

Medwave Billing & Credentialing is one of the Top Medical Billing Companies 2021

Top Medical Billing Companies 2021 by SuperbCompanies

We are excited to announce that **Medwave Billing & Credentialing** has been named one of the top **Medical Billing Companies 2021** by **SuperbCompanies**. With more than 20 years of experience, we have accumulated many accomplishments, and each award is special for us. A huge team of experts works hard to provide our customers with the best medical billing services, and it is always an honor for us to be recognized for our efforts.

About Medwave Billing & Credentialing

Medwave is one of the leaders in providing comprehensive **medical billing services** to behavioral (mental) health providers and both genetic testing and toxicology labs. Our indeed first-class medical billing helps companies to increase their income. Medwave offers efficient and effective solutions for medical practitioners that are hard-pressed for time and resources to take over the billing and related administrative functions of the medical institution.

Medical Practices served by Medwave:

- Behavioral Health
- Genetic Testing Labs
- Toxicology Labs

- Allergy Testing
- Durable Medical Equipment (DME)
- Family Practice
- Physical Therapy
- Internal Medicine
- etc.,

About SuperbCompanies

SuperbCompanies is an independent market research and analytic platform. The SuperbCompanies team pays special attention to the process of ranking companies in each of the presented categories. SuperbCompanies performs a detailed analysis of companies in each area, taking into account the most important criteria from company experience to customer feedback, which makes it possible to compile a list of the top companies that provide the best services in the field of their activity.

To be among the best companies that provide **medical billing** services is a great honor for us. We are grateful to SuperbCompanies for this award and promise to hold the bar high, provide top-notch services, keep growing and getting better.
