WHAT ARE SNOWORLDEANS?

Snoworldeans are beings from the planet Snoworld, where Spaicy comes from.

They are characterized by being anthropomorphic beings, oviparous, belonging to different features, which are: animal, vegetable or mineral.

This will determine their composition and behavior.

WHERE WILL YOUR FC COME FROM?

To create your snoworldean, you must know where it comes from.

The planet Snoworld is made up of 3 large continents that are:

-Snoworld: capital continent, is characterized by being snowy and forested.

-Akiri: more tropical and warm place.

-Thembras: very rainy and violent weather.

Throughout the entire planet you can find megapolis, smaller cities and different cultures.

NOTES

- They are not species like "a fox" "a cat". Rather, they are mixtures of beings, plants and minerals. The idea is to be creative.
- Avoid wearing full-body clothes like humans. They don't need it since their bodies don't reveal their intimate parts, and they are adapted to different temperatures.
