

David Kenderes' (Updated: June 14, 2018) Great Storm Compilation – Is a Banking Shutdown/Internet Freeze and Tokyo, Japan Disasters (+9.0 Earthquake, Tsunami and Mt Fuji Eruption?) Coming on the last weekend of July, 2018? Are you Prepared and Ready for these Events, if/when they do Arrive? Will these be Planned Events from the Deep State, Military Industrial Complex/Intelligence Agency (MICIA) Underground government? Will the Birthing of the Last Days Great Awakening follow these Events?

Hi folks, when reading the write-ups and listening to the videos from people within this paper, you may find some things that you simple don't agree with. I only ask that you don't throw the baby out with the bathwater. I ask you to be willing to eat the meat and spit out the bones, for how else can we learn from each other? A number of related YouTube videos are listed at the bottom of this paper as well. As always, my comments are in 'green'. Please send this paper out to as many people as possible as the Lord leads.

Sincerely, David Kenderes

David Kenderes' July 14, 2018 Piece – What are some Clues indicating the Tokyo, Japan Disasters (+9.0 Earthquake, Tsunami and Mt Fuji Eruption?) might occur on the last weekend of July, 2018?

I have repeatedly stated in these papers, that I believe that MICIA will cause a false flag bank/Internet Freeze on some Friday (*July 27, 2018/Av 15, 5778?*), leading to an all-out economic crash the following Monday (*July 30, 2018/Av 18, 5778?*). But I have also stated that I am expecting to see the Japan disasters (+9.0 Earthquake, Tsunami and Mt Fuji Eruption) sandwiched in-between (*July 28-29, 2018/Av 16-17, 5778?*) to act as a catalyst.

But the question that many might ask is: "What evidence is there to indicate that these Japanese disasters (depicted in the picture above) will actually take place in the natural, over some given weekend?" The assumption being, that there might be some technical astronomical or geological signs signifying that it is about to happen. This assumption seems to elude to the fact that it will be a natural event. If that were the case, we only need to look at the increased earthquake and volcanic activity around the world in recent years, months and days. I think of the recent Mexico City earthquakes, the volcanic eruption in Guatemala and the ongoing erupting volcano on the big island of Hawaii. But what about Japan? Does everyone remember the March 11, 2011 megathrust 9.0 Tōhoku undersea earthquake which was the most powerful earthquake ever recorded in

Japan, and the fourth most powerful earthquake since earthquake record keeping began in the year 1900? And do we remember the subsequent tsunami which killed 15,894 people with 2,500 people still listed as missing. Not to mention, the level 7 meltdowns at three reactors in the Fukushima Daiichi Nuclear Power Plant complex. If that isn't enough, how about some recent volcanic activity in Japan?

On September 27, 2014 Mt Ontake eruption, killed 63 people and became the deadliest Japanese volcano since 1902 (see images above and below)!

A Japanese soldier was killed on January 23, 2018 after a volcano on Japan's Mt. Kusatsu Shirane erupted near a popular Japanese Ski Resort (see image of the eruption above):

An aerial view shows Shinmoedake peak erupting between Miyazaki and Kagoshima prefectures, southwestern Japan on March 07, 2018. (Kyodo/via REUTERS) (see image of the eruption above):

A volcano in southern Japan that appeared in a James Bond film has erupted, shooting smoke and ash thousands of meters (feet) into the sky and grounding dozens of flights to and from a nearby airport. The Meteorological Agency says the Shinmoedake volcano erupted violently several times Tuesday, shooting up ash and smoke up to 2,300 meters (7,500 feet) in its biggest explosion since 2011. It said some lava was rising from inside a crater at the volcano.

The volcano, seen in the 1967 James Bond film "You Only Live Twice," has had smaller eruptions since last week. Entry to the 1,421-kilometer (4,660-foot) -high volcano was restricted. About 80 flights in and out of the nearby Kagoshima airport were canceled.

The Iwo-yama volcano also known as Mount Io and Mount Ioyama, located on the Ebino Highland and a part of Kirishimayama volcano group in Japan's Kyushu, erupted on April 19, 2018 for the first time since 1768. (See image on right):

As of March 07, 2018 Japan had 110 active volcanoes. As of April 04, 2018 Japan had 118 active Volcanoes.

Now touching upon the eruption of Mt. Fuji (the tallest mountain in Japan) in the Tokyo, Japan region (last weekend of July 2018?), if and when it blows, causing huge melting in its path, it will be the first eruption of Mt. Fuji since 1707-1708! (Mt. Fuji as viewed from Tokyo, Japan below):

So as I have shown, earthquake and volcanic activity is ongoing in Japan. But let's go back to that original question: "What evidence is there to indicate that these Japanese disasters will actually take place in the natural, over some given weekend?" My specific answer to that question, is why do the supposed Japanese disasters have to "take place in the natural"? What if these earthquakes can and will be generated by some type of Scalar wave weapon like the Alaskan HAARP ionospheric heater? Do you know that there are at least 100 of these ionospheric heater antenna arrays throughout the world? Many of them are much smaller than HAARP and some are even mobile. How do we know that a system like that didn't cause the March 11, 2011 9.0 Tōhoku undersea megathrust earthquake in Japan as a kind of test run? How do we even know that it wasn't used to bring down New York's twin towers?

The 1984 Orwellian Year (2018/5778?):

In George Orwell's book "1984," he talks about a dystopian future world, where critical thinking has been suppressed under an elitist rule and a 'big brother' surveillance state. It sounds an awful lot like today's world doesn't it? Now let's try to glean what the latest rave in movies and TV series shows are telling us.

On Thursday May 17, 2018 the summit of Hawaii's Kilauea volcano erupted, sending plume of ash and smoke 30,000 feet into the sky. This eruption was the Biggest eruption since **1984**. Hmm, I wonder if this was another planned and orchestrated event, with the ritual significance of the **1984** date in mind?

"Stranger Things" date setting is **1984**, is it coincidental that "they" picked the same year as the "1984 George Orwell" novel, the novel depicting a time when "everything changes".

Remember the promo picture of "Stranger Things" show the 4 kids on bikes in the middle of the road watching the approaching storm, like an approaching octopus (The Cabal?) and an erupting volcano (Mt. Fuji?) on the right blowing up with volcanic fire? Are they trying to tell us that the storm and whirlwind of change is about to happen soon to the world that we live in, after the Japan disasters occur? I think that they are.

Do you also remember in “Stranger Things” how they strung up Christmas lights to let them know when the Demogorgon were coming? Are the Demon-gorgs about to make their presence known to us on planet earth? Is a mountain (Mt. Fuji?) about to blow up? And are those snowflakes in the upside down, really volcanic ash flakes, and are the toxic deadly fumes really volcanic fumes? Do they call it the “upside down”, because our real estate, finances and world is about to turn upside down! The Stranger Things town is called Hawkins and remember that Stephen Hawking died on March 14, 2018. Are they trying to tell us that this collapse will happen sometime after the death of Stephen Hawking ...when Hawking goes upside down, underground? I don't know all of the code fulfillments that go through the warped minds of these MICIA elitists and their technocrats, but I guess even that is possible.

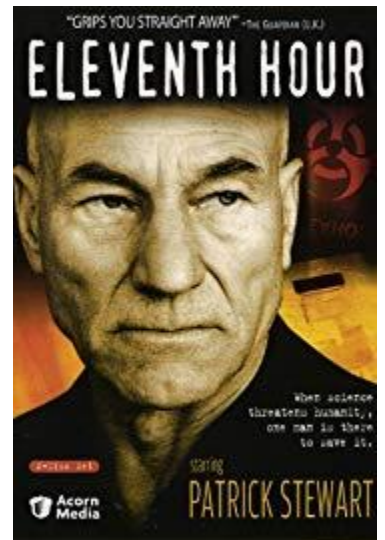

Watch the Stranger Things last segment of the last episode (number 9), of season 2 called 'Chapter Nine: The Gate' again. The scene where the camera shot leaves the Christmas Ball and stops on the front of the building where everyone reads “Hawkins Middle School” with a bear (bear market?) print on the wall – “the Hawkins Bears”. The building (real estate?) then turns upside down, meaning: Coming Bear Stock Market and Upside Down Real Estate? Everything is going to change, it is going to go “upside down” (like in “Stranger Things”).

Kind of a “strange thing” for the “Stranger Things” TV show to call the underground the “upside down” huh? I believe that is why Stranger Things chose the phraseology “upside down” to depict the underground. Because many real estate ventures will go upside down and the dollar and other currencies will greatly devalue after the crash. Will you be ready when it comes? Will I be ready?

Next, the “Hawkins Middle School” building continues to rotate until it is completely upside down. Suddenly, the atmosphere is ignited with an explosion on the left hand side of the screen. An explosion that looks very much like a volcanic eruption! Might this volcanic eruption (Mt. Fuji?) caused by the underground (MICIA) have something to do with a worldwide financial crash and an upside down real estate market? I for one, emphatically say yes it does! (see the Stranger Things volcanic eruption image below):

And why did they pick the name “Eleven” for the girl on Stranger Things? Could it be because the proverbial gate has been opened and we have moved from the 11th hour to the 12th hour on the Doomsday clock? I believe that that is our main fulfillment of the number “11”. The expression “the eleventh hour” actually means the last moment when change can happen to avert imminent disaster. The 11th Hour film proposed potential solutions to the world’s problems in hopes of avoiding these calamities.

But there is always a secondary meaning or type, right? In this case, we can also find a meaning in the 2006 movie “Eleventh Hour”, where actor Patrick Stewart stars as the science professor Ian Hood, who works for the Home Office as a consultant on special, dangerous cases that involve deadly viruses and cloning experiments. In other words, the undergrounds’ propensity to play “god” with Cern, genetics, chemicals, quantum mechanics, you name it! By which they wittingly or unwittingly bring in the 12th or Midnight Hour!

We also have a third apocalyptic type for the number “11” involving the Department of Energy. If we look at the number tattooed on the girl’s arm it actually spells out “OIL” (oil). If they didn’t want to spell out “oil” there would have been no need for the number “0” to be placed in

front of the “11”. One of the most important ways that MICIA enslaves America and the world, is through oil. The insidious hiding of the fact that the MICIA bad guys have and use zero-point (free) energy, while forcing us to pollute the earth with their petroleum products, thereby enslaving us to the good ole petro-dollar! And then they have the audacity to tell us that we are polluting the earth!

Symbolic Codes within the 2018 Super Bowl Commercials:

How about some code interpretation extracted from the symbolism of the Super Bowl 2018 commercials? If one analyzes the commercials as a whole, in their entirety, Theme seems to be centered around fire, ice, drought and desolation and so called "natural disasters" ...the earth elements and such. I'll site a couple commercials: There was a car maker Kia ad showing Aerosmith's wrinkled and aging Steven Tyler getting into a car and racing backwards around a race track, going back in time, until the car comes to a sudden stop. When the dust clears a youthful Tyler without any wrinkles, gets out of the car and Aerosmith's 1973 rock song "Dream On" is blasting in the background. It is as if there had been a reset of sorts, as if we had traveled back in time to the 70's! Are "they" trying to tell us (US) that there will be a market reset which will bring earning levels back to 1970's levels?

There was a Budweiser Disaster Relief Super Bowl commercial, where a guy wakes up in bed in the middle of the night to an alarm going off on his smart phone (reminiscent of the recent alarm activations in Hawaii, Japan and now the tsunami warning on the east coast). The time viewed on his phone was 3:42 am. He answered the phone by saying: “I’ll be right there”, he was being called into work for an emergency. Next he kisses his wife goodbye as she lies in bed looking dead, motionless with white, pale skin. It looks like he was kissing his dead wife goodbye before the casket lid was about to be closed! Then he gets into his car and drives across a bridge over water in the darkness to what appears to be an island (Japan?) before arriving at a Budweiser plant.

When he gets to work he hits the “reset” button on a pressure gauge, which drops the pressure from 40psi to 0psi. Well folks, when I think of pressure relief in a disaster scenario, I think of earthquakes and volcanoes (i.e. Tokyo, Japan). When these disasters occur pressure is relieved! Again, a reset of sorts affecting our finances? Then they flash on the screen the past disaster areas where Budweiser has supplied water in disasters, naming Texas, Florida, Puerto Rico and California as a Bud truck drives away. What are "they" trying to tell us, where will the next disaster be (Japan)? Will the Japan disasters cause a worldwide financial reset?

X-Files Season 11 Finale – Episode 10 “My Struggle IV”: In the beginning of the show, there is talk about a plague or contagion to be released on earth while colonization of space continues. Also in the beginning of the episode, Jackson Van De Kamp, whose adopted parents were killed, who is also known as William gave a little soliloquy about himself. And I quote: “My original name is William, I’ve come to learn. That’s what my birth mother called me. Dana Scully. I’ve never really met her properly, but I can feel her in these violent episodes, in which I can feel us connected to the future in ways that I’m just beginning to understand. **I don’t know my role in the future, but I’m but I’m beginning to understand that as well. I have visions of it. It’s a world of confusion, pain, loneliness, that I can’t escape, nor can I prevent. But I want no part of the suffering that it brings.** I’ve known happiness, I’ve had a happy childhood. Until I grew older I had a life where I could dream of anything I ever wanted to be, but even then I knew I had powers.”

Preplanned Events with Trial Runs in preparation for the Japan Disasters?

Phoenix Lights happened in 1997 four years prior to the 9/11 event in 2001. The Oklahoma City Bombing took place in 1995 six years prior to the 9/11 event in 2001. Also keep in mind that the 9.0 Tōhoku earthquake occurred in 2011, which would make it seven years prior to the massive Tokyo region earthquake, if it in fact does occur in 2018.

F. M. Riley's February 12, 2010 Piece – Rabbi Judah Ben Samuel's Ten 50-Year Jubilees. The Ottoman Turks would Rule over Jerusalem for 8 Jubilees (1517/1518-1917/1918). The 9th Jubilee (1917/1918-1967/1968) Jerusalem would be a "No-Man's Land. The 10th Jubilee (1967/1968-2017/2018) Israel Captures Jerusalem and the End-Times would Begin. (Does the 11th Jubilee represent the beginning of the Midnight Hour with NWO False Flag Japan Disasters, Financial Collapse, Tribulation, the Great Church Awakening and the Lord's Second Coming?):

by Pastor F. M. Riley 02-12-2010

"So teach us to number our days, that we may apply our hearts unto wisdom." Psalm 90:12 Dear brother, I DO NOT know that the rapture of New Testament believers has to fit within the holy days of the Jewish calendar, for the Lord's New Testament church is primarily a Gentile entity.

The Lord's church is not Jewish, and therefore it is possible that the church does not have to conform to the Jewish holy days. However, that question is up to the Lord. The church may indeed have to conform to them! We will soon see! If it is required that the prophecies regarding the Lord's church be fulfilled in accordance with the Jewish holy days, then it appears to me that everything predicted leading up to the rapture of the church is coming together like a hand fitting into a glove.

Brother, the Lord Jesus Christ rode into Jerusalem on the back of a donkey on the 10th day of Abib [Nisan] nearly 2,000 years ago in exact fulfillment of His appearance as the Messiah [King] predicted in Daniel 9:25, bringing the 69 weeks of Daniel to fulfillment on that exact day. Four days later He was crucified [cut off] in direct fulfillment of Daniel 9:26(a). The Lord Himself verified this truth three times in Luke 19, verses 40, 42, and 44. Then knowing how precise the Lord is all through His inspired Word, I see no Scriptural reason why the 70th week of Daniel may not commence right where the 69th week left off, with only the 2,000 years of GRACE intervening. If this should be the case [?], then the Tribulation period [the 70th week of Daniel] will begin on Abib 11 on the Jewish calendar which this year begins at sundown in Israel on March 25th. This date therefore then looms on the horizon as a distinct "possibility."

Quite significantly, the Jews back in November began building an altar according to the exact specifications set forth in the Scriptures. That altar is now complete! On January 12th KorbanPesach.org, a committee of the Sanhedrin in Jerusalem, sent an invitation to Jews all over the world to come to Jerusalem on Passover this year to reinstitute the actual, literal sacrifice of the Paschal Lamb. They plan to buy enough lambs so that every Jew

who attends will be able to partake of the meat of their Paschal lamb exactly as specified in Exodus 12. They are anticipating at least a million Jews coming to Jerusalem to observe the Passover this year, which will occur on March 29-30. (Rabbinic date)

Remember that Peter in Acts 2:17-21, when speaking to the Jews in Jerusalem on the Day of Pentecost [Acts 2:5; 2:14; 2:22; 2:36; 2:39(a)], and transliterating from Joel's prophecy, clearly stated, "I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams....." Both the context and the wording used here makes it clear that this statement is speaking of the Jewish people. This cannot be denied by anyone who understands the grammatical construction of sentences and has a real desire to "rightly divide the Word of truth," 2 Timothy 2:15. It clearly states that in these "last days" Jews would be given prophecies, would see visions, and dream dreams. I am aware that many people today claim they have been given these "gifts," but it is very obvious that some making the claim have and some haven't. 1 John 4:1-3 is still in the Bible! However, when I run across a Jew today who claims to have been given a prophecy or a vision or a dream, I pay a good bit more attention to their claim than I do that of Gentiles making a similar claim. Without apology to anyone!

Then in view of this inspired prophecy given by Peter, I think it is highly significant that in 1217 the Jewish Rabbi Judah Ben Samuel prophesied that the Ottoman Turks would rule over the holy city of Jerusalem for eight Jubilees. A Jubilee is a period of 50 years according to Leviticus 25:8-13. Eight Jubilees would then be 400 years. Sure enough, 300 years later in 1517 the Ottoman Turks seized control of the city of Jerusalem and ruled over it for the next 400 years. They were finally driven out of the city and the holy land in 1917 by the Allied forces under the command of General George Allenby. The Rabbi's prophecy about the 400 years was fulfilled exactly to the year.

The Rabbi had also prophesied that during the ninth Jubilee Jerusalem would be a "no-man's land." This is exactly what happened from 1917 to 1967, due to the fact that the holy land was placed under British Mandate in 1917 by the League of Nations and literally "belonged" to no nation. Even after Israel's war of independence in 1948-49 Jerusalem was still divided by a strip of land running right through the heart of the city, with Jordan controlling the eastern part of the city and Israel controlling the western part of the city. That strip of land was considered and even called "no-man's land" by both the Israelis and the Jordanians. Anyone even stepping into that strip would be shot down. I lived during that period of time and well remember the reports in the newspapers and shown on TV about the division of Jerusalem. It was not until the Six Day War in 1967 when the entire west bank of the holy land was conquered by the Israeli army that the whole city of Jerusalem passed back into the possession of Israel. So once again the prophecy made by the Rabbi 750 years previously was fulfilled to the letter.

But that is still not the end of the matter. The Rabbi also prophesied that during the 10th Jubilee Jerusalem would be under the control of the Jews and the Messianic "end times" would begin. The 10th Jubilee began in 1967 and will be concluded in 2017. The Rabbi's prophecy has been fulfilled to the letter right up to this present day. There is then no Scriptural reason to believe it will not continue to be fulfilled exactly as it was given, until the conclusion of the seven year Tribulation in 2017. This then means that the pre-tribulation resurrection and rapture of New Testament believers will occur this very year; 2010, and that the Messiah and Savior of Israel will return and establish His Millennial Kingdom in 2017, again fulfilling to the letter the Rabbi's prophecy.

But this still isn't the whole prophetic picture. During the 18th century [the 1700's] Rabbi Vilna Gaon prophesied that the Hurva Synagogue in Jerusalem, probably the most magnificent Jewish Synagogue in the entire world, would be destroyed and rebuilt twice, destroyed yet again and built a third time. He prophesied that when it was rebuilt the third time, then construction would begin on the [third... ?] Jewish Temple. The Hurva Synagogue was first destroyed by the Muslims shortly after it was originally built. A hundred years later it was rebuilt a second time. Then it was destroyed for the second time by the Jordanian army during

Israel's war of independence in 1948-49. It lay in ruins until 2001! That year the Israeli government and the Jewish people in Israel began rebuilding it again. Now here is the fascinating relation to end-time Bible prophecy. The Hurva Synagogue has just been completed, and is scheduled to be dedicated and officially opened in a grand ceremony in Jerusalem on March 15, 2010. Significantly, the Jewish Rabbinate in Jerusalem has already announced that the plans for rebuilding the Jewish Temple will be presented to the nation of Israel and the Jewish people on March 16, 2010. The Rabbi's prophecy wins again!

Our Lord's coming for His people is right at the door! Read Revelation 3:8. Dear brother and dear readers, it is time for people to GET READY OR GET LEFT! Read John 3:3-7, 3:16, 3:36, 5:24, 14:6, Acts 4:12, 16:30-31, and Romans 10:8-13. DO IT TODAY! Tomorrow may be too late! 2 Corinthians 6:1-2. Then bow your head and your heart before the Lord and ask the Lord Jesus Christ to come into your heart and grant you true repentance and save you, cleanse you, and make you one of His children. The ONLY way anyone is ever "accounted worthy" is to have the "righteousness of Christ" imputed to you. Compare Luke 21:36 with 20:35-36, and then carefully read Romans 4:1-25. Dear brother, I hope this answers your questions and gives you additional spiritual insight. My greatest blessing is to be used of the Lord to minister His Word to His people, and to the lost who are seeking Him for salvation. Please keep me in your prayers. God bless you.

The comment by Jouko Piho on 02-23-2010

I do not believe like Pastor Riley that the rapture of the believers would happen before the affliction time of Antichrist and I do not believe that the rapture would take place this year 2010. I do not see either that the development in the world would have progressed so far that Antichrist could appear already during this year. Anyhow that time is coming nearer when all the people will see the Beast step up on the world stage and begin his evil works. But at that time God will take care of his believers.

The Prophetic Voice Clues for the Timing of a Worldwide Financial Crash Preceded by the Japan Disasters:

After the Berlin Wall Comes Down:

**After the Berlin Wall comes down and the Soviet Union Falls then Rises Again
and after Fidel Castro dies, the US Economic System will Crash:**

John W. Johnston's 1981 Prophetic Vision – After Fidel Castro Died the US Economic System will Collapse:

“When you see that the Berlin wall comes down and when you see the Soviet Union take a severe blow then it makes a recovery, and then you see the death of Fidel Castro; then shall come the collapse of the economic system of the United States.”

The Berlin wall came crashing down on November 9th, 1989 and the Soviet Union was officially dissolved on December 31, 1991, and now Russia is taking back lands in earnest that once belonged to the old Soviet Union. Fidel Castro died on November 25, 2016.

After Billy Graham Dies:

**After Billy Graham Passes the Last Days Great Awakening will Come
(Billy Graham was 99 Years Old when he Died on February 21, 2018):**

Lana Vawser's 2016 Prophetic Dream – When Billy Graham dies a DOUBLE PORTION of the Elisha Anointing will be Released upon the Earth! “...With the passing of Billy Graham now shall be seen a great increase in the revival of HOLINESS in My people. An increase of the wave of repentance upon My people, a deep cleansing and purification to move forward with Me into this season of DOUBLE PORTION harvest and anointing with greater fruit of humility and character...”

Alison Pounds' February 21, 2018 Prophetic Word – The way evangelism will be done for the final harvest, with a Double Portion of what Billy Graham had: “...I did not grant him 100 years because, like Abraham, there was some unbelief about what I could and would do in him. He fell short of the 100 by one year only. Do not fall short, but live the fullest life, believing wholly in all I have written to you in My word. Take up the shield of faith and the breastplate of righteousness and with these you will do battle successfully putting the enemy to flight...”

Mark Chirona's 2012 Prophetic Word about Billy Graham and Beyond: “...There is going to be a convergence of the signs. With it there is going to be an acceleration and they are all going to overlap. When that happens, there is a company of people that have been hidden in God for a season but they are coming out of hiding and they are going to stand in the courts of Pharaoh. Like Moses did (Exodus 7-12) and Elijah did (1 Kings 18:20-40), they are going to challenge the spirits. They are going to challenge the powers of Egypt...”

Brian Carn's December 31, 2017 Prophetic Word about Billy Graham's Coming Passing: “...Pray for Billy Graham, a transition is going to happen. When he makes the transition, revival is going to hit the church in a way that you have never seen it”

Benny Hinns' 2012 Prophetic Word about Billy Graham and Beyond: "...The sign will be Billy Graham's death. You are talking about a people in hiding, just like Elijah was in hiding, but when he came out, he challenged the prophets of Baal. And the Lord said to me in 1989, when Oral Roberts and Billy Graham go home, it will be the key, it will be the sign of the beginning of the greatest revival. Oral is home and Billy is about to go home, and when he does, I'm telling you, the whole Church, get ready..."

Prophetic Word for SPRING 2018 - Prophetic Word Published on Mar 12, 2018: "...The recent deaths of Nabeel Qureshi, Kim Clement and Billy Graham. There is a very unique Apostolic, Evangelistic and Prophetic anointing that has been released into the earth. You will see these Apostolic, Evangelical and Prophetic individuals cross barriers to reach the unreachable. They will be barrier crossers. They will be wall breakers. They will be anointed as national and political ministers in the Elijah anointing which will literally be the mouth piece of God!..."

Paul Keith Davis Prophetic Vision of the Great Awakening: "Another realm came down into my suite and I was no longer sitting on the couch, but I was somewhere else and I found myself standing in what looked like a football field, an outside auditorium, like a football field. The place was packed with people. People were dressed as they would be in the 1960's.

To my left, I could hear a speaker out on the field speaking and it was clearly recognizable. It was the voice of Billy Graham. He was preaching the gospel and I was watching the people and I heard the song, Just As I Am, beginning to be sung and people were making their way very politely and orderly down to the football field and they were giving their life to the Lord. And all of a sudden, in my experience, a voice spoke and said, "What's coming will not be like that."

David Kenderes' June 28, 2018 Piece – Hearing the God's Prophetic Voice, the True Prophets of God and the Twice Speak Code (Types) System:

Testing the Spirits (Christ or Antichrist?): How do we know that we are hearing the Prophetic Voice (Prophetic Dreams, Visions, Words, Prophecies and Visitations) of God rather than the voice of the dark side or are even our own voice? Well, if the message comes in the form of a visitation, we must test the Spirits and this

is Biblical and a sure way to filter out all the trickery of the enemy. So if you are being visited by some entity that claims to bringing you a prophetic message from God, test them per the standards of the Word of God. Ask the entity to confess that Jesus Christ is come in the flesh and that He is God. If the entity is noncompliant, then command the being to depart in Jesus' name. On the other hand, if this entity/angel confesses that Jesus is Lord, then you can allow them to proceed with the Lord's message.

1 John 4:1-5

"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world. Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. They are of the world: therefore speak they of the world, and the world heareth them."

Now if the Prophetic Voice does not come in the form of a visitation, but comes in the form of a Dream, Vision, Word or Prophecy, they still need to be tested to see if they are in alignment with Biblical scriptures. If any

facet of the prophetic message is in contradiction to the Word of God, it is not of the Spirit of Christ, but is of the antichrist spirit and thus it will contain a mixture of truth and lies.

Are Prophetic Voice Messages always 100 percent Accurate?

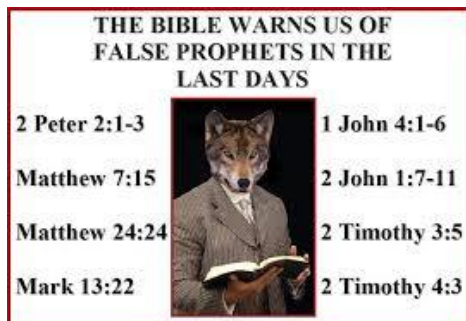

Some Prophetic Voice messages are given as conditional messages. Meaning that they will come to pass if certain criteria (prayer, repentance, forgiveness of others, etc) are met/not met. Conditional messages will typically have conditional words like “if” within the message, letting the reader know that the message is a conditional message. Other Prophetic Voice messages will come to pass, but the timing might be delayed if certain conditions are met. Yet others, are fixed in stone and the dates are also set in stone, the only thing that can be changed is the degree blessing and/or judgment that is unleashed and the number of people or nations that it will affect.

The Stages of Receiving the Prophetic Voice and why this Filtering sometimes affects its Accuracy:

With the exception of conditional or delayed Prophetic Voice messages, the messages are always given to people from God with perfect timing and 100 percent accuracy. But from that point forward, people can get in the way. The individual’s sole responsibility after receiving the Prophetic Voice message, is to pen the message out on paper, or speak forth the message in a video, without embellishing the message with their own words or their own interpretations.

One should always record the message exactly how it is given, word for word if possible, even if the message is somewhat incomplete in the form that it was given. It’s always possible that the Lord only wants to reveal a portion of that message at the time it was given. He may reveal more at a later date, but it’s not for us to fret over, or to try to adjust the Lord’s Words to seemingly make more sense of it in our eyes.

Interpretation and False Prophets: If the individual wants to give an interpretation for the message it should be listed separately from the message, rather than including it inside of the message. And unless the Lord gives one the actual interpretation of the message, the person should state that this is a possible interpretation of the message. There are too many people with the Gift of Prophecy trying to interpret the messages that were given

to them, even though they clearly do not have the Gift of Interpretation. When these individuals repeatedly misinterpret Prophetic Voice messages, it only causes harm to the Body of Christ and further muddies the water for young Christians trying to find answers to their questions. Also beware of disinformation trolls on the Internet, giving false Prophetic Voice messages and false comments on forum and blog sites. These witting False Prophets are deliberately trying to muddy the waters and confuse the Body of Christ and to a large degree they are currently succeeding. More prayer and discernment is needed in the Church.

The Twice Speak Code (Types) System:

Let’s look at some Bible passages to see if we can glean how this “**Twice Speak**” code operates:

Palms 33:6-10

“By the word of the LORD were the heavens made; and all the host of them by the breath of his mouth. He gathereth the waters of the sea together as an heap: he layeth up the depth in storehouses. Let all the earth fear the LORD: let all the inhabitants of the world stand in awe of him. For **He spake** (*First Speak*), and it was done; he commanded, and it stood fast. The LORD bringeth the counsel of the heathen to nought: he maketh the devices of the people of none effect.”

Now logic demands that when God spake once “**it was done**”, but that if He chose to speak a **second time**, that it would be **done twice** right?

IS 28:7-11 (Do you see the Twice Speak letter and word codes in this passage?):

“But they also have erred through wine and through strong drink are out of the way; the priest and the prophet have erred through strong drink, they are swallowed up of wine, they are out of the way through strong drink; they err in vision, they stumble in judgment. For all tables are full of vomit and filthiness, so that there is no place clean. Whom shall he teach knowledge and whom shall he make to understand doctrine them that are weaned from the milk, and drawn from the breasts. **For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:** For with stammering lips and another tongue will **he speak** to this people.” (when one stammers, they repeat syllables, letters and words)

So we can say that “tongue” equals “codes” in Spiritual code and stammering lips... we have seen the stutter in the word “stammering” itself... do you see the stammer? How about a slightly different illustration? Instead of stammering letters, let’s look at stammering words:

God, God, does, does, not, not, speak, speak, once, once, but, but, twice, twice, in, in, dreams, dreams, and, and, visions, visions.

Job 11:5-6:

“But oh that **God would speak**, and open his lips against thee; And that he would shew thee the secrets of wisdom, that they are **double to that which is!** Know therefore that God exacteth of thee less than thine iniquity deserveth.”

Job 33:12-15:

“Behold, in this thou art not just: I will answer thee, that God is greater than man. Why dost thou strive against him? for he giveth not account of any of his matters (meaning that these are secrets of God). For **God speaketh once, yea twice**, yet man perceiveth it not (man does not understand the “mystery” hidden things of God). In a dream, in a vision of the night (dreams and visions of the old prophets and from the modern day prophets), when deep sleep falleth upon men, in slumberings upon the bed;”

Job 33:29-30:

“Lo, all these things worketh God **oftentimes** (*Twice Speak and sometimes Thrice Speak*) with man, to bring back his soul from the pit, to be enlightened with the light of the living.”

So we can think of God’s Prophetic Voice in terms of the main fulfillment and lesser fulfillments of various happenings and historic events, which are also known as “**Types**”. Prophetic types have a main event with the biggest splash and lesser events that precede the main event called **Foreshadows** and lesser events that sometimes follow the main event known as **Shadows**.

Prophetic Types (Shadows and Foreshadows): I believe that one of the biggest stumbling blocks within church denomination’s prophetic doctrinal teachings today, is in determining the fulfillment of a given Prophetic Voice message. One group will say that the fulfillment means this, another group will say no it represents that and so forth and so on. What I believe the church has failed to grasp, is that the prophetic message should never be limited to one single fulfillment, which can also lead to interpretation confusion. Most messages have multiple literal and/or symbolic fulfillments.

The “Twice Speak” code, expresses to us that many times **history repeats** itself. When studying history, we often see as many as three, four or more fulfillments (**types**). The repetitive “**speaks**” are like harmonics reverberating throughout the eons of time. But keep in mind that the reverberations of these events and these fulfillment’s don’t unfold completely identically to the original occurrence, nor do they always emulate a mirror image of the first occurrence. Instead they tend to fall somewhere in between and/or a combination of both models. A classic example of the “**Twice Speak**” code in past history is illustrated below with the Lincoln/Kennedy **'dual speaks'** that occurred exactly 'one hundred years' apart from each other.

