

OPPONENTS REMARKS:

Olivia is one of the most competitive girls I've ever seen play. She's an outstanding on-ball defender who takes pride in causing havoc on defense. Her ability to get deflections and steals is amazing. She is also a very unselfish player, always willing to make the extra pass so her teammate can get an open shot. On the court you can hear how vocal she is when talking to her teammates making sure they're where they need to be. She is a great player who will do great things at the next level.

Olivia Smith is one of the most versatile and skilled basketball players that I have coached against over the past four seasons. Olivia is an elite scorer in the open court, while attacking the rim, and she is a prolific three-point shooter. Her ball handling skills and basketball IQ allow her to put constant pressure on opposing defenses, create high percentage shots for herself and teammates, and control the tempo of a game. Olivia's skillset along with her love of competition, intense will to win, on court leadership, and relentless passion to compete make her one of the best players in the state of Indiana.

OLIVIA SMITH
Indiana All-Star Nominee

Olivia Smith has been a stand-out basketball player for South Side High School. It is very rare today in Fort Wayne, Indiana, that a young lady would attend the high school that she had wanted to attend since the 3rd grade. She was an ARCHER from the beginning to the end. She has been a contributor to the program since her first game. Her first game, the team was down by 9 and she came in and lit a spark that propelled us to go on a 10-0 run! She ignited a team that was lacking in energy. Throughout her career, she has maintained that level of energy and contribution, especially, her Senior year. This season, Olivia had to step up as a dominant scorer and facilitator. She worked tirelessly to keep her team competitive in every match. Her supporting cast was young and inexperienced. I feel very privileged to have been her coach, to watch her grow into this phenomenal athlete and incredible young lady.
