Oh Lord, our God in heaven a servant in this corner with three wives, join us in the circle of prayer. Seeking unto Thee for your spirit . That you will fill us with your heavenly light, only thy will be done. Behold Father these three ladies, innocent and pure. They know of your heavenly power even in your spirit and witness of peace, even the burning peace. We thank you for these gifts and we join in a prayer of oneness. Thy...unto them, and according to your will. Allow them to feel the all-consuming fire of your presence. Fill them with the Holy Ghost the living fire in them...lift up their spirits... their minds and desires. To marvel at your greatness and to feel your heavenly power. Will you touch them with your power? Because they will come to the greater knowledge of your spirit... withholding nothing giving our all to thee. Let us vest our mind and will father these also may know of thee and your power for a long time. According to our faith and separation of thy will , acknowledging in all things a servant that's willing to atone, even greater. The greater light to come forth ....send forth encouragement and peace and deliver these ladies from all lightmindedness and selfish will . Bless them to live with us and to glorify Thee and the works you have them perform . We know you can do this Father....and say Thy will be done. With your blessing ....show thy servant what to do next. Accomplish the work you were appointed. Advance those who can advance, we offer this prayer in the name of Jesus Christ, Amen.
