
The Federal Government of The Imperium of Diamond's

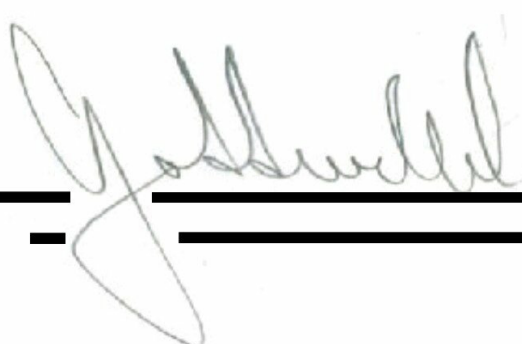

The legitimacy of European terrorist states

1. European countries do not respond to terrorism of any obligation for International law, and is not intended act constituting the actual creation of confirmation for Global Security and joint stabilization against threats form the First Global War. Terrorist states who publicly confirmed their interest in Global Terrorism, and thereby create conflict First Global War to eradicate over 7 Miliard people worldwide.
 2. This confirms the legal obligation to act all states to ensure the use of Weapons of Mass Destruction for destruction of terrorist states and destruction entire dimension of the terrorist subject, the implementation of strategic development of civilization compensation force immediately after territorial profit WD jurisdiction of the International Alliance.
 3. Law Act each own country's government from around the world and at any time in the future this statute. Crimes of terrorist states is not any possibility to legalize in any case of any legal principles and International law. The statute is valid until period the founding WD Alliance sovereignty in stabile activities.
 4. Immediately upon reaching measure to ensure the stabilization of our own strength territorial sovereignty, immediately after destruction terrorist entity and the stabilization of the International system being capable of legitimacy, then we must use today's Rights Charter of the United Nations to launch an act of intervention and violation of the integrity of the territory of other countries abroad, due to the liability of the State for several times the genocide and the emergence of the threat of Global War, because of the irresponsible use of its own principles and obligations under International Law. An act which is now responsibility for UNSC, and as an irrevocable obligation of law legalized be the world's existence. World's own existence much more important values than states legitimacy of the UN and UNSC law.
 5. Every politician, a policeman and a soldier who would reject an investigation, or be recognized as responsible for global terrorism, everyone must be executed immediately, as well as all the people who are with that person in any contact.
 6. UN ICC's own right and a duty to promptly investigate and prosecute anyone who caused the legalization of such a situation.