US. Presidents Lincoln and Kennedy:

FIRST SPEAK (PRESIDENT ABRAHAM LINCOLN):	SECOND SPEAK (PRESIDENT JOHN KENNEDY):
The name "Lincoln" has 7 letters in it (Lettercount)	The name "Kennedy" has 7 letters in it (Lettercount)
LINCOLN= 79 (within 1 (Theomatics Cluster Code) of the Gematria sum of KENNEDY= 78)	KENNEDY= 78 (within 1 (Theomatics Cluster Code) of the Gematria sum of LINCOLN= 79)
ABRAHAM LINCOLN= 123 (ABRAHAM= 44)+(LINCOLN= 79)=(44+79)= 123 (-2 Theomatics Cluster Code of JOHN KENNEDY's Gematria sum of " 125 ")	JOHN KENNEDY= 125 (JOHN= 47)+(KENNEDY= 78)=(47+78)= 125 (+2 Theomatics Cluster of ABRAHAM LINCOLN's Gematria sum of " 123 ")
Abraham Lincoln was elected to Congress in 1846	John Kennedy was elected to Congress in 1946
Abraham Lincoln was elected as President in 1860	John Kennedy was elected as President in 1960
Lincoln's secretary was named Kennedy	Kennedy's secretary was named Lincoln
Lincoln's secretary Miss Kennedy, begged Lincoln not to go to the theater	Kennedy's secretary Miss Lincoln, begged Kennedy not to go to Dallas
Lincoln's murderer was John Wilkes Booth who was born in 1839	Kennedy's murderer was Lee Harvey Oswald who was born in 1939
The name "John Wilkes Booth" has 15 letters in it (Lettercount)	The name "Lee Harvey Oswald" has 15 letters in it (Lettercount)
Lincoln was killed by a bullet to the head in the presence of his wife	Kennedy was killed by a bullet to the head in the presence of his wife
Lincoln was killed on a Friday	Kennedy was killed on a Friday
Lincoln's murderer killed the President in a theater and then took in a warehouse	Kennedy's murderer killed the President from a warehouse and then took refuge in a theater
Lincoln was assassinated in the Ford theater	Kennedy was assassinated in a Ford vehicle
Lincoln's murderer was killed before he was tried by a jury	Kennedy's murderer was killed before he was tried by a jury
Abraham Lincoln's presidential successor was Andrew Johnson	John Kennedy's presidential successor was Lyndon Johnson
The name "Andrew Johnson" has 13 letters in it (Lettercount)	The name "Lyndon Johnson" has 13 letters in it (Lettercount)
Andrew Johnson was born in 1808	Lyndon Johnson was born in 1908
Lincoln Kennedy=Once killed (Scaffolding Code)	Kennedy Lincoln=Once killed (Scaffolding Code)

Skipping a Rock over the Water ("Types" Analogy): I liken Prophetic Types to a rock being skipped over the water. The rock might skip and splash across the water once, twice or eight times before making its final impact into the depths of history. All splashes having some degree of impact on the overall prophetic message.

Do people need to fear Antichrist Types, are only the actual Antichrist himself? Prophetic Type fulfillments can often have very powerful fulfillments. Most would believe that Hitler was not 'the antichrist' but instead was a type of the antichrist. But yet Hitler and the Nazis party, through its genocide ethnic cleansing program, killed more than 6 million Jews, not to mention political opposition groups, the armies of the Allied nations, Poles, Slavics, gypsies, Catholic priests and Protestant pastors, Jehovah's Witnesses members, the elderly, sick, mentally disabled, homosexuals, blacks, and others that didn't match their perfect, healthy blonde hair, blue eyed stereotypical criteria or racial ideology. So even though Hitler was only a "type" of the antichrist, he still posed a grave potential danger to much of the world's population living during the time of WW2.

Looking at the Mark of the Beast: The prophetic message will almost without exception have both physical and spiritual fulfillments. Many assume that the “Mark of the Beast” is some future event, where everyone will be required to have a physical mark of some sort, placed on either their right hand or their forehead, to prove their allegiance to the antichrist. Well, this is both true and not true. It most certainly will represent a physical mark, but it also symbolically represents those give allegiance to their master. Receiving a mark on one’s right hand, represents being allegiant to your master in order to survive. The right hand represents works, a willingness to work for someone in order to be fed, clothed and housed, in other words, to give someone the ability to buy and sell (marketplace servitude allegiance worship). But receiving a mark in the head, represents a head knowledge, a willingness to worship and serve someone because one believes in them (cognitive choice allegiance worship). Did you know that both the unsaved and the saved people groups are sealed with marks in one’s head?

Revelation 13:16-17

“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or **in their foreheads:** And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

Revelation 14:1

“And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.”

The Old Testament is a Foreshadow Type of the New Testament:

In essence, the Old Testament is a type of the New Testament and the prophecies within the Old Testament nations of Israel, in many cases have second and even third fulfillments in the generations of the New Testament Body of Christ.

Even Jesus’ Inner Circle:

You see Jesus’ inner circle (James, John and Peter) were even types. James being a type of the Patriarchs of old, Adam and Noah, etc. John the beloved, was a type of God’s chosen people, the Jews, while Peter the rock, is a type of the Gentile Church, greatly exemplified by the nation of the United States of America.

Matthew 26:33-34, 75

33 “Peter answered and said unto him, Though all men shall be offended because of thee, yet will I never be offended.” 34 “Jesus said unto him, Verily I say unto thee, That *this night, before the cock crow, thou shalt deny me thrice.*” 75 “And Peter remembered the word of Jesus (*after the cock crowed thrice*), which said unto him, Before the cock crow, thou shalt deny me thrice. And he went out, and wept bitterly.”

Throughout history, many within the Gentile Church (Peter), denied Jesus 3 times. Historic types representing the 3 denials of Peter. It happened the first time during the first generation church, which experienced Papal Rome persecution during the Dark Ages, where millions of Christians died. It occurred a second time during the Reformation Age persecution in Europe. Spanish Christians and Jews fled Spain and came to America in 1492. Over 2,000 Protestants were killed in Paris in just one day during the St. Bartholomew’s Day Massacre in 1572. And the Church of England persecution caused the Pilgrims and Puritans to flee the UK to America in the 1600’s. And the Gentile Church will deny Jesus a third time, during our End of

Days Age persecution under the antichrist system. Keep in mind that the people of Christ’s true Church didn’t deny the Lord, even during when faced with persecution and death. It was always those that claimed to be true to the Lord with lip service, until tribulation arrived at their doorsteps, who actually denied the Lord.

Matthew 10:32-33

“Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.”

Matthew 13:1-43 (Parable of the Sower): Now what about the Parable of the Sower, might there be some types within this story? Well, the first 3 seeds of the Parable of the Sower, represent the backslidden conditions of man:

19 “When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received **seed by the way side.**”

20-21 “But he that received the **seed into stony places**, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.”

22 He also that received **seed among the thorns** is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

But the 3 seeds of the parable of the sower also represent the 3 types of the Ages of Mankind (the Patriarchs, the Jews and the Gentiles). The “**seed by the way side**” representing the seed stolen away by the enemy and destroyed by Noah’s flood (the Age of the Patriarchs). The “**seed into stony places**”, that receives the word for a time with joy, but when persecution came they became offended, represents the Jews in the Stony places of the promised land (Israel), who backslid from the words of the Lord during times of persecution (the Age of the Jews). And the “**seed among the thorns**” that hear the word, but the cares of this world, and the deceitfulness of riches, choke the word, represents today, the time of apostasy when we have left our first love (Jesus) for the lure and lust of the things of this world (sports, entertainment, success, wealth, materialism), and sexual sins (the Church Age).

But there is a 4th (“4” the number of faith) seed that remains faithful to the Lord throughout the ‘Ages of Man’, even during times of great distress, suffering, tribulation, persecution and if need be, even death. A group of people, seeking the Lord, regardless of their accumulated knowledge of the ways of God, Giftings in the Prophetic or in Prophetic Interpretation. Wisdom alone, tells them that serving the Lord on the ‘straight and narrow’ supersedes any short term pleasures or gain that might be achieved through crooked endeavors. They may have lived in sin for a season, but they have come back into the fold!

Matthew 13:1-43 (Parable of the Sower):

1 The same day went Jesus out of the house, and sat by the sea side.

2 And great multitudes were gathered together unto him, so that he went into a ship, and sat; and the whole multitude stood on the shore.

3 And he spake many things unto them in parables, saying, Behold, a sower went forth to sow;

4 And when he sowed, some seeds fell by the way side, and the fowls came and devoured them up:

5 Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth:

6 And when the sun was up, they were scorched; and because they had no root, they withered away.

7 And some fell among thorns; and the thorns sprung up, and choked them:

8 But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold.

9 Who hath ears to hear, let him hear.

10 And the disciples came, and said unto him, Why speakest thou unto them in parables?

11 He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

12 For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath.

13 Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand.

14 And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive:

15 For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes and hear with their ears, and should understand with their heart, and should be converted, and I should heal them.

16 But blessed are your eyes, for they see: and your ears, for they hear.

17 For verily I say unto you, That many prophets and righteous men have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.

18 Hear ye therefore the parable of the sower.

19 When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side.

20 But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it;

21 Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.

22 He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

23 But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.

24 Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field:

25 But while men slept, his enemy came and sowed tares among the wheat, and went his way.

26 But when the blade was sprung up, and brought forth fruit, then appeared the tares also.

27 So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?

28 He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up?

29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.

30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

31 Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field:

32 Which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof.

33 Another parable spake he unto them; The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened.

34 All these things spake Jesus unto the multitude in parables; and without a parable spake he not unto them:

35 That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world.

36 Then Jesus sent the multitude away, and went into the house: and his disciples came unto him, saying, Declare unto us the parable of the tares of the field.

37 He answered and said unto them, He that soweth the good seed is the Son of man;

38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

39 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

40 As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

41 The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

43 Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

Let's keep in tune with what the Lord is trying to teach us folks. Let's clean our hearts and minds, eyes and ears, to keep our senses keen before the Lord. Pray daily for Godly knowledge and wisdom and discernment for what others are calling "Thus says the Lord".

David Kenderes' June 14, 2018 Piece – Watch what Happens each year After Thanksgiving (Types), Sign Posts to the First Bad Year for the World:

In my opinion, one of the biggest keys to discovering the timing of the first bad year for the world, is to watch for the yearly prophetic types and the ultimate fulfillment of Penny Notzrim's 2013 Prophetic Dream. In her dream, the Lord revealed to her that there will be a time where "Everything Changes", presumably the time when America and the world truly enter into 'End of this Age' (financial crash, WW3 and the NWO antichrist system and the Great Awakening). More specifically in Penny's dream, there was a very hairy man (an Arab?) who stated in the dream: **"I don't know what's up with women, but after Thanksgiving everything changes"**. Listed below is Penny's prophetic dream in its entirety, including her comments:

("I don't know what's up with women, but after Thanksgiving everything changes")

"Hi Youtube its Penny, and I'm recording this on November 11th, 2013. I wanna share a dream that I had a few nights ago. So on November the 9th, I dreamt that I was staying at a hotel, where people were sun bathing right outside of the rooms that were outside of the ground floor. And as I was walking towards my room, there was a hairy man with swim trunks that were too tight for him, and he was approaching me. As he got closer to me I sensed that this was not going to be good. And I had a bottle of water in my hand, and I set it down so that I could open up the patio doors to my room. Because I needed both hands for some reason, it was heavy. Anyway, I got it open and bent down to pick up the water bottle back up and I quickly slipped back inside the room. I closed the door, locked it and closed the blinds ...those patio swivel blinds. And as I was doing that, this man passed by my room outside and I heard him say: **I don't know what's up with women, but after Thanksgiving everything changes**. So I knew that this was significant."

Now I'm going to share a couple of potential confirmations with you. Let me start by saying that this Thanksgiving, like in a couple of weeks, I don't know (*as she shakes her head like I don't know*) ...I mean, I got skewered??? with all those things put out there about the October crisis. Now the gal that the Father has sent to help me ??? with this researching stuff – the gal ...now she's saying that the whole 'Octo thing' has to do with the eighth month on the Hebrew calendar which would be the month of November. So ...but I don't know, He could have been showing me something that was gonna be happening in the future. I shouldn't try to put my own interpretation on some of these things because I have no idea. So always use discernment, with all of us, when sharing our dreams and visions. OK, so the reason that, when I woke up I thought that this could be really significant, is that ...well first of all, I don't know how many of you have been with me for very long, but one of the most significant dreams that has yet to be understood, that I had was on February 11th, 2012 and that was the one where I was doing a cheer and the words were shouted out with a battle cry **"Victory 30Y"** and we have still been trying to figure out – "30Y", what's the "30", what's the deal with that. When I was looking back in my notes, I saw this guy with a hairy back and I remember that I saw something about guys with hairy backs or hairy back guys or something. Well I went back and looked and the scriptural confirmation that I got for that "Victory 30Y" dream was from the book of the Jubilees. And www.cepher.net is where you can go to if you want to purchase the version of scriptures that I read from and it includes the book of the Jubilees (*could*

the “30” represent ministry and the “Y” represent Jubilee? – ‘Victory in Ministry beginning in the Jubilee Year’?).

So anyway, it was **Jubilees 38:10** where it talks about the sons of Jacob pressing hard against the sons of Esau in the mountains of Seir. And bowed their necks so that they became servants the sons of Jacob. So, I don’t know, I ended up taking a video down that I had recorded. I had seen the word Sier in front of my face in the middle of the night, one time when I woke up about a year and a half ago. And I uploaded a video called the children of Seir. And I ended up taking it down, because it showed up on some Pakistani website called Egypt videos. One of my subscribers sent it to me and said did you know and I said what, this is weird, so I took it down. Anyway, the reason that “Sier” is significant is because the Seirites were known as the harry guys. ‘Box and the riders on the storm’ (youtuber ???) received a similar Word pertaining to the ‘riders on the storm’ awhile back.

So I remember the Father showing me the Seirites, so these would be the children of Esau, the ones that were harry, verses the children of Jacob. So, these two people groups are in opposition to one another. And I want to put some links in the description box (Does everything change after Thanksgiving, or Am I a False Prophet? <http://youtu.be/AFMxpd4cZOI> These first two vidoes have been taken down, but I don't know why: 278pikelk - Thanksgiving!! <http://www.youtube.com/watch?v=AsmgjC> 278pikelk - Warning!! <http://www.youtube.com/watch?v=hVaFUc...> Zachary Wilkinson - Word from the Lord: Sorrows for My Lost Sheep <http://www.youtube.com/watch?v=hPMffH>) to a couple of other videos I have come across in the last few days that also have to do with Thanksgiving and about the “Coming 3 Days of Darkness”.

And all of that, now again is that this year? Again I don’t know. But, there’s a gal named Bonnie and I have not read her blog, but she has something called Bon’s Blog. But I want you to take a look at that one specifically. And Godshealer7 has been talking about Hanukah and the feast of light/festival of lights and if you are not familiar with that, it’s not one of the feasts of ??? that were described in the book of Leviticus, because it’s a festival that commemorates the rededication of the temple. And there’s the story of how oil lit the menorah for eight days, when it really should have only lasted for a couple of days. So the fact that, according to the traditional Jewish calendar, Hanukah begins this year on the evening of Thanksgiving (2013). So the 27th is when it would start at sundown. So that would be on Wednesday night the 27th. So the 25th of Kislev is the official first day of Hanukah, but that night is when you light the second candle and the 29th is when you light the third candle.

So something that I should interject here at this point is that last year during Hanukah, I was skypeing with David (her husband), we were not together (they were in separate places) at that time. And it was the third night of Hanukah. We were in Israel two years ago and bought this beautiful Hanakea ??? Menorah. So Hanakea ??? is a menorah that has what is called a shamash candle ...the candle that you use to light the other candles. And ours actually used oil in it with little floating wicks. Anyway, so last year, I’m skypeing David and all of a sudden I’m looking around and I’m like honey, there’s ‘ashes falling’ on me. I said hold on a second I smell something. And I went into the other room and our Hanakea ??? was on the piano in the living room and the shamash candle had ‘erupted’ and blown up! And David said it melted down, I said it ‘blew up’. But there was “ash” all over everything in my house! I had to dust every square inch of it, it completely ‘erupted like a volcano’! OK, the thing that’s interesting about this to me, is a gal that goes by the name Barb and she goes by the name (youtube) of 278pikelk ...I’m not sure how she pronounces it – Barb I love you, ha, ha. Anyway she has two videos I wanna connect to. One’s called “Warning” and one’s called “Thanksgiving”. And in the first one she’s given the word ‘super volcano’ or ‘volcano’ ...something about ‘Volcano’. And the Lord specifically instructed her about this ‘volcano’. That morning before I had watched her video I had gone back I was looking up some of the stuff that the Lord was giving me last year, and on June 30th of 2012 I heard the words ‘super volcano’ and I was actually shown a date on a calendar and it looked like this “28” (Saturday July 28, 2018?). I do not know the year. When He gives me dates, it frustrates me, ha, ha, because it would be

very helpful if He would also give me the year, but He does not. And I think the reason for that is that He wants us to rely on Him. And if He said there's gonna be a '**super volcano**' on the **28th** of this year, maybe people would wait, they would stall until that date before they got ready, spiritually, emotionally, physically or whatever. So I think He keeps us in a state of readiness on purpose.

But, the fact that the 28th this year, is Thanksgiving, Hanukah, is significant. So the third night of Hanukah this year, would be the 29th, when you light three candles on the Hanakea ??? Menorah and that's when mine erupted last year. So is He telling me that Black Friday, 29th is going to be a day of gloominess and ash? I don't know, I'm just putting this out there because when that happen last year (2012) and I was cleaning up ash, I kept thinking this is a sign, this has to be a sign. So let's just say that it wouldn't surprise me if it were a '**volcanic eruption**'. I think it was Barb, I don't know if it was Barb, but someone got something about yellow stone. I don't know if it was specifically about Yellowstone or not, but please look at the links in the description box.

There's another gentleman, I've never seen this young man before but I was led to his video and I was talking to Dee ??? about it this morning and she said oh my gosh, I watched his video again yesterday you don't want to ever see this kid before ??? I'm sorry, he's probably not a kid, he's probably in his 20's or 30's. He got a Word from the Lord and He asked the Father for some guidance as to when and the Father said Thanksgiving. So, again, is it this year, I don't know. People have been asking me to like how do you celebrate the festival of Hanukah. There are a lot of Jewish traditions that have to do with all of the feasts. And I'm not interesting in exchanges one set of man's traditions that have to do with Christmas and Easter and the pagan holidays that I no longer celebrate – to exchange them for another set of manmade traditions, I'm not interested in going there. So, I know that tradition of exchanging gifts and eating traditional Jewish foods and the giving gold wrapped candy coins to your kids. None of that's Biblical, it was winter time and Jesus Christ entered the temple, but He went up to Jerusalem for the festival of lights. So what would Jesus do, He would celebrate Hanukah and He did celebrate Hanukah. So if it's about the rededication of the temple, and we are the temple, then to me, these eight nights coming up, light the eight candles of Hanukah as a demonstration of the fact that He is the light of the world as He declared. I think He actually declared it during the festival of lights. And we are His temple, and we are to be rededicating ourselves during that time. So, anyway, I welcome your comments and if you have any other confirmations about this please let me know. I just thought it was fascinating that after Thanksgiving everything changes. I don't know what that means, but I trust it with all of my heart. Blessed are you our Lord God of the universe, amen.”

So now that all of you have read Penny Notzrim's prophetic dream (above), where the harry (Arab?) man stated: "**I don't know what's up with women, but after Thanksgiving everything changes**", I want you all to look at the following snap shots below, of changes for women, and Arab connections after Thanksgiving in the years **2015, 2016, 2017** and **2018**. I would suspect that most of you guys would have to agree with me that this is incredible and can't be coincidental!

So if the changes for women who were sexually harassed after Thanksgiving 2017 wasn't big enough news, the unheard of happened in 2018, when Saudi Arabia lifted its ban on women drivers and is now issuing driver's licenses to women! See the story below. I just can't fathom folks, how "**I don't know what's up with women, but after Thanksgiving everything changes**" can in future years, what has occurred in 2017 and 2018. I guess what I am trying to say here folks, is that it is very likely that the happenings after Thanksgiving in the years 2015 and 2016 were types of the fulfillment, but the actual fulfillment were the events that took place after the 2017 Thanksgiving. If this is true, and time will tell, we should see the "First Bad Year for the World" event commence sometime before Thanksgiving 2018.

Denika Alston's November 29, 2015 Prophetic Dreams – In Two Moons and Three Days It Will Come (Affecting Women after Thanksgiving?):

I had a troubling dream on November 29, 2015. I didn't want to share it because I was concerned about giving a date and I didn't want people expecting some huge event while the Lord might simply be just shifting things behind the scenes on that day.

Well, in my dream I had an African man approach me with terror in his eyes. He said in his African accent, "In two moons and three days, **it will come.**" That was it; that was the end of the dream. However, I immediately went into another dream and I thought I was awake.

In this next dream, I knew it was important to remember all that the African man told me. I started telling people about the first dream. I was startled by what the man said because he had such concern in his eyes although he spoke calmly. In this dream, I saw a calendar showing it was November 29th ("after Thanksgiving") which was the real date of both dreams. So in the dream I counted ahead five days and wondered if he meant **December 3rd**. While I was still wondering about that, I woke up very alert and sober.

Two Interpretations:

1st Interpretation: Later I began to ponder the meaning of the dream. I went back and listened to a dream I heard on **Trunews on Jan 9, 2015** and sure enough, it was pointing toward **December 3, 2015**. It begins at the 42:30 mark. However, I asked myself, why wouldn't the man just say five moons or five days? He separated the two time periods, so I wasn't sure because I saw the calendar with the November 29th date in the second dream and counted ahead five days, but I did not see December 3rd on the calendar nor was I certain that it meant five days.

2nd Interpretation: So there is another interpretation that might fit better with the words spoken by an African man because many of the African tribal oral traditions use moons as a way to tell time and narrate their historical accounts of their village ancestors. In that context, two moons would refer to two moon cycles with each cycle lasting 29.5 days, which is how long it takes from one new moon to the next (Wikipedia). So two moons would be 59 days (29.5 + 29.5). Adding 3 days to that makes 62 days. Counting from November 29 would put the fulfillment date on Saturday, **January 30**. So two moons and three days could be Thursday **December 3, 2015 or Saturday January 30, 2016**. The man said "**it will come**", but did not say what it was. However, he had a look of terror and great concern in his eyes, so it sounds like something very bad.

The World Health Organization (WHO) declared the Zika virus a global public health emergency (pandemic) on February 01, 2016. I concur with James Bailey's belief that this fits the second interpretation of Denika's Prophetic Dream to a tee! Starting from the November 29, 2015 (the date of the dream), we add two moons/months (Hebrew calendar – 30-day months) which takes us to January 29, 2016. Lastly, we add 3 days taking us to February 01, 2016 ...the date of the WHO's announcement! Keep in mind that there should be a second, deeper, main fulfillment of these Prophetic Dreams in the years ahead, more than likely dealing with the Japan disasters or the worldwide financial crash.

For the relatively few women who show signs of a Zika infection, the illness is often very mild. But in pregnant women, the effects can be devastating, and can include pregnancy loss or a baby born with an abnormally small

head and brain (microcephaly). Women who have had symptoms of the virus or tested positive for it should wait at least eight weeks after their symptoms first appeared before trying to get pregnant.

Let's get a little bit more confirmation. "in my dream I had an African man approach me with terror in his eyes. He said in his African accent, "In two moons and three days, **it will come**". Why was an "African man" in the dream people? Well, if we look at the history of the Zika virus, we discover that back in 1947, scientists were researching yellow fever on a caged rhesus monkey in the Zika forest in Uganda (central Africa). The monkey contracted a fever and the researchers isolated it from its serum and described it as the Zika virus. This same virus was then isolated from the first human in Nigeria (again central Africa) in 1954! From there it spread to Asia and eventually to Central and South America. And at the time of the WHO's announcement it had spread ("**it will come**") to the United States!

The tiger mosquito (*Aedes aegypti*) born Zika infection has spread to over 22 countries in the Americas. *Aedes aegypti* is also the carrier of Dengue Fever, Yellow Fever and the Chikungunya disease. The virus is suspected to cause small heads (Microcephaly) in **pregnant women's embryos** along with other disorders. The virus can also be spread person to person by blood and bodily fluid including semen.

Are Men Being Exposed with their Pants Down prior to and after the Worldwide Financial Crash?

Zandra Potter's March 05, 2016 Prophetic Dream – America! You Forgot to Zip Your Pants!

"I had a dream yesterday morning. I saw a large pair of pants coming down in the sky. They were so large they could be seen from great distances. I noticed they had a metal zipper, like blue jeans, and it was unzipped. After this I heard God's voice stating with Great Authority, "AMERICA! You forgot to zip your pants! Now the whole world can see the shame of your sin!" I immediately thought of the last Republican debate. I did not watch it, but I heard it had turned crude at one point.

Next, I was in a church with a very charismatic heavy set black pastor. He was preaching hard and loud. At the end, I asked to speak with him. He gave me an appointment time to meet in his office. When I arrived at his office, a very attractive young black woman met me. She looked me up and down and with a toss of her head she said, "Come on jealous"! I immediately knew she had some type of relationship with the pastor. She held a position she thought I would be jealous of.

As she led me into the office, there was no light. I sat across from her and she sat in darkness, which I recognized was spiritual darkness. I could only make out her silhouette. I asked to pray with her and was very surprised when she agreed. I wrapped my arms around her as we kneeled together on the floor. Powerful love enveloped us!

I said to her, "We have to love each other. God has called all His children to be as one, in unity".

She wept and the room became light. After this she took me to the pastor. He was sitting in a very comfortable chair with his feet on an ottoman. He appeared at ease. I told him, "I have a message from the lord. You have left your pants unzipped! Now all of America will see your shame!"

His eyes grew very wide and he appeared fearful. He spoke, "God is giving you His words! Now go give them to someone else! Leave me now!"

I woke up with a start! Immediately, I asked God for an interpretation and received this in my spirit. “The world has seen the sin of your nation! It is lifted up in plain view. My judgement starts in My house!”

Pastors who preach false doctrines will be exposed!

I asked the Lord why I saw African American people in my dream. I was puzzled because I have never dreamed about a certain race of people. The Lord revealed there should be no division in His body. It should not be! Especially different races of people not loving each other in His house! His body should be in unity! We all bring a special gift that He has given us to the body. Let us celebrate our diversity and walk in love for one another! I felt like this was a very powerful and prophetic dream. I thought about taking the race part out of the dream because it is a sensitive subject, but I very quickly discarded the idea because I cannot alter what God has given me. I have African American brothers and sisters that I love and cherish. It disturbed me that I would have a dream about race. However, God is calling for unity. Also, I think He gave me a black pastor because I think a famous one will be “exposed”. God have mercy on us all this season!”

Anonymous 12-06-2015 Prophetic Dream - ‘Caught with My Pants Down’ - the Alarm Goes Off:

Steve (Steve Quayle), “I saw a trailer for this Syfy miniseries in the theater yesterday, for the show, "Childhood's End" by Arthur C. Clark. Interestingly, I had a brief dream this morning during the 9 minutes of my alarm snooze, that I was headed to "school" (I'm in my 50's) and decided under some leading, to take a different route to my friend's house instead. When I got there, the sky opened up with many large and varied space ships, filling the skies. I've had dreams of ships a few times before. Then “**suddenly**” (maybe a little embarrassing) **my pants were down** and I was trying to get them back up, but I was struggling. **I was literally caught with my pants down**. Once I got them up, and **the alarm went off again**.

When I recalled that detail while making coffee, I chuckled to myself, "**caught with my pants down**" and received a quickening of my spirit. As if the Holy Ghost was trying to drive that point home. We will be caught with our pants down.”

Anonymous September 2015 Prophetic Dream - ‘It is Here’, - Caught with My Pants Down:

Steve (Steve Quayle), “I went on your dreams and visions this morning and I was literally blown away. I had the same dream about two months ago. It seemed so absurd that I didn't tell anyone but I've take it to the Lord numerous times because it was that disturbing.

In my dream I am with a lot of people, all business types and athletes, and we are getting ready for some kind of presentation. “**Suddenly**” there is massive chaos and we all realize that "**it's here**". I go outside to make my way to the main building so I can help people, and people around me are crying/laughing that finally it's here (they're so relieved that it is finally here because the wait has been so agonizing) I get to the shores of the other building and the waves are coming in like crazy, no one can survive it. I look up **on the banks and there are all these Chinese soldiers with these really weird long guns** coming down. (Financially, the United States is a debtor nation to the Chinese, when things fall apart, don't you think that the Chinese will demand their money, even at the threat of war?) I run into the building for safety and realize that I don't have any pants on. I go to grab some jeans and right then this huge wave of water with demons on top of it hits the glass of the building and the sound is so deafening, so ominous, like a thousand demons screaming all at once. I turn to warn the others and tell them we have to get out of here now, then I realize that **I barely have my pants on** (the feeling of despair and embarrassment for not being properly prepared for what has come?) and that I'm still barefoot. I wake up laying in my bed shaking and crying and asking the lord to help us all be ready and not be caught with our pants down and without shoes. I've only told one other person this but it has haunted me ever since. I can still hear the sound of those demons screaming. When I read your new dreams and visions where the guy said "**we will be caught with our pants down**" I almost threw up. Just wanted to share.

Tawnie's December 08, 2015 Prophetic Dream - ‘December 20th, Caught with My Pants Down’:

Steve (Steve Quayle), “Just this morning, Dec 8th, I woke from a dream "caught with my pants down." The Lord gave me this dream because of events that happened yesterday. I was instructed to tell my family I couldn't travel to go see them at the Christmas party on December 20th for no reason I know of. It really hurt them.

All through the night I and my children had sour stomachs. You know in the pit of your stomach when something is horribly wrong. Then I received a dream; I was around my family in some place on the road, like we were traveling. Then someone in family asked me to go out of my way and get something for them. I agreed and on roller skates (I'm not that great on them) traveled a far distance to get there and spent a lot of money to get the item (a pair of tweezers). Then on the way back I had to get on a on ramp. I was just realizing how far I had to go when the on ramp started getting steeper and steeper. It had a rail on the side I had to cling to get up while still wearing roller skates. Towards the end I was using arm strength to pull myself up and using footholds in the rail, it was so much more difficult because the wheels of the skates would slide off the rails constantly.

I was close to the top when someone told me to try the rail to the side it would be easier. It was like a children's playground metal spiral, with the bar in the middle and the spiral metal circles going round from the top to the ground. I put one skated foot on it and my balanced tipped, and I had to grab onto the spiral with both legs to save myself. **I ended upside down sliding down the spiral part way before I could stop myself.** I was wearing a skirt (unusual for me) and **it came up “over my head”**. I was shocked and embarrassed and tried to hold my skirt up but couldn't while still upside down thankfully I had on appropriate undergarments so I wasn't completely bare. That realized I continued to not worry about what I couldn't help and get back up on that ramp.

I woke up thinking what a strange dream until I got on your dreams and visions this morning and seeing the other two posts for the first time. Summary; I was so far away from where I was supposed to be and what I was supposed to be doing to appease my family. I like the other gentleman, had no shoes. Times are going to get really hard. The only thing keeping me from falling was the rail or bar I was clinging to. I had a few moments where I reacted or paused but then I kept going. The spiral could possibly mean opening dimensions? The world will be turned on its head. It was a personal warning to me. **Could something possibly happen between now and Dec. 20th??** All I know is the feeling I and my children were quaking with last night. **Don't get caught with your pants down.”**

‘Over My Head’ - The Fray:

I never knew

I never knew that everything was falling through

That everyone I knew was waiting on a cue

To turn and run when **all I needed was the truth**

But that's how it's got to be

It's coming down to nothing more than apathy

I'd rather run the other way than stay and see

The smoke, and who's still standing when it clears

Everyone knows I'm in

Over my head

Over my head

Kimberly Hutcherson's CNN June 5, 2018 Piece - Saudi Arabia issues its first Driver's Licenses to Women (More Changes coming to Even Muslim Women):

By Kimberly Hutcherson, CNN

Updated 8:43 AM ET, Tue June 5, 2018

First Saudi women receive driver's licenses 00:38

(CNN) Saudi Arabia has issued its first driver's licenses to 10 women ahead of June 24, when the Kingdom's due to end the world's only ban on women drivers.

Officials expect another 2,000 women to seek licenses in the coming week, according to a news release from the country's Ministry of Media.

Activists have long called for the lifting of the ban, and there was some celebration when the Kingdom said last September that the ban would end. However, in recent weeks a number of activists who'd protested against the ban were arrested.

The arrests worried women's rights activists and those monitoring the social reform agenda of Crown Prince Mohammed bin Salman bin Abdulaziz Al Saud.

Last year, the crown prince, regarded as a major power in the country, outlined an ambitious plan to reform the Saudi economy by 2030. Part of that goal includes increasing the number of women in the workforce.

A Saudi woman buckles up in a test car before doing a driving test at the General Department of Traffic in the Saudi capital of Riyadh.

On Saturday, the Saudi government "temporarily" released eight activists who were arrested in May for protesting against the ban. Five women and three men were released, but another nine activists remained in custody, according to a statement from Saudi Arabia Public Prosecution.

When Saudi women first defied the driving ban the Kingdom of Saudi Arabia follows a strict form of Wahhabi Islam that places many restrictions on women and bans the mixing of sexes at public events. Women have been required to get the permission of a male guardian for almost every activity.

CENTER FOR INTERNATIONAL COMMUNICATION

Esraa Albuti, an Executive Director at Ernst & Young, holds her new driving license issued by the Kingdom of Saudi Arabia.

But the kingdom has begun easing some of those constraints, lifting some restrictions on women's education and improving access to public spaces like sports stadiums and movie theaters. In September, King Salman issued the royal decree giving women permission to drive in Saudi Arabia.

In May 2017, King Salman ordered the government to list services women can seek on their own without permission from their fathers, husbands or other male guardians. He also ordered organizations to provide transportation for female employees.

Below Tahani Aldosemani, Assistant Professor and Undersecretary of the Deanship of the Technology Department at Prince Sattam Bin Abdulaziz University in Al-Kharj, holds her new driving license in a photo issued by the Kingdom of Saudi Arabia.

One of the women, Tahani Aldosemani, assistant professor at the Prince Sattam Bin Abdulaziz University in Al-Kharj, had a US driver's license obtained when she was studying her PhD. "Driving for women is not just about driving a car; it enhances strength of character, self-confidence, and decision-making skills," she said in a statement issued by the government. Rema Jawdat, a risk analyst, also said in the statement, "Driving, to me, represents having a choice; the choice of independent movement, now we have that option and that's important."

Bill Weather’s May 25, 2015 Prophetic Dream – American Woman Get away from Me:

On 5/25/15, I dreamed: “I and a couple others were playing a game of war with fake rifles. We were playing a fun game of war running through the yard. Then I didn’t have my rifle and had to wrestle two kids from their toy rifles before they would fake shoot me with them.

