If you are a fan of board games, especially Werewolf, you should definitely not miss Among Us, the new and exciting game of Inner sloth. You can download the HACK APK version of this game via the links below.

## **Introduce about Among Us**

Among Us is an extremely attractive multiplayer action role-playing game of the publisher Innersloth. Inspired by the popular boardgame game Werewolf, the game has the main theme revolving around the teamwork, beliefs, and doubt of a group of astronauts in space. There, the group of astronauts must find a way to launch the ship to leave space. However, there have been a few murderers infiltrated the crew with the intention of destroying all. Will the fate of the astronauts be like?
