for your recent request to have your complaint reviewed by the CIBC Office of the Ombudsman.

The CIBC Ombudsman offers a formal complaint resolution process to have your concerns with CIBC investigated. This process is exempt from any information access requests under privacy legislation that are in progress or may be initiated during the course of our investigation.

Please note that our Office will undertake an investigation if the complaint falls within our mandate and if you, the client, have already sought resolution and received a response through CIBC's complaint handling process. Our mandate and the complaint handling process can be found on CIBC's website at www.cibc.com or in the CIBC brochures found in local CIBC Banking Centres.

Before we can begin an investigation we require your agreement to the following Terms of Engagement:

The Ombudsman process is an alternative to the court system and should you at any time elect to participate in legal or other proceedings regarding this complaint, our investigation will cease.

THIS PARABRAPH ABOVE IS ILLEGAL/UNLAWFUL BECAUSE AGENTS OF CIB & HAVE COMMITTED INDICTABLE CRIME AND ARE NOW TRYING TO HIDE YOUR CRIMES AND INCOMPETENCE, LUKE BIT FOR THERE IS NOTHING HIDDEN THAT WILL NOT 1 BE DISCLOSED, AND NOTHING CONCERNED THAT WILL NOT BE KNOWN OR BROUGHT OUT INTO THE OPEN.

David Eby's house is cursed! EWE ARE GUILTY OF BLASPHEMY THE UNFORGIVABLE TRESPASS () I then applied to BC Supreme Court for an EMERGENCY HEARING June 2020 to have released the inheritance now in a liquid state due to hatred, theft over five thousand, fraudulent conversion, racism, corruption, fraud et al. I was levelled with the most FIENDISH RIDICULOUS COURT/WITCH=JUDGE INTRUCTIONS WITH ZERO LEGAL REASONING OF WHICH IS MUST BY LAW PROVIDE BY FEMALE HUman=monster NARCISSISTIC SOCIOPATH **GUILTY of MISFEASANCE IN PUBLIC OFFICE THE DISHONORABLE DISGRACED FRANCESCA MARZARI**. ONE of the magician's vile illegal instructions was to have CIBC REPS=LIARS present for a payment hearing. WHY? WHY DO CIBC LIARS NEED TO BE PRESENT FRANCESCA? **ANSWER THE QUESTION SORCERESS!**

As an Executrix who takes her job extremely seriously, I KNOW as beneficiary I HAVE FULL RIGHT, OBLIGATION AND DUTY to require those acting as "BC Supreme Court" to release into my custody what is required to keep me housed, safe and to perform my duties. Once again, I applied to BC Supreme Court summer of 2020 to request a portion of the liquid assets that were EMBEZZLED by "BC Ministry of Finance". As usual I was TORTURED & RITUALLY ABUSED BY <u>GUILTY of MISFEASANCE IN PUBLIC OFFICE THE</u> <u>DISHONORABLE DISGRACED</u> wholly legal incompetent MALE HUman=monster NARCISSISTIC SOCIOPATH <u>ROBERT PUNNETT. I was NOT respected</u>, NOT heard,

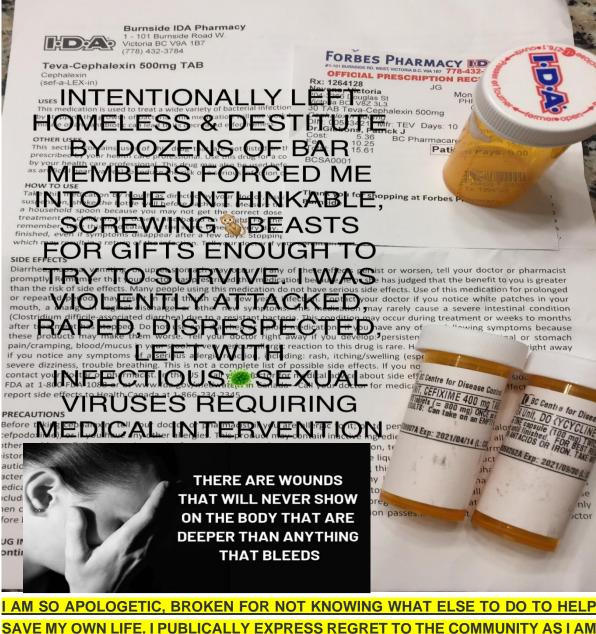

NOT cared about! NO, instead I received UNLAWFUL legal "get NO WHERE" circular thinking council from a place FORBIDDEN to provide "legal advice" from the temple BAR/BAAL ALTER of BULLSHIT! This MALE HUman, an incompetent, sought to treat me like an uneducated in LAW & legal=witchcraft Woman stating I need to file probate that was NEVER LEGALLY required. This criminal fraudulently claims

Tell a narcissist what you want and what you won't tolerate and they go out of their way to do exactly the opposite.

"legally there is nothing I can do for you Ms. Nevens" because truth is I AM NOT REPRESENTED BY A LIAR, one of the BAR MEMBER buddies is now not being enriched and that is HIGHLY OFFENSIVE TO THE DIABOLICAL SOCIETY OF SCUM masquerading as "BC Law Society" members. LISTEN SICK BEYOND REMEDY MALE PUNNETT ONLY THE DEAD REQUIRE "REPRESENTATION" INSIDE THE HOUSE OF THE DEAD OPERATING AS "CANADIAN LAW COURTS"! UNDERSTAND?

Beneficiaries have every LEGAL & LAWFUL RIGHT to draw upon an inheritance at all material times if and when required, EXCEPT if your name is "Victoria Nevens" then there are a completely destructive, alternate set of "rules & requirements" because the WICKED HUmans HATE THIS RIGHTEOUS WOMAN and SEEK TO END HER ENTIRELY & COMPLETELY WITH ACTS OF INCESSANT WAR & TARGETING!

I CAN NOT LIVE WITHOUT FINANCIAL RESOURCES! WHO CAN? CAN ANYONE? MY LIVING EXPENSES TRIPLED! NO ONE WOULD HELP YET I SOUGHT SUPPORT EVERYWHERE TO NO AVAIL! WELCOME TO THE LIFELONG NIGHTMARE OF BEING ONE OF THE PECULIAR PEOPLE <u>hated by the world</u>. I would NEVER engage in the horrors forced upon me. A RIGHTEOUS Woman who loves and respects herself AS I DO would never become an individual destroying herself, others or her community. I planned to stay faithful to my common law spouse for the remainder of my life. As remains the heart of a Woman who has truly been cared for and loved by a Man for any length of time.

SAVE MY OWN LIFE. I PUBLICALLY EXPRESS REGRET TO THE COMMUNITY AS I AM WELL AWARE WHAT ONE INDIVIDUAL DOES AFFECTS ALL OTHERS. UNDERSTAND SEXUAL IMMORALITY IS TOXIC TO THE ENVIRONMENT. ALWAYS.

My body when I am healthy

Photo to the left is my body ravaged by a horrifying sexually contracted infectious virus medically known as Trichomoniasis gifted upon me by a narcissistic, toxic, disrespectful male HUman=monster who refused to provide safe working conditions ("legally" no consent=rape) as had the other sexually violent assailant. No reason to provide the required fee for service as the community is not generally concerned with those who have zero support. Police are only interested in revictimizing the victim so most of us raped never say a word being filled with shame and anguish. I was so sick from these infections I could barely move for weeks. In (true) Law rape is equivalent of murder in damage caused.

After being violently, illegally evicted from my rightful homestead I wrote the following letter and delivered it to my house to advise WENYONG GAO and FENG LI of the urgent situation. I returned to my home that spring to find this letter and the envelope it was delivered in thrown in the garbage as these two monsters in adverse possession of my stolen land and premises were not interested in allowing me to retrieve any of my personal chattel they now were illegally and unlawfully gifted by criminal organizations CIBC, BC BAR SOCIETY members acting as corrupt, murder, theft and destruction "BC Supreme Court" "*public servants*".