One of the kids I knew. His name is Nehemiah. So I managed to thrust their guns away from them with my arm and then proceeded to fun wrestle Nehemiah to the ground to fake choke him, but suddenly, real blood started rapidly flowing out of his entire head, neck and chest area. Then we stopped in shock, as the fun game of war, by our surprise, turned to blood.”

The lyrics of the song American Woman, by “The Guess Who”, were playing throughout this dream. So when I woke up I was singing these words, which I believe are the key to understanding the dream.

“American Woman” by The Guess Who:

“American Woman, get away from me-hee.
 I don’t need your war machine.
 I don’t need your ghetto scene.
 Colored lights can hypnotize,
 Sparkle someone else’s eyes....
 Gotta go gotta get away,
 Now go go go, gonna leave you woman,
 Gonna leave you woman,
 Bye bye bye bye....you’re no good for me,
 I’m no good for you,
 Gonna look you right in the eye,
 Tell ya what I’m gonna do,
 You know I’m gonna leave,
 You know I’m gonna go,
 I’m gonna leave you woman.”

David Doughty's April 30, 2015 Prophetic Word – There is No Time Left for the American Woman:

On April 30, 2015, I had been at a Thursday morning prayer meeting where we had been in deep prayer about America. As I was jogging home, I continued to ask God for a revival in this country. The word of the LORD came to me as I ran: **“She’s come Undone. There is No Time left for the American Woman.”** As a classic rock fan, this word had instant meaning. The message referred to three Guess Who songs from the late Sixties and early Seventies. When I got to my law office that morning, I looked up the lyrics. The songs hold a very sobering message for America:

“American Woman” by The Guess Who:

“She’s come undun.

She didn’t know what she was headed for
And when I found out what she was headed for
It was too late...

It’s too late

She’s gone too far

She’s lost the sun (son)...

Too many churches, and not enough truth,
Too many people and not enough eyes to see...
It’s too late

She’s gone too far

She’s lost the sun (son).

Undun, The Guess Who

There’s no time left for you

No time left for you...

There’s no time left for you

No time left for you.

No Time, The Guess Who

American Woman, gonna mess your mind

American Woman gonna mess your mind...

American Woman, stay away from Me

American Woman, mama let Me be

Don’t come a-hangin’ around my door

I don’t wanna see your face no more.”

There is no time left for the United States. We’re over the tipping point. Judgment is coming upon us as surely as it did on Jerusalem back in Jeremiah’s day.

Randy Bachman, a member of the Canadian band The Guess Who, wrote the lyrics to Undun after seeing a woman at a party who had overdosed on acid. That’s a pretty apt description of our country. We’ve come undone. We’re like an overdosed woman, fazed and dazed on drugs, passed out to the spiritual warning signs that are flashing. Too many churches and not enough truth. Those words could not be more prophetic.

The song American Woman has an interesting story behind it as well. The band was jamming in Ontario, with its lead singer Burton Cummings ad-libbing some lyrics that spontaneously came into his mind. Fortunately for them, someone in the audience had a tape recorder. They felt the song had been given to them. American Woman stayed at number one for three weeks in 1970. In discussing the meaning of the song, co-writer Jim Kale said, “John Lennon once said that the meaning of all songs come after they are recorded. Someone else has to interpret them.”

It doesn't take much interpretation to read the meaning in these songs for our late, great nation. The American Woman has come undone. There's no time left for her.

David Doughty's May 29, 2015 Prophetic Word – The Night They Drove Ole Dixie Down:

On May 19, 2015, I had a dream with more musical connotations, with yet another "doom" message for America:

"In the dream, it was a dark setting, the sky black and red. People were killing one another in front of me. I saw a person, a famous celebrity, stabbed in the mouth with a pitchfork. This scene of utter destruction and murder was something I had seen before in a dream.

This is just like what I had dreamed, I thought as I watched the chaos."

As I viewed this apocalyptic vision, the song The Night They Drove Ole Dixie Down by The Band was playing in the background.

"The Night They Drove Ole Dixie Down" by The Band:

In the winter of '65

We were hungry, just barely alive

By May the 10th, Richmond had fell

It's a time I remember, oh so well

The night they drove old Dixie down

And the bells were ringing

The night they drove old Dixie down

And the people were singing

They went, "Na, na, la, na, na, la"

The song details the terrible aftermath of the Civil War, when Richmond, the capital of the South fell to the Union forces. It is a beautiful song of great sadness from the perspective of the defeated Confederates. It signifies the coming destruction and sorrow of American's fall.

As I watched with complete grief filling my soul, the word of the LORD came to me.

"Judgment draws nigh. Every word I have spoken shall come to pass."

David Kenderes' April 01, 2016 Prophetic Word – "Miss American Pie":

In the early morning hours of April 01, 2016, while I was reading Bill Weather and David Doughty's Prophetic Words and Dreams (listed directly above), the Lord gave me the Word "**Miss American Pie**". So I looked up the lyrics to Don Mclean's "American Pie" and found the following prophetic lyrics (see directly below). But it wasn't until 2018 that I actually made the connection between "Miss American Pie" Word and the changes for women after Thanksgiving, being the time when everything changes (Japan disasters and the worldwide financial crash?). Looking back at it in retrospect, the synchronicities are incredible!

"American Pie" by Don Mclean:

"A long, long time ago

I can still remember how that music used to make me smile

And I knew if I had my chance

That I could make those people dance

And maybe they'd be happy for a while

But February made me shiver

With every paper I'd deliver

Bad news on the doorstep

I couldn't take one more step

I can't remember if I cried

When I read about his widowed bride
But something touched me deep inside
The day the music died

[Chorus:]

So bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
And them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 1]

Did you write the book of love
And do you have faith in God above
If the Bible tells you so?
Now do you believe in rock and roll?
Can music save your mortal soul?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died

[Chorus:]

I started singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 2]

Now for ten years we've been on our own
And moss grows fat on a rollin' stone
But that's not how it used to be
When the jester sang for the king and queen
In a coat he borrowed from James Dean
And a voice that came from you and me

Oh, and while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned

And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died

[Chorus:]

We were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Verse 3]

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and falling fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast
Now the halftime air was sweet perfume
While the sergeants played a marching tune
We all got up to dance
Oh, but we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was revealed
The day the music died?

[Chorus:]

We started singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die
This'll be the day that I die

[Verse 4]

Oh, and there we were all in one place
A generation lost in space
With no time left to start again
So come on, Jack be nimble, Jack be quick
Jack Flash sat on a candlestick
'Cause fire is the devil's only friend
Oh, and as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could break that Satan's spell
And as the flames climbed high into the night
To light the sacrificial rite
I saw Satan laughing with delight
The day the music died

[Chorus:]

He was singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die
This'll be the day that I die

[Outro]

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play
And in the streets, the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the music died

[Chorus:]

And they were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
And them good ole boys were drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[Chorus:]

They were singing bye, bye, **Miss American Pie**
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey 'n rye
And singin' this'll be the day that I die”.

But will the destruction of Tokyo, Japan really happen soon, and could it really cause a Worldwide Stock Market Crash?

Byron Searle's December 02, 2017 Prophetic Word – The Economy is about to Crash. One of the four engines (#4 Japan Exchange?) will Catches Fire and Explode, All the Passengers will Die:

“Now the passengers are terrified. Some try to kill themselves before the plane crashes into the ground, but to no avail. As the plane reaches a spiraling uncontrollable speed, it crashes into the ground. Nothing is left to pick up. All the passengers are dead, and the black box is destroyed so no one will know what caused the crash.

The pilot announces that it is just a little turbulence and do not worry, the plane can glide if need be. My son, this nation's economy is ready to crash, and the bankers are saying everything is great, go back to sleep. My son, these are the last days. Do not bother yourself with anything other than to follow My voice and My will. Many things are about to happen because of the sinfulness of this nation. No one is praying for repentance. Everyone is out spending credit for things they don't need. If they heard My voice, they would be getting their houses in order, seeking Me in prayer, and preparing for what is coming upon the world.”

Christian Block's February 24, 2018 Prophetic Dream, - He saw a 7.5 earthquake hitting an Island Nation in the West Pacific and knew in the dream that a more Powerful Earthquake would hit Japan:

“Z3News follower Christian Block shared a prophetic dream today, which he received this past weekend, revealing a 7.5 earthquake hitting an island nation in the West Pacific. He knew in the dream this earthquake would be followed by a more powerful earthquake hitting Japan. Amazingly, his dream was fulfilled today when a 7.5 earthquake hit Papua New Guinea.” – James Bailey

Kerry Lebrun's April 11, 2018 Prophetic Word – My children, the earth is about to Shake (Tokyo?) like the world has Never Seen:

On April 11, God strongly impressed upon me His desire for His people to not fear what is coming. I felt His Fathering Heart wanting to gather His children in His arms, and reassure them with this word:

“My children, the earth is about to shake like the world has never seen. Therefore, I instruct you beforehand, **TO NOT LIVE BY WHAT YOU SEE HAPPENING AROUND YOU.** I am King, and I sit enthroned upon the floods! Keep your eyes upon Me, like Peter in the storm! Though everything around you quickly change, know that I, the LORD, change not. I, and I alone, **AM your Eternal Refuge!**

Build not your lives upon, nor set your affections on things of Earth, but upon things above, for **I ALONE AM YOUR LIFE. I AM your ROCK, your UNSHAKABLE FOUNDATION.**

There is no God like the God of Jeshurun, who rides on the heavens to help you, and on the clouds in His majesty. The Eternal God is your refuge, and underneath are the everlasting arms. (Deut. 33:26-27). Again I say, **FEAR NOT!**”

Along with this Word came the following Psalm as an exhortation to His beloved children:

God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah.

There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High. God is in the midst of her; she shall not be moved. God shall help her, and that right early. The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted.

The LORD of hosts is with us; the God of Jacob is our refuge.

Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

The LORD of hosts is with us; the God of Jacob is our refuge. (Psalm 46:1-7, 10-11, KJV)

On March 23rd, I was directed to read the entire 3rd chapter of Joel. In particular, verses 13-16 were strongly highlighted:

“Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the vats overflow; for their wickedness is great. Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision. The sun and the moon shall be darkened, and the stars shall withdraw their shining. Then the Lord also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the Lord shall be the hope for His people, and the strength of the children of Israel.” (Joel 3:13-16)

At the same time, Isaiah 26:20-21 was strongly impressed upon my spirit:

“Come, My people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. For, behold, the Lord cometh out of His place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain.” (Isaiah 26:20-21)

Two messages echoed in my spirit. One was that the cup of iniquity is full. I felt that what tipped the scale for God was further financing to “Planned Parenthood”. Such a flippant, unrepentant attitude toward the shedding of innocent blood! God has given America space to repent and she has continued to harden her heart. Only one thing will get her attention at this point: judgment.

The other message was for God’s people to shut themselves in with God in their prayer closets. Furthermore, He does not want us to fear, but to know Him as our faithful refuge in the midst of the shakings that will soon begin, like the breaking of the water in childbirth.

Other related scriptures: Colossians 3:1 and Hebrews 12:25-28.

For further comfort, especially for those with a history of trauma and abuse, I have posted a chapter from *Against All Hope Until...*, entitled, *Our Safe Place* on my website (heavenshopeunveiled.com). Patricia Owen’s July 16, 2016 Prophetic Vision – Japan had an awful Earthquake and the Land Split near Tokyo with the Ocean between the two Land Marks. The Water was rolling like Black Oil:

This is very interesting... about a month ago, I had a vision of Japan having an awful earthquake and the land split near Tokyo, with the ocean between the two land marks that split from each other. The water was boiling but it was like black, as if oil or something was in the ocean, but just between the two land masses that split apart. It is said that this is a possibility, as there are fault lines running across the island.

Just saying, in 2011 the night before the terrible earthquake happened, the Lord appeared to me and said, cover the people of Japan with my blood and I did. Having a vision also of it on fire. I did not understand quite why I was seeing this and in the morning early, I saw there was this horrible earthquake on March 11th. So just sharing.

God bless with love and prayers,
Patricia Owen

Kevin Mirasi's July 14, 2016 Prophetic Vision – Mega Earthquake coming to Japan and an Economic Crisis coming to Germany and Europe:

In the morning of 14th July 2016, in a very tremendous vision (Supernatural dream) of The LORD God Almighty, The LORD Jesus Christ and The Holy Spirit, The LORD took me next to the Ocean, and I saw very huge Tsunami waves moving from the deep waters towards the Sea (Ocean) shore. The LORD then showed me the reportage of what had just happened, and I saw the news channels reporting that a Mega Earthquake had hit Japan; and that the Tsunami waves were felt far and wide.

The earthquake was so big, that I saw that its magnitude was like a 9+ on the Richter Scale.

The vision of The LORD then ended.

The Message that was imparted in my heart from this communication of The LORD is that a very Massive, a Mega Earthquake is coming to hit Japan; and that this Mega Historical Earthquake will be followed by a very Massive and huge Tsunami waves on the Ocean, that may also touch other nations.

These are the Days of Earthquakes in various places of the earth, as the Birth pains take shape, in readiness for the soon coming of The LORD Jesus Christ to Rapture His Bride from the earth to Heaven. The LORD requires preparation for His Glorious coming by embracing Repentance and walking in Righteousness, Holiness, Truth and Complete Surrender to The LORD Jesus Christ.

The LORD is thus calling the people and the nation of Japan (and indeed everyone and all nations) to wake up and come out of the deep slumber of a lifestyle of Sin, immorality, wickedness, evil, Idolatry E.T.C and to Prepare the Way for The Coming of The LORD Jesus Christ.

SHALOM!!!

Mathew 24: 3-8 “Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, “Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?” And Jesus answered and said to them: “Take heed that no one deceives you. For many will come in My name, saying, ‘I am the Christ,’ and will deceive many. And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows.”

Luke 21: 10-11 “Then He said to them, “Nation will rise against nation, and kingdom against kingdom. And there will be great earthquakes in various places, and famines and pestilences; and there will be fearful sights and great signs from heaven.”

SHALOM!!!

VISION OF AN ECONOMIC CRISIS COMING TO GERMANY AND EUROPE:

In the morning of 13th July 2016, in a very tremendous vision (supernatural dream) of The LORD God Almighty, The LORD Jesus Christ and The Holy Spirit, I found myself in the nation of Germany. While here, I was doing some jobs, whereby I was wiping and cleaning windows in offices and in homes. I was then paid what in the vision of The LORD I considered to be “some very good money”, in dollars. So in this vision of The LORD, the LORD inspired me to proclaim: “Wow, Here in Germany They Pay Good Money For Ordinary Jobs!!!”

The LORD then took me away in this vision of The LORD, and I found myself on a road within a metropolitan city in Germany, and while here, I saw an official of the European Union. This official said: “We Need Jesus Christ, For Only Jesus Christ can Save us”.

In this vision of The LORD, The LORD made me to be glad to have heard that, coming from a European Union official, for the joy of The LORD came very heavily upon me. The European Union Official was referring to an Economic distress and uncertainty regarding the European Union Block.

Later on, The LORD made me know that Europe (and European Union) indeed need The LORD Jesus Christ, that they be Saved. Otherwise, a very distressing Economic Crisis is coming, not only in Germany, but also in the wider European Union (and the entire Europe). Meaning, that the relatively lucrative and the relatively very well-paying jobs in Germany, and indeed in the European Economic Block (The European Union) will be a thing of the past, unless there is Repentance at Individual levels, National Level and Union level in these places.

The vision of The LORD then ended.

So The LORD is calling for Repentance for the forgiveness of sins through The Blood of The LORD Jesus Christ, in Germany, European Union and the entire Europe. In other words, The LORD is thus calling the people and the nation of Germany, the European Union Block and the entire Europe (and indeed everyone and all nations) to wake up and come out of the deep slumber of a lifestyle of Sins, and Prepare the Way for The Coming of The LORD Jesus Christ. For The LORD is now going to shake the financial and the economic base of Germany, European Union and the European Economy; to wake up the people here to the dispensation of Birth Pains, and the need to Prepare The Way for the Coming of The LORD Jesus Christ to Rapture His Bride to Heaven.

SHALOM!!!

Daniel 12: 1 “At that time Michael, the great prince who protects your people, will arise. There will be a time of distress such as has not happened from the beginning of nations until then. But at that time your people—everyone whose name is found written in the book—will be delivered.”

Mathew 24: 7-8 “For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows.”

Revelation 6: 5-6 “When He opened the third seal, I heard the third living creature say, “Come and see.” So I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, “A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.”

SHALOM!!!

PREPARE THE WAY FOR THE COMING OF THE LORD JESUS CHRIST IN ABSOLUTE REPENTANCE, RIGHTEOUSNESS, HOLINESS, TRUTH AND COMPLETE SURRENDER TO THE LORD JESUS CHRIST (YESHUA/YAHUSHUA HA MASHIACH). TIME IS ABSOLUTELY OVER; THE MESSIAH JESUS CHRIST IS IMMINENTLY COMING TO PICK HIS BRIDE!!!

David Wilkerson's 1973 Prophetic Vision:

"I saw a vision this past April, so frightening it staggered my mind. For the past three months I have tried to shake it off, but I can't do it. An economic recession is going to affect the lifestyle of every wage earner in the world. The world economists are going to be at a loss to explain what is happening. It is going to **start in Germany, spread to Japan, and then to the United States.** (Sounds to how a worldwide stock market would crash in a day – it would start in the east and move to the west) Large and trusted corporations are going to go bankrupt. **Many churches are going to go into bankruptcy and some missionary projects are going to flounder.**"

Neville Johnson's Prophetic Warning:

Neville Johnson, founder of The Academy of Light, received a prophetic vision in which he saw the next economic collapse starting in Germany and Japan. He shared the following testimony in his newsletter dated October 2013: "I saw another devastating economic collapse. Although the order and timing was not clear, I saw that **Japan and Germany were some of the signs** in this. I saw an **earthquake devastating Tokyo, which is also a sign** as the Tokyo stock market closed indefinitely. The USA was seriously affected by this. It was revealed to me that none of the banking safeguards, which were recommended after the last economic meltdown in the USA had been put in place. This economic collapse will be far more severe than the last one. Many churches and Christians organizations along with large corporations will fall into bankruptcy because of this."

Darin Hibbert's Prophetic Dream (Total Crash of the European and Asian Economies?):

In the first part of the dream, I was hunting with my brother not sure what we were hunting, but it was for large game (deer or elk). We saw some moose and stopped to take a look. We noticed they were being hunted by wolves. The wolves then came after us. There was a large black wolf and a large white wolf. Someone from behind me (Jesus?) shot the black wolf. I am not sure who the shooter was. Then the white wolf was still aggressive and looked like it wanted to attack me. I shot several times at it but not 100% sure I killed it. In the second part of the dream, I was with my brother again. This time we had a large ladder going up to the roof at my dad's house. I was on the roof and my brother was down below on the ground. Even in the dream I was confused as to why I was on the roof. I thought it was to fix it, but nothing was broken. Then I went in our driveway. My brother said, "Watch this." He slammed two cars together in the driveway. Then he intentionally rolled one of the cars down the driveway so that it went into the road and onto oncoming traffic. It struck another car. Then another car hit that car. Then a truck hit that car, and in no time we had 40 or so cars and trucks all smashed together.

I went to start helping people out and to see if they were okay. I noticed that **none of the cars in the crash were American, but all European (namely German?) and Asian (namely Japanese?).** No big Ford or Chevy pickups that you would expect to see on a country road in a farming town. End of dream. I lay in bed pondering this dream and asked God to help me because this was too strange and complicated for me. I fell back to sleep and woke up later to hear, "They just shot the dollar. Gold is going to go to the moon." This voice was not loud like I have heard before, I can't describe it very well. When I have received words like this it usually jolts me up, but this didn't. Maybe it's because it's not surprising, I've expected that for years.

David Eells: "On March 9, 2011, the Japanese government promised the Palestinians tens of millions of dollars and called for a Palestinian state with Jerusalem as its capital. **The massive earthquake (2011 Tōhoku earthquake and tsunami) which followed was described by scientists as a once in a 1000-year event!** What are the chances of a once in a 1000-year event happening almost to the day. The Japanese government defied the Word of God and called for the dividing of Jerusalem! The timing shows the authority of the Word of God. Japan pledged millions of dollars to create a Palestinian state and within two days the country was hit with a disaster that is going to cost \$180 billion or more!"

Japan Pledges \$200 Million in Aid for Palestinians - The Associated Press and Haaretz Mar 01, 2014

Japan has pledged more than \$200 million in aid to the Palestinian Authority, as representatives from 22 nations reiterated their support of the Palestinians' quest for their own state. The pledge was announced Saturday at the second Conference on Cooperation among East Asian Countries for Palestinian Development, held in the Indonesian capital of Jakarta. Japanese Foreign Minister Fumio Kishida said the first disbursement of the aid — about \$62 million — was expected later this month. Ministers and high-ranking officials from 22 countries and five international organizations participated in the one-day conference, which was jointly chaired by Indonesia, the Palestinian Authority and Japan.

The conference is aimed at renewing continuous commitment to support the Palestinian Authority so it is able to provide essential services to the Palestinian people. During the conference's opening, Palestinian Prime Minister Rami Hamdallah said the two-state solution between Israel and Palestine can still be realized, and commended the recent peace efforts by U.S. Secretary of State John Kerry. Hamdallah was quoted by AFP as saying that during the current round of negotiations "all issues actually have been [put] on the table," yet cautioned against Israel's settlement policy: "Sixty-two percent of all our land is still controlled by the Israeli authorities," he said. "This impedes any access we have to natural resources, and severely restricts our development." (<http://www.haaretz.com/news/middle-east/1.577266>)

(What magnitude earthquake can Japan expect from their latest pledge to the Palestinians?)

Thomas Gibson's August 11, 2002 Prophetic Word:

As I was in prayer this afternoon the Lord showed me the following: "I could see a chart with one line on it. It went up and down in a jerky fashion (**sounds like an earthquake seismograph chart to me**). "**Suddenly**" it dropped off so low that it was almost off the bottom. Then it continued its jerky up and down motion, but it was now doing so very near the bottom of the chart..."

Excerpt from Joe Brandt's 1937 Prophecy: "...Venezuela seemed to be having some kind of volcanic activity. Away off in the distance, I could see Japan, on a fault, too. It was so far off—not easy to see because I was still on Big Bear Mountain, but it started to go into the sea. I couldn't hear screaming, but I could see the surprised look on their faces. They looked so surprised. Japanese girls are made well, supple, easy, muscles that move well. Pretty, too. But they were all like dolls. It was so far away I could hardly see it. In a minute or two it seemed over. Everybody was gone. There was nobody left."

"...I got a Word from the Lord in the Dream. And the Words were spoken into my spirit that Tokyo had been destroyed. So it was utterly devastated by the same earthquake and I knew, along with the Word, I got a picture of Tokyo in my head and it was utterly leveled. I thought this Canadian city had been decimated, but I knew in this dream that Tokyo had it so much worse. And so it was utterly destroyed. So this was an earthquake that was so bad that it literally went around the Pacific "ring of fire" – from Japan all the way to Canada! I don't know if it was a coastal city in Canada or what, but that would be my guess..."

Wattacoota’s (Youtube name) May 2012, Prophetic Dream of an Earthquake in Japan,

Another one is Coming! Transcript (<https://www.youtube.com/watch?v=vjLdz2905nU>):

“I had a dream about a month ago and in this dream I hovered over the waters and the Lord showed me and earthquake to happen in Japan. Another one! There was an earthquake last year ...early last year in 2011 (the Friday March 11, 2011 Tōhoku 9.0-magnitude earthquake and tsunami) The Lord’s telling me that a new earthquake is coming. This one that I saw is not as big as the 9.0 of last year, it was a little bit less in magnitude, but it was in land. (inland earthquakes are more damaging than earthquakes that strike off the coast) And the Lord reminded me of it yesterday. The Lord spoke to me and said “Nick prophesy again, the people serve the church, but do not serve me! They honor me with their lips, but their hearts are far from me.” And He said a few other things. He’s talking to believers here. The believers – He’s telling them that they need to wake up! Then the Lord showed me a vision and in the vision. I was amongst all the people and all the people were screaming and running away. And this building that I had seen, started collapsing. I didn’t see it collapse I saw it starting to collapse. **This very, very tall building** all at once I saw it **collapsing**”.

Kenyan Pastor Dr. Owuor’s 25 May 2012, Prophetic Vision of an Earthquake “Coming to the Earth”! Transcript (<https://www.youtube.com/watch?v=peJyPdE-ji8>):

“The Lord spoke ...He took me to a place, today, on the 25th of May (2012) the Lord said bring judgment to this place! So I faithfully and obediently sought the judgment of the Lord for this place. And when I faithfully and obediently sought the judgment of the Lord for that place, then all of a “**sudden**”, even before I finished, a massive earthquake (Tokyo earthquake?) hit that place. It was very much shaking, very severe in that place. And the earthquake was so massive, I did not the other buildings move away. But **I see one tall building, with glass windows and that building was struck by the earthquake.** And when this building was struck by the earthquake, it broke ...the building broke! I see one side of the building that has been totally devastated and I see a big metal dish. Maybe there was a dish on top of the building. I don’t know. But I see the side that has been demolished. The same building, one side is fully demolished. The roof and the stairs were broken ...it’s a tall building, so the floors have been broken on one side. Then I see a big dish, I don’t know if it is a satellite dish or a communications dish that was on top (of the building) that has fallen or if it was something that was mounted in that place, I don’t know. But there is a dish that has actually collapsed. I see a dish that has collapsed! Again the entire building has been struck ...I don’t know, but I think the other buildings have also been struck along the line, but He brought me to this particular building. And when it is struck one side is totally devastated!!! And the dish now falls on that devastated side. So that dish, maybe a satellite dish that was on top of the roof of the building or maybe a dish that is actually at that place and it is now devastated with the destruction.

But the problem is this, that once the building is struck by the earthquake, the other part that remains standing is now tilted like this (he leans and rocks with his body) And the Lord put me in that situation. So, I see that the building is about to fall, and then, I also fear that the tremors might come, and so then it might fall on me. So I begin to run in this dream. I begin to run away because the building ...and I was worried if I would make it across the perimeter of the building before it falls. And that means, there’s a building that will almost fall. It was struck, crashed on one side and almost fall and then the tremors will probably bring it down!! I don’t know. But people run away!!! I am already running for my life ...this night I ran for my life! ...just a few hours ago (he had the dream a few hours before the video was recorded) So people run away from that building! ...there’s an earthquake (Tokyo earthquake?) that’s coming! And that earthquake is “**coming to the earth**”! (“coming to the earth” seems to imply to me that it will have a global impact. Maybe a worldwide stock market crash?) And the Lord said these are the signs of the coming of the Messiah!

Kevin Mirasi’s Vision of a Mega Historic Earthquake “Coming to the Earth” “Very, Very, Very Soon”!

In the morning of 2nd October 2014, The LORD God Almighty, The LORD Jesus Christ and The Holy Spirit communicated to me through a vision of the night (Prophetic supernatural dream).

“So in this vision of The LORD, I found myself in a situation where The LORD made me know that He had a very important revelation He wanted to pass forth to me. So in the vision, I slowed down on my daily chores and activities awaiting this communication of The LORD. So after sometime, probably a few days in the dream, I went on my knees and said the following: “Mighty Father In Heaven, You Can Now Take My Soul!!!”

Immediately, I said that short prayer, The LORD took me in spirit and I found myself in a place where an earthquake map was presented before me. And as I looked at this real time earthquake map in the vision of The LORD, I then saw a mega earthquake (**Tokyo earthquake?**) that had hit somewhere here on the earth. The aftershocks were very big and very many to an extent that on the earthquake map there were very many earthquakes that were listed in Red; meaning that they were marked in Red to illustrate their big magnitude. Even though the earthquakes listed were very many and in Red; I was made to understand that they had occurred within a very short time span. As I continued to go through the listing, then the voice of The LORD proclaimed: **“This Is a Judgment of The LORD God Almighty upon the Earth”**.

I then woke up from the vision of The LORD.

The first message that was imparted in my heart from this very mighty communication of The LORD is that there is a mega, historical earthquake that is about to hit the earth. When this earthquake hits, it will be followed by very many numerous big aftershocks that will not only be near the epicenter of the main Mega earthquake but other aftershocks will be in other areas relatively far from the epicenter of the mega earthquake. In fact in the dream, I took quite some time trying to see where the epicenter of the original earthquake was. Even though in my mind in the dream I was looking to see whether this mega earthquake had hit California, USA but what shocked me was that a variety of names of different locations had experienced the aftershock of the main mega earthquake. The aftershocks themselves were so big such that even on the earthquake map, they were also marked in Red, and they were so many until I had to turn to the next page of the earthquake map but still it was still a Red listing. So I don't know whether the main epicenter of this mega earthquake revealed to me by The LORD in this communication of 2nd October 2014 will be in California, USA or another location on the earth, I also don't know whether it means that very mega and big earthquakes are about to occur on the earth within a very short time span. But all in all The LORD is now revealing the prophesy of a mega historical earthquake **“coming to the earth”**, an earthquake that will be followed by very many big aftershocks in different places (locations) of the earth. And that this mega historical earthquake will happen **“very, very, very, soon”**.

The second message that was imparted in my heart from this very mighty communication of The LORD is that this mega historical earthquake that is **“coming to the earth”** will be a judgment of The LORD God Almighty. What the voice of The LORD proclaimed in the vision: “This Is a Judgment of The LORD God Almighty upon the Earth”

So The LORD God Almighty has got a controversy with the people of the earth, and the only remedy is to submit oneself in humility before The LORD by embracing absolute and sincere Repentance for the forgiveness of sins and thereby walking in Righteousness, Holiness, Truth and Complete Surrender to The LORD Jesus Christ. SHALOM!!!”

Folks, “come let us reason together”, God chooses His Words carefully and we should do the same when reading His Words! In both the Owuor and the Mirasi Prophetic Visions (listed directly above), God chooses the exact same words, He said that an earthquake is **“coming to the earth”** this can't be coincidental! And how can an earthquake come to the earth? It could come to a city, or it could come to a country, but how could it come to the entire earth??? The Lord must be trying to tell us something more than merely telling us that an earthquake will strike the earth! Both visions also state that this earthquake is coming to bring judgment from God! The Mirasi Vision actually states that **“This Is a Judgment of The LORD God Almighty upon the Earth”**. There's that crazy verbiage again **“Upon the Earth”**. People, the ‘earthquake’ and the ‘judgment’ are both **“coming to the earth”**, doesn't that seem imply a worldwide impact event to you? ...it

does to me! And how could a Tokyo earthquake, a Mt. Fuji eruption or even a super tsunami affect the entire world, affect the entire “**earth**”? The Prophetic Voice seems to be indicating that millions of people will die in Japan from these three related events, and it is plausible that many more people from other countries could be killed by the subsequent tsunami, but that still doesn’t touch all of the “**earth**”, right? For this earthquake to affect the entire “**earth**”, it must be referring to a financial collapse (1st “Black Monday” stock market crash in the fall of 2016?) that will follow.

And I might also add, that these two prophets (Owuor and Mirasi) typically give fairly detailed prophecies, but these two visions are somewhat vague. Don’t you find that to be a little unusual? I mean both of these guys have given several Prophetic Dreams and Visions about earthquakes over the years which have always listed where the quake would strike, like California, Mexico, Chili, New Zealand etc., but no impact location is given in these two visions. And Mirasi was told by the Lord in his October 2014 vision that this earthquake will happen “**very, very, very, soon**”! This seems to imply to me that it would be coming within weeks, months or at most a year or two ...that we wouldn’t have to wait for years for its fulfilment. And several Prophets have stated that the massive Tokyo earthquake would strike before the massive California quake, so we know that this “**very soon**” earthquake can’t be referring to the California quake, right? Come let us reason together says the Lord.

Prophetic Dream of a Light Bulb shattering (what caused the light bulb to shatter?):

There was a prophetic dream that was in my collection (I can no longer find it, it was stolen by the enemy) which in essence stated that the dreamer saw a light bulb shatter followed by a stock market crash that would start in the east move through Europe and then to the west! I believe the dream went on to say that it would start in Asia (Tokyo earthquake?) and then spread to Europe and finally to the United States!

Tokyo Earthquake (Equidistant Letter Sequence method Code) – Christian Apologetics Study:
The one country most likely in danger of a massive earthquake, according to the Bible code (ELS Code), is Japan. Japan will suffer a series of major earthquakes in the coming years. Recent English Bible and Hebrew Codes reveal a **giant earthquake could hit Tokyo Japan sometime in the near future.** Likewise, dream interpreter and prophecy teacher John Paul Jackson says another massive earthquake will strike Japan sometime in the near future and 7 million Japanese will die. He believes the eruption of Mount Fuji will be associated with this massive earthquake in Japan. Mount Fuji is the highest mountain in Japan, it rises to 12,388 ft (3,776 m) near the Pacific coast in central Honshu. Mount Fuji, with its graceful volcanic cone (dormant since 1707), has become famous internationally. It is considered a sacred symbol of Japan, and thousands of Japanese climb to the shrine on its peak every summer. The mountain is the major feature of Fuji-Hakone-Izu National Park, created in 1936. For many code researchers, “**Japan**” is also the country most clearly encoded with a future “**great earthquake.**” Again, there is no way to know if the stated danger is real. However, **there seems to be an apocalyptic urgency in the Bible Code to warn the Japanese people about their near future.**

Jim Bakker – From the ‘31 Things’ 1999 New Year’s Eve Prophecy at Morning Star Church:

“There is going to be that earthquake God has been speaking to me is coming soon to Japan. And I was dreaming in this dream, I was running and I was warning people. I was saying "get to higher ground. Get to higher ground." I could look and I could see in the streets and I saw walls of water coming way down, even miles down the roadways. But walls of water were coming in. As we ran higher and higher, I was still looking back and as walked up and I could see the water coming, I said, "come follow me."
“...Tokyo would be flattened first, followed by the Los Angeles earthquake...”

