-  L'installatore deve predisporre una scatola di derivazione "IP55" (non fornita a corredo) per il collegamento dei cavi di alimentazione provenienti dall'impianto con quelli della cabina doccia.
-  L'installateur doit prévoir une boîte de dérivation IP55 (non fournie) pour le raccordement des câbles d'alimentation provenant de l'installation avec ceux de la cabine de douche.
-  The installer must set up an "IP55" junction box (not supplied) for connecting the power cables coming from the system with those of the shower cabin.
-  El instalador debe disponer una caja de derivación "IP55" (no suministrada en dotación) para la conexión de los cables de alimentación que provienen de la instalación con aquellos de la cabina ducha.
-  De monteur moet voorzien in een aftakdoos "IP55" (niet meegeleverd) voor de aansluiting van de toevoerkabels komend uit de installatie met deze van de doucheceel.

Aspirare i residui delle forature
 Aspirer les résidus des perçages
 Suck up the drilling residues
 Aspirar los residuos de las perforaciones
 Zuig de residu's uit de gaten op