Dear Wenyong Gao and Feng Li,

My name is Victoria and I lived on the lands and premises at this location until Mar 19/20.

Lawyers for the bank have refused to release the sale price, as such I have no financial means to relocate properly leaving a significant amount of property behind plus a mess and for that I sincerely apologise. Last Thursday I became homeless by forced eviction, which is the reason I left such a significant amount of possessions. No one cares there would be no shelters open or any help available at this time due to the Corona virus.

I contacted Brad Walker the real estate agent who listed the property a couple of times asking him to contact you to see if it would be possible to place some important personal items for me to pickup out in the carport to peacefully retrieve. I have not heard a word so am writing you directly hoping you will have a heart and extend a little kindness in my dire circumstances.

There were personal items accidently left in the upstairs master bedroom, a suitcase of clothes, hangers and perhaps a few items in the bathroom upstairs. I know a few important items were left in the kitchen, on the patio and in the chest freezer on the patio (food is so expensive to replace). One of the microwave stands should have been moved outside for pickup but was somehow left as well because the "public servant" bailiffs refused to lift a finger to help me move property outside for retrieval.

Now being homeless I have no address to forward mail and was wondering if once a month, perhaps around the twentieth you could and the twentieth you could and the twentieth and leave the mail somewhere outside for pick-up.

I mean to cause no further trouble or disturb your peace. This is a short note to ask for a little compassion until I can sort out a new place to lay my head. If you can understand the situation I find myself in, being homeless is terrifying, actually life-threatening and would be kind enough to leave items or other things you don't want/need in the carport I'll get help for pick-up to further clear up some of the mess left upon hearing from you it is ok to drop by as property is outside waiting.

If you have any questions about the house/property I lived here for 17 years and am willing to answer.

Thank you for your time and consideration.

~Victoria

Now switch gears to focus on **contracts**. Do I seriously have to teach about contract law? Well luckily for ewe I AM AN EXPERT TEACHER and EDUCATOR. I MUST be as King's counsel (KC) seeing I PRESENT the King His Will and Kingdom. **CONTRACT IS THE LAW!** Let's all learn about why contracts can be void. January & February 2021 I as a Woman speaking and presenting the Truth, Law and Justice to BC BAR MEMBERS who only operate in a conflict of interest violating its OWN RULES which it is not only ignorant of but NEVER follows. All the points of an unenforceable contract are present such as undue influence, duress and GROSS NEGLIGENT misrepresentation therefore for the unfortunate evildoers **February 11 2021 SATANIC "COURT ORDER" is QUASHED in its entirety**. Ewe must understand BAR MEMBERS are narcissistic sociopaths utterly destroying your communities and if EWE THE PUBLIC DO NOT STOP THESE EVILDOERS' EWE & YOURS DESERVE TO BE DESTROYED BY THESE MALE & FEMALE HUmans=MONSTERS!

2. Undue Influence, Duress, Misrepresentation

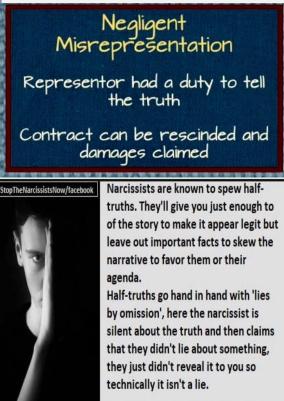

Coercion, threats, false statements, or improper persuasion by one party to a contract can void the contract. The defenses of *duress*, *misrepresentation*, and *undue influence* address these situations:

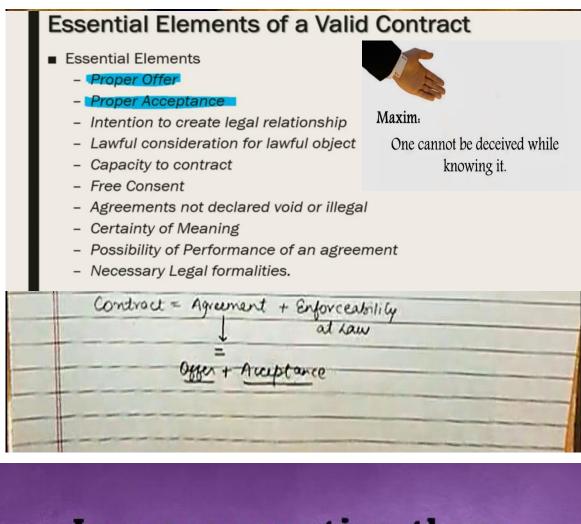

- <u>Duress</u>: A party must show that assent or agreement to the contract was induced by a serious threat of unlawful or wrongful action, and that she had no reasonable alternative but to agree to the contract.
- <u>Undue Influence</u>: Undue influence is often defined as unfair persuasion by a person who, because of his or her relation to the victim, is justifiably assumed by the victim to be one who will not act in a manner that is inconsistent with the victim's welfare.
- <u>Misrepresentation</u>: A misrepresentation may be a false statement of fact; the deliberate withholding of information which a party has a duty to disclose; or an action that conceals a fact (for example, painting over water damage when selling a house).

Narcissistic Abuse is the inconvenient truth, when those suffering speak up, no one believes them, the lack of validation is soul destroying.

EVERY LAWYER=LIAR IS A NARCISSIST

Synopsis

The tort of misfeasance in public office provides redress for egregious intentional misconduct, not for what may be, at worst, maladministration, official incompetence or bad judgment in the execution of public duties. For this reason, when addressing claims of misfeasance in public office, the courts strike a careful balance between curbing unlawful behaviour by governmental officials, on the one hand, and, on the other, protecting those charged with making decisions for the public good from unmeritorious claims by those adversely affected by their decisions. - Rain Coast Water Corp. v. British Columbia, 2019 BCCA 201 para. 3

Join us for a defence perspective on the tort of misfeasance, including a review of recent decisions which clarify the strict requirements for pleading and proving the tort. Graham Underwood and Johnny Van Camp will share their experience working with public servants accused of intentionally abusing their power. They will also be sharing tips for efficiently managing misfeasance claims through the litigation process.

More on the speakers:

Graham Underwood has provided litigation services to the Provincial Crown for over 20 years. He was counsel on the recent misfeasance case: Rain Coast Water Corp. v. British Columbia.

Johnny Van Camp is a member of the Tli Cho ("Tlee Cho") First Nation, born and raised in Fort Smith, Northwest Territories. Johnny has focused his research and practice on strategies for defending public servants from claims of misfeasance.

ONLY NARCISSISTS DEFEND NARCISSISTS

If someone takes the side of, hangs out with, or defends a narcissist, run! They're showing you that they identify with the abuser.

Only abusers side with abusers. Narcissists hunt in packs. Birds of a feather flock together.

These sick individuals shill for one another for many reasons, including:

- ALL BAR MEMBERS ARE NARCISSISTS

 - to conceal one another's atrocities
 - to line up against victims to feel empowered
 - to oppress their targets
 - to victim blame
 - to discredit victims
 - to outnumber and mob victims
 - to make smear campaigns more believable

EVERY JUDGE I SPOKE TO WAS A NARCISSIST

Sure, the odd one or two may be well-meaning dupes who have no idea what's going on. However, if somebody knows the abuse history, yet continues to shill for a known abuser, all the while invalidating and minimizing your suffering; there's a message in their actions. They're at best an enabler, and more than likely a covert narcissist. ~ @dont_gaslight_me_bruh

Informed refusal

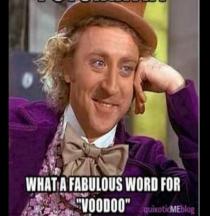

Our courts have reaffirmed repeatedly a patient's right to refuse treatment even when it is clear treatment is necessary to preserve the life or health of the patient. Justice Robins of the Ontario Court of Appeal explained:

"The right to determine what shall, or shall not, be done with one's own body, and to be free from non-consensual medical treatment, is a right deeply rooted in our common law. This right underlines the doctrine of informed consent. With very limited exceptions, every person's body is considered inviolate, and, accordingly, every competent adult has the right to be free from unwanted medical treatment. The fact that serious risks or consequences may result from a refusal of medical treatment does not vitiate the right of medical self-determination. The doctrine of informed consent ensures the freedom of individuals to make choices about their medical care. It is the patient, not the physician, who ultimately must decide if treatment — any treatment — is to be administered."