Prophetic Vision of Tokyo Earthquake, Bob Jones:

Our (U.S.) economy will be destroyed when a **huge earthquake hits Tokyo** and the **Japanese pull their money out of the U.S. stock market.**

Sadhu Sundar Selvaraj's Prophetic Vision for 2015:

"**An earthquake will hit Japan again.** While I tell you this, I am seeing a vision. In the right side of the map of Japan, a very big angel is standing on the ocean. Raising his right hand towards the heaven, he says, **'I swear this in the name of the living God. This will come to pass very soon.'**"

Neville Johnson's Prophetic Vision:

"I saw **Japan being shaken by volcanoes and earthquakes** in a way that had **repercussions** (Worldwide stock market crash?) **around the world.**"

James Bailey's Excerpt from Nita Johnson Two Major Earthquake Warnings:

She was shown that judgment in the form of **massive earthquakes** is set against both Los Angeles and **Japan.** (Mt Fuji?) She was shown that these would not be just big earthquakes but massive ones that could lead to the **loss of life for millions of people.** Such events would also have ripple effects across the world and could bring down the economy.

John Paul Jackson's 1985 Prophetic Vision:

He saw the following news headline: "**Volcano Erupts Near Tokyo: 7 Million Dead, Another Million Missing**" (Mt Fuji?)

After seeing the headline he found himself standing on a mountain near Tokyo. Here is what he saw:

I actually found myself standing on a hillside or a mountain or a high hill across from Tokyo. There was a tree that was blooming or blossoming or just finishing blossoming. A high-speed train had just gone by on the railroad tracks that were a little bit in front of me, maybe 200 yards down from where I was standing.

I looked **across the city of Tokyo at a huge mountain (Mt Fuji?) in the background** that was half covered with snow. The snow was about halfway down on it. I saw a **plume of smoke** or steam coming out of the side of the mountain. Then a little while later I saw another **plume of smoke** or steam come out of the side of the mountain. Then I saw a **third plume** (could these 'plumes of smoke' be indicating that there will be time to flee? – a warning sign for those in Tokyo to get out now?) come out of the side of the volcano. Then a short while later, **I saw it shake.** I could hear all of the noise of the city, the people, the trains, the planes going overhead, just the hustle and bustle of a huge city.

When this thing happened, when **it erupted,** I remember saying to myself, "Oh, this is worse than Mount Saint Helens." The Volcano blew and smoke and ash came towards the city. It was steam and water, and the water was so hot that it melted things. When it hit things it did not just blow them over but there was a melting that took place. Then a short while later all of the noise became muffled and then quiet, absolute quiet.

Keith Pierce Prophecy "There Will Be A Shaking Coming to Japan", May 19, 2005:

"There will be **a shaking coming to Japan** (Tokyo earthquake?) that will bring them to their knees. This shaking will change the industry of the nation. Japan has been built upon a fault line linked with a deep wounding from the past. **This shaking will occur before the apostolic team that I am sending to Japan arrives.** When they arrive, I will begin the healing of the fault line and release a new anointing for industries. I am sending you to the people group of that area and they will be humbled in the midst of their pride. Do not fear. **I am causing the mountain (Mt Fuji?) to be brought down** (The ungodly political and religious leaders?) **and the valleys to be brought up.** (Christian Revival Begins?) **I will create a leveling effect in Japan"**

Diana Pulliam's 2015 Prophetic Dreams and Visions – The Church Rises out of the Ashes:

“In 2015, through a series of dreams and visions, the Lord revealed things that shook me to my core. He showed me coming death and destruction, the **rise of the Church from the ashes**, and the greatest harvest of souls in history – events to happen before the rapture of His Glorious Church.

With each revelation, the Lord continued to emphasize His Church is not to fear, that we will be walking in the Glory, doing the works of Jesus in the very midst of this coming destruction and chaos. Until Dec 16, 2015, I'd only read about the Glory of the first century Church, and subsequent periodic awakenings since that time. But on the night of December 16th, I received a glimpse of the Glory and what it will be like to walk in it!

The dream began with me at my house, standing in the family room. Although it was not revealed to me, **whether it was an earthquake, a bomb, or whatever**; something had happened. I noticed (in my peripheral vision) cracks in the wall of my house. Several people were in the room with me, and they were in full panic mode. They were yelling, “Oh, no! What are we going to do, how are we going to make it?” Immediately, I opened my mouth and the Word began to flow, “Fear not! My God will supply all our need according to His riches in glory by Jesus Christ.” As I was speaking the Word of God, I was acutely aware of the fact I felt absolutely no fear. All I felt was unspeakable joy and peace. Then the scene changed.

Suddenly, I was at the location of the dream I had in July (see The Great Escape), where **everything was covered in grey ash**, with destruction as far as my eyes could see. Small groups of people dotted the landscape. Some were walking around with dazed expressions, obviously in a state of shock; some were weeping softly as their eyes took in the horrific scenes around them; while others were wailing and screaming out in pain and agony. I began to walk towards them.

As I walked towards them, I felt the love of the Lord descend upon me. It was strong and powerful, and filled me to the point I felt I was going to burst. The love was uncontainable and began to flow out of me towards the hurting people.

When I reached them, I saw the sick and severely injured surrounded by frightened loved ones. I felt overwhelming love and compassion, as the Word of God began flowing from my lips; “The Lord said, “Come unto Me all you who labor and are heavy laden, and I will give you rest...” “The Lord will forgive all your sins and heal all your diseases; He will redeem your life from destruction.” As the Word was spoken, people were drawn towards it.

As they drew closer, I extended my hands toward them. Love was now flowing like a river into me and outward through my hands. As I touched or came near each individual, their countenance changed before my eyes. Instead of expressions of fear, great peace and joy spread across their faces. Those with injuries were instantly healed, as wounds disappeared, along with any trace of blood on their skin or clothing. The maimed in the crowd rose to their feet. Then I heard a voice behind me.

I turned to see a woman approaching with a plate containing only a few morsels of food on it. With tears in her eyes, she said, “This is all we have, how are we going to live?” I said, “Bring it to me.”

Penny Notzrim's November 09, 2013 Prophetic Dream – (Fully Transcribed) After Thanksgiving Everything Changes:

“Hi Youtube its Penny, and I'm recording this on November 11th, 2013. I wanna share a dream that I had a few nights ago. So on November the 9th, I dreamt that I was staying at a hotel, where people were sun bathing right outside of the rooms that were outside of the ground floor. And as I was walking towards my room, there was a **hairy man** with swim trunks that were too tight for him, and he was approaching me. As he got closer to me I sensed that this was not going to be good. And I had a bottle of water in my hand, and I set it down so that I could open up the patio doors to my room. Because I needed both hands for some reason, it was heavy. Anyway, I got it open and bent down to pick up the water bottle back up and I quickly slipped back inside the room. I closed the door, locked it and closed the blinds ...those patio swivel blinds. And as I was doing that, this man passed by my room outside and I heard him say:

“...one of the most significant dreams that has yet to be understood, that I had was on February 11th, 2012 and that was the one where I was doing a cheer and the words were shouted out with a battle cry **“Victory 30Y”** and we have still been trying to figure out – “30Y”, what's the “30”, what's the deal with that. (is it possible that the **“30Y”** represents **“30 years”**? Jesus' ministry started when He was 30 years old and **Joseph's** ministry also started when he was 30 years old. Could this victory cheer represent a call for the **Joseph's** to come out of their prisons and for the 'Great Last Days' revival to commence?) When I was looking back in my notes, I saw this guy with a hairy back and I remember that I saw something about guys with hairy backs or hairy back guys or something. Well I went back and looked and the scriptural confirmation that I got for that “Victory 30Y” dream was from the book of the Jubilees. And www.cepher.net is where you can go to if you want to purchase the version of scriptures that I read from and it includes the book of the Jubilees. So anyway, it was **Jubilees 38:10** where it talks about the sons of Jacob pressing hard against the sons of Esau in the mountains of Seir. And bowed their necks so that they became servants the sons of Jacob. So, I don't know, I ended up taking a video down that I had recorded. I had seen the word Sier in front of my face in the middle of the night, one time when I woke up about a year and a half ago. And I uploaded a video called the children of Seir. And I ended up taking it down, because it showed up on some Pakistani website called Egypt videos. One of my subscribers sent it to me and said did you know and I said what, this is weird, so I took it down. Anyway, the reason that “Sier” is significant is because the Seirites were known as the hairy guys. ‘Box and the riders on the storm’ (youtuber ???) received a similar Word pertaining to the ‘riders on the storm’ awhile back. So I remember the Father showing me the Seirites, so these would be the children of Esau, the ones that were hairy, verses the children of Jacob. So, these two people groups are in opposition to one another.”

“...last year during Hanukah, I was skyping with David (her husband), we were not together (they were in separate places) at that time. And it was the third night of Hanukah. We were in Israel two years ago and bought this beautiful Hanukea ??? Menorah. So Hanukea ??? is a menorah that has what is called a shamash candle ...the candle that you use to light the other candles. And ours actually used oil in it with little floating wicks. Anyway, so last year, I'm skyping David and all of a **“sudden”** I'm looking around and I'm like honey, there's **ashes falling** on me. I said hold on a second I smell something. And I went into the other room and our Hanukea ??? was on the piano in the living room and the shamash candle had **‘erupted’ and blown up!** And David said it melted down, I said it **‘blew up’**. But there was **“ash”** all over everything in my house! I had to dust every square inch of it, it completely **erupted like a volcano!** OK, the thing that's interesting about this to me, is a gal that goes by the name Barb and she goes by the name (youtube) of ‘278pikelk’ ...I'm not sure how she pronounces it – Barb I love you, ha, ha. Anyway she has two videos I wanna connect to. One's called “Warning” and one's called “Thanksgiving”. And in the first one she's given the word **‘super volcano’** or **‘volcano’** ...something about **‘Volcano’**. And the Lord specifically instructed her about this **‘volcano’**. That morning before I had watched her video I had gone back I was looking up some of the stuff that the Lord was giving me last year, and on June 30th of 2012 I heard the words

‘**super volcano**’ and I was actually shown a date on a calendar and it looked like this “**28**”. (does the “**28**” represent a date on the Hebrew or Gregorian calendar (July 28, 2018?), or might it be something else?).

David Kenderes’ (2012?) Event Code – A Can of Baked Beans Explodes and Sets off an Alarm!

I wish I could find the write-up for this Event Code, but I haven’t been able to locate it. It happened several years ago and I want to say that it occurred around 3 to 3:30 am. My wife and I were both upstairs sound asleep when our home alarm system went off and awakened us. Our dog was in the downstairs living room howling at the warning sounds! The police actually arrived at our house, rang the doorbell and asked us some questions to verify that we were OK and that we were the actual homeowners. I silenced the alarm and went into the alarm system to determine which sensor activated the alarm. I discovered a living room motion sensor, near the hallway pantry was the one that activated. As my wife and I walked into the pantry we noticed to our dismay that a can of baked beans had **exploded all over** the room! Need I say that it was a mess and that it took forever to clean it all up! I knew at the time of this event that it would represent a significant event (Event Code), but the Lord also revealed to me that it would happen in a future year ...that it wasn’t to be fulfilled at this time. Will a Mt. Fuji volcanic eruption be the fulfillment of this Event Code?

Excerpt from Brian Carn’s October 6, 2015 (Clarion Call) https://www.youtube.com/watch?v=3Ui_paNefl4 Video Recording:

“I see an **earthquake**, (**Tokyo?**) another **earthquake** (**Tokyo?**) disaster similar to what happened in Nepal. But, I see a very bad **earthquake** (**Tokyo?**) coming very, very, very soon. But, there’s going to be another **earthquake** (**Tokyo?**) disaster and I wouldn’t be surprised if it happened in the next couple of days or weeks. Another very bad **earthquake** (**Tokyo?**) getting ready to take place, and I am trying to find out in the Holy Ghost where it’s going to be. But this is going to be a pretty massive **earthquake**. (**Tokyo?**) I feel it very strongly OK. It is going to happen within days to weeks, OK. But this thing is right around the corner. There is coming an attack on America in a couple of days (spiritually speaking). ...**I see a shaking** (**Tokyo earthquake/Mt. Fuji eruption?**) and a **shifting** (**shifting of powers?**) getting ready to hit our country – a shifting of power and a changing of the guard. (**Coming Forth of the Eagles?**) **28:48 Mark:** but I see something happening **concerning a mountain**, OK. (**Mt. Fuji eruption?**) I want you to hear me – just pay attention to the news, something is going to come up on the news about **a mountain**. (**Mt. Fuji eruption?**) I don’t know if **the mountain** (**Mt. Fuji eruption?**) is going to collapse. I don’t know if **the mountain** (**Mt. Fuji eruption?**) is going to fall. I don’t know if a bomb is going to hit **a mountain**, (**Mt. Fuji eruption?**) but pay attention to the news, something is going to come up about **a mountain**.” (**Mt. Fuji?**)

Lisa Cooke Doyle’s May 26, 2006 Prophetic Word about a Volcanic Eruption & an Earthquake: In My Mind I Heard the Following Statement, “**The Mountain Has Just Blown!**”

Last Friday on May 26, 2006, I was abruptly awakened to an upright position at 3:00am. (the same general time that my baked beans can exploded – see Event Code above) In my mind I heard the following statement: “**The Mountain has just blown!**” (**Mt Fuji eruption?**) Then in the Spirit, I felt tremors from below the earth’s surface that gained in momentum, until it was as if--my entire home was being violently shaken by a **giant earthquake of magnitude proportions**. (**Tokyo earthquake?**)

Although this was a spiritual experience, I half expected (as I turned on my television set) to find a news report of what I just experienced. Although there wasn’t any indication of reports on recent seismic (earthquakes), or volcanic activity of this proportion, I knew the Lord was personally calling me to prayer.

Anonymous - Earthquake on Asian Soil:

Large buildings, seemed new but largely abandoned. I saw massive buildings collapsing, a **towering building rocking then falling to the ground**. The ground was shaking. I couldn't see many people but I knew I was near a large population center. I could not read the signs and billboards but they appeared to be Asian. I saw Asian symbols and writing. **Tokyo maybe**, possibly China though. **I saw ash over the city**. I woke up. 3:45 am. I feel this is a very large earthquake that will happen soon. Definitely seemed like it was an Asian country. I felt this happening in the near future. Large news event.

Rodney Berry's April 19, 2010 12:12:21 pm (Midnight Hour?) "Volcanoes, which One will be Next"? – Prophetic Word:

"I had another dream this weekend, very vivid, which I now will describe unto you, and make my findings Known!" And maybe you will have thoughts upon this Dream from MESSIAH!" "I" was on a beach, and "**suddenly**" men began walking towards me, and **they were of Old, wearing helmets made in a fashion of England or Viking or Spanish**, I have yet to research and find again, who made helmets with a long nose guard coming down the length of the nose!" They were carrying sharks, four sharks!" And they threw them down on the sand, and a large dog ran up, and began eating one of the sharks, a dog likened unto a husky!" "**Suddenly**", a **volcano erupted**, we all turned and huge Boulders began falling all around us, I said do not run, we will not be hurt, but we moved from side to side so as the giant rocks would miss us..."

Rachel Baxter's 12-09-2015 at 3:03 am Prophetic Dream – 'Soldier at the Door' and 12-13-2015 Prophetic Word – 'Prepare For Battle', The Time Has Come:

"On December 9 2015 at 3:03 am, I was deeply asleep dreaming of being asleep in this very large house that was grand and exquisite. It was better than any mansion I've ever seen on television. I was in bed asleep in the master bedroom with my husband when I was awoken to knocking at the door. It went on for a while. Eventually I nudged my husband go see who it was. I was a little anxious like you would be if it had really happened. I didn't know who it was as I watched my husband go down the hallway, down the big staircase, then start towards the door, which was quite a ways away since the house was so big. He either said it or was thinking he knew who it was before he got to the door. Just then, I was woken up from my dream by one of our kids.

So I got up still thinking of the dream and wondering who was going to be at the door. Then I felt like I should go downstairs to get a drink of water. I went downstairs and heard the word "**centurion**." I had the sense that a large soldier was standing in the corner of the dining room facing me. His presence was so real I felt like I should have been able to see him, but I couldn't with my eyes, only with the eyes of my heart, in my spirit, but with those eyes I saw very clearly.

I kept looking at the spot where I thought the **centurion** was. I asked the Lord, "Why is he here?" The Lord answered, "The battle lines have been drawn". Then I asked, "What battle?"

He answered, "For souls, to take them to hell or to heaven". Then I asked, "What does the centurion want with me?"

Then I heard, "To give you plans and orders".

Then I felt like the **centurion** had moved to the living room and was about 8 (number of 'rebirth') feet from me. I asked the Lord, "How do I get the orders?"

I heard, "Put out your hand and he will place them in your hand."

So I did and felt like he laid a rolled up piece of parchment in my outstretched hand. I asked, “How will I read them?”

I felt like he said, “Move your hand to your heart to take them into yourself.”

So I did. Then I felt like the **centurion** turned to leave out the back of the house. He then mounted a horse and went away. Later, in prayer, I felt confirmation that it was Jesus at the door in the dream. He is knocking as the time is at hand. He wants everyone of us to answer His call, and He wants to give us wisdom and understanding for what lies ahead.

Revelation 3:20 NIV:

“Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me.”

Then on December 13 2015 in the early evening I heard:

“Quiet yourself before me. Get rid of all distractions. I am the gentle breeze. I am a soft fabric against your skin. I am subtle. Do not lose sight of the end game, eternity with me. Stand strong, even as the winds of evil blow mighty and powerful. I will be your protection. I will be your strong tower.

The Giants come. They are returning to earth for a final quest. This battle they desire to fight is one of intellect, but they shall be outsmarted. They forget My promise to My children, that I will never leave them or forsake them. Even to the end of the age! The demonic will have its fun, but when it is over, I will reign victorious for all time. The schemes of the enemy are great, but not one hair on the head of one of My children will be harmed, for those that rest in the shelter of the most high.

I will show you their plans. I give you copies of their own orders to discern. I will lay it out for you in your heart so that your mind can then begin to comprehend the details. Seek me for discernment. There is no need to be surprised when minions carry out the evil plots of Satan, the crafty serpent.

The centurion wears my armor into every battle. He walks in sandals of peace. His head is covered with the helmet of salvation. His chest is covered in my righteousness. His shield of faith causes every arrow of the enemy to fall. His sword is mighty cutting even to the bone with the power to create and destroy with my word. I desire every one of my children to dress as the centurion. You will face battle and you must put on the whole armor. When in it fully, your protection is complete, and victory is assured. Prepare for battle. The time has come. Do not go out without it on anymore. Teach each child to wear theirs.

Fear not that which is coming upon the earth. Everything made by man will shake.

Everything built on the foundation of My Son, the cornerstone, will stand firm. I am doing a work in My children. I am pouring My love out, beyond measure. No ear has heard the glorious riches in store for My children who love me. Remember that this is temporal, temporary, but I am eternal. **There is nothing that you will face that I have not already triumphed over.**

It is good to complete preparations in the physical before Christmas. After Christmas, the only preparations that are required are those in the Spiritual. Wait upon my throne daily. Make time for my instructions each and every day. This will save physical lives. This will save eternal souls. Life is found in me. I will turn every scheme of the enemy for good. Even now his frustration grows as his plans of so-called genius fall apart and backfire. He is the God of chaos but I AM the God of peace. I give you my peace to carry.

Arise children of the one true God! Waive your banners! Blow your trumpets! Begin your march in step as I lead you around Jericho! For it will be I, only Me that brings ultimate victory over death. Watch as the wall falls and evil is destroyed once and for all. Then, there shall I stand in victory, as the old passes away and the new comes forth. My bride ready for her groom!”

Catherine Browne of Scotland's Prophetic Vision:

Catherine saw a horrific **eruption of Mt. Fuji, which caused massive destruction in Tokyo and worldwide mourning.**

Excerpt from Brian Carn's November 25, 2015 (7:30 & 12:15 minute marks) Clarion Call Video:

7:30 Mark: "...something is going to happen that is going to take away the happiness, the joy that everybody would normally experience." (Massive Tokyo earthquake and Mt. Fuji eruption and subsequent worldwide stock market crash?)

12:15 Mark: "...something catastrophic is going to take place, where normally everybody is happy, everybody is rejoicing, something is going to happen **"suddenly"**, where people are going to say that **we went into the New Year weeping.** It's going to be a time of weeping as soon as the New Year begins! There is getting ready to be a shaking, (Mt. Fuji eruption delayed?) even in the Body of Christ, (Lukewarm Christians begin to awake out of their slumber?) God is about to shake some things..."

John Croino's 2008 Prophetic Prediction:

"If you live in Tokyo, move to the west and away from the sea. Avoid Mount Fuji.
Fishermen will soon find summer fish during the winter in Tokyo bay."

Kevin Mirasi's September 16, 2017 Prophetic Dream – There is a Great Earthquake Coming to Japan, because of The Rampant Sin therein, including the Worship of Idols (Idolatry):

There is a Great Earthquake Coming to Japan, because of The Rampant Sin therein, including the Worship of Idols (Idolatry).

The above is what I Heard in a Vision (Supernatural Dream) of The LORD God Almighty, in the morning of 16th September 2017.

So The LORD is Calling for Repentance in Japan (as well as other Nations), and a Return to the Ways of The LORD: Holiness, Righteousness, Truth and Complete Surrender & Submission before The LORD Jesus Christ. The LORD has been Seeking for the Attention of Japan. He is thus coming to Shake their Land, Again. That He may Awaken them further, that Perhaps they will Now Return to The LORD, and forsake a lifestyle of Sin (Including Idolatry).
SHALOM!!!

Mathew 24: 3-8 "Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?" And Jesus answered and said to them: "Take heed that no one deceives you. For many will come in My name, saying, 'I am the Christ,' and will deceive many. And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows."

PREPARE THE WAY FOR THE COMING OF THE LORD JESUS CHRIST IN ABSOLUTE REPENTANCE, RIGHTEOUSNESS, HOLINESS, TRUTH AND COMPLETE SURRENDER TO THE LORD JESUS CHRIST (YESHUA/YAHUSHUA HA MASHIACH). TIME IS ABSOLUTELY OVER; THE MESSIAH JESUS CHRIST IS IMMINENTLY COMING TO PICK HIS BRIDE!!!

Christine Beadsworth's February 07, 2018 Prophetic Vision – An Earthquake was about to Strike in Japan very shortly and it will cause Financial Markets to Crash Flat. A blue ETN symbol skated across the Earth as the ground Shook strongly and I knew:

I think the Lord has given me some revelation regarding Electroneum in a dream I had early this morning of 7th February (22nd Shevat).

In the dream, it was dark and I saw a white rectangular board with the top right hand corner cut off, being held upright by someone, then it crashed to the ground in a cloud of dust and I heard “ETN is lighter, it will just skip across the tremors.”

Then I saw the blue ETN symbol skating across the earth as the ground shook strongly. I awoke and knew somehow an earthquake was about to strike in Japan very shortly and it will cause financial markets to crash flat.

Katherine (Katy) Behr's 2009 Prophetic Vision – I saw Japan under 100 feet of water:

Katy saw Japan 100 feet under water in a 2009 Prophetic Vision that was given to her by the Lord.

Rachel Baxter's November 1st, 2015 Prophetic Dream “There Is to Be No More Delay”:

My heart is so heavy for that which is coming upon our nation and the world. I want to share a word the Lord gave to me and released me to share. On November 1st, 2015 I heard this:

“There is an event (Mt. Fuji volcanic eruption, earthquake and tsunami in Japan?) just in front of you that will change the direction of your nation for eternity. It is time for America to experience the wrath of the one true God. Every drunkard must sober up eventually.” “There are no more curtain calls. **There is to be no more delay.**”

“I have spoken and my angels shall be dispatched to the corners of the earth to release the punishment that has been saved for this day. **There shall be much weeping and nashing of teeth.** Mothers will cry out for lost children. Fathers will crumple with the loss of their sons and daughters. Families will be ripped apart. Hearts will fail with fear for the great and terrible day of the Lord. Many will seek death, but not find it. Many more will die an inward death no more to experience joy in their day. All that was once considered gain shall then be loss.” “Every eye shall shed many tears, but I have prepared my remnant to survive the storm through the power of my word in their ears.”

“There will be three major events that are to come in short succession.

The first will be a calamity of the governments Many kings and rulers will fall. They will face opposition from each other and from their own people. (Scandals and changes in government leaderships? Brexit, Russian Collusion accusations? Rampant sexual allegations that have toppled leaders?).

The next calamity will be of nature. The earth will toss and turn to and fro. Mountains (Mt Fuji?) will crumble and the water will flow in unnatural ways. There will be too many bodies to dispose of properly so that they will rot where they fall. (Volcanic eruption, earthquake and tsunami in Japan in 2018, along with many other events leading up to them?)

The third calamity will be of economics. Money will fail. (the 1st of 2 worldwide stock market crashes leading to a 2nd Great Depression, due to the tragedies in Japan?)

This is the time for every child to step into all that I have for them.” “Yes, I am already victorious. The end is known. What has not been made known until now is the way that I choose to gain the victory battle by battle. I made man for my purposes, to express all that I am. From Adam and Eve, that purpose has been constrained by sin. My image in all its fullness has not been expressed, but that is about to change. Before my son lives and reigns on this earth again for one thousand years, I will establish His kingdom, which will usher in His glory.” “It will be in you, and every child that purifies their heart to receive all that I am, that my kingdom shall come. You will see the unparalleled glory and magnificence of all that I am displayed in the unity of the body of Christ as the times reach their fullness.” “The time has come to put on the full armor of God that I have given to you, to walk out into battle with me. The war will rage around you, but you will rest under the wing of The Almighty.”

Alison Pound’s October 2016 Prophetic Word -There are Goshen Nations As well As Goshen Places, (*Safe Havens in the Wilderness*). Japan will no longer exist:

Just a few days ago, the Lord suddenly began speaking to me about some nations in the last days. This is what He said to me. First, He said to read Isaiah chapter 2, which is shown at the bottom of this post. Then He said this:

“In the last days, I will pour out My Spirit upon some and I will pour out My judgment upon others. In the last days, nations will put down their weapons and begin to plow the land and grow much food. And I will bless that land. Other nations will be completely destroyed. Anyone who was for Me will have fled those lands and taken up in the places I have provided, the Goshen lands.

You see, there are Goshen nations as well as Goshen places. Now you begin to see how it will be.

The whole world will not be at war. Much of it will, but not the entirety. I have made provision.

The wicked shall fight to the death at the final battle and I will destroy all who are against Me at that time. When will I return for all eyes to see? It will be at the end of this great battle.

There are those nations who will see the futility of war and of fighting for a cause. There will be terrible upheaval of the earth at this time. Island nations will disappear into the sea. Some of them will be saved because of their regard for Me. Many will not. Some areas will be completely destroyed by fire. You know that Babylon will burn.

Japan will no longer exist. Only those Japanese who leave their country and cleave to Me will survive.

Vietnam will turn to Me in an amazing way.

China will fall, but not be gone completely. There are so many coming to Me in that land. They will flee to the mountains and I will sustain them there. They are a tough and resilient people.

Russia will burn, all but Siberia. This is where the chosen will be. A harsh environment, but I will bring them nourishment and protection from the elements. You will be amazed at what I do for these people. Because they choose Me.

European countries will be a patchwork of black and green. Some gone completely and some untouched.

And these untouched will put down their arms and come to Me en masse.

The fallout from nuclear warfare will be farreaching. But it will go only in certain directions as the wind and water currents take it. There will be areas that are quite safe and will begin to thrive.

Singapore will turn to Me. Indonesia will be gone.

The African nations will be around. The tribes who do not turn to Me in these last days will die out.

And what is left will be a holy people, who have been burned in the fires of tribulation. These, the least of the people in the world's eyes will become the greatest who will rule over the rest.”

1 The word which Isaiah the son of Amoz saw concerning Judah and Jerusalem.

2 Now it will come about that in the last days, the mountain of the house of the Lord will be established as the chief of the mountains, and will be raised above the hills; and all the nations will stream to it. 3 And many peoples will come and say, “Come, let us go up to the mountain of the Lord, to the house of the God of Jacob; that He may teach us concerning His ways and that we may walk in His paths.” For the law will go forth from Zion and the word of the Lord from Jerusalem. 4 And He will judge between the nations, and will render decisions for many peoples; and they will hammer their swords into plowshares and their spears into pruning hooks. Nation will not lift up sword against nation, and never again will they learn war. 5 Come, house of Jacob, and let us walk in the light of the Lord. 6 For You have abandoned Your people, the house of Jacob, because they are filled with influences from the east, and they are soothsayers like the Philistines, and they strike bargains with the children of foreigners. 7 Their land has also been filled with silver and gold and there is no end to their treasures; their land has also been filled with horses and there is no end to their chariots. 8 Their land has also been filled with idols; they worship the work of their hands, that which their fingers have made. 9 So the common man has been humbled and the man of importance has been abased, but do not forgive them. 10 Enter the rock and hide in the dust from the terror of the Lord and from the splendor of His majesty. 11 The proud look of man will be abased and the loftiness of man will be humbled, and the Lord alone will be exalted in that day. 12 For the Lord of hosts will have a day of reckoning against everyone who is proud and lofty And against everyone who is lifted up, that he may be abased. 13 And it will be against all the cedars of Lebanon that are lofty and lifted up, against all the oaks of Bashan, 14 Against all the lofty mountains, against all the hills that are lifted up, 15 Against every high tower, against every fortified wall, 16 Against all the ships of Tarshish and against all the beautiful craft. 17 The pride of man will be humbled and the loftiness of men will be abased; and the Lord alone will be exalted in that day, 18 But the idols will completely vanish. 19 Men will go into caves of the rocks and into holes of the ground before the terror of the Lord and the splendor of His majesty, when He arises to make the earth tremble. 20 In that day men will cast away to the moles and the bats their idols of silver and their idols of gold, which they made for themselves to worship, 21 In order to go into the caverns of the rocks and the clefts of the cliffs before the terror of the Lord and the splendor of His majesty, when He arises to make the earth tremble. 22 Stop regarding man, whose breath of life is in his nostrils; for why should he be esteemed? (Isaiah 2:1-22)

The aftermath from the Destruction of the Physical Earthquake, Tsunami and Volcanic Eruption brings in the Worldwide Economic Crash:

Thomas Gibson's Prophetic Word:

...You stand on the verge of the greatest destruction of the economy of this earth. ...When the great crash (in America) occurs, it (the World Economy) shall come down. You stand on the verge of the greatest economic collapse in the history of mankind.

David Wilkerson's 1973 – 5 Calamities Coming to the World (Point #1) Worldwide Economic Recession: This recession would be caused by economic confusion and would affect the lifestyle of every wage earner in the world. The world economists are going to be at loss to explain what's happening. It's going to start in Germany, spread to Japan and finally to the United States. Large corporations and many churches are going to go into bankruptcy.

Harold Eatmon's July 1997 Prophetic Word – Two Black Mondays, the Coming Stock Market Crash:

"...In my last article I mentioned a vision of the Stock Market's 'Big Board' having serious upcoming problems. **I saw the Stock Market soar and then crash.** After the crash, many big business corporations and private parties bought up stocks because of the low cost to buy in. Then I saw the market begin to climb again in a short period of time. Then **it crashed again** bringing tremendous loss, ruin, and devastation to all who bought in the first time. This is what I have labeled "Two Black Mondays." **The time period between the Two Black Mondays was very close together. I could not tell exactly how close.** It could be a couple of days to a couple of months. There are some tell-tale signs indicating the season and the setting. I saw the season to be when 'the leaves fall to the ground' then the first crash would occur. I also saw the Yen and Mark fall dramatically just before this sudden and inexplicable crash. Like Joseph in Genesis, I believe America will have fat years of financial blessing. I also believe there are coming lean years of financial difficulty for America. I do not believe God is showing this so people can beat the game financially. I rather believe He is saying keep your eyes on eternal things. Store up treasures in Heaven."

If the Japan disasters and the following worldwide stock market crash does occur prior to the beginning of the fall season of 2018, I suspect that many of you would immediately discredit Harold Eatmon's prophetic Word as being a false prophecy, because it clearly states that he "saw the season to be when 'the leaves fall to the ground' then the first crash would occur". But hold on here, that's not typically how prophetic interpretation works. Remember the prophetic is generally given in a mysterious code language. I agree that the most obvious interpretation for "the season to be when 'the leaves fall to the ground'" would be in the fall season of a given year. But there are certainly other possibilities. One example would be a summer heatwave season, where trees were dying and many trees were dropping their leaves. Another example would be if/when the Mt. Fuji eruption occurred it would definitely strip the leaves off of large swaths of trees, i.e. a season when the leaves fall to the ground. Also keep in mind that Harold said that the second crash could occur a few months later, which would definitely place the second crash in the fall season of 2018.

The Fall will be the beginning of the fall of the World: Jeff Byerly's August 3, 2016 Prophetic Word - The Fall will be the beginning of the fall of this world into utter darkness and chaos. **Something (Japan Disasters?) will occur that will Change Everything that follows it.**

Casey Toda's November 11, 2017 Prophetic Dream – The Cash is now Worthless, you should have bought Silver and Gold: "Suddenly, my dad came bursting into my room. As I was waking up from his sudden entrance, groggy and still half asleep, he said, Casey, the stock market has collapsed and all your investments in your portfolio have been wiped out. I thought to myself, this is totally surreal. Instead of being upset, I felt some relief. I responded to him and said, "Good thing I liquidated my investments and have everything in cash. He quickly fired back at me, "The cash is now worthless (*devaluation*), you should have bought silver and gold."

“I'm asking you to tell them I'm giving the Church a fresh opportunity... remember the earth is groaning and longing for the manifestation of our Father's Sons. MANIFEST ME!” says the Lord. (Romans 8: 22)

Now I say to you... there shall be a sign in the heavens. It will be called “**Thundersnow**” and My voice will be recognized, and you shall be assigned to My people and say I am on the move,” says the Lord.

Late Fall Freeze and Winter Storm Benji: Corpus Christy, Texas received **Thundersnow** on Dec 08 with 7 inches of snow.

Friday 03/16/2018 Thundersnow reported in a Colorado snowstorm: **Thundersnow** occurred again!

March 02, 07, 13, 21 Four Back to Back to Back to Back Nor'easters (Winter Storms Quinn, Riley, Skylar, Toby): North Atlantic Negative Phase Oscillation: A blocking High pressure zone near Greenland, which causes cold air to be pulled down over the east coast, with Low pressure storms spinning off of these troughs in the Atlantic Ocean forming winter Nor'easters. These storms produced quite a bit of **thundersnow** in the Northeast. The Mid-Atlantic, New England and part of the South Eastern states were actually colder in March than they were in February.

