

**Making Waves Project @ Plymouth University in Roland Levinsky Building Room 307**

Dear Parent/Guardian,

Exim Dance Company CIC would like to invite your child to participate in our new dance and education project Making Waves, the project will take place in term time between 5pm-7pm at Plymouth University in the Roland Levinsky Building Room 307. The classes will be free of charge and we can provide transport for the participants if needed.

The group will perform regularly, participate in professional community workshops and visit local theatres to watch dance and theatre performances.

The following dates below are when the classes are running commencing 9<sup>th</sup> January 2017.

**Dates:**

9th January - 6th February 2017

20th February - 27th March 2017