"For the vast malority themselves caught up in this vortex of venal depravity and perversion, without the financial means to hire high priced attorneys, there's little recourse for them but to vainly cry out for help and recognition to avenues of public recourse such as the RCMP Complaints Commission, the Human Rights organizations, the BC Civil Liberties Association, the Ombudsman and other miscellaneous agencies and government ministries that ostensibly exist to protect the victims of crimes here in this province, only to end up with the realization that all of them, ultimately, are but false and disappointing ruses whose primary purpose is to act as firewalls of protection for the criminals themselves."......The sad and growing reality for all of the thousands upon thousands of victims of these forms of abuse is that the psychopaths have taken over the levers of government and foreign lobby groups representing the most voracious, avaricious, vile and decadent nation on the face of the planet have filled our national and provincial judiciary with cold-blooded, cruel PIGS

Secrecy helps trample parents' rights

By Ray Ferris

The Times Colonist - June 21, 2009

The keystone of child protection should be to ensure that children can be made safe at home, or in care.

Children enter care for many reasons other than neglect or abuse. Some are simply unwanted, delinquent, with special needs or whose parents are temporarily disabled. When young children enter care, early planning is essential so that stable life plans can be ensured.

In contested cases, it is important to have good factual evidence. This means direct eyewitness evidence and not the opinion and hearsay evidence so often presented.

Parents have rights to due process. They have a right to clear statements about what evidence will be offered and a right to competent legal representation.

On the surface, the Child Family and Community Services Act seems to support these principles. Hearings must be within 45 days and temporary orders no more than one year. The child's best interests are paramount and include stability, continuity of care and kinship contact. Timeliness is essential. In practice, the principles are ignored and regularly derailed. The long, complicated act seems designed as a source of revenue for lawyers. When first enacted, it ground the family courts almost to a halt for over a year.

Children's best interests depend on opinion, and ministry bureaucrats think only their opinion counts. Family court becomes as adversarial as criminal court, while child welfare gets lost in legal bickering. Neither the courts, the Ministry of Children and Family Development directors nor defence counsels monitor timelines. Cases get bounced from judge to judge.

Any piece of social legislation can be used as a tool or a weapon. The choice lies with those in authority. Legislators little realized that they offered as many weapons as tools, but the resolutely adversarial Children's Ministry quickly found them.

A recent Times Colonist editorial showed how the ministry behaves as if a child's right to privacy is a paramount right, which can trump all the other rights in the act. They cloak everything in secrecy and withhold information that people have a right to know.

A typical case recently covered by the CBC illustrates these matters. A couple had three children, the younger ones born 14 weeks and six weeks prematurely. Such children can be very fragile. When the parents took the six-week-old to hospital, a doctor reported that the child's condition was due to abuse. At first, the ministry's director acted reasonably and took charge of the child, who stayed in hospital.

With only inferred evidence on the older children, they took them into care, placing them with relatives.

Then the evidence wilted. Other doctors strongly disagreed with the first diagnosis. Courts had previously declared the type of evidence unreliable. A police investigation found no evidence.

After seven months the parents had spent \$60,000 on lawyers with no progress, and in despair they went to the media. Following Global TV coverage, the director promptly removed the children from relative care with armed police, apparently just to assert his authority.

They have since been moved three times. Last July, the director's lawyer told him the case was weak and he should return the children. In spite of this, the director is pursuing the case aggressively and seeks a continuing care order.

A hearing will not take place until March 2010, and the parents -- already heavily in legal debt -- cannot raise the \$100,000 needed for defence. Blameless or not, they stand no chance of getting back their children.

Obviously the need is for better staff, and not more staff.

Some suggested remedies:

• The act is too flawed to fix. Scrap it and bring back the old one.

 Save a lot of money by providing duty counsel to represent parents as well as the ministry.

 Give the child advocate some real power to monitor practice.

 Provide mandatory core training on matters like evidence and mediation.

Ray Ferris was a social worker and supervisor in child protection for more than 30 years. He retired in 1988 but has kept busy with advocacy and writing, including a textbook on child protection.

<u>I had RAY FERRIS come to my home and do an assessment of my life and parenting. This is what he found</u>:

Case notes for meeting with lawyer and MCF Thursday April 15th Prepared by Ray Ferris April 14,2010. Points of focus.

1. Clear and compelling evidence is demanded in order to remove a child from its parent for any length of time. I hope all can agree on that point.

2. The MCF does not have clear and compelling evidence. Far from it. What is the substantive evidence? There is only one piece of significant evidence and this is the evidence, which caused them to remove AJ into care. The information received from medical staff gave them reason to believe that the child could be at risk. Quite appropriately, the child was removed until the matter could be further assessed.

3. The evidence was that the mother suffered an emotional breakdown as a result of a number of stress factors converging at once. For a short time, she was not able to provide good care for her son. The question arises as to whether this was a matter of short duration, or was there factual evidence, which would lead to the likelihood that the child would remain at risk.

4.It is my assessment that there is virtually no factual evidence to suggest a continuing risk. Most of the reasons given are matters of hearsay and opinion and there is ample evidence of bias and of an adversarial stance. The staff members have made a number of errors in their assessment and have shown lack of knowledge and skills. They failed to make an in-depth assessment of the lifeskills of the parent. They got trapped into the usual mistake of assuming that a risk assessment means digging up as much negative material as possible and failing in an equally zealous inventory of positives. There are numerous examples of this. They did not adequately explore the child care standards of the mother for the first five years of the child's life. There are numerous ways they could have got a more accurate picture, but they seem to have got to enmeshed in issues of parenting styles. In general they show a lack of knowledge of what is good evidence and what is not. In particular they do not understand opinion evidence. Opinion evidence can be expert opinion, but this is not without accountability. It can be tested by other experts. Expert opinion is also well known to favour the hand that pays. Opinion can be based on fact. When it is based on clear and demonstrable facts, those facts should render the opinion to be unnecessary. Opinion based on hearsay, rumour, allegation and assumptions are of no value.

5.One of the issues that preoccupied the social workers was that maybe every few months she paddled the boy with a wooden spoon. One of the measures one should use in alleged abuse cases is to ask whether the abuse bordered on criminal and would warrant a police investigation. This type of case does not come anywhere close to such a standard and is in a much more subjective realm. Indeed it is largely a matter of parenting style in disciplining a child Viewpoints will vary. Social norms are changing in views of physical punishment of any sort. However there is no absolute consensus about whether or not reasonable hand spanking is allowed It is certainly not illegal. I know that official ministry policy is to proscribe physical punishment in all foster homes, and this expresses the official value position. However, the ministry must differentiate between what is unwise and what is illegal. The behaviour acknowledged by would at worst indicate a need for guidance.

6. Lacking substantive evidence that there would be a continuing risk to the boy, the ministry must consider that there is likely to be emotional damage to him if the state of limbo is allowed to linger. They simply do not have anywhere near enough evidence to justify an application for continuing care. So if the lad is to be in temporary care, they should heed the guidelines in the CF&CSA, particularly sections 4 (c) (d) (f) (g) and section 2 (c) (d) (g). Also pay attention to the potential under 47 (3) and be careful not to abuse timelines and keep the child in care longer than demanded by the Act. There is little point in extending existing orders unless you intend to apply for a continuing care order. It would not be rational under the present circumstances.

7. There are other legal process issues which concern me and I want to raise them. However, the may not all be due to ministry action. Problems lie in the Act itself, in poor legal representation and in the court logjam, which is also largely due to a flawed act.

16/04/2010 Ray Ferris

Your child has many rights and one of those is to live with his mother, providing that his safety and wellbeing can be assured. He has a right to have you make every effort to protect that right. You have responsibilities and one of those is to protect the rights of your child. The director has responsibilities and powers. Those powers in theory can be held to account.