Benjamin Faircloth's September 09, 2016 Prophetic Word – **The month of July will be the Starting Point for this Nation and the World Falling off the Cliff. For soon the shaking (+9.0 Earthquake in Japan?) will begin and the fire (Mt. Fuji?) will Fall:**

On June 15, 2016 at around 9:30 am, I felt the leading of the Father to step away and sit before Him. As I was silent and mediating on Him I was given the following word. I will relay it in the way I received it.

“July is the tipping point. The month of July will be the starting point for this nation and the world falling off the cliff. It all begins in July, the great unraveling. System breakdowns, societal breakdowns, military breakdowns. The emptying of grace has come to America. ‘God shed thy grace on thee’ will no longer be the stanza of this nation’s song, for it shall be ‘God have mercy on thee!’

The battering rams of your enemies have breached your walls of protection. Your fields of plenty shall rot; for the idols of your land have been enshrined within your hearts, within your minds, and deep within your souls. There is no rooting out of these idols by the hand of man. My wrath and My judgments will purge your land.

The Hallowed has been profaned. The sacred has been slandered and disgraced, disfigured from the reality of its purest form. You, the priests of Babylon, have taken away the pure and polluted My inheritance. I will therefore blot your name out and remember you no more.

The time of My winking is over. I will now stand and stare. For the nations have reached their point, their sin I can no longer bare. My church must soon find its place with Me, to dwell safely and at peace, for soon the storm will arrive. Many will die and many will sigh. But My Church, My People, My Bride will remain alive if they abide in Me!

For soon the shaking (+9.0 earthquake in Japan?) will begin and the fire (Mt. Fuji?) will fall. Do not be afraid, and do not run from the shelter and do not look back...remember Lot’s wife!”

After the Father spoke these words to me, He gave me Isaiah 21. Please read the entire chapter. Here are the first ten verses; there is no need for me to comment on them.

Isaiah 21

Verse 1-The burden of the desert of the sea. As whirlwinds in the south pass through; so it cometh from the desert, from a terrible land.

Verse 2-A grievous vision is declared unto me; the treacherous dealer dealeth treacherously, and the spoiler spoileth. Go up, O Elam: besiege, O Media; all the sighing thereof have I made to cease.

Verse 3-Therefore are my loins filled with pain: pangs have taken hold upon me, as the pangs of a woman that travaileth: I was bowed down at the hearing of it; I was dismayed at the seeing of it.

Verse 4-My heart panted, fearfulness affrighted me: the night of my pleasure hath he turned into fear unto me.

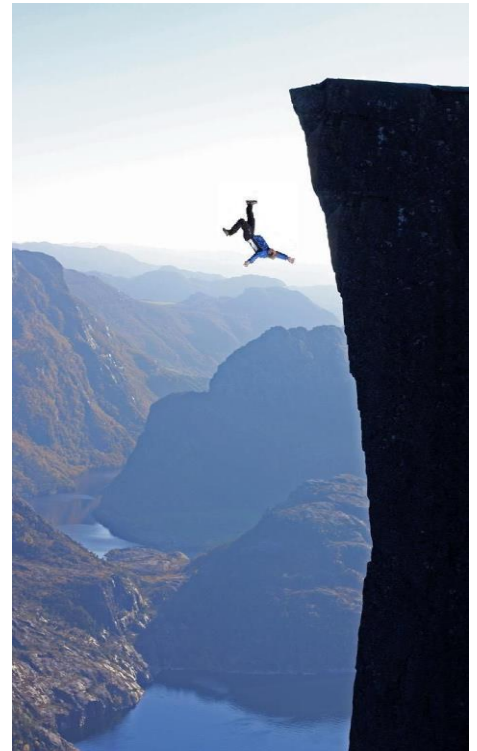

Verse 5-Prepare the table, watch in the watchtower, eat, drink: arise, ye princes, and anoint the shield.

Verse 6-For thus hath the Lord said unto me, Go, set a watchman, let him declare what he seeth.

Verse 7-And he saw a chariot with a couple of horsemen, a chariot of asses, and a chariot of camels; and he hearkened diligently with much heed:

Verse 8-And he cried, A lion: My lord, I stand continually upon the watchtower in the daytime, and I am set in my ward whole nights:

Verse 9-And, behold, here cometh a chariot of men, with a couple of horsemen. And he answered and said, Babylon is fallen, is fallen; and all the graven images of her gods he hath broken unto the ground.

Verse 10-O my threshing, and the corn of my floor: that which I have heard of the LORD of hosts, the God of Israel, have I declared unto you.

In conclusion, I asked the Father as I always do, “What do we do with this word?”

He said, “You better abide in Me!” He then spoke to me concerning the half awake, half dressed church, “Stop listening to man. Prepare how I taught (you) to prepare! All of your answers are in the word of God!”

He impressed upon me that if we go back and look at all the stories of how He provided for Israel, through Joseph, Moses, etc... we will find His plan, His protection, and learn how to thrive in Goshen! Read Genesis chapters 42-50 and the entire book of Exodus, it is the ultimate survival plan!

Church, all I can tell you is that we need to get our houses in order. Prepare for the coming chaos. It's not going to be pretty and our lives will never be the same. May Psalm 91 be the banner over your life!

A Train is Halted and a New Train is Coming, announcing its Arrival with the Sound of its Horn, the Karate Fighters commence Battle and the Eagles get their Wings ready for their Coming Flight:

David Kenderes' May 13, 2018 Prophetic Word – Train Tracks on the Table, My Train is Coming:

I don't know where I was at, but it appeared to be someone's house, but it was laid out like a large building (a cross between a house and a warehouse?) with several to many people inside. We were all talking about the old train tracks with curves and switches. In the dream I was viewing some large tables (like kitchen tables, but long and in one piece) with huge train tracks on them ...almost full scale of a real train!

I made the suggestion that we straighten the old tracks out and add new table tracks. My idea was accepted and right before I woke up I saw straight tables with brand new train tracks on them! I said: “This is what I want for myself, just like this”. End of Dream.

Interpretation:

This has to do with my future Christian ministry after the worldwide stock market crash. And my role along with many others in making the path straight before the Lord, with new ideas and suggestions.

Matthew 3:1-3c:

“Prepare ye the way of the Lord, make his paths straight.”

David Kenderes' November 17, 2017 Prophetic Dream – Grizzly Bear Monster Kills people on a Japanese Passenger Train, as the train Stops Dead on its Tracks (Tokyo Earthquake/Stock Market Crash?):

FUJISAN VIEW EXPRESS

The Awakening: On the morning of November 17, 2017 I had been dreaming and suddenly, I felt a pressure on my bed, like someone had pushed the bed, which needless to say startled me and woke me up! I believe that the movement of my bed had happened to ensure that I wrote down my dream which I just experienced, while it was fresh in my memory.

The Dream: I was viewing a scene on a Japanese passenger train, where I could see all the way down through the middle of the train, through all of the train cars, from one end of the train to the opposite end of the train. The train had come to a complete stop. What looked like a monster, was quickly killing everyone in sight! I was kind of floating over the carnage, and not seeing any survivors when before my eyes I saw a person that who managed to hide from the creature, standing by an open box car, next to a bunch of dead bodies. I told him to run (to get off the train and run).

But immediately my eyes were drawn down to the other end of the train where I saw the monster standing there looking at this Japanese passenger. I again yelled run!!! Realizing that one had escaped, the monster ran down the length of the train and killed this remaining passenger before he could get away.

In the next scene I was in the front of the train viewing a large room of sleeping quarters where approximately ten Japanese men had been sleeping through the event. These men were all trained in Martial Arts Karate. They woke out of bed and knew (I somehow informed them) that a monster who had killed so many Japanese people was standing just outside of their door. They got their white karate garbs on and rushed over to the door not even bothering to turn the door handle to open the door, instead they kicked and karate chopped their way through the door, with wood splinters flying everywhere!

Next, they attacked and killed the monster. Once the monster was dead they told me that their only regret was that they didn't sleep through the event, so that they might have been able to thwart off the disaster!

In the next scene, me and my wife were driving around in a car and I was informed that me and my wife had to fly to China (possibly Japan, but I believe it might have been China) from the US for my wife to have her baby. So that the baby could be born in Asia rather than the United States. Even though in real life, we are no longer on a PCS assignment in Asia (I am retired government employee who used to travel abroad) and my wife is

well past child bearing age. We were in the process of filling out forms to get our required passports made. End of Dream.

Several days after I had the dream, I was doing some Internet work on our computer, when I stumbled upon an image of a grizzly bear (the picture at the top of this write-up, next to the train, karate guy and blue Mt. Fuji mountain. Upon gazing at the bear, I immediately recognized it as the exact same creature that I was referring to in my dream as a monster! So at that point, I believe the Lord gave me a down load interpretation to go with the dream.

Interpretation:

The red Japanese train that came to a sudden stop, represents the Japanese (and the world) economy that will crash and suddenly stop. The Grizzly bear monster represents a coming bear market that will devour the Japanese people's finances. Even those that try to escape won't make it! The survivors who were sleeping, couldn't stop it from coming or warn people about what was coming, because they were sound asleep.

Once the Japanese karate guys woke up (they were told that their people were destroyed and why the destructive judgments occurred), they put on their white robes and began to fight the good fight! I believe that my wife and I travelling abroad to Asia represents a coming worldwide ministry and travelling for us, including a probable trip to what is left of Japan. I believe that my wife's pregnancy represents the new birthing of the worldwide Last Days end-time Great Awakening that is about to happen!

James Bailey's Feb 15, 2016 Prophetic Dream - Karate Fighters Reveal Damaged Currencies & Food Supplies:

“During my prayer time today, I dreamed I was standing in the living room of an apartment looking into the dining room where two men were standing facing each other. They were wearing white karate uniforms and were preparing to fight, but they were just sparring, not really fighting. I never saw any furniture, so it appeared they had plenty of room to fight.

The one standing closest to me had his back towards me, but I was not directly behind him, so I could see the face of the man he was fighting. I watched them start sparring, but at first they were not throwing many punches, then the man standing closest to me did a super-fast move where he repeatedly slapped the other man on both sides of his face a few times. Even though he was only slapping, not punching, he clearly had the upper hand because the other man

was unable to do anything about it.

Then the other man retaliated with what appeared to be a dirty punch, because he struck with his full strength. His punch was so hard it caused the man standing closest to me to momentarily bend over and turn red in the face, but he quickly regained his composure. Then he looked at the other man and respectfully nodded his head to let him know he was ready to continue.

Then the man standing closest to me retaliated with what looked like watching a video in fast forward. I could not believe what I was seeing because he started slapping both sides of the man's face at lightning speed, way faster than anyone could really move. It was amazing! The other man could not do anything to stop the attack, so he just stood there and took it.

I was so amazed, I left the living room to go into the dining room where they were. As I walked my view was momentarily obstructed by a wall. When I entered the dining room they were no longer there, so I kept walking and found them in the kitchen. The fight was over. The other man had taken so many slaps to his face he was leaning against the kitchen counter in a daze while a couple of other men were tending to him, trying to help him recover. That was the end of the dream.”

“Then last night I dreamed I opened the doors to a small cabinet. Inside was a five digit number. Then I woke up, but in my sleepy condition I failed to write it down. Then a little later I could not recall if it was .98889 or .89889. Of course, there is a big difference!

God is very good because when I went back to sleep I had the same dream again. I went back to the same cabinet and opened the doors and confirmed the number was .98889.”

Possible Global Interpretation Below:

Dream interpretations can be multifaceted, in other words, they can have a certain meaning on a personal level and a somewhat different meaning on a collective or global level. The following is what I believe represents the global level.

‘God is in the Details’:

Did you ever hear the saying “God is in the Details”? Well, He truly is, and when dissecting into a Prophetic Dream, with prayer of course, we must make sure that we contemplate the ‘dream setting’ and the dream details. As an example, the Lord might speak to us and tell us that the two Karate fighters represent currencies and that’s fine ...now we have one piece of the puzzle. But, immediately after getting that revelation, we should do our due diligence by asking the Lord why Japanese ‘Karate fighters’ Lord? For He could have depicted the fighting scene using Brazilian ‘Jiu-Jitsu’, ‘Korean Taekwondo’, ‘Israeli Krav Maga’, ‘European Wrestling’ or ‘American Boxers’ as an example. We’ve got to remember that ‘God is in the details’ folks. He doesn’t randomly pick the details without rhyme or reason, everything is done by design.

So if the ‘Karate fighters’ represent currencies, one of the two fighters would logically represent the Japanese Yen. And the fighter “standing closest to me had his back towards me” (*closest to Mr. Bailey*), in the dream would represent the American Dollar. Just as when we play a graphic video game (Xbox etc.) and see the backside of a person (representing US as we play the game).

Now what about the Setting?

The setting began in the living room of an apartment, why not in a house? Well, as we all know, the “American Dream” has turned into an “American Nightmare”! Since the 2008 stock market crash and recession, new homeownership in America has drastically declined, especially for young people which seems to be the focus of this dream. It is the focus of the dream since “young people” make up the majority of the people that play video games and watch martial arts fighting. And since 2008, they make up the largest portion of apartment living, since they can no longer afford to purchase homes, they rent out apartments. I believe that the apartment ‘Living Room’ represents the new American generation’s “American Dream” (living in an apartment living room).

The Dining room, where Americans once socialized as a family unit over the dinner meal has all but disappeared – the dining table and all the furniture is gone it has been removed! Family meal socializing time has been replaced with infighting! Traditional family units have even all but disappeared.

The fight begins and the ‘American Dollar’ beats up on the ‘Japanese Yen’ which has already been fulfilled from late 2014 until the current time.

The Japanese Karate fighter (Japanese Yen) strikes with a “low blow” to the American Karate fighter (American Dollar)! I believe that this is scheduled to happen with the Japanese disasters (Mt Fuji mountain blowing up, the Tokyo earthquake and subsequent tsunami, followed by the worldwide stock market crash and a major devaluation of the American dollar)!

The American Karate fighter retaliating against the Japanese Karate fighter after the “low blow”, devastating the Japanese fighter and ending the fight/sparing match, represents the complete devaluation of the Japanese Yen and end of the Japanese Yen as we once knew it! Even though the American Dollar will be hurt by the low blow (30 to 50% devaluation of the dollar?) it will yet survive for a time.

Notice also that when the fight was over, the fighters moved from the dining room into the kitchen, where the Japanese fighter was being tended to by others. The kitchen represents the fact that once this trigger (the Japan

disasters) takes place and the world's stock markets crash, that food prices and food availability will start to become an issue. It also speaks of other nations and people groups (including Christian organizations) traveling to Japan to assist the nation in its time of need. One of the Chuck Johnel Youngbrandt prophecies stated that China would make an economic agreement with Japan in the "first bad year" of America (2019?). These tragedies in Japan could very well be the catalyst for this upcoming agreement.

Possible Prophetic Dream Details Interpretation:

- 1) The 'Living Room' represents the new American generation's "American Dream" (living in apartments)
- 2) The Dining room representing "Family meal socializing time has been replaced with infighting"
- 3) 2 Karate Fighters represents '2 currencies'
- 4) Karate Fighter standing closest to Mr. Bailey with his back facing him represents the 'American Dollar'
- 5) Karate Fighter furthest away from Mr. Bailey represents the 'Japanese Yen'
- 6) The 'American Dollar' beats up on the 'Japanese Yen' representing the dollar's advance against the Yen
- 7) The 'Japanese Yen' strikes the 'American Dollar' with a "low blow"! The "low blow" representing the blowing up of Mt Fuji along with the Tokyo earthquake, tsunami and subsequent worldwide stock market crash, which will drastically devalue the American Dollar!
- 8) The 'American Dollar' although greatly hurt, survives and wins the fight representing a devalued dollar currency is still being used after the crisis has passed even though the Yen has lost the fight.
- 9) The fighters moving into the kitchen represents the tragedies in Japan that lead to a worldwide stock market crash will begin to affect the cost and availability of food.
- 10) The "98889" number representing the release of the Apostles=88 and Prophets=98 after the Japanese disasters take place.

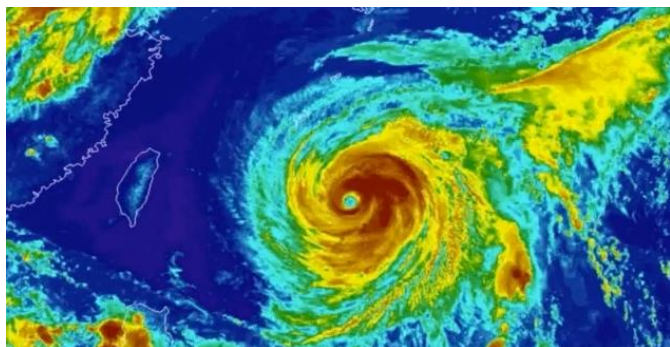

A Storm is Coming – A Storm is Here!

Hurricanes, African Saharan Desert Dust Storm, the Mars Dust Storm, (Arm, Ram, Mar=32) and the Number Element 18:

Brian Kahn's July 09, 2018 Piece – The Most Powerful Storm on Earth (Typhoon Maria) Is Bearing Down on Japan:

Super Typhoon Maria churning near the Ryukyu Islands.GIF: CIMSS

I think it's time to retire Maria as a name for any storm. The name has been wiped from the hurricane list in the Atlantic after Hurricane Maria completely upended life in the Caribbean. But it's still on the rolls in the Pacific, where Typhoon Maria is about to make life miserable.

The storm has ping-ponged between being the equivalent of a Category 4 and Category 5 storm since late last week. Maria could clip Japan's Ryukyu Islands and Taiwan before slamming into China's central coast on Wednesday, dumping heavy rains along the way. That could be a huge issue in Japan, which is already reeling from historic flooding that's left at least 109 dead and 2 million ready to evacuate.

As of Monday, Maria was spinning as a strong Category 4 storm about 300 miles from Okinawa with sustained winds of nearly 143 mph, according to the Joint Typhoon Warning Center. Gusts are even more potent, reaching an estimated 174 mph. The current buzzsaw of a storm is a far cry from where it was on Thursday, when it was just a tropical storm with winds around 70 mph.

From Thursday to Friday, the storm exploded. Warm waters and calm upper level winds allow the storm to blow up to a Category 5 monster with 160 mph winds in 24 hours. In meteorological parlance, the storm underwent rapid intensification, which weather geeks define as a storm's winds increasing 35 mph in a 24-hour period. Maria more than met the criteria.

The storm weakened a bit over the course of Friday and into Saturday before picking steam again on Sunday and reaching Category 5 status for the second time in its lifespan. From here on out, the storm is likely to hold steady and then slowly decay as it approaches land and upper level winds become more inhospitable to the storm's structure and rotation.

But even as it weakens, Maria will remain dangerous. By tomorrow evening, it's forecast to reach southern end of the Ryukyu Islands, a small archipelago on the southern edge of Japan. At that time Maria is forecast to have 130 mph winds, which are the equivalent of a strong Category 3 hurricane. Up to eight inches of rain could fall as well.

Japan is already struggling to respond to flooding throughout the central and western part of Honshu, the country's main island. Any damage in far flung parts of the Ryukyu Islands will only stretch resources further.

The storm is forecast to remain a Category 3 as it passes near the northern edge of Taiwan on Wednesday as well. Even if Maria doesn't make landfall there, it's likely to drop up to 12 inches of rain over the hilly terrain. That same terrain will also weaken the storm further, and it's forecast to be a Category 1-equivalent storm at landfall in China.

A study published in 2016 showed that typhoons hitting Asia over the past 37 years—a period of reliable satellite records—have become up to 15 percent more intense and the “proportion of storms of categories 4 and 5 having doubled or even tripled.” That change is largely driven by rapid intensification becoming more common owing to rising ocean temperatures. The research indicates that climate change will only make this trend more common for storms in the vicinity of China, Taiwan, Japan, and South Korea.

Climate change could also be playing a role in the increase in rapid intensification for hurricanes in the Atlantic basin according to other research, making coastal living an increasingly risky bet.

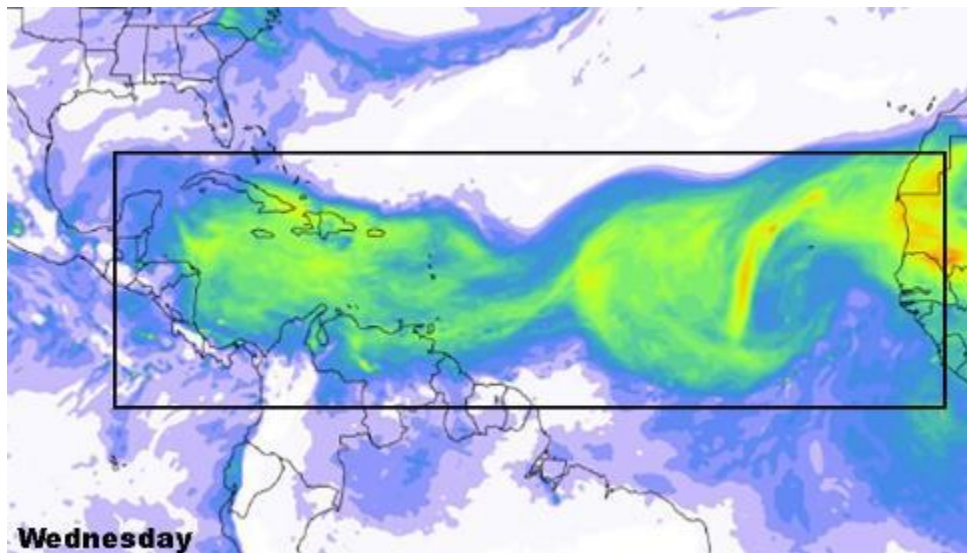

David Kenderes' June 30, 2018 Piece – A Storm is Coming (Mars Dust Storm) a Storm is Here. And a Simultaneous Saharan Dust Storm will reach the America Soon!

Mars will be the closest to the earth since 2003 during July of 2018 – The close Earth-Mars encounters are called "oppositions," because Mars is opposite the sun in Earth's sky at those times. At opposition, the Red Planet will rise as the sun sets, making Mars an all-night target for sky watchers. The year 2018 will be the year of Mars! The Red Planet will encounter deep sky objects and planets in the night sky, and it will approach close enough to Earth this summer that you will be able to see Mars' southern polar cap and largescale features on the surface even using a backyard telescope. In late July 2018, around the time Earth sweeps between Mars and the sun, Mars will outshine Jupiter by some **1.8 times**. Earth and Mars are rapidly converged till on August 27, 2003 the date of closest approach in recorded history, the two worlds were at 56 million km apart. That's a long way by Earth standards, but only a short distance on the scale of the solar system. NASA, the European Space Agency and Japan are all sending spacecraft to Mars this year. It's a good time to go. – Wikipedia

On May 30, 2018 the Mars dust storm formed. As of Thursday June 14, 2018, the dust storm (this spring season on Mars ...these storms usually don't begin until the Mars summer season) was the size of North America about the size of a quarter of the earth. It is the largest dust storm ever recorded on Mars! Those studying the storm, say it could persist for months, and that it will probably encompass the entire planet! I am beginning to believe that this Mars storm is directly related to the timing of when the “bad guys” pull off their planned disastrous (Japan and the financial crash) weekend, coming soon to a neighborhood near you.

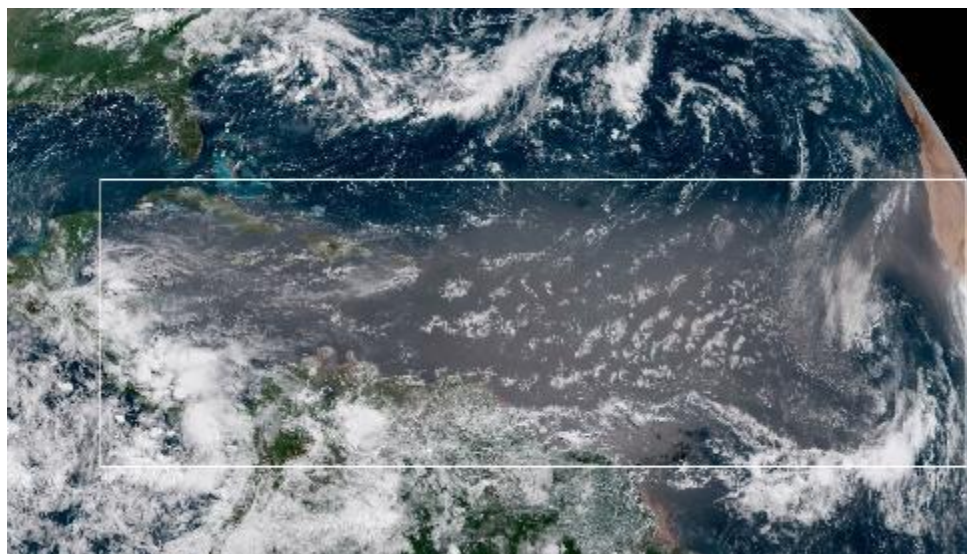

Chris Dolce's Weather.com June 27, 2018 Piece - Saharan Dust Spreading Hazy Skies across Caribbean and may Reach Texas by This Weekend:

The massive plume of Saharan dust stretched from Africa into the Caribbean on Wednesday. You can see the plume in this NASA model simulation illustrating aerosols in the atmosphere, in this case, Saharan dust.

The black box highlights the plume of dust from Africa to the Caribbean. Greater concentrations of dust are shaded green and yellow. (NASA GEOS Model Total Aerosol Optical Thickness)

Visible satellite imagery also presented a clear view of the dust plume lofted above the ocean's surface on Wednesday.

The white box highlights the dust plume as seen from space. (NOAA GOES-16 satellite)

NASA's forecast model shows the westernmost portion of the dust plume spreading across Mexico's Yucatan Peninsula and into coastal Texas late this week into the weekend. An east to southeast wind flow near the earth's surface will help to launch this batch of dust in the general direction of south Texas. That's about a 5,000-mile-long journey.

Signs in the Moon and the Stars:

David Kenderes' July 05, 2018 Piece – The Longest Lunar Eclipse in a Century. Mars closest to the Earth on July 27, with the Red Moon in Opposition and what might it all Symbolize and Represent?

This Piece is still in the Works - sorry:

The longest lunar eclipse of the century is scheduled to happen on July 27, 2018. This lunar eclipse will be viewable for 1 hour and 43 minutes.

Luke 21:25

“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;”

Psalms 89:37:

“It shall be established for ever as the moon, and as a faithful witness in heaven. Selah.”

Psalms 8:3:

“When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained;”

Acts 2:20:

“The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come:”

Isaiah 30:26:

“Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of seven days, in the day that the LORD bindeth up the breach of his people, and healeth the stroke of their wound.”

Joel 2:31

“The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come.”

Genesis 1:14

“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:”

Revelation 6:12

“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;”

Amos 5:8:

“Seek him that maketh the seven stars and Orion, and turneth the shadow of death into the morning, and maketh the day dark with night: that calleth for the waters of the sea, and poureth them out upon the face of the earth: The LORD is his name:”

Joel 2:10:

“The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining:”

Sebastian Kettley's June 29, 2018 Piece – Eclipse 2018: Why do Christians fear the July Blood Moon? Is it the end of the world?

DOOMSDAY prophets and Christian preachers predict the July Blood Moon total lunar eclipse is a heavenly sign from above suggesting the end of the world is imminent.

By SEBASTIAN KETTLEY PUBLISHED: 15:10, Fri, Jun 29, 2018 | UPDATED: 15:23, Fri, Jun 29, 2018

Next month, on the night of Friday, July 27, the full moon will disappear into Earth's shadow and reemerge as the red Blood Moon.

Scores of Christian conspiracy theorists who follow the moon's movement have interpreted this event as a fulfilment of Biblical prophecy.

End time preachers point towards the Book of Revelations which speaks of the moon turning into blood when earthquakes shake the earth and the sun turns black.

Conspiracists at the Endtime Ministries claim the moon will turn red before the "great and terrible day of the Lord".

Preacher Irvin Baxter said: "God has at times used stars and used the heavens to indicate things to mankind.

"Now let's talk about the prophecy of the moon being turned into blood.

"Joel 2:30 says in the end time: 'And I will show wonders in the heavens and in the earth, blood and fire, and pillars of smoke.

"The sun shall be turned into darkness, and the moon into blood, before the day of the Lord come."

Eclipse 2018: Some Christian preachers claim the Bible foretold the July Blood Moon

The same biblical passages were cited by popular preacher Pastor Paul Begley, who targets online audiences on YouTube.

Keep an eye on Biblical prophecy because we're living in the last days

Pastor Paul Begley

According to Pastor Begley, we are already in the end times and are now waiting for the return of the messiah.

He said in his latest Blood Moon prophecy update: “These Blood Moons always happen on significant days of prophecy.

“And if you study the Blood Moons of 2014 and 2015 – the four Blood Moons Pastor Mark Biltz and Pastor John Hagee made everyone aware of back in 2014, in 2015 – they happened on the Feast of Passover and on the Feast of Tabernacle.

“Sandwiched in between there what happened? A war broke out in Israel and many other events.

The Chilling Blood Moon Friday, February 10, 2017

Pictures from around the world of rare astronomical event. The blood moon rises as supermoon and lunar eclipse combine.

“What’s happening now? Well the Blue Blood Moon in January was showing us that something was going to happen with Jerusalem and with Israel on its 70th year.

“But what is this Blood Moon saying? Is this the sign that a peace agreement going to happen? The Covenant of Many?

“Or is it telling us a brutal war will happen in the Middle East?”

"We don't know yet, that's why you watch these signs in the heavens, you watch these signs of what's going on Earth and you keep an eye on Biblical prophecy because we're living in the last days."

Eclipse 2018: A number of passages in the Bible mention the moon turning red in the end times

Pastor Begley added he believes “something Biblical” is about to happen before the second coming of Jesus Christ.

However, most Christian theologians will agree the Bible does not specify the time or day of the end of the world.

And astronomers will further stress the Blood Moon eclipse is a common astronomical occurrence which happens at least twice a year on average.

During the July 27 eclipse the moon will pass through Earth's shadow cast by the sun and change color due to refracted sunlight in the atmosphere.

Bola Adelani's July 19, 2018 Prophetic Word – Blood Moon Prophecy (Video Transcript):

Video Transcript starting from the 9:10 mark: “The week of July 21 to 28 is the most historic week of the century. Did you hear what I said? Listen to me, I want to bring you the prophetic implication. I want to bring you the prophetic meaning of the week of July 21 to 28, when we are expecting a lunar eclipse okay, on the 27th to 28th. So that week is a week of duality. It is a week of supernatural manifestations. It is a bloody week. It is one of the most historic weeks of the century, of the century! Did you hear what I said? Of the Century!!! ...now, the other major, major historic manifestation that is going to occur during that week is that the eclipse occurs on the same day the planet Mars reaches its opposition when it will shine at its best in the night sky. Opposition is when the earth lies between Mars and the Sun, making the Sun and Mars appear in opposite directions as viewed from the earth. This lunar eclipse is going to occur when Mars is the closest to the earth since 2003. ...this lunar eclipse is also the longest of the century. So you see in two ways, how this is a very prophetic week, how this is a very historic week. This is a week of what I call supernatural manifestations.

Now let me tell you the prophetic implications. Starting with double, double that duality, okay, I've been shouting it forever, that we're in a prophetic season of duality. So I've saying that since March, April okay, so we are in a season of duality. So we are also in the duality in the prophetic in this sign as well. So what are the prophetic implications of this?

Number one: Get ready for spiritual warfare and contention. If you go and study what the lunar eclipse is it's all about the blood moon and also when Mars is closest to the earth. It talks about opposition, in where the Sun is blocked by the Earth, so that the moon is not able to receive the fullness of the light that sun provides. So that week is a prophetic sign of what is going on in the heavenlies. ...It will a week of spiritual opposition and contention between the kingdom of darkness and the kingdom of light. So get ready people of God for spiritual warfare and for contention. ...Number Two: Get ready for increased demonic activity. It also means an increase in angelic activity. ...so we are going to see spiritual attacks and spiritual breakthroughs.

It is also going to be characterized by divine judgment, because anytime there is warfare, you know bloodshed is always a consequence. There's always bloodshed, it's always bloody. So get ready, it's going to be a bloody week. It's going to be a bloody week! Because there is always causalities of war. **Especially those in Africa and Asia, they should watch out! Because according to the meteorologists Africa and Asia are really going to see and experience this blood moon in its fullest. And I am also picking up the Middle East, the Middle East I'm seeing major bloodshed and fighting and war and bloodshed in the Middle East that week.** ...On the positive side it is going to be a week of mighty, mighty, historic, historic, miraculous, supernatural breakthroughs, manifestations and deliverances!!! ...The remnant church, the true bride of God, this is the most jolly of the month of July jolliness!")

David Kenderes's Ongoing Piece – The Relationship between the Number “18” and Mars:

(Since America/the World will not do a 180 degree Spiritual Reversal – Judgment Comes)

David Doughty's May 31, 2016 Prophetic Dream – It's too late to Perform a 180 Degree Turn:

“On the morning of May 31, 2016, I dreamed my wife and I were driving on a highway that had two lanes in each direction separated by a median. It was cloudy, but my eyes were drawn to a patch of absolute blackness amid the gray. Then I realized it was a tornado. A huge, massive, twisting black tornado that suddenly dominated the whole sky. **I thought about driving into the median and doing a 180 degree turn, but I knew no matter where I turned, the storm was coming!**”

I awoke, knowing this was a message from the LORD. I prayed for understanding. The Holy Spirit revealed this dream is for our nation, the United States of America, letting us know it is now too late to do a 180. It doesn't matter what direction we head; destruction is headed our way. We can't escape it.

“I WILL NOT RELENT,” the LORD spoke to me as I lay in bed. The Holy Spirit directed me to look in the Book of Ezekiel.

