➢ Simple tasks
★ Stage tasks
➔ Long tasks

★ On the paper in front of you, draw a portrait of yourself. You may use any of the pens or pencils on the table. Most recognizable and accurate drawing wins. Before you begin, put on a blindfold, you may not remove the blindfold until you have finished your drawing. You have 10 minutes. Please put on your blindfolds, your taskmaster will tell you when the time starts and you may begin.

➔ Take an extraordinary photo of an ordinary thing. Most extraordinary photo of the most ordinary thing wins.

➢ Draw a circle. Medium size wins.

➢ Find two intact leaves. One large and one small. Biggest size difference between the two leaves wins.

➢ Put exactly 100 grains of rice into the tub. Fastest time wins.

★ Make the highest tower of cans on the wobbliest thing. The taskmaster will rate your wobbliest thing out of five. The height of your tower, in the number of cans, multiplied by the rating of your wobbliest thing gives you your final score. Highest score wins. You will have 3 minutes to pick your wobbliest thing, you will then have 5 minutes to build your tower.

➢ Toss as many heads in a row as possible. Highest streak wins. If a tail is tossed your streak is discounted and your count goes back to zero. You have 10 minutes, your time starts when you toss your first head.

➢ Build a sandcastle. Best sandcastle wins.

★ There are three identical mugs on the table in front of you. Each mug has a name written underneath of either yourself or your competitors. Taking it in turns, you may each choose to examine one mug, you will have10 seconds to do so. After this, the mugs may not be moved or touched in any way.
In the mug with your name on, make the nicest cup of tea. Nicest cup of tea wins. You have X minutes. Your time starts now.

➢ Make a piece of fruit look like a different type of fruit. Most convincing fruit disguise wins. You have 15 minutes, your time starts now.

➢ Throw a tea bag into a mug. Furthest distance wins.