Now to get back to you. I have found so many cases of client abuse by the ministry that I normally lean toward the parent. I agree that they were hostile and aggressive to a shocking degree yesterday. So I sat and thought about how I could change my behaviour to get a different response, as they were being difficult. I Can see that it would be impossible to work with such adversity over the long term. The lawyer continually getting up threatening to call the police while I stumbled around with my hearing aid was quite a sight. She certainly wasn't about to hear a word I said or had to say as they seem to have already made up their minds about you. I made excellent points in the document I provided but they didn't want to consider another point of view. I can see your frustration along with countless other parents when all you want is your son home. I'm not sure I can help you as the industry has changed dramatically since I was a social worker. Now it seems they take children without a plan of return. I do not agree with the processes that are currently in place regarding children and families. Common sense, mercy, integrity seems anything but common among this new generation of social workers. They seem more concerned with being adversarial and control than anything else.

Yet after my years of experience I still offer help to parents who are caught in this madness. Why do I do it? Because I care about what happens to your son and other children. Try to remember, this is not all about you but it is about your child.

Feel free to send a copy of this to your social worker.

INJUSTICE IN BC BECAUSE THAT'S THE ONLY TYPE OF BEAST HIRED TO WORK THE BAAL TEMPLE BAR ALTER OF CHILD TRAFFICKING IN *"FAMILY COURT"* TO MAKE THE PROVINCE OF BC HUGE DIVIDENDS AS EVILDOING IS HOW THE EVILDOERS GET RICH AND NEVER BY RIGHT!

THIS WITCH LOST JURISDICTION AFTER THE 7 DAY PROTECTION HEARING WHEN IT ASKED ME "*DO YOU UNDERSTAND*"? TO WHICH I REPLIED "NO". RIGHT THERE THE WAR CRIMINAL & WITCH WISHART HAD TO RETURN MY BIOLOGICAL REAL PROPERTY BUT NO, THESE BEASTS ARE NOT EVEN SUBJECT TO THEIR OWN RULES WHICH THEY ARE ALL GROSSLY IGNORANT OF AS THEY HAVE PROVEN EVERY TIME I WAS SUMMONED TO BE GANG RAPED BY BAR MEMBER BEASTS AND THEIR NOXIOUS SLANDER & LIES. THE ONLY RELATIONSHIP A BEAST CAN HAVE WITH A REAL WOMAN IS TOXIC. YET I WAS THE ONE ACCUSED OF NOT BEING ABLE TO FORM A RELATIONSHIP WITH MCFD'S HYPOCRITICAL, CHILD ABUSING, CHILD RAPING, CHILD TRAFFICKING "SOCIAL WORKER" WITCHES. A toxic relationship makes you feel physically miserable all the time

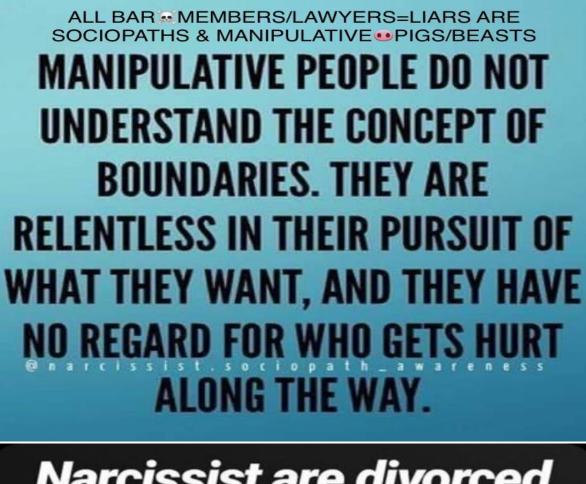

People in toxic relationships may deal with body aches, frequent colds, problems with breathing, and anxiety attacks. This is because a toxic relationship can keep you up at night, cause you to make unhealthy diet and lifestyle choices, and even lower your immune system defenses. According to the Cleveland Clinic, chronic stress wears down the body's defenses leading to a variety of physical symptoms. Physical symptoms of stress may include dizziness or a general feeling of being "out of it," aches and pains, headaches, muscle tension, trouble sleeping, a racing heart, extreme exhaustion, upset stomach, and shaking or trembling.

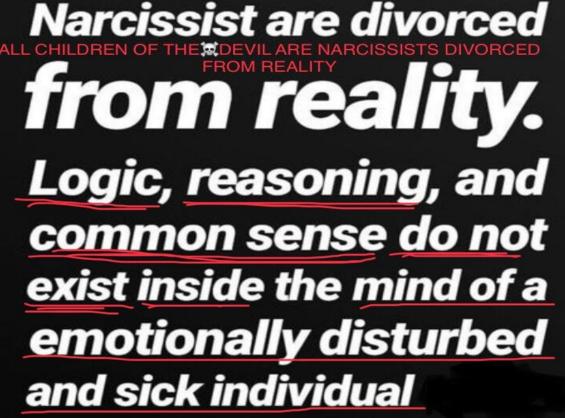

A toxic relationship can leave you prone to illness because emotions have a powerful effect on your health. Often, the physical symptoms of a toxic relationship go away once you have left that relationship. But

Narcs can't have an adult discussion about an issue, so when you try to they see it as you starting an argument.

PEOPLE who can't communicate THINK

everything is an argument

If there is CHAOS and CONFUSION everywhere, and nothing makes any sense, there is probably a SOCIOPATH at the helm.

Narcissists attack the things you value most, because those are the things in life you will defend most passionately.

And make no mistake it's intentional. The Narcissist believes they are the authority that determines reality. To them, your facts are meaningless and your logic offensive

In the event you have to speak to a narcissist, just pound your head on this wall. it's easier...

YOU'RE NOT CRAZY YOU WERE ABUSED

People often see the victim of narcissistic abuse as "crazy" or dramatic. They seem unstable, imbalanced, and full of fear and doubt. They are angry, depressed, and sometimes lash out. They are experiencing overwhelming emotions, and probably wearing them on their sleeve, for all to see. While the narcissist shows up cool, calm, and collected. Cruel and heartless as they are, they remain stable, because they were never attached to their victim. So using abusing, and then casting them aside, didn't mean anything, because they don't care

Reacting to the narcissist's abuse does not make you the abuser.

BEING ANGRY OVER ABUSE DOESN'T MAKE YOU A NARCISSIST:

Lawful

Common Law Law of tradition Set by precedence and established fact The law that is common to all Can only be determined after due process of law, (a jury trial) Deals in fact (living beings, truth) Language -English No crime without an injured party Treats you as a man or woman Broken when harm is caused to another Has full force of Law Seeks justice

LAWFUL vs LEGAL

Legal

Acts of Parliament Set by corrupt politicians (often bribed by lobbyists) Statutory Obligations Forced compliance is unlawful Unenforceable (without consent) Deals in fiction, (corporations, legal entities, statutes, codes, policies) Language - Legalese (sounds like English, has different meanings) To break legislation is an infraction of a policy. Treats you as a corporate person Broken when the rules are not adhered to, essentially a breach of contract Has no force of Law without consent Seeks profit and control

A narcopath will never answer your questions honestly....will never answer why...

instead they will attack you for asking...

or use diversion by saying things like "Oh, God...not again".... If someone treats you bad, just remember that there is something wrong with them, not you. Normal people don't go around destroying other people.

Interpretation/Definition of "Property": all in which is proper to my people, the right to enjoyment and benefit of my biological real property exclusive to all others within society.

REQUIRED IMMEDIATE RETURN OF MY EQUITABLE INTEREST BIOLOGICAL REAL PROPERTY

I, Victoria [Nevens] claim the wrong of trespass. I was robbed of my biological real property March 2009. Under duress and threat my biological real property was violently stolen by **MCFD criminal** <u>witch</u> LYNDA GARBUTT who transferred my inheritance to <u>witchcraft</u> practising MCFD racist criminal JOHANNE GRENIER. Before being trafficked/sold last known MCFD criminal <u>witches</u> with my stolen biological real property: BOBBIE LUND and HEIDI TONN.