In chapter 24, Ezekiel was told to mark the day; when Babylon laid siege to Jerusalem. At the time, Ezekiel wasn't in Jerusalem but in Chaldean captivity. Previously, God had given them this warning to repent: “Repent and turn from your transgressions, lest iniquity be your ruin. Cast away from you all of the transgressions you have committed, and make yourselves a new heart and spirit! Why will you die, O house of Israel? For I have no pleasure in the death of anyone, declares the LORD God, so turn and live.” (Ezekiel 18:30-32)

Yet on this day to be marked, God spoke with a different message:

“On account of your unclean lewdness, because I would have cleansed you and you were not cleansed from your uncleanness, you shall not be cleansed anymore till I have satisfied my fury upon you. I am the LORD; I have spoken. It shall come to pass. I will do it. I will not go back. I will not spare; I will not relent; according to your ways and your deeds you will be judged,” declares the LORD God. (Ezekiel 24:13-14)

From my other dreams and visions, I've seen the disaster that awaits America if we don't repent. Our great cities will burn. I had hoped and prayed a great revival would sweep through our land, and we would turn from our wicked ways and return to God. Only now, the terrible black storm is about to hit us. It is too late. The LORD will not relent from the judgment He has promised because we have not repented. We shall reap what we have sown.”

Some of the Rules of Gematria (we will be using the Standard Conversion form of English Gematria):

A zero by design is a number which has no beginning and has no end, it is a continuous loop, it is eternal! In Gematria, (Christian numerology) the number “0” is pretty much a placeholder number, and represents a state of limbo, a state of trial or testing. It represents a continuous loop of “testing”. The testing “0's” never end, but for us humans, we merely pass in and out of the testing, which allows our individual test and trials to end. Notice that the track is always there, it is the cars (cars are symbolic of humans) that move

in and out of the oval loop not vice versa.

To my fellow codebreakers, that take exception to this pronouncement, and state that I have no right to remove inner zero's from within Gematria sums... stating that I have no right breaking this long standing rule and tradition, I ask, who originally gave the right to the creation of the long standing rule in the first place? I also

suggest that we all let the evidence speak for itself! The problem with many codefinders today, is that they have little to no “investigative imagination”. They stay with the tried and true and are afraid to venture out into unknown territories. It is imperative that we understand the importance of having the freedom to be able to drop the zeros from the end of and within the contents of a word’s number.

I am not trying to downplay the significance of the number “0” for all numerical integers including “zero” have significance, but I also want to emphasize that the number “0” in Gematria, can be thought of as merely a placeholder/s and dropped from the word or phrase sum, as I will illustrate below. Let’s move on.

Also, within Gematria, duplicate or multiple appearances of the same number does not change the value or meaning of the number. When using Gematria, we do not add or subtract word numerical values (go to other code systems for that). An example of this is the number “4” (using the standard conversion (A=1, B=2, C=3... Z=26) form of English Gematria) equals faith (faith=44 (4)). One could also solve the numerical value of a large group of words (like in a sentence or paragraph) and come up with a total of (4444 (4)) and it would still represent the meaning of “faith”.

Genesis 4:25 (KJV):

“And our father said, Go again, and buy us a little food”.=444 (4)

Faith Test:

Faith “4” Test “0...” (Sometimes people pass the test, sometimes people fail and sometimes they pass only to fail): Now if “0”s follow the “4” as in “40” or “400” days or years, it simply represents faith testing for “40” or “400” days or years. God destroyed the earth with flood, by causing it to rain on the earth for 40 days and 40 nights (Genesis 7:12). Per the law, the maximum number of lashes that a man could receive for his crime, was 40 (Deuteronomy 25:3). Moses was on Mount Sinai for 40 days and 40 nights (Deuteronomy 25:3). Goliath taunted Saul’s army for 40 days before David slayed him with a slingshot (1 Samuel 17:16). Moses was on Mount Sinai receiving the 10 commandments for 40 days and 40 nights (Exodus 24:18). Moses interceded for the Israelites in Egypt for 40 days and 40 nights (Deuteronomy 9:18, 25). After fleeing from Jezebel, Elijah traveled for 40 days and 40 nights to reach Mt. Horeb (1 Kings 19:8). Jesus fasted and was tempted by Satan in the wilderness for 40 days and 40 nights (Matthew 4:2). Jonah cried out to Nineveh that in 40 days it would be destroyed (Jonah 3:4). The time period between Jesus’ resurrection and ascension was 40 days (Acts 1:3). Moses fled to Midian after killing an Egyptian, where he spent 40 years in the desert managing flocks (Acts 7:30). The 12 Israeli spies, spied out the land of Canaan for 40 days (Numbers 13:25). The Israelites wandered for 40 years in the wilderness before going into the Promised Land (Deuteronomy 8:2-5). Israel served the Philistines for 40 years before Samson’s delivery (Judges 13:1). Israel was afflicted in the land of Egypt for 400 years (Genesis 15:13, Acts 7:6, Exodus 12:40–41, Galatians 3:16–17). Israel was without a prophet for 400 years (the years between the Old and New Testaments – “the years of silence”) before the coming of John the Baptist (Malachi 4:5-6). I hope this makes sense? So let’s move on.

A Closer Look at “18” and “81”:

On a side note, I find it interesting that the numbers eighty one=108 (18) and one eighty=180 (18) both equal “18” and that one hundred eighteen=181. Now in the rules of Gematria, like number elements (“1” and “8”) which make up the number “18”, can be arranged in any order without changing the meaning of number. In other words, “18” (within the Gematria Code) have the same meaning, as do the words with a letter sum of “81” and thus they will have the same basic meanings. Let me try to explain this using a ‘mixing paint’ analogy. Think of the number “1” representing one color of paint, while the number “8” represents another color of paint. When mixing two equal parts of the two colors of paint into an empty container, we will always get the same results an unvarying third color. It doesn’t matter which of the two colors (the “1” or the “8”) is added to the empty container first to achieve the unvarying third color, as long as we add equal amounts of the second color to the mix as well.

First Color “1” + Second Color “8” = Third Color (18, 81, 1188, 8811, 11181888, etc).

But, to better understand the meaning of the numbers “18” and “81” in Gematria, we need to also break down the two numbers into their individual number elements “1” and “8” and look at those meanings first. Well “1” is the number of “beginnings” and “8” is the number of “rebirth” (*new beginnings*).

Beginnings=100 (1) “beginnings”, “test”, “test” of beginnings

Rebirth=80 (8) “rebirth”, “test” of some event or something

The Number Elements of “1” and “8”:

Beginnings=100 (1): Genesis is the first book of the Bible and it is filled with “beginnings”, such as the first man, the first woman, the first marriage, the first child, the first death, etc, etc... As we all know, all of these “beginnings” in life, are followed by double testing (“00”), ha, ha.

Some number “1”s:

Beginnings=100 (1) “beginnings”, “test”, “test” of beginnings

Hospital=100 (1) “beginnings”, “test”, “test” of medical treatment

Ointment=110 (1) “beginnings”, “beginnings”, “test” of soothing relief

Plummet=100 (1) “beginnings”, “test”, “test” of a fall

Financial fall=100 (1) “beginnings”, “test”, “test” of financial hardship

Rebirth=80 (8)

Rebirth=80 (8): The number “8” is an infinity sign rotated vertically. It is an endless double loop, the design often used in toy race car track setups. “Eight” is found in the KJV version of the Bible 80 (8) times (74 O/T, 6 N/T)). A piano has “88” keys and seven full octaves. It takes “8” minutes for the sun’s rays to reach (at 186,000 miles per second) the earth.

$$9 \times 9 + 7 = 88$$

$$98 \times 9 + 6 = 888$$

$$987 \times 9 + 5 = 8888$$

$$9876 \times 9 + 4 = 88888$$

$$98765 \times 9 + 3 = 888888$$

$$987654 \times 9 + 2 = 8888888$$

$$9876543 \times 9 + 1 = 88888888$$

$$98765432 \times 9 + 0 = 888888888$$

After Jesus rose from the grave, He made “8” separate appearances to people:

- 1: To Mary Magdalene in the garden (Mark 16:9-11).
 - 2: He appeared before two disciples traveling on the road to Emmaus (Luke 24).
 - 3: He appeared to all the disciples except for Thomas (John 20:19-24).
 - 4: One week later He appeared to all them including Thomas (John 20:26-29).
 - 5: According to the writings of the Paul, Jesus was seen by 500 believers at one time (1Corinthians 15:4-7).
 - 6: Jesus also met his disciples at the appointed place in Galilee (Matthew 28:16-17)
 - 7: and on Galilee's shores (John 21:1-24).
- “8”: Then lastly, on the Mount of Olives as He ascended to heaven (Acts 1).

The “8 Ball” is a ball that supposes to predict the future (the “rebirth” of one’s future days). The weather channel “rebirth’s” ‘it’s local on the 8’s’ (TV weather forecasts) every “8” minutes. There were “8” gates in ancient Babylon (the United States is a type of (Twice Speak Code) Babylon) and the eighth gate was named Ishtar (the goddess of fertility), where our modern day pagan holiday of Easter derived from. That’s why people celebrate Easter with candy bunnies and chicks, because these animals are very prolific “rebirth’ers”! The New Testament (the “rebirth” covenant) was penned by “8” men (Matthew, Mark, Luke, John, James, Peter, Jude, Paul). A week has 7 days (Sunday – Saturday) and then the eighth (“8”) is actually the rebirth of the first day (Sunday) of the last week. Jewish circumcision is performed on the day “8”. Circumcision was an outward cutting of the foreskin, which represented the inward cutting or “rebirth” of the heart. There were “8” people on Noah’s Ark, the ship that gave “rebirth” to all of humanity.

Genesis 7:10 (KJV):

“And it came to pass after seven days, that the waters of the flood were upon the earth.” =888. end of death, “rebirth” to all of humanity

The Numbers “18/81”:

A cubit, the unit of length used in the Bible’s Old Testament, was measured from the tip of a man's middle finger to the point on a man’s elbow. A cubit is roughly “18” inches in length.

The meanings of words with the Gematria numerical values of “1” and “8” are very similar. They have meanings of some type of “beginnings” or “rebirth”. In fact the word “beginning” has a Gematria numerical value that shares both (“1” and “8”) number elements: Beginning=81. Basically the number “18/81” represents eminent beginnings=180 (18). Beginnings that are coming immediately, just around the corner, even at the door, so to speak. A reversal in status or direction of a person, people, city, state, nation or the world. The beginning of a king’s rule, the beginning of king’s rule – the birth of a kingdom or nation; the beginning or ending of bondage for a nation. It could also represent a person being healed of an ailment, one buying a new

car, inheriting wealth, losing all of their wealth, going into sin, becoming rebellious, or even experiencing a “born again” conversion.

Some of the Number “Eighteen’s” Found in the Bible:

Judges 3:14 (KJV):

“So the children of Israel served Eglon the king of Moab **eighteen years**.” “eminent beginnings” of release from bondage

Judges 10:8 (KJV):

“And that year they vexed and oppressed the children of Israel: **eighteen years**, all the children of Israel that were on the other side Jordan in the land of the Amorites, which is in Gilead.” “eminent beginnings” of release from bondage

Judges 20:25 (KJV):

“And Benjamin went forth against them out of Gibeah the second day, and destroyed down to the ground of the children of Israel again **eighteen thousand (18,000) men**; all these drew the sword.” “eminent beginnings” of “test”, “test”, “test”

Judges 20:44 (KJV):

Revelation 3:3 (KJV):

“Remember therefore how thou hast received and heard, and hold fast, and repent. If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee.=1818” end of lukewarmness “eminent beginnings”, of a decision (to become hot or cold)

Now in the scope of this Jubilee Year, could the number “**18**” be indicating that the United States and the entire world for that matter, is about to embark into a new era? A second “Great Depression” and the “Great ‘end-times’ Revival”? A time where most of the wealthy will lose their wealth? A time when the persecuted ‘true believers’ and the Joseph’s will be released from their prisons; many of which will gain untold wealth, to use for the kingdom? A time when the captives are set free and the free become bound? A time where untold millions will accept the Lord as Savior? I believe to the Glory of the Lord=180 (18), that it is that time!

The Bad Guys Create Chaos... ..but the Lord redeems!

Revelation 18:1-18 (KJV):

18:1 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

2 And he cried mightily with a strong voice, saying, Babylon (*United States in the Twice Speak Code*) the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

5 For her sins have reached unto heaven, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.

7 How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.

18:8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

9 And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,

10 Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! for in one hour is thy judgment come.

18:11 And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

12 The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

13 And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

14 And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.

15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,

16 And saying, Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

17 For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18:18 And cried when they saw the smoke of her burning, saying, What city is like unto this great city!

But God Restores Peace of Heart to Those He Loves...

Psalm 118 (KJV):

118:1 O give thanks unto the Lord; for he is good: because his mercy endureth for ever.

2 Let Israel now say, that his mercy endureth for ever.

3 Let the house of Aaron now say, that his mercy endureth for ever.

4 Let them now that fear the Lord say, that his mercy endureth for ever.

5 I called upon the Lord in distress: the Lord answered me, and set me in a large place.

6 The Lord is on my side; I will not fear: what can man do unto me?

7 The Lord taketh my part with them that help me: therefore shall I see my desire upon them that hate me.
118:8 It is better to trust in the Lord than to put confidence in man.
 9 It is better to trust in the Lord than to put confidence in princes.
 10 All nations compassed me about: but in the name of the Lord will I destroy them.
 11 They compassed me about; yea, they compassed me about: but in the name of the Lord I will destroy them.
 12 They compassed me about like bees: they are quenched as the fire of thorns: for in the name of the Lord I will destroy them.
 13 Thou hast thrust sore at me that I might fall: but the Lord helped me.
 14 The Lord is my strength and song, and is become my salvation.
 15 The voice of rejoicing and salvation is in the tabernacles of the righteous: the right hand of the Lord doeth valiantly.
 16 The right hand of the Lord is exalted: the right hand of the Lord doeth valiantly.
 17 I shall not die, but live, and declare the works of the Lord.
118:18 The Lord hath chastened me sore: but he hath not given me over unto death.
 19 Open to me the gates of righteousness: I will go into them, and I will praise the Lord:
 20 This gate of the Lord, into which the righteous shall enter.
 21 I will praise thee: for thou hast heard me, and art become my salvation.
 22 The stone which the builders refused is become the head stone of the corner.
 23 This is the Lord's doing; it is marvellous in our eyes.
 24 This is the day which the Lord hath made; we will rejoice and be glad in it.
 25 Save now, I beseech thee, O Lord: O Lord, I beseech thee, send now prosperity.
 26 Blessed be he that cometh in the name of the Lord: we have blessed you out of the house of the Lord.
 27 God is the Lord, which hath shewed us light: bind the sacrifice with cords, even unto the horns of the altar.
 28 Thou art my God, and I will praise thee: thou art my God, I will exalt thee.
 29 O give thanks unto the Lord; for he is good: for his mercy endureth for ever.

Numbers “18” & “81” in this Jubilee Year?

(1 Tishri 5778 (21 September 2017) – 29 Elul 5778 (09 September 2018)):

Is it possible that the Gematria words and phrases with “88”, “18” and “81”’s in their numerical sums, are trying to tell us something about the day and age that we are currently living in? And more specifically, could they be screaming out through the heavens to us in axiomatic code language in this Jubilee Year, that a major birthing is about to take place in the coming “Midnight” hour, via the Japanese disasters and the worldwide stock market crash? I believe that the answer is emphatically yes, yes, yes!!! But only time will tell us for sure.

Coincidental?

Is it a coincidence that the word “coincidence” isn’t a word in the Hebrew language? Was it a coincidence or was it God ordained? If we say it was God ordained that it isn’t in the Hebrew language, than we must also say that the word “coincidence” does not belong in the English language as well, right? So if we claim that coincidence is not a God ordained word, then we must believe that it is not a God ordained activity either, which means that there is no such thing as a coincidence, and that all occurrences have some meaning ...to one extent or another. So let’s look at some non-“~~coincidental~~” (“1”, “8”, “81” and “18”) sports and other occurrences leading up to and into the Jubilee Year to see if it isn’t in fact the “**eminent beginnings**” of a new era ...an era of role reversals (of those which are in captivity and those that are free), an era of the second “Great Depression” and the “Great end-times Revival”!

The DJIA stock market has recently surpassed the 18,000 mark and is inching up to that number once more! ...there’s that number “18” again! Also, I have watching the latest, active 188-day (there’s that number “18” once more) earthquake cycle arrays and they seem to be indicating some big quakes (probably 6.0 or larger) on, or on either side of all of the following 2016 dates: May 30, June 9, June 14. The big 9.0 plus earthquake that I am expecting to strike Japan, doesn’t have to, but could very well land on one of these dates, with May 30th and June 14th being the most likely 188-day cycle array dates. Once again, if you are currently living in the

Tokyo area or know someone that is, please be mindful of these dates and be prepared to leave the area on short notice. If you see or hear reports of Mt Fuji emitting smoke or ash, get out of town! If at all possible please try to avoid the region on the aforementioned dates, especially on May 30th and June 14th.

David Kenderes' August 2016 Event Code and Prophetic Word – Odometer Reads “81818.8”:

I woke one morning in early August? With a simple Prophetic Word in my mind telling to watch for the number “**18**”. Last night, a few days after receiving the Prophetic Word, I happened to look up at my work vehicle’s odometer and to my amazement saw the number **81818.8** (miles). To me, this odometer reading was confirmation that something is definitely coming!

From Brian Carn’s Website:

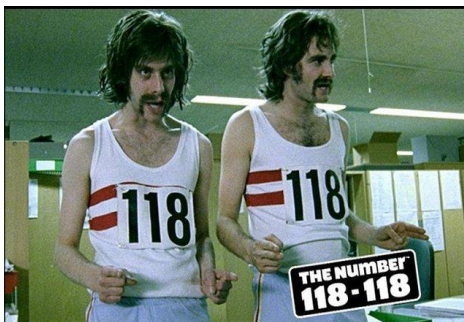

Brian’s December 2017 Prophecy: “A fair well to a certain famous leader.”

A prophetic quote from Brian Carn’s website (<http://briancarn.com/prophecy/>) “25. The Prophet also mentioned in a different day that the Holy Ghost revealed to him that many stars were going to die this year. The Holy Ghost told him the number **18** but did not reveal to him what it means.” “In a different message the Prophet mentioned that **a major shift in the atmosphere will occur in the month of April**, it would be as if there was a “change of guard” in the spiritual realm. **He also prophesied of the biggest earthquake.**”

The DJIA stock market has recently surpassed the 18,000 mark! ...there’s that number “18” again! Also, I have watching the active 188-day (there’s that number “18” once more) earthquake cycle arrays and they seem to be indicating some big quakes (probably 6.0 or larger) on, or on either side of all of the following 2016 dates: April 25, May 01, May 10, May 17, May 23, May 30, June 09 and June 14. The big 9.0 plus earthquake that I am expecting to strike Japan, could very well land on one of these dates. My research seems to be telling me that the April 25th and May 1st dates are the most likely occurrence dates for that event.

“This Is Money Reporter’s” April 03, 2014 Piece - Directory enquiry firm “118 118” has been fined £80,000 for failing to Display its Charges clearly in adverts:

“The company - famous for its long-running adverts featuring runners with retro haircuts and moustaches - was told to improve its pricing information after an investigation by regulator PhonepayPlus showed it was hard for customers to find information about charges.

A call to **118 118** costs £3.58 for the first minute and £1.99 for each subsequent minute, charged by the second, plus any network charges. But customers could not easily find out the pricing information from online adverts and ads on the side of buses, the regulator found. PhonepayPlus has told all 118 directories to improve their pricing information as a result of the investigation, which found many customers have suffered 'bill shock' as a result of unexpected charges. The regulator said most of the 118 directories charge a connection fee of between 50p and £4 and then up to £5 for every minute on the line.”

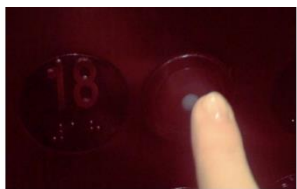

Disaster Comes on the Number 18:

After landing on the helicopter pad in the movie Jurassic Park, the crew gets into a Jurassic Park jeep with the number **18** on it. Jurassic Park scientist Nedry was hired to steal dinosaur embryos for InGen's rival corporation BioSyn. He was given a barbasol shaving cream can and he told the middleman that he had an **18** minute window to get the job done.

Mission Impossible 'Ghost Protocol' movie: The meeting place exiting the elevator floor 108, meet in room 118.

Mission Impossible 'Rogue Nation' movie: The meeting place in room 81.

And how about Taylor Swift, back on Monday August 4, 2014 she uploaded a cryptic video: from an elevator, in which she's shown pressing the button for the **18th** floor and she hit the button six times!

AMC's The 'Walking Dead' season 2 episode 10 was entitled: "**18 Miles Out**". And the March 13, 2016 season 6 episode 13 show entitled "The Same Boat", had its character Carol draw a circle around a large number "**18**" (her kill count) written on page of her journal notebook. The camera closed in with a close-up shot of the number. It was supposed to represent the number of living people that Carol had killed to that point in time. What are "they" trying to tell us folks???

A new 2017 TV series “Hunted” depicts “**18**” ordinary people depicted as fugitives on the run from highly skilled investigators. The people are paired up and use their wits to evade capture for 28 days in a 100,000 square mile region in the southeastern part of the United States. The winners will win a grand prize of \$250,000. My question is why did they pick “**18**” people rather than 10 or 20? Why the random number of “**18**”?

Indian Cricket Star Virat Kohli's wears the Number 18 on his Jersey: Virat Kohli's father died on **18** December 2006. At the time of his father's death, Kohli was only **18** years old and was playing first class cricket match for Delhi in Delhi. So Virat began to wear a jersey with the number **18** and continues to wear the number in international cricket today. In 2014, he became the top-ranked T20I batsman in the ICC rankings and holds the position, as of August 2016.

Poor Anderson Varejao # “17” or “18”? Change Coming to Cleveland: Anderson Varejao who played for the Cleveland Cavaliers in the 2014/2015 NBA championship against the Golden State Warriors, displayed the number “17” on his jersey in a losing cause to the champion Golden State Warriors. But very interesting to me, is the fact that Cleveland has since traded the Brazilian center to Golden State and his number has subsequently been changed to “**18**”. By the way, the same 2 teams are expected to meet again at this year's 2015/2016 NBA Championship. The Cavaliers won the in the 2015/2016 NBA Championship.

The Chicago Blackhawks win the 2015 Stanley Cup Title: Marian Hossa number “**81**” was given his third championship ring after helping the Chicago Blackhawks win the Stanley Cup for the third time since 2010, defeating the Tampa Bay Lightning 2-0 in Game 6. The forward's credentials are enough to earn him the distinction as one of the greatest players ever to play for the Chicago!

2015 Triple Crown winner ‘American Pharoah’ wins the Kentucky Derby: American Pharoah (*do you see the connection with the Joseph's and bondage/freedom, the 2 cows with the 7's on their foreheads and the beginning of the 7-year famine?*) won the 2015 Triple Crown while wearing the number “**18**” on his side. People these events were not ~~coincidental~~! American Pharoah won the Belmont Stakes on June 6, becoming the 12th Triple Crown winner and the first

since 1978, ending a "drought" of 37 years.

Kyle Busch wins the 2015 NASCAR Sprint Cup Series title: Kyle Busch won the 2015 NASCAR Sprint Cup Series title in his green number “**18**” race car!
Jimmie Johnson #48 wins the 2016 Sprint Cup championship

The New England Patriots won the 2015 Super Bowl 49 Championship: Patriots 28, Seahawks 24. The most valuable player was (MVP) quarterback #**12** Tom Brady. Russell Wilson #3 of the Seattle Seahawks looks on after his pass is intercepted by Malcolm Butler #**21** of the New England Patriots late in the fourth quarter to end the game.

Peyton Manning & Denver Broncos won the 2016 Super Bowl 50 Championship: Denver Broncos, Carolina Panthers, 24-10. In his **18th** and last season, the Denver Broncos quarterback number "**18**" Peyton Manning led the Broncos in the 2016 Super Bowl championship title!

IMDb Synopsis for the 1999 Movie “The Matrix”:

A phone rings and text appears on the screen: "Call trans opt: received. 2-19-98 **13:24:18** REC: Log> “At a rave bar **Neo (Neocons)** stands alone and aloof as the group he's with continue partying. Trinity approaches him and introduces herself. Neo recognizes her name; she was a famous hacker and had cracked the IRS database. She tells him that he is in great danger, that they are watching him and that she knows that he is searching for answers, particularly to the most important question of all: what is the Matrix? The pulsing music of the bar gives way to the repetitious blare of Neo's alarm clock; it's 9:**18** and he's late for work... ... Trinity takes Neo to Morpheus. Morpheus explains that he's been searching for Neo his entire life and asks if Neo feels like "Alice in Wonderland, falling down the rabbit hole." He explains to Neo that they exist in the Matrix, a false reality that has been constructed for humans to hide the truth. The truth is that everyone in the world is a slave, born into bondage. Morpheus holds out two pills. In his left palm is a **blue (Democrat “Liberal Progressives” Party) pill**. If Neo takes it he will wake up in his bed and "believe whatever you want to believe." But if he takes the **red (Republican “Warmonger Rhinos” Party) pill** in Morpheus's right hand, then "you stay in **Wonderland** and I show you how deep the rabbit hole goes." Neo takes the **red** pill.” What the movie doesn't tell us, is that there is a third pill, the gold (God) pill!

CIA Releases 13 Million Pages Of Declassified Documents: on January 18, 2017:

The Central Intelligence Agency (CIA) has published nearly 13 million pages of declassified files online (see their website), on January **18**, 2017. These documents which previously were physically accessible only from four computer terminals at the National Archives in College Park, Maryland, include Psychic Experiments, UFO revelations and much more. **Why did “they” pick the date of “18” to release these documents?**

New England Patriots defeat Atlanta Falcons 38 to 35 in Super bowl (51) 2017 on Feb 05, 2017:

It was the greatest comeback in Super bowl history. Patriots were down 28-9 at halftime and lose 38 to 35. Notice the time stamp on the countdown below. Why oh why, pray tell me why did “they” pick the time stamp of “118:08:31:39” ...why “18” (number elements “1” and “8”)? There is a possibility that all of the numbers in the above string have some sort of significance (dates or a time, or time cycles etc), but the numbers “1” and “8” definitely rings loud and clear. The casual viewer probably doesn’t even observe the numbers in the picture, because their eyes our directed to attractive cheerleaders instead! The “bad guys” feel compelled or required to reveal “their” plans (codes and numbers), even though “they” do “their” best to obscure or hide them!

How about another Super Bowl 2017 countdown clock (see below)? Notice again, the “118” ...why “1” and “8” (“118, 8, 17, 26”) ...why “18” (number elements “1” and “8”)? By the way, these are the only two Super Bowl 2017 time stamp images on the Internet as of March 08, 2017 and **both** have “118” in them! If new images show up in the future with different numbers on them, they will have been added after the fact!

Close Call “1” and “8”s:

We just saw (above) the number “18” in regards to the super bowl, but what about the actual game itself? Now I can just hear it already, people asking me why the this year’s Most Valuable Player (MVP), who happened to be the Patriots quarterback Tom Brady, didn’t sport the number elements “1” and/or “8” on his jersey? Before you send me an email, give me a chance to explain.

The Falcons led the Patriots at the beginning of the fourth quarter 28 to 9, before mounting a phenomenal comeback! Had the Falcons won the game, it was looking as though either WR Taylor Gabriel “18” or TE Austin Hooper “81” would have won the MVP award, instead quarterback

#12 Tom Brady receives the award.

180 U.K. troops sent to city where ex-Russian spy Sergei Skripal was poisoned

by ASSOCIATED PRESS

LONDON — Britain is sending **180** troops to the city where a Russian double agent was poisoned with a nerve agent, officials announced Friday.

Chemical weapons experts were involved in the investigation, a spokesperson from Britain's Defense Ministry told NBC News.

London's Metropolitan Police said in a statement that it had requested assistance from the military to remove a number of vehicles and objects from the site of the attack in Salisbury that left former spy Sergei Skripal, 66, and his 33-year-old daughter Yulia in critical condition.

The military was asked to help as they have "the necessary capability and expertise."

What are “they” trying to tell us folks? Is there a connection between the number “18”, “Mars” and the coming events (Japan disasters and worldwide stock market crash)? During the spring and summer of 2016 the planet mars reaches its closest proximity to earth since 2005. The next 5-planet (Mercury, Venus, Mars, Jupiter and Saturn) alignment will occur in August 2016 (August 13 to 19). Will these events happen during this timeframe? I don’t know folks, time will tell.

A Martian year is equal to 1.8809 Earth years. In the current Martian year, spring began on June 18, 2015 summer began on January 03, 2016, fall began on July 04, 2016 and winter begins on November 28, 2016.

Ellsworth Boyce’s November 28, 2012 Piece - NJ Based Mars Inc. Honored in Las Vegas by NASCAR - “Mars and 18” Connection?

“The M&M'S sponsorship is easily among the most well recognized in the sport of NASCAR. The combination of the colorful paint schemes on the Joe Gibbs Racing number 18 Toyota, and the ever-charging style of it's driver Kyle Busch allows the brand to garner a great deal of the television time which sponsors covet. However, Mars Incorporated, who produce the M&M'S products, take their NASCAR involvement to an even higher level with numerous promotions throughout the year, which have not only garnered them higher sales, but an

award from NASCAR itself.

The New Jersey based company will be honored with a 2012 NASCAR Marketing Achievement Award at the NASCAR NMPA Myers Brothers Awards held at the Encore at Wynn Las Vegas on Thursday, November 29th. The award is based on all the efforts Mars Incorporated has taken during it's 23-year association with the sport. This includes directly engaging race fans, customers, and associates with an integrated marketing strategy that included intellectual property, promotions, public relations, B2B, online, broadcast, event marketing, and retail.

Several examples of this are the current "M&M'S We Win You Could Win Sweepstakes", and the "Best Seats in the House" program, which engaged fans through a chance at winning some really cool prizes, or even upgrading their seats at select races.

They also promoted key retailers with placement of their logos on the "TV panel" of the number 18 M&M'S Toyota, and hosted a NASCAR Day at Mars Chocolate North America's headquarters in Hackettstown, NJ, which featured Joe Gibbs, Kyle Busch, and the entire number 18 M&M'S Toyota team.

While awards are nice what sponsors really want is a return on their investment. In a recent study, it was revealed that Mars receives an impressive 4-to-1 return on it's investment in NASCAR. The sponsorship also creates a fifth season of sales for the brand which is about equal to the size of the company's Christmas selling season. William Clements, vice president of sponsorships and sports marketing for Mars Chocolate North America, had this to say regarding the award, "Our successes have been led by innovation that extends to customers, consumers and associates, and capitalizes on NASCAR's broad fan base that represents approximately one-third of the U.S. adult population. We are honored by this award and continue to see the strength and growth of our partnership with NASCAR."

Of course it doesn't hurt to have a delicious product like M&M'S, which also just happens to be colorful and fun. Then add to that a driver like Kyle Busch, the team of Joe Gibbs Racing, and the most product loyal fan base of any sport in NASCAR followers, and it is no wonder Mars Incorporated comes up the big winner.”

Buzz Aldrin evacuated from Antarctica falling ill while on a “tourist trip” in November 2016:

Former astronaut Buzz Aldrin fell ill while visiting Antarctica in November 2016. It was said that he was on a “tourist trip”, but is it possible that he was actually taken and shown the supposed excavation site in Antarctica where a supposed ancient civilization, giants, aliens and alien crafts have been uncovered. And is possible that Aldrin’s sickness was actually some type of motion sickness that he experienced from a subsequent trip to Mars (after visiting Antarctica) and the supposed bases that are housed there? Notice in the picture below, where Aldrin is sporting a MARS tee-shirt after he recovered from his illness.

IMDb Synopsis of the Movie – “The Martian” (2015):

“At the landing site of the shuttle Ares III, Acidalia Planitia, Mars, at a time in the near future, the crew of the Hermes — including Commander Melissa Lewis (Jessica Chastain), botanist Mark Watney (Matt Damon), IT guru Beth Johanssen (Kate Mara), pilot Rick Martinez (Michael Peña), flight surgeon Chris Beck (Sebastian Stan), and navigator and chemist Alex Vogel (Aksel Hennie) — are gathering samples before re-entering their living facility, the HAB.

The crew learns that a storm is approaching (on SOL 18 (solar mission day 18)). The storm's intensity and high winds lead Commander Lewis to order a mission abort. Watney argues for waiting it out and brings up the rear as the crew heads toward the MAV (Mars Ascent Vehicle), the ship that will take them back to the orbiting Hermes, in their suits. Heavy winds and sand gusts surround them. A satellite dish breaks off and strikes Mark Watney, knocking him out of sight of the rest of the crew. Lewis tries to guide the others to find Mark Watney, but visibility is very poor and the storm is way too strong for them. They head back into the MAV without Mark Watney and lift off. The pilot, Martinez, is barely able to keep the rocket from tipping over.”

Mark (the Martian) is eventually rescued and brought back to earth. But please note that the movie’s disaster happened on day “18”! It did not happen on day 1, or day 5, or day 10, 11, 12 or 20, it happened on day “18”!

Are we currently in the Eye of the Storm? Will Everything that Changes, begin to Accelerate after this current Period of Rest and Relaxation in this Place of Stillness and Silence (after July 2018)?

David Kenderes' July 02, 2018 Piece – Will July 2018 represent the Symbolic Eye of the Storm, and the Symbolic ending of the Washing Machine Cycles? And if so, what can be Gleaned from these Typologies?

What Comprises a Cyclone's Cycles: If one studies the makeup of northern hemisphere hurricanes also known as typhoons or cyclones, one can come to the conclusion that there are very unmistakable, unchanging variables associated with each individual storm. As a storm approaches, dark skies encompass an otherwise seemingly peaceful atmosphere. Tranquil waters envelope into a torrent of rough surf. Strong counterclockwise winds, begin to make their presence known and felt. The rains, light at first, become heavy and much flooding ensues. As the storm passes over us and we move closer to its eye wall, the rains and winds intensify and debris fills the air, so much so that it becomes hard to see and dangerous to even venture out into the storm's raging fury! And the right front quadrant of the storm typically experiences the worst fury and onslaught!

