COVID CORRUPTION PART 1:

SHOW ME THE MONEY! Please note that over \$1.5 Trillion of fraud, fines, and bribes can be linked to the COVID "vaccine". The money trail leads to America's elite who funded Biden's campaigns for over 20 years. **PART 1 of 3**

PART 1 of 3

How does indiscriminate depopulation help the elites exactly?

Pharma is the alliance and outgrowth of Rockefeller's crooked oil and eugenics-obsessed phony philanthropy interests and the German Dye Trust (I.G. Farben), both backed Hitler. Pharma is owned by racketeering eugenicists that knowingly injected hundreds of millions with SV40 contaminated Salk "polio vaccines". [https://www.thelancet.com/journals/lancet/article/PIIS0140-6736\(04\)16746-9/fulltext](https://www.thelancet.com/journals/lancet/article/PIIS0140-6736(04)16746-9/fulltext)

"On October 2, 1970, just 15 months after Dr. MacArthur requested an appropriation for AIDS development, Robert McNamara, now World Bank President, made a speech to international bankers in which he identified population growth as "the gravest issue that the world faces over the years ahead." 1

In his speech to the bankers, McNamara argued that population growth was leading to instability, that a 10 billion world population would not be "controllable."

Said McNamara, "It is not a world that any of us would want to live in. Is such a world inevitable? It is not sure but there are two possible ways by which a world of 10 billion people can be averted Either the current birth rates must come down more quickly or the current death rates must go up. There is no other way."

In brief, Robert McNamara was in the final decision-making role for development of AIDS at the very time he was contemplating the idea that "world death rates must go up." This is more than coincidence.

Our conclusion is that Trilateralist Robert McNamara knowingly encouraged development of AIDS as a means to reduce the world's population. It is difficult to arrive at any other conclusion."

"Robert McNamara, made some very interesting remarks. As reported by a French publication, "j'ai tout compris", he was quoted as stating: 2

"One must take draconian measures of demographic reduction against the will of the populations. Reducing the birth rate has proved to be impossible or insufficient. One must therefore increase the mortality rate. How? By natural means. Famine and sickness."
(Translation)

"It is hardly astonishing that, in every major vaccination campaign, one finds the same tangled web. Government, the military, Saint W.H.O., financiers, researchers, laboratories, universities, the CIA, and the World Bank."

2009: "Mssrs. Gates, Buffett and Turner have been quietly worrying about Malthusian population problems for years. Mr. Gates in February outlined a plan to try to cap the world's population at 8.3 billion people, rather than the projected 9.3 billion at which the population is expected to peak."

Jeffrey Epstein, Bill Gates and Eugenics?

Bill Gates' old pal Jeffrey Epstein loved eugenics and once sat on the board of Rockefeller University with Nancy Kissinger.

Henry Kissinger, the war criminal and "population control" advocate, is still a Rockefeller henchman. 97 year old Kissinger wrote this article in the WSJ in April 2020:

<https://www.wsj.com/articles/the-coronavirus-pandemic-will-forever-alter-the-world-order-11585953005?mod=searchresults&page=1&pos=2>

Epstein named Bill Gates' former science advisor, Boris Nikolic, who specializes in gene editing, as his successor executor two days before he "killed himself." Nikolic declined the executor role.

Yeah, vaccines have always been a protection racket and eugenics program. People just need to research SV40.