This is an order of performance without excuse or delay. I am a creator like all Mothers, demand the return of my property to the right, original place of origin under my unalienable exclusive jurisdiction post haste. If those responsible for the illegal administration of my biological real property: Her Whoreship the queen in Right of the Province of BC as represented by RICO Govt of BC, RICO Ministry of Attorney General, RICO Provincial Court Of BC, *child abduction, child rape, abuse & murder, child trafficking division* Ministry of Children and Family Destruction monsters refuse to execute this Notice and Demand there is a **\$5,000.00 fine PER MONTH** payable by legal fiction child kidnapping/murdering/trafficking <u>dictionary.com/satanic</u> cult operating as "the *Province of BC*" from January 10 2019 to date of restoration of my biological real property to me the equitable, lawful caretaker and originator.

If those named refuse to return my biological real property later than January 10 2019 "John Doe/Jane Doe" maintaining naked possession of my unlawfully stolen and administered biological real property along with those guilty of kidnapping to sell my "*highly marketable*" inheritance are subject to televised destruction by 12 members of a federal govt <u>stoned+the+evil</u> firing squad on the lawn of the BC Legislature as written <u>Deuteronomy 19:20</u> Then everyone else will hear what happened; they will be afraid, and no one will ever again do such an evil thing TO SEND A MESSAGE TO ALL BAR MEMBER/MCFD WITCHES YOUR CRIMES AGAINST MY FAMILY, CRIMES AGAINST HUMANITY/WAR CRIMES ARE OVER and SO ARE EWE TOXIC violent, arrogant, children+of+the+devil SICK HUmans=MONSTERS evildoers! Irreparable harm done to myself and my biological real property under Common Law and indictable crimes committed by BC "public servant" and BAR member wrongdoers included as a public destruction order and laying of private information.

MY BIOLOGICAL REAL PROPERTY IS REQUIRED IMMEDIATELY

DUE TO THE TRUTH THOSE PRETENDING TO BE "BAR MEMBERS" and "PUBLIC SERVANTS" DO NOT FOLLOW THEIR OBLIGATIONS, DUTIES AND RESPONSIBILITIES, THEIR OATH OF OFFICE THEREFORE THE SUPERIOR LAW OF MY FATHER, KING AND SOVEREIGN WILL BE FOLLOWED to THE LETTER <u>do+all+that+is+written</u>. The Most-High is THE ONLY <u>Judge+and+Lawgiver</u>. Besides I sui juris Woman Victoria have first hand knowledge those pretending to be "the court" are incompetent, entirely ignorant in matters of their legal fiction world of corruption, murder, theft and destruction equating to their having zero jurisdiction over subject-matter my race and culture bring before them. Those who refuse the Way, the Truth and the Life, the Common Law recorded in Genesis, Exodus, Leviticus, Numbers and Deuteronomy are not capable of following their own rules of <u>falsehood</u>, of blatant <u>witchcraft</u> racketeering "court" game known as "codes, statutes, acts, conventions, covenants, procedure, paperwork" etc. so I and EWE HUman=MONSTERS WILL STICK TO THE TRUTH EXCLUSIVELY. DO EWE UNDERSTAND? NO? <u>EXCELLENT, NOW FORCE IS NECESSARY!</u>

Exodus 21:16 Anyone who kidnaps someone is to be put to death, whether the victim has been sold or is still in the kidnapper's possession.

<u>Deuteronomy 24:7</u> If someone is caught kidnapping others, whether they treat them like property or sells them, then the kidnappers must die. So you are to <u>biblehub.net/purge+the+evil</u> from your midst.

Leviticus 5:1 Whoever is aware of evidence in a case must speak up and testify.

<u>Deuteronomy 17:11-12</u> <u>DO NOT</u> fail to carry out the sentence of judgment according to Common Law. *My righteous race will not fail to carry out justice according to Common Law!*

<u>Deuteronomy 25:2-3</u> When required by Common Law, Judges must administer appropriate punishment.

<u>Leviticus 19:17</u> <u>Ezekiel 3:19</u> <u>DO NOT</u> hate another in your heart. Correct your neighbor boldly when they do something wrong. Then you will not share their guilt=curse.

I have lawfully applied for my file from the Ministry of Destruction with a FOI application to which as usual I have been denied access to my information because <u>children+of+the+devil</u> responsible for capital crimes against my family are trying to hide their ugly and <u>evildoing</u>.

Some of the witches scheduled to be destroyed include but are not limited to: YVONNE SYLTE, DAVID SYLTE, PATRICIA TAYLOR, B. LUND, L. GARBUTT, J. GRENIER, H. TONN, B. GASH, W. BERNT, C. GERING, S. As counsel for the King (KC) I have COMPLETE AUTHORITY AND JURISDICTION to destroy EACH <u>evildoer</u> using legal fiction "*codes, statutes, acts, conventions, covenants, bills*" etc. which for fun I will prove to those who have received this package of proof the blood of these <u>witches</u> will run on the lawn of the WITCHCRAFT house of <u>abomination</u> BC legislature for their war crimes and genocide against myself and my biological real property.

The things they do are evil,

Man's refusal to wear condom after agreeing to cancels out consent: judge

Paola Loriggio The Canadian Press

Published Wednesday, July 3, 2019 3:23PM EDT

who had unprotected sex after agreeing to wear a condom committed sexual assault because his behaviour invalidated his sexual partner's consent.

bc.ctvnews.ca

Two judges ruled consent can be limited to sexual intercourse on certain conditions, in this case wearing a condom. Thus, the complainant had not consented.

The other felt there was evidence to suggest that her consent was vitiated by fraud, and that Kirkpatrick had been dishonest.

According to the summary of the SCC hearing, a 2014 case known as R. v. Hutchinson was expected to be cited as it was in the original trial. Irreparable harm caused by criminal agents for CIBC, Fulton & Co., Cox Taylor, BC Attorney Generals, BC Supreme Court et al. stealing the entire estate of Gerald Wayne Jack Daley from his Executrix, common law spouse and beneficiary has resulted in multiple sexual assaults on their intended despised target, me, Victoria.

I am being forced against my will to engage in acts of prostitution to try to maintain the lifestyle I'd grown accustomed while with my spouse. Agents of BCSC had a fiduciary duty to make sure I was not rendered homeless and destitute instead each agent committed obviously intentional malicious acts of fraud, hate, liquidation and <u>misfeasance in public</u> office.

Well aware I am not engaging my species whom are Men and Women I am being forced into acts of sheer perversion known in my culture as beastiality with RH positive male beasts whom I insist, provide safe working conditions. I've been harmed by deception or outright refusal after these conditions have been understood and agreed upon.

No sex worker in Canada agrees to engage in unsafe working conditions. I do not consent to dangerous employment environments. I am made to believe I will be safe and respected by males who wish to engage services to provide for my needs, I'm being forced into destruction against my will by those who stole my homestead and the entire estate of my common-law spouse.

I have been made victim to repeated sexual assaults since the summer of 2020 after multiple attempts to access the liquid assets of

the estate of which I have legal and lawful control, to no avail. My sixth sense tell me now

one of these assailants has decided to blow up my car window. The assault caught on video surveillance. Yet another act of hate. An act of vandalism. Here is proof.

This male beast goes by "James" or "Jim". It was only interested in making sure I knew it was a billionaire who had been in Forbes magazine in the top ten riches in California. I researched this information after these statements to find them a lie.

Jim explained I'd only be abused by abusers on "secretbenefits" then turns out to be an abuser using that site to seek the weak and vulnerable as those types are easy targets with little to no recourse because society looks down on its "sex workers".

We only met in person a few times. I did notice his profile was not an honest portrayal of reality as can be seen in the bottom screenshot red circles. The arrangement was Jim would provide \$1500 per month to cover my living expenses and storage locker fee in exchange for companionship. This verbal "sugar baby" contract was established early afternoon September 26.