What Comprises a Washing Machine's Cycles: Many of the same variables hold true in the cycles of a washing machine. Detergent and clothes (some filthier than others) are added to pristine tranquil waters and well-lit environment of the washing machine. Next, the washing machine's lid is closed and the once well-lit environment now turns into darkness. And then (from the clothes' perspective), the unthinkable happens. A button is pushed and the great agitator begins spinning the waters and ripping at the clothes from every angle! With the possible exception of a rest period or two, the agitator continues its unrelentless, merciless ambush within its sloshing, muddied waters. Then the unthinkable happens, as the dirty waters are drained away, in the rinse cycle, a centrifugal force slams the clothes against the walls of the washing machine, spinning at a tremendously high rate of speed! Once the washing machine rinse/spill cycles have completed, a decision is made as to whether or not to place the clothes in a hot spin drier to dry out the clothes or whether to dry the clothes on a clothesline in the fresh air and sunshine. In either method, discovered still dirty clothes will require more detergent and a second round in the washing machine.

Practical Applications for the Christian Watchmen: Has the true Body of Christ Church been going through unrepentant trials and tribulations in the Storms/Washing Machines of Life in recent years, months and days? Some of us claim to have been going through various forms of persecution for decades now! Most would agree that these vehement, ravenous enemy attacks have been stepping up in intensity and ???? in recent months and days!

What about in the world of politics, the North Korean standoff and peace talks, not to mention the Syrian situation and the Nation of Israel? The Prophetic Voice seems to be indicating that the North Korean situation won't end well for North Korea, and that a chemical attack will be launched against Israel and that Israel will retaliate with a nuclear attack and the destruction of Damascus. Will all of these events occur in the accelerated months of the last half of 2018? Time will tell.

Benjamin Faircloth stated in his June 29, 2018 Prophetic Word (see below) that: “July is our tipping point as a nation, our waterloo, and watershed moment. **July is not the end, but an acceleration to the end.** A new America awaits it, birthing out of the ashes of a collapsed society, economic holocaust, and the shaking of our current political system. This birthing will not be a new America who founded on the Word of God, dreams of liberty and the pursuit of happiness, this will be the Babylon the great whore, the mystery Babylon that John saw on the island of Patmos.”

Bola Adelani stated in her June 28, 2018 Prophetic Word (see below) that: “**Breakthrough to answered prayers, from long-awaited dreams. ... We are also going to see a lot of speed and acceleration and quantum leaps. Quantum leaps, from the second half of this year, from July there’s going to be an acceleration in the prophetic, there’s going to be an acceleration. You’re going to gain speed, you’re gonna gain speed, divine speed, and you’re going to finish 2018 strong.**”

Christine Beadsworth stated in her June 2018 Prophetic Word (see below) that: “The place of stillness and silence; this eerie pause, was unfamiliar. No more words bringing conviction and a desire to repent, NO movement at all. It was a place not experienced until now and both the prophetic vessel and those whose garments have been through a good scrubbing are disconcerted. Is there personal error? Why is nothing happening? Why is it so silent? Where has the Lord gone? Have I missed Him somehow? Have I failed the test?

I have good news for both groups. **THE SEASON OF CLEANSING IS COMPLETE.** Your garments are clean, priestly Bride. You have cooperated well with the convicting power of the Spirit-quickened word. The time in the closed-in place is at an end. The time without vision and perspective is at an end. **Now comes the lifting out. For the prophetic messenger, the assignment is over and a return to the Master’s hand is imminent.** Separation is coming from the group which has been ministered to. You have been a good and faithful servant. God has fresh plans and new blueprints to reveal. The pause, the silence, the lack of motion all indicate a successful conclusion to the assignment; the end of a chapter and a new beginning. Nothing more is required of you at this juncture. **Wait for the Lord to set in motion the next chapter.** You cannot bring it about by your own efforts; your own prayers or your own decrees. Be at peace and rest. Do not mistake lack of motion around you as an indication of having taken a wrong turn in the path.”

Let’s keep our focus and determination up folks. And pray that this rest and equipping time in the ‘eye of the storm’, will strengthen us for the tremendous battle that lies ahead!

Benjamin Faircloth’s June 29, 2018 Prophetic Word – July, The Eye of The Storm:

For the past week or so I keep hearing the Father say: July – the Eye of the Storm. When I pray I hear it, when I meditate on Him I hear it. I know when He is repeating something to me, He wants me to release it to whoever will listen. Many will think this statement is referring to the calm section of a storm, such as a hurricane. But that is not what He implied to my heart. We are walking into the headwinds of a storm that is already here! By definition, walking into the “eye of a storm” is to enter into a storm that is already raging, the destruction is occurring, and the worst is yet to come! I need to note here, that there will be devastating storms in the natural, this month, so be prepared, but this storm applies to many arenas. Too many to write here, just pick your poison. Better yet, look at what is breaking down in the world, society, institutions, and expect this to accelerate. I am not the only one that has warned of these storms. There are many faithful watchman, lovers of God who have been blowing the trumpet in Zion! But I feel very compelled to sound the alarm a bit louder, and much stronger! We are in deep trouble and grave danger as a nation! You can go back to our sermon archives and see what the Father has been saying through Ignited Church of Lavonia (*Georgia*). We are telling the truth, even when the “all clear” signs were popping up via the pillow prophets of Pennsylvania Avenue. It is not all clear nor is it all good!

The chaos that we are witnessing is neither the making a political force, or social force, it is the prophetic progression of a prophesized reality! Real time events declared and decreed by the prophets of old within the bible and the modern unknown prophets hidden in the back alleys of the Internet. It is a demonic spiritual power using these forces to bring about the end plan of God Himself! But the lethargic, lukewarm, milk toast, doubly dead, pagan baptized Babylonian church can't see it, not discern, they have been played a whore by the Babylonian political system of our hour! In other words, the confusion, division, and political/social chaos you are witnessing, is by DESIGN!

July is our tipping point as a nation, our waterloo, and watershed moment. **July is not the end, but an acceleration to the end.** A new America awaits it, birthing out of the ashes of a collapsed society, economic holocaust, and the shaking of our current political system. This birthing will not be a new America who founded on the Word of God, dreams of liberty and the pursuit of happiness, this will be the Babylon the great whore, the mystery Babylon that John saw on the island of Patmos (**Revelation 17 and 18**). July will reveal the birth pangs and the ugliness that awaits us. I implore you in the strongest of terms, before your soul before God through Jesus Christ His son! Get the sin out and cry out to Him to have mercy. Pray for your family, beg them if you must to find safe haven in Jesus. Get your house in order, prepare as best that you can for the Eye of the Storm! This warning is not limited to America alone, all nations will soon feel the squeeze of a convulsing earth, as the plans to betray Israel are laid to bare. Get ready for life to change forever!

In conclusion, I ask all of you to be wide awake this month and beyond. Take another look at your prepping and emergency plans. If you live in a city where you use public transportation, encounter heavy daily traffic, or long lines in normal situations, consider alternate routes and plans of action. Have a bug out bag with several days of supplies (there are many online resources for this). I do not know what this month will bring in totality, but I do know that it will bring us into the eye of the storm. It is up to you and me how we prepare and heed this warning!

Transcript Excerpt: “...There are three things that I believe that God is saying to us about July (2018). Three things came to mind. Number 1, joy, joy, joy. Obviously, joy, joy, joy, being jolly. So joy came to mind. **Celebration came to mind ...and recognition.** So 3 things came to mind, joy, celebration, recognition and awards. Honor, honor, honor. So those are the 3 things that I really believe will characterize the month of July. ...**We are in a season of divine R&R (rest and relaxation – the eye of the storm?). ...God is refreshing and renewing His people,** those are my 2 R's. ...another thing that we are going to see about July, we're going to see the divine R&R continuing We're going to see refreshing, renewal, reward, recognition, award and honoring.

Breakthrough to answered prayers, from long-awaited dreams. ...We are also going to see a lot of speed and acceleration and quantum leaps. Quantum leaps, from the second half of this year, from July there's going to be an acceleration in the prophetic, there's going to be an acceleration. You're going to gain speed, you're gonna gain speed, divine speed, and you're going to finish 2018 strong. It doesn't matter how the first half of 2018 looked like for you ...you are going to finish strong. People who you thought had left you, you're going to overtake them and you will recover lost ground!

Christine Beadsworth's end of June 2018 Prophetic Word – the Centrifugal Force of the Dark Washing Machine Spinning Cycle is over. You have come to the end of a Cleansing Cycle:

You have come to the end of a cleansing cycle

While praying with intercessor friends this week, I saw two images, one after the next. The first was the inside of a top-loading washing machine with many garments being washed. It seemed to be at the point in the cycle where the rinsing water had been pumped out, as the clothes were all pasted against the inside walls of the drum as they would be from the centrifugal force of the spinning motion. There was no water present. Also inside the drum, lying separate from the clothes, was an empty plastic ball, such as one uses to dispense washing liquid when placing it in amongst the dirty clothing at the beginning of the wash cycle.

The next image I saw was a washing line with beautifully clean clothes of all colors, pegged out to dry in brilliant sunshine. The plastic empty ball was nowhere in sight.

Interpretation:

There is a message here for two different sets of people. The first set of people are represented by the empty round hollow ball. They are operating in the Spirit of Elijah, just as John the Baptist did, preparing the way for the coming of the Lord. The second group are those who have been appointed a long season designed to cleanse their priestly garments, as Malachi 3 describes. These are represented by the multiple different garments on the inside of the washing machine drum.

For both groups, the agitation and tumbling circular motion within a confined space with no vision beyond the drum parameters has come to an end. Within this cleansing cycle, there have been seasons of total immersion in a Heaven-sent fuller's soap word which has exposed, loosened and separated the dirt from the garments. The dirty washing water has covered and obscured the individual callings and giftings and the rotation of the drum has, at times, felt like it is unceasing. While this stage was in progress, there seemed to always be one more thing to repent of, one more piece of deeply lodged dirt to be freed from. Round and round the cycle continued until complete surrender had been achieved and the cleansing completed. It seemed there was no way out of this closed in place and no relenting in the agitation and discomfort of what was going on in the circumstances of their lives.

The first group, the prophetic vessels, has been right in the middle of the jumbled dirty water, although, in itself, there were no impurities that needed dislodging. These ones made themselves available, like Isaiah, saying, “Here am I, Lord. Send me.” They had found themselves plunged in over their heads in dirty stormy water as a result of faithfully sharing the words given from above. For this reason, many of these appointed prophetic vessels have looked at the filthiness of their surroundings and wondered at their own fitness to be vessels or mouthpieces of the Lord. There just seemed to be so much dirty water surrounding them and while they have been faithful in dispensing every single word of warning; every call to repentance and holiness which they have received from the Spirit, the amount of dirt around them just progressively increased with each revolution, obscuring their vision and sense of direction. The dirtiness of the water swirling around them has made them lose perspective and wonder if it was their own lives which needed the deep cleansing, and if they shouldn’t have shared the word they received. The truth of the matter is that the cleansing word they dispensed during the first stages of the cleansing cycle accomplished the purpose for which it was sent and had loosened the stains and filth in the garments of the priestly Bride surrounding them.

One would think a cleansing word would immediately produce a cleaner environment and spiritual atmosphere, but the confined parameters of the appointed drum served to loosen and make visible the hidden dirt first, containing it for a short season. And in the agitated atmosphere of the drum which changed direction and jostled the garments in different directions, it was impossible to ascertain any kind of progress, in spite of a willingness to repent.

Then came the rinsing cycle and a welcome deluge of clear clean water from above – bringing refreshing after times of repentance and yet, the prophetic vessel was empty and fully spent in the midst of this appointed refreshing. He or she was obedient to speak the words given, yet the downpour from above just temporarily filled the vessel and was poured out afresh amongst the rinsed garments. There was a feeling of progress for the priestly Bride as wonderful refreshing words saturated their garments, but the prophetic vessel remained strangely empty, unable to see or hear any direction from the Throne. All was dark and there seemed to be no escape from this place. A feeling of not knowing their purpose or place in the scheme of Kingdom plans enveloped the vessel, surrounded by clean garments with nothing left to give.

Before, there was turbulence, but there was a word deep within to release. Then the water of the Word ceased flowing and there was no motion. All was still. It seemed there was a holy pause and no way to get out or see what lies ahead. It was a disconcerting place to find oneself. The agitated stormy dirty water was not pleasant and the rinsing refreshing water very welcome, but both these phases involved constant motion and brought changes with each washing of the water of the spoken Word.

The place of stillness and silence; this eerie pause, was unfamiliar. No more words bringing conviction and a desire to repent, NO movement at all. It was a place not experienced until now and both the prophetic vessel and those whose garments have been through a good scrubbing are disconcerted. Is there personal error? Why is nothing happening? Why is it so silent? Where has the Lord gone? Have I missed Him somehow? Have I failed the test?

I have good news for both groups. **THE SEASON OF CLEANSING IS COMPLETE.** Your garments are clean, priestly Bride. You have cooperated well with the convicting power of the Spirit-quickened word. The time in the closed-in place is at an end. The time without vision and perspective is at an end. **Now comes the lifting out.** For the prophetic messenger, the assignment is over and a return to the Master’s hand is imminent. Separation is coming from the group which has been ministered to. You have been a good and faithful servant. God has fresh plans and new blueprints to reveal. The pause, the silence, the lack of motion all indicate a successful conclusion to the assignment; the end of a chapter and a new beginning. Nothing more is required of you at this juncture. **Wait for the Lord to set in motion the next chapter.** You cannot bring it about by your own efforts; your own prayers or your own decrees. Be at peace and rest. Do not mistake lack of motion around you as an indication of having taken a wrong turn in the path.

What lies ahead is exposure to the glory of God. There is appointed a lifting up and ministrations of the wind of the Spirit; a setting in place on the line, a season of light and wide open spaces and unobscured vision.

Isaiah 4:4-5

“After the Lord has washed away the [moral] filth of the daughters of Zion [pride, vanity, haughtiness] and has purged the bloodstains of Jerusalem from the midst of it by the spirit and blast of judgment and by the spirit and blast of burning and sifting. And the Lord will create over the whole site, over every dwelling place of Mount Zion and over her assemblies, a cloud and smoke by day and the shining of a flaming fire by night; for over all the glory shall be a canopy (a defense of divine love and protection).”

We stand at the end of a cleaning cycle. The fuller soap has done its work. We now offer offerings in righteousness once again.

Malachi 3:2-3

“But who can endure the day of His coming? And who can stand when He appears? For He is like a refiner’s fire and like fullers’ soap; He will sit as a refiner and purifier of silver, and He will purify the priests, the sons of Levi, and refine them like gold and silver, that they may offer to the Lord offerings in righteousness.”

The next cycle and chapter will be very different. This juncture marks a point of separation – from circumstances and locations, both from old companions-in-arms and vessels which have been sources of anointed piercing words from the throne, which have brought alignment and correction. Assignments are to be released as we bask in the glory and light of the Son of Righteousness and each will move into a tailor-made new journey as Kingdom purposes are downloaded and revealed.

There has been fellowship in the cleansing cycle with other saints undergoing rigorous cleansing, but goodbyes must be said. Kingdom plans must be carried out. New assignments must be fulfilled. And the God of Glory must receive all the glory as His yielded vessels walk out the good works prepared for them before the foundation of the earth. Be ready for significant change.

Malachi 3:17

“And they shall be Mine, says the Lord of hosts, in that day when I publicly recognize and openly declare them to be My jewels (My special possession, My peculiar treasure). And I will spare them, as a man spares his own son who serves him.”

Selah.

Is it in the Numbers?

An Internet/Bank Freeze to Occur before the Japan Disasters:

Sunday 01/28/2018 Hackers are making ATMs spit out cash, report warns:

Hackers able to make ATMs spit cash like winning slot machines are now operating inside the United States, marking the arrival of “jackpotting” attacks after widespread heists in Europe and Asia, according to security news website Krebs on Security.

Thieves have used skimming devices on ATM machines to steal debit card information, but “jackpotting” augurs more sophisticated technological challenges that American financial firms will face in coming years.

“This is the first instance of jackpotting in the United States,” said digital security reporter Brian Krebs, a former Washington Post reporter. “It’s safe to assume that these are here to stay at this point.”

On his website, Krebs reported Saturday that the Secret Service has warned financial institutions about “jackpotting” attacks in the past few days, though specifics have not been revealed.

Friday 02/23/2018 BB&T is the latest bank to be hit by widespread outages to ATMs and digital platforms due to technical problems: As of Friday afternoon, BB&T’s online and mobile banking were unavailable to consumers, according to a spokesman for the Winston-Salem, N.C., company. BB&T’s ATMs and automated telephone services had also experienced outages, but both were restored on Friday, the \$216 billion-asset company said in a message posted on its website.

A Great Spiritual Earthquake, Tsunami, Volcanic Eruption Awakening is Coming for the Kingdom of God after the Disasters have Manifested:

David Kenderes' September 02, 2017 3:35 am Prophetic Word – I can See Clearly now the Rain is Falling:

While at work on my night shift job, sitting in my truck watching heavy rain coming down from the remnants of hurricane Harvey and white light flashes from the bad guys out my passenger window, the Lord put the following Johnny Nash song stanza in my mind: "I can see clearly now", but instead of "gone" it ended with "falling", in other words the stanza was changed to "I can see clearly now, the rain is falling, I can see all obstacles in my way".

I immediately received the interpretation. The Lord was telling me that this is indeed the season of weeping and wailing, reflection, fasting and praying. It is the season of the Virgin birth of the first born child (the Last Days Great Awakening of the church). A time when the church that is totally surrendered to the Lord! The water is breaking, the child will soon emerge in tumultuous times (much persecution). The 7/70 well favoured years for America are about to end and the 7/70 ill favoured years for America are about to begin. The world and the lukewarm church will be entering bondage while the true church's freedom commences!

This will all culminate at a time when the proverbial Storms are Upon Us ...a year, a period of time with unusual, exceptional rain falls. Watch for the Storms! They could arrive in 2018! During the storms and after the storms has passed, we will be able to see clearly again, but the question remains, will we like what we see in this Brave New World?

"I Can See Clearly Now"

I can see clearly now the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright)
Bright (bright) sunshiny day
It's gonna be a bright (bright)
Bright (bright) sunshiny day

Oh, yes I can make it now the pain is gone
All of the bad feelings have disappeared
Here is that rainbow I've been praying for
It's gonna be a bright (bright)
Bright (bright) sunshiny day

(Ooh...) Look all around, there's nothing but blue skies
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone
I can see all obstacles in my way
Here is that rainbow I've been praying for
It's gonna be a bright (bright) Sunshiny day

Diana Pulliam's 2015 Prophetic Dreams and Visions – Coming Death and Destruction, the Rise of the Church from the Ashes (Mt. Fuji?), and the Greatest Harvest of Souls in History:

Words cannot adequately describe what I saw and experienced, so I've been in much prayer about relaying this dream. Before reading, please ask the Holy Spirit to open your heart to receive whatever He wishes to minister to you individually.

In 2015, through a series of dreams and visions, the Lord revealed things that shook me to my core. He showed me coming death and destruction, the rise of the Church from the ashes, and the greatest harvest of souls in history – events to happen before the rapture of His Glorious Church.

With each revelation, the Lord continued to emphasize His Church is not to fear, that we will be walking in the Glory, doing the works of Jesus in the very midst of this coming destruction and chaos. Until December 16, 2015, I'd only read about the Glory of the first century Church, and subsequent periodic awakenings since that time. But on the night of December 16th, I received a glimpse of the Glory and what it will be like to walk in it!

The dream began with me at my house, standing in the family room. Although it was not revealed to me, whether it was an earthquake, a bomb, or whatever; something had happened. I noticed (in my peripheral vision) cracks in the wall of my house. Several people were in the room with me, and they were in full panic mode. They were yelling, “Oh, no! What are we going to do, how are we going to make it?”

Immediately, I opened my mouth and the Word began to flow, “**Fear not! My God will supply all our need according to His riches in glory by Jesus Christ.**” As I was speaking the Word of God, I was acutely aware of the fact I felt absolutely no fear. All I felt was unspeakable joy and peace. Then the scene changed.

Suddenly, I was at the location of the dream I had in July (see The Great Escape), where everything was covered in grey ash, with destruction as far as my eyes could see. Small groups of people dotted the landscape. Some were walking around with dazed expressions, obviously in a state of shock; some were weeping softly as their eyes took in the horrific scenes around them; while others were wailing and screaming out in pain and agony. I began to walk towards them.

As I walked towards them, I felt the love of the Lord descend upon me. It was strong and powerful, and filled me to the point I felt I was going to burst. The love was uncontainable and began to flow out of me towards the hurting people.

When I reached them, I saw the sick and severely injured surrounded by frightened loved ones. I felt overwhelming love and compassion, as the Word of God began flowing from my lips; “The Lord said, **“Come unto Me all you who labor and are heavy laden, and I will give you rest...”** **“The Lord will forgive all your sins and heal all your diseases; He will redeem your life from destruction.”** As the Word was spoken, people were drawn towards it.

As they drew closer, I extended my hands toward them. Love was now flowing like a river into me and outward through my hands. As I touched or came near each individual, their countenance changed before my eyes. Instead of expressions of fear, great peace and joy spread across their faces. Those with injuries were instantly healed, as wounds disappeared, along with any trace of blood on their skin or clothing. The maimed in the crowd rose to their feet. Then I heard a voice behind me.

I turned to see a woman approaching with a plate containing only a few morsels of food on it. With tears in her eyes, she said, “This is all we have, how are we going to live?” I said, “Bring it to me.” End of Dream

Interpretation:

Upon awakening, I was ecstatic! The Lord had actually given me a taste of what it’s going to be like to walk in The Glory! There are several points the Lord impressed upon me in those first few hours after the dream: I was aware of my surroundings, but they didn’t affect me whatsoever. I only noticed the cracks in the walls of my home from a peripheral view – I didn’t focus on them. The Lord later pointed out that, although my house was shaken, it didn’t fall. **Matt. 7:24-27.**

The joy of the Lord was my strength! And the peace I felt surpassed all understanding. **Psalms 28:7; Philippians 4:7.** The joy and peace formed a protective wall, or bubble, around me that nothing could penetrate.

As the Word of the Lord was spoken, and the people responded by drawing near, they were delivered and set free. **“Sanctify them by the truth; your word is truth.” John 17:17. “Then you will know the truth and the truth will set you free.” John 8:32.**

The Love of God (God is Love, **1 John 4:8**), totally enveloped me, and then began to flow outward. His Love is alive and active, and will flow as a mighty river through His people. **“He that believes on me, out of his belly shall flow rivers of living water.” John 7:38**

Yes, a great shaking is coming, but those who’ve built their house upon the rock will not fall. Sin and darkness will abound, but **Grace will much more abound! (Rom. 5:20).**

My prayer for the saints is that we be used mightily by the Lord in this end time harvest, as we let go of this earth and cleave unto Him. May we be Holy vessels, in which the Lord may infuse with Himself. For then **“...the people that know their God shall be strong, and do exploits.” Dan 11:32.**

I’ve been given a glimpse of what walking in the Glory’s going to be like. I prayed fervently over this post, that you would also be given a glimpse. Because, now we can second Paul in saying, **“I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.” Romans. 8:18.**

Praise God!

Come soon, Lord Jesus!

Ron McKenzie's December, 1977 Prophecy – An Economic Crash will Precede a Spiritual Return to God. God's Commando Army will be used to shatter the Lost out of their Complacency during the Coming Great Depression:

THE COMMANDO ARMY - a prophecy by Ron McKenzie

In December 1977, Ron McKenzie of Dunedin, NZ, received the following prophecy. It was finally made public in July 1982 by David Pawson in Auckland, New Zealand. David had received his own **word from God for New Zealand**, concerning an economic crash that would precede a spiritual return to God, a Revival. He then prayed for confirmation, and received it in the form of this prophecy.

We are nearing a time of great spiritual battle. At present God is preparing a Commando Army which can fight and win under tough conditions with few resources. Then He will drop a bomb which will almost destroy the enemy army and will shatter the conventional forces in God's army.

He will then send in the Commando Army which because of its training has been unharmed by the bomb. It will defeat the shattered enemy army. It will treat the injured, and reorganize, re-equip and rejuvenate the shattered forces of God's conventional army. The result will be a mighty victory for God.

The Commando Army is a small group in the church which God is calling into strict discipleship. They will reject the things of the world and live solely on what God provides. Their joy in poverty will be a witness to the world. They will be MIGHTY WARRIORS IN PRAYER. They will experience the POWER OF GOD, being able to minister to all people in all situations. Their sole motivation will be the love of Christ.

When this Army is ready God will drop the bomb on New Zealand. It will be an economic depression on a scale which New Zealand has not seen before. It will make the depression of the 1930's look mild. God will shake the nation. It will have two effects.

Firstly - it will shatter the church. The church has become a peacetime army unaware that an intense battle is raging. The people have been blinded by wealth and have become so satiated that they have sunk into apathy. They have taken a worldly attitude into the church and run it like a business, paying their fees and letting the minister do the work. They have become so worldly that they no longer provide a witness to the world. Under economic depression these people will be totally shattered. They found their security in wealth and now they will have none. They found their happiness in material goods and now they will have none. They run the church with money so it will grind to a halt. It will be a judgement on the church. The world forces will also be shattered. Satan has used the lure of money and material wealth to hold the people outside the church captive and the crash will mean that his hold is broken. Thus, we will have a situation where the church is ready for renewal and the nation is ready for revival.

At this point God will send in His Commando Army. Because its members have learned to live without the things of the world they will not be touched by the depression. They will minister to the church and preach to the nation. The people of the church will be shattered out of their complacency. They will see that their old lives lacked meaning and purpose. They will be looking desperately for something else which is meaningful and fulfilling and the lifestyle of God's Special Forces will be an attractive alternative. There will be a great renewal in the church, as people repent and turn back to God. Many will be ministered to and discover a wonderful new life in the Spirit through Christ. Thus God's glory will return to the church.

At the same time the Commando Army will go throughout the nation preaching the gospel. The people will be looking for a new meaning to life and will be ready to receive the gospel. Thus as a result of a great move of the Spirit many people will be added to the church. The depression will not come for a short while. There are a number of reasons for this:

1. God has only just begun to prepare His Commando Army. They still have a lot of training to do.
2. These events will come when people are not expecting them. At the moment everyone is talking about depression. But things will improve, giving people a new hope, then just when the trouble appears to be past the crash will come.
3. These events will be a judgement on both the church and the nation, and when God judges He always warns first. And before the crash can come, God must warn the church and the nation.

Although these events are a little way away they are inevitable. At present God is calling up His Commando Army, but He is only calling for volunteers. Thus it is a time of decision. If we join it will be costly but it will save much heartbreak later. If we choose to join we must become WARRIORS OF GOD. We must become POWERFUL IN PRAYER. We must learn to MOVE IN THE POWER OF THE SPIRIT, we must lay aside all the things of the world which would encumber us. We must learn to live solely for the LOVE OF GOD. It will be costly, but Oh.. how great is the prize... a Nation brought back to God...!

Todd Bentley's June 2018 Prophetic Vision – Awakening Angel, dressed in red, white and blue, assigned to Awaken a New Season of Harvest time and Revival in America. To bring this Great Awakening, I think the Awakening Angel will need to bring a Great Shaking because America is currently in a Deep Sleep Spiritually:

I believe we are in a new season where we will learn to partner with the Angels that gather. So often we are blind to the spiritual state of others, regarding such as their state of readiness to receive Christ. Jesus tells His disciples to become alert to the readiness of the harvest. Remember the word "look", (theomai) means "to wonder, to behold, view attentively, contemplate, indicating a sense of wondering consideration involving a careful and deliberate vision."

As I prepared to encourage people in a new season of harvest for America, I kept seeing, in my spirit, an Awakening angel assigned to awaken a new season of Harvest time and revival in America. This angel was dressed in old-fashioned clothes, as in patriotic times. What came to mind was the beginning of the first thirteen colonies and the birth of America's independence and the First Great Awakening. This angel was red, white and blue with a large sickle in its hand.

We need a vision of the harvest and we need to lift up our eyes and see the fields are already white and many are ready to be harvested even in America. We need to turn on our spiritual eyes and see the harvest at the end of the age is at hand.

Full November 06, 2016 Video Transcript: “Shalom brothers and sisters I haven't made a video in a long time.

I used to live in Fort Meyers, Florida. We had been praying to God for the last five years. Each time we prayed to God, God spoke to us to stay there. Five years ago, three years ago, two years ago ...well last year God spoke to us to go to North Carolina. In order to move in here, they have a long preparation. So finally, we moved into High Point, North Carolina back in June 2016. God is the one who prepared everything. I give all the glory and honor to Him.

The last time I had a vision was from Jesus Christ. After I had two days of fasting, this time I had a vision which was on October 14, 2016. Hillary Clinton appeared to me suddenly and I could see her through her body. Her body, there was a demon inside. I had the same vision two or three hours later on the same day. Once again, Hillary Clinton, and I could see a demon inside her body. I believe God tried to tell me there is dark power with her or supporting her.

And then my wife Gloria, she was asking to God who would be the next president. God spoke to her on October 16, 2016 on a Sunday morning, during the worship service. God spoke to her, Donald Trump will be your president. Now I am convinced that Donald Trump will be our next president.

I'd also like to share the next vision, this is not a vision this is a dream. Last week I had a... in my dream ...there is a lake and nearby this lake a lot of old Japanese houses there. This lake was boiling and I got an impression from this scene that there will be a great earthquake or a volcano will come to Japan.

In the same day I had another dream, that dream was that many people are gathered together and then at least a quarter to one third of the people have Muslim scarfs. I was wondering why Muslim men and women were gathering together in my dream. They are reading the Bible, they are studying the Bible. God showed me there will be a great revival coming to even Muslim people. God's plan is the Great Revival is coming to this world.

At the same time they will have a great persecution coming to the Christians. So it is time to pray and ask God to show us the right way, and training us for revival, so more people will come to Christ. It is time to repent, it is time to believe in Jesus Christ one hundred percent, wholeheartedly. There is no bitterness, and we are forgiven and we also forgive. And we love Him with all of our heart.

Jesus is coming, Jesus is coming, for the holy and righteous bride. The time is near, it is time to completely surrender to Jesus Christ. God bless you.”

Christine Beadsworth's February 15, 2018 Prophetic Word – So much has fallen to the ground and died in the last 7 years, but Graduation Time is Here, Double Portion is Coming!

Do we believe that God is about to do something? Or has hope deferred made our heart sick? If we think we are to receive nothing from the Lord, then we will most certainly not open our mouth wide for Him to fill it.

So much has fallen to the ground and died in the last 7 years. It has been a brutal season of purifying seven times for the Word of Promise held in our hearts.

Hosea 2:14 describes the Lord leading His Beloved into a wilderness place, which He later identifies as the Valley of Trouble. He declares He will turn it into a door of Hope and restoration will abound. This is a bridal passage, written with tender love-filled words by a Bridegroom who has had to deal with all the false lovers His Bride has gone after, destroying them by His righteous judgments. He wants her heart to be fully His. Beloved, if you are still loving and worshipping God after all that has assailed you in this refining season, then your heart is His. You can safely say, “My Beloved is Mine AND I AM HIS!”

I had a short dream this week, in which I went to the postbox and it was jam-packed with envelopes all addressed to me. I opened the first one and it contained smallish grey rectangular pieces of fabric, which reminded me of the academic colors badge I received for getting seven A's in senior school many years ago. This was sewn on my school blazer so everywhere I went, it would be obvious I had passed with excellence. The envelope contained hundreds of them.

I opened the next envelope and it contained many slips with people's final exam results on them. They all showed that the owners were qualified to graduate. Suddenly, I realized I was supposed to announce to people that they had passed the test, and not only that, but they had excelled! So if you are feeling like there is a delay in manifestation because you have failed the test, it is a lie from the pit designed to rob you of your hope. The season of testing and proving is over. **YOU HAVE PASSED!**

Graduation time is here and you are about to receive honor and glory in proportion to the period of suffering you have endured. Much that you have considered lost or stolen will be restored. God's resurrection power is about to be released powerfully. He is going to breathe on the surface of your heart and flames that have died down so much that you considered them part of your past, are going to suddenly be ignited, spring to life and burn with passion and fervor.

One thing about graduation ceremonies is that everyone has to be seated before it begins. Take your seat with an expectant heart and know you are going to receive good from the Lord's hand. He is a rewarder of those who diligently seek Him. If your heart has grown disillusioned and feels dead and lifeless from the extent of the trial, know that the present state of your heart does not deter God. You have earned your stripes and the Father is about to bestow upon you an outpouring that remains, just like when Jesus was baptized by John and the Spirit in the form of a dove remained upon Him. God is declaring over you, “You are My Beloved son in whom I am well pleased.”(**John 1:32**).

An outpouring that remains means a waterfall that doesn't stop pouring, continual connection to the source of power and life and no more desert days...

On the 10th January 2018, I had a short dream of a treasure chest being lifted out of the ocean with ropes and there was a pirate standing on it. As it rose into the air, I heard a song, “15 men on a dead man’s chest. I won’t beg, steal or borrow.”

When I woke up I knew things that had been stolen and lost so deep on the floor of the ocean that they had been hidden for many years, would suddenly come to light and be restored. I researched the origin of the words of the song and discovered that each line came from a different song. When I queried this, the Lord said, “It’s a new song. I can do that you know!”

The new song speaks of something lost being found, of treasure being unveiled and seeing as it was a dead man’s chest, obviously whatever was inside will be inherited by someone who is alive. So there is a sudden unveiling of inheritances that we didn’t know existed, both spiritually and in the natural. Heaven has been looking into the DNA of rightful inheritance and the results are about to be brought to light. Even those who consider themselves eunuchs will receive an inheritance:

3 Let not the foreigner who has joined himself to the Lord say, The Lord will surely separate me from His people. And let not the eunuch say, Behold, I am a dry tree.

4 For thus says the Lord: “To the eunuchs who keep My Sabbaths and choose the things which please Me and hold firmly My covenant.

5 To them I will give in My house and within My walls a memorial and a name better [and more enduring] than sons and daughters; I will give them an everlasting name that will not be cut off.” (Isaiah 56:3-5)

A name given by the Lord carries authority and power. It indicates that person has been marked by the Lord for change and heavenly download and impartation. Jezebel always had eunuchs to serve her and many of God’s children have been rendered incapable of being fruitful through Jezebel’s schemes. BUT God is the resurrection and the life and you may feel like a dry tree now, but the resurrection breath of God is coming and you will be transformed into a fruitful tree. I believe the inheritance being brought to light in 2018 will also deal with debt and lack in any area, as the second line of the Lord’s new song indicates.