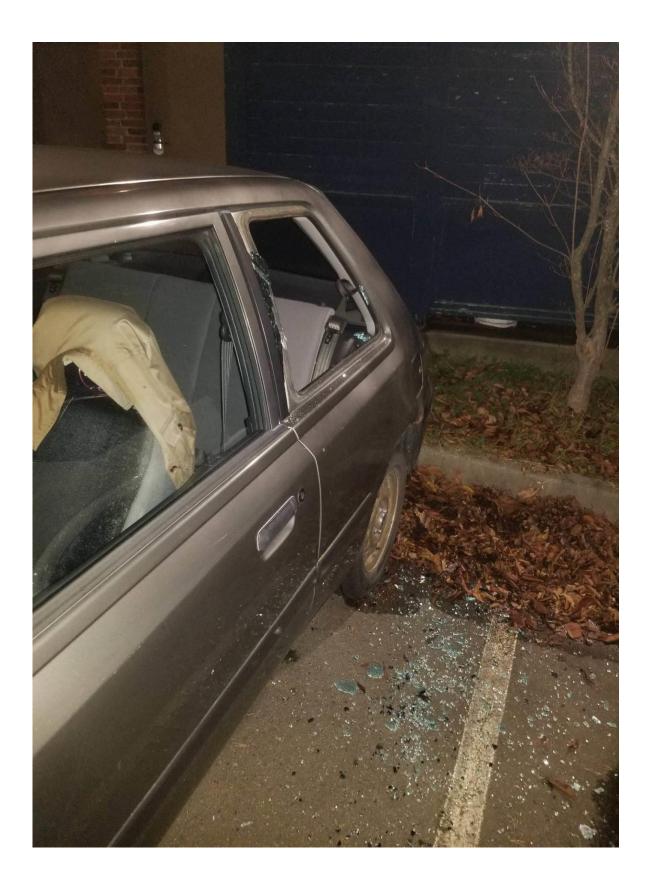

Later that afternoon there was an incident that left me reeling after it was over. Jim promised before he left to e-transfer \$1500 before the end of the day as it was already the twenty-sixth and expenses would be due.

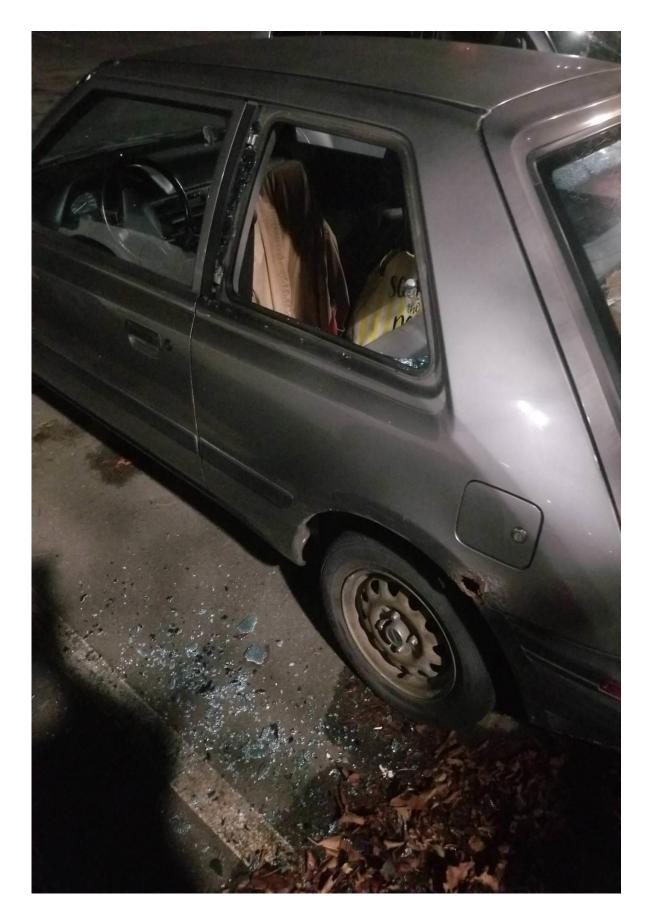

I heard nothing nor did I receive the e-transfer as agreed upon for my services. I cannot afford to work for free. Who can? The next day I reached out. Screenshots of the conservation have been included on the previous page to provide proof of my testimony. Jim is speaking in the green bubbles. At one point this predator threatens "I'll have a real nightmare on my hands" if I pursue what is right.

Friday night November 26 2021 around 9:44 pm I went outside to see my car had been vandalized. The front desk manager Chris has proof of this hate crime on the building's video surveillance cameras. I do believe this would be of some interest to BC public servants

in "*law enforcement*" as I understand a device was attached to my car window by the criminal who then left. Minutes later the window explodes everywhere, mostly inside the vehicle. Nothing has been touched in the backseat where some of the proof is located.

I am beyond devasted at this latest hate crime. These assaults clearly have no end in sight because those in this toxic community refuse to recognize the level of protection I require as one of the . I have no extra resources to replace this damage. It is winter now. This is unacceptable, cruel, unusual treatment of a stranger in your community. It is my gut instinct that tells me "James" has decided he would retaliate by destroying the one thing I have left of my family which is my car. The sexual predator knew how attached I am to a car I bought for myself at nineteen and still drive almost thirty years later. The window will never be the same or will my cherished possession. Who cares right? This community continues to prove to me how much it doesn't care about its fellow citizens continual attacks to intentionally cause me loss, harm and injury.

Still in shock from another blow, I attended Saanich Police Dept Nov. 27 '21 Saturday morning to commandeer public service on a different matter. As expected, as usual I was not made to feel welcome, understood or heard. Instead, I was lied to, disrespected, treated with condescension, told if I didn't like the satanic abusive useless "service" I had to file a complaint. Typical useless dysfunctional untrained uncaring unkind "public servants" filled with excuses why they do not have to actually assist the weak and vulnerable in law enforcement or enforcing their rights. Instead, I was subject to two assaults in one day (calling to threaten me with a FRAUDULENT trespassing charge) by Saanich INDICTABLE CRIME COMMITTING PD after attending my stolen land and premises to peacefully deliver contact information to the squatters in adverse possession of my homestead of which I have obligation, duty and full right to do as the POWER AND AUTHORITY commanded, ordered in the WILL of my spouse. I am following THE LAW, the trust of the Daley Family yet this is seen fraudulently as committing a crime. This is perverted behaviour by those I require assistance from and yet these "*public servants*" are paid to serve those in their community. Due to gross discrimination those services are not provided to me as requested or required.

This hate crime requires a full investigation by the **BC HATE CRIME TEAM** and **SAANICH POLICE DEPARTMENT**. The video proof must be examined by myself with the tools available to this provincial government as have unique skills and abilities to discern who and why this crime was committed.

ACTIONS ARE PROOF OF WHO PUBLIC SERVICE AGENCIES AND ITS "*PUBLIC SERVANTS*" REALLY ARE, ...WORDS ARE PROOF OF WHAT PUBLIC SERVICE AGENCIES AND ITS "PUBLIC SERVANTS" PRETEND TO BE & WANT YOU, the BLIND & DEAF TO be<u>LIE</u>ve!

Mission and Values

Our mission describes both our purpose and our practices. It acknowledges that Saanich serves many stakeholders, and all of their interests are important to us. Our mission also speaks directly to our employees, without whose tremendous effort and contributions we can never achieve our goals. Both our OCP and mission are founded on the values that guide all our actions and decisions.

future as a municipality. Specifically, moving towards and achieving the Saanich Vision. The development of the plan is based on public consultation involving council, citizens and staff. The plan identifies the goals of this Council which are aligned with Saanich's Official Community Plan:

| Community Well- Being | Affordable Housing, Land Use and Infrastructure Management | Organizational Excellence | Economic Diversification | Climate Action and Environmental Leadership |

compassion & kindness.