A few days after this dream, I discovered that the initials DMC, (Dead Man’s Chest from the song), were actually the name of a cryptocurrency coin, DynamicCoin. I looked up its performance and its value was round \$0.002. Now, ‘dynamic’ means ‘full of energy, life and activity’ and comes from the Greek word ‘dunamus’ which means ‘power’. The Lord indicated that this cryptocurrency coin was a prophetic type of the state of many people’s lives, having a name of being alive but in fact being just about dead. Within was an inheritance which was unable to be accessed – in effect, a dead man’s chest. It could be full of gold coins and jewels but locked up at the bottom of the ocean, it was not of any use. I knew I had seen that dead man’s chest raised up out of the sea and brought to light, so I wondered whether this coin would increase in value as a prophetic sign of the season we are in.

Exactly one month after the chest dream, on 10th February, the Lord began emphasizing the double portion inheritance that the first-born receives and indicated I should check up on the DMC coin. I was amazed as the graph line began to move in an almost vertical fashion that day. In total, the DMC coin increased 178% in one day, having shown no signs of life before (or since). The dead man’s chest was indeed being raised to the surface before my eyes. I knew it would take resurrection power to effect such a vast change – from death to life! The Spirit of God is about to release resurrection power and unveil lost inheritances. On the 10th February, I also saw certain numbers repeatedly; **4, 8, 44, 88, 444, 888**. (representing faith “4” and rebirth “8”) Once again, there was an emphasis on double.

7 Instead of your [former] shame you shall have a twofold recompense; instead of dishonor and reproach [your people] shall rejoice in their portion. Therefore in their land they shall possess double [what they had forfeited]; everlasting joy shall be theirs.

8 For I the Lord love justice; I hate robbery and wrong with violence or a burnt offering. And I will faithfully give them their recompense in truth, and I will make an everlasting covenant or league with them. **(Isaiah 61:7-8)**

Double recompense is about to be poured out in every area where shame and loss has reigned. In fact, if there is an inheritance locked up because of death, the shame and poverty of widowhood is great as Ruth discovered. An ancient Law had to be exercised to release that inheritance – she had to be wed to the kinsman-redeemer: Also Ruth the Moabitess, the widow of Mahlon, I have bought to be my wife to restore the name of the dead to his inheritance that the name of the dead may not be cut off from among his brethren and from the gate of his birthplace. You are witnesses this day. **(Ruth 4:10)**

Ruth received a double blessing at her wedding to Boaz and Obed, the son born from that union, received an inheritance from both Boaz and his dead father. He received a double portion inheritance. A child born from such circumstances was known as the first-born from among the dead. Jesus was also known by this title: He also is the Head of [His] body, the church; seeing He is the Beginning, the Firstborn from among the dead, so that He alone in everything and in every respect might occupy the chief place [stand first and be preeminent]. **(Colossians 1:18)**

There is a company of people who have been in the place of death for a long season, who will now be brought forth from their tombs in resurrection power, in the pattern of the Firstborn from Among the Dead. This will be the hallmark of their lives from this time on, the dynamic life-giving power of God will spill out of their lives continuously as they extend the Kingdom. They will be brought forth with shouts of favor and possessing a double portion inheritance. They have been tested and tried and purified seven times and then chosen as vessels of honor.

2018 marks the beginning of the release of this great outpouring of resurrection power and governmental authority upon those receiving their inheritance. This is the allotted portion of the Bride who has made herself ready. Get positioned and seated with an expectant heart, ready to receive your inheritance in Christ.

Remember:

Perceiving precedes Profession
Profession precedes Positioning and
Positioning precedes Provision.

The outpouring is released by the roar of the Lion of Judah over us. 2018 is all about light and sound. Position yourselves to receive the light waves and sound waves coming from the Lion of Judah. They have the power to unlock and heal and restore and invigorate every atom within us. The Lord of Life is here to impart power and life. When Jesus released a sound and His spirit on the cross, the temple curtain tore in two, there was an earthquake and the dead were raised to life.

50 And Jesus cried again with a loud voice and gave up His spirit.

51 And at once the curtain of the sanctuary of the temple was torn in two from top to bottom; the earth shook and the rocks were split.

52 The tombs were opened and many bodies of the saints who had fallen asleep in death were raised [to life];

53 And coming out of the tombs after His resurrection, they went into the holy city and appeared to many people. **(Matthew 27:50-53)**

He is about to release a heavenly sound and impartation of His spirit again, over His faithful ones who are rightly positioned and waiting. It is time.

The Upside Down Money Transfer from the Wealthy to Christians (Responsible Ones) after the Worldwide Financial Crash:

**Denika Alston's June 8, 2016 - Prophetic Dream –
Transfer of Great Wealth to the Righteous:**

At 3:00 AM last night, while spending some time with the Lord, I began asking Him to teach me how to steward His resources well. I repented for any times when I was not a good steward over the resources that He entrusted to my family and I asked Him to help me to be faithful with everything that He gives us (money, time, ministry, etc). So while praying, I fell into a deep sleep and had the following dream.

I was in the lobby of a bank. It was dark outside and very late at night; past business hours around 9:30 PM. The bank was preparing to close and I was there to make a very small deposit. The bank associates met with customers one at a time in their offices and it felt like I was waiting a long time for my turn to be called into an office.

Finally, it was my turn to be serviced and I deposited a small amount into my account. However, I saw on a large screen that the new balance in my account said, “6 million”.

I thought surely this was a mistake and I brushed it off. Suddenly a banker came out to the lobby with my deposit slip and said, thank you ma’am, your deposit has been made.”

Then he continued with a burst of excitement, “Is there anything else I can do for you, NOW THAT YOU HAVE 6 MILLION DOLLARS IN YOUR ACCOUNT?” My heart dropped in the dream and I asked, “Huh?”

He congratulated me and began to explain with great excitement that I won the bank prize and 6 million dollars was transferred into my account. I fell to my knees and laid prostrate on the floor of the bank as I wept bitterly with sincere thanksgiving to the Lord. I was so overwhelmed by His glory that I could barely move. I wasn't impressed with the fact that I was now a millionaire, but I was in awe of the Lord's goodness and faithfulness to entrust little ol' me with the riches of His kingdom.

I remembered thinking as I wept, "Lord, you helped me to be faithful with little and now you can trust me with much. I can't believe how fast you multiplied the crumbs I had and gave provision for my family." Just as I tried to move to call my husband, my phone alarm went off and I woke up.

Interpretation:

This dream hit home with me personally because I have recently been praying about investing in a few things to position my family for what is to come.

I believe the bank staying open late, way past business hours, indicates the banking system has currently been open later than expected because the Lord has given us extra time.

It was dark outside, which indicates the spiritual nature of the season we are in and the lateness of the hour. I waited longer than expected to meet with the bank associate, but I was awarded this large sum of money because of my patience. It felt like timing was important in this dream because it reminded me of someone winning the "1,000th customer of the year" prize or something. If I came too soon or too late, I would not have won, but the Lord orchestrated the timing to be just right so I would benefit and obtain the prize.

Even though I only deposited (sowed) a small amount, I reaped a large harvest. I believe this principle is true for all those who vow to be faithful to His kingdom purposes in the earth. Whatever this "investment" may look like; I believe the Lord will offer a high return and transfer resources from the elite hand of man (the number "6"... million), into the hands of those who are trustworthy, faithful and obedient.

Ivette Ellis' July 05, 2018 Prophetic Word – The Great Transfer of Wealth is on the way for those who follow only My Way and have remained Holy unto Me in Thought, Words, and Deeds:

The great transfer of wealth is on the way for those who follow only My way and remain unswayed in these final days. They are those who've remained faithful only to Me through *years* of tears and fears, when everyone else lived in peace and ease. They are those who chose to cleave unto Me while each trial of fire brought them only closer to Me.

The wealth of My hand is for those in the land who don't know that I truly can be so much more than organized religion by man. This wealth is entrusted to those who know Me, thoroughly, in each area of their lives. They've seen Me come to bring my peace and relief, it's been only Me.

The last day wealth is for My reserve, My army, My remnant. For many have come to Me saying, "Lord, you know we are your people that you will bless for the last day harvest of lost people."

To them I say, "Bless, I will, but at My will. Bless, I will, but only those who live in My will and not by their own will. Bless, I will, for those who live to keep My kingdom alive within, and not to build the kingdom of man. My kingdom is within the lives of those who remain surrendered to Me. The coming kingdom on earth will be established only by Me, none other will receive My glory.

Not all who say to me, ‘Lord, did we not preach in your name? Prophecy in your name? Cast out demons in your name?’ will have a place in My kingdom on earth. They have not remained surrendered to My kingdom within by maintaining the required holiness, without which, no one may enter My kingdom on earth, or live through My kingdom from within.

The transfer of wealth is for those who’ve remained holy unto Me in thought, words, and deeds. These are those who did as I did when I spoke what My father said to speak, when I did what My father said to do, when my life was wholly guided by My father’s will. These are those who will partake of My kingdom delicacies.

Lament and repent, oh false church, and bring me your filthy acts of disobedience which serve your personal need to influence, but not because of Me or for Me. Repent, oh faithless church; for your indulgent lifestyles, while many remain devoid of basic necessities. Calling all to depend on me, but I see how you gain all you need through much deceit. You certainly have need of Me, oh faithless church. My seed within you is replaced with the big ‘ME.’ How can I bring the desperately needy to your doors, only to see them cry out in even deeper need?

The great transfer of wealth will meet the needs of human souls only by Me. Those who seek Me will surely find Me. I will give them comfort and peace as I meet their need through My reserve, who shall have wealth to provide and **hide** the ones yet to come into My kingdom, established only by Me.”

35 Now the sons of Israel had done according to the word of Moses, for they had requested from the Egyptians articles of silver and articles of gold, and clothing;

5 Then you will see and be radiant, and your heart will thrill and rejoice; because the abundance of the sea will be turned to you, the wealth of the nations will come to you. **(Isaiah 60:4-5)**

6 For thus says the Lord of hosts, “Once more in a little while, I am going to shake the heavens and the earth, the sea also and the dry land.

7 I will shake all the nations; and they will come with the wealth of all nations, and I will fill this house with glory,” says the Lord of hosts.

8 “The silver is Mine and the gold is Mine,” declares the Lord of hosts.

“Truly I say to you, there is no one who has left house or brothers or sisters or mother or father or children or farms, for My sake and for the gospel’s sake, but that he will receive a hundred times as much now in the present age, houses and brothers and sisters and mothers and children and farms, along with persecutions; and in the age to come, eternal life” **(Mark 10:29-30)**.

Glynda Lomax's March 11, 2017 Piece – The Wealth of the Wicked Shall Be Yours in This Day:

The time is coming soon when what belongs to the wicked shall become yours. I have told you about a transfer, and that transfer is on the way. It is not yet, for My Word must be fulfilled exactly, but it is coming.

The day is coming, My children, when you will awake a pauper and go to sleep wealthy, for I will direct the wicked to give to you. I will cause situations which will bring what the wicked now own into your hands as your own. I will cause a transfer to take place such as you have never seen.

You have heard My promises to you. I have spoken into your heart that you will have wealth. This is My promise to you. The wealth of the wicked shall be yours in this day, only use it for My Kingdom. Use it for good, and not evil, or it shall vanish from you. My children are to be about My work in the earth in the time that remains. Watch for the transfer, for it comes, and you will rejoice.

NOTE: I saw in the spirit that when the time for this transfer comes, the wealth will literally just be handed over, like someone will just hand over a check out of the blue, just as the Egyptians handed over their silver and gold in Exodus.

Proverbs 13:22

“A good man leaveth an inheritance to his children’s children: and the wealth of the sinner is laid up for the just.”

Exodus 12:36

“And the Lord gave the people favour in the sight of the Egyptians, so that they lent unto them such things as they required. And they spoiled the Egyptians.”

Lana Vawser's August 02, 2017 Prophetic Vision – I saw the “spoils” being gathered in the United States of America:

Today I was able to stop into Washington D.C quickly and was standing looking at the White House and I had a vision. I saw the Lion of Judah on the lawn of the White House. He was poised and looking towards the White House and He opened His mouth and He began to ROAR. As He roared, a roar of such authority, alignment and unlocking, I watched the vision begin to change. As I could still hear the sound of His loud roar, I saw a HUGE timeline in the spirit and as His roar resounded, angelic hosts were being released and they were going along this timeline. They were going SO far back in the history of the United States and I knew instantly what they were doing. The time had arrived, for them to be released to go back and begin to retrieve the spoils.

SPOILS: goods stolen or taken forcibly from a person or place. (Google)

The time has arrived for the SPOILS to be gathered. The time has arrived for recompense, repayment, and restoration for the United States of America. The “gathering” was taking place and this “breakthrough moment” for the United States had arrived in more significant ways than was realized, and the pathway had been paved by the prayers and intercession of the saints.

IT WON'T BE SPOILED:

I then heard the Lord say... “As My people continue to pray, what I am doing NOW in the United States won't be SPOILED.”

SPOILED: to diminish, damage, destroy value of, hinder, blemish, harm, injury (Google - definition, and synonyms)

The sense of the power of prayer surrounded me, the sense of the power of intercession and the shift and turning point that is being ushered into the nation through the prayers of the saints. There was such a strong sense that

in this partnership with the Lord to continue to cry out, pray and intercede a whole new level of victory and the unstoppable move of the Holy Spirit would be seen to flood throughout the nation.

Suddenly I could see **Habakkuk 2:22** in the spirit and it was flowing along this timeline that the angelic hosts were moving along retrieving the spoils.

Then the Lord answered me and said, “Write the vision and engrave it plainly on [clay] tablets so that the one who reads it will run. People of God, as you continue to pray there is a great returning to the spoken VISION and DESTINY of God for the United States of America happening. The Lord is roaring over the nation and it is shifting things in the Spirit. The day of retribution has arrived. The day of radical restoration, recompense and increase is upon the nation.

What the enemy has stolen, hindered, hidden and removed, the TIPPING POINT of a greater level of a divine TAKE BACK is taking place. I kept hearing the Lord say: “The storehouse of the enemy is being raided and the storehouses of heaven are being opened up. The stage is being set for the King of Glory to come in. The King of Glory to come in! The **Glory Train** is coming to the United States of America. The **train** of His robe will be seen in the United States as the King of Glory comes down amongst His people and the greatest display of His Glory is going to be seen in the United States.”

“God will lavish you with good things: children from your womb, offspring from your animals, and crops from your land, the land that God promised your ancestors that he would give you. God will throw open the doors of his sky vaults and pour rain on your land on schedule and bless the work you take in hand. You will lend to many nations but you yourself won’t have to take out a loan. God will make you the head, not the tail; you’ll always be the top dog, never the bottom dog, as you obediently listen to and diligently keep the commands of God, your God, that I am commanding you today. Don’t swerve an inch to the right or left from the words that I command you today by going off following and worshiping other gods.” (**Deuteronomy 28:12-14**)

People of God keep interceding, keep decreeing, keep doing what He has called you to do in this nation, for a great unlocking of abundance and increase is upon the United States as the realignment and restoration to the ORIGINAL VISION and COMMAND of God is followed, honored and restored.

DENS OF DECEPTION:

I watched as God’s people prayed, the storehouse of the enemy was being raided, but I also saw fire falling upon the “dens of deception” - the places where the enemy was plotting, planning and scheming deceptive strategies, I saw FIRE falling upon those dens of deception as God’s people prayed and had eyes to see what was happening, and those places were being completely destroyed. There has been a great toiling, but now you shall see a great foiling.

“Continue to cry out! Align with My roar, align with My decrees and make room for Me. Make room for Me. I am coming! I am coming! I am coming! I will not be boxed. I will not be hindered. I will not be contained. What I want to pour out and release will be released in power, but My people you must continue to rise in intercession. You must continue to praise Me over the nation. You must continue to speak words of life over the nation. Do not curse, speak life, cry out, speak life, cry out, speak life, cry out, do not turn to the right or to the left no matter what you see in the natural, stay in line with My roar. The spoils are being brought back, the spoils are being brought back. It’s time! It’s time! It’s time! What I am about to do is unlike anything you have ever seen and the enemy would attempt to distract My people from praying in this season, but the breakthrough has already begun, but there is a whole new level of victory, breakthrough, and outpouring upon you United States of America and people of God, you are birthing it. You are birthing in your intercession.”

I also saw a large angel standing at the front of the White House and he held a GOLDEN trumpet and He was blowing the trumpet over, there was a LOUD HERALDING and ANNOUNCEMENT being released in the Spirit... "So wake up, you living gateways! Lift up your heads, you ageless doors of destiny! Welcome the King of Glory, for He is about to come through you. You ask "Who is this Glory-King?" The Lord, armed and ready for battle, the Mighty One, invincible in every way! So wake up, you living gateways, and rejoice! Fling wide, you ageless doors of destiny! Here He comes; the King of Glory is ready to come in!" (Psalm 24:7-9 - The Passion Translation)

A TIDAL WAVE OF HIS SPIRIT BRINGING HEALING AND LIFE TO THE HEART OF THE UNITED STATES IS FLOWING: I also saw angelic hosts stirring the waters and it reminded me of a vision I had in May 2015 about angelic hosts stirring the waters in the United States yet this time, (<https://www.charismamag.com/blogs/prophetic-insight/23278-angelic-hosts-are-stirring-in-the-waters-of-america>) I saw the angelic hosts IN the White House and they were stirring the waters and the waters were gaining momentum. As the waters gained momentum, I could hear the prayers of the saints, I could hear the decrees of God's people "Come out, break out, flow, flow, flow, flow" and suddenly I saw a tidal wave of His Spirit flooding the White House and exploding out of the White House and going straight to the heart of the nation.

The words boomed in my spirit "Life to the heart! Healing to the heart! Resurrection life to the heart! Resurrection of vision! Resurrection of vision" and I knew that the Lord was decreeing that healing and life was coming back to the destiny and decree He has released over the United States of what she is to be, carry and release.

I had an encounter with the Lord in March 2016 (<https://www.lanavawser.com/2016/03/07/the-heart-of-the-united-states-of-america-is-groaning-2/>) and I heard the heart of the nation of the United States groaning in such pain, such death, such agony.

Now, in 2017, I heard MORE LIFE than EVER flooding towards the heart. I heard the SOUNDS OF LIFE in the spirit more than I have EVER heard it over the United States. The Lord spoke to me that the prayers of the saints are availing much! Your prayers are not returning void people of God. What is happening in the United States of America right now, what God is doing, is historic and God is shaking, cleaning, purging and making room because He's coming! He's coming! He's coming! The King of Glory is about to show up like He's never shown up before.

I kept hearing the words "The fruit of your seeds are now being seen! The fruit of your seeds is now being seen! What has been sowed in secret in the hidden places of prayer, will now be visibly seen in the nation more than ever. A whole new season of fruitfulness."

"Look out at the nations and pay attention! Be astounded! Be really astounded! Because something is happening in your lifetime that you won't believe, even if it were described down to the smallest detail." - **Habakkuk 1:5**

MANY INTERCESSORS WILL SEE MICHAEL THE ARCH ANGEL IN THE SPIRIT MARKING OUT THE AREAS TO INTERCEDE AND DECREE AS HE BATTLES THE PRINCIPALITIES:

I heard the Lord say "Many intercessors will see Michael the Arch Angel in the spirit marking out areas to intercede and decree as he battles the principalities unleashing a new level of victory."

Intercessors, pay attention to angelic visitations and visions in this season, for new prophetic pathways of intercession will be mapped out to you, as the Lord invites you to see the areas He has assigned Michael the

Arch Angel to move into and bring a new level of victory and freedom. Not taking on principalities as the people of God, but agreeing with the decree of God in the areas being “marked and mapped out” and as God’s people pray and decree, angelic hosts went to battle in the agreement of God’s decree bringing the United States into another level of freedom and victory.

Michele Burdo Friend’s April 24, 2018 Prophetic Word – The Wealth Transfer is going to take place before Russia Invades America. The Russian Attack will be so Sudden that no one would come to our aid and our Military would not have time to help its own Country:

A couple of days ago, a friend of mine was communing with the Lord. He said the Lord spoke to him and told him that America would be attacked (Russia) and it would be so sudden that no one would come to our aid and our military would not have time to help its own country.

The Lord also told him the wealth transfer was going to take place before this occurred. He said we would do great works in His Name and we would be given the choice to stay here or leave, but if we stayed, it would be very hard. We could leave this country and live elsewhere in peace and we would do works in His Name elsewhere.

Then he had an open vision and saw himself a little older with other men defending the country all together here in America. I asked him how they were dressed and he said they were not military people, just people who loved this country. Some had blue jeans, some were dressed in camouflage and they had a mismatch bunch of guns and weapons, a rag tag army.

After he told me this he became weepy and said, “God has called me to be a warrior and he has called me to fight.”

I reassured him it is of the utmost calling for us to follow and obey the Lord and in due time God would show us what we are to do and where to go.

In a dream about four or five years ago, he saw Russian troops rolling down his street. The soldiers were going up to the doors of homes and dragging people into the streets. In another dream, he saw Russian paratroopers landing on the ground near his house in the middle of the night. They disengaged their parachutes, ran down a hill and disappeared into the darkness. He also saw in the darkness a red blinking beacon that had been left on the ground by the paratroopers.

They will be anointed as national and political ministers in the Elijah anointing which will literally be the mouth piece of God!”)

Is The Passing of Billy Graham a Prophetic sign? Evelyn Brooks 03-9-18

Chosen Explosion House Church Streamed live on Mar 9, 2018

(“Around the year 2011, I began to hear prophecies concerning the death of Billy Graham and the things that God was telling people that was going to happen after his death. ... Is reverend Graham’s death significant and does the timing help to reveal what God is doing in the earth in this season? I say absolutely yes! Wholeheartedly I believe that it is significant and it is a sign of God’s activity in the earth during our time. You know, God hasn’t spoken to me directly about this, actually until after his death. The Lord did begin to speak to me some during the funeral, as I watched the funeral and I didn’t go to the funeral, I watched it as I was on vacation. And as I watched it on television, God began to speak to me some about that and God began to speak to me symbolically and I’ll tell you about that. But besides that, the Lord hasn’t spoken to me directly about the death of Billy Graham, but he has spoken to me many times, many, many times about the events that are coming. And the same events that God has spoken to in relation to reverend Graham’s death. He has spoken to me about the things that they are saying, that it’s coming and I talk about those things a lot. ... about a revival that is coming at the end of this age and a great harvest the Lord has talked to me about these things for many, many years.”)

(**Many Christians will be Surprised and Promoted.** “In a short time I will shake the heavens and the earth once again. And I will shake the sea and the dry land. I will shake all the nations.” A false flag event. A great deception going on in Facebook. The snake. “His (*God’s*) house had become a den of thieves and He will be flipping the tables” “People of God are going to be surprised and pushed up into high positions, pushed up and promoted into positions that can do with the political realm, the government realm ... some kind of high positions, some kind of promotions, because God wants to promote His people. Because you have worked, because you have not given up, because you have been faithful. I’m telling you, write it down, God is going to promote His people. Just as He promoted Joseph to king a high position. Just as He promoted David. David was a shepherd boy. David was basically discarded, his life was sought after by King Saul. But he was crowned and promoted because when God decrees a thing, who can come against the Lord God? No one! When God speaks a thing unto your life, when he anoints you, when he chooses you, there is no one, there is no devil in hell, no demon on this earth, no human being who has the power, because God has all power and all glory.”)

Dream: Obama attack, huge tsunami, spiritual threats and refining

("I was in this room. It was kind of like a dark house and I had a head torch on my head. And I was lighting up the room as I was exploring it. And then, something changed and I had a vision of like a coastline and I knew that there was something that they were going to do, something that they could affect. And I knew that they did something. This wasn't something God did, but something that they did. And I saw this dark stormy sea and I just saw this enormous tsunami rise up. It was ... I'm not a fan of tsunamis and it was quite intimidating in my dream. Much bigger than I expected to see. And then the scene changed and it was like daylight, or like dawn or daylight and I was like viewing in the spirit or like on the top of a cliff and I was looking down at a coastline, like a large coastal area. And what I knew is that area had been evacuated and they had tested a giant tsunami on it. Very peculiar, this is what my dream was. And I saw massive amounts of water, like the tsunami had already receded but the destruction in its wake, had destroyed everything there. I don't know what was there, if it was more of a blank landscape, but it just looked incredibly destructive, what I saw, and not only that but, the water had driven itself up the cliff that I was viewing upon, and destroyed some structures up there as well. So the tsunami was so enormous, that it went in really far on the coast, and then drove itself up this cliff, like this mountain and then caused even more destruction. And as I was seeing this scene I heard these men talking and they sounded like men from the government of something and like scientists or from the government. And they said ... they were commenting on how effective it was and they said that it would level a city in minutes. So that's what I saw and from that I believe that they have means of generating an enormous tsunami, basically wherever they desire.")

Prophetic Alert! Blood Moon Prophecy of July 27- #PropheticSign #WeekofSupernaturalManifestations

Princess Bola Adelani Published on Jul 19, 2018

<https://www.youtube.com/watch?v=EPH1OLvpd-U>

(The 9:10 Mark: "The week of July 21 to 28 is the most historic week of the century. Did you hear what I said? Listen to me, I want to bring you the prophetic implication. I want to bring you the prophetic meaning of the week of July 21 to 28, when we are expecting a lunar eclipse okay, on the 27th to 28th. So that week is a week of duality. It is a week of supernatural manifestations. It is a bloody week. It is one of the most historic weeks of the century, of the century! Did you hear what I said? Of the Century!!! ...now, the other major, major historic manifestation that is going to occur during that week is that the eclipse occurs on the same day the planet Mars reaches its opposition when it will shine at its best in the night sky. Opposition is when the earth lies between Mars and the Sun, making the Sun and Mars appear in opposite directions as viewed from the earth. This lunar eclipse is going to occur when Mars is the closest to the earth since 2003. ...this lunar eclipse is also the longest of the century. So you see in two ways, how this is a very prophetic week, how this is a very historic week. This is a week of what I call supernatural manifestations. Now let me tell you the prophetic implications. Starting with double, double that duality, okay, I've been shouting it forever, that we're in a prophetic season of duality. So I've saying that since March, April okay, so we are in a season of duality. So we are also in the duality in the prophetic in this sign as well. So what are the prophetic implications of this? Number one: Get ready for spiritual warfare and contention. If you go and study what the lunar eclipse is it's all about the blood moon and also when Mars is closest to the earth. It talks about opposition, in where the Sun is blocked by the Earth, so that the moon is not able to receive the fullness of the light that sun provides. So that week is a prophetic sign of what is going on in the heavens. ...It will a week of spiritual opposition and contention between the kingdom of darkness and the kingdom of light. So get ready people of God for spiritual warfare and for contention. ...Number Two: Get ready for increased demonic activity. It also means an increase in angelic activity. ...so we are going to see spiritual attacks and spiritual breakthroughs. It is also going to be characterized by divine judgment, because anytime there is warfare, you know bloodshed is always a consequence. There's always bloodshed, it's always bloody. So get ready, it's going to be a bloody week. It's going to be a bloody week! Because there is always causalities of war. **Especially those in Africa and Asia, they should watch out! Because according to the meteorologists Africa and Asia are really going to see and experience this blood moon in its fullest. And I am also picking up the Middle East, the Middle East I'm seeing major bloodshed and fighting and war and bloodshed in the Middle East that week.** ...On the positive side it is going to be a week of mighty, mighty, historic, historic, miraculous, supernatural breakthroughs, manifestations and deliverances!!! ...The remnant church, the true bride of God, this is the most jolly of the month of July jolliness!")

Message: Economic Collapse & Provision

(Prophetic Message: "Economic crash is on the horizon. There will be a surge in the economy and then it will topple down." "Now when I heard that, I believe that we are possibly in that surge right now. I do not know, but I believe that this might be the surge that He is talking about. **Back to the Message:** "I will position My People to rise above its tides and not be swept away by it. Look for it as it comes. Many will fear, but my true anointed ones will grab a hold of Me and will not let go. They will stand on My Word, My promises that say I will provide for them. They will trust the one true God and His son. I am the maker of heaven and earth and there is no other god before Me. I control the destinies of the people, not the enemy as some would think. There is nothing that I cannot do, but you must seek and ask. Faith is the key to the doorway of provision. Search for Me and you will find Me. But it must be from an earnest repentant heart. I ask My People to clean their hearts and minds now, from all distractions and worldliness. Untangle yourselves from the world and its lustful ways. Unburden yourselves and give me your load of cares. I will gladly carry them. My cross is heavy, but My burden is light. Carry My cross and I will lift your burden. Serve Me first and foremost, do not put yourself before Me or others. Consider others better and do not judge, for I am the great judge and not yourselves. Seek compassion and love. Bind truth around your minds, and most of all, love one another as I have loved you.")

I don't believe it's a year, I don't even think it was months. **I believe He was giving us possibly a few more weeks.** He never gave me a time period. ...they stopped praying. My people are too involved in their own lives and not the cares of the Father. I can no longer look the other way and pretend not to see. Stand in the gap for your nation before it is too late. This is a final call to pray. With tears I weep oh America. Your days are numbered, you have been found wanting. The scales have found you guilty and are now tipped. If you do not pray, my wrath will overflow as I remove my hand of protection. So I call upon you to do two things. Intercede for your country, pray for the plans of the enemy to be thwarted. Repent now and turn from your wicked ways. If you do not, then this is the end of your story.")

**Prophecy - WARNING Eruption Alert & Track Records of True Prophets 6-9-2018 Lois Vogel-Sharp
King of Glory Ministries Published on Jun 9, 2018**

("Before My Jubilee is up Year (It ends on September 10, 2018) the economic crash is going to happen." Mark my words it's going to happen. "There is going to be another volcanic eruption across the planet. I said the volcanos would be smoking and now I'm saying they will be erupting. The magma under the earth is moving as the pressure is mounting up. When I tell you that we are at the end of the age, I mean what I say. The earth is moaning and groaning for all of the bloodshed, and hell is rapidly making its presence known on the earth. If you want to make it through the times that lie ahead, you must become one with Me and trust in Me no matter what happens. There is no time to turn back into the world, for in a moment in time My remnant will be taken and those who do not go will be left on the earth and will not rule and reign with Me during the Millennium. There is that time when the door will shut and will you be one of those virgins who did not have enough oil in her lamp? I tell you that you must prepare for the time on the earth when poverty and hunger will be very real. And will you have listened to what you were supposed to do to survive? America will have her day of this economic crash. And times will be tough for a season. But as she begins to acknowledge Me and corrects the abominations, she will come back and stand alongside Israel. That will not change My wrath coming against all manner of evil, even where it droves in this country. Every place on this planet earth that houses evil and abominations in My sight, will suffer the consequences. My people you must be prepared to leave these areas where you know My judgment will fall. There are the very reasons that Safe Havens are being built. It's time to see that life on planet earth is coming into a time like never before and never will be again. And will you remain My faithful bride? You must discern all you hear, with My Word for My false prophets are rising and deceiving many. Those that think they are hearing from Me and love Me are listening to themselves or some demonic entity, will be dealt with. For anyone not hearing My voice has fallen prey to deception and must be humbled to recognize they have been speaking lies that are confusing My people. Try to get serious and every word spoken must be discerned. For many will be speaking nothing but confusion, so My children will not know what to do. How many so-called prophets do you know that have so-called signs and wonders following them? My prophets not only speak My Words, they perform miracles in the name of My son, for they are anointed to do so. Anyone can receive a prophetic Word, but to have the place of the prophet, miracles and wonders follow. For I always show proof of who are mine. Keep looking up for your redemption is closer than you think. And know My Word of truth or you will certainly be deceived. I love you, Your Father who art in heaven.")

**Last Warning - Why Are You Not Paying Attention 7-10-2018 Lois Vogel-Sharp
King of Glory Ministries Published on Jul 13, 2018**

<https://www.youtube.com/watch?v=7o9m2IGcJUU>

("The economy has to reset itself..." "...So get ready. If you are not prepared for this economic crash that is about to happen, you are going to suffer the consequences. The Lord told me this morning this is the last warning He's giving about the crash that's about to happen. So get some extra stuff in your house. Make sure that you have some finances in your house. Because if the banks shut down and we can't get money out, what are we gonna do about it? Just be prepared to the best that you can. Just don't ignore it..." "...It's gonna be an exact moment, when something sets this economy off and it goes under. It's going to be some event, something's going to happen that makes this come to pass." "It's the Jubilee year and the blessings are coming to His people. So it's gonna happen before this Jubilee year is over." "Gold and silver are going to rise and that's gonna be the time that we do what we have to do with it.")

("So in this experience I was speaking to a banker, and I said to the banker, ...is this my account? And he said yeah, this is your account. I thought well that's a weird reaction. Obviously I thought that my bank account should have more money in it, or have money in it period. I think that there was nothing in my bank account. ...I think that there is going to be a day and hour when for some reason or another, the banks are going to have no money. And I don't know all the reasons for that, but I think it's probably a prelude to a bigger problem like an economic collapse.")

"You will be solvent by August of this year (2018) ... 2018 is not only going end with extra, but excess says the Lord!" "There will be a shift in the fall of 2018, just as the Jewish New Year emerges. It will bring with it extraordinary changes. The measure of glory that rested on the former house, will begin to transition into the long-awaited glory that's going to rest on the latter house. This shift will not only be for the Jew, but for the Gentile church. This transition shall happen in the midst of gross darkness and much resistance. Do not be alarmed, know this, that the Lord will shake all nations. He will shake the heavens and the earth before the desire of all nations shall come. This is the time, now is that season.")

Who am I? I live in Central Virginia, I'm a retired electronic communications technician. I have lots of hobbies and interests (primarily the earth sciences), including but not limited to horticulture, seismology, meteorology, astronomy, geology, gemstone and gold prospecting, cryptozoology and cryptology. But most of all, I am a passionate student of Prophecy and Code Finding/Breaking. Jesus Christ is my "first love" and trying to reach the world with the TRUE salvation message of the Lord is my greatest ambition.