Resources and links to confidential help lines are available. I went everywhere looking for someone to listen, for help. No one cared or could have an intelligent conversation about what was happening to my family. I contacted LANA POPHAM who refused to speak to me. She had her office tell me I needed "a liar/lawyer". Yet LANA POPHAM sent this pamphlet out letting the neighbourhood know she will "hold government to account". More "smoke & mirrors" Lana? LANA POPHAM you will NOT be disrespecting or ignoring me this time. If you refuse to get involved in the matters I've instructed you to take care of that makes you a racist, a liar & a criminal. Remember what I told you Lana, at the end of the day all that happens in the world is because a repugnant beast is sitting behind a desk dotting an "i", crossing a "t" or making a call. That's how all the "magick" materializes Lana. DO YOU UNDERSTAND LANA POPHAM?

ACTIONS SHOW TOU WHO SOMEONE REALLY IS. WORDS SHOW YOU WHO THEY PRETEND TO BE.

"For the vast majority of victims who find themselves caught up in this vortex of venal depravity and perversion, without the financial means to hire high priced attorneys, there's little recourse for them but to vainly cry out for help and recognition to avenues of public recourse such as the RCMP Complaints Commission, the Human Rights organizations, the BC Civil Liberties Association, the Ombudsman and other miscellaneous agencies and government ministries that ostensibly exist to protect the victims of crimes here in this province, only to end up with the realization that all of them, ultimately, are but false and disappointing ruses whose primary purpose is to act as firewalls of protection for the criminals themselves."......The sad and growing reality for all of the thousands upon thousands of victims of these forms of abuse is that the psychopaths have taken over the levers of government and foreign lobby groups representing the most voracious, avaricious, vile and decadent nation on the face of the planet have filled our national and provincial judiciary with cold-blooded, cruel PIGS

After I finished absolutely useless forced 'counselling' as part of the RRSP, that was eventually illegally used against me in kangaroo child trafficking/force adoption "court", I was given a clean bill of "mental health" which infuriated the Jutland Road coven so they went back to the form of discipline used by my minority race as their excuse for not returning my son. That is discrimination and I knew it, so I filed a BC Human Rights Complaint. "Crown" WITCH & liar LINDA THAYER'S response was the stupidest thing I'd ever read next to the garbage that spewed from the "MCFD" and so called 'judges' that sold my child to strangers. The Truth about why one shouldn't waste their breath complaining to the BC beast eventually becomes evident. Truth is the "above the law" brotherhood cover for each other.

WHAT CAN I DO FOR YOU?

What I do as an MLA and Member of the Official Opposition can be summed up in five points:

- 3 Propose government actions;
- 4 Hold the government to account;
- 5 Organize public events and support community initiatives to improve our quality of life.

WHAT YOUR COLLEAGUES HAVE DONE ARE KNOWN TO MYSELF AS AN EXPERT IN BOTH LAW AND JUSTICE AS INDICTABLE CRIMES PUNISHABLE BY FINES AND JAIL TIME. CAN YOU EXPLAIN YOUR "PUBLIC SERVICE AGENCY'S" HATRED AND PROVABLE INTENTION TO CAUSE ME, A WOMAN IN NEED OF PROTECTION, LOSS, HARM AND INJURY? I CAN EXPLAIN IT SCOTT GREEN BECAUSE, AS WRITTEN, I UNDERSTAND ALL THINGS AND ALL PERSONS OF WHICH SHOULD TERRIFY ALL WHO HATE ME SEEING I'M NOW A WITNESS AGAINST A NUMBER OF PERSONS ACTING AS "SAANICH PD" AS YOU'VE IDENTIFIED YOURSELVES WITH THE DISGUSTING ATTITUDES & BEHAVIOUR TOWARDS ME.

ATTENTION SCOTT GREEN, FRED HAYNES, MEMBERS OF SAANICH COUNCIL, POLICE BOARD & SAANICH MLA

Be aware the peculiar people "*TRUST THE SCIENCE*" of RH status as it determines whom the peculiar people are being attacked by and it's always RH positive monsters who look like people. There are a number of very dangerous, dishonorable, violent male and female persons acting as "Saanich PD" who must be withdrawn from serving this community posthaste. Those acting as public servants for the District of Saanich are mandated to act upon the following instructions which must be posted immediately on all community social media and District of Saanich websites.

ALL CANADIAN "public servants" are MANDATED to provide a current photo & RH status to determine whether or not YOU are a male/female animal aka HUman=monster OR an RH negative Man/Woman

By reporting to the CAFC, you may be asked to report through the new version helping the RCMP build a new reporting system for Canadians. ATTENTION SCOTT GREEN you are required by oath and your fiduciary duty to my family, decades long inhabitants of the District of Saanich to work with all necessary law enforcement agencies in BC and other provinces to have required criminal charges laid against all guilty parties in their incessant attempts to murder me forthwith. A man never needs to be forced to do what is good, just and right so looks like I'm about to find out whether you are a man of integrity or a male monster like many of those acting as "Saanich PD" that have already violently assaulted me numerous times over the years.

Here is the beginning of war crimes, genocide, blatant malice, perjury, slander, persecution to cause suicide/death, racial targeting, extortion, fraud, fraudulent concealment et al levelled upon me Victoria & mine at the homestead address demanding full payment of a loan NOT in my name or co-signed by myself as guarantor. BAR member/Banker war crimes & fraud begins with "your loan is in default" is an out and out lie. As stated, there was NEVER automatic payments withdrawn for this alleged loan from my or my spouse's account. Two lies in the first paragraph establishes the truth, in Law Daniel Carroll is not capable of handling this matter ethically or morally due to gross deficiencies in character and conduct.

Agents of CIBC stopped sending the personal line of credit statements to the homestead after the testator passed being well aware Victoria N is not legally responsible for a loan contract my spouse guaranteed pursuant to the Law=Testamentary trust Section 3, 4 (a)(b). I am being persecuted, terrorized, extorted for monies I do not owe by criminal organization CIBC and its criminal organization partners in hate crimes posing as "Fulton & Co.". Dozens of public servants, bank agents, BAR MEMBERS, BC Attorney Generals and wholly incompetent dishonorable injustices aided and abetted these war crimes, yet another act of persecution upon me to hopefully, as is these "public servant persons" malicious hate-filled obvious intentions, force me to die from exposure or commit suicide.

CLEARLY FROM THIS INSANE TWEET FROM "PUBLIC SERVANTS" ACTING AS "SAANICH PD" THEY DO NOT UNDERSTAND WHEN TO LAY CRIMINAL CHARGES! THERE ARE NO VICTIMS PERTAINING TO THIS INCIDENT SO WHY WOULD BC TAXPAYERS AND RESIDENTS OF THE DISTRICT OF SAANICH BE FORCED TO PAY FOR THIS LEVEL OF BLATANT IGNORANCE?

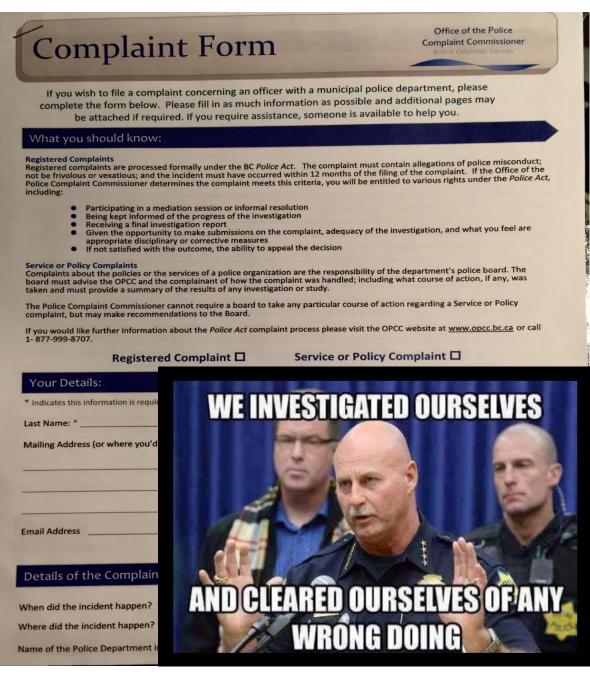

I AM CHARGING FOUR SQUATTERS IN ADVERSE POSSESSION OF MY STOLEN LAND AND PREMISES WITH TRESPASSING AND MISCHIEF POSTHASTE! SAANICH PD HAVE A FIDUCIARY, MORAL, LEGAL AND LAWFUL DUTY TO ACT IMMEDIATELY TO RETURN MY STOLEN PROPERTY TO THE RIGHTFUL OWNER WHICH IS MYSELF, VICTORIA N.

Saanich Police <table-cell> @... · 5d … A small protest at a bank in Saanich this morning has resulted in the arrest of four individuals after they chained themselves to the front door and refused to leave. All have since been released. Investigators will be recommending criminal charges to Crown Counsel for Mischief.

NOVEMBER 27 2021 DURING A VISIT TO SAANICH PD DETACHMENT TO REPORT A MYRIAD OF CRIMES OCCURING IN MY LIFE PAST, PRESENT AND FUTURE I WAS INFORMED IF I DIDN'T LIKE THE INDICTABLE CRIMES AND HATRED LEVELLED AGAINST ME BY A NUMBER OF SAANICH "PUBLIC SERVANTS" I WOULD HAVE TO HAVE MORE OF MY PRECIOUS TIME WASTED BY FILING A FUTILE COMPLAINT WITH A PARTIAL AND BIASED COVEN AS BC POLICE ARE INVESTIGATED BY POLICE, A DELIBERATE INTENTIONAL CONFLICT OF INTEREST. I, A WOMAN IN FULL AUTHORITY TO FIRE CRIMINALS WHO VIOLENTLY ASSAULT ME WILL NOT SPEAK TO A PIG ABOUT THE CONDUCT OF A PIG. IF I HAVE A PROBLEM WITH A PIG IT IS THE PIG DIRECTLY THAT WILL BE REBUKED, THEN EXTENSIVELY RETRAINED IN MATTERS OF HONOURABLE BEHAVIOUR, LAW AND JUSTICE OR BE RELIEVED OF ITS DUTIES FORTHWITH. <u>UNDERSTAND</u>?

Good morning, (which it will **NOT** be for those tagged as responsible for indictable and international crimes against myself and mine in this correspondence)

For those who have not had the pleasure of meeting me, I am one of the peculiar people. The native language of my people is Scripture known to us whom are of the Living as Truth. Scripture is our **DSM=Diagnostic Statistic Manual** to know and understand WHO and WHAT we are dealing with as each eternal soul has their/its name and life recorded therein. In the DSM my people are described as the righteous. All peculiar people have RH negative blood [Why Rh Negative People are Tracked and Targeted https://youtu.be/Krpj-2N493w Targeted Individuals Persecution Holv Bloodline and Coded Into Bible the https://youtu.be/2D5y0ngUIHw] as we are REAL Men and Women made in our Father, Judge, Avenger, Counsellor and King's image. Most if not all of us are the rarest personality type, the INFJ. We are empaths and sensitives. I Victoria, a Woman am born and remain sui-juris. September 6 2009 I was John 15:19 chosen, appointed then extensively trained to serve as King's Counsel (KC) 1 Samuel 8:7 Exodus 20:3. Ten years later granted office/title as a Levite priestess [https://youtu.be/Gm8wCLgjnAl The Levite Priest and The RH Negative Blood **Type**] to sit on King's bench (always two witnesses on King's bench) beside the King will judge you during proceedings as written Deuteronomy 17:9. The peculiar people like Moses, David, Jeremiah, Ezekiel, Jesus et al. are gualified, ordained counsel and PRIVATE prosecutors for the King as we are His witnesses here my witnesses. Unfortunately being a different species sent down from above John 8:23 than 85-94% of the populous my people are foreigners who are not welcomed, treated with care, concern for our welfare, respect or kindness due to our offensive to HUmans=monsters level of intelligence wiser than my enemies. It is truth, I know from almost 50 years experience my sweet, kind, gentle, beautiful peculiar Men and Women are hated by the world, most of us persecuted to death as recorded throughout the DSM. My people are prey Ezekiel 22:27. My people are NOT Xians as we despise falsehood (psst HEY your buddy "apostle Paul" is A LIAR & WEED as Jesus prophesied: EWES NOT CAPABLE OF HEARING OR UNDERSTANDING EWES IDOL?) as ALL religion is the practice of witchcraft. I Woman known as "Victoria" identify as a "foreign national" as that is THE TRUTH. NO "court" in Canada has jurisdiction over Foreign Nationals as INCOMPETENT INJUSTICE PRACTISING CURSED CANADIAN COURTS CONFIRM Canadian Court Rules That it Does Not Have Jurisdiction Over a Foreign National Under Canada's Corruption of Foreign Public Officials Act | Knowledge | Fasken

As required be advised if ewe (Rh positive blooded male/female animal known as a HUman ewe are legally defined, which is Truth, as a MONSTER) are one of the wicked not only will ewe be offended by what the peculiar people say, ewe will be incapable of understanding what we say <u>Daniel 12:10</u>. The dead aka the wicked are incapable of understanding or hearing the language of Love and Life spoken by the King's children. The peculiar people are NEVER obligated, required or permitted to be kind, respectful or patient to ewe whom are wicked <u>Psalm 15:4</u>. We are not permitted to associate with the wicked <u>Psalm 1:1</u> as it causes our people irreparable loss, harm and injury. Yes WE KNOW WHO EWE ARE John 2:25 so please do not offend or deny the Truth by trying to be something or someone ewe are not and NEVER will be.

I have been silent for months due to the fact the King was required to hold me, one of His most beloved possessions, in something like a medically induced coma in an attempt to begin the healing process from the continual violent blows to my heart, mind, soul and body by arrogant HUmans=monsters, each beast <u>useless like this</u> <u>belt</u>, compulsive liars before finishing and winning this latest war and act of genocide Matthew 23:31 Revelation 6:10 upon my absolutely identifiable group of peculiar people, expert trained PRIVATE prosecutors for the Most High who will ETERNALLY RULE AND REIGN AS KING OF ALL KINGS. The only reason I survived this last attack is my comforter <u>Isaiah 11:2</u> John 14:26 filled me with His character Sept 6 2009 and set me ablaze <u>baptise you with fire</u> with His Judgement and is with me everywhere I am <u>I am with you</u>.

PERSONS acting as "GOVT OF BC". as private sui-juris woman, trained counsellor expert in law & justice now forced to move forward matters as "private prosecutor" myself as ewes have proven consistently and repeatedly uneducated, ignorant, corrupt, incompetent and vile "public servants". I am the honoured progeny of a righteous Man. It is my pleasure to introduce Arthur Bombardier and his wife, victim of gross elder abuse, a negligent homicide as of yet unprosecuted. Resident, 84, found dead outside B.C. seniors' home | CBC News My

precious Papa and Nana~thank you for making me feel, a stranger, welcome, loved and accepted in a world that believes I am offensive, unlovable and unacceptable. Papa your home always felt like a warm loving embrace to me as a child. the opposite of mv home environment. I know now that you were the first to know who I really am because you are like me, of Him the KING. I miss you everyday like I do my precious baby whom I named after you in honour and such deep respect for how you lived your life. You never spoke to me about our Father but I learned more about Him from you than anyone by observing and absorbing your righteous living man's character, home

and atmosphere. I want you to be proud of me, so I fight for what is right because that is what those whom are right inside must do. Nana I remember you saying, "honey out of all my grandchildren you are the only one I don't worry about". Looking back, in hindsight what's amusing about such a declaration is I am actually the only one you should have been worried about, my precious Nana as I am one whom the world will continually violently attack, hate, misunderstand and persecute to death. I also remember you complimenting me on my writing skills Nana which is so funny now that I'm a grown Woman with exceptional writing skills. LOVE YOU! Always.
